*Closeout Retailer Brings Holiday Joy to Less Fortunate Children*

HARRISBURG, Pa.--(BUSINESS WIRE)--Dec. 21, 2021-- Ollie's Bargain Outlet, Inc. (Ollie's), one of America's largest closeout retailers, in partnership with the Marine Toys for Tots Foundation, raised more than \$940,000 nationwide from October 31- November 29. In addition to raising money at its registers, Ollie's also served as an official toy drop off location where customers contributed thousands of toys to help bring the joy of Christmas to less fortunate children in the communities it operates.

"After what has proven to be another challenging year, we are grateful that our associates and customers have remained dedicated to helping people in their local communities," said John Swygert, President and CEO of Ollie's. "With this being our second year partnering with the foundation on a national level, we are proud to have filled hundreds more toy boxes, exceeding last year's donations. We're excited we're able to contribute to positively impact more children and their families this holiday season."

"We are pleased to once again have Ollie's as a national corporate sponsor of the Marine Toys for Tots campaign," said retired Marine Colonel Ted Silvester, Vice President of the Marine Toys for Tots Foundation. "Their community service goals certainly align with those the Marine Corps has promoted for over 74 years through our Toys for Tots program. With their generous support, we will be able to fulfill Christmas holiday dreams of thousands of less fortunate children who otherwise might have been forgotten this holiday season."

Since 1947, the Marine Toys for Tots Program has distributed 604 million toys to over 272 million less fortunate children. Today, Toys for Tots is the nation's flagship Christmas charitable cause with local Toys for Tots campaigns conducted from October through December each year in over 800 communities throughout the nation.
