**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS**  
**To Be Held June 17, 2021**

---

To our Stockholders,

Notice is hereby given that the 2021 Annual Meeting of Stockholders of Ollie's Bargain Outlet Holdings, Inc. ("Annual Meeting") will be held solely online via webcast on June 17, 2021, at 10:00 a.m. Eastern Time, to:

1. Elect Directors of the Board of Directors to hold office until the 2022 annual meeting of stockholders;
2. Approve a non-binding proposal regarding the named executive officer compensation; and
3. Ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending January 29, 2022.

We will also consider any other matters that may properly come before the meeting or any adjournments or postponements of the meeting.

Our Board of Directors has fixed the close of business on April 23, 2021 as the record date for the determination of stockholders entitled to notice of and to vote at our Annual Meeting and any adjournments or postponements thereof. Due in part to concerns regarding the ongoing COVID-19 pandemic, and to support the health and well-being of our associates, Board of Directors, stockholders, and other meeting participants, we are again making our proxy materials available to you electronically.

In recognition of the ongoing COVID-19 pandemic, the entire meeting will occur online and there will be no physical location where stockholders can attend. You will be able to attend and participate in the Annual Meeting via a live audio webcast by visiting:

[www.virtualshareholdermeeting.com/OLLI2021](http://www.virtualshareholdermeeting.com/OLLI2021).

You will be afforded the same rights and opportunities to participate as you would at an in-person meeting of stockholders. Please follow the procedures described on page [1](#) of the proxy statement.

Your vote is important. We encourage you to vote by proxy in advance of the Annual Meeting, whether or not you plan to attend the virtual meeting.

Our stores and distribution centers have continued to operate as an essential business during the COVID-19 pandemic. Our top priorities in responding to the pandemic have been and continue to be the safety and well-being of our associates and customers. We are committed to maintaining a safe work and shopping environment. In response to COVID-19, we have taken several actions, including the following:

- implemented procedures for social distancing, cleaning, sanitation, and use of personal protective equipment in our stores, distribution centers, and store support center to adhere to the appropriate CDC and local guidelines;
  - have taken actions to support our team members including COVID-19 paid medical leave and 100% coverage of COVID-19 testing and treatment under our medical plan;
  - implemented temporary premium pay for our in-store associates, store leadership, and distribution center employees; and
  - supported our communities by raising money to provide much needed funding to local food banks through a partnership with Feeding America.
-

**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS**

**June 17, 2021**

---

**INFORMATION CONCERNING THE ANNUAL MEETING AND VOTING**

The Board of Directors (the “Board”) of Ollie’s Bargain Outlet Holdings, Inc. (“Ollie’s,” “we,” “us,” “our,” or the “Company”) is soliciting your proxy to be voted at the 2021 Annual Meeting of Stockholders (the “Annual Meeting”) to be held solely via remote communications on June 17, 2021, at 10:00 a.m. local time, and any postponement or adjournment thereof.

**Matters Considered at the Annual Meeting**

At the meeting, stockholders will be asked to vote to: (1) elect five nominees named herein as Directors to hold office until the 2022 annual meeting; (2) approve a non-binding proposal regarding named executive officer compensation; and (3) ratify the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending January 29, 2022. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

**Record Date; Stock Outstanding and Entitled to Vote**

Holders of common stock as of the record date, which was the close of business on April 23, 2021, are entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 65,529,676 shares of common stock outstanding and entitled to vote at the Annual Meeting, with each share entitled to one vote.

**Important Notice of Internet Availability Proxy Materials**

Under rules adopted by the Securities and Exchange Commission (the “SEC”), we are furnishing Proxy Materials as defined in page [1](#) of this Proxy Statement to most of our stockholders on the Internet, rather than mailing printed copies. By doing so, we save costs and reduce our impact on the environment. If you received a Notice of Availability by mail, you will not receive printed copies of the Proxy Materials unless you request them. Instead, the Notice of Availability will instruct you how to access and review the Proxy Materials on the Internet. If you would like printed copies of the Proxy Materials, please follow the instructions on the Notice of Availability. The Notice of Internet Availability was first mailed on or before May 5, 2021 to all stockholders of record as of the record date for the Annual Meeting.

**Participating in the virtual Annual Meeting; Technical Assistance**

Stockholders holding shares at the close of business on the record date may attend the virtual meeting and any adjournments or postponements thereof. To participate in the Annual Meeting, you must have your sixteen-digit control number that is shown on your Notice of Internet Availability of Proxy Materials or on your proxy card if you receive the proxy materials by mail.

Stockholders will be able to ask questions through the virtual meeting website during the meeting through [www.virtualshareholdermeeting.com/OLLI2021](http://www.virtualshareholdermeeting.com/OLLI2021). The Company will respond to as many appropriate questions during the Annual Meeting as time allows. A technical support line will be available on the meeting website for any questions on how to participate in the virtual Annual Meeting or if you encounter difficulties accessing the meeting.

**Proxy Materials**

Our Proxy Materials include:

- This Proxy Statement;
- A Notice of our Annual Meeting (which is attached to this Proxy Statement); and
- Our 2020 Annual Report to Stockholders.

If you received printed versions of these materials by mail (rather than through electronic delivery), these materials also include a Proxy Card or voting instruction form. If you received or accessed these materials through the Internet, your Proxy Card or voting instruction form are available to be filled out and executed electronically. You should review the entire Proxy Statement and the 2020 Annual Report to Stockholders before you vote.

**Quorum; Shares Held by Brokers**

The presence at the Annual Meeting, in person or by proxy, of the holders of at least a majority of the number of shares of common stock issued and outstanding and entitled to vote as of the record date, is required to constitute a quorum to transact business at the Annual Meeting.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by broker non-votes (as defined below) also are counted as present and entitled to vote for purposes of determining a quorum.

If you are the beneficial owner of shares held for you by a broker, your broker must vote those shares in accordance with your instructions. If you do not give voting instructions to your broker, your broker may vote your shares for you on any discretionary items of business to be voted upon at the Annual Meeting. If your broker does not receive instructions from you on how to vote your shares on a non-discretionary item, then the broker will not be able to vote your shares, which is known as a “broker non-vote.” The appointment of KPMG LLP (Proposal 3), is considered a discretionary item matter, and brokers generally may vote on behalf of beneficial owners who have not furnished voting instructions. Brokers may not vote on the other proposals contained in this Proxy Statement, which are considered “non-routine” or non-discretionary proposals, unless they have received voting instructions from the beneficial owner, and to the extent that they have not received voting instructions, brokers report such number of shares as “non-votes.”

**Required Votes on Proposals**

*Election of Directors.* Proposal 1. The affirmative vote of the holders of a majority of the votes cast with respect to the director at the Annual Meeting is required to elect each nominee named herein as a director. Abstentions and broker non-votes will have no effect on this proposal.

*Non-Binding Advisory Vote to Approve Named Executive Officer Compensation.* Proposal 2. The affirmative vote of the majority of shares present in person or represented by proxy and voting on the subject matter at the Annual Meeting is required to approve this item. Abstentions count as a vote “against” and broker non-votes will have no effect on this proposal.

*Ratification of the Selection of KPMG LLP.* Proposal 3, relating to the ratification of the selection of KPMG LLP (KPMG) as our independent registered public accounting firm for the fiscal year ending January 29, 2022 will be approved if it receives the affirmative vote of the majority of shares present in person or represented by proxy at a meeting and voting on the subject matter. Abstentions will count as a vote against this proposal.

*Other Matters.* If any other matters are properly presented at the Annual Meeting for action, including a question of adjourning or postponing the meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgment.

Although the advisory vote in Proposal 2 is non-binding, our Board will review the results of the vote and will take it into account in making determinations concerning our Named Executive Officer (“NEO”) compensation.

## How to Vote; Revocation of Proxies

Stockholders of record are requested to vote by proxy in one of three ways:

- By telephone—Use the toll-free telephone number shown on the Notice of Internet Availability or any proxy card you receive;
- By Internet—Visit the Internet website indicated on the Notice of Internet Availability or any proxy card you receive and follow the on-screen instructions; or
- By mail—If you request a paper proxy card by telephone or Internet, you may elect to vote by mail. If you elect to do so, you should date, sign and promptly return your proxy card by mail in the postage prepaid envelope which accompanied that proxy card.

Voting instructions (including instructions for both telephonic and Internet proxies) are provided on the Notice of Internet Availability and on any proxy card you receive. The Internet and telephone proxy procedures are designed to authenticate stockholder identities, to allow stockholders to give voting instructions and to confirm that stockholder instructions have been recorded properly. A control number, located on the Notice of Internet Availability or proxy card, will identify stockholders and allow them to submit their proxies and confirm that their voting instructions have been properly recorded. Costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, must be borne by the stockholder. If you submit your proxy by Internet or telephone, it will not be necessary to return a proxy card for your vote to be counted.

If a stockholder does not submit a proxy by the Internet or by telephone or return a signed proxy card, and does not vote electronically during the Annual Meeting at [www.virtualshareholdermeeting.com/OLLI2021](http://www.virtualshareholdermeeting.com/OLLI2021), his or her shares will not be voted. Shares of our common stock represented by properly executed proxies received by us or proxies submitted by telephone or via the Internet, which are not revoked, will be voted at the meeting in accordance with the instructions contained therein.

**If instructions are not given and you do not indicate how your shares should be voted on a proposal, the shares represented by a properly completed proxy will be voted as the Board recommends.** In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by the Company in its sole discretion, on any matters brought before the Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the SEC.

Any proxy signed and returned by a stockholder or submitted by telephone or via the Internet may be revoked at any time before it is exercised by giving written notice of revocation to the Company's Secretary at our address set forth herein, by executing and delivering a later-dated proxy (either in writing, by telephone or via the Internet) or by voting in person at the meeting. Attendance at the virtual meeting will not, in and of itself, constitute revocation of a proxy.

If your shares are held in the name of a bank, broker, fiduciary or custodian, follow the voting instructions on the form you receive from your record holder. The availability of Internet and telephone proxies for these stockholders will depend on their voting procedures.

## Householding

Some banks, brokers and other holders of record may be participating in the practice of "householding" proxy statements, annual reports or notices. This means that only one copy of our Proxy Materials or Notice of Availability, as applicable, may have been sent to multiple stockholders in your household. If you want to receive separate copies of our Proxy Materials or Notice of Availability, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other holder of record, or you may contact Robert Bertram, Senior Vice President and General Counsel at Ollie's Bargain Outlet Holdings, Inc., by written or oral request, at 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112 or (717) 657-2300 ext. 2177.

If you own our common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one Notice of Internet Availability relating to these proxy materials or copy of these materials themselves. To assist us in saving money and to serve you more efficiently, we encourage you to have all your accounts registered in the same name and address by contacting our transfer agent: American Stock Transfer & Trust Company, LLC, 6201 15<sup>th</sup> Avenue, Brooklyn, NY 11219, Telephone: (800) 937-5449, or (718) 921-8124.

### **Proxy Solicitation**

The Company is paying the costs of the solicitation of proxies. Members of our Board and officers and employees may solicit proxies by mail, telephone, fax, email or in person. We will not pay directors, officers or employees any extra amounts for soliciting proxies. We may, upon request, reimburse brokerage firms, banks or similar entities representing street name holders for their expenses in forwarding Proxy Materials to their customers who are street name holders and obtaining their voting instructions.

No arrangements or contracts have been made or entered into with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. If done, such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews.

### **Annual Report and Company Information**

**Our Annual Report to Stockholders, which contains consolidated financial statements for the fiscal year ended January 30, 2021 (“fiscal 2020”), is being furnished to stockholders concurrently herewith. You also may obtain a copy of our Annual Report on Form 10-K for fiscal 2020 that was filed with the SEC, without charge, by writing to Ollie’s Bargain Outlet Holdings, Inc., Attn: Investor Relations and General Counsel, 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112. These materials will also be available without charge at “Investor Relations” on our website at [www.ollies.us](http://www.ollies.us).**

### **Corporate Governance Highlights**

Our Board is committed to continued evaluation and improvement of our governance practices, including as set forth under the section of this Proxy Statement entitled “Corporate Governance Matters,” in order to serve the long-term interests of the Company and our stockholders.

- Our Board is comprised of all independent, non-employee directors other than our CEO;
- Commencing at the 2019 annual meeting, the Board adopted majority voting for directors in uncontested elections with a resignation policy for directors who do not receive the support of a majority of our stockholders;
- In fiscal 2019, our Board established a Nominating and Corporate Governance Committee comprised entirely of independent directors;
- At our 2020 annual meeting, we began to declassify our Board, which will be completed by the 2022 annual meeting of stockholders;
- We have amended our Certificate of Incorporation to eliminate supermajority vote provisions;
- Our Board is committed to improving Board diversity, and on May 4, 2020, we elected Alissa Ahlman to our Board;
- All employees and directors are prohibited from hedging and pledging shares of Company stock;
- Directors are required to notify the Board when the director’s principal occupation or business association changes substantially from the position held when the director originally joined the Board;
- Directors are expected to limit on the number of other public-company boards on which they serve to four, unless otherwise approved by the Board, and Directors are asked to advise the Lead Independent Director in advance of accepting an invitation to serve on a board of another for-profit company or significant not-for-profit enterprise. None of our Directors currently serves on more than two other public company boards; and
- The Board and each of its committees conduct annual self-evaluations.

**PROPOSAL 1—ELECTION OF DIRECTORS**

Our Board currently consists of seven (7) directors. Our current Board members are Alissa Ahlman, Robert Fisch, Stanley Fleishman, Thomas Hendrickson, John Swygert, Stephen White, and Richard Zannino.

In light of the amendment of our Certificate of Incorporation approved by our stockholders on June 25, 2019 to declassify our Board of Directors by the 2022 annual meeting of stockholders, Alissa Ahlman, Robert Fisch, Thomas Hendrickson, John Swygert, and Richard Zannino will be elected at the Annual Meeting for a one-year term, and they are expected to stand for re-election at our 2022 annual meeting of stockholders. Messrs. Fleishman and White, who were elected as Class I directors, are serving a term that continues through 2022, and are expected to stand for re-election at the 2022 annual meeting of stockholders for a one-year term. Our Board will be fully declassified by the 2022 annual meeting.

In selecting director candidates for election at the Annual Meeting, our Nominating and Corporate Governance Committee and our Board considered whether the candidate possesses the required skill sets and fulfilled the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity and other desired qualities. The following biographies describe the business experience of each director and nominee.

The nominees for election as Directors at the Annual Meeting are described below. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated each of the candidates for election. The Board expects that each of the nominees will be available for election as a director. However, if by reason of an unexpected occurrence, one or more of the nominees is not available for election, the persons named in the form of proxy have advised that they will vote for such substitute nominees as the Board may nominate.

In the event that, in an uncontested election, any incumbent director does not receive a majority of the votes cast in his or her favor, such director will promptly tender his resignation to the Board. Following the consideration of the recommendation of the Nominating and Corporate Governance Committee, the Board will decide whether to accept or reject the tendered resignation or whether other action should be taken. The Board will disclose its explanation within 90 days from the publication of the Board election results. The Nominating and Corporate Governance Committee and the Board may consider any factor deemed appropriate in deciding whether to accept or reject the tendered resignation.

**Your Board unanimously recommends a vote “FOR” the nominees for Directors.**

Mr. Zannino was selected to serve on our Board due to his past leadership experience, strong finance and management background in the retail industry and his wide-ranging experience investing in and serving as a director for a diverse group of private and public companies.

To be elected, each of our nominees must receive the affirmative vote of the holders of a majority of the votes cast with respect to such nominee at the Annual Meeting.

As discussed above, our Board will be fully declassified beginning at the 2022 annual meeting of stockholders.

## CORPORATE GOVERNANCE MATTERS

### **Director Independence**

Pursuant to our Corporate Governance Guidelines and Principles, the Board is required to affirmatively determine whether our directors are independent under the Nasdaq Stock Market (“Nasdaq”) corporate governance listing standards.

During its review of director independence, the Board considers all information it deems relevant, including without limitation, any transactions and relationships between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. As a result of this review and based on the recommendation of the Nominating and Corporate Governance Committee, the Board affirmatively determined that Directors Ahlman, Fisch, Fleishman, Hendrickson, White, and Zannino are independent directors under the applicable Nasdaq rules.

### **Committees of the Board**

Our Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board has adopted charters for each of its standing committees. Current copies of our committee charters are posted on our website at [www.ollies.us](http://www.ollies.us).

#### *Audit Committee*

The current members of the Audit Committee are Messrs. Hendrickson, Fleishman and White. The Board has determined that Mr. Hendrickson is an “audit committee financial expert” as defined in Item 407(d)(5) of Regulation S-K, and the Board is satisfied that all members of our Audit Committee have sufficient expertise and business and financial experience necessary to effectively perform their duties as members of the Audit Committee. Messrs. Hendrickson, Fleishman and White meet the definition of “independent director” for purposes of serving on our Audit Committee under applicable SEC and Nasdaq rules.

The Audit Committee, among other things: (i) monitors and oversees our accounting and financial reporting processes, and the integrity of the corporate accounting and financial reporting processes and financial information, including financial statements; (ii) reviews our compliance with legal and regulatory requirements; (iii) oversees our processes relating to risk management, including cyber risk; (iv) oversees our conduct and systems of internal control over financial reporting and disclosure controls and procedures; (v) oversees the annual audit of the Company’s financial statements; (vi) evaluates the independent registered public accounting firm’s qualifications, engagement, compensation and independence; and (vii) monitors the performance of the Company’s independent registered public accounting firm as well as any other public accounting firm engaged to perform other audit, review, or attest services.

The Audit Committee met four (4) times during fiscal 2020. The Audit Committee meets with our independent registered public accounting firm without management present on a regular basis.

#### *Compensation Committee*

The current members of the Compensation Committee are Ms. Ahlman, Messrs. Fisch and Zannino. All members of the Compensation Committee meet all applicable independence standards under Nasdaq corporate governance standards.

The Compensation Committee, among other things: (i) reviews and approves appropriate compensation of our Chief Executive Officer and our other executive officers; (ii) oversees management succession planning; (iii) reviews and approves employment arrangements with our executive officers; (iv) administers equity and non-equity compensation plans and programs; (v) evaluates and recommends to the Board appropriate forms and amounts of director compensation; and (vi) prepares the annual report of the Compensation Committee. When required by applicable SEC rules, it will also recommend to the Board the frequency of the say-on-pay vote.

The Compensation Committee also reviews and recommends to the Board the target annual incentive pool, the annual performance objectives for participants, and actual payouts to participants, including the executive officers. The Compensation Committee has sole decision-making authority with respect to all compensation recommendations for our executive officers, subject to further action of the Board as the Board shall determine.

## TABLE OF CONTENTS

To assist it in performing its duties, the Compensation Committee has the authority to engage outside consulting firms. During fiscal 2020, our compensation Committee engaged Pearl Meyer & Partners LLC (“Pearl Meyer”), a consulting firm, to advise on director and NEO compensation.

The Compensation Committee met three (3) times in fiscal 2020. Decisions regarding executive compensation were approved by our Board after taking into account the recommendations of the Compensation Committee and its members.

### *Nominating and Corporate Governance Committee*

Consistent with our Board’s review of our corporate governance principles and focus on promoting certain governance best practices, our Board established the Nominating and Corporate Governance Committee in 2019. The current members of the Nominating and Corporate Governance Committee are Ms. Ahlman, Messrs. Fisch, Fleishman, Hendrickson, White and Zannino. All members of the Nominating and Corporate Governance Committee meet the applicable independence standards under Nasdaq corporate governance standards.

The Nominating and Corporate Governance Committee, among other things: (i) manages the process of identifying and screening potential director candidates to the Board, including candidates recommended by stockholders and filling vacancies consistent with the criteria approved by the Board; (ii) recommends director candidates to the Board; (iii) reviews the effectiveness of and recommends modifications as appropriate to the Company’s process and criteria (including experience, qualifications, attributes, diversity or skills in light of the Company’s business and structure) used to evaluate Board membership and director independence; (iv) reviews disclosures concerning director and nominee’s experience, qualifications, attributes or skills that led to the decision that each director or nominee should serve as a director; (v) evaluates and makes a recommendation to the Board whether directors qualify as independent; (vi) reviews periodically the committee structure and leadership and recommends any changes to the Board; (vii) reviews the design of new director orientation and continuing education for all directors in conjunction with Company management; and (viii) develops the methodology for annual self-evaluations of the Board, its committees and management.

In recommending director candidates, the Nominating and Corporate Governance Committee considers whether the candidates possess the required skill sets and fulfill the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity and other desired qualities.

Stockholders may submit recommendations for consideration to the Nominating and Corporate Governance Committee, which will be evaluated using substantially the same criteria as applied to recommendations of directors and members of management, by providing the person’s name and appropriate background and biographical information by writing to the Nominating and Corporate Governance Committee at Ollie’s Bargain Outlet Holdings, Inc., Attn: The Board of Directors, the Nominating and Corporate Governance Committee, 6295 Allentown Blvd., Suite 1, Harrisburg, Pennsylvania 17112. No potential director nominees were recommended by stockholders in 2020.

To assist it in performing its duties, the Nominating and Corporate Governance Committee has the authority to engage outside consulting firms.

The Nominating and Corporate Governance Committee met four (4) times in fiscal 2020.

### **Director Nominations**

Our Director nominees up for election at this Annual Meeting are recommended to our Board for election by our Nominating and Corporate Governance Committee and nominated for election by the Board.

As noted above, our Board will also consider director candidates recommended for nomination by our stockholders during such times as they are seeking proposed nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a special meeting of stockholders). In general, in identifying and evaluating nominees for director, our Board considers whether the candidates possess the required skill sets and fulfill the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity and other desired qualities.

Our Board believes that a diversity of viewpoints, background, experience, industry knowledge and geography, as well as more traditional characteristics of diversity, such as race and gender are meaningful for Board function.

## TABLE OF CONTENTS

Accordingly, although the Company does not have a separate policy specifically governing diversity, our Nominating and Corporate Governance Committee is focused on identifying highly qualified diverse candidates and will consider, among other factors, the extent to which a candidate would result in increased diversity of the Board. The Nominating and Corporate Governance Committee and the Board intends to continue to search for candidates who would enable the Board to become more diverse in terms of gender and ethnicity, and any director candidate so identified who also possesses the required skill sets and fulfills the Board's established qualification requirements will be presented to the Nominating and Corporate Governance Committee for consideration.

### **Board Refreshment**

Our Board believes periodic board refreshment promotes effective board structure and composition. As discussed below, our Nominating and Corporate Governance Committee manages the process of identifying and screening potential director candidates to the Board, including candidates recommended by stockholders and filling vacancies consistent with the criteria approved by the Board. The annual Board and director self-assessment processes are important determinants in a director's renomination and tenure. In 2020, we elected Alissa Ahlman to our Board, who brings diversity and demonstrated success in fields critical to our business.

### **Board Role in Risk Oversight**

Our Board and management continually monitor the material risks facing our Company, including, but not limited to financial risk, strategic risk, operational risk, and legal and compliance risk, as well as risks the Company is facing related to the ongoing COVID-19 pandemic. Management regularly reports to the Board on its activities in monitoring and mitigating such risks. Overall responsibility for risk oversight rests with our Board. In addition, the Board may delegate risk oversight responsibility to a particular committee in situations in which risk falls within the committee's area of focus or expertise.

Our Board believes that for certain areas of risk, our Company is better served by having the initial risk evaluation and risk monitoring undertaken by a subset of the entire Board that is more focused on the issues pertaining to the particular risk. For instance, our Compensation Committee assists the Board in evaluating risks relating to our compensation policies and procedures. Our Nominating and Governance Committee, which is comprised of all our independent directors, has responsibility under the Committee's charter to review Environmental, Social and Governance ("ESG") risk and develop strategy as we continue to evolve our responses in this area. Also, our Audit Committee assists the Board in fulfilling the Board's oversight responsibility relating to the evaluation of financial, regulatory, cyber and other enterprise level risks confronting the Company.

The Company has a management level enterprise risk management committee that meets quarterly and reports to the Audit Committee. Our IT department is represented on this committee and reports on both the proactive and passive activities that it undertakes to monitor, and secure our computer systems, and also details and reports on the various training programs that it develops for individual users and groups within our workforce, together with the delivery and results of these training sessions. In addition to this reporting, our Audit Committee receives quarterly reports on these and other initiatives, and programs directly from our Chief Information Officer.

As it deems necessary, the respective committee to which oversight and monitoring of a particular risk has been assigned reports on risk exposures and mitigation strategies with respect to such risk to the entire Board.

### **Compensation Risk Analysis**

The Compensation Committee is aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking and conducts, annually, a formal review, in conjunction with Pearl Meyer, of all of its incentive programs for executives and employees. After conducting this review, the Committee has concluded that our compensation programs are not reasonably likely to incentivize employee behavior that would result in any material adverse effect on the Company.

### **Board Leadership Structure**

Our Board understands there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive business environment in which we operate; the appropriate leadership may vary as circumstances warrant. Following the unexpected passing of Mark Butler, one of our founders and Chief

## TABLE OF CONTENTS

Executive Officer and Chairman of the Board, in December 2019, the Board determined to appoint Richard Zannino as our Lead Independent Director. The Board continues to consider the appointment of a Chair to the Board, and the appropriate leadership structure for the Board going forward.

Our Lead Independent Director is appointed by the independent members of our Board, with the following responsibilities:

- Presiding at all meetings of the Board, including executive sessions of the independent directors;
- Serving as liaison between the CEO and the independent directors;
- Together with management, approving information sent to the Board;
- Together with management, approving meeting agendas for the Board;
- Together with management, approving meeting schedules to assure that there is sufficient time for discussion of all agenda items;
- Calling meetings of the independent directors; and
- If requested by major stockholders, ensuring that he is available for consultation and direct communication.

### **Attendance at Meetings**

It is our policy that each director must be prepared to devote the time required to prepare for and attend Board meetings and fulfill their responsibilities effectively. Our Directors may not serve on more than four other public company boards, but none of our Directors currently serves on more than two other public company boards.

In fiscal 2020, the Board held five (5) meetings and took action by unanimous written consent from time to time. All incumbent directors attended 100% of (i) the total number of meetings of the Board (held during the period for which such person has been a director); and (ii) the total number of meetings held by all committees on which he or she served (during the periods that he or she served).

We do not, as a general matter, require our Board members to attend our annual meetings of stockholders. Ms. Ahlman, and Messrs. Swygert, and White attended the 2020 annual meeting of stockholders.

### **Executive Sessions**

Executive sessions of our independent directors are held regularly.

### **Stockholder and Other Interested Party Communications with the Board**

Stockholders and other parties interested in communicating directly with the Board as a group may do so by writing to the Board, c/o Ollie's Bargain Outlet Holdings, Inc., 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112. The General Counsel will review all correspondence and regularly forward to the Board all such correspondence that, in the opinion of the General Counsel, deals with the functions of the Board or committees thereof or that the General Counsel otherwise determines requires Board attention. Concerns relating to accounting, internal controls or auditing matters will immediately be brought to the attention of the Chairman of the Audit Committee. We have adopted a Whistleblower Policy, which establishes procedures for submitting these types of concerns, either personally or anonymously through the submission of a written statement to the General Counsel or the Audit Committee.

Stockholders and other parties interested in communicating directly with Mr. Hendrickson, as Chairman of the Audit Committee, may do so by writing to Mr. Thomas Hendrickson, Chairman, Audit Committee, c/o Ollie's Bargain Outlet Holdings, Inc., 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112.

### **Corporate Governance Guidelines and Principles**

We have adopted Corporate Governance Guidelines and Principles. These guidelines outline the role of our Board, the composition and operating principles of our Board and its committees and our Board's working process. Our Corporate Governance Guidelines and Principles are posted on our website at [www.ollies.us](http://www.ollies.us).

## **Environmental, Social and Governance and Corporate Responsibility**

Our stores and distribution centers have continued to operate as an essential business during the COVID-19 pandemic. Our top priorities in responding to the pandemic have been and continue to be the safety and well-being of our associates and customers. While doing so, we have focused on ESG opportunities as we look to continue sustainable and responsible growth.

We seek to build a diverse and inclusive workplace where we can leverage our collective talents, striving to ensure that all associates are treated with dignity and respect. We are committed to provide equal employment opportunities and advancement consideration to all individuals and provide a working environment that is free of intimidation or harassment.

### *Associate Training and Development Programs*

We offer a compelling work environment with meaningful experiences and growth and career-development opportunities. This starts with the opportunity to do challenging work and learn on the job and is supplemented by programs and continuous learning that help our team build skills to advance. We encourage a promote-from-within environment when internal resources permit. We also provide internal leadership development programs designed to prepare our high-potential team members for greater responsibility. Our current team of district managers and store managers have an average tenure of approximately six and four years, respectively. We believe internal promotions, coupled with the hiring of individuals with previous retail experience, will provide the management structure necessary to support our long-term strategic growth initiatives.

Our Ollie's Leadership Institute ("OLI") is a program that is used to equip field associates with the ability to advance their career. Each OLI participant receives an individual development plan, designed to prepare them for their next level position. Reflecting our belief in our "home grown" talent, OLI is our preferred source for new supervisors and team leaders. In 2020, over 60% of our current district team leaders were internally promoted to their position. Company-wide, over 70% our field positions were filled by internal promotions. We believe our training and development programs help create a positive work environment and result in stores that operate at a high level.

### *Compensation and Benefits*

We are committed to providing market-competitive compensation for all positions. Eligible team members participate in one of our various bonus incentive programs, which provide the opportunity to receive additional compensation based upon store and/or Company performance. In addition, we provide our eligible team members the opportunity to participate in a 401(k) retirement savings plan with a Company sponsored match. We also share in the cost of health insurance provided to eligible team members, and team members receive a discount on merchandise purchased from the Company. We additionally provide our team members with paid time off.

### *Workplace Health and Safety*

We strive to maintain a safe and secure working environment and have established safety training programs. This includes administering an occupational injury- and illness-prevention program, together with an employee assistance program for team members.

### *COVID-19 Response*

Our top priorities in responding to the pandemic have been and continue to be the safety and well-being of our associates and customers. We are committed to maintaining a safe work and shopping environment. In response to COVID-19, we have taken several actions to support our team members including; implementing procedures for social distancing, cleaning, sanitation, and use of personal protective equipment in our stores, distribution centers, and store support center in response to the appropriate CDC and local guidelines; provided COVID-19 paid medical leave and 100% coverage of COVID-19 testing and treatment under our medical plan; implementing temporary premium pay for our in-store associates, store leadership, and distribution center employees; and supporting our communities by raising money to provide much needed funding to local food banks through a partnership with Feeding America.

## COMPENSATION OF NON-EMPLOYEE DIRECTORS AND DIRECTOR STOCK OWNERSHIP GUIDELINES

Our Board, based upon the recommendation of the Compensation Committee, has set non-employee director compensation at the median level for the peer group identified by its compensation consultant, Pearl Meyer.

Pearl Meyer benchmarked our non-employee director compensation during fiscal 2019 based upon our peer group established in 2017 and compared against the National Association of Corporate Directors Survey. As of the date of this Proxy Statement, we have updated our peer group, and we expect to benchmark our non-employee director compensation against this updated peer group during the current fiscal year. As further described below, based on the recommendation of Pearl Meyer, our Compensation Committee determined, and the Board approved, that both the level and form of non-employee director compensation should be increased to the median of general industry companies with revenues of between \$650 million to \$1.3 billion.

For fiscal 2020, the annual cash retainers for non-employee directors was \$75,000. Non-employee directors also receive annual awards of restricted stock units, which vest one year from the grant date. For fiscal 2020, the value of the annual equity award was \$100,000.

We also implemented non-employee director stock ownership guidelines in connection with such compensation increases. Non-employee director stock ownership guidelines require the non-employee director to maintain four (4) times their annual cash retainer and to meet the requirement within five (5) years.

The Audit Committee Chair receives an additional cash retainer of \$20,000, and the Compensation Committee Chair receives an additional cash retainer of \$15,000. Committee member retainers are \$10,000 per year for Audit Committee members and \$7,500 per year for Compensation Committee members. Cash compensation is paid in quarterly installments to those eligible to receive it. We also reimburse each of our directors for direct travel expenses incurred in connection with attendance at meetings of the Board and its committees.

### CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the ratio of the annual total compensation of our median employee and the annual total compensation of our CEO, John Swygert.

The 2020 annual total compensation of the median compensated employee, other than our CEO, John Swygert, was \$14,974. Mr. Swygert’s 2020 total annual compensation for fiscal 2020, as reported under the “Total” column in the 2020 Summary Compensation Table, was \$2,265,783. The ratio of these amounts is 151 to 1.

To identify the median compensated employee, we analyzed employees as of January 30, 2021. We used total cash compensation, including base salary (and overtime and allowances as applicable) for fiscal 2020, with

[TABLE OF CONTENTS](#)

salaries annualized for those permanent employees who did not work for the full fiscal year as our consistently applied compensation measure. Reasonable estimates of cash compensation were made for those employees who were hired during fiscal 2020 using current base salary and any overtime or allowances paid during fiscal 2020. We did not make any other adjustments permissible by the SEC nor did we make any other material assumptions or estimates to identify our median employee.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported herein, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

**PROPOSAL 2—  
NON-BINDING ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER  
COMPENSATION**

Ollie's seeks a non-binding advisory vote from its stockholders to approve the compensation of its NEOs as described in the Compensation Discussion and Analysis section beginning below. This vote is commonly known as "Say-on-Pay," and the Compensation Committee of the Board has adopted a policy of providing for an annual Say-on-Pay vote.

We encourage you to read the Compensation Discussion and Analysis and Compensation Table sections to learn more about our executive compensation programs and policies. The Board believes that its 2020 compensation decisions and our executive compensation programs align the interests of the stockholders and executives while emphasizing variable, at-risk compensation largely tied to company performance goals and balancing both long- and near-term objectives.

This vote is not intended to address a specific item of compensation, but rather our overall compensation policies and procedures related to the NEOs. While this "Say-on-Pay" vote is advisory in nature, it will not be binding on Ollie's or the Board. However, our Board will carefully consider the outcome of this vote and the discussions with investors when making future executive compensation arrangements. We will disclose how many stockholders voted "For" or "Against" the following resolution and how many stockholders abstained from voting.

The Board recommends that stockholders vote in favor of the following resolution:

**"Resolved**, that Ollie's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in Ollie's proxy statement for the 2021 Annual Meeting of Stockholders pursuant to the executive compensation disclosure rules of the United States Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2020 Summary Compensation Table and the other related tables and disclosure."

**Your Board unanimously recommends a vote "FOR" this proposal.**

## COMPENSATION DISCUSSION AND ANALYSIS

### Introduction

During this unprecedented time, the Compensation Committee’s long-standing principles will guide its decision-making process. As the global COVID-19 pandemic evolves and the economic circumstances continue to develop, the Compensation Committee will monitor the situation and review and consider the Company’s executive compensation program and practices as it determines to be in the best interests of the Company’s stockholders, and where appropriate, other stakeholders.

The Compensation Committee is committed to providing a compensation program for our executives that is aligned with the strategic direction of our business and rewards executives for creating value for our stockholders. This compensation discussion and analysis (“CD&A”) provides an overview of our executive compensation program and how the compensation provided to our NEOs, who are the Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated executive officers, was determined in 2020.

Our NEOs for fiscal 2020 are as follows:

<b>Name</b>	<b>Position</b>
John Swygert	President and Chief Executive Officer
Jay Stasz	Senior Vice President, Chief Financial Officer & Secretary
Kevin McLain	Senior Vice President, General Merchandise Manager
Ray Daugherty, Jr.	Senior Vice President, Supply Chain
Larry Kraus	Vice President, Chief Information Officer

- Adjusted EBITDA increased 56.4% to \$306.5 million.

### Fiscal Year 2020 Compensation Highlights

Our compensation program for the NEOs is driven by the need to recruit, develop, motivate and retain top talent both in the short- and long-term and align the interests of NEOs and stockholders.

*Base Salaries:* As discussed below under “Elements of our Compensation Program and Benefits Programs”—“Base Salary,” four of our NEOs, Messrs. Stasz, McLain, Daugherty, and Kraus received base salary increases in fiscal 2020.

### *Annual Incentive Program*

For participants in the annual incentive bonus plan (the “Incentive Bonus Plan”), the annual incentive bonus is based on the salary of the individual, and a sliding scale that is consistent with their position with the Company or set out in their respective Employment Agreements. Our Incentive Bonus Plan is based on the level of

Company performance against a target that is approved by the Board on an annual basis, based on a target Adjusted EBITDA (the “Target Adjusted EBITDA”). In the event that the Company does not exceed a threshold of 85% of the Target Adjusted EBITDA, no bonus will be paid. The maximum bonus is payable upon achievement of at least 115% of Target Adjusted EBITDA. Between 85% and 115% of target, payouts are calculated based on linear interpolation between such amounts. For fiscal 2020, our Adjusted EBITDA of \$306.5 million was approximately 36% above the Target Adjusted EBITDA of \$225.7 million, resulting in payouts for our NEOs at 115% of their Target Bonus. For a discussion of how we calculate Target Adjusted EBITDA and our NEOs payouts for the 2020 Incentive Bonus Plan, see “Elements of Our Executive Compensation and Benefits Programs—Annual Incentive Compensation,” below.

### *Long-Term Incentive Program*

For 2020, we granted long-term equity awards in the form of time-vested stock options and RSUs. The stock options and RSUs vest ratably over four years. See “Elements of our Executive Officer Compensation and Benefits Program—Long Term Equity Incentive Compensation,” below.

### **Compensation Practices**

Since we became a public company in July 2015, we have sought to adhere to key governance practices that reflect our compensation philosophy and support long-term company success while helping to mitigate compensation risks.

### **Role of the Compensation Committee, Management and Consultant**

#### *Compensation Committee*

Our Board has delegated administration of our executive compensation program to the Compensation Committee, which among other things reviews the performance of our NEOs and makes determinations and decisions on their compensation programs, including the components, mix and targeted amounts. In evaluating and making determinations about the Company’s compensation programs and policies, the Compensation Committee considers, among other things, performance, the Company’s risk profile, recommendations of the compensation consultant, compensation levels among our peers, and the results of the most recent “say-on-pay” vote of our stockholders. As described in more detail in this Proxy Statement under “Corporate Governance—Compensation Committee,” the Compensation Committee operates under a written charter, which sets out its roles and responsibilities regarding executive compensation. Since the date of our IPO, all members of the Compensation Committee have met all applicable independence standards under Nasdaq corporate governance standards.

## [TABLE OF CONTENTS](#)

### *Management*

The CEO provides input as to the other NEOs' performance and recommends compensation adjustments for executives other than himself. Ultimately, all decisions with respect to NEO compensation are made by the Compensation Committee.

### *Compensation Consultant*

To assist it in performing its duties, the Compensation Committee has the authority to engage outside consulting firms. Our Compensation Committee has engaged Pearl Meyer as its independent compensation consultant to advise on director and executive officer compensation since we began preparing for our IPO in early 2015. In fiscal 2020, Pearl Meyer provided assistance to the Compensation Committee with respect to NEO compensation matters.

The Compensation Committee has sole discretion to engage, retain, obtain the advice of, terminate and determine funding for the compensation consultant, and is directly responsible for the appointment, compensation and oversight of the compensation consultant's work.

The Compensation Committee has examined the independence of Pearl Meyer under factors contained in the SEC rules and Nasdaq listing standards and determined that Pearl Meyer is independent and concluded that its work for us does not raise any conflict of interest.

### **Compensation Philosophy**

Our executive compensation programs are designed to accomplish the following principles:

- align with and support the strategic direction of our business;
- to link pay with overall company performance and reward executives for behaviors which drive shareholder value creation; and
- to be financially efficient and affordable.

We have reviewed the competitiveness of compensation provided to our NEOs, and do not target a specific market level for the competitiveness of any individual element of compensation or for the program as a whole. However, we consider target compensation at levels that are competitive with other retail comparators.

### **Pay Mix**

Our pay mix is driven by our compensation philosophy as well as each NEO's role and strategic value to the organization. A significant amount of each NEO's compensation is at risk, with particular focus on long-term equity incentives (options and RSUs) that align the interests of our executives with those of our stockholders.

### **Peer Group**

In 2020, Pearl Meyer completed a study to evaluate the Company's peer group against the Company's revenue and market cap and adopted a peer group of 16 companies based on the revenue and market cap of the Company. We believe this peer group continues to appropriately reflect our unique market cap to revenue size ratio, high growth profile and business characteristics.

**Elements of Our Executive Compensation and Benefits Programs**

**Base Salary**

The Compensation Committee considers what salaries must be paid in order to attract and retain high-quality executives. We annually review our executives’ base salaries and make adjustments only when necessary based on individual and Company performance.

We provide a minimum, fixed level of cash compensation to reflect the level of accountability of talented executives who can continue to improve the Company’s overall performance. In addition, salary is based on experience, industry knowledge, duties and scope of responsibility as well as the competitive market for talent.

In April 2020, each of our NEOs, other than Mr. Swygert, received increases to their base salaries as follows: Mr. Stasz (3.12%); Mr. McLain (2.88%); Mr. Daugherty (4.65%); and Mr. Kraus (4.65%). Mr. Swygert received an increase in December of the prior fiscal year.

**Annual Incentive Compensation**

In March 2020, the Compensation Committee approved the performance targets and potential bonus payouts for our NEOs for the 2020 fiscal year under our Incentive Bonus Plan. The Compensation Committee determined that, consistent with prior years, a main business objective to incentivize our management was to focus on increasing our Adjusted EBITDA, which was used as the basis for the Incentive Bonus Plan for our NEOs.

To calculate payouts under the Incentive Bonus Plan, the Company’s Adjusted EBITDA is assessed relative to performance targets (see targets for the 2020 fiscal year provided below). Bonus payouts range from 0% of the NEO’s base salary if threshold performance (85% of the Adjusted EBITDA) is not exceeded to 200% of the NEO’s base salary if maximum performance (115% of the Adjusted EBITDA) is achieved. When the performance threshold is met, payouts are interpolated on a straight-line basis for performance levels between threshold and target and between target and maximum. The level of performance required to achieve maximum payout under the Incentive Bonus Plan was determined by the Compensation Committee to be reflective of truly outstanding performance.

We define EBITDA as net income before net interest income or expense, depreciation and amortization expenses and income taxes. Adjusted EBITDA represents EBITDA as further adjusted for non-cash items of stock-based compensation expense and gains on insurance settlements. EBITDA and Adjusted EBITDA are non-GAAP measures and may not be comparable to similar measures reported by other companies. For a discussion of these non-GAAP measures, including a reconciliation to the nearest GAAP measures, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations—EBITDA and Adjusted EBITDA” on pages 45-47 of our Annual Report on Form 10-K, filed with the SEC on March 24, 2021.

The Adjusted EBITDA targets and potential payouts under the Incentive Bonus Plan for fiscal 2020 for each NEO, as well as performance achieved, were as follows based on actual achievement of \$306.5 million Adjusted EBITDA or approximately 136% of the Target Adjusted EBITDA (\$225.4 million):

Executive	Threshold Payout (% of Base)	Target Payout (% of Base)	Maximum Payout (% of Base)	Resulting Payout
John Swygert	0%	100%	200%	\$1,501,932
Jay Stasz	0%	50%	100%	\$ 328,273
Kevin McLain	0%	50%	80%	\$ 213,829
Ray Daugherty Jr	0%	50%	65%	\$ 145,674
Larry Kraus	0%	50%	60%	\$ 133,964

**Long-Term Equity Incentive Compensation**

Equity awards under the Company’s 2015 Plan, are a vital piece of our total compensation package. Equity awards are intended to compensate NEOs for sustained long-term performance, align the interests of our NEOs and stockholders and encourage retention through multi-year vesting schedules. Long-term equity incentive awards may take a variety of forms. In fiscal 2020, we granted RSUs and stock options. Levels, mix and frequency of awards are determined by the Compensation Committee, and are designed to reflect each recipient’s

## [TABLE OF CONTENTS](#)

level of responsibility and performance. Until fiscal 2020, employees with less than 10 years of service were awarded RSUs that cliff vest after four years. Beginning in fiscal 2020, the Board determined to issue RSUs solely with ratable vesting over four years, regardless of an employee's tenure.

### **Fiscal Year 2020 Grants**

Our long-term equity incentive program for fiscal 2020 was designed to generally deliver 50% of long-term equity value in RSUs and 50% in stock options for our NEOs. We believe awarding a significant percentage of pay in the form of long-term equity fosters strong alignment between executive and shareholder interests.

Grant values were determined in accordance with our philosophy of providing competitive total compensation level, with a heavier emphasis on variable long-term pay.

Option and RSU Awards granted to our NEOs are reflected below in the "Fiscal 2020 Grants of Plan Based Awards" Table.

#### *Restricted Stock Units*

RSUs directly align NEOs' and stockholders' interests over a longer-term period and are a very important retention component of our compensation program. Beginning in fiscal 2020, RSUs now vest ratably over four years, regardless of an employee's tenure. See also "Fiscal Year 2020 Compensation Highlights, Long Term Incentive," above.

#### *Stock Options*

Stock options have traditionally been granted as a component of our long-term incentive program and continue to be a valuable vehicle designed to align NEOs' and stockholders' interests over a longer-term period. Stock options are granted at no less than fair market value and only have value to the extent of that our stock price increases. Stock options vest ratably over a four-year period.

### **Retirement, Health and Welfare Benefits and Other Perquisites**

The majority of our compensation is in the form of base salary, Incentive Bonus Plan and long-term incentives with minimal perquisites provided. Our NEOs are entitled to participate in all of our employee benefit plans, including medical, dental, vision, group life and disability insurance, and our 401(k) Retirement Savings Plan. We provide vacation and paid holidays to our NEOs. Generally, our NEOs participate in these plans and programs on the same or similar basis as are offered to our other senior employees.

### **Recoupment Policy**

Pursuant to our 2015 Plan, any cash or equity-based awards based on financial statements that are subsequently required to be restated may be recouped to the extent that the restated incentive payments would be decreased. This policy is intended to comply with any compensation recovery, "clawback" or similar policy made applicable by law including the provisions of Section 945 of the Dodd-Frank Act as applicable.

### **Hedging and Pledging Policy**

Our Policy on Insider Trading explicitly prohibits all employees and directors from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds), or otherwise engaging in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of registrant equity securities on hedging or pledging of any of our company stock.

### Stock Holding Requirements

Beginning in March 2017, our Board has adopted ownership guidelines, which were amended in March 2018;

Executive Level	Multiple of Salary Requirement
CEO	5x Salary
CFO	2x Salary
Other Executives	2x Salary
Board of Directors	4x Annual Cash Retainer

For purposes of meeting this policy, ownership includes:

- Actual stock owned;
- Vested in-the-money stock options net of an assumed 40% tax rate;
- Vested Restricted Stock;
- Outside purchases or holdings of Company stock; and
- Shares beneficially owned by the family members of the Covered Executive.

Executives covered by the policy have five (5) years to meet the guidelines established by it. However, during the period that a person covered by the policy has not met the standards set by the policy, covered executives are encouraged to hold 50% of the shares unrealized from vesting or exercise of shares or stock options on a post-tax, net share basis. In addition to the established guidelines, other guidelines regarding the length of time an executive must attain the guideline along with the respective holding requirements are established within the policy.

The Compensation Committee assesses progress toward meeting ownership expectations on an annual basis, measured on the last day of the fiscal year. Management communicates with the Compensation Committee the covered person's progress toward increasing his or her ownership position. As of January 30, 2021, each covered executive had either met the requirements, or was deemed by the Committee to be on a satisfactory path to meet the requirements of the policy.

#### Impact of Accounting and Tax Matters

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of compensation vehicles that we utilize. With respect to accounting matters, the Compensation Committee examines the accounting cost associated with equity compensation considering FASB ASC Topic 718, Compensation—Stock Compensation (ASC Topic 718).

#### Compensation Committee Report

This report is submitted to Ollie's stockholders by the Compensation Committee. The Compensation Committee consists solely of non-executive directors who are independent, as determined by the Board in accordance with the Company's guidelines and Nasdaq listing standards.

The Compensation Committee has reviewed, and discussed with management, the Compensation Discussion and Analysis contained in this Proxy Statement, and based on this review and discussion, recommended to the Board that it be included in this Proxy Statement.

Submitted by the Compensation Committee,

#### Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee is a current or former officer or employee of the Company or any of its subsidiaries. None of our executive officers serves as a member of the board of directors or compensation committee of any company that has one or more of its executive officers serving as a member of our Board or Compensation Committee.

## **Employment Agreements**

We have entered into employment agreements with three (3) of our NEOs.

The Compensation Committee believes that severance and change in control arrangements, when properly tailored, are appropriate and necessary to retain the NEOs and to recruit other potential executive candidates. Further, in the case of any potential change in control, the Compensation Committee has concluded that such commitments are necessary to enable our NEOs to evaluate objectively the benefits to stockholders of the proposed transaction, notwithstanding any potential effects on their own job security.

The Compensation Committee also believes that reasonable severance and change in control benefits should be:

- established with reference to an executive's position and current cash compensation opportunities, not with reference to his or her tenure;
- conditioned upon execution of a release of claims against the Company and its affiliates; and
- conditioned on the executive's commitment not to compete with the Company for a reasonable period following any cessation of his or her employment.

No NEO of the Company has a right to receive a tax gross-up related to the impact of the excise tax under Section 280G of the Internal Revenue Code.

The material provisions of each such agreement are described below. For the purposes of the employment agreements, "Company EBITDA" refers to Adjusted EBITDA without any adjustments for pre-opening expenses.

### ***John Swygert***

In September 2012, we entered into an employment agreement with Mr. Swygert, who served as our Chief Financial Officer at the time, which we amended in July 2015 and further amended in January 2018 in connection with his promotion to Chief Operating Officer. In December 2019, in connection with his promotion to President and Chief Executive Officer, we further amended Mr. Swygert's employment agreement (such amended agreement, the "Swygert Agreement").

Under the Swygert Agreement, Mr. Swygert's base salary is \$750,000 per annum. Mr. Swygert is eligible to receive an annual cash performance bonus based on the Company's ability to achieve certain Company EBITDA targets. If the Company EBITDA is equal to or greater than the maximum for any given year, the bonus shall be 200% of his base salary; if the Company EBITDA is equal to the target Company EBITDA for a given year, the bonus is 100% of his base salary; if the Company EBITDA is equal to or less than the minimum threshold for any given year, Mr. Swygert is not entitled to a bonus for that year. Our Compensation Committee may change the manner in which any bonus is determined or calculated with Mr. Swygert's consent pursuant to the Swygert Agreement. Mr. Swygert is also eligible for six weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Swygert is entitled to an annual \$12,000 automobile allowance.

In connection with the December 2019 amendment to the Swygert Agreement, Mr. Swygert was granted a long-term incentive equity award valued at \$2,000,000 consisting of both stock options and RSUs (collectively, the "Grant"), pursuant to and subject to the terms and conditions of the 2015 Plan.

If we terminate Mr. Swygert's employment for cause or due to his disability or death, if he resigns without good reason or if he does not renew his employment, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Swygert's employment without cause, if we do not renew his employment, or if he resigns for good reason, we must (i) pay him his base salary for the Severance Period (defined below), (ii) pay him a pro-rata portion of the bonus for the fiscal year in which such termination occurred, payable in a lump sum during the following calendar year, and (iii) continue to provide health, life and disability insurance benefits to the extent permitted under such plans until the earlier of (A) the expiration of the Severance Period and (B) the date that Mr. Swygert commences new employment; conditioned upon his signing of a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Swygert's compliance with provisions relating to confidentiality, proprietary rights and

restricted activities. Under Mr. Swygert’s employment agreement, “Severance Period” is defined as the longer of (X) 24 months following the termination date and (Y) the end of his then-current term of employment. “Good reason” and “cause” are defined as set forth under Mr. Swygert’ employment agreement, as may be amended from time to time.

Mr. Swygert’s employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. Swygert’s employment and that extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. Swygert is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), in which case such period shall end on the termination date.

### ***Jay Stasz***

In November 2015, we entered into an employment agreement with Jay Stasz, to serve as our Senior Vice President of Finance and Chief Accounting Officer, which was amended in January 2018 (together the “Stasz Agreement”) in connection with Mr. Stasz’s promotion to Chief Financial Officer. The Stasz Agreement remains in effect unless terminated by us or Mr. Stasz as further described below. Mr. Stasz was granted 50,000 options to purchase shares of company stock under the terms of the 2015 Plan; one-hundred percent (100%) of these options have now vested. Under the terms of the Stasz Agreement, Mr. Stasz is entitled to receive an annual base salary of \$300,000, which is re-evaluated annually by our Compensation Committee with the input of the Chief Executive Officer, but may not be reduced below \$300,000. In fiscal 2020, Mr. Stasz’s annual base salary was \$330,000.

Mr. Stasz is eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. Currently, if our Company EBITDA is equal to or greater than a maximum for any given year, the bonus is 100% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus is 50% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. Stasz will not be entitled to a bonus for that year. Our Compensation Committee may change the manner in which any bonus is determined or calculated with Mr. Stasz’s consent pursuant to the agreement. Mr. Stasz is also eligible for four weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Stasz is entitled to an annual \$12,000 automobile allowance.

Either we or Mr. Stasz may terminate the agreement at any time upon written notice as specified in the agreement and outlined below. We may terminate Mr. Stasz’s employment immediately by written notice for “cause,” death or “disability” and with 30 days’ prior written notice without “cause.” Mr. Stasz may resign by written notice for “good reason” and with 30 days’ prior written notice without “good reason.” Such terms are defined in the Stasz Agreement, as may be amended from time to time.

If we terminate Mr. Stasz’s employment for cause or due to his disability or death or if Mr. Stasz resigns without good reason, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Stasz’s employment without cause or if Mr. Stasz resigns for good reason, we must pay him his base salary for 12 months following the termination date until the earlier of the end of the such 12 month period or the date Mr. Stasz has commenced new employment; conditioned upon Mr. Stasz’s signing of a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Stasz’s compliance with provisions relating to confidentiality, proprietary rights and restricted activities.

Mr. Stasz’s employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. Stasz’s employment and extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. Stasz is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), in which case such period shall end on the termination date.

### ***Kevin McLain***

In 2014, we entered into an employment agreement with Kevin McLain, our Senior Vice President – General Merchandise Manager, which was subsequently amended in 2015. The agreement was again amended on April 11, 2021, which amendment adjusted Mr. McLain’s minimum salary and bonus thresholds (the “2021

## TABLE OF CONTENTS

Amendment”). The agreement remains in effect unless terminated by us or Mr. McLain as further described below. Under the terms of the agreement, as adjusted by the 2021 Amendment, Mr. McLain is entitled to receive an annual base salary of \$290,000, which is re-evaluated annually by our Compensation Committee with the input of the Chief Executive Officer but may not be reduced below \$290,000. In fiscal 2020, prior to the 2021 Amendment, Mr. McLain’s annual base salary was \$267,500. Mr. McLain is eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. Pursuant to the 2021 Amendment, if our Company EBITDA is equal to or greater than a maximum for any given year, the bonus is 100% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus is 50% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. McLain will not be entitled to a bonus for that year. Prior to the 2021 Amendment, Mr. McLain’s cash bonus maximum was 80% of his base salary. Our Compensation Committee may change the manner in which any bonus is determined or calculated with Mr. McLain’s consent pursuant to the agreement. Mr. McLain is also eligible for three weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. McLain is entitled to an annual \$10,000 automobile allowance.

Either we or Mr. McLain may terminate the agreement at any time upon written notice as specified in the agreement and outlined below. We may terminate Mr. McLain’s employment immediately by written notice for “cause,” death or “disability” and with 30 days’ prior written notice without “cause.” Mr. McLain may resign by written notice for “good reason” and with 30 days’ prior written notice without “good reason.” Such terms are defined in Mr. McLain’s employment agreement, as may be amended from time to time.

In addition, pursuant to his employment agreement, Mr. McLain was also granted options to purchase 230,000 shares of non-voting Class B common stock under the terms of the 2012 Plan and the form of a nonqualified stock option award agreement. Under the terms of the 2012 Plan, one-hundred percent (100%) of such options have now vested.

If we terminate Mr. McLain’s employment for cause or due to his disability or death or if Mr. McLain resigns without good reason, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. McLain’s employment without cause or if Mr. McLain resigns for good reason, we must pay him his base salary for 12 months following the termination date until the earlier of the end of the such 12 month period or the date Mr. McLain has commenced new employment; conditioned upon Mr. McLain’s signing of a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. McLain’s compliance with provisions relating to confidentiality, proprietary rights and restricted activities.

Mr. McLain’s employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. McLain’s employment and extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. McLain is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), in which case such period shall end on the termination date.

### Potential Payments Upon Termination of Employment or Change in Control

The following table summarizes amounts that would be payable to each of our NEOs upon resignation by the NEO with “Good Reason” or by us without “Cause,” or upon a termination following a “Change in Control” on January 30, 2021, the last day of our fiscal year end. We do not have single-trigger payments upon a Change in Control. In the event of a termination by us for “Cause” or by reason of death or disability, or without “Good Reason” no amounts are paid other than base salary earned but not paid through the termination date:

- (1) Messrs. Swygert, Stasz, and McLain are eligible to receive separation payments in the event they resign from the Company for “Good Reason” and upon termination without “Cause” and agree to certain other criteria. These conditions are more fully described in this Proxy Statement in the Section entitled “Employment Agreements.”
- (2) In the event Mr. Swygert resigns for “Good Reason” or is terminated without “Cause,” then the Company will pay Mr. Swygert a pro-rated portion of the bonus for the fiscal year in which such termination occurred, together with health, life and disability payments during the severance period.
- (3) We do not maintain separate change in control agreements with any NEOs, but our 2015 Plan provides that equity awards granted to our NEOs will be accelerated to the extent that the NEO experiences a termination without Cause or with Good Reason (as defined in their employment agreements, if at all) within 12 months of the change in control. Amounts for all NEOs represents stock options and RSUs outstanding as of January 30, 2021.

**CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

Our Board has adopted a written policy relating to the approval of related person transactions. A “related person transaction” is a transaction or arrangement or series of transactions or arrangements in which we participate (whether or not we are a party) and a related person has a direct or indirect material interest in such transaction. Our Audit Committee reviews and approves or ratifies related person transactions that exceed \$120,000 individually or in the aggregate between us and (i) our directors, director nominees or executive officers, (ii) any 5% record or beneficial owner of our common stock or (iii) any immediate family member of any person specified in (i) and (ii) above. The Audit Committee will review all such related person transactions and, where the Audit Committee determines that such transactions are in our best interests, approve such transactions.

As set forth in the related person transaction policy, in the course of its review and approval or ratification of a related person transaction, the Audit Committee will, in its judgment, consider in light of the relevant facts and circumstances whether the related person transaction is, or is not inconsistent with, our best interests, including consideration of various factors enumerated in the policy.

Any member of the Audit Committee who is a related person with respect to a related person transaction under review or is otherwise not disinterested will not be permitted to participate in the discussions or approval or ratification of the related person transaction. Our policy also includes certain exemptions for related person transactions that need not be reported and provides the Audit Committee with the discretion to pre-approve certain related person transactions.

As of January 30, 2021, we lease four of our stores and our corporate headquarters from entities in which the estate of our deceased co-founder, and former Chairman, President and Chief Executive Officer, Mr. Butler, the beneficial owner of more than five percent of the our common stock, has a direct or indirect material interest. **PROPOSAL 3—RATIFICATION OF INDEPENDENT REGISTERED  
PUBLIC ACCOUNTING FIRM**

The Board recommends that the stockholders ratify the selection of KPMG LLP (“KPMG”) as our independent registered public accounting firm for our fiscal year ending January 29, 2022. The Audit Committee approved the selection of KPMG as our independent registered public accounting firm for our fiscal year 2021. In doing so, the Audit Committee considers among other things, such factors as:

- The quality and efficiency of KPMG’s historical and recent performance on the Company’s audit;
- KPMG’s capability and expertise;
- The quality and candor of communications and discussions with KPMG;
- The ability of KPMG to remain independent;
- The appropriateness of fees charged; and
- KPMG’s tenure as the Company’s independent registered public accounting firm and their familiarity with our operations, businesses, accounting practices, and internal controls over financial reporting.

KPMG is currently our independent registered public accounting firm.

Although the Company is not required to seek stockholder approval of this appointment, the Board believes that doing so is consistent with good corporate governance practices. If the appointment is not ratified, the Audit Committee will explore the reasons for stockholder rejection and will reconsider the appointment.

We have been advised that a representative of KPMG, our independent registered public accounting firm for the year ended January 30, 2021, will attend the Annual Meeting, will have an opportunity to make a statement if such representative desires to do so, and will be available to respond to appropriate questions.

The selection of KPMG as our independent registered accounting firm will be ratified by the affirmative vote of the holders of a majority of shares of common stock represented at the Annual Meeting and entitled to vote and voting on the proposal.

**The Board recommends a vote “FOR” ratification of the selection of KPMG as our independent registered public accounting firm.**

The Audit Committee reviews and approves all proposed audit and non-audit engagements and related fees of KPMG. In addition, any audit and non-audit fees for newly proposed professional services that arise during the year, or changes to previously approved fees and work, are reviewed and approved in advance of commencement of such services by the Audit Committee at their regularly scheduled meetings throughout the fiscal year. Should a situation arise that requires approval between meetings, the Audit Committee has delegated authority to its Chair to authorize such pre-approval and report on the same at the following regularly scheduled meeting. The Audit Committee has considered whether the provision of the above-noted services is compatible with maintaining the independence of the independent registered public accounting firm and has determined, based on advice from KPMG, that the provision of such services has not adversely affected KPMG’s independence.

It is not the responsibility of the Audit Committee to prepare the financial statements of the Company, or to plan or execute the audits of these statements, or to determine whether the statements themselves are accurate and set out in accordance with generally accepted accounting principles. Ollie’s management is responsible for the preparation of these statements and establishing and maintaining effective internal controls over financial reporting. The independent registered public accounting firm is responsible for the audit of Ollie’s financial statements and the audit of the effectiveness of Ollie’s internal control over financial reporting.

**REPORT OF THE AUDIT COMMITTEE**

The duties and responsibilities of the Audit Committee is one of oversight, as set forth in its charter. A current copy of the Audit Committee Charter, can be found on our website, [www.ollies.us](http://www.ollies.us), under the “Investor Relations/Governance” section.

The Audit Committee has:

- discussed with KPMG, our independent registered public accounting firm, the matters required to be discussed by the Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 1301 (Communications with Audit Committees); and
- received from KPMG the written disclosures and the letter from KPMG required by the applicable requirements of the PCAOB regarding KPMG’s communications with the Audit Committee concerning independence and has discussed with KPMG its independence.

Based on these reviews and discussions and the reports of KPMG, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 30, 2021 for filing with the SEC.

The Audit Committee annually reviews the independence and performance of KPMG, including its lead audit partner and engagement team, in connection with the Audit Committee’s responsibility for the appointment and oversight of the Company’s independent registered public accounting firm and determines whether to re-engage KPMG or consider other audit firms.
