Dear Fellow Shareholders,

We came into last year with ambitious goals and our team delivered. We opened **a record number of stores, expanded our customer base to new levels, and improved our competitive positioning through increased scale.** Our accelerated growth amid continued retail consolidation reinforces the **flexibility and durability of our model.**

Ollie's was built around a simple and enduring purpose: to save customers money on high-quality, brand-name merchandise. We sell *Good Stuff Cheap*®—real household brands at prices typically up to 70% below the fancy stores. Our value proposition is supported by a flexible, opportunistic business model that thrives across cycles while creating value for customers, vendors, and shareholders.

A Flexible Model, Strengthened by Scale

Our opportunistic buying model is inherently adaptable. Supported by deep, long-standing relationships with manufacturers, wholesalers, and retailers, we source the most compelling deals across a wide range of categories and build our assortment based on opportunity, not obligation.

In fiscal 2025, our **accelerated growth meaningfully amplified the benefits of our size and scale.** We opened **86 new stores—more than in any year in our history—and ended the year with 645 locations across 34 states.** This pace of expansion enhanced our buying power, expanded merchandise access, and strengthened our position as a trusted partner to vendors managing excess inventory.

As other retailers exited the market, Ollie's expanding footprint improved our ability to access larger and better deals, exert greater control over our product assortment, and drive improved sales productivity. **These dynamics reinforce how our model strengthens as the industry evolves.**

To further enhance execution at scale, we also continued to **invest in our people and infrastructure.** We strengthened our bench in many critical areas, including planning and allocation, marketing, and new store development, and increased distribution center throughput through expansion and automation.

A Long Runway for Consistent Growth

Ollie's long-term growth opportunity remains substantial. **With a long-term target of 1,300 stores, we are only at the half-way mark of our store potential.** We continue to pursue disciplined, contiguous expansion that leverages brand awareness, real estate availability, field leadership, and supply chain efficiency while maintaining strong returns. As our store base grows, the benefits of scale increasingly compound—supporting consistent execution, repeatable financial results, and strong cash generation over time.

We are also growing our customer base. Our **Ollie's Army loyalty program** continues to **drive customer acquisition and engagement,** while program enhancements—including exclusive shopping events and our co-branded Ollie's credit card—are deepening loyalty and increasing lifetime customer value. Through our growing digital marketing initiatives, we are also reaching new consumers and expanding engagement levels with existing customers.

Financial Strength and Capital Discipline

Ollie's financial foundation remains a strategic advantage. We ended fiscal 2025 with a **strong balance sheet, robust cash generation, and no meaningful long-term debt.** This position supports continued growth, enhances vendor credibility, and enables disciplined capital allocation, including measured share repurchases alongside sustained reinvestment in the business.

Looking Ahead

We enter fiscal 2026 confident in the durability of our model and the opportunities ahead. With increasing scale, a flexible operating structure, and a significant long-term growth runway, we believe Ollie's is well positioned to deliver **attractive and consistent long-term shareholder returns**—particularly as retail consolidation continues. In that context, our Board remains focused on governance and compensation practices that reinforce long-term, performance-based decision-making and stockholder alignment.

Our People

None of this would be possible without my fellow teammates. I am deeply grateful to the thousands of associates who bring commitment and pride to the purpose of saving people money. **Selling Good Stuff Cheap is not just what we do, it is in every fiber of our being!**

Thank you shareholders for your continued trust and support.

WE are... OLLIE'S!

Sincerely,

Eric van der Valk

President, Chief Executive Officer, Director, and Loyal Bargainaut

The Board of Directors (the “Board”) of Ollie’s Bargain Outlet Holdings, Inc. (“Ollie’s,” “we,” “us,” “our,” or the “Company”) is soliciting your proxy to be voted at the Annual Meeting to be held on June 11, 2026, at 10:00 a.m. local time at the Colonial Golf and Tennis Club, 4901 Linglestown Road, Harrisburg, PA 17112, and any postponement or adjournment thereof.

Matters Considered at the Annual Meeting

At the Annual Meeting, stockholders will be asked to vote to: (1) elect 10 nominees named herein as directors to hold office until the Next Annual Meeting; (2) approve a non-binding advisory proposal regarding the compensation of named executive officers (“Named Executive Officer(s)” or “NEO(s)"); and (3) ratify the appointment of KPMG LLP (“KPMG”) as the Company’s independent registered public accounting firm for Fiscal 2026. The Board is not aware of any matters to be brought before the Annual Meeting other than as set forth in the notice of meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed form of proxy, or their substitutes, will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding; and Entitled to Vote

Holders of common stock as of the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were 60,661,294 shares of common stock outstanding and entitled to vote at the Annual Meeting, with each share entitled to one vote.

Important Notice of Internet Availability Proxy Materials

Under the “notice and access” rules adopted by the SEC, we are furnishing Proxy Materials as defined on page 2 of this proxy statement (the “Proxy Statement”) to most of our stockholders through the internet, rather than mailing printed copies. By doing so, we save costs and reduce our impact on the environment. If you received a Notice of Internet Availability by mail, you will not receive printed copies of the Proxy Materials unless you request them in writing. The Notice of Internet Availability will instruct you how to access and review the Proxy Materials on the internet. If you would like printed copies of the Proxy Materials, please follow the instructions on the Notice of Internet Availability. The Notice of Internet Availability was first mailed on or about April 30, 2026, to all stockholders of record as of the Record Date for the Annual Meeting.

Participating in the Annual Meeting; Admission

If you are a stockholder of record, you will need to present the Notice of Internet Availability or proxy card that you received, together with a form of personal photo identification, in order to be admitted into the Annual Meeting. If you are the beneficial owner of shares held in “street name” as of the close of business on the Record Date, you will need to provide proof of ownership, such as a recent account statement or letter from your bank, broker, or other nominee, along with a form of photo identification. Alternatively, you may contact the broker, bank, or other nominee in whose name your shares of common stock are registered and obtain a legal proxy to bring to the Annual Meeting.

Please note that we will decide, in our sole reasonable discretion, whether the documentation presented for admission meets the requirements described above.

Proxy Materials

Our “Proxy Materials” include:

- This Proxy Statement;
- A Notice of our Annual Meeting (which is attached to this Proxy Statement); and
- Our 2025 Annual Report to Stockholders.

If you received printed versions of these materials by mail (rather than through electronic delivery), these materials also include a Proxy Card or voting instructions form. If you received or accessed these materials through the internet, your Proxy Card or voting instructions form are available to be filled out and executed electronically. You should review this entire Proxy Statement and the 2025 Annual Report to Stockholders before you vote.

- **Board Composition:** 10 directors; 8 independent non-employee directors, plus Executive Chairman and President and Chief Executive Officer; annual elections (declassified board).
- **Governance Practices:** majority voting in uncontested elections with resignation policy; no supermajority vote provisions; prohibition on hedging and pledging; annual Board and committee self-evaluations.

Quorum; Shares Held by Brokers

The presence at the Annual Meeting, in person or by proxy, of the holders of at least a majority of the number of shares of common stock issued, outstanding, and entitled to vote as of the Record Date, is required to constitute a quorum to transact business at the Annual Meeting.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by broker non-votes (as defined below) also are counted as present and entitled to vote for purposes of determining a quorum.

If you are the beneficial owner of shares held for you by a broker, your broker must vote those shares in accordance with your instructions. If you do not provide voting instructions to your broker, your broker may vote your shares on any discretionary items of business to be voted upon at the Annual Meeting. If you do not provide voting instructions to your broker on how to vote your shares on any non-discretionary item of business, then the broker will not be able to vote your shares, which is known as a “broker non-vote.” The appointment of KPMG (Proposal 3) is considered a discretionary item, and brokers may vote on behalf of beneficial owners who have not provided voting instructions on this discretionary item. Brokers cannot vote on any of the other proposals contained in this Proxy Statement, which are non-discretionary items of business, unless they have received voting instructions from the beneficial owner, and to the extent that they have not received such voting instructions, brokers report such number of shares as “non-votes.”

Required Votes on Proposals

Election of Directors. Proposal 1. The affirmative vote of the holders of a majority of the votes cast with respect to each director at the Annual Meeting is required to elect each nominee named herein as a director. Abstentions and broker non-votes will have no effect on this nondiscretionary proposal.

Non-Binding Advisory Vote to Approve Named Executive Officer Compensation. Proposal 2. The affirmative vote of the majority of shares present in person or represented by proxy at the Annual Meeting and voting on this proposal is required to approve this nondiscretionary proposal. Abstentions and broker non-votes will have no effect on this proposal.

Ratification of the Selection of KPMG. Proposal 3. The ratification of the selection of KPMG as our independent registered public accounting firm for Fiscal 2026, will be approved if it receives the affirmative vote of the majority of shares present in person or represented by proxy at the Annual Meeting and voting on this proposal. This is a discretionary proposal, and brokers may vote on behalf of beneficial owners who have not furnished voting instructions on this item. Abstentions will have no effect on the outcome of this proposal.

Other Matters. If any other matters are properly presented at the Annual Meeting for action, including a question of adjourning or postponing the Annual Meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgment.

Although the advisory vote in Proposal 2 is non-binding, our Board will review the results of the vote and will take the results into account in making determinations regarding our Named Executive Officer compensation.

The vote on each matter submitted to the stockholders is tabulated separately. Broadridge Financial Solutions, or a representative thereof, will tabulate the votes.

How to Vote; Revocation of Proxies

Stockholders of record are requested to vote by proxy in one of four ways:

- *By telephone* – Use the toll-free telephone number shown on the Notice of Internet Availability or any proxy card you receive;
- *By internet* – Visit the internet website indicated on the Notice of Internet Availability or any proxy card you receive and follow the on-screen instructions;
- *By mail* – If you request a paper proxy card by telephone or internet, you may elect to vote by mail. If you elect to do so, you should date, sign, and promptly return your proxy card by mail in the postage prepaid envelope which accompanied that proxy card; or
- *In person* – You can deliver a completed proxy card at the Annual Meeting or vote in person at the Annual Meeting.

Voting instructions (including instructions for both telephonic and internet proxies) are provided on the Notice of Internet Availability and on any proxy card you receive. The internet and telephone proxy procedures are designed to authenticate stockholder identities, to allow stockholders to give voting instructions, and to confirm that stockholder instructions have been recorded properly. A control number, located on the Notice of Internet Availability or proxy card, will identify stockholders, and allow them to submit their proxies and confirm that their voting instructions have been properly recorded. Costs associated with electronic access, such as usage charges from internet access providers and telephone companies, must be borne by the stockholder. If you submit your proxy by internet or telephone, it will not be necessary to return a proxy card for your vote to be counted.

If a stockholder does not submit a proxy by the internet or by telephone or return a signed proxy card and does not attend the Annual Meeting and vote in person, his or her shares will not be voted. Shares of our common stock represented by properly executed proxies received by us or proxies submitted by telephone or via the internet, which are not revoked, will be voted at the Annual Meeting in accordance with the instructions contained therein.

If you sign and return your proxy card but fail to indicate how your shares should be voted on a given proposal, your shares will be voted as the Board recommends. In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by the Company in its sole discretion, on any matters brought before the Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the SEC.

Any proxy signed and returned by a stockholder or submitted by telephone or via the internet may be revoked at any time before it is exercised by giving written notice of revocation to the Company's Secretary at our address set forth below, by executing and delivering a later-dated proxy (either in writing, by telephone, or via the internet), or by voting in person at the Annual Meeting. Attendance at the Annual Meeting will not, in and of itself, constitute revocation of a proxy.

If you are a stockholder who holds your shares in the name of a bank, broker, fiduciary, or custodian, follow the voting instructions on the form you receive from your record holder. The availability of internet and telephone proxies for these stockholders will depend on the voting procedures of the bank, broker, fiduciary, or custodian.

Householding

Some banks, brokers, and other holders of record may be participating in the practice of “householding” proxy statements, annual reports, or notices. This means that only one copy of our Proxy Materials or Notice of Internet Availability, as applicable, may have been sent to multiple stockholders in your household. If you want to receive separate copies of our Proxy Materials or Notice of Internet Availability, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, fiduciary, custodian, or other holder of record, or you may contact our General Counsel and Corporate Secretary at Ollie’s Bargain Outlet Holdings, Inc., by written request, at 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112.

If you own shares of our common stock in more than one account, such as individually, and also jointly with your spouse, you may receive more than one Notice of Internet Availability relating to these Proxy Materials or copy of these Proxy Materials themselves. To assist us in saving money and to serve you more efficiently, we encourage you to have all your accounts registered in the same name and address by contacting our transfer agent: Equiniti Trust Company, LLC, 48 Wall Street, Floor 23, New York, NY 10005, Telephone: (800) 937-5449.

Proxy Solicitation

The Company is paying the costs of the solicitation of proxies. Members of our Board, Company officers and associates, and designated agents may solicit proxies by mail, telephone, fax, email, or in person. We will not pay directors, officers, or associates any extra amounts for soliciting proxies. We may, upon request, reimburse brokerage firms, banks, or similar entities representing street name holders for their expenses in forwarding Proxy Materials to their customers who are street name holders and obtaining their voting instructions.

No arrangements or contracts have been made or entered into with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. If done, such solicitations may be made by mail, telephone, facsimile, e-mail, or personal interviews.

Stock Repurchase

Over the course of our fiscal year ended February 1, 2025 (“Fiscal 2024”) and Fiscal 2025, we returned approximately \$126.9 million of value to our stockholders through the repurchase of 1,276,428 shares of the Company’s common stock, which represents 2.1% of the common stock outstanding as of the end of Fiscal 2025.

On March 19, 2025, we announced that our Board adopted and approved a new share repurchase authorization of an additional \$300.0 million of the Company’s outstanding common stock, effective through March 31, 2029. The plan is subject to extension or earlier termination by the Board at any time.

- During the period that the Board Diversity Rule of the Nasdaq Stock Market (“Nasdaq”) was effective, we complied with the same. We publicly disclosed board-level diversity statistics using a standardized template. We have at least three (3) board members who self-identify as diverse, including at least two (2) board members who self-identify as female.
- Our Board has adopted a version of the so-called “Rooney Rule,” requiring that we, or search firms we engage to recruit directors, include qualified candidates with a diversity of race/ethnicity and gender in the initial pool from which the Committee selects director candidates.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Board currently consists of 10 directors. Our current Board members are Alissa Ahlman, Mary Baglivo, Robert Fisch, Stanley Fleishman, Thomas Hendrickson, Abid Rizvi, John Swygert, Eric van der Valk, Stephen White, and Richard Zannino.

Our Board is fully declassified. Alissa Ahlman, Mary Baglivo, Robert Fisch, Stanley Fleishman, Thomas Hendrickson, Abid Rizvi, John Swygert, Eric van der Valk, Stephen White, and Richard Zannino have been nominated for election at the Annual Meeting for a one-year term, and if elected, they are expected to stand for re-election at our Next Annual Meeting.

In selecting director candidates for election at the Annual Meeting, our Nominating and Corporate Governance Committee and our Board considered whether each candidate possesses the required skill sets and fulfills the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity, and other desired qualities. The following biographies describe the relevant business experience of each director and nominee.

The nominees for election as directors at the Annual Meeting are described below. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated each of the candidates for election. The Board expects that each of the nominees will be available for election as a director. However, if by reason of an unexpected occurrence, one or more of the nominees is not available for election, the persons named in the form of proxy have advised that they will vote for such substitute nominees as the Board may nominate.

In the event that, in an uncontested election, any incumbent director does not receive a majority of the votes cast in his or her favor, such director will promptly tender his resignation to the Board. Following consideration of the recommendation of the Nominating and Corporate Governance Committee, the Board will decide whether to accept or reject the tendered resignation or whether other action will be taken. The Board will disclose its explanation within 90 days after the publication of the Board election results. The Nominating and Corporate Governance Committee and the Board may consider any factor deemed appropriate in deciding whether to accept or reject the tendered resignation.

The Board unanimously recommends a vote “FOR” the election of each of the nominees for directors.

Director Independence

Board Refreshment

Our Board believes periodic board refreshment promotes effective board structure and composition. The Board is elected annually and is declassified. The Board does not have a mandatory retirement age or term limits for directors. The Company reviews each director’s continued role on the Board, and the Board’s composition, annually to ensure the Board continues to generate new ideas and operate effectively. The Nominating and Corporate Governance Committee considers among other items each director’s age and length of tenure when considering Board composition and seeks to maintain a balance of experience and continuity.

Our Nominating and Corporate Governance Committee manages the process of identifying and screening potential director candidates to the Board, including candidates recommended by stockholders and filling vacancies consistent with the criteria approved by the Board. The annual Board and director self-assessment processes are important determinants in a director's renomination and tenure. The Board periodically reviews its composition to balance continuity, refreshment, and skills aligned with the Company's strategy.

Board Role in Risk Oversight

Our Board, its committees, and management continually monitor the material risks facing the Company, including, among other items, financial risk, strategic risk, operational risk, enterprise risk, legal risk, compliance risk, and cybersecurity risk. Management regularly reports to the Board on its activities in monitoring and mitigating material risks. Overall responsibility for risk oversight resides with our Board. In addition, the Board may delegate risk oversight responsibility to a particular committee in situations in which risk falls within the committee's area of focus or expertise.

Our Board believes that for certain areas of risk, the Company is better served by having the initial risk evaluation and risk monitoring undertaken by a subset of the entire Board that is more focused on the issues pertaining to the particular risk.

Compensation Risk

Our Compensation Committee assists the Board in fulfilling the Board's oversight responsibility relating to the evaluation of compensation risk. The Compensation Committee is aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking. The Compensation Committee, therefore, conducts, an annual formal review, in conjunction with Pearl Meyer, of all of its incentive programs for executives and management associates. After conducting this review in Fiscal 2025, the Compensation Committee concluded that our compensation programs are not reasonably likely to incentivize associate behavior that would result in any material adverse effect to the Company. Our Compensation Committee assists the Board in evaluating risks relating to our compensation policies and procedures.

ESG Risk

Our Nominating and Corporate Governance Committee assists the Board in fulfilling the Board's oversight responsibility relating to the evaluation of ESG risk. Our Nominating and Corporate Governance Committee has responsibility under the Nominating and Corporate Governance Committee Charter to review ESG risk and develop strategy as we continue to evolve our responses in this area.

Enterprise Risk Level Management

Our Audit Committee assists the Board in fulfilling the Board's oversight responsibility relating to the evaluation of financial, regulatory, legal, cyber, and other enterprise level risks confronting the Company. Our Chief Information Officer reports and updates our Audit Committee at least quarterly on all activities and initiatives that our information technology ("IT") security and compliance team undertakes to monitor and secure our enterprise communications, systems, and assets from external and internal threats. Our Audit Committee, our Chief Information Officer, and management as necessary regularly update our Board on IT and information security matters.

The Company also has a management level enterprise risk management committee that meets quarterly and reports quarterly to the Audit Committee. Our Chief Information Officer is a member of this committee and regularly reports on both the proactive and other measures that our IT security team undertakes to monitor and secure our communications, systems, and assets, and also details and reports on the various training and compliance programs that it develops and maintains for individual users and groups within our workforce, together with the delivery and results of these training sessions.

The Company, among other items: (i) undergoes an independent annual IT risk assessment performed in accordance with top industry security standards; (ii) is independently audited and certified annually for payment card industry ("PCI") compliance; (iii) undergoes annual internal and external penetration testing; and (iv) undergoes annual web application and mobile application penetration testing. A recognized cybersecurity testing and auditing firm performs this testing and certification.

The Company also subscribes to an industry leading independent IT cybersecurity rating service that provides us with an ongoing IT security rating which, among other items, allows us to analyze and enhance our IT security rating and compare it to certain peers in our industry. The Company regularly assesses and tests the Company's

policies, standards, processes, and practices that are designed to address cybersecurity threats and incidents. These efforts include a wide range of activities, including audits, assessments, tabletop exercises, threat modeling, vulnerability testing, and other exercises focused on evaluating the effectiveness of our cybersecurity measures. The Company regularly engages third parties to perform assessments on our cybersecurity measures, including information security maturity assessments, audits, and independent reviews of our information security control environment and operating effectiveness. Reports regarding the results of such assessments, audits, and reviews are presented to the Company's risk management committee and the Audit Committee on a quarterly basis, and the Company adjusts its cybersecurity policies, standards, processes, and practices as necessary based on the valuable information gleaned during these assessments, audits, and reviews.

As it deems necessary, the respective Board committee to which oversight and monitoring of a particular risk has been assigned reports on risk exposures and mitigation strategies with respect to such risk to the entire Board.

Board Leadership Structure

Our Board understands there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive business environment in which we operate, the appropriate leadership structure may vary as circumstances warrant. The Board has appointed John Swygert as our Executive Chairman and Richard Zannino as our Lead Independent Director. We currently have separate roles of Chief Executive Officer, Executive Chairman and Lead Independent Director of the Board. We believe this leadership structure is appropriate at this time for our current circumstances and that it provides effective leadership and oversight of management by the Board. We believe this structure promotes balance between the Board's independent authority to oversee our business and the management team, which manages the business on a day-to-day basis. The Board reviews the appointment of the Executive Chairman and Lead Independent Director periodically.

Our Executive Chairman is appointed by the independent members of our Board, with the following responsibilities:

- Presiding at all meetings of the Board, other than executive sessions of the independent directors;
- Working with the President and Chief Executive Officer to set the agenda and presiding at the annual meetings of stockholders;
- Consulting with the President and Chief Executive Officer to develop the overall vision and long-term strategy plans and goals for the Company; and
- If requested by major stockholders, ensuring that he is available for consultation and direct communication.

Our Lead Independent Director is appointed by the independent members of our Board, with the following responsibilities:

- Presiding at executive sessions of the independent directors;
- Serving as liaison among the President and Chief Executive Officer, independent directors, and Executive Chairman;
- Working with the Executive Chairman to approve information and materials sent to the Board;
- Working with the Executive Chairman to approve meeting schedules to assure there is sufficient time for discussion of all agenda items;
- Calling and chairing meetings of the independent directors; and
- If requested by major stockholders, ensuring that he is available for consultation and direct communication.

Attendance at Meetings

It is our policy that each director must be prepared to devote the time required to prepare for and attend Board meetings and fulfill his or her responsibilities effectively. Our directors may not serve on more than four other public company board of directors, and none of our directors currently serves on more than two other public company board of directors.

During Fiscal 2025, there were four regular meetings of the Board, four meetings of the Audit Committee, four meetings of the Compensation Committee, and four meetings of the Nominating and Corporate Governance Committee. The Board

and committees also took formal action by written consent from time to time as necessary. Each of our directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which they served during Fiscal 2025. Additionally, the independent directors regularly met in executive session without the presence of management in Fiscal 2025. The Lead Independent Director chaired these executive sessions of the independent directors.

We do not, as a general matter, require the members of our Board to attend our annual meetings of stockholders. Mr. Swygert and Mr. van der Valk attended the 2025 annual meeting of stockholders.

Corporate Governance Guidelines and Principles

We have Corporate Governance Guidelines and Principles that the Board adopted to serve as a flexible operating framework for the Board and its committees. These guidelines cover a number of areas including the role of our Board, the size and composition of our Board, Board membership criteria and its committees, and our Board's working process. The guidelines are reviewed periodically and updated as necessary. Our Corporate Governance Guidelines and Principles are posted on our website at <https://investors.ollies.com/highlights>.

Delinquent Section 16(a) Reports

To the Company's knowledge, based upon a review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that during Fiscal 2025, all filing requirements applicable to the Company's officers, directors, and greater than 10% beneficial owners pursuant to Section 16(a) of the Exchange Act were complied with, except for one late Form 4 for Alissa Ahlman filed on October 17, 2025, to report the acquisition of 29 shares of Company stocks in December of 2022 purchased by a former financial advisor of Ms. Ahlman's without her or the Company's knowledge or direction.

Environmental, Social and Governance and Corporate Responsibility

Our top priorities in responding to current ESG conditions continue to be the safety and well-being of our associates and customers. While doing so, we have focused on ESG opportunities as we look to continue sustainable and responsible growth. The Company has taken a variety of steps to serve ESG initiatives including those summarized herein. Also, the very nature of our business provides us the opportunity to be a leader of sustainability in the retail industry. Our business model provides a viable marketplace for merchandise that otherwise may have needlessly been discarded by other retailers, while simultaneously offering "Real Brands" at "Real Bargain prices" to our customers. Our Board (through the Nominating and Corporate Governance Committee) periodically reviews our ESG strategy, initiatives, and related policies and receives updates from management regarding significant ESG activities and risks.

Energy-Saving Initiatives

The Company positively impacts the environment through initiatives for the reduction of energy consumption, such as replacing less efficient lighting with more energy efficient LED lighting. Currently, a majority of our retail stores contain LED lighting, and our goal is to implement LED lighting in all of our retail stores in the coming years, with the goal of retrofitting all of our locations with LED lighting by the end of Fiscal 2026. We also have implemented an energy management system in most of our stores. This system allows us to operate the energy systems of all stores from a centralized location, so we can more efficiently diagnose issues, monitor energy needs, and optimize energy usage.

Environmental Concerns

Ollie's is committed to conducting business in an environmentally sound manner based on scientific understanding, customer needs, and local requirements. Directors, officers, and associates are required to comply with all applicable health, safety, and environmental laws and regulations, and all related policies adopted by the Company. Further, we take efforts to minimize the environmental impact of our business, including through the implementation of a chain-wide recycling programs that divert thousands of tons of cardboard from the landfill each year.

Equal Employment Opportunity Policy

The Company also seeks to build a diverse and inclusive workplace where we can leverage our collective talents, striving to ensure that all associates are treated with dignity and respect. We are committed to providing equal employment opportunities and advancement consideration to all individuals and providing a working environment that is free of intimidation, harassment, and retaliation. Ollie's is an equal opportunity employer and has established an Equal Employment Opportunity Policy affording equal employment opportunities to associates and applicants without regard to race, color, religion, sex, sexual orientation, gender identification, national origin, age, disability, genetic information, or any other characteristic protected under applicable law. The same policy prohibits discrimination, harassment, and retaliation of any type.

Associate Training and Development Programs

We offer a compelling work environment with meaningful experiences, growth, and career-development opportunities. This starts with the opportunity to do challenging work and learn on the job and is supplemented by programs and continuous learning that help build skills to advance. We also provide internal leadership development programs designed to prepare our high-potential associates for greater responsibility. Our Ollie's Leadership Institute ("OLI") is a program that equips field associates with the ability to advance their careers. Each OLI participant receives an individual development plan, designed to prepare them for their next level position.

We encourage a promote-from-within environment as internal resources permit. Reflecting our belief in our "home grown" talent, OLI is our preferred source for new supervisors and team leaders. In Fiscal 2025, over 65% of our current district team leaders were internally promoted to their current positions. Company-wide, over 60% of our field positions were filled with internal promotions. Our current team of district team leaders and store team leaders have an average tenure of approximately 7.3 years and 4.2 years, respectively. We believe our training and development programs help create a positive work environment and result in stores that operate at a high level. We believe internal promotions, coupled with the hiring of individuals with previous retail experience, provide the management structure most conducive to our long-term strategic growth.

Core Values Campaign

In Fiscal 2025, we continued to promote and foster the Company’s core values campaign (“Ollie’s Core Values”) introduced during the Company’s fiscal year ended January 28, 2023 (“Fiscal 2022”), which established guidelines to assist associates in acting and thinking in furtherance of Ollie’s Core Values. We are committed to building and maintaining a strong culture to drive performance. Ollie’s Core Values provide a framework for how we think and act as an organization. Ollie’s Core Values are:

In January of 2024, we officially launched the Ollie’s Culture Committee, a voluntary group of associates from across the organization who collaborate to bring the Core Values to life throughout the Company, including integrating the Core Values into day-to-day operations at the Company’s store support center and driving associate satisfaction, engagement, and retention across the organization.

Compensation and Benefits

We are committed to providing market-competitive compensation to all of our associates. Eligible associates participate in one of our various bonus incentive programs, which provide the opportunity to receive additional compensation based upon store and/or Company performance. In addition, we provide eligible associates the opportunity to participate in a 401(k) retirement savings plan. We have enhanced the value of this retirement benefit by electing to make the 401(k) Plan a “safe harbor” 401(k) Plan. Effective with pay beginning on January 1, 2024, we provided each eligible associate with an immediately-vested 100% Company match of the first three percent of

each eligible associate's contribution to the 401(k) Plan and 50% of the next two percent of each eligible associate's contribution to the 401(k) Plan. We also share in the cost of health insurance provided to eligible associates. In Fiscal 2023, we switched health insurance providers to provide substantially similar coverage more efficiently, and we continue to evaluate our programs and other offerings in order to optimize the benefits available to our associates. We provide all of our full-time associates with paid time off. All associates also receive a discount on merchandise purchased from Ollie's stores.

Workplace Health and Safety

We strive to maintain a safe, secure, and healthy working environment and have established safety training programs. This includes administering an occupational injury- and illness-prevention program, the opportunity to reduce associate health care costs through the submission of an annual physical, and an associate assistance program, among other voluntary measures.

Other Health and Safety Events

We continue to monitor the impact of ongoing and potential future health- and safety- related events on our business, including on our associates, customers, business partners, and supply chain. We are committed to maintaining a safe work and shopping environment and continue to plan for appropriate responses to future health and safety challenges.

Ollie's Cares: National Partnerships and Local Community Support

Ollie's helps the communities where it does business thrive because our employees and customers live, work, and raise families there, and we endeavor to maximize our support for these local communities. Ollie's supports a variety of groups, with an emphasis on organizations that better the lives of children and provide the best opportunities for our next generation. Through our "Ollie's Cares" initiative, Ollie's supports and has supported the following national organizations in significant ways:

- Cal Ripken, Sr. Foundation: During our 17-year partnership with the Cal Ripken Sr. Foundation, we have donated more than \$14.7 million in support of the organization's mission to strengthen America's most underserved and distressed communities by supporting and advocating for children, building parks, partnering with law enforcement and youth service agencies, and addressing community needs.
- Children's Miracle Network: During our 17-year partnership with the Children's Miracle Network, we have donated more than \$5.5 million in support of the organization's mission to increase funding and awareness for local children's hospitals.
- Toys for Tots: During our seven-year partnership with Toys for Tots, we have donated more than \$6.4 million in support of the organization's mission to collect new, unwrapped toys and distribute those toys to less fortunate children during the holidays. In addition, our stores act as collection points for our customers who donate toys.
- Feeding America: During our seven-year partnership with Feeding America, we have donated more than \$5.1 million in support of the organization's mission to advance change by ensuring equitable access to nutritious food for all.

We also support local charitable organizations by providing eligible non-profit applicants with discount certificates to use towards purchases at our stores and by participating in local non-profit fundraising events. In Fiscal 2025, the Company supported many local charitable organizations.

Code of Ethical Business Conduct

Because honesty, integrity, professionalism, fairness, and compliance with laws and regulations are of the utmost importance to Ollie's, we have adopted a Code of Ethical Business Conduct (the "Code of Conduct") that applies to our directors, officers, associates, and merchandise vendors. A copy of the current Code of Conduct can be found on our website at <https://investors.ollies.com/highlights>.

Insider Trading Policy

The Company has adopted an insider trading policy that governs the purchase, sale, and/or disposition of its securities by its directors, officers, employees, and other covered persons that we believe are reasonably designed to promote compliance with insider trading laws, rules and regulations and applicable Nasdaq listing standards. In addition, it is the policy of the Company to comply with all applicable securities laws when transacting in its own securities. A copy of the policy is filed as an exhibit to our Annual Report on Form 10-K for Fiscal 2025.

Disclosure Procedures

Under the Company's "Open Door Policy" and "Whistleblower Policy" (with toll free numbers available for both "Tip Line" and "Whistleblower" contact to be made), associates are strongly encouraged to voice concerns to a manager, or, if an immediate manager is involved in the problem, to discuss the issue with the next level of management who is not involved, and to otherwise seek guidance from the appropriate authority in the event of any perceived violation of the Code of Conduct.

The Code of Conduct establishes the process and procedures for review and investigation of any alleged violations thereunder. In Fiscal 2025, we also instituted an incentive program to reward associates who bring legitimate tips to the Company's attention. Any Ollie's director, officer, or associate who becomes aware of any actual or potential Code of Conduct violation or any violation of law, regulation, or other standard of conduct to which Ollie's is subject, is required to promptly report such matters, through any one or more of the following means:

- (a) reporting to a member of management or a human resources representative;
- (b) calling the Company's Tipline at 1 (888) 655-4371, a voicemail system where reporters can explain a situation, in an effort to achieve a resolution, and through which all complaints are reviewed and investigated as appropriate. The Audit Committee reviews, on at least a quarterly basis, a summary of any material recorded communications left on the Tipline to ensure that Company management is handling all matters appropriately based on the nature of the communications;
- (c) calling the Company's Whistleblower Hotline at 1 (844) 373-2029, operated by Nasdaq (an outside, independent service provider), in which reporters receive a PIN designed to protect their identity and confidentiality, and through which Nasdaq provides reporting to the Company's General Counsel, Chair of the Audit Committee, and human resource department for review and appropriate investigation. The Audit Committee reviews, on at least a quarterly basis, a summary of all relevant recorded and written communications left with the Whistleblower Hotline to ensure that Company management is handling all matters appropriately based on the nature of the communications;
- (d) using the internet page <http://www.openboard.info/OLLI>, also operated by Nasdaq, in which case reporters receive a PIN designed to protect the identity and confidentiality, and through which Nasdaq provides reporting to the Company's General Counsel and Chair of the Audit Committee for preliminary review;
- (e) reporting directly to the Company's General Counsel through telephone, email, or regular mail; and/or
- (f) reporting directly to the Executive Chairman, Lead Independent Director of the Board or, for accounting concerns, directly to the Audit Committee, which reporting may then be delivered to the General Counsel of the Company for review depending on content of the reporting.

Board and Committee Oversight

The Board and its committees are committed to establishing and overseeing responsible corporate governance, including, among other items responsible and efficient policies and procedures that address ESG conditions and serve ESG initiatives in the best interests of the Company. The Nominating and Corporate Governance Committee Charter expressly charges the Nominating and Corporate Governance Committee with, among other items, periodically reviewing the Company's ESG strategy, initiatives, and policies. The Nominating and Corporate Governance Committee also receives regular updates from management regarding significant ESG activities.

The Audit Committee charter expressly charges the Audit Committee with, among other items, maintaining and overseeing: (a) the Code of Conduct and significant issues that may arise under it related to management, executive officers, and directors of the Company; (b) the Company's Related Person Transaction Policy and the process for approval or ratification of all related person transactions; and (c) procedures for (i) the receipt, retention, and treatment of

complaints regarding accounting, internal controls, or auditing matters, and (ii) the confidential, anonymous submission by the Company's associates of concerns regarding questionable accounting or auditing matters.

The Compensation Committee charter expressly charges the Compensation Committee with, among other items, overseeing and planning, the policies related to compensation for associates and directors of, and consultants to, the Company. At least annually, the Compensation Committee reviews the Company's compensation policies and practices for executives, senior management, and associates generally, to assess whether such policies and practices could lead to excessive risk-taking behavior and the manner in which any risks arising out of the Company's compensation policies and practices are monitored and mitigated. The Compensation Committee also considers and advises on the disclosure of the Compensation Discussion and Analysis in the Company's Annual Report on Form 10-K and these Proxy Materials, as well as the most recent stockholder advisory vote on executive compensation, commonly referred to as the "say-on-pay" vote, required by Section 14A of the Exchange Act.

Overboarding Policy

To ensure our directors are prepared to devote the time necessary and required to prepare for and attend Board meetings and fulfill their responsibilities effectively, the Board's Corporate Governance Guidelines and Principles include an overboarding policy limiting the number of other public-company boards of directors on which our directors are permitted to serve. The overboarding policy also requires directors to advise the Chair of the Nominating and Corporate Governance Committee in advance of accepting any invitation to serve on a board of directors of another for-profit company or significant not-for-profit enterprise.

**COMPENSATION OF NON-EMPLOYEE DIRECTORS AND
DIRECTOR STOCK OWNERSHIP GUIDELINES**

Our Board, based upon the recommendation of the Compensation Committee, and with the input of its compensation consultant, as needed, regularly evaluates and adjusts, as appropriate, non-employee director compensation. Each non-employee director receives an annual cash retainer and an annual equity award, and certain committee members and committee chairs receive additional cash retainers.

In May of Fiscal 2025, the Compensation Committee reviewed and discussed Pearl Meyer’s most recent non-employee director compensation analysis, and as a result, the Compensation Committee suggested, and the Board approved, the following: (i) increasing the annual independent board member cash retainer by \$10,000 to \$90,000; (ii) increasing the annual independent board member RSU retainer by \$25,000 to \$150,000; (iii) adding an annual cash retainer of \$45,000 for the lead independent director; (iv) adding an annual cash retainer of \$20,000 for the chair of the nominating and governance committee; and (v) increasing the independent Board member stock ownership holding guideline to 500% of the annual cash retainer from 400%.

In Fiscal 2025, each non-employee director received an annual cash retainer of \$90,000 (the “Annual Cash Retainer”) and an annual equity award of \$124,974. The additional cash retainer for the Lead Independent Director was \$45,000. The additional cash retainer for the Chair of the Audit Committee was \$25,000, and the additional cash retainer for the other members of the Audit Committee was \$12,500. The additional cash retainer for the Chair of the Compensation Committee was \$20,000, and the additional cash retainer for the other members of the Compensation Committee was \$10,000. The additional cash retainer for the Chair of the Nominating and Governing Committee was \$20,000. Cash compensation is paid in quarterly installments to those directors eligible to receive it.

We also maintain a policy covering stock ownership guidelines for our directors and officers (the “Executive Stock Ownership Guidelines Policy”). The Executive Stock Ownership Guidelines Policy, as most recently amended, provides a guideline for each non-employee director to maintain five times their Annual Cash Retainer in the form of Company equity. As of January 31, 2026, each non-employee director had either met the guidelines provided in the Executive Stock Ownership Guidelines Policy, or the Compensation Committee deemed that each non-employee director who had not yet met the guidelines provided in the Stock Ownership Guidelines Policy to be on a satisfactory path to meet the guidelines. For more details on stock ownership guidelines, see “*Compensation Discussion and Analysis – Executive Stock Ownership Guidelines Policy.*” All non-employee directors receive annual awards of Restricted Stock Units (“RSUs”), which vest one year from the grant date.

We also reimburse each of our directors for direct travel expenses incurred and documented in connection with attendance at meetings of the Board and its committees, as well as other required commitments.

**PROPOSAL 2 - NON-BINDING ADVISORY VOTE TO
APPROVE NAMED EXECUTIVE OFFICER COMPENSATION**

Ollie's seeks a non-binding advisory vote from its stockholders to approve the compensation of its Named Executive Officers as described in the Compensation Discussion and Analysis section beginning below. This vote is commonly known as "say-on-pay," and the Compensation Committee of the Board adopted a policy of providing for an annual say-on-pay vote after our stockholders voted in support of this frequency regarding the Company's non-binding advisory vote regarding the compensation of its Named Executive Officers during our 2024 annual meeting of stockholders.

We encourage you to read and review the Compensation Discussion and Analysis and the compensation tables along with its accompanying narratives to learn more about our executive compensation programs and policies. The Board believes our Fiscal 2025 compensation decisions and our executive compensation programs align the interests of our stockholders and executives while emphasizing variable, at-risk compensation largely tied to Company performance goals while balancing both long- and near-term objectives.

This vote is not intended to address any specific item of compensation, but rather our overall compensation policies and procedures related to our Named Executive Officers. Because this "say-on-pay" vote is advisory, it will not be binding on us. However, our Board will carefully consider the outcome of this vote as well as other factors, including discussions with investors and other stakeholders, when making future executive compensation arrangements. We will disclose how many stockholders voted "For" or "Against" this resolution and how many stockholders abstained from voting.

The Board recommends that stockholders vote in favor of this resolution:

"Resolved, that Ollie's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in Ollie's proxy statement for the Annual Meeting pursuant to the executive compensation disclosure rules of the United States Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2025 Summary Compensation Table and the other related tables and disclosure."

The Board unanimously recommends a vote "FOR" this proposal.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Compensation Committee is committed to providing a compensation program for our executives that is aligned with the strategic direction of our business and rewards executives for creating value for our stockholders. This compensation discussion and analysis (“CD&A”) provides an overview of our executive compensation program and how the compensation provided to our NEOs, who were our President and Chief Executive Officer, our Executive Vice President and Chief Financial Officer, and our three other most highly compensated executive officers during Fiscal 2025, was determined.

Our NEOs for Fiscal 2025 were as follows:

Name	Position during Fiscal 2025
Eric van der Valk	President and Chief Executive Officer
Robert Helm	Executive Vice President and Chief Financial Officer
John Swygert	Executive Chairman
Chris Zender	Executive Vice President and Chief Operating Officer
James Comitale	Senior Vice President, General Counsel and Corporate Secretary

Fiscal Year 2025 Compensation Highlights

Our compensation program for our NEOs is driven by the need to recruit, develop, motivate, and retain top talent both in the short- and long-term and align the interests of NEOs and stockholders.

- **How we pay:** We use a mix of base salary, annual cash incentive, and long-term equity incentives (stock options and RSUs) to attract and retain leadership talent and align management with stockholder interests.
- **Pay-for-performance:** Annual incentives for Fiscal 2025 were tied to Adjusted EBITDA performance against Board-approved targets. Fiscal 2025 Adjusted EBITDA was \$366.0 million, approximately 103.3% of target (\$354.4 million), resulting in payouts of 132.7% of target bonuses for NEOs.
- **Long-term alignment:** Our equity awards are designed for long-term value creation and retention. Fiscal 2025 long-term awards were delivered 50% in RSUs and 50% in stock options, generally with ratable vesting over four years, and subject to continued service.
- **Strong governance safeguards:** Our program includes an incentive compensation recoupment (“clawback”) policy, stock ownership guidelines for executives and directors, and prohibitions on hedging and pledging Company stock.
- **Change in control:** We provide double-trigger protections; we do not provide single-trigger change in control arrangements and do not provide 280G excise tax gross-ups.
- **Stockholder feedback:** Our say-on-pay proposal received over 92% support at our 2025 annual meeting, and the Compensation Committee considers stockholder feedback when evaluating program design and disclosure.

Role of the Compensation Committee, Management and Compensation Consultant

Compensation Committee

Our Board has delegated administration of our executive compensation program to the Compensation Committee, which, among other matters, reviews the performance of our NEOs and makes determinations and decisions on their compensation programs, including the components, mix, and targeted amounts. In evaluating and making determinations about the Company's compensation policies and programs, the Compensation Committee considers, among other matters, operational performance, the Company's risk profile, recommendations and advice of the Committee's independent compensation consultant, compensation levels among our peers, and the results of the most recent "say-on-pay" vote of our stockholders. As described in more detail in this Proxy Statement under "Corporate Governance Matters – Committees of the Board, Compensation Committee," the Compensation Committee operates under a written charter, which the Compensation Committee and the Board review periodically and update as necessary, which, among other items, sets out its roles and responsibilities regarding executive compensation. All members of the Compensation Committee meet all applicable independence standards under the SEC's and Nasdaq's corporate governance standards.

Management

The President and Chief Executive Officer provides input as to all other NEOs' performance and recommends compensation adjustments for all executives other than himself. Ultimately, all decisions regarding NEO compensation are made by the Compensation Committee at the direction of our Board.

Independent Compensation Consultant

To assist the Compensation Committee in performing its duties, the Compensation Committee has the authority to engage outside consulting firms. Our Compensation Committee has engaged Pearl Meyer as its independent compensation consultant to advise on director and executive officer compensation. In Fiscal 2025, Pearl Meyer assisted the Compensation Committee regarding executive and Board compensation matters.

The Compensation Committee has the sole discretion to engage, retain, obtain the advice of, terminate, and to determine the funding for the compensation consultant, and is directly responsible for the appointment, compensation, and oversight of the compensation consultant’s work.

The Compensation Committee has examined the independence of Pearl Meyer under the factors contained in the SEC rules and Nasdaq listing standards and determined that Pearl Meyer is independent and concluded that Pearl Meyer’s work for the Committee does not raise any conflict of interest.

Compensation Philosophy

Our executive compensation programs are designed to accomplish the following principles:

- to align with and support the strategic direction of our business;
- to link pay with overall company performance and reward executives for behaviors that drive stockholder value creation; and
- to be financially efficient and affordable.

The Compensation Committee has reviewed the competitiveness of compensation provided to our NEOs and does not target a specific percentile for the competitiveness of any individual element of compensation, or for the program as a whole. However, the Compensation Committee considers target compensation at levels that are competitive with our peer group median, while allowing for differentiation based on individual performance, experience, and strategic value to the Company. The Compensation Committee also references broader retail industry compensation data provided by Pearl Meyer to supplement peer group data.

Pay Mix

Our pay mix is driven by our compensation philosophy as well as each NEO’s role, experience, and strategic value to the Company. A significant amount of each NEO’s compensation is at risk, with particular focus on long-term equity incentives (options and RSUs) that align the interests of our NEOs with those of our stockholders.

2025 Peer Group

The Compensation Committee, in consultation with Pearl Meyer and inviting input from management as appropriate under the circumstances, annually reviews the composition of the peer group used as a reference for executive compensation decisions to ensure that the companies included are comparable in terms of business, revenues, market capitalization, growth profile, geographic footprint, number of associates, and number of brick-and-mortar stores.

Effective August 28, 2024, the Compensation Committee, in consultation with Pearl Meyer and with the input of management, approved this peer group to be used to inform compensation decisions for the remainder of Fiscal 2024 and Fiscal 2025 through December 4, 2025:

Academy Sports and Outdoors, Inc.	Grocery Outlet, Inc.
Bath & Body Works, Inc.	Haverty Furniture Companies, Inc.
Boot Barn Holdings, Inc.	Leslie’s, Inc.
Burlington Stores, Inc.	Sleep Number Corporation
Deckers Outdoor Corporation	Sprouts Farmers Market, Inc.
Dollarama Inc.	Ulta Beauty, Inc.
Five Below, Inc.	Weis Markets, Inc.
Floor & Décor Holdings, Inc.	

[TABLE OF CONTENTS](#)

Effective December 4, 2025, the Compensation Committee, in consultation with Pearl Meyer and with the input of management, approved this updated peer group to reflect changes in the competitive landscape and to better align with companies of similar size and business model. The updated December 2025 peer group will be used to inform compensation decisions for Fiscal 2026:

Academy Sports and Outdoors, Inc.	Floor & Décor Holdings, Inc.
Aritzia, Inc.	Grocery Outlet, Inc.
Bath & Body Works, Inc.	Mr. Car Wash, Inc.
Boot Barn Holdings, Inc.	National Vision Holdings, Inc.
Burlington Stores, Inc.	Savers Value Village, Inc.
Deckers Outdoor Corporation	Sprouts Farmers Market, Inc.
Dollarama Inc.	Ulta Beauty, Inc.
Five Below, Inc.	

Consistent with prior years, the Compensation Committee considered a number of criteria in determining our current peer group, including without limitation the following: (a) industry focus, favoring discount retailers and brick and mortar retailers with similar customers and products; (b) annual revenues within identified metrics of our trailing 12 month revenue; (c) market capitalization within certain parameters of our average market capitalization; and (d) similar high growth profile.

Additionally, at our last annual stockholders meeting, over 92% of votes cast by our stockholders were in favor of our “say-on-pay” proposal, which evidences strong support for our executive compensation program. The Compensation Committee considers results of the “say-on-pay” vote when determining the Company’s executive compensation program.

Elements of Our Executive Compensation and Benefits Programs

Base Salary

The Compensation Committee considers the base salaries that need to be paid in order to attract and retain high-quality executives. We annually review our executives' base salaries and make adjustments as necessary based on the competitive market, as well as individual and Company performance. We provide a minimum, fixed level of cash compensation to reflect the level of accountability of talented executives who can continue to improve the Company's performance. In addition, base salary is also impacted by factors including experience, industry knowledge, duties, and scope of responsibility, as well as other factors, including the competitive market for talent.

During Fiscal 2025, based on a review of peer group data provided by Pearl Meyer, as well as Company performance and individual performance, the Compensation Committee approved the base salaries of the Company's NEOs as set forth below. The Compensation Committee approved base salary increases for continuing NEOs (excluding Mr. Swygert) to the degree the Compensation Committee determined to be consistent with market practices and reflective of individual performance and scope of responsibilities:

Executive	Base Salary (2/1/2025) (\$)	Base Salary (1/31/2026) (\$)
Eric van der Valk ⁽¹⁾	580,000	775,000
Robert Helm	500,000	525,000
John Swygert ⁽²⁾	990,000	600,000
Chris Zender	475,000	500,000
James Comitale	345,000	355,000

(1) Mr. van der Valk's base salary increase from \$580,000 to \$775,000 reflects his promotion to President and Chief Executive Officer effective February 2, 2025.

(2) Mr. Swygert's base salary decreased from \$990,000 to \$600,000 in connection with his transition from Chief Executive Officer to Executive Chairman

Annual Incentive Compensation

In March 2025, the Compensation Committee approved the performance targets and potential annual incentive payouts for our NEOs for Fiscal 2025 under our annual incentive bonus plan, as most recently approved by the Compensation Committee and the Board as of March 11, 2025 (the "Incentive Bonus Plan"). The Compensation Committee determined that, consistent with prior years, a main business objective to incentivize our management was to focus on increasing our Adjusted EBITDA, which was selected as the sole performance metric for the Incentive Bonus Plan for our NEOs. After review and discussion, on March 11, 2025, the Compensation Committee also unanimously approved the Company's Fiscal 2025 bonus plan design, including a revised maximum payout at 110% of Target Adjusted EBITDA (a reduction from 115% in previous years)

To calculate payouts under the Incentive Bonus Plan, the Company's Adjusted EBITDA is assessed relative to performance targets (see targets for Fiscal 2025 provided below) (the "Target Adjusted EBITDA"). During Fiscal 2025, bonus payouts range from 0% of the NEO's base salary if threshold performance (at or below 85% of Target Adjusted EBITDA) is not exceeded, to the "Maximum Payout (% of Base)" reflected in the chart below if maximum performance (over 110% of the Target Adjusted EBITDA, reduced from 115% in previous years) is achieved. Once the performance threshold is met (85.01% of the Target Adjusted EBITDA), payouts are interpolated on a straight-line basis from 0% of the NEO's base salary to the applicable NEO's maximum percentage of base salary for performance levels between threshold performance, and target payouts, and maximum performance with target performance midway between threshold performance and maximum performance.

The level of performance required to achieve maximum payout under the Incentive Bonus Plan was determined by the Compensation Committee to be reflective of truly outstanding performance.

We define EBITDA as net income before net interest income or expense, depreciation and amortization expenses, and income taxes. We define Adjusted EBITDA as EBITDA adjusted for the non-cash items of stock-based compensation expense and gains on insurance settlements. EBITDA and Adjusted EBITDA are non-GAAP measures and may not be comparable to similar measures reported by other companies. For a discussion of these non-GAAP measures, including a

reconciliation to the nearest GAAP measures, see “*Management’s Discussion and Analysis of Financial Condition and Results of Operations – EBITDA and Adjusted EBITDA*” beginning on page 32 of our Annual Report on Form 10-K, for Fiscal 2025.

The targets and potential payouts under the Fiscal 2025 Incentive Bonus Plan for each NEO, as well as the resulting payouts to our NEOs under the Incentive Bonus Plan based on achievement of \$366.0 million Adjusted EBITDA or approximately 103.3% of the Target Adjusted EBITDA of \$354.4 million, are set forth below. During Fiscal 2025, based on a review of peer group data provided by Pearl Meyer, as well as Company performance and individual performance, the Compensation Committee approved the bonus payouts of the Company’s NEOs as set forth below:

Executive	Threshold Payout (% of Base)	Target Payout (% of Base)	Maximum Payout (% of Base)	Resulting Payout (\$)
Eric van der Valk	0%	100%	200%	1,025,818
Robert Helm	0%	75%	150%	518,334
John Swygert	0%	75%	150%	606,395
Chris Zender	0%	60%	120%	395,959
James Comitale	0%	50%	100%	236,099

Long-Term Equity Incentive Compensation

In Fiscal 2025, we compensated our NEOs through grants of stock options and RSUs pursuant to our 2015 Equity Incentive Plan (the “2015 Plan”) and our 2025 Equity Incentive Plan described below (the “2025 Plan”). Each of the 2015 Plan and the 2025 Plan shall be referred to herein as an “Equity Plan”.

On March 11, 2025, the Compensation Committee approved the 2025 Plan and recommended to the Board that it approve and adopt the 2025 Plan. On March 11, 2025, the Board approved and adopted the 2025 Plan and directed that it be submitted to the stockholders for approval at the next annual meeting. At the annual meeting of the Company’s stockholders on June 12, 2025, the Company’s stockholders voted to approve the 2025 Plan to succeed the expiring 2015 Plan. The 2025 Plan became effective upon June 12, 2025, upon the affirmative vote at such annual meeting.

The 2025 Plan succeeded the 2015 Plan as the source of awards granted on or after June 12, 2025, and no further shares were awarded under the 2015 Plan thereafter. The 2015 Plan terminated on the day following the date of the June 12, 2025 annual meeting, and no further awards were granted under the 2015 Plan. The 2015 Plan will continue to govern outstanding awards previously granted under it. A copy of the 2025 Plan is attached as Exhibit 4.4 to the Form S-8 Registration Statement filed by the Company on June 18, 2025 (No. 333-288146).

Equity awards under our Equity Plans are a vital piece of our total compensation package. Equity awards are intended to compensate NEOs for sustained long-term performance, align the interests of our NEOs and stockholders, and encourage retention through multi-year vesting schedules. Long-term equity incentive awards may take a variety of forms. In Fiscal 2025, levels, mix, and frequency of equity awards were determined by the Compensation Committee and were designed to reflect each recipient’s level of responsibility and performance. RSUs and stock options both vest ratably over four years, subject to the NEO providing continued services through each applicable vesting date, and otherwise in accordance with the applicable Equity Plan and award agreements.

Fiscal 2025 Grants

Our long-term equity incentive program for Fiscal 2025 was designed to generally award to our NEOs 50% of long-term equity value in RSUs and 50% in stock options. We believe awarding a significant percentage of pay in the form of long-term equity fosters retention and demonstrates strong alignment between executive and stockholder interests.

Grant values are determined in accordance with our philosophy of providing competitive total compensation, with a heavier emphasis on variable long-term pay.

Stock options and RSUs granted to our NEOs are reflected below in the table entitled “*Fiscal Year 2025 Grants of Plan Based Awards*”.

Restricted Stock Units

RSUs directly align NEOs' and stockholders' interests over a longer-term period and are a vital retention component of our compensation program. RSUs have annual ratable vesting over four years, subject to the NEO providing continued services through each applicable vesting date and otherwise in accordance with the applicable Equity Plan and award agreement. See also "*Fiscal 2025 Compensation Highlights*" above.

Stock Options

Stock options have traditionally been granted as a component of our long-term incentive program and continue to be a valuable vehicle designed to align NEOs' and stockholders' interests over a longer-term period. Stock options are granted with an exercise price equal to the closing price of our stock on the date of the award grant. Stock options only have value once they vest and only to the extent that our stock price is greater than the stock options' exercise price. Stock options have annual ratable vesting over four years, subject to the NEO providing continued services through each applicable vesting date and otherwise in accordance with the applicable Equity Plan and award agreement.

Equity Grant Practices

In accordance with Item 402(x) of Regulation S-K, we are providing the following disclosure regarding our policies and practices on the timing of awards of stock options in relation to the disclosure of material nonpublic information. The Compensation Committee generally grants options annually to executives during its first scheduled meeting of the applicable fiscal year. Throughout the year, option awards may be made to new executive hires or in connection with promotions or other changes in employment at the executive level. The Compensation Committee does not grant equity-based awards in anticipation of the release of material nonpublic information and does not time the disclosure of material nonpublic information for purposes of affecting the value of executive compensation. In addition, during Fiscal 2025, we did not grant options to any NEO during the four business days prior to or the one business day following the filing of a periodic report on Form 10-Q or Form 10-K, or the filing or furnishing of a Form 8-K that discloses material nonpublic information.

Retirement, Health and Welfare Benefits, and Other Perquisites

Substantially all of our NEOs' compensation consists of base salary, an annual cash bonus earned pursuant to the Incentive Bonus Plan, and long-term equity incentive compensation, with minimal perquisites provided. Our NEOs are entitled to participate in all of our employee benefit plans, including medical, dental, vision, and disability insurance, and our 401(k) Retirement Savings Plan (the "401(k) Plan"). We also provide paid time off and paid holidays to our NEOs. Generally, our NEOs participate in these plans and programs on the same or similar basis as are offered to our other associates. Our NEOs are also eligible to receive automobile allowances and group term life insurance.

Effective January 1, 2024, pursuant to our 401(k) Plan, we provide each eligible associate, including our NEOs, with a safe-harbor matching contribution equal to an immediately-vested 100% Company match of the first three percent of each eligible associate's contribution to the 401(k) Plan and 50% of the next two percent of each eligible associate's contribution to the 401(k) Plan.

Recoupment ("Clawback") Policy

In accordance with the requirements of the Dodd-Frank Act, SEC rules, and Nasdaq listing standards, we maintain a clawback policy effective as of December 1, 2023 (the "Clawback Policy") that requires recoupment of certain erroneously-awarded incentive compensation received by current or former executive officers in the event we are required to prepare an accounting restatement due to material noncompliance with any financial reporting requirement under applicable securities laws. The Clawback Policy is triggered in the event the Company is required to prepare an accounting restatement of its financial statements due to the Company's material noncompliance with any financial reporting requirement under the applicable securities laws.

The amount of erroneously awarded incentive-based compensation is the excess of the amount of incentive-based compensation paid to a "Covered Executive" (as defined in the Clawback Policy) over the incentive-based compensation that such Covered Executive would have been paid had it been based on the restated results without regard to taxes paid. The Clawback Policy is administered by the Compensation Committee, which shall determine, in its sole discretion, the method for recouping erroneously awarded incentive-based compensation. In Fiscal 2025, we were not required to, and did not, prepare an accounting restatement or seek to recover any incentive compensation.

Hedging and Pledging Policy

Our Policy on Insider Trading, among other items, explicitly prohibits all associates and directors from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds), or otherwise engaging in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of registrant equity securities on hedging or pledging of any of our stock.

Stock Ownership Guidelines Policy

We have a Stock Ownership Guidelines Policy, which provides the recommended guidelines for stock ownership for the Company's officers and directors:

Executive Level	Stock Value as a Multiple of Salary
Chief Executive Officer	5x Salary
Executive Chairman	5x Salary
Section 16 Officers	2x Salary
Other Corporate Officers	1x Salary
Board of Directors	5x Annual Cash Retainer

In May 2025, the Board approved increasing the director stock ownership guideline from 4x to 5x the annual cash retainer, effective immediately. For purposes of meeting these guidelines, the Stock Ownership Guidelines Policy defines stock ownership to include:

- Actual stock owned;
- Vested in-the-money stock options, net of an assumed 40% tax rate;

- Unvested restricted stock units;
- Outside purchases or holdings of stock; and
- Stock beneficially owned by the family members of the officer or director.

Officers, including NEOs, covered by this policy are encouraged to hold 50% of the shares realized from the vesting of RSUs (net of taxes) and 50% realized on a post-tax, net share basis from the exercise of stock options until the guidelines provided in the policy are met. In addition to the multiple of salary guideline, other guidelines, including the length of time executives have to attain the multiple of salary guideline, are defined in the policy.

The Compensation Committee assesses progress toward meeting stock ownership expectations on an annual basis, measured on the last day of the fiscal year. Management discusses with the Compensation Committee each NEO's progress toward meeting their stock ownership expectation. As of January 31, 2026, each NEO had either met their guideline as defined in the Stock Ownership Guidelines Policy or was deemed by the Compensation Committee to either be on a satisfactory path to meet their guideline as defined in the policy or to be departing the Company in connection with an anticipated succession planning initiative.

Impact of Accounting and Tax Matters

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of the compensation vehicles that we utilize. With respect to accounting matters, the Compensation Committee examines the accounting cost associated with equity compensation considering FASB ASC Topic 718, Compensation – Stock Compensation (ASC Topic 718).

Compensation Committee Report

The Compensation Committee has oversight duties and responsibilities, as set forth in its charter, which is reviewed periodically and updated as necessary. A current copy of the Compensation Committee Charter can be found on our website at <https://investors.ollies.com/highlights>.

In furtherance of such duties and responsibilities, the Compensation Committee submits this report to Ollie's stockholders. The Compensation Committee consists solely of non-executive independent directors, as the Board determines in accordance with the Company's guidelines and Nasdaq listing standards.

The Compensation Committee has reviewed, and discussed with management, the Compensation Discussion and Analysis contained in this Proxy Statement, and based on this review and discussion, recommended to the Board that it be included in this Proxy Statement.

- Represents the aggregate grant date fair value of the RSUs and option awards, computed in accordance with ASC Topic 718 excluding the effect of estimated forfeitures. These values have been determined based on the assumptions set forth in Note 9 to our audited consolidated financial statements included in our Annual Report on Form 10-K for Fiscal 2025, Note 9 to our audited consolidated financial statements included in our Annual Report on Form 10-K for Fiscal 2024 and Note 9 to our audited consolidated financial statements included in our Annual Report on Form 10-K for Fiscal 2023, as applicable. The actual value of option awards, if any, which may be realized will depend on the excess of the stock price over the exercise price on the date any such options are exercised. For RSU awards, the grant date fair value was calculated by multiplying the closing price of the underlying shares on the grant date by the number of RSUs granted.
- The amounts reported in this column represent the actual amounts paid under the Incentive Bonus Plan pursuant to the achievement of the Target Adjusted EBITDA in Fiscal 2025, Fiscal 2024, and Fiscal 2023. See "Elements of Our Executive Compensation and Benefits Programs – Annual Incentive Compensation," above.

Employment Agreements

We have entered into employment agreements with each of our NEOs.

The Compensation Committee believes that severance and certain limited change in control arrangements, when properly tailored, are appropriate and necessary to retain our NEOs and to recruit other executive candidates. Further, in the event of any potential change in control of the Company, the Compensation Committee has concluded that such commitments are necessary to enable our NEOs to evaluate objectively the benefits to stockholders of the proposed transaction, notwithstanding any potential effects on their own job security.

The Compensation Committee also believes that reasonable severance and change in control benefits should be:

- established with reference to an executive's position and current cash compensation opportunities, not with reference to their tenure;
- conditioned upon execution of a release of all releasable claims against the Company and its affiliates; and
- conditioned on the executive's commitment not to compete with the Company for a reasonable period following any cessation of his or her employment.

No NEO of the Company has a right to receive a tax gross-up related to the impact of the excise tax under Section 280G of the Internal Revenue Code of 1986, as amended (the "Code").

The material provisions of each such agreement are described below. For the purposes of the employment agreements, "Company EBITDA" refers to Adjusted EBITDA without any adjustments for pre-opening expenses.

Eric van der Valk

In connection with his promotion to President and Chief Executive Officer, we amended and restated Mr. van der Valk's then-existing employment agreement effective February 2, 2025 (such amended agreement, the "CEO Agreement").

Under the CEO Agreement, Mr. van der Valk is entitled to receive a minimum annual base salary, which will be reevaluated annually by the Compensation Committee or our Board, and he is eligible to (i) receive an automobile allowance, (ii) participate in all benefit plans generally available to senior management executives of the Company, and (iii) receive twenty-five (25) days of paid vacation per year of employment. Mr. van der Valk is also eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. As of February 2, 2025: (a) if our Company EBITDA is equal to or greater than a maximum for any given year, the bonus is 200% of his base salary; (b) if our Company EBITDA is equal to the target EBITDA for a given year, the bonus is 100% of his base salary; and (c) if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. van der Valk will not be entitled to a bonus for that year.

Our other executive officers received an annual long-term incentive equity award in April of 2025. Upon the effective date of the CEO Agreement on February 2, 2025, Mr. van der Valk received a long-term incentive equity award with a value of \$3,200,000, which grant was in lieu of, and *not* in addition to, the annual grant in April of 2025.

Either we or Mr. van der Valk may terminate the CEO Agreement at any time upon written notice as specified in the CEO Agreement and outlined below. We may terminate the CEO Agreement without "cause" by providing at least 30 days' prior written notice. Mr. van der Valk must provide us with at least 30 days prior written notice in case of termination without "good reason". Such terms are defined in the CEO Agreement, as may be amended from time to time.

If we terminate Mr. van der Valk's employment for "cause", his employment terminates due to his disability or death, if Mr. van der Valk resigns without "good reason", or if Mr. van der Valk does not renew his employment agreement, in lieu of any other payments or benefits, we must pay any base salary earned but not paid through the termination date.

If we terminate the CEO Agreement without "cause", if Mr. van der Valk terminates the CEO Agreement for "good reason", or if we do not renew the CEO Agreement at the end of its then-current term, we must: (i) continue to pay Mr. van der Valk's base salary for a period of 24 months after the termination date; (ii) pay him a pro-rata portion of the bonus for the fiscal year in which such termination occurred based on actual performance, payable in a lump sum during the following fiscal year at the same time the Company's senior executives are paid their

bonuses; (iii) pay him any bonus attributable to a completed fiscal year immediately prior to the fiscal year in which his employment terminated, to the extent earned and not previously paid; and (iv) reimburse him monthly for health benefits until the earlier of (a) 24 months and (b) the date he ceases to be eligible for such coverage under applicable law or plan terms; conditioned upon Mr. van der Valk's signing of a release of claims within 21 days or such longer time period as provided in the release of claims following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. van der Valk's compliance with provisions relating to confidentiality, proprietary rights and restricted activities.

The CEO Agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-disparagement, non-solicitation, and non-competition that apply during Mr. van der Valk's employment and extend for two years thereafter (six months thereafter with respect to proprietary rights).

Robert Helm

In October 2022, we entered into an employment agreement with Mr. Helm, to serve as our Senior Vice President and Chief Financial Officer (the "Helm Agreement"). Under the Helm Agreement, Mr. Helm is entitled to receive a minimum base salary, which may be reevaluated periodically by us or our Board. Mr. Helm is also eligible to receive an annual cash performance bonus corresponding to the achievement of certain Company EBITDA targets. As of February 2, 2025: (a) if our Company EBITDA is equal to or greater than the maximum Company EBITDA target for such fiscal year, the bonus is 150% of his base salary; (b) if our Company EBITDA is equal to the target Company EBITDA for such fiscal year, the bonus is 75% of his base salary; and (c) if our Company EBITDA is equal to or less than the minimum threshold for such fiscal year, Mr. Helm will not be entitled to a bonus for that year. Pursuant to the Helm Agreement, our Board may change the manner in which any bonus is determined or calculated with the input of the Company's President and Chief Executive Officer.

Either we or Mr. Helm may terminate the Helm Agreement at any time upon written notice as specified in the Helm Agreement and outlined below. We may terminate the Helm Agreement immediately by written notice for "cause," death, or "disability" and with 30 days' prior written notice without "cause." Mr. Helm may resign by written notice for "good reason" and with 30 days' prior written notice without "good reason." Such terms are defined in the Helm Agreement, as may be amended from time to time.

If we terminate Mr. Helm's employment for "cause", his employment terminates due to his "disability" or death or if Mr. Helm resigns without "good reason", we must pay to him, in lieu of any other payments or benefits, any base salary earned but not paid through the termination date.

If we terminate Mr. Helm without "cause" or if Mr. Helm resigns for "good reason," we must continue to pay Mr. Helm his base salary for a period of 12 months after the termination date and continue to provide life insurance benefits to the extent permitted under such plans until the earlier of such 12-month period and the date Mr. Helm has commenced new employment; conditioned upon Mr. Helm's signing a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter and further conditioned on Mr. Helm's compliance with provisions relating to confidentiality, proprietary rights, and restricted activities.

The Helm Agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-disparagement, non-solicitation, and non-competition that apply during Mr. Helm's employment and extend for one year thereafter (six months thereafter with respect to proprietary rights).

John Swygert

In connection with his transition to Executive Chairman, we amended and restated Mr. Swygert's then-existing employment agreement for a one-year term as Executive Chairman effective February 2, 2025, and on February 11, 2026, we entered into a First Amendment to the Executive Chairman Agreement, effective February 1, 2026, which extended the term through February 11, 2027 and provided for an additional equity grant (as amended, the "Executive Chairman Agreement").

Under the Executive Chairman Agreement, Mr. Swygert is entitled to receive a minimum annual base salary, and he is eligible to (i) receive an automobile allowance, (ii) participate in all benefit plans generally available to senior management executives of the Company, and (iii) thirty (30) days of paid vacation per year of employment. Mr. Swygert is also eligible to receive an annual cash performance bonus based on the Company's ability to achieve certain Company EBITDA targets. Under the Executive Chairman Agreement: (a) if the Company EBITDA is equal to or greater than the maximum for any given year, the bonus shall be 150% of his base salary; (b) if the Company

EBITDA is equal to the target Company EBITDA for a given year, the bonus is 75% of his base salary; and (c) if the Company EBITDA is equal to or less than the minimum threshold for any given year, Mr. Swygert is not entitled to a bonus for that year. Our Compensation Committee may change the manner in which any bonus is determined or calculated with Mr. Swygert's consent pursuant to the Executive Chairman Agreement.

Either we or Mr. Swygert may terminate the Executive Chairman Agreement at any time upon written notice as specified in the agreement and outlined below. We may terminate Mr. Swygert's employment immediately by written notice for "cause," death, or "disability" and with 30 days' prior written notice without "cause." Mr. Swygert may resign by written notice for "good reason" and with 30 days' prior written notice without "good reason." "Good reason", "cause", "disability", "retirement", "term", and "termination date" are defined as set forth in the Executive Chairman Agreement, as may be amended from time to time.

If we terminate Mr. Swygert's employment for "cause", his employment terminates due to his "disability" or death, or if Mr. Swygert resigns without "good reason", we must pay to him, in lieu of any other payments or benefits, any base salary earned but not paid through the termination date.

If we terminate Mr. Swygert's employment without "cause", or if he resigns for "good reason", we must: (i) pay him his base salary for the remainder of the term of this employment; (ii) pay him a pro-rata portion of the bonus for the fiscal year in which such termination occurred based on actual performance, payable in a lump sum at the same time the Company's senior executives are paid their bonuses; and (iii) reimburse Mr. Swygert monthly for health benefits until the earlier of (a) the end of the term of the Swygert Employment Agreement and (b) the date he ceases to be eligible for such coverage under applicable law or plan terms; conditioned upon his signing of a release of claims within 21 days or such longer time period as provided in the release of claims following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Swygert's compliance with provisions relating to confidentiality, proprietary rights and restricted activities. Pursuant to the Executive Chairman Agreement, in the event (i) (a) the Company and/or the Board terminates Mr. Swygert's employment as Executive Chairman without "cause" or (b) the Company and/or the Board terminates Mr. Swygert's service on the Board without "cause", whichever occurs latest, or (ii) Mr. Swygert terminates his employment as Executive Chairman for "good reason", the vesting of any equity awards granted prior to his termination date that are then unvested shall accelerate (including that options will become fully exercisable) as of the later of his termination date or the last day of service on the Board, conditioned upon Mr. Swygert signing a release of claims within 21 days or such longer time period as provided in the release of claims following the termination date and not revoking such release within seven days thereafter.

If Mr. Swygert elects to retire during the term of the Executive Chairman Agreement, any equity awards granted prior to February 2, 2025, that are then unvested shall remain outstanding and eligible to vest in accordance with the terms of the applicable awards agreements, subject to Mr. Swygert's continuing compliance with Sections 7 and 8 of the Executive Chairman Agreement as well as any other obligations in connection with any restrictive covenant agreements entered into with us. If Mr. Swygert's employment terminates at the end of the term of the Executive Chairman Agreement, we will pay Mr. Swygert a pro-rata portion of the bonus for the fiscal year in which such termination occurred based on actual performance, payable in a lump sum during the following fiscal year at the same time as the other executives, conditioned upon Mr. Swygert signing a release of claims within 21 days or such longer time period as provided in the release of claims following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Swygert's compliance with provisions relating to confidentiality, proprietary rights and restricted activities.

The Executive Chairman Agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-disparagement, non-solicitation, and non-competition that apply during Mr. Swygert's employment and that extend for two years thereafter (six months thereafter with respect to proprietary rights).

Chris Zender

We entered into an employment agreement with Chris Zender, our Executive Vice President, Chief Operating Officer effective June 17, 2024 (the "Zender Agreement"). Under the Zender Agreement, Mr. Zender is entitled to (v) receive a minimum annual base salary, which may be reevaluated periodically by us or our Board, (w) receive a relocation allowance and capped reimbursement for relocation-related temporary housing, in each case subject to full or partial repayment if employment is ended within 365 days or between 366 and 730 days, respectively, (x) receive an automobile allowance, (y) be eligible to participate in all benefit plans generally available to senior management executives of the Company, and (z) twenty-five (25) days of paid vacation per year of employment.

Mr. Zender is also eligible to receive an annual cash performance bonus based on our ability to achieve certain EBITDA targets. As of February 2, 2025: (a) if our EBITDA is equal to or greater than a maximum for any given year, the bonus is 120% of his base salary; (b) if our EBITDA is equal to the target EBITDA for a given year, the bonus is 60% of his base salary; and (c) if our EBITDA is equal to or less than a minimum threshold for any given year, Mr. Zender will not be entitled to a bonus for that year.

Either we or Mr. Zender may terminate the Zender Agreement at any time upon written notice as specified in the Zender Agreement and outlined below. We may terminate Mr. Zender's employment immediately by written notice for "cause", death, or "disability", and with 30 days' prior written notice without "cause". Mr. Zender may resign by written notice for "good reason" and with 30 days' prior written notice without "good reason". Such terms are defined in the Zender Agreement.

If we terminate Mr. Zender for "cause", his employment terminates due to his "disability" or death, or if Mr. Zender resigns without "good reason", we must pay him, in lieu of any other payments or benefits, any base salary earned but not paid through the termination date.

If we terminate Mr. Zender without "cause" or if Mr. Zender resigns for "good reason", we shall continue to pay Mr. Zender (i) his base salary for a period of 12 months after the termination date and (ii) continue to provide life insurance benefits to the extent permitted under such plans until the earlier of such 12-month period and the date he has commenced new employment; conditioned upon Mr. Zender's signing of a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Zender's compliance with provisions relating to confidentiality, proprietary rights, and restricted activities.

The Zender Agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-disparagement, non-solicitation, and non-competition that apply during Mr. Zender's employment and extend for one year thereafter.

James Comitale

In October 2021, we entered into an employment agreement with James Comitale, our Senior Vice President, General Counsel and Corporate Secretary (the "Comitale Agreement"). Under the terms of the Comitale Agreement, Mr. Comitale is entitled to receive a minimum annual base salary, which will be reevaluated annually by the Compensation Committee or our Board. Mr. Comitale is also eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets per fiscal year. If our Company EBITDA is equal to or greater than a maximum for any given year, the bonus is 100% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus is 50% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. Comitale will not be entitled to a bonus for that year.

Either we or Mr. Comitale may terminate the employment agreement at any time upon written notice as specified in the Comitale Agreement and outlined below. We may terminate Mr. Comitale's employment immediately by written notice for "cause", death or "disability", and with 30 days' prior written notice without "cause". Mr. Comitale may resign by written notice for "good reason" and with 30 days' prior written notice without "good reason". Such terms are defined in Mr. Comitale's employment agreement, as may be amended from time to time.

If we terminate Mr. Comitale's employment for cause or due to his disability or death, or if Mr. Comitale resigns without good reason, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Comitale's employment without cause or if Mr. Comitale resigns for good reason, we must continue to pay Mr. Comitale his base salary for a period of twelve (12) months after the termination date and continue to provide life insurance benefits to the extent permitted under such plans until the earlier of such 12-month period and the date he has commenced new employment; conditioned upon Mr. Comitale signing a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Comitale's compliance with provisions relating to confidentiality, proprietary rights and restricted activities.

The Comitale Agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-disparagement, non-solicitation, and noncompetition that apply during Mr. Comitale's employment and extend for one year thereafter (six months thereafter with respect to proprietary rights).

Potential Payments Upon Termination of Employment or Change in Control

The following table summarizes amounts that, as of the last day of Fiscal 2025, would be payable to each of our NEOs upon resignation by the NEO with “Good Reason” or by us without “Cause,” or upon a termination following a “Change in Control” (all as defined in the respective agreements as in effect as of the last day of Fiscal 2025). We do not have single-trigger payments upon a Change in Control. In the event of a termination by us for “Cause” or by reason of death or disability, or without “Good Reason,” no amounts are paid other than base salary earned but not paid through the termination date:

	“Good Reason” or Termination without “Cause” Termination Following a Change in Control⁽³⁾				Total (\$)
	Severance Payments (\$)⁽¹⁾	Annual Incentive (\$)⁽²⁾	Equity Compensation (\$)⁽³⁾	Other Compensation (\$)⁽⁴⁾	
Eric van der Valk	1,550,000	1,025,818	4,844,624	105,168	7,525,610
Robert Helm	525,000	—	2,178,207	950	2,704,157
John Swygert	2,308	606,395	15,781,571	60	16,390,334
Chris Zender	500,000	—	654,332	4,286	1,158,618
James Comitale	355,000	—	1,270,710	3,778	1,629,488

- (1) Each of our NEOs is eligible to receive separation payments in the event the NEO resigns from the Company for “Good Reason” or is terminated by the Company without “Cause”, subject to certain conditions. These conditions are more fully described in “*Employment Agreements*.” The amount reflected in this column for Mr. Swygert represents the value of his base salary for the one day between expiration of Fiscal 2025 on January 31, 2026 and the then-current expiration date of Mr. Swygert’s Executive Chairman Agreement on February 1, 2026.
- (2) In the event Mr. van der Valk or Mr. Swygert resigned for “Good Reason” or was terminated without “Cause” as of the end of Fiscal 2025, then the Company would have paid a pro-rated portion of their bonus for the fiscal year in which such termination occurred based on actual performance. The amounts shown represent the full Fiscal 2025 bonus earned by each executive, as termination is assumed to occur on the last day of the fiscal year.
- (3) We do not maintain separate change in control agreements with any NEOs, but the 2015 Plan and 2025 Plan provide that equity awards granted to our NEOs will be accelerated to the extent that the NEO experiences a termination without “Cause” or with “Good Reason” (as defined in their employment agreements, if at all) within 12 months of the change in control. In addition, pursuant to the Executive Chairman Agreement, in the event Mr. Swygert’s employment is terminated without “Cause” or he resigns for “Good Reason,” all unvested equity awards will accelerate and all options will become fully exercisable. Amounts for all NEOs represent stock options and RSUs outstanding as of January 31, 2026 and are calculated based on \$110.31, the closing price of the Company’s common stock on January 30, 2026, the last trading day of Fiscal 2025 (and for options, the difference between such closing price and exercise price of the option).
- (4) In the event Mr. van der Valk resigned for “Good Reason” or was terminated without “Cause” as of the end of Fiscal 2025, then the Company would have provided health, life, and disability insurance during the severance period of 24 months following the date of termination. In the event Mr. Swygert resigned for “Good Reason” or was terminated without “Cause” as of the end of Fiscal 2025, then the Company would have provided life insurance until the earlier of the end of the term of the Executive Chairman Agreement or the date he ceases to be eligible for such coverage under applicable law or the plan terms. The amount reflected in this column for Mr. Swygert represents the value of such benefits for the one day between expiration of Fiscal 2025 on January 31, 2026 and the then-current expiration date of Mr. Swygert’s Executive Chairman Agreement on February 1, 2026. In the event any of the NEOs other than Mr. van der Valk and Mr. Swygert resigned for “Good Reason” or were terminated without “Cause” as of the end of Fiscal 2025, then the Company would have provided life insurance during the severance period of 12 months following the date of termination. The amounts included in this column represent the premium costs of such benefits that would be paid by the Company based on the premium costs in effect as of the end of Fiscal 2025. In the event any of the NEOs experienced a termination due to death as of the end of Fiscal 2025, payouts for life insurance benefits would be \$400,000.00 for each NEO.

Pension Benefits

None of our NEOs participated in or received benefits from a pension plan during Fiscal 2025 or in any prior year.

Nonqualified Deferred Compensation

None of our NEOs participated in or received benefits from a nonqualified deferred compensation plan during Fiscal 2025 or in any prior year.

Chief Executive Officer Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the ratio of the annual total compensation of our median associate and the annual total compensation of our Chief Executive Officer during Fiscal 2025, Eric van der Valk.

[TABLE OF CONTENTS](#)

The 2025 annual total compensation of the median compensated employee, other than our Chief Executive Officer, was \$34,604. Mr. van der Valk's total annual compensation for Fiscal 2025, as reported under the "Total" column in the 2025 Summary Compensation Table, was \$5,036,744. The ratio of these amounts is 146 to 1.

As of the end of Fiscal 2025, the Company employed approximately 13,000 associates across 645 stores in 34 states. We determined that we could use the median compensated employee from Fiscal 2024 as nothing occurred in Fiscal 2025 that required a change to the median compensated employee. For Fiscal 2024, to identify the median compensated employee, we analyzed employees as of February 3, 2024. We used total cash compensation, including base salary (and overtime and allowances as applicable) for Fiscal 2023, with salaries annualized for those permanent employees who did not work for the full fiscal year as our consistently applied compensation measure. We did not make any other adjustments permissible by the SEC in Fiscal 2023 nor did we make any other material assumptions or estimates to identify our median employee.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated associate and calculating the pay ratio based on that associate's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported herein, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates, and assumptions in calculating their own pay ratios.

Pay Versus Performance

As required by Item 402(v) of Regulation S-K, we are providing the following information about the relationship between executive compensation actually paid and certain financial performance of the Company. For further information concerning the Company’s core compensation objectives and executive compensation program, refer to the “Compensation Discussion and Analysis” above. Mr. van der Valk, our President and Chief Executive Officer (“CEO”) for all of Fiscal 2025, was our principal executive officer (“PEO”) for Fiscal 2025, and references to the CEO in this section is the same as the required disclosure of our PEO.

- (1) The dollar amounts reported in column (b) are the amounts of total compensation reported for our CEO for each corresponding year in the “Total” column of the “Summary Compensation Table.” Our CEO for 2025 was Mr. van der Valk. Our CEO for 2021 through 2024 was Mr. Swygert.
- (2) The dollar amounts reported in column (c) represent the amount of “compensation actually paid” to our respective CEO during the applicable year, as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual amount of compensation earned by or paid to our CEO during the applicable year and were not considered by the Compensation Committee at the time it made decisions with respect to our CEO’s compensation. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to the respective CEO’s total compensation for each year to determine the compensation actually paid to him for the relevant year:

Year	Summary Compensation Table Total for CEO (\$)	Reported Value of Equity Awards (\$) ^(a)	Equity Award Adjustments (\$) ^(b)	Compensation Actually Paid to CEO (\$)

2021	4,253,126	(3,199,997)	(31,979)	1,021,150

- (a) The amounts reported in this column represent the sum of the grant date fair value of equity awards as reported in the “Stock Awards” and “Option Awards” columns of the “Summary Compensation Table” for the applicable year.
- (b) The equity award adjustments for each applicable year include the addition (or subtraction, as applicable) of the following: (i) the year-end fair value of any equity awards granted in the applicable year that are outstanding and unvested as of the end of the year; (ii) the amount equal to the change as of the end of the applicable year (from the end of the prior fiscal year) in fair value of any equity awards granted in prior years that are outstanding and unvested as of the end of the applicable year; and (iii) for equity awards granted in prior years that vest in the applicable year, the amount equal to the change as of the vesting date (from the end of the prior fiscal year) in fair value. During the applicable years, there were no (i) equity awards that were granted and vested in the same year, (ii) equity awards granted in prior years that failed to meet vesting conditions during the applicable year, or (iii) dividends or other earnings on equity awards that are not otherwise reflected in the fair value of the equity award or otherwise included in the total compensation for the applicable year. The valuation assumptions used to calculate the fair value of the equity awards on the applicable date did not materially differ from those disclosed as of the grant date in our Annual Report on Form 10-K for the applicable fiscal year. The amounts deducted or added in calculating the equity award adjustments are as follows:

- (5) The amounts reported in column (f) represent cumulative total shareholder return (“TSR”) from January 29, 2021, the last trading day before the start of our fiscal year ending on January 29, 2022 (“Fiscal 2021”), through the last trading day for the applicable fiscal year in the table. TSR is calculated by dividing the following (a) the sum of (i) the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and (ii) the difference between the Company’s share price at the end and the Company’s share price at the beginning of the measurement period, and (b) the Company’s share price at the beginning of the measurement period.
- (6) The amounts reported in column (g) represent the weighted peer group TSR from January 29, 2021, the last trading day before the start of Fiscal 2021, through the last trading day for the applicable fiscal year in the table, weighted according to the respective companies’ stock market capitalization at the beginning of each period for which a return is indicated. The peer group used for this purpose is the following published industry index: the NASDAQ US Benchmark Retail Index over the same period. The peer group TSR is calculated by dividing the following (a) the sum of (i) the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and (ii) the difference between the index value at the end and the index value at the beginning of the measurement period, and (b) the index value at the beginning of the measurement period.
- (7) The dollar amounts reported represent the amount of net income reflected in the Company’s audited financial statements reported in our Annual Report on Form 10-K for the applicable fiscal year.
- (8) The amounts reported in this column represent Adjusted EBITDA. Adjusted EBITDA is defined as net income before net interest income or expense, depreciation and amortization expenses, and income taxes, further adjusted for non-cash stock-based compensation expense and gains on insurance settlements. While the Company uses various financial and non-financial performance measures for the purpose of evaluating performance for the Company’s compensation programs, the Company has determined that Adjusted EBITDA is the financial performance measure that, in the Company’s, the Compensation Committee’s, and the Board’s assessments, represents the most important financial performance measure (that is not otherwise required to be disclosed in the table) used by the Company to link compensation actually paid to the NEOs, for the most recently completed fiscal year, to Company performance. Reconciliation and further information for Adjusted EBITDA can be found beginning on page 32 of our Annual Report on Form 10-K for Fiscal 2025.

Financial Performance Measures

The Company has determined that Adjusted EBITDA is the financial performance measure that, in the Company’s the Compensation Committee’s, and the Board’s assessments, represents the most important financial performance measure (that is not otherwise required to be disclosed in the table) used by the Company to link compensation actually paid to the NEOs, for the most recently completed fiscal year, to Company performance.

The most important financial performance measure used by the Company for Fiscal 2025 to link compensation actually paid to the NEOs to Company performance is as follows, and there were no other such financial performance measures used for Fiscal 2025:

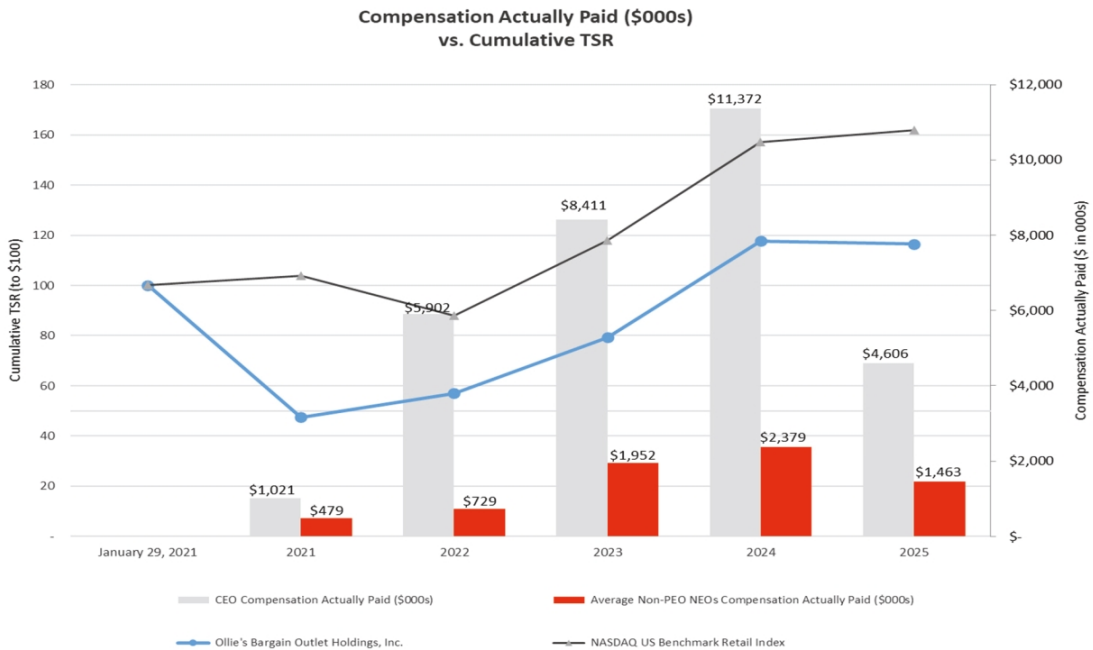

- Adjusted EBITDA

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

We have a written policy relating to the approval of related person transactions. A “related person transaction” is a transaction or arrangement or series of transactions or arrangements in which we participate (whether or not we are a party) and a related person has a direct or indirect material interest in such transaction. Our Audit Committee reviews and approves, or ratifies, related person transactions that exceed \$120,000 individually or in the aggregate between us and (i) our directors, director nominees, or executive officers; (ii) any 5% record or beneficial owner of our common stock; or (iii) any immediate family member of any person specified in (i) and (ii) above. The Audit Committee will review all such related person transactions and, where the Audit Committee determines that such transactions are in our best interests, approve such transactions.

As set forth in the related person transaction policy, in the course of its review and approval or ratification of a related person transaction, the Audit Committee will, in its judgment, consider in light of the relevant facts and circumstances whether the related person transaction is, or is not inconsistent with, our best interests, including consideration of various factors enumerated in the policy.

Any member of the Audit Committee who is a related person with respect to a related person transaction under review or is otherwise not disinterested will not be permitted to participate in the discussions or approval or ratification of the related person transaction. Our policy also includes certain exemptions for related person transactions that need not be reported and provides the Audit Committee with the discretion to pre-approve certain related person transactions.

**PROPOSAL 3 - RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Board recommends that the stockholders ratify the selection of KPMG as our independent registered public accounting firm for Fiscal 2026. KPMG is currently our independent registered public accounting firm.

The Audit Committee is responsible for the appointment, compensation, evaluation, and oversight of the Company's independent registered public accounting firm retained to audit the Company's financial statements. The Audit Committee considered, among other factors:

- KPMG's qualifications;
- The quality and efficiency of KPMG's historical and recent performance on the Company's audit;
- KPMG's capability and expertise;
- The quality and candor of communications and discussions with KPMG;
- The ability of KPMG to remain independent;
- The appropriateness of fees charged;
- KPMG's tenure as the Company's independent registered public accounting firm and its familiarity with our operations, businesses, accounting practices, and internal controls over financial reporting; and
- The possible rotation of the independent registered accounting firm, as well as the impact of such a rotation.

Although the Company is not required to seek stockholder approval of this appointment, the Board believes that doing so is consistent with good corporate governance practices. If the appointment is not ratified, the Audit Committee will explore the reasons for stockholder rejection and will reconsider the appointment.

We have been advised that a representative of KPMG, our independent registered public accounting firm for Fiscal 2025, will attend the Annual Meeting, will have an opportunity to make a statement if such representative desires to do so, and will be available to respond to appropriate questions.

The selection of KPMG as our independent registered accounting firm will be ratified by the affirmative vote of the holders of a majority of shares of common stock represented at the Annual Meeting and entitled to vote and voting on the proposal.

The Board unanimously recommends a vote "FOR" ratification of the selection of KPMG as our independent registered public accounting firm.

The Audit Committee reviews and approves all of KPMG's proposed audit and non-audit engagements and related fees. In addition, any audit and non-audit fees for newly proposed professional services that arise during the year, or changes to previously approved fees and work, are reviewed and approved, to the extent possible, in advance of commencement of such services by the Audit Committee at their regularly scheduled meetings throughout the fiscal year. Should a situation arise that requires approval between meetings, the Audit Committee has delegated authority to its Chair to authorize such pre-approval and report on the same at the following regularly scheduled meeting. The Audit Committee has considered and discussed whether the provision of the above-noted services is compatible with maintaining the independence of the independent registered public accounting firm and has determined, with information and advice from KPMG, that the provision of such services has not adversely affected KPMG's independence.

Pursuant to its charter, the Audit Committee is responsible for approving all audit engagement fees, terms, and non-audit engagements with the independent registered public accounting firm on behalf of the Company in advance of providing any service. It is not the Audit Committee's responsibility to prepare the financial statements of the Company, to plan or execute the audits of these statements, or to determine whether the statements themselves are accurate and set out in accordance with generally accepted accounting principles. Ollie's management is responsible for the preparation of these statements and establishing and maintaining effective internal controls over financial reporting. The independent registered public accounting firm is responsible for the audit of Ollie's financial statements and the audit of the effectiveness of Ollie's internal control over financial reporting.

These procedures include, among other things, that the stockholder give timely notice to the Secretary of the Company of the nomination or other proposed business, that the notice contain specified information, and that the stockholder comply with certain other requirements. Generally, in the case of an annual meeting of stockholders, a stockholder's notice in order to be timely must be delivered in writing to the Secretary of the Company, at its principal executive office, not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting.

Accordingly, if a stockholder of the Company intends, at the Company's Next Annual Meeting, to nominate a person for election to the Board or to propose other business, the stockholder must deliver a notice of such nomination or proposal to the Company's Secretary not later than the close of business on March 13, 2027, and not earlier than the close of business on February 11, 2027.

In addition to satisfying the foregoing requirements, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act, no later than April 12, 2027.

Notices should be addressed in writing to the Secretary at Ollie's Bargain Outlet Holdings, Inc., Attn: Senior Vice President, General Counsel, and Corporate Secretary, 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112.
