National Chain Gives Kids the Gift of Growing up this Holiday Season

HARRISBURG, Pa.--(BUSINESS WIRE)--Dec. 1, 2020-- Ollie's Bargain Outlet, Inc. (Ollie's), one of America's largest chains of discount retail stores, in partnership with Children's Miracle Network Hospitals (CMN Hospitals), raised more than \$500,000 nationwide from October 25 - November 14. As both organizations focus on the importance of healthy communities and children, funds raised at Ollie's locations will stay local and benefit more than 78 local CMN Hospitals.

"We are thrilled to donate these funds to Children's Miracle Network Hospitals so that families with critically ill children can get the financial and emotional support they need right now," said John Swygert, President and CEO of Ollie's, "We have a long history of giving back at Ollie's and these charitable partnerships are only made possible by the generosity of both our store associates and the customers we serve. We are so proud of our generous customers for donating at our registers to help support kids in our communities."

CMN Hospitals has raised more than \$7 billion in unrestricted funds for 170 children's hospitals across the United States and Canada. Dollars raised stay local and support each hospital's most urgent needs, whether that's providing care to children without insurance, investing in research that discovers life-saving treatments and cures, training the next generation of doctors and nurses, or offering families comfort and peace of mind during the most trying moments of their lives. Changing the health of even one child or family creates a ripple effect felt by communities for years to come. When we change kid's health, we change the future – for all of us.
