Presentation of financial and other information

We operate on a fiscal calendar used in retail industry which results in a given fiscal year consisting of a 52- or 53-week period ending on the Saturday closest to January 31 of the following year. Our audited financial statements included elsewhere in this prospectus are as of and for the years ended January 31, 2015 and February 1, 2014. References to "fiscal year 2014" and "fiscal year 2013" refer to the reported fiscal years ended January 31, 2015 and February 1, 2014 respectively. References to "fiscal year 2015" refer to the 52-week period ending January 30, 2016.

Prior to fiscal year 2013, we operated on a fiscal calendar which resulted in a given fiscal year consisting of a 52- or 53- week period ending on the Saturday closest to December 31 of that year. On September 28, 2012, affiliates of CCMP Capital Advisors LLC (collectively referred to as "CCMP"), along with certain members of management, acquired Ollie's Holdings, Inc. and its sole operating subsidiary, Ollie's Bargain Outlet, Inc. through a newly formed entity, Ollie's Bargain Outlet Holdings, Inc. (f/k/a Bargain Holdings, Inc.) (the "CCMP Acquisition"). In connection with the CCMP Acquisition, as part of the purchase price allocation, assets acquired and liabilities assumed were adjusted to their estimated fair value as of the closing date of the CCMP Acquisition. Ollie's Holdings, Inc. is the predecessor to Ollie's Bargain Outlet Holdings, Inc., and the periods on and prior to September 28, 2012 are referred to as the predecessor periods. The periods on and following September 29, 2012 are referred to as the successor periods. We refer to the period from January 1, 2012 through September 28, 2012 as "predecessor period 2012" and the period from September 29, 2012 through February 2, 2013 as "successor period 2012." References to "fiscal year 2011" and "fiscal year 2010" are to the fiscal years ended December 31, 2011 and January 1, 2011, respectively.

Each of fiscal years 2014, 2013, 2011 and 2010 consisted of 52-week periods. Successor period 2012 consisted of an 18-week period and predecessor period 2012 consisted of a 39-week period. As a result of the application of purchase accounting in connection with the CCMP Acquisition impacting the successor periods, fiscal years 2014 and 2013 and successor period 2012 may not be comparable to predecessor period 2012 and fiscal years 2011 and 2010.

Market data and industry information used throughout this prospectus are based on management's knowledge of the industry and the good faith estimates of management. We also relied, to the extent available, upon management's review of independent industry surveys, forecasts and publications, other publicly available information prepared by a number of third party sources, including market analysis and reports prepared by Jeff Green Partners, a retail real estate feasibility consultant that provides market analysis and strategic

planning and consulting services. All of the market data and industry information used in this prospectus involves a number of assumptions and limitations which we believe to be reasonable, and you are cautioned not to give undue weight to such estimates. Although we believe that these sources are reliable, neither we nor the underwriters can guarantee the accuracy or completeness of this information, and neither we nor the underwriters have independently verified this information. While we believe the estimated market position, market opportunity and market size information included in this prospectus are generally reliable, such information, which is derived in part from management's estimates and beliefs, is inherently uncertain and imprecise. Projections, assumptions and estimates of our future performance and the future performance of the industry in which we operate are subject to a high degree of uncertainty and risk due to a variety of factors, including those described in "Risk factors," "Cautionary note regarding forward-looking statements" and elsewhere in this prospectus. These and other factors could cause results to differ materially from those expressed in our estimates and beliefs and in the estimates prepared by independent parties.

Summary

This summary highlights information appearing elsewhere in this prospectus. This summary is not complete and does not contain all of the information that you should consider before making a decision to participate in the offering. You should carefully read the entire prospectus, including the information presented under "Risk factors," "Management's discussion and analysis of financial condition and results of operations" and the financial statements and notes included elsewhere in this prospectus, before making an investment decision. Unless the context requires otherwise, references to "our company," "we," "us," "our" and "Ollie's" refer to Ollie's Bargain Outlet Holdings, Inc. and its subsidiaries. References to comparable store sales are to net sales of "comparable stores" during a fiscal period. Stores become "comparable stores" beginning on the first day of the sixteenth full fiscal month following the store's opening. See "Management's discussion and analysis of financial condition and results of operations—How we assess the performance of our business—Comparable store sales." Four-wall EBITDA for our stores, as used herein, is store net income before depreciation and amortization expenses and excluding any impact for interest expense, income tax expense and general and administrative expenses. Calculations of compound annual growth rate ("CAGR") from fiscal year 2010 to fiscal year 2014 presented herein are calculated beginning on January 1, 2010, the first day of fiscal year 2010, and ending on January 31, 2015, the last day of fiscal year 2014.

Our company

We are a highly differentiated and fast-growing, extreme value retailer of brand name merchandise at drastically reduced prices. Known for our assortment of "Good Stuff Cheap," we offer customers a broad selection of brand name products, including housewares, food, books and stationery, bed and bath, floor coverings, toys and hardware. Our differentiated go-to market strategy is characterized by a unique, fun and engaging treasure hunt shopping experience, compelling customer value proposition and witty, humorous in-store signage and advertising campaigns. These attributes have driven our rapid growth and strong and consistent store performance.

Mark Butler, our Chairman, President and Chief Executive Officer, co-founded Ollie's in 1982, based on the idea that "everyone in America loves a bargain." Since opening our first store in Mechanicsburg, PA, we have expanded throughout the Eastern half of the United States. From the time Mr. Butler assumed his current position as President and Chief Executive Officer in 2003, we have grown from operating 28 stores in three states to 178 stores in 16 states as of March 31, 2015. Our no-frills, "semi-lovely" warehouse style stores average approximately 34,000 square feet and generate consistently strong financial returns across all vintages, geographic regions, population densities, demographic groups, real estate formats and regardless of any co-tenant. Our business model has resulted in strong financial performance irrespective of the economic environment as evidenced by the fact that since opening for business, we believe 100% of our stores have generated positive four-wall EBITDA on a trailing 12-month basis. We expect to open between 25 and 30 new stores in fiscal year 2015 and believe there is opportunity for more than 950 Ollie's locations across the United States based on internal estimates and third party research conducted by Jeff Green Partners, a retail real estate feasibility consultant that provides market analysis and strategic planning and consulting services.

Our constantly changing merchandise assortment is procured by a highly experienced merchant team, who leverage deep, long-standing relationships with hundreds of major manufacturers, wholesalers, distributors, brokers and retailers. These relationships enable our merchant team to find and select only the best buys from a broad range of brand name and closeout product offerings and to pass drastically reduced prices along to our customers. As we grow, we believe our increased scale will provide us with even greater access to brand name products because many large manufacturers favor large buyers capable of acquiring an entire deal. Our

merchant team augments these deals with directly sourced products including Ollie's own private label brands and other products exclusive to Ollie's.

Our business model has produced consistently strong growth and financial performance. From fiscal year 2010 to fiscal year 2014:

- Our store base expanded from 95 stores to 176 stores, a CAGR of 16.3%, and we entered 8 new states.
- New stores opened during this period produced average cash-on-cash returns of 61% in their first 12 months of operations.
- Comparable store sales grew at an average rate of 1.7% per year.
- Net sales increased from \$335.7 million to \$638.0 million, a CAGR of 17.0%.
- Adjusted EBITDA increased from \$43.7 million to \$80.3 million, a CAGR of 16.0%.
- Net income increased from \$19.1 million to \$26.9 million.

For a reconciliation of Adjusted EBITDA, a non-GAAP financial measure, to net income, see “—Summary historical consolidated financial and other data.”

*Represents successor period 2012 and predecessor period 2012, as adjusted to eliminate the impact of the five-week period ended February 2, 2013 and to reflect a 52-week period. See "Summary historical consolidated financial and other data."

Our competitive strengths

We believe the following strengths differentiate us from our competitors and serve as the foundation for our current and future growth:

“Good Stuff Cheap”—Ever changing product assortment at drastically reduced prices. Our stores offer something for everyone across a diverse range of merchandise categories at prices up to 70% below department and specialty stores (the “fancy stores”) and up to 20-50% below mass market retailers. Our product assortment frequently changes based on the wide variety of deals available from the hundreds of brand name suppliers we have relationships with. We augment these opportunistic deals on brand name merchandise with directly sourced unbranded products or those under our own private label brands such as Sarasota Breeze, Steelton Tools and American Way and exclusively licensed recognizable brands and celebrity names such as Magnavox, Marcus Samuelsson Signature Cookware and Kasey Kahne Car Care. Branded and closeout merchandise represented 70% and unbranded goods and private label products collectively represented 30% of our fiscal year 2014 merchandise purchases. Our treasure hunt shopping environment and

slogan “when it’s gone, it’s gone” help to instill a “shop now” sense of urgency that encourages frequent customer visits.

Highly experienced and disciplined merchant team. Our merchant team maintains strong, long-standing relationships with a diverse group of suppliers, allowing us to procure branded merchandise at compelling values for our customers. This team is led by five senior merchants, including Mark Butler, and has over 104 years of combined industry experience and 87 combined years of experience at Ollie’s. We have been doing business with our top 15 suppliers for an average of 12 years, and no single supplier accounted for more than 5% of our purchases during fiscal year 2014. Our well-established relationships with our suppliers together with our scale, buying power, financial credibility and responsiveness often makes Ollie’s the first call for available deals. Our direct relationships with our suppliers have increased as we have grown and we continuously strive to broaden our supplier network. These factors provide us with increased access to goods, which enables us to be more selective in our deal-making and which we believe helps us provide compelling value and assortment of goods to our customers and fuels our continued profitable growth.

Distinctive brand and engaging shopping experience. Our distinctive and often self-deprecating humor and highly recognizable caricatures are used in our stores, flyers, mailers, website and email campaigns. We attempt to make our customers laugh as we poke fun at ourselves and current events. We believe this approach creates a strong connection to our brand and sets us apart from other, more traditional retailers. Our “semi-lovely” stores feature these same brand attributes together with witty signage in a warehouse format that create a fun, relaxed and engaging shopping environment. We believe that by disarming our customers by getting them to giggle a bit, they are more likely to look at and trust our products for what they are—extremely great bargains. We offer a “30-day no hard time guarantee” as a means to overcome any skepticism associated with our cheap prices and to build trust and loyalty, because if our customers are not happy, we are not happy. We welcome customers to bring back their merchandise within that timeframe for a “no hard time” full refund. We also make it easy for our customers to browse our stores by displaying our products on easily accessible fixtures and by keeping the stores clean and well-lit. We believe our humorous brand image, compelling values and welcoming stores resonate with our customers and define Ollie’s as a unique and comfortable destination shopping location.

Extremely loyal “Ollie’s Army” customer base. Our best customers are members of our Ollie’s Army customer loyalty program, which stands at 6.3 million members as of January 31, 2015. Over 55% of our sales in fiscal year 2014 were from Ollie’s Army members, and we have consistently grown our base of loyal members at a 25.2% CAGR from 2010 to 2014. Ollie’s Army members spend approximately 37% more per shopping trip at Ollie’s, typically shop more frequently than non-members, and are willing to drive upwards of 25 minutes to shop at our stores. We identify our target customer as “anyone between the ages of 25-70 with a wallet or a purse” seeking a great bargain. Our consumer research supports this approach, revealing that we appeal to a broad demographic spanning a wide range of household incomes, with more than 60% of Ollie’s Army members having an average household income over \$50,000.

Strong and consistent store model built for growth. We employ a proven new store model that generates strong cash flow, consistent financial results and attractive returns on investment regardless of the economic environment. Our highly flexible real estate approach has proven successful across all vintages, geographic regions, population densities, demographic groups, real estate formats and regardless of any co-tenant. Our new store model targets a cash-on-cash return of 55% in the first 12 months of operations. Since 2010, our new stores have generated an average of \$3.9 million in net sales in their first 12 months of operations and produced an average payback period of less than two years. We believe that our consistent store performance, recently opened distribution center in Commerce, GA and disciplined approach to site selection support the portability and predictability of our new unit growth strategy.

Highly experienced and passionate founder-led management team. Our leadership team, directed by our co-founder, Chairman, President and Chief Executive Officer, Mark Butler, has guided our organization through its expansion and positioned us for continued growth. Mark Butler has assembled a talented and dedicated team of executives with an average of 28 years of retail experience, including an average 11 years of experience at Ollie's. Our senior executives possess extensive experience across a broad range of disciplines, including merchandising, marketing, real estate, finance, store operations, supply chain management and information technology. We believe by encouraging equity ownership and fostering a strong team culture, we have aligned the interests of our employees with those of our shareholders. As a result, no member of the executive management team (any Vice President or higher classification) has ever chosen to leave Ollie's to work for another company. We believe these factors result in a cohesive team focused on sustainable long-term growth.

Our growth strategy

We plan to continue to drive growth in sales and profitability by executing on the following strategies:

Grow our store base. We believe our compelling value proposition and the success of our stores across a broad range of geographic regions, population densities and demographic groups creates a significant opportunity to profitably increase our store count. Our internal estimates and third party research conducted by Jeff Green Partners indicate the potential for more than 950 national locations. Our new store real estate model is flexible and focuses predominately on second generation sites ranging in size from 25,000 to 35,000 square feet. We believe there is an ample supply of suitable low-cost, second generation real estate to allow us to infill within our existing markets as well as to expand into new, contiguous geographies. This approach leverages our distribution infrastructure, field management team, store management, marketing investments and brand awareness. We expect our new store openings to be the primary driver of our continued, consistent growth in sales and profitability.

Increase our offerings of great bargains. We will continue to enhance our supplier relationships and develop additional sources to acquire brand name and closeout products for our customers. Our strong sourcing relationships with leading major manufacturers and our purchasing scale provide us with significant opportunities to expand our ever-changing assortment of brand name and closeout merchandise at extreme values. We plan to further invest in our merchandising team in order to expand and enhance our sourcing relationships and product categories, which we expect will drive shopping frequency and increase customer spending.

Leverage and expand Ollie's Army. We intend to recruit new Ollie's Army members and increase their frequency of store visits and spending by enhancing our distinctive, fun and recognizable marketing programs, building brand awareness, rewarding member loyalty and utilizing more sophisticated data driven targeted marketing. We believe these strategies, coupled with a larger store base, will enable us to increase the amount of sales driven by loyal Ollie's Army customers seeking the next great deal.

Our private equity sponsor

We were acquired by affiliates of CCMP Capital Advisors, LLC (collectively referred to as "CCMP") along with certain members of management in September 2012 (the "CCMP Acquisition"). CCMP is a leading global private equity firm specializing in buyout and growth equity investments in companies ranging from \$250 million to more than \$2 billion in size. CCMP's founders have invested over \$16 billion since 1984, which includes their activities at J.P. Morgan Partners, LLC (a private equity division of JPMorgan Chase & Co.) and its predecessor firms. CCMP was formed in August 2006 when the buyout and growth equity investment professionals of

J.P. Morgan Partners, LLC separated from JPMorgan Chase & Co. to commence operations as an independent firm. The foundation of CCMP's investment approach is to leverage the combined strengths of its deep industry expertise and proprietary operating resources to create value by investing in four targeted industries— Industrials, Consumer/Retail, Energy and Healthcare.

Immediately following this offering, CCMP is expected to own approximately % of our outstanding common stock, or % if the underwriters exercise their option to purchase additional shares in full. As a result, CCMP will be able to exert significant voting influence over fundamental and significant corporate matters and transactions. See "Risk factors—Risks related to our common stock and this offering—CCMP and our Chief Executive Officer will collectively own a substantial majority of our outstanding common stock following this offering. CCMP will effectively control our company, and its interests may be different from or conflict with those of our other stockholders" and "Principal stockholders."

Implications of being an emerging growth company

As a company with less than \$1.0 billion in revenue during our last fiscal year, we qualify as an "emerging growth company" as defined in the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"). An emerging growth company may take advantage of specified reduced reporting and other regulatory requirements for up to five years that are otherwise applicable generally to public companies. These provisions include, among other matters:

- a requirement to present only two years of audited financial statements and only two years of related Management's Discussion and Analysis of Financial Condition and Results of Operations disclosure;
- an exemption from the auditor attestation requirement on the effectiveness of our system of internal control over financial reporting pursuant to the Sarbanes-Oxley Act of 2002, as amended (the "Sarbanes-Oxley Act");
- an exemption from the adoption of new or revised financial accounting standards until they would apply to private companies;
- an exemption from compliance with any new requirements adopted by the Public Company Accounting Oversight Board requiring mandatory audit firm rotation or a supplement to the auditor's report in which the auditor would be required to provide additional information about the audit and the financial statements of the issuer;
- an exemption from the requirement to seek non-binding advisory votes on executive compensation and golden parachute arrangements; and
- reduced disclosure about executive compensation arrangements.

We will remain an emerging growth company for five years unless, prior to that time, we (i) have more than \$1.0 billion in annual revenue, (ii) have a market value for our common stock held by non-affiliates of more than \$700 million as of the last day of our second fiscal quarter of the fiscal year a determination is made that we are deemed to be a "large accelerated filer," as defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act") or (iii) issue more than \$1.0 billion of non-convertible debt over a three-year period. We have availed ourselves of the reduced reporting obligations with respect to audited financial statements and related Management's Discussion and Analysis of Financial Condition and Results of Operations and executive compensation disclosure in this prospectus, and expect to continue to avail ourselves of the reduced reporting obligations available to emerging growth companies in future filings with the Securities and Exchange Commission (the "SEC").

In addition, Section 107 of the JOBS Act also provides that an emerging growth company can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act of 1933, as amended (the "Securities Act") for complying with new and revised accounting standards. An emerging growth company can, therefore, delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. However, we are choosing to "opt out" of that extended transition period and, as a result, we plan to comply with new and revised accounting standards on the relevant dates on which adoption of those standards is required for non-emerging growth companies. Section 107 of the JOBS Act provides that our decision to opt out of the extended transition period for complying with new and revised accounting standards is irrevocable.

As a result of our decision to avail ourselves of certain provisions of the JOBS Act, the information that we provide may be different than what you may receive from other public companies in which you hold an equity interest. In addition, it is possible that some investors will find our common stock less attractive as a result of our elections, which may cause a less active trading market for our common stock and more volatility in our stock price.

Summary risk factors

Investing in our common stock involves a number of risks, including the following:

- We may not be able to execute our opportunistic buying, adequately manage our supply of inventory or anticipate customer demand, which could have a material adverse effect on our business, financial condition and results of operations.
- Our ability to generate revenues is dependent on consumer confidence and spending, which may be subject to factors beyond our control, including changes in economic and political conditions.
- We face intense competition which could limit our growth opportunities and adversely impact our financial performance.
- If we fail to open new profitable stores on a timely basis or successfully enter new markets, our financial performance could be materially adversely affected.
- Our success depends on our executive officers, our merchant team and other key personnel. If we lose key personnel or are unable to hire additional qualified personnel, it could have a material adverse effect on our business, financial condition and results of operations.
- If we are not successful in managing our inventory balances, it could have a material adverse effect on our business, financial condition and results of operations.
- We may not be successful in the implementation of our long-term business strategy, which could materially adversely affect our business, results of operations, cash flows and financial condition.
- Our business requires that we lease substantial amounts of space. If we are not able to continue to lease space on favorable terms, this could have a material adverse effect on our business, financial condition and results of operations.
- The loss of, or disruption in the operations of, our centralized distribution centers could materially adversely affect our business and operations.
- Fluctuations in comparable store sales and results of operations, including on a quarterly basis, could cause our business performance to decline substantially.
- We will incur increased costs and obligations as a result of being a public company.

- CCMP and our Chief Executive Officer will collectively own a substantial majority of our outstanding common stock following this offering. CCMP will effectively control our company, and its interests may be different from or conflict with those of our other stockholders.

Summary historical consolidated financial and other data

The following tables set forth Ollie's Bargain Outlet Holdings, Inc.'s summary historical consolidated financial and other data for the periods ending on and as of the dates indicated. We derived the consolidated statement of income data and consolidated statement of cash flow data for fiscal years 2014 and 2013 and our consolidated balance sheet data as of January 31, 2015 from our audited consolidated financial statements and related notes thereto included elsewhere in this prospectus. We derived the consolidated statement of income data and consolidated statement of cash flow data for successor period 2012 (described below), predecessor period 2012 (described below), fiscal year 2011 and fiscal year 2010 from our audited consolidated financial statements and related notes thereto not included in this prospectus.

Prior to fiscal year 2013, we operated on a fiscal calendar which resulted in a given fiscal year consisting of a 52- or 53- week period ending on the Saturday closest to December 31 of that year. In connection with the CCMP Acquisition, as part of the purchase price allocation, assets acquired and liabilities assumed were adjusted to their estimated fair value as of September 28, 2012, the closing date of the CCMP Acquisition. The periods on and prior to September 28, 2012, are referred to as the predecessor periods. The periods on and following September 29, 2012 are referred to as the successor periods. We refer to the period from January 1, 2012 through September 28, 2012 as "predecessor period 2012" and the period from September 29, 2012 through February 2, 2013 as "successor period 2012." References to "fiscal year 2011" and "fiscal year 2010" are to the fiscal years ended December 31, 2011 and January 1, 2011, respectively.

Each of fiscal years 2014, 2013, 2011 and 2010 consisted of 52-week periods. Successor period 2012 consisted of an 18-week period and predecessor period 2012 consisted of a 39-week period. As a result of the application of purchase accounting in connection with the CCMP Acquisition impacting the successor periods, fiscal years 2014 and 2013 and successor period 2012 may not be comparable to predecessor period 2012 and fiscal years 2011 and 2010.

The summary unaudited pro forma as adjusted data for the periods presented and the unaudited pro forma as adjusted balance sheet data as of January 31, 2015 have been prepared to give pro forma effect to the Stock Split, as further adjusted to give effect to the sale of our common stock in this offering and the application of net proceeds therefrom, as described in "Use of proceeds."

Our historical results are not necessarily indicative of future results of operations. You should read the information set forth below together with "Presentation of financial and other information," "Selected historical consolidated financial data," "Management's discussion and analysis of financial condition and results of operations," "Capitalization" and our financial statements and the related notes thereto included elsewhere in this prospectus.

(1) Successor period 2012 consists of the 18-week period from September 29, 2012 to February 2, 2013, and Predecessor period 2012 consists of the 39-week period from January 1, 2012 to September 28, 2012. For the month ended January 28, 2012, net sales were \$23.3 million, net loss was \$0.3 million, EBITDA (as defined below) was \$0.4 million and Adjusted EBITDA (as defined below) was \$0.8 million. For the month ended February 2, 2013, net sales were \$32.4 million, net loss was \$0.6 million, EBITDA loss was \$0.3 million and Adjusted EBITDA was \$1.2 million.

(2) Represents loss of assets and costs directly attributed to a significant flood that occurred in one of our store locations in September 2011. Such costs (including damaged inventory, fixed assets and related costs associated with clean-up) were expensed as incurred. The store location was closed for the remainder of fiscal year 2011, re-opened in fiscal year 2012 and is included in the new store count for fiscal year 2012.

(3) We present certain information on a pro forma as adjusted basis to give pro forma effect to the Stock Split, as further adjusted to give effect to the sale by us of shares of our common stock in this offering, assuming no exercise of the underwriters' option to purchase additional shares, at an assumed initial public offering price of \$ per share, the midpoint of the price range set forth on the cover page of this prospectus, after deducting estimated underwriting discounts and commissions and estimated expenses and the application of the net proceeds to be received by us from this offering as described in "Use of proceeds."

Pro forma as adjusted earnings per common share reflects (i) the net decrease in interest expense, net resulting from the repayment of \$ in aggregate principal amount of outstanding borrowings under our Senior Secured Credit Facilities with the net proceeds from this offering, as described in "Use of proceeds," and (ii) increases in income tax expense due to higher income before income taxes resulting from a decrease in interest expense, net as a result of the repayment of \$ in aggregate principal amount of outstanding borrowings under our Senior Secured Credit Facilities as described in (i) above as if each of these events had occurred on February 2, 2014. Pro forma as adjusted basic earnings per common share consists of pro forma as adjusted earnings divided by the pro forma as adjusted basic weighted average common shares outstanding. Pro forma as adjusted diluted earnings per common share consists of pro forma as earnings divided by the pro forma as adjusted diluted weighted average common shares outstanding.

(4) We report our financial results in accordance with U.S. generally accepted accounting principles, or GAAP. To supplement this information, we also use non-GAAP financial measures in this prospectus, including EBITDA, EBITDA margin, Adjusted EBITDA and Adjusted EBITDA margin. EBITDA is calculated as net income before interest expense, income taxes and depreciation and amortization expenses. EBITDA margin represents EBITDA divided by net sales.

Adjusted EBITDA is calculated as EBITDA as further adjusted for non-cash stock based compensation expense, pre-opening expenses, acquisition expenses, purchase accounting and other expenses detailed in the table below. Adjusted EBITDA margin represents Adjusted EBITDA divided by net sales.

EBITDA and Adjusted EBITDA eliminate the effects of items that we do not consider indicative of our operating performance. EBITDA, Adjusted EBITDA and Adjusted EBITDA margin are supplemental measures of operating performance that do not represent and should not be considered as alternatives to net income (loss), as determined by GAAP, and our calculation of EBITDA, Adjusted EBITDA and Adjusted EBITDA margin may not be comparable to similar metrics reported by other companies. Our presentation of such measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items.

Management believes that such financial measures, when viewed with our results of operations in accordance with GAAP and our reconciliation of Adjusted EBITDA to net income, provide additional information to investors about certain material non-cash items and about unusual items that we do not expect to continue at the same level in the future. By providing these non-GAAP financial measures, we believe we are enhancing investors' understanding of our business, our results of operations and our core profitability, as well as assisting investors in evaluating how well we are executing strategic initiatives. We believe EBITDA, Adjusted EBITDA and Adjusted EBITDA margin are used by investors as supplemental measures to evaluate the overall operating performance of companies in our industry.

Management uses EBITDA, Adjusted EBITDA and other similar measures:

- as a measurement used in comparing our operating performance on a consistent basis;
- to calculate incentive compensation for our employees;
- for planning purposes, including the preparation of our internal annual operating budget;
- to evaluate the performance and effectiveness of our operational strategies; and
- to assess compliance with various metrics associated with our Senior Secured Credit Facilities.

Table of Contents

EBITDA and Adjusted EBITDA have limitations as analytical tools, and you should not consider them in isolation, or as a substitute for analysis of our results as reported under GAAP. Some of the limitations are:

- EBITDA and Adjusted EBITDA do not reflect the significant interest expense, or the cash requirements necessary to service interest or principal payments, on our debt;
- EBITDA and Adjusted EBITDA do not reflect our cash expenditures or future requirements for capital expenditures or contractual commitments;
- although depreciation and amortization are non-cash charges, the assets being depreciated and amortized may have to be replaced in the future, and EBITDA and Adjusted EBITDA do not reflect the cash requirements for such replacements;
- EBITDA and Adjusted EBITDA do not reflect our tax expense or the cash requirements to pay our taxes; and
- Adjusted EBITDA does not reflect the non-cash component of our employee compensation, which is an element of our equity incentive compensation.

To address these limitations, we reconcile EBITDA and Adjusted EBITDA to the most directly comparable GAAP measure, net income. Further, we also review GAAP measures and evaluate individual measures that are not included in EBITDA and Adjusted EBITDA.

The following table provides a reconciliation of our net income to Adjusted EBITDA for the periods presented:

Risk factors

Investing in our common stock involves a high degree of risk. You should carefully consider the following risk factors, as well as other information in this prospectus, before deciding whether to invest in the shares of our common stock. The occurrence of any of the events described below could have a material adverse effect on our business, financial condition or results of operations. In the case of such an event, the trading price of our common stock may decline and you may lose all or part of your investment.

Risks related to our business and industry

We may not be able to execute our opportunistic buying, adequately manage our supply of inventory or anticipate customer demand, which could have a material adverse effect on our business, financial condition and results of operations.

Our business is dependent on our ability to strategically source a sufficient volume and variety of brand name merchandise at opportunistic pricing. We do not have significant control over the supply, design, function, cost or availability of many of the products that we offer for sale in our stores. Additionally, because a substantial amount of our store products are sourced by us from suppliers on a closeout basis or with significantly reduced prices for specific reasons, we are not always able to purchase specific merchandise on a recurring basis. We do not have long-term contracts with our suppliers and therefore, we have no contractual assurances of pricing or access to products, and any supplier could discontinue sales to us at any time or offer us less favorable terms on future transactions. We generally make individual purchase decisions for products that become available, and these purchases may be for large quantities that we may not be able to sell on a timely or cost-effective basis. Due to economic uncertainties, some of our suppliers may cease operations or may otherwise become unable to continue supplying discounted or closeout merchandise on terms or in quantities acceptable to us.

We also compete with other retailers, wholesalers and jobbers for discounted or closeout merchandise to sell in our stores. Although we work with a range of suppliers, to the extent that certain of our suppliers are better able to manage their inventory levels and reduce the amount of their excess inventory, the amount of discount or closeout merchandise available to us could also be materially reduced, potentially compromising profit margin goals for procured merchandise. Shortages or disruptions in the availability of brand name or unbranded products of a quality acceptable to our customers and us could have a material adverse effect on our business, financial condition and results of operations and also may result in customer dissatisfaction. In addition, we may significantly overstock products that prove to be undesirable and be forced to take significant markdowns. We cannot assure that our merchant team will continue to identify the appropriate customer demand and take advantage of appropriate buying opportunities, which could have a material adverse effect on our business, financial condition and results of operations.

Our ability to generate revenues is dependent on consumer confidence and spending, which may be subject to factors beyond our control, including changes in economic and political conditions.

The success of our business depends, to a significant extent, upon the level of consumer confidence and spending. A number of factors beyond our control affect the level of customer confidence and spending on merchandise that we offer, including, among other things:

- energy and gasoline prices;
- disposable income of our customers;
- discounts, promotions and merchandise offered by our competitors;
- personal debt levels of our customers;
- negative reports and publicity about the discount retail industry;

[Table of Contents](#)

- unemployment levels;
- minimum wages;
- general economic and industry conditions;
- food prices;
- interest rates;
- the state of the housing market;
- customer confidence in future economic conditions;
- fluctuations in the financial markets;
- tax rates and policies;
- outbreak of viruses or widespread illness; and
- natural disasters, war, terrorism and other hostilities.

Reduced customer confidence and spending cut backs may result in reduced demand for our merchandise, including discretionary items, and may force us to take inventory markdowns. Reduced demand also may require increased selling and promotional expenses. Adverse economic conditions and any related decrease in customer demand for our merchandise could have a material adverse effect on our business, financial condition and results of operations.

Many of the factors identified above also affect commodity rates, transportation costs, costs of labor, insurance and healthcare, the strength of the U.S. dollar, lease costs, measures that create barriers to or increase the costs associated with international trade, changes in other laws and regulations and other economic factors, all of which may impact our cost of goods sold and our selling, general and administrative expenses, which could have a material adverse effect on our business, financial condition and results of operations.

We face intense competition which could limit our growth opportunities and adversely impact our financial performance.

We compete with a highly fragmented group of competitors including discount, closeout, mass merchant, department, grocery, drug, convenience, hardware, variety, online and other specialty stores. We compete with these retailers with respect to price, store location, supply and quality of merchandise, assortment and presentation and customer service. This competitive environment subjects us to the risk of an adverse impact to our financial performance because of the lower prices, and thus the lower margins, that are required to maintain our competitive position. A number of different competitive factors outside of our control could impact our ability to compete effectively, including:

- entry of new competitors in our markets;
- increased operational efficiencies of competitors;
- online retail capabilities by our competitors;
- competitive pricing strategies, including deep discount pricing by a broad range of retailers during periods of poor customer confidence, low discretionary income or economic uncertainty;
- continued and prolonged promotional activity by our competitors;
- liquidation sales by our competitors that have filed or may file in the future for bankruptcy;
- geographic expansion by competitors into markets in which we currently operate; and
- adoption by existing competitors of innovative store formats or retail sales methods.

[Table of Contents](#)

A number of our competitors also have greater financial and operational resources, greater brand recognition, longer operating histories and broader geographic presences than us. We remain vulnerable to the marketing power and high level of customer recognition of these larger competitors and to the risk that these competitors or others could attract our customer base, including members of Ollie's Army.

In addition, competitor consolidation may result in competitors with greatly improved financial resources, improved access to merchandise, greater market penetration and other improvements in their competitive positions, as well as result in the provision of a wider variety of products and services at competitive prices by these consolidated companies, which could adversely affect our financial performance.

We cannot guarantee that we will continue to be able to successfully compete against existing or future competitors. Our inability to respond effectively to competitive pressures, improved performance by our competitors and changes in the retail markets could result in lost market share and have a material adverse effect on our business, financial condition and results of operations.

We may not be able to retain the loyalty of our customers, particularly Ollie's Army members, which could have a material adverse effect on our business, financial condition and results of operations.

We depend on our loyal customer base, particularly members of Ollie's Army, for our consistent sales and sales growth. Competition for customers has intensified as competitors have moved into, or increased their presence in, our geographic markets and from the use of mobile and web-based technology that facilitates online shopping and real-time product and price comparisons. We expect this competition to continue to increase. Our competitors may be able to offer consumers promotions or loyalty program incentives that could attract Ollie's Army members or divide their loyalty among several retailers. If we are unable to retain the loyalty of our customers, our net sales could decrease and we may not be able to grow our store base as planned, which could have a material adverse effect on our business, financial condition and results of operations.

If we fail to open new profitable stores on a timely basis or successfully enter new markets, our financial performance could be materially adversely affected.

Our primary growth strategy is to open new profitable stores and expand our operations into new geographic regions. We opened 22 and 23 new stores in fiscal years 2014 and 2013, respectively, and we plan to open 25 to 30 stores in fiscal year 2015 as we continue to backfill in existing markets and expand into contiguous geographies. Our ability to timely open new stores depends in part on several factors, including the availability of attractive rents and store locations; the absence of occupancy delays; the ability to negotiate acceptable lease terms; our ability to obtain permits and licenses; our ability to hire and train new personnel, especially store managers, in a cost effective manner; our ability to adapt our distribution and other operational and management systems to a changing network of stores; the availability of capital funding for expansion; our ability to respond to demographic shifts in areas where our stores are located and general economic conditions.

We may not anticipate all of the challenges imposed by the expansion of our operations into new geographic markets. Some new stores may be located in areas with different competitive and market conditions, customer tastes and discretionary spending patterns than our existing markets. We may face a higher cost of entry, alternative customer demands, reduced brand recognition and minimal operating experience in these areas. Although we are extremely sensitive to cannibalizing existing stores, opening new stores in our established markets may also result in inadvertent oversaturation, sales volume transfer from existing stores to new stores and reduced comparable store sales, thus adversely affecting our overall financial performance. We may not manage our expansion effectively, and our failure to achieve or properly execute our expansion plans could limit our growth or have a material adverse effect on our business, financial condition and results of operations.

Our success depends on our executive officers, our merchant team and other key personnel. If we lose key personnel or are unable to hire additional qualified personnel, it could have a material adverse effect on our business, financial condition and results of operations.

Our future success depends to a significant degree on the skills, experience and efforts of our executive officers, our merchant team and other key personnel. The loss of services of any of our executive officers, particularly Mark Butler, our co-founder, Chairman, President and Chief Executive Officer, could materially adversely affect our business and operations. Competition for skilled and experienced management in the retail industry is intense, and our future success will also depend on our ability to attract and retain qualified personnel, including our merchant team who is responsible for purchasing and negotiating the terms of our merchandise. Failure to attract and retain new qualified personnel could have a material adverse effect on our business, financial condition and results of operations.

Factors such as inflation, cost increases and energy prices could have a material adverse effect on our business, financial condition and results of operations.

Future increases in costs, such as the cost of merchandise, shipping rates, freight costs and store occupancy costs, may reduce our profitability, given our pricing model. These cost increases may be the result of inflationary pressures which could further reduce our sales or profitability. Increases in other operating costs, including changes in energy prices, wage rates and lease and utility costs, may increase our cost of goods sold or selling, general and administrative expenses. Our low price model and competitive pressures in our industry may have the effect of inhibiting our ability to reflect these increased costs in the prices of our products and therefore reduce our profitability and have a material adverse effect on our business, financial condition and results of operations.

If we are not successful in managing our inventory balances, it could have a material adverse effect on our business, financial condition and results of operations.

Our inventory balance represented approximately 71.0% of our total assets exclusive of goodwill, trade name and other intangible assets, net, as of January 31, 2015. Efficient inventory management is a key component of our profitability and ability to generate revenue. To be successful, we must maintain sufficient inventory levels and an appropriate product mix to meet our customers' demands without allowing those levels to increase to such an extent that the costs to store and hold the goods adversely impact our results of operations. If our buying decisions do not accurately correspond to customer preferences, if we inappropriately price products or if our expectations about customer spending levels are inaccurate, we may have to take unanticipated markdowns to dispose of any excess inventory, which could have a material adverse effect on our business, financial condition and results of operations. We continue to focus on ways to reduce these risks, but we cannot assure you that we will be successful in our inventory management. If we are not successful in managing our inventory balances, it could have a material adverse effect on our business, financial condition and results of operations.

We may not be successful in the implementation of our long-term business strategy, which could materially adversely affect our business, results of operations, cash flows and financial condition.

Our success depends, to a significant degree, on our ability to successfully implement our long-term business strategy. Our ability to successfully implement our business strategies depends upon a significant number of factors, including but not limited to our ability to:

- expand our store base and increase our customers;
- access an adequate supply of quality brand name and closeout merchandise from suppliers at competitive prices;

[Table of Contents](#)

- achieve profitable sales and to make adjustments as market conditions change;
- customer acceptance of our marketing and merchandise strategies;
- respond to competitive pressures in our industry;
- attract and retain store-level and management-level associates;
- the extent to which our management team can properly respond to the dynamics and demands of our market;
- maintain our relationships with our suppliers and customers;
- achieve positive cash flow, particularly during our peak inventory build-ups in advance of the holiday sales season; and
- adapt to any revised or new strategic initiatives and organizational structure.

Any failure to achieve any or all of our business strategies could have a material adverse effect on our business, financial condition and results of operations.

If we are unable to attract, train and retain highly qualified managerial personnel and sales associates in our stores and our distribution centers, our sales, financial performance and business operations may be materially adversely affected.

We focus on providing our customers with a memorable and engaging shopping experience. To grow our operations and meet the needs and expectations of our customers, we must attract, train and retain a large number of highly qualified store management personnel and sales associates, while controlling labor costs. Our ability to control labor costs is subject to numerous external factors, including competition for and availability of qualified personnel in a given market, unemployment levels within those markets, governmental bodies such as the Equal Employment Opportunity Commission and the National Labor Relations Board, prevailing wage rates, minimum wage laws, the impact of legislation governing labor and employee relations or benefits, such as the Affordable Care Act, health insurance costs and our ability to maintain good relations with our associates. We compete with other retail businesses for many of our store management personnel and sales associates in hourly and part-time positions. These positions have historically had high turnover rates, which can lead to increased training and retention costs. We also rely on associates in our distribution centers to ensure the efficient processing and delivery of products from our suppliers to our stores. If we are unable to attract and retain quality sales associates and management personnel, it could have a material adverse effect on our business, financial condition and results of operations.

Our business requires that we lease substantial amounts of space and there can be no assurance that we will be able to continue to lease space on terms as favorable as the leases negotiated in the past.

We do not own any real estate. We lease all of our store locations, our corporate headquarters and our distribution facilities in York, PA and Commerce, GA. Our stores are leased from third parties, with typical initial lease terms of five to seven years with options to renew for three successive five-year periods. We believe that we have been able to negotiate favorable rental rates over the last few years due in large part to the general state of the economy, the increased availability of vacant big box retail sites and our careful identification of favorable lease opportunities. While we will continue to seek out advantageous lease opportunities, there is no guarantee that we will continue to be able to find low-cost second generation sites or obtain favorable lease terms. Many of our lease agreements have defined escalating rent provisions over the initial term and any extensions. Increases in our occupancy costs and difficulty in identifying economically suitable new store locations could have significant negative consequences, which include:

- requiring that a greater portion of our available cash be applied to pay our rental obligations, thus reducing cash available for other purposes and reducing profitability;

[Table of Contents](#)

- increasing our vulnerability to general adverse economic and industry conditions; and
- limiting our flexibility in planning for, or reacting to changes in, our business or in the industry in which we compete.

We depend on cash flow from operations to pay our lease expenses and to fulfill our other cash needs. If our business does not generate sufficient cash flow from operating activities to fund these expenses and needs and sufficient funds are not otherwise available to us, we may not be able to service our lease expenses, grow our business, respond to competitive challenges or fund our other liquidity and capital needs, which could harm our business. Additional sites that we lease may be subject to long-term non-cancelable leases if we are unable to negotiate our current standard lease terms. If an existing or future store is not profitable, and we decide to close it, we may nonetheless be committed to perform our obligations under the applicable lease including, among other things, paying the base rent for the balance of the lease term. Moreover, even if a lease has an early cancellation clause, we may not satisfy the contractual requirements for early cancellation under that lease. In addition, if we are not able to enter into new leases or renew existing leases on terms acceptable to us, this could have a material adverse effect on our business, financial condition and results of operations.

The loss of, or disruption in the operations of, our centralized distribution centers could materially adversely affect our business and operations.

With few exceptions, our entire inventory is shipped directly from suppliers to our two distribution centers in York, PA, and Commerce, GA, where the inventory is then processed, sorted and shipped to our stores. We depend in large part on the orderly operation of this receiving and distribution process, which depends, in turn, on adherence to shipping schedules and effective management of our distribution centers. Increases in transportation costs (including increases in fuel costs), supplier-side delays, reductions in the capacity of carriers, changes in shipping companies, labor strikes or shortages in the transportation industry and unexpected delivery interruptions also have the potential to derail our orderly distribution process. We also may not anticipate changing demands on our distribution system, including the effect of expanding operations in our distribution center in Commerce, GA. In addition, events beyond our control, such as disruptions in operations due to fire or other catastrophic events or labor disagreements, may result in delays in the delivery of merchandise to our stores. While we maintain business interruption insurance, in the event our distribution centers are shut down for any reason, such insurance may not be sufficient, and any related insurance proceeds may not be timely paid to us. In addition, our new store locations receiving shipments may be further away from our distribution centers which may increase transportation costs and may create transportation scheduling strains. Any repeated, intermittent, or long-term disruption in the operations of our distribution centers would hinder our ability to provide merchandise to our stores and could have a material adverse effect on our business, financial condition and results of operations.

Our new store growth is dependent upon our ability to successfully expand our distribution network capacity, and failure to achieve or sustain these plans could affect our performance adversely.

We maintain distribution centers in York, PA and Commerce, GA to support our existing stores and our growth objectives. We continuously assess ways to maximize the productivity and efficiency of our existing distribution facilities and evaluate opportunities for additional distribution centers. Should we open additional distribution centers, delays in such openings could adversely affect our future operations by slowing store growth, which could, in turn, reduce sales growth. In addition, any distribution related construction or expansion projects entail risks which could cause delays and cost overruns, such as, shortages of materials, shortages of skilled labor or work stoppages, unforeseen construction, scheduling, engineering, environmental or geological problems, weather interference, fires or other casualty losses and unanticipated cost increases. The completion date and ultimate cost of future projects could differ significantly from initial expectations due to construction related or other reasons. We cannot guarantee that any project will be completed on time or within established budgets.

We do not compete in the growing online retail marketplace, which could have a material adverse effect on our business, financial condition and results of operations.

Our long-term business strategy does not presently include the development of online retailing capabilities. To the extent that we implement online operations, we would incur substantial expenses related to such activities and be exposed to additional cybersecurity risks. Further, any development of an online retail marketplace is a complex undertaking, and there is no guarantee that any resources we apply to this effort will result in increased revenues or operating performance. With the growing acceptance of online shopping and the increased proliferation of mobile computing devices, however, competition from other retailers in the online retail marketplace is expected to increase. Certain of our competitors and a number of pure online retailers have established robust online operations. Increased competition from online retailers and our lack of online retail presence may reduce our customers' desire to purchase goods from us and could have a material adverse effect on our business, financial condition and results of operations.

Our success depends upon our marketing, advertising and promotional efforts. If we are unable to implement them successfully, or if our competitors are more effective than we are, it could have a material adverse effect on our business, financial condition and results of operations.

We use marketing and promotional programs to attract customers to our stores and to encourage purchases by our customers. Although we use various media for our promotional efforts, including regular and Ollie's Army mailers, email campaigns, radio and television advertisements and sports marketing, we primarily advertise our in-store offerings through printed flyers. In fiscal year 2014, approximately 70% of our advertising spend was for the printing and distribution of flyers. If the efficacy of printed flyers as an advertising medium declines, or if we fail to successfully develop and implement new marketing, advertising and promotional strategies, such as an effective social media strategy, our competitors may be able to attract the interest of our customers, which could reduce customer traffic in our stores. Changes in the amount and degree of promotional intensity or merchandising strategy by our competitors could cause us to have difficulties in retaining existing customers and attracting new customers. If the efficacy of our marketing or promotional activities declines or if such activities of our competitors are more effective than ours, or if for any other reason we lose the loyalty of our customers, including our Ollie's Army members, it could have a material adverse effect on our business, financial condition and results of operations.

If we fail to protect our brand names, competitors may adopt trade names that dilute the value of our brand name.

We may be unable or unwilling to strictly enforce our trademarks in each jurisdiction in which we do business. Also, we may not always be able to successfully enforce our trademarks against competitors or against challenges by others. Our failure to successfully protect our trademarks could diminish the value and efficacy of our brand recognition and could cause customer confusion, which could have a material adverse effect on our business, financial condition and results of operations.

Because our business is seasonal, with the highest volume of net sales during the holiday season, adverse events during our fourth quarter could materially adversely affect our business, operations, cash flow and financial condition.

We generally recognize our highest volume of net sales in connection with the holiday sales season, which occurs in the fourth quarter of our fiscal year. In anticipation of the holiday sales season, we purchase substantial amounts of seasonal inventory and hire many part-time associates. Because a significant percentage of our net sales and operating income are generated in our fourth fiscal quarter, we have limited ability to compensate for shortfalls in our fourth fiscal quarter sales or earnings by changing our operations or strategies in other fiscal quarters. Adverse events, such as deteriorating economic conditions, higher

[Table of Contents](#)

unemployment, higher gas prices, public transportation disruptions, or unanticipated adverse weather conditions could result in lower-than-planned sales during the holiday sales season. If our fourth fiscal quarter sales results were substantially below expectations, we would realize less cash from operations, and may be forced to mark down our merchandise, especially our seasonal merchandise, which could have a material adverse effect on our business, financial condition and results of operations.

Fluctuations in comparable store sales and results of operations, including fluctuations on a quarterly basis, could cause our business performance to decline substantially.

Our results of operations have fluctuated in the past, including on a quarterly basis, and can be expected to continue to fluctuate in the future.

Our comparable store sales and results of operations are affected by a variety of factors, including:

- national and regional economic trends in the United States;
- changes in gasoline prices;
- changes in our merchandise mix;
- changes in pricing;
- changes in the timing of promotional and advertising efforts;
- holidays or seasonal periods; and
- weather.

If our future comparable store sales fail to meet expectations, then our cash flow and profitability could decline substantially, which could have a material adverse effect on our business, financial condition and results of operations.

We rely on manufacturers in foreign countries for merchandise and a significant amount of our domestically-purchased merchandise is manufactured abroad. Our business may be materially adversely affected by risks associated with international trade.

We purchase merchandise directly from suppliers outside of the United States. In fiscal year 2014, substantially all of our private label inventory purchases were direct imports. Our direct imports represented 13% of our total merchandise purchases in fiscal year 2014. Additionally, a significant amount of our domestically-purchased merchandise is manufactured abroad. Our ability to identify qualified suppliers and to access products in a timely and efficient manner is a significant challenge, especially with respect to goods sourced outside of North America. Global sourcing and foreign trade involve numerous factors and uncertainties beyond our control including increased shipping costs, increased import duties, more restrictive quotas, loss of most favored nation trading status, currency, work stoppages, transportation delays, port of entry issues, economic uncertainties such as inflation, foreign government regulations, political unrest, natural disasters, war, terrorism, trade restrictions, political instability, the financial stability of vendors, merchandise quality issues, and tariffs. Moreover, negative press or reports about internationally manufactured products may sway public opinion, and thus customer confidence, away from the products sold in our stores. These and other issues affecting our international vendors could have a material adverse effect on our business, financial condition and results of operations.

We are subject to governmental regulations, procedures and requirements. A significant change in, or noncompliance with, these regulations could have a material adverse effect on our business, financial condition and results of operations.

We routinely incur significant costs in complying with federal, state, local laws and regulations. The complexity of the regulatory environment in which we operate and the related cost of compliance are increasing due to expanding and additional legal and regulatory requirements and increased enforcement efforts. New laws or regulations, including those dealing with healthcare reform, product safety, consumer credit, privacy and information security and labor and employment, among others, or changes in existing laws and regulations, particularly those governing the sale of products and food safety and quality (including changes in labeling or disclosure requirements), federal or state wage requirements, employee rights, health care, social welfare or entitlement programs such as health insurance, paid leave programs, or other changes in workplace regulation, may result in significant added expenses or may require extensive system and operating changes that may be difficult to implement and/or could materially increase our cost of doing business. Untimely compliance or noncompliance with applicable regulations or untimely or incomplete execution of a required product recall can result in the imposition of penalties, including loss of licenses or significant fines or monetary penalties, class action litigation or other litigation, in addition to reputational damage. Additionally, changes in tax laws, the interpretation of existing laws, or our failure to sustain our reporting positions on examination could materially adversely affect our effective tax rate and could have a material adverse effect on our business, financial condition and results of operations.

If we are unable to maintain or upgrade our information technology systems or if we are unable to convert to alternate systems in an efficient and timely manner, our operations may be disrupted or become less efficient.

We depend on a variety of information technology systems for the efficient functioning of our business. We rely on certain hardware, telecommunications and software vendors to maintain and periodically upgrade many of these systems so that we can continue to support our business. Various components of our information technology systems, including hardware, networks, and software, are licensed to us by third party vendors. We rely extensively on our information technology systems to process transactions, summarize results and manage our business. Additionally, because we accept debit and credit cards for payment, we are subject to the Payment Card Industry Data Security Standard (the "PCI Standard"), issued by the Payment Card Industry Security Standards Council. The PCI Standard contains compliance guidelines with regard to our security surrounding the physical and electronic storage, processing and transmission of cardholder data. We expect to be in compliance with the PCI Standard by the end of fiscal year 2015, however, complying with the PCI Standard and implementing related procedures, technology and information security measures requires significant resources and ongoing attention. Costs and potential problems and interruptions associated with the implementation of new or upgraded systems and technology such as those necessary to achieve compliance with the PCI Standard or with maintenance or adequate support of existing systems could also disrupt or reduce the efficiency of our operations. Any material interruptions or failures in our payment-related systems could have a material adverse effect on our business, financial condition and results of operations.

If our information technology systems are damaged or cease to function properly, we may have to make a significant investment to fix or replace them. If there are amendments to the PCI Standard, the cost of re-compliance could also be substantial and we may suffer loss of critical data and interruptions or delays in our operations as a result. In addition, we may have to upgrade our existing information technology systems from time to time, in order for such systems to withstand the increasing needs of our expanding business. Any material interruption experienced by our information technology systems could have a material adverse effect on our business, financial condition and results of operations. Costs and potential interruptions associated with the implementation of new or upgraded systems and technology or with maintenance or adequate support of our existing systems could disrupt or reduce the efficiency of our business.

Any disruptions to our information technology systems or breaches of our network security could interrupt our operations, compromise our reputation, expose us to litigation, government enforcement actions and costly response measures and could have a material adverse effect on our business, financial condition and results of operations.

We rely on the integrity, security and successful functioning of our information technology systems and network infrastructure across our operations, including point-of-sale processing at our stores. In connection with sales, we transmit encrypted confidential credit and debit card information.

We are not fully compliant with the PCI Standard and there can be no assurance that in the future we will be able to operate our facilities and our customer service and sales operations in accordance with PCI or other industry recommended or contractually required practices. We intend to obtain compliance with the PCI Standard by the end of fiscal year 2015 and will incur additional expenses to attain and maintain PCI compliance. Even if we are compliant with such standards, we still may not be able to prevent security breaches.

We also have access to, collect or maintain private or confidential information regarding our customers, associates and suppliers, as well as our business. The protection of our customer, associates, supplier and company data is critical to us. The regulatory environment surrounding information security and privacy is increasingly demanding, with the frequent imposition of new and constantly changing requirements across our business. In addition, customers have a high expectation that we will adequately protect their personal information from cyber-attack or other security breaches. We have procedures in place to safeguard such data and information. However, a significant breach of customer, employee, supplier, or company data could attract a substantial amount of negative media attention, damage our customer and supplier relationships and our reputation, and result in lost sales, fines and/or lawsuits.

An increasingly significant portion of our sales depends on the continuing operation of our information technology and communications systems, including but not limited to our point-of-sale system and our credit card processing systems. Our information technology, communication systems and electronic data may be vulnerable to damage or interruption from earthquakes, acts of war or terrorist attacks, floods, fires, tornadoes, hurricanes, power loss and outages, computer and telecommunications failures, computer viruses, loss of data, unauthorized data breaches, usage errors by our associates or our contractors or other attempts to harm our systems, including cyber-security attacks or other breaches of cardholder data. Some of our systems are not fully redundant, and our disaster recovery planning cannot account for all eventualities. The occurrence of a natural disaster, intentional sabotage or other unanticipated problems could result in lengthy interruptions in our service. Any errors or vulnerabilities in our systems, or damage to or failure of our systems, could result in interruptions in our services and non-compliance with certain regulations, which could have a material adverse effect on our business, financial condition and results of operations.

The cost of compliance with product safety regulations and risks related to product liability claims and product recalls could damage our reputation, increase our cost of doing business and could have a material adverse effect on our business, financial condition and results of operations.

New federal or state legislation, including new product safety laws and regulations, may negatively impact our operations. Future changes in product safety legislation or regulations may lead to product recalls and the disposal or write-off of merchandise. While we work to comply in all material respects with applicable legislation and regulations, and to execute product recalls in a timely manner, if our merchandise, including food and consumable products and flooring, does not meet applicable governmental safety standards or our customers' expectations regarding quality or safety, we could experience lost sales and increased costs, be exposed to legal and reputational risk and face fines or penalties which could materially adversely affect our financial results. We also purchase a material portion of our products on a closeout basis. Some of these products are obtained through brokers or intermediaries rather than through manufacturers. The closeout

[Table of Contents](#)

nature of a portion of our products sometimes makes it more difficult for us to investigate all aspects of these products. Furthermore, customers have asserted claims, and may in the future assert claims that they have sustained injuries from merchandise offered by us, and we may be subject to lawsuits relating to these claims. There is a risk that these claims may exceed, or fall outside the scope of, our insurance coverage. Even with adequate insurance and indemnification from third-party suppliers, such claims, even if unsuccessful or not fully pursued, could significantly damage our reputation and customer confidence in our products. If this occurs, it may be difficult for us to regain lost sales, which could have a material adverse effect on our business, financial condition and results of operations.

We face litigation risks from customers, associates and other third parties in the ordinary course of business.

Our business is subject to the risk of litigation by customers, current and former associates, suppliers, stockholders, intellectual property rights holders, government agencies and others through private actions, class actions, administrative proceedings, regulatory actions, or other litigation. The outcome of litigation, particularly class action lawsuits and regulatory actions, is difficult to assess or quantify. Plaintiffs in these types of lawsuits may seek recovery of very large or indeterminate amounts, and the magnitude of the potential loss relating to such lawsuits may remain unknown for substantial periods of time. The cost to defend future litigation may be significant and may negatively affect our operating results if changes to our business operations are required. There may also be negative publicity associated with litigation that could decrease customer acceptance of merchandise offerings, regardless of whether the allegations are valid or whether we are ultimately found liable. As a result, litigation may adversely affect our business, financial condition, results of operations or liquidity.

Our indebtedness may limit our ability to invest in the ongoing needs of our business and if we are unable to comply with our financial covenants, it could have a material adverse effect on our liquidity and our business, financial condition and results of operations.

As of January 31, 2015, we had \$321.3 million of outstanding indebtedness, net of unamortized original issue discount of \$2.8 million, under our senior secured credit facilities, consisting of a \$75.0 million senior secured asset-based revolving credit facility (the "ABL Facility"), which was undrawn, and a \$324.1 million senior secured term loan facility (the "Term Loan Facility," and collectively with the ABL Facility, the "Senior Secured Credit Facilities"). We may, from time to time, incur additional indebtedness.

The agreements governing our Senior Secured Credit Facilities place certain conditions on us, including that they:

- increase our vulnerability to adverse general economic or industry conditions;
- limit our flexibility in planning for, or reacting to, changes in our business or the industries in which we operate;
- make us more vulnerable to increases in interest rates, as borrowings under our Senior Secured Credit Facilities are at variable rates;
- limit our ability to obtain additional financing in the future for working capital or other purposes;
- require us to utilize our cash flow from operations to make payments on our indebtedness, reducing the availability of our cash flow to fund working capital, capital expenditures, development activity and other general corporate purposes; and
- place us at a competitive disadvantage compared to our competitors that have less indebtedness.

[Table of Contents](#)

Our Senior Secured Credit Facilities place certain limitations on our ability to incur additional indebtedness. However, subject to the qualifications and exceptions in our Senior Secured Credit Facilities, we may be permitted to incur substantial additional indebtedness and may incur obligations that do not constitute indebtedness under the terms of the Senior Secured Credit Facilities. Our Senior Secured Credit Facilities also place certain limitations on, among other things, our ability to enter into certain types of transactions, financing arrangements and investments, to make certain changes to our capital structure and to guarantee certain indebtedness. Our Senior Secured Credit Facilities also place certain restrictions on the payment of dividends and distributions and certain management fees. These restrictions limit or prohibit, among other things, our ability to:

- pay dividends on, redeem or repurchase our stock or make other distributions;
- incur or guarantee additional indebtedness;
- sell stock in our subsidiaries;
- create or incur liens;
- make acquisitions or investments;
- transfer or sell certain assets or merge or consolidate with or into other companies;
- make certain payments or prepayments of indebtedness subordinated to our obligations under our Senior Secured Credit Facilities; and
- enter into certain transactions with our affiliates.

Failure to comply with certain covenants or the occurrence of a change of control under our Senior Secured Credit Facilities could result in the acceleration of our obligations under the Senior Secured Credit Facilities, which would materially adversely affect our liquidity, capital resources and results of operations.

Under certain circumstances, our Senior Secured Credit Facilities require us to comply with certain financial covenants regarding our fixed charge coverage ratio. Changes with respect to these financial covenants may increase our interest rate and failure to comply with these covenants could result in a default and an acceleration of our obligations under the Senior Secured Credit Facilities, which could have a material adverse effect on our liquidity and our business, financial condition and results of operations. See “Description of certain indebtedness.”

We may be unable to generate sufficient cash flow to satisfy our significant debt service obligations, which could have a material adverse effect on our business, financial condition and results of operations.

Our ability to make principal and interest payments on and to refinance our indebtedness will depend on our ability to generate cash in the future and is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. If our business does not generate sufficient cash flow from operations, in the amounts projected or at all, or if future borrowings are not available to us in amounts sufficient to fund our other liquidity needs, our business financial condition and results of operations could be materially adversely affected. If we cannot generate sufficient cash flow from operations to make scheduled principal and interest payments in the future, we may need to refinance all or a portion of our indebtedness on or before maturity, sell assets, delay capital expenditures or seek additional equity. The terms of our existing or future debt agreements, including our Senior Secured Credit Facilities, may also restrict us from affecting any of these alternatives. Further, changes in the credit and capital markets, including market disruptions and interest rate fluctuations, may increase the cost of financing, make it more difficult to obtain favorable terms, or restrict our access to these sources of future liquidity. If we are unable to refinance any of our indebtedness

on commercially reasonable terms or at all or to effect any other action relating to our indebtedness on satisfactory terms or at all, it could have a material adverse effect on our business, financial condition and results of operations.

Natural disasters, whether or not caused by climate change, unusual weather condition, epidemic outbreaks, terrorist acts and political events could disrupt business and result in lower sales and otherwise adversely affect our financial performance.

The occurrence of one or more natural disasters, such as tornadoes, hurricanes, fires, floods and earthquakes, unusual weather conditions, epidemic outbreaks such as Ebola or measles, terrorist attacks or disruptive political events in certain regions where our stores are located could adversely affect our business and result in lower sales. Severe weather, such as heavy snowfall or extreme temperatures, may discourage or restrict customers in a particular region from traveling to our stores, thereby reducing our sales and profitability. If severe weather conditions occur during the second or fourth quarter of our fiscal year, the adverse impact to our sales and profitability could be even greater than at other times during the year because we generate a larger portion of our sales and profits during this period. Natural disasters including tornadoes, hurricanes, floods and earthquakes may damage our stores or other operations, which may materially adversely affect our consolidated financial results. To the extent these events also impact one or more of our key suppliers or result in the closure of one or both of our centralized distribution centers or our corporate headquarters, we may be unable to maintain inventory balances, maintain delivery schedules or provide other support functions to our stores. This could have a sustained material adverse effect on our business, financial condition and results of operations.

Our current insurance program may expose us to unexpected costs and negatively affect our financial performance.

Our insurance coverage reflects deductibles, self-insured retentions, limits of liability and similar provisions that we believe are prudent based on the dispersion of our operations. However, there are types of losses we may incur but against which we cannot be insured or which we believe are not economically reasonable to insure, such as losses due to acts of war, employee and certain other crime, wage and hour and other employment-related claims, including class actions, and some natural disasters. If we incur these losses and they are material, our business could suffer. Certain material events may result in sizable losses for the insurance industry and adversely impact the availability of adequate insurance coverage or result in excessive premium increases. To offset negative insurance market trends, we may elect to self-insure, accept higher deductibles or reduce the amount of coverage in response to these market changes. In addition, we self-insure a significant portion of expected losses under our worker's compensation, general liability and group health insurance programs. Unanticipated changes in any applicable actuarial assumptions and management estimates underlying our recorded liabilities for these losses, including expected increases in medical and indemnity costs, could result in materially different expenses than expected under these programs, which could have a material adverse effect on our results of operations and financial condition. Although we continue to maintain property insurance for catastrophic events at our store support center, distribution centers and stores, we are not self-insured for other property losses. With the enactment of the Affordable Care Act, we may experience an increase in participation in our group health insurance programs, which may lead to a greater number of medical claims. If we experience a greater number of these losses than we anticipate, it could have a material adverse effect on our business, financial condition and results of operations.

Inventory shrinkage could have a material adverse effect on our business, financial condition and results of operations.

We are subject to the risk of inventory loss and theft. Although our inventory shrinkage rates have not been material, or fluctuated significantly in recent years, we cannot assure you that actual rates of inventory loss and theft in the

[Table of Contents](#)

future will be within our estimates or that the measures we are taking will effectively reduce the problem of inventory shrinkage. Although some level of inventory shrinkage is an unavoidable cost of doing business, if we were to experience higher rates of inventory shrinkage or incur increased security costs to combat inventory theft, it could have a material adverse effect on our business, financial condition and results of operations.

If our estimates or judgments relating to our critical accounting policies prove to be incorrect, our operating results could be adversely affected.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, as provided in "Management's discussion and analysis of financial condition and results of operations." The results of these estimates form the basis for making judgments about the carrying values of assets, liabilities and equity, and the amount of revenue and expenses that are not readily apparent from other sources. Our operating results may be adversely affected if our assumptions change or if actual circumstances differ from those in our assumptions, which could cause our operating results to fall below the expectations of securities analysts and investors, resulting in a decline in our stock price. Significant assumptions and estimates used in preparing our consolidated financial statements include those related to inventory valuation, impairment of goodwill and intangible assets, impairment of long-lived assets, stock-based compensation expense and accounting for income taxes including deferred tax assets and liabilities.

Changes to accounting rules or regulations could have a material adverse effect on our business, financial condition and results of operations.

Changes to existing accounting rules or regulations may impact our future results of operations or cause the perception that we are more highly leveraged. Other new accounting rules or regulations and varying interpretations of existing accounting rules or regulations have occurred and may occur in the future. For instance, accounting regulatory authorities have indicated that they may begin to require lessees to capitalize operating leases in their financial statements in the next few years. If adopted, such change would require us to record significant lease obligations on our consolidated balance sheet and make other changes to our financial statements. This and other future changes to accounting rules or regulations could have a material adverse effect on our business, financial condition and results of operations.

Risks related to our common stock and this offering

We will incur increased costs and obligations as a result of being a public company.

As a privately held company, we were not required to comply with certain corporate governance and financial reporting practices and policies required of a publicly traded company. As a publicly traded company, we will incur significant legal, accounting, insurance and other expenses that we have not incurred as a private company, particularly after we are no longer an emerging growth company as defined under the JOBS Act. After this offering, we will be required to file with the SEC annual and quarterly information and other reports that are specified in Section 13 of the Exchange Act. We will also be required to ensure that we have the ability to prepare financial statements that are fully compliant with all SEC reporting requirements on a timely basis. In addition, we will become subject to other reporting and corporate governance requirements, including the requirements of the NASDAQ, and certain provisions of the Sarbanes-Oxley Act, and the regulations promulgated thereunder, which will impose significant compliance obligations upon us. As a public company, we will, among other things:

- prepare and distribute periodic public reports and other stockholder communications in compliance;
- comply with our obligations under the federal securities laws and applicable NASDAQ rules;

[Table of Contents](#)

- create or expand the roles and duties of our board of directors (the “Board”) and committees of the Board;
- institute more comprehensive financial reporting and disclosure compliance functions;
- enhance our investor relations function;
- establish new internal policies, including those relating to disclosure controls and procedures; and
- involve and retain to a greater degree outside counsel and accountants in the activities listed above.

These changes will require a significant commitment of additional resources and many of our competitors already comply with these obligations. We may not be successful in complying with these obligations and the significant commitment of resources required for complying with them could have a material adverse effect on our business, financial condition and results of operations. These laws and regulations could also make it more difficult or costly for us to obtain certain types of insurance, including director and officer liability insurance, and we may be forced to accept reduced policy limits and coverage or incur substantially higher costs to obtain the same or similar coverage. These laws and regulations could also make it more difficult for us to attract and retain qualified persons to serve on our Board, our Board committees or as our executive officers.

In addition, if we fail to implement the requirements with respect to our internal accounting and audit functions, our ability to report our results of operations on a timely and accurate basis could be impaired and we could suffer adverse regulatory consequences or violate the NASDAQ listing standards. There could also be a negative reaction in the financial markets due to a loss of investor confidence in us and the reliability of our financial statements, which could have a material adverse effect on our business, financial condition and results of operations.

The changes necessitated by becoming a public company require a significant commitment of resources and management supervision that has increased and may continue to increase our costs and might place a strain on our systems and resources. As a result, our management’s attention might be diverted from other business concerns. If we fail to maintain an effective internal control environment or to comply with the numerous legal and regulatory requirements imposed on public companies, we could make material errors in, and be required to restate, our financial statements. Any such restatement could result in a loss of public confidence in the reliability of our financial statements and sanctions imposed on us by the SEC. If we are unable to satisfy our obligations as a public company, we could be subject to delisting of our common stock, fines, sanctions and other regulatory action and potentially civil litigation.

Our management team currently manages a private company and the transition to managing a public company will present new challenges.

Following the completion of this offering, we will be subject to various regulatory requirements, including those of the SEC and the NASDAQ. These requirements include record keeping, financial reporting and corporate governance rules and regulations. We do not have the resources typically found in a public company. Our internal infrastructure may not be adequate to support our increased reporting obligations, and we may be unable to hire, train or retain necessary staff and may be reliant on engaging outside consultants or professionals to overcome our lack of experience or employees. If our internal infrastructure is inadequate, we are unable to engage outside consultants or are otherwise unable to fulfill our public company obligations, it could have a material adverse effect on our business, financial condition and results of operations.

Our internal control over financial reporting does not currently meet the standards required by Section 404 of the Sarbanes-Oxley Act, and failure to achieve and maintain effective internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act could have a material adverse effect on our business, financial condition and results of operations.

[Table of Contents](#)

As a privately held company, we have not been required to evaluate our internal control over financial reporting in a manner that meets the standards of publicly traded companies required by Section 404 of the Sarbanes-Oxley Act. Section 404 of the Sarbanes-Oxley Act requires annual management assessments of the effectiveness of our internal control over financial reporting, starting with the second annual report that we file with the SEC as a public company, and generally requires in the same report a report by our independent registered public accounting firm on the effectiveness of our internal control over financial reporting. However, under the JOBS Act, our independent registered public accounting firm will not be required to attest to the effectiveness of our internal control over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act until we are no longer an emerging growth company. We could be an emerging growth company for up to five years subsequent to becoming a public company. Once we are no longer an emerging growth company, our independent registered public accounting firm will be required to attest to the effectiveness of our internal control over financial reporting on an annual basis. At such time, our independent registered public accounting firm may issue a report that is adverse in the event it is not satisfied with the level at which our controls are documented, designed or operating.

The rules governing the standards that must be met for our management to assess our internal control over financial reporting are complex and require significant documentation, testing and possible remediation and the incurrence of significant additional expenditures.

To comply with the requirements of being a public company, we have undertaken various actions, and may need to take additional actions, such as implementing new internal controls and procedures and hiring additional accounting or internal audit staff. In connection with the implementation of the necessary procedures and practices related to internal control over financial reporting, we may identify deficiencies that we may not be able to remediate in time to meet the deadline imposed by the Sarbanes-Oxley Act for compliance with the requirements of Section 404. In addition, we may encounter problems or delays in completing the implementation of any requested improvements and receiving a favorable attestation in connection with the attestation provided by our independent registered public accounting firm. We will be unable to issue securities in the public markets through the use of a shelf registration statement if we are not in compliance with the applicable provisions of Section 404. Furthermore, failure to achieve and maintain an effective internal control environment could limit our ability to report our financial results accurately and timely and have a material adverse effect on our business, financial condition and results of operations.

We are an emerging growth company, and we cannot be certain if the reduced disclosure requirements applicable to emerging growth companies will make our common stock less attractive to investors.

As an emerging growth company, as defined in the JOBS Act, we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to obtain an assessment of the effectiveness of our internal controls over financial reporting from our independent registered public accounting firm pursuant to Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved. To the extent we avail ourselves of these exemptions, our financial statements may not be comparable to companies that comply with such new or revised accounting standards. We cannot predict if investors will find our common stock less attractive because we will rely on these exemptions. If some investors find our common stock less attractive as a result, there may be a less active trading market for our common stock and the market price of our common stock may be more volatile.

We are a “controlled company” within the meaning of the NASDAQ rules and, as a result, we will qualify for, and intend to rely on, exemptions from certain corporate governance requirements. You will not have the same protections afforded to stockholders of companies that are subject to such requirements.

Table of Contents

Following this offering, CCMP will continue to control a majority of the voting power of our outstanding common stock. As a result, we are a “controlled company” within the meaning of the corporate governance standards of the NASDAQ. Under these rules, a company of which more than 50% of the voting power is held by an individual, group or another company is a “controlled company” and may elect not to comply with certain corporate governance requirements, including:

- the requirement that a majority of our Board consist of independent directors;
- the requirement that we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities, or otherwise have director nominees selected by vote of a majority of the independent directors;
- the requirement that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities; and
- the requirement for an annual performance evaluation of the nominating and corporate governance and compensation committees.

Following this offering, we intend to utilize these exemptions. As a result, we will not have a majority of independent directors, our nominating and corporate governance committee and compensation committee will not consist entirely of independent directors and such committees will not be subject to annual performance evaluations. Additionally, we only are required to have one independent audit committee member upon the listing of our common stock on the NASDAQ, a majority of independent audit committee members within 90 days from the date of listing and all independent audit committee members within one year from the date of listing. Accordingly, you will not have the same protections afforded to stockholders of companies that are subject to all of the corporate governance requirements of the NASDAQ. CCMP, however, is not subject to any contractual obligation to retain its controlling interest, except that CCMP has agreed, subject to certain exceptions, not to sell or otherwise dispose of any shares of our common stock or other capital stock or other securities exercisable or convertible therefor for a period of at least 180 days after the date of this prospectus without the prior written consent of . Except for this brief period, there can be no assurance as to the period of time during which CCMP will maintain its ownership of our common stock following the offering. As a result, there can be no assurance as to the period of time during which we will be able to avail ourselves of the controlled company exemptions.

CCMP and our Chief Executive Officer will collectively own a substantial majority of our outstanding common stock following this offering. CCMP will effectively control our company, and its interests may be different from or conflict with those of our other stockholders.

After the consummation of this offering, CCMP will beneficially own % of our outstanding common stock, or % of our outstanding common stock if the underwriters fully exercise their option to purchase additional shares and Mark Butler, our co-founder, Chairman, President and Chief Executive Officer, will beneficially own % of our outstanding common stock, or % of our outstanding common stock if the underwriters fully exercise their option to purchase additional shares. Accordingly, both CCMP and Mr. Butler will be able to exert a significant degree of influence or actual control over our management and affairs and will control matters requiring stockholder approval, including the election of directors, a merger, consolidation or sale of all or substantially all of our assets, and any other significant transaction. Our principal stockholders’ interests might not always coincide with our interests or the interests of our other stockholders. For instance, this concentration of ownership and/or the restrictions imposed by the stockholders agreement may have the effect of delaying or preventing a change in control of us otherwise favored by our other stockholders and could depress our stock price.

CCMP may acquire interests and positions that could present potential conflicts with our and our stockholders' interests.

CCMP makes investments in companies and may, from time to time, acquire and hold interests in businesses that compete directly or indirectly with us. CCMP may also pursue, for its own accounts, acquisition opportunities that may be complementary to our business, and as a result, those acquisition opportunities might not be available to us. Our organizational documents contain provisions renouncing any interest or expectancy held by our directors affiliated with CCMP in certain corporate opportunities. Accordingly, the interests of CCMP may supersede ours, causing CCMP or its affiliates to compete against us or to pursue opportunities instead of us, for which we have no recourse. Such actions on the part of CCMP and inaction on our part could have a material adverse effect on our business, financial condition, results of operations and cash flows.

Upon the completion of this offering, full-time investment professionals of CCMP will occupy three seats on our Board. Because CCMP could invest in entities that directly or indirectly compete with us, when conflicts arise between the interests of CCMP and the interests of our stockholders, these directors may not be disinterested.

Anti-takeover provisions in our amended and restated certificate of incorporation and bylaws and under Delaware law could make an acquisition of us more difficult, limit attempts by our stockholders to replace or remove our current management and limit the market price of our common stock.

Provisions in our certificate of incorporation and bylaws, as amended and restated in connection with this offering, may have the effect of delaying or preventing a change of control or changes in our management. Our amended and restated certificate of incorporation and amended and restated bylaws will include provisions that:

- authorize our Board to issue, without further action by the stockholders, up to _____ shares of undesignated preferred stock;
- subject to certain exceptions, require that any action to be taken by our stockholders be effected at a duly called annual or special meeting and not by written consent;
- specify that special meetings of our stockholders can be called only by a majority of our Board or upon the request of the Chief Executive Officer;
- establish an advance notice procedure for stockholder proposals to be brought before an annual meeting, including proposed nominations of persons for election to our Board;
- establish that our Board is divided into three classes, with each class serving three-year staggered terms;
- prohibit cumulative voting in the election of directors; and
- provide that vacancies on our Board may be filled only by a majority of directors then in office, even though less than a quorum.

These provisions may frustrate or prevent any attempts by our stockholders to replace or remove our current management by making it more difficult for stockholders to replace members of our Board, which is responsible for appointing the members of our management.

In addition, our amended and restated certificate of incorporation will provide that the provisions of Section 203 of the Delaware General Corporation Law (the "DGCL"), which relate to business combinations with interested stockholders, do not apply to us, until the moment in time, if ever, immediately following the time at which both of the following conditions exist: (i) Section 203 by its terms would, but for the terms of our

[Table of Contents](#)

amended and restated certificate of incorporation, apply to us and (ii) there occurs a transaction following the consummation of which CCMP no longer owns at least 5% or more of our issued and outstanding common stock entitled to vote. Our amended and restated certificate of incorporation will provide that, at such time, we will automatically become subject to Section 203 of the DGCL. Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a business combination transaction with an interested stockholder (a stockholder who owns more than 15% of our common stock) for a period of three years after the interested stockholder became such unless the transaction fits within an applicable exemption, such as board approval of the business combination or the transaction that resulted in such stockholder becoming an interested stockholder. These provisions would apply even if the business combination could be considered beneficial by some stockholders. Although we have elected to opt out of the statute's provisions until the above conditions are met, we could elect to be subject to Section 203 in the future.

There is no existing market for our common stock, and we do not know if one will develop to provide you with adequate liquidity.

Prior to this offering, there was no public market for our common stock. An active market for our common stock may not develop following the completion of this offering, or if it does develop, may not be maintained. If an active trading market does not develop, you may have difficulty selling any of our common stock that you buy. The initial public offering price for the shares of our common stock will be determined by negotiations between us and the representatives of the underwriters and may not be indicative of prices that will prevail in the open market following this offering. Consequently, you may not be able to sell shares of our common stock at prices equal to or greater than the initial public offering price. Further, it is possible that in one or more future periods, our results of operations may be below the expectations of public market analysts and investors and, as a result of these factors and other factors, the price of the shares of our common stock may fall.

We expect that our stock price will fluctuate significantly, which could cause the value of your investment in our common stock to decline, and you may not be able to resell your shares at a price at or above the initial public offering price.

Securities markets worldwide have experienced, and are likely to continue to experience, significant price and volume fluctuations. The market volatility, as well as general economic, market or political conditions, could reduce the market price of our common stock regardless of our results of operations. The trading price of our common stock is likely to be volatile and subject to significant price fluctuations in response to many factors, including:

- changes in customer preferences;
- market conditions or trends in our industry or the economy as a whole and, in particular, in the retail environment;
- the timing and expense of new store openings, renewals, remodels and relocations and the relative proportion of our new stores to existing stores;
- the performance and successful integration of any new stores that we open;
- changes in our merchandise mix and supplier base;
- changes in key personnel;
- entry into new geographic markets;
- our levels of comparable store sales;

Table of Contents

- announcements by us or our competitors of significant acquisitions, divestitures, strategic partnerships, joint ventures or capital commitments;
- the level of pre-opening expenses associated with new stores;
- inventory shrinkage beyond our historical average rates;
- changes in operating performance and stock market valuations of other retailers;
- investors' perceptions of our prospects and the prospects of the retail industry;
- fluctuations in quarterly operating results, as well as differences between our actual financial and operating results and those expected by investors;
- the public's response to press releases or other public announcements by us or third parties, including our filings with the SEC;
- announcements media reports or other public forum comments related to litigation, claims or reputational charges against us;
- guidance, if any, that we provide to the public, any changes in this guidance or our failure to meet this guidance;
- changes in financial estimates or ratings by any securities analysts who follow our common stock, our failure to meet these estimates or the failure of those analysts to initiate or maintain coverage of our common stock;
- the development and sustainability of an active trading market for our common stock;
- investor perceptions of the investment opportunity associated with our common stock relative to other investment alternatives;
- future sales of our common stock by our officers, directors and significant stockholders;
- other events or factors, including those resulting from system failures and disruptions, earthquakes, hurricanes, war, acts of terrorism, other natural disasters or responses to these events; and
- changes in accounting principles.

These and other factors may cause the market price and demand for shares of our common stock to fluctuate substantially, which may limit or prevent investors from readily selling their shares of our common stock and may otherwise negatively affect the liquidity of our common stock. As a result of these factors, our quarterly and annual results of operations and comparable store sales may fluctuate significantly. Accordingly, results for any one fiscal quarter are not necessarily indicative of results to be expected for any other fiscal quarter or for any year and comparable store sales for any particular future period may decrease. In the future, our results of operations may fall below the expectations of securities analysts and investors. In that event, the price of our common stock would likely decrease. In the past, when the market price of a stock has been volatile, security holders have often instituted class action litigation against the company that issued the stock. If we become involved in this type of litigation, regardless of the outcome, we could incur substantial legal costs and our management's attention could be diverted from the operation of our business, which could have a material adverse effect on our business, financial condition and results of operations.

Future sales of our common stock in the public market could cause the market price of our common stock to decrease significantly.

Sales of substantial amounts of our common stock in the public market following this offering by our existing stockholders, upon the exercise of outstanding stock options or stock options granted in the future or by

[Table of Contents](#)

persons who acquire shares in this offering may cause the market price of our common stock to decrease significantly. The perception that such sales could occur could also depress the market price of our common stock. Any such sales could also create public perception of difficulties or problems with our business and might also make it more difficult for us to raise capital through the sale of equity securities in the future at a time and price that we deem appropriate.

Upon the completion of this offering, we will have outstanding _____ shares of common stock, of which:

- _____ shares are shares that we are selling in this offering and may be resold in the public market immediately after this offering; and
- _____ shares will be “restricted securities,” as defined under Rule 144 under the Securities Act, and eligible for sale in the public market subject to the requirements of Rule 144, of which shares are subject to lock-up agreements and will become available for resale in the public market beginning 180 days after the date of this prospectus and of which _____ will become available for resale in the public market immediately following this offering.

In addition, we have reserved _____ shares of common stock for issuance under our 2015 Plan. See “Executive and director compensation—Equity incentive plans.” Upon consummation of this offering, we expect to have _____ shares of common stock issuable upon exercise of outstanding options (_____ of which will be fully vested).

With limited exceptions as described under the caption “Underwriting,” the lock-up agreements with the underwriters of this offering prohibit a stockholder from selling, contracting to sell or otherwise disposing of any common stock or securities that are convertible or exchangeable for common stock or entering into any arrangement that transfers the economic consequences of ownership of our common stock for at least 180 days from the date of the prospectus filed in connection with our initial public offering, although _____ may, in their sole discretion and at any time without notice, release all or any portion of the securities subject to these lock-up agreements. Upon a request to release any shares subject to a lock-up, _____ would consider the particular circumstances surrounding the request including, but not limited to, the length of time before the lock-up expires, the number of shares requested to be released, reasons for the request, the possible impact on the market for our common stock and whether the holder of our shares requesting the release is an officer, director or other affiliate of ours. As a result of these lock-up agreements, notwithstanding earlier eligibility for sale under the provisions of Rule 144, none of these shares may be sold until at least 180 days after the date of this prospectus. See “Shares eligible for future sale” and “Underwriting.”

We have granted customary demand and piggyback registration rights to CCMP, Mark Butler, our co-founder, Chairman, President and Chief Executive Officer, and certain of our other stockholders party to a stockholders agreement with us. Should CCMP, Mr. Butler and any other stockholders exercise their registration rights under our stockholder agreement, the shares registered would no longer be restricted securities and would be freely tradable in the open market. See “Certain relationships and related party transactions—Stockholders agreement.”

As restrictions on resale expire or as shares are registered, our share price could drop significantly if the holders of these restricted or newly registered shares sell them or are perceived by the market as intending to sell them. These sales might also make it more difficult for us to raise capital through the sale of equity securities in the future at a time and at a price that we deem appropriate. See “Shares eligible for future sale” for a more detailed description of the shares that will be available for future sales upon completion of this offering.

We are a holding company and rely on dividends and other payments, advances and transfers of funds from our subsidiaries to meet our obligations and pay any dividends.

We have no direct operations and no significant assets other than ownership of 100% of the capital stock of our subsidiaries. Because we conduct our operations through our subsidiaries, we depend on those entities for

[Table of Contents](#)

dividends and other payments to generate the funds necessary to meet our financial obligations, and to pay any dividends with respect to our common stock. Legal and contractual restrictions in our Senior Secured Credit Facilities and other agreements which may govern future indebtedness of our subsidiaries, as well as the financial condition and operating requirements of our subsidiaries, may limit our ability to obtain cash from our subsidiaries. The earnings from, or other available assets of, our subsidiaries might not be sufficient to pay dividends or make distributions or loans to enable us to pay any dividends on our common stock or other obligations. Any of the foregoing could materially and adversely affect our business, financial condition, results of operations and cash flows. See "Dividend policy."

We do not expect to pay any cash dividends for the foreseeable future.

The continued operation and expansion of our business will require substantial funding. We do not anticipate that we will pay any dividends to holders of our common stock for the foreseeable future. Any payment of cash dividends will be at the discretion of our Board and will depend on our financial condition, capital requirements, legal requirements, earnings and other factors. Our ability to pay dividends is restricted by the terms of our Senior Secured Credit Facilities and might be restricted by the terms of any indebtedness that we incur in the future. Accordingly, if you purchase shares in this offering, realization of a gain on your investment will depend on the appreciation of the price of the shares of our common stock, which may never occur. Consequently, you should not rely on dividends in order to receive a return on your investment. See "Dividend policy."

If securities analysts or industry analysts downgrade our shares, publish negative research or reports, or do not publish reports about our business, our share price and trading volume could decline.

The trading market for our common stock will be influenced by the research and reports that industry or securities analysts publish about us, our business and our industry. If no or few analysts commence coverage of us, the trading price of our stock could decrease. Even if we do obtain analyst coverage, if one or more analysts adversely change their recommendation regarding our shares or our competitors' stock, our share price would likely decline. If one or more analysts cease coverage of us or fail to regularly publish reports on us, we could lose visibility in the financial markets, which in turn could cause our share price or trading volume to decline. As a result, the market price for our common stock may decline below the initial public offering price and you may not resell your shares of our common stock at or above the initial public offering price.

If you purchase shares of common stock sold in this offering, you will incur immediate and substantial dilution.

Dilution is the difference between the offering price per share and the pro forma net tangible book value per share of our common stock immediately after the offering. The initial public offering price per share is substantially higher than the pro forma net tangible book value per share immediately after this offering. As a result, you will pay a price per share that substantially exceeds the book value of our assets after subtracting the book value of our liabilities. Based on our pro forma net tangible book value as of January 31, 2015 and assuming an offering price of \$ per share, the midpoint of the price range set forth on the cover page of this prospectus, you will incur immediate and substantial dilution in the amount of \$ per share. In addition, you may also experience additional dilution, or potential dilution, upon future equity issuances to investors or to our employees and directors under our 2015 Plan and any other equity incentive plans we may adopt. As a result of this dilution, investors purchasing shares of our common stock in this offering may receive significantly less than the full purchase price that they paid for the stock purchased in this offering in the event of liquidation. See "Dilution."

Our management will have broad discretion over the proceeds we receive in this offering and might not apply the proceeds in ways that increase the value of your investment.

Our management will have broad discretion to use our net proceeds from this offering, and you will be relying on their judgment regarding the application of these proceeds. Our management might not apply our net

[Table of Contents](#)

proceeds of this offering in ways that increase the value of your investment. We expect to use the net proceeds from this offering to repay outstanding indebtedness under our Senior Secured Credit Facilities, for working capital and for general corporate purposes, which may, in the future, include investments in, or acquisitions of, complementary businesses, services or products. Our management might not be able to yield a significant return, if any, on any investment of these net proceeds. You will not have the opportunity to influence our decisions on how to use our net proceeds from this offering.

Cautionary note regarding forward-looking statements

This prospectus contains forward-looking statements. Forward-looking statements can be identified by words such as “could,” “may,” “might,” “will,” “likely,” “anticipates,” “intends,” “plans,” “seeks,” “believes,” “estimates,” “expects,” “continues,” “projects” and similar references to future periods, or by the inclusion of forecasts or projections. Examples of forward-looking statements include, but are not limited to, statements we make regarding the outlook for our future business and financial performance, such as those contained in “Management’s discussion and analysis of financial condition and results of operations.”

Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. Because forward-looking statements relate to the future, by their nature, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. As a result, our actual results may differ materially from those contemplated by the forward-looking statements. Important factors that could cause actual results to differ materially from those in the forward-looking statements include regional, national or global political, economic, business, competitive, market and regulatory conditions and the following:

- our failure to adequately manage our inventory or anticipate consumer demand;
- changes in consumer confidence and spending;
- risks associated with intense competition;
- our failure to open new profitable stores, or successfully enter new markets, on a timely basis or at all;
- our ability to manage our inventory balances;
- our failure to hire and retain key personnel and other qualified personnel;
- our inability to obtain favorable lease terms for our properties;
- the loss of, or disruption in the operations of, our centralized distribution centers;
- fluctuations in comparable store sales and results of operations, including on a quarterly basis;
- risks associated with our lack of operations in the growing online retail marketplace;
- our inability to successfully implement our marketing, advertising and promotional efforts;
- the seasonal nature of our business;
- the risks associated with doing business with international manufacturers;
- changes in government regulations, procedures and requirements; and
- our ability to service our indebtedness and to comply with our financial covenants.

See “Risk factors” for a further description of these and other factors. For the reasons described above, we caution you against relying on any forward-looking statements, which should also be read in conjunction with the other cautionary statements that are included elsewhere in this prospectus. Any forward-looking statement made by us in this prospectus speaks only as of the date on which we make it. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. We undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by law.

Use of proceeds

We estimate the net proceeds to us from our sale of _____ shares of common stock by us in this offering will be approximately \$ _____ million, after deducting estimated underwriting discounts and commissions and estimated offering expenses payable by us in connection with this offering. The underwriters also have the option to purchase up to an additional _____ shares of common stock from us. We estimate the net proceeds to us, if the underwriters exercise their right to purchase the maximum of _____ additional shares of common stock from us, will be approximately \$ _____ million after deducting estimated underwriting discounts and commissions and estimated offering expenses payable by us in connection with this offering. This assumes a public offering price of \$ _____ per share, the midpoint of the price range set forth on the cover page of this prospectus.

We intend to use a portion of the net proceeds from this offering to repay \$ _____ in aggregate principal amount of our outstanding debt under our Senior Secured Credit Facilities, for working capital and for general corporate purposes.

As of January 31, 2015, we had no outstanding borrowings under our ABL Facility and \$321.3 million of debt outstanding, net of unamortized original issue discount of \$2.8 million, under our Term Loan Facility. Our Term Loan Facility will mature on September 28, 2019 and as of January 31, 2015, bears interest at a rate of 4.75%. See "Description of certain indebtedness—Senior secured credit facilities."

Assuming no exercise of the underwriters' option to purchase additional shares, a \$1.00 increase (decrease) in the assumed initial public offering price of \$ _____ per share, the midpoint of the price range set forth on the cover page of this prospectus, would increase (decrease) the net proceeds to us from this offering by \$ _____ million, assuming the number of shares offered by us, as set forth on the cover page of this prospectus, remains the same and after deducting estimated underwriting discounts and commissions and estimated offering expenses payable by us.

Dividend policy

We currently intend to retain our earnings to finance the development and growth of our business and operations and do not intend to pay cash dividends on our common stock in the foreseeable future. In fiscal year 2014, we paid a special cash dividend of \$58.0 million to holders of our common stock. See “Risk factors—Risks related to our common stock and this offering—We do not expect to pay any cash dividends for the foreseeable future.” However, in the future, subject to the factors described below and our future liquidity and capitalization, we may change this policy and choose to pay dividends.

We are a holding company which does not conduct any business operations of our own. As a result, our ability to pay cash dividends on our common stock is dependent upon cash dividends and distributions and other transfers from our subsidiaries. The ability of our subsidiaries to pay dividends is currently restricted by the terms of our Senior Secured Credit Facilities and may be further restricted by any future indebtedness we or they incur.

In addition, under Delaware law, our Board may declare dividends only to the extent of our surplus (which is defined as total assets at fair market value minus total liabilities, minus statutory capital) or, if there is no surplus, out of our net profits for the then current and/or immediately preceding fiscal year.

Any future determination to declare dividends will be at the discretion of our Board and will take into account:

- restrictions in our debt instruments, including our Senior Secured Credit Facilities;
- general economic business conditions;
- our net income, financial condition and results of operations;
- our capital requirements;
- our prospects;
- the ability of our operating subsidiaries to pay dividends and make distributions to us;
- legal restrictions; and
- such other factors as our Board may deem relevant.

See “Management’s discussion and analysis of financial condition and results of operations—Liquidity and capital resources.”

Capitalization

The following table sets forth our cash and cash equivalents and our capitalization as of January 31, 2015:

- on an actual basis; and
- on a pro forma as adjusted basis to give pro forma effect to the Stock Split, as further adjusted to give effect to the sale by us of _____ shares of our common stock in this offering, assuming no exercise of the underwriters' option to purchase additional shares, at an initial public offering price of \$ _____ per share, the midpoint of the price range set forth on the cover page of this prospectus, after deducting estimated underwriting discounts and commissions and estimated expenses payable by us and the application of the net proceeds to be received by us from this offering as described under "Use of proceeds."

This table should be read in conjunction with "Use of proceeds," "Selected historical consolidated financial data," "Management's discussion and analysis of financial condition and results of operations," "Description of capital stock" and the financial statements and notes thereto appearing elsewhere in this prospectus.

Treasury stock, Class A common stock; 25 shares on an actual basis; and _____ shares on a pro forma as adjusted basis	(29)	
Total stockholders' equity	416,835	
Total capitalization	\$ 738,122	\$

(1) Each \$1.00 increase or decrease in the public offering price per share would increase or decrease, as applicable, our net proceeds, after deducting estimated underwriting discounts and commissions and estimated offering expenses payable by us, by \$ _____ million (assuming no exercise of the underwriters' option to purchase additional shares). Similarly, an increase or decrease of one million shares of common stock sold in this offering by us would increase or decrease, as applicable, our net proceeds, after deducting estimated underwriting discounts and commissions and estimated offering expenses payable by us, by \$ _____, based on an assumed initial public offering price of \$ _____ per share, the midpoint of the price range set forth on the cover page of this prospectus.

(2) The Senior Secured Credit Facilities provide for a \$75.0 million revolving ABL Facility and a Term Loan Facility. As of January 31, 2015, we had no borrowings outstanding under the ABL Facility and approximately \$73.5 million of available borrowings under the ABL Facility. The aggregate outstanding amount of the Term Loan Facility reflected herein is net of \$2.8 million of unamortized original issue discount.

Dilution

If you invest in our common stock, your interest will be diluted to the extent of the difference between the initial public offering price per share of our common stock and the net tangible book value per share of our common stock upon the consummation of this offering. Dilution results from the fact that the per share offering price of our common stock is in excess of the book value per share attributable to new investors.

Our pro forma net tangible book value as of January 31, 2015, was \$, or \$ per share of common stock. Pro forma net tangible book value represents the amount of total tangible assets less total liabilities, and pro forma net tangible book value per share represents net tangible book value divided by the number of shares of common stock outstanding, in each case, after giving effect to the Stock Split but not this offering.

Pro forma as adjusted net tangible book value is our pro forma net tangible book value as adjusted to give effect to (i) the sale of shares of common stock in this offering, assuming no exercise of the underwriters' option to purchase additional shares, at the assumed initial public offering price of \$ per share, the midpoint of the price range set forth on the cover page of this prospectus and (ii) the application of the net proceeds from this offering. Our pro forma as adjusted net tangible book value as of January 31, 2015, would have been \$ million, or \$ per share. This represents an immediate increase in pro forma as adjusted net tangible book value of \$ per share to our existing investors and an immediate dilution in as pro forma as adjusted net tangible book value of \$ per share to new investors.

The following table illustrates this dilution on a per share of common stock basis:

Assumed initial public offering price per share		\$
Pro forma net tangible book value per share as of January 31, 2015, before this offering	\$	
Increase in pro forma net tangible book value per share attributable to new investors		
Pro forma as adjusted net tangible book value per share after this offering		
Dilution in net tangible book value per share to new investors in this offering		\$

If the underwriters were to fully exercise their option to purchase additional shares of our common stock, the pro forma as adjusted net tangible book value will increase to \$ per share, representing an immediate dilution in net tangible book value of \$ per share to new investors in this offering, assuming an initial public offering price of \$ per share, the midpoint of the price range set forth on the cover page of this prospectus.

A \$1.00 increase (decrease) in the assumed initial public offering price of \$ per share would increase (decrease) our pro forma as adjusted net tangible book value by \$ million after this offering, the pro forma as adjusted net tangible book value per share after this offering by \$ and the dilution in net tangible book value per share to new investors in this offering by \$ assuming the number of shares offered by us, as set forth on the cover page of this prospectus, remains the same, and after deducting estimated underwriting discounts and commissions and estimated offering expenses payable by us.

[Table of Contents](#)

The following table summarizes, as of January 31, 2015, on a pro forma as adjusted basis as described above, the total number of shares of common stock purchased from us, the total cash consideration paid to us, or to be paid, and the average price per share paid, or to be paid, by existing stockholders and by new investors purchasing shares in this offering, at an assumed initial public offering price of \$ _____ per share, the midpoint of the price range set forth on the cover page of this prospectus, before deducting estimated underwriting discounts and commissions and estimated offering expenses:

	<u>Shares purchased</u>		<u>Total consideration</u>		<u>Average price per share</u>
	<u>Number</u>	<u>Percent</u>	<u>Amount</u>	<u>Percent</u>	
Existing stockholders		%	\$	%	\$
New investors in this offering					
Total		100.0%	\$	100.0%	\$

If the underwriters were to fully exercise their option to purchase _____ additional shares of our common stock, the percentage of shares of our common stock held by existing investors would be _____%, and the percentage of shares of our common stock held by new investors would be _____%.

The above discussion and tables are based on the number of shares outstanding as of January 31, 2015 after giving effect to the Stock Split. Except as otherwise indicated, the discussion and tables above assume no exercise of the underwriters' option to purchase additional shares and no exercise of options to purchase shares of our common stock outstanding as of January 31, 2015. In addition, we may choose to raise additional capital due to market conditions or strategic considerations even if we believe we have sufficient funds for our current or future operating plans. To the extent that additional capital is raised through the sale of equity or convertible debt securities, the issuance of such securities could result in further dilution to our stockholders.

Selected historical consolidated financial data

The following tables set forth Ollie's Bargain Outlet Holdings, Inc.'s selected historical consolidated financial and other data for the periods ending on and as of the dates indicated. We derived the consolidated statement of income data and consolidated statement of cash flow data for fiscal years 2014 and 2013 and our consolidated balance sheet data as of January 31, 2015 and February 1, 2014 from our audited consolidated financial statements and related notes thereto included elsewhere in this prospectus. We derived the consolidated statement of income data and consolidated statement of cash flow data for successor period 2012 (described below), predecessor period 2012 (described below), fiscal year 2011 and fiscal year 2010 from our audited consolidated financial statements and related notes thereto not included in this prospectus.

Prior to fiscal year 2013, we operated on a fiscal calendar which resulted in a given fiscal year consisting of a 52- or 53- week period ending on the Saturday closest to December 31 of that year. In connection with the CCMP Acquisition, as part of the purchase price allocation, assets acquired and liabilities assumed were adjusted to their estimated fair value as of September 28, 2012, the closing date of the CCMP Acquisition. The periods on and prior to September 28, 2012 are referred to as the predecessor periods. The periods on and following September 29, 2012, are referred to as the successor periods. We refer to the period from January 1, 2012 through September 28, 2012 as "predecessor period 2012" and the period from September 29, 2012 through February 2, 2013 as "successor period 2012." References to "fiscal year 2011" and "fiscal year 2010" are to the fiscal years ended December 31, 2011 and January 1, 2011, respectively.

Each of fiscal years 2014, 2013, 2011 and 2010 consisted of 52-week periods. Successor period 2012 consisted of an 18-week period and predecessor period 2012 consisted of a 39-week period. As a result of the application of purchase accounting in connection with the CCMP Acquisition impacting the successor periods, fiscal years 2014 and 2013 and successor period 2012 may not be comparable to predecessor period 2012 and fiscal years 2011 and 2010.

The summary unaudited pro forma as adjusted data for the periods presented have been prepared to give pro forma effect to the Stock Split, as further adjusted to give effect to the sale of our common stock in this offering and the application of net proceeds therefrom, as described in "Use of proceeds."

Our historical results are not necessarily indicative of future results of operations. You should read the information set forth below together with "Presentation of financial and other information," "Summary—Summary historical consolidated financial and other data," "Management's discussion and analysis of financial condition and results of operations," "Capitalization" and our financial statements and the related notes thereto included elsewhere in this prospectus.

Overview

Ollie's is a highly differentiated and fast-growing, extreme value retailer of brand name merchandise at drastically reduced prices. Known for our assortment of "Good Stuff Cheap," we offer customers a broad selection of brand name products, including housewares, food, books and stationery, bed and bath, floor coverings, toys and hardware. Our differentiated go-to market strategy is characterized by a unique, fun and engaging treasure hunt shopping experience, compelling customer value proposition and witty, humorous in-store signage and advertising campaigns. These attributes have driven our rapid growth and strong and consistent store performance.

Our growth strategy

Since the founding of Ollie's in 1982, we have grown organically by backfilling existing markets and leveraging our brand awareness, marketing and infrastructure to expand into new markets in contiguous states. In 2003, Mark Butler, our co-founder, assumed his current role as President and Chief Executive Officer. Under Mr. Butler's leadership, we expanded from 28 stores located in three states at the end of fiscal year 2003 to 178 stores located in 16 states as of March 31, 2015. Following the CCMP Acquisition in September 2012, we continued our expansion throughout the Eastern half of the United States.

Our stores are supported by two distribution centers in York, PA and Commerce, GA, which we believe can support between 375 to 400 stores. We have invested in our associates, infrastructure, distribution network and information systems to allow us to continue to rapidly grow our store footprint, including:

- growing our merchant buying team to increase our access to brand name/closeout merchandise;
- adding members to our senior management team;
- opening two new distribution centers since 2011 with a total capacity of approximately 1.6 million square feet; and
- investing in information technology, accounting systems, and warehouse management systems.

[Table of Contents](#)

Our business model has produced consistent and predictable store growth over the past several years, irrespective of the economic environment. We plan to continue to enhance our competitive positioning and drive growth in sales and profitability by executing on the following strategies:

- growing our store base;
- increasing our offerings of great bargains; and
- leveraging and expanding Ollie's Army.

We have a proven portable, flexible, and highly profitable store model that has produced consistent financial results and returns. Our new store model targets a store size between 25,000 to 35,000 square feet and an average initial cash investment of \$1.0 million, which includes store fixtures and equipment, store-level and distribution center inventory (net of payables) and pre-opening expenses. We target an expected cash-on-cash return of approximately 55% and payback of less than two years.

While we are focused on driving comparable store sales and managing our expenses, our revenue and profitability growth will primarily come from opening new stores. The core elements of our business model are procuring great deals, offering extreme values to our customers and creating consistent, predictable store growth and margins. In addition, our new stores generally open strong, immediately contributing to the growth in net sales and profitability of our business. Our new stores traditionally reach normalized sales after three full years of operations.

Our key competitive advantage is our direct buying relationships with many major manufacturers, wholesalers, distributors, brokers and retailers for our brand name and closeout products and unbranded goods. We also augment our product mix with private label brands. As we continue to grow, we believe our increased scale will provide us with even greater access to brand name and closeout products as major manufacturers seek a single buyer to acquire an entire deal.

How we assess the performance of our business

We consider a variety of financial and operating measures in assessing the performance of our business. The key measures we use are number of new stores, net sales, comparable store sales, gross profit and gross margin, selling, general and administrative expenses, pre-opening expenses, operating income and Adjusted EBITDA.

Number of new stores

The number of new stores reflects the number of stores opened during a particular reporting period. Before we open new stores, we make initial capital investments in fixtures, equipment and inventory, which we amortize over time, and we incur pre-opening expenses described below under "—Pre-opening expenses."

We expect to open 25 to 30 new stores in fiscal year 2015, which we expect to be the primary driver of our sales growth. As of March 31, 2015, we have entered into 17 new, fully executed leases with average initial terms of five to seven years with options to renew for two or three successive five-year periods. Our portable and predictable real estate model focuses on backfilling existing markets and entering new markets in contiguous states. Our new stores often open with higher sales levels as a result of greater advertising and promotional spend in connection with grand opening events, but decline shortly thereafter to our new store model levels. Since 2010, our new stores have generated an average of \$3.9 million in net sales in their first full year of operations and produced an average payback period of less than two years.

Net sales

Net sales constitute gross sales net of returns and sales tax. Net sales consist of sales from comparable stores and non-comparable stores, described below under "—Comparable store sales." Growth of our net sales is

[Table of Contents](#)

primarily driven by expansion of our store base in existing and new markets. As we continue to grow, we believe we will have greater access to brand name and closeout merchandise and an increased deal selection, resulting in more potential offerings for our customers. Our broad selection of offerings across diverse product categories supports growth in net sales by attracting new customers, which results in higher spending levels and frequency of shopping visits from our customers, including Ollie's Army members.

The spending habits of our customers are subject to macroeconomic conditions and changes in discretionary income. Our customers' discretionary income is primarily impacted by gas prices, wages, and consumer trends and preferences, which fluctuate depending on the environment. However, because we offer a broad selection of merchandise at extreme values, we believe that we are less impacted than other retailers by economic cycles that correspond with declines in general consumer spending habits and that we benefit from periods of increased consumer spending.

Comparable store sales

Comparable store sales measure performance of a store during the current reporting period against the performance of the same store in the corresponding period of the previous year. Comparable store sales consists of net sales from our stores beginning on the first day of the sixteenth full fiscal month following the store's opening, which is when we believe comparability is achieved. As of January 31, 2015 and February 1, 2014, there were 147 and 128 stores, respectively, in our comparable store base.

Comparable stores include the following:

- stores which have been remodeled while remaining open;
- stores that are closed for five or fewer days in any fiscal month;
- stores that are closed temporarily and relocated within their respective trade areas; and
- stores that have expanded, but are not significantly different in size, within their current locations.

Non-comparable store sales consist of new store sales and sales for stores not open for a full 15 months. Stores that are closed temporarily, but for more than five days in any fiscal month, are included in non-comparable store sales beginning in the fiscal month in which the temporary closure begins until the first full month of operation once the store re-opens, at which time they are included in comparable store sales.

Opening new stores is the primary component of our growth strategy and as we continue to execute on our growth strategy, we expect that a significant portion of our sales growth will be attributable to non-comparable store sales. Accordingly, comparable store sales are only one measure we use to assess the success of our growth strategy.

Gross profit and gross margin

Gross profit is equal to our net sales less our cost of sales. Gross margin is gross profit as a percentage of our net sales. Gross margin is a measure used by management to indicate whether we are selling merchandise at an appropriate gross profit.

Our gross profit is variable in nature and generally follows changes in net sales. We regularly analyze the components of gross profit, as well as gross profit as a percentage of sales. Specifically, our product margin and merchandise mix is reviewed by our merchant team and senior management, ensuring strict adherence to internal margin goals. Our disciplined buying approach has produced consistent gross margins and we believe mitigates adverse impacts on gross profit and results of operation.

The components of our cost of sales may not be comparable to the components of cost of sales or similar measures of our competitors and other retailers. As a result, data in this prospectus regarding our gross profit and gross margin may not be comparable to similar data made available by our competitors and other retailers.

Selling, general and administrative expenses

Selling, general and administrative expenses are comprised of payroll and benefits for store, field support and support center associates. Selling, general and administrative expenses also include marketing and advertising, occupancy, utilities, supplies, credit card processing fees, insurance and professional services. A significant portion of our expenses are primarily fixed in nature, and we expect to continue to maintain strict discipline while carefully monitoring selling, general and administrative expenses as a percentage of net sales.

The components of our selling, general and administrative expenses may not be comparable to the components of similar measures of other retailers. We expect that our selling, general and administrative expenses will increase in future periods with future growth and in part due to additional legal, accounting, insurance, and other expenses that we expect to incur as a result of being a public company, including compliance with the Sarbanes-Oxley Act and related rules and regulations.

Pre-opening expenses

Pre-opening expenses consists of expenses of opening new stores and distribution centers. For new stores, pre-opening expenses includes grand opening advertising costs, payroll expenses, travel expenses, employee training costs, rent expenses and store setup costs. For distribution centers, pre-opening expenses primarily includes inventory transportation costs, employee travel expenses and occupancy costs. Pre-opening expenses are expensed as they are incurred, which is typically within 30 to 45 days of opening a new store.

Operating income

Operating income is gross profit less selling, general and administrative expenses, depreciation and amortization and pre-opening expenses. Operating income excludes interest expense, net and income tax expense. We use operating income as an indicator of the productivity of our business and our ability to manage expenses.

Depreciation and amortization expenses

Property and equipment are stated at original cost less accumulated depreciation and amortization. Depreciation and amortization are calculated over the estimated useful lives of the related assets, or in the case of leasehold improvements, the lesser of the useful lives or the remaining term of the lease. Expenditures for additions, renewals, and betterments are capitalized; expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is computed on the straight-line method for financial reporting purposes.

EBITDA and Adjusted EBITDA

EBITDA and Adjusted EBITDA are key metrics used by management and our Board to assess our financial performance. EBITDA and Adjusted EBITDA are also frequently used by analysts, investors and other interested parties to evaluate companies in our industry. We use Adjusted EBITDA to supplement GAAP measures of performance to evaluate the effectiveness of our business strategies, to make budgeting decisions, to evaluate our performance in connection with compensation decisions and to compare our performance against that of other peer companies using similar measures. We also use Adjusted EBITDA as a basis to measure compliance with our Senior Secured Credit Facilities.

We define EBITDA as net income before interest expense, income taxes and depreciation and amortization expenses. Adjusted EBITDA represents EBITDA as further adjusted for non-cash stock based compensation expense, pre-opening expenses, acquisition expenses, purchase accounting and other expenses that we do not consider representative of our ongoing operating performance. EBITDA and Adjusted EBITDA are non-GAAP measures and may not be comparable to similar measures reported by other companies. EBITDA and Adjusted

[Table of Contents](#)

EBITDA have limitations as analytical tools, and you should not consider them in isolation, or as a substitute for analysis of our results as reported under GAAP. In the future we may incur expenses or charges such as those added back to calculate Adjusted EBITDA. Our presentation of Adjusted EBITDA should not be construed as an inference that our future results will be unaffected by unusual items. For further discussion of EBITDA and Adjusted EBITDA and for reconciliations of EBITDA and Adjusted EBITDA to net income, the most directly comparable GAAP measure, see “Summary—Summary historical consolidated financial and other data.”

Factors affecting the comparability of our results of operations

Our results over the past two years have been affected by the following events, which must be understood in order to assess the comparability of our period-to-period financial performance and condition.

Historical results

Historical results are not necessarily indicative of the results to be expected for any future period.

CCMP Acquisition adjustments

In connection with the CCMP Acquisition, our subsidiaries entered into the Senior Secured Credit Facilities. The CCMP Acquisition and borrowings under our Senior Secured Credit Facilities impacted our fiscal year 2014 and 2013 consolidated statements of operations. We incurred additional interest expense associated with the financing for the acquisition of \$7.6 million and \$6.6 million, net of tax, in fiscal years 2014 and 2013, respectively. Our consolidated statements of income reflected various non-cash purchase accounting adjustments related to the CCMP Acquisition, net of tax, of \$0.4 million and \$1.6 million for the fiscal years 2014 and 2013, respectively.

Financing transactions and payments to stockholders

On February 26, 2013, the credit agreements governing our Senior Secured Credit Facilities were amended to reduce the interest rate margin applicable to borrowings under the Term Loan Facility, to provide for additional loans under the Term Loan Facility in an aggregate principal amount of \$50.0 million and to permit a share repurchase. The proceeds of the increased Term Loan Facility borrowings were net of \$2.2 million, of which \$1.8 million was recorded as additional original issue discount and \$0.4 million was recognized as interest expense on the date of the amendment. We used the proceeds of the additional Term Loan Facility borrowings to repurchase 43,475 shares of Class A Common Stock from CCMP, our majority stockholder, for an aggregate purchase price of \$46.2 million. We incurred various arrangement fees and legal fees totaling \$1.6 million in connection with this amendment, of which \$1.1 million was recorded as deferred financing fees and \$0.5 million was recognized as selling, general and administrative expense on the date of the amendment. In connection with this amendment, \$1.1 million of debt issuance cost and \$0.4 million of original issue discount was accelerated on the date of the amendment and included within interest expense.

On April 11, 2014, we entered into a Second Amendment to the Term Loan, which allowed additional borrowings in an aggregate principal amount of \$60.0 million. The primary purpose of the additional Term Loan Facility borrowing was to distribute \$58.0 million as a special cash dividend to common stockholders as consented by the original Term Loan Facility lenders. The total dividend amount was recorded as a reduction of retained earnings of \$23.6 million to reduce the retained earnings balance as of the dividend date to zero and the additional \$34.4 million was recorded as a reduction of additional paid-in capital. The proceeds received were net of \$2.0 million in fees, of which \$1.3 million was recognized as deferred financing fees, \$0.4 million was recorded as additional original issue discount, and \$0.3 million was recognized as selling, general and administrative expenses. In connection with this amendment, \$0.4 million of debt issuance cost and \$0.2 million of original issue discount were accelerated on the date of the amendment and included within interest expense.

Store openings

In fiscal year 2014, we opened 22 new stores, including our initial entry into Alabama and Georgia. In fiscal year 2013, we opened 23 new stores and entered two new states, Michigan and Indiana. In connection with these store openings, we incurred pre-opening expenses of \$4.6 million and \$4.8 million in fiscal years 2014 and 2013, respectively.

Distribution center

In April 2014, we opened our second distribution center, located in Commerce, GA. We incurred certain start-up costs related to the opening of this distribution center, including costs associated with securing the 962,280 square foot site and entering into the lease arrangements. As of January 31, 2015, we were entitled to occupy 408,240 square feet of the facility and are under a lease obligation to incrementally add square footage up to 962,280 square feet through November 2017. During fiscal year 2014, we also incurred additional costs associated with the opening and start-up of the Commerce, GA distribution center. In addition, we incurred \$0.3 million of pre-opening expenses primarily consisting of inventory transportation costs, employee travel expenses and occupancy costs. We also made capital expenditures related to the new distribution center of \$5.2 million and \$0.9 million in fiscal years 2014 and 2013, respectively. In addition, we incurred costs related to hiring and training new associates for this distribution center. As of May 1, 2015, we will occupy an additional 145,800 square feet, for a total of 554,040 square feet, of the Commerce, GA distribution center. We expect to make additional expenditures related to our utilization of this additional space in fiscal year 2015.

Results of operations

The following tables summarize key components of our results of operations for the periods indicated, both in dollars and as a percentage of our net sales.

We derived the consolidated statements of income for the fiscal years 2014 and 2013 from our audited consolidated financial statements and related notes included elsewhere in this prospectus. Our historical results are not necessarily indicative of the results that may be expected in the future.

Fiscal year 2014 compared to fiscal year 2013

Net sales

Net sales increased to \$638.0 million in fiscal year 2014 from \$540.7 million in fiscal year 2013, an increase of \$97.3 million, or 18.0%. The increase was the result of a comparable store sales increase of \$22.1 million and a non-comparable store sales increase of \$75.2 million. Our increase in non-comparable store sales was primarily driven by the increase in the number of stores that opened in fiscal year 2013, but were not open for a full 15 months during fiscal year 2014, as well as new stores opened during fiscal year 2014.

Comparable store sales increased 4.4% for fiscal year 2014 compared to a 1.1% increase for fiscal year 2013. The increase in comparable store sales was primarily driven by strong deals in food and other categories, including automotive, pets and personal health care, as well as increased consumer spending related to lower gasoline prices.

Cost of sales

Cost of sales increased to \$384.5 million in fiscal year 2014 from \$323.9 million in fiscal year 2013, an increase of \$60.6 million, or 18.7%. The increase in cost of sales was primarily a result of opening 22 new stores in fiscal year 2014, as well as the opening of our Commerce, GA distribution center in April 2014.

Gross profit and gross margin

Gross profit increased to \$253.5 million in fiscal year 2014 from \$216.8 million in fiscal year 2013, an increase of \$36.7 million, or 16.9%. The increase in gross profit was primarily the result of new store growth and increases in comparable store sales. Our gross margin decreased to 39.7% in fiscal year 2014 from 40.1% for fiscal year 2013, a decrease of 36 basis points. The decrease in gross margin was primarily attributable to additional costs associated with the opening and start-up of the Commerce, GA distribution center in fiscal year 2014 and, to a lesser extent, variations in product mix.

Selling, general and administrative expenses

Selling, general and administrative expenses increased to \$178.8 million in fiscal year 2014 from \$153.8 million in fiscal year 2013, an increase of \$25.0 million, or 16.3%. As a percentage of net sales, selling, general and administrative expenses decreased 41 basis points to 28.0% in fiscal year 2014 compared to 28.4% in fiscal year 2013. The increase in selling, general and administrative expense was primarily the result of increases in store-related expenses to support new store growth.

Depreciation and amortization expenses

Depreciation and amortization expenses decreased to \$7.0 million in fiscal year 2014, from \$8.0 million in fiscal year 2013, a decrease of \$1.0 million, or 12.5%, primarily as a result of certain intangibles and property and equipment recorded in connection with the CCMP Acquisition.

Pre-opening expenses

Pre-opening expenses increased slightly to \$4.9 million in fiscal year 2014 from \$4.8 million in fiscal year 2013, an increase of less than \$0.1 million, or approximately 2.1%.

Income tax expense

Income tax expense increased to \$16.8 million in fiscal year 2014 from \$11.3 million in fiscal year 2013, an increase of \$5.5 million, or 48.7%. This increase in income tax expense was primarily the result of the \$12.9 million increase in pre-tax net income. Our effective tax rate increased to 38.4% in fiscal year 2014 from 36.6% in fiscal year 2013 due to the reduction of certain state tax credits.

Net income

As a result of the foregoing, net income increased to \$26.9 million in fiscal year 2014 from \$19.5 million in fiscal year 2013, an increase of \$7.4 million, or 37.9%.

Seasonality

Our business is seasonal in nature and demand is generally the highest in our fourth fiscal quarter due to the holiday sales season. To prepare for the holiday sales season, we must order and keep in stock more merchandise than we carry during other times of the year and generally engage in additional marketing efforts. We expect inventory levels, along with accounts payable and accrued expenses, to reach their highest levels in our third and fourth fiscal quarters in anticipation of increased net sales during the holiday sales season. As a result of this seasonality, and generally because of variation in consumer spending habits, we experience fluctuations in net sales and working capital requirements during the year. Because we offer a broad selection of merchandise at extreme values, we believe that we are less impacted than other retailers by economic cycles that correspond with declines in general consumer spending habits and that we still benefit from periods of increased consumer spending.

Liquidity and capital resources

Overview

Our primary sources of liquidity are net cash provided by operating activities and borrowings under our ABL Facility. Our primary cash needs are for capital expenditures and working capital. As of January 31, 2015, we had \$73.5 million available for borrowing under our ABL Facility, which was undrawn, \$321.3 million outstanding, net of unamortized original issue discount of \$2.8 million, under our Term Loan Facility and \$22.0 million of cash on hand. In February 2013 and April 2014, we amended our initial \$225.0 million Term Loan to provide for additional loans of \$50.0 million and \$60.0 million, respectively. The proceeds of these additional borrowings were used to repurchase stock and pay a special dividend in February 2013 and April 2014, respectively. See “—Factors affecting the comparability of our results of operations—Financing transactions and payments to stockholders” “—Senior secured credit facilities” and “Description of certain indebtedness.”

Our capital expenditures are primarily related to new store openings, store resets, which consist of improvements to stores as they are needed, expenditures related to our distribution centers, and infrastructure-related investments, including investments related to upgrading and maintaining our information technology systems. In fiscal year 2014, in addition to expenditures related to new store openings and the opening of our Commerce, GA distribution center, we also used approximately \$1.7 million for store resets. We plan to make capital expenditures of approximately \$13.0 million to \$14.5 million in fiscal year 2015, which we expect to fund from net cash provided by operating activities. We expect to spend approximately half of our budgeted capital expenditures in fiscal year 2015 to open 25 to 30 new stores. We also expect to invest in our distribution centers, store resets and general corporate capital expenditures, including information technology in fiscal year 2015.

[Table of Contents](#)

Our primary working capital requirements are for the purchase of inventory, payroll, rent, other store operating costs and distribution costs. Our working capital requirements fluctuate during the year, rising in our third fiscal quarter as we increase quantities of inventory in anticipation of our peak holiday sales season in our fourth fiscal quarter. Fluctuations in working capital are also driven by the timing of new store openings.

Historically, we have funded our capital expenditures and working capital requirements during the fiscal year with cash on hand and borrowings under our ABL Facility. When we have used our ABL Facility, the amount of indebtedness outstanding under it has tended to be the highest in the beginning of our fourth fiscal quarter. Over the past two fiscal years, to the extent that we have drawn on the ABL Facility, we have paid down the borrowings before the end of December each fiscal year with cash generated during our peak selling season in our fourth fiscal quarter.

Based on our growth plans, we believe our cash position, net cash provided by operating activities and availability under our ABL Facility will be adequate to finance our planned capital expenditures, working capital requirements and debt service over the next 12 months and the foreseeable future thereafter. If cash provided by operating activities and borrowings under our ABL Facility are not sufficient or available to meet our capital requirements, then we will be required to obtain additional equity or debt financing in the future. There can be no assurance that equity or debt financing will be available to us when we need it or, if available, the terms will be satisfactory to us and not dilutive to our then-current stockholders. See "Risk factors—Risks related to our business and industry—We may be unable to generate sufficient cash flow to satisfy our significant debt service obligations, which could have a material adverse effect on our business, financial condition and results of operations."

Summary of cash flows

A summary of our cash flows from operating, investing and financing activities is presented in the following table:

	Fiscal year	
	2014	2013
	(in thousands)	
Net cash provided by operating activities	\$ 31,842	\$19,713
Net cash used in investing activities	(14,007)	(9,554)
Net cash used in financing activities	(8,049)	(2,593)
Net increase in cash	<u>\$ 9,786</u>	<u>\$ 7,566</u>

Cash provided by operating activities

Net cash provided by operating activities for fiscal year 2014 was \$31.8 million, an increase from \$19.7 million in fiscal year 2013. The increase in fiscal year 2014 net cash provided by operating activities was primarily the result of the increase in net income and changes in certain working capital accounts. The primary drivers of this increase were 22 stores which were added in fiscal year 2014 contributing to the increase in net income, an increase in accounts payable related to the additional inventory purchases to support the new store growth and timing of payments. Partially offsetting this increase was a decrease in the income taxes payable based upon the increase in taxable income and quarterly estimated tax payments.

Cash used in investing activities

Net cash used in investing activities for fiscal year 2014 was \$14.0 million, an increase from \$9.6 million in fiscal year 2013 and related solely to capital expenditures. The increase in capital expenditures was primarily for new store growth and the opening of an additional distribution center in Commerce, GA during fiscal year 2014.

Cash used in financing activities

Net cash used in financing activities for fiscal years 2014 and 2013 was \$8.0 million and \$2.6 million, respectively. The increase in fiscal year 2014 net cash flows used in financing activities was primarily related to repayments under the Term Loan Facility.

Senior secured credit facilities

On September 28, 2012, in connection with the CCMP Acquisition, our wholly owned subsidiaries, Ollie's Holdings, Inc. ("Ollie's Holdings") and Ollie's Bargain Outlet, Inc. ("Ollie's Bargain Outlet" and together with Ollie's Holdings, the "Borrowers") and certain of their subsidiaries entered into a \$75.0 million ABL Facility, which included a \$25.0 million letter of credit and a \$20.0 million swingline loan facility, and a \$225.0 million Term Loan Facility with Manufacturers and Traders Trust Company as administrative agent for the ABL Facility, Jefferies Finance LLC, as administrative agent for the Term Loan Facility and Manufacturers and Traders Trust Company, Jefferies Finance LLC and KeyBank National Association as joint lead arrangers and joint bookrunners for the Senior Secured Credit Facilities.

On February 26, 2013, the credit agreements governing our Senior Secured Credit Facilities were amended to reduce the interest rate margin applicable to borrowings under the Term Loan Facility, to provide for additional loans under the Term Loan Facility in an aggregate principal amount of \$50.0 million and to permit a share repurchase from CCMP, our majority stockholder. Our proceeds of the increased Term Loan Facility borrowings were net of \$2.2 million, of which \$1.8 million was recorded as additional original issue discount and \$0.4 million was recognized as interest expense on the date of the amendment. We used the proceeds of additional Term Loan Facility borrowings to repurchase 43,475 shares of Class A Common Stock from our majority stockholder for an aggregate purchase price of \$46.2 million.

On April 11, 2014, the credit agreements governing our Senior Secured Credit Facilities were further amended to reduce the interest rate margin applicable to borrowings under the Term Loan Facility, to provide for additional term loans under the Term Loan Facility in aggregate principal amount of \$60.0 million and to permit a special dividend to holders of our common stock. We used the proceeds of the additional Term Loan Facility borrowings to make a cash dividend of \$58.0 million to holders of our common stock. The proceeds of the increased Term Loan Facility borrowings were net of \$1.3 million, which was recognized as deferred financing fees, \$0.4 million was recorded as additional original issue discount, and \$0.3 million was recognized as selling, general and administrative expenses.

The Term Loan Facility is payable in 27 consecutive quarterly payments of \$0.8 million to be made on the last business day of each fiscal quarter beginning with February 1, 2013, with the remaining unpaid principal balance of the Term Loan Facility along with all accrued and unpaid interest to be paid by September 28, 2019. The Term Loan Facility provides for an "Excess Cash Flow" payment, as defined therein, to be made on or before the date that is 125 days following the end of our fiscal year of each year beginning with the fiscal year ending February 1, 2014. The Excess Cash Flow payment expected to be made for the fiscal year 2014 is \$4.4 million and was included in the current portion of long-term debt as of January 31, 2015. The Excess Cash Flow payment for fiscal year 2013 was \$4.3 million and was included in current portion of long-term debt as of February 1, 2014.

Borrowings under the Term Loan Facility, bear interest at a rate per annum calculated as the higher of the Prime Rate, the Federal Funds Effective Rate plus 0.5%, the Eurodollar Rate plus 1.00%, or 2.00%; plus the Applicable Margin, as defined in the credit agreement. The Term Loan Facility also allows for Eurodollar Loans with a floor of 1.00%, plus the Applicable Margin. As part of the April 2014 amendment to the Term Loan Facility, our Applicable Margin on the interest rate was reduced by 0.25% (from 3.00% to 2.75% for a Base Rate

[Table of Contents](#)

Loan and from 4.00% to 3.75% for a Eurodollar Loan), the floor was reduced from 1.25% to 1.00%. As of January 31, 2015 and February 1, 2014 the interest rate on outstanding borrowings under the Term Loan Facility was 4.75% and 5.25%, respectively.

Under the terms of the ABL Facility, we can borrow up to 90.0% of the most recent appraised value (valued at cost, discounted for the current net orderly liquidation value) of our eligible inventory, as defined therein, up to \$75.0 million. The ABL Facility includes a \$25.0 million sub-facility for letters of credit and a \$20.0 million swingline facility. Borrowings under the ABL Facility bear interest at a rate per annum calculated at the higher of the Prime Rate, the Federal Funds Effective Rate plus 0.5%, or the Eurodollar Rate plus 1.00%; plus Applicable Margin, which could range from 0.75% to 1.25%. Under the terms of the ABL Facility, the Applicable Margin may fluctuate subject to periodic measurements of average availability, as defined therein. The ABL Facility also allows for Eurodollar Loans comprised of the Eurodollar Base Rate plus Applicable Margin, which could range from 1.75% to 2.25%. Under the terms of the ABL Facility, the Borrowers may request up to \$25.0 million in increased commitments, subject to certain requirements and restrictions.

As of January 31, 2015, we had \$73.5 million available for borrowing under our ABL Facility and there were no outstanding borrowings thereunder. The interest rate applicable if borrowings were outstanding as of January 31, 2015 and February 1, 2014 would have been in a range of 2.19% and 4.25%. The ABL Facility also includes an unused line fee of 0.375% per annum. The Borrowers incurred unused line fees of \$0.2 million in fiscal years 2014 and 2013.

The Senior Secured Credit Facilities are collateralized by the all of the Borrowers' assets and equity and contain financial covenants and certain business covenants, including restrictions on dividend payments, that the Borrowers must comply with during the term of the agreement. As of January 31, 2015 and February 1, 2014, the Borrowers were in compliance with our Senior Secured Credit Facilities. For additional description of the Senior Secured Credit Facilities, see "Description of certain indebtedness—Senior secured credit facilities."

Contractual obligations

We enter into long-term contractual obligations and commitments in the normal course of business, primarily operating leases.

As of January 31, 2015, our contractual obligations and other commitments were:

	Less than 1 year	1-3 Years	3-5 Years	Thereafter	Total
	Payments due by year (in thousands)

(1) Includes the initial lease term and optional renewal terms that are included in the lease term of our store and distribution center leases in accordance with accounting guidance related to leases.

(2) Includes the aggregate principal payments under the Term Loan Facility and assumes no borrowings under our ABL Facility. We intend to use a portion of the net proceeds of this offering to repay \$ in aggregate principal amount of outstanding borrowings under our Term Loan Facility.

(3) Represents the expected cash payments for interest on our long-term debt based on the interest rates in place and the amounts outstanding as of January 31, 2015.

Off-Balance sheet arrangements

Except for operating leases entered into in the normal course of business, we do not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on our financial condition,

[Table of Contents](#)

changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to investors.

Critical accounting policies and estimates

We have identified the policies below as critical to our business operations and understanding of our results of operations. The impact and any associated risks related to these policies on our business operations are discussed throughout "Management's discussion and analysis of financial condition and results of operations" where such policies affect our reported and expected financial results. Our financial statements, which have been prepared in accordance with U.S. GAAP, require us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues, expenses and related disclosures. We base our estimates on historical experience and various other assumptions that we believe to be reasonable under the circumstances. Actual results may differ from these estimates. For a detailed discussion on the application of these and other accounting policies, See Note 1 in our audited financial statements included elsewhere in this prospectus.

Inventories

Inventories are stated at the lower of cost or market determined using the retail inventory method on a first-in, first-out basis. The cost of inventories includes the merchandise cost, transportation costs, and certain distribution and storage costs. Such costs are thereafter expensed as cost of sales upon the sale of the merchandise. The retail inventory method uses estimates for inventory shrinkage and markdowns to calculate ending inventory. These estimates made by management could significantly impact the ending inventory valuation at cost and the resulting gross margin.

Goodwill/Intangible assets

We amortize intangible assets over their useful lives unless we determine such lives to be indefinite. Goodwill and intangible assets having indefinite useful lives are not amortized to earnings, but instead are subject to annual impairment testing or more frequently if events or circumstances indicate that the value of goodwill or intangible assets having indefinite useful lives might be impaired.

Entities have an option to perform a qualitative assessment to determine whether further impairment testing on goodwill is necessary. Specifically, an entity has the option to first assess qualitative factors to determine whether it is necessary to perform the two-step quantitative test. The goodwill quantitative impairment test is a two-step test. Under the first step, the fair value of the reporting unit is compared with its carrying value (including goodwill). If the fair value of the reporting unit is less than its carrying value, an indication of goodwill impairment exists for the reporting unit and the enterprise must perform step two of the impairment test (measurement). Under step two, an impairment loss is recognized for any excess of the carrying amount of the reporting unit's goodwill over the implied fair value of that goodwill. The implied fair value of goodwill is determined by allocating the fair value of the reporting unit in a manner similar to a purchase price allocation. The residual fair value after the allocation is the implied fair value of the reporting unit goodwill. Fair value of the sole reporting unit is determined utilizing a combination of valuation methods including both the income approach (including a discounted cash flow analysis) and market approach (including prior transaction method and comparable public company multiples). If the fair value of the reporting unit exceeds its carrying value, step two does not need to be performed. If an entity believes, as a result of its qualitative assessment, that it is more-likely than-not that the fair value of a reporting unit is less than its carrying amount, the quantitative impairment test is required. Otherwise, no further testing is required. We have selected the fiscal month ending date of October as the annual impairment testing date. For the fiscal year ended February 1, 2014, we

[Table of Contents](#)

completed a quantitative impairment test. For the fiscal year ended January 31, 2015, we completed a qualitative impairment test. Based upon the procedures described above, no impairment of goodwill existed as of January 31, 2015 or February 1, 2014.

We are also required to perform impairment tests annually or more frequently if events or circumstances indicate that the value of its nonamortizing intangible assets might be impaired. Our nonamortizing intangible assets as of January 31, 2015 and February 1, 2014 consisted of a trade name. Entities have an option to perform a qualitative assessment to determine whether further impairment testing of nonamortizing intangible assets is necessary. Specifically, an entity has the option to first assess qualitative factors to determine whether it is necessary to perform a quantitative test. We perform the quantitative impairment test using the discounted cash flow method based on management's projections to determine the fair value of the asset. The carrying amount of the asset is then compared to the fair value. If the carrying amount is greater than fair value, an impairment loss is recorded for the amount that fair value is less than the carrying amount. If an entity believes, as a result of its qualitative assessment, that it is more-likely than-not that the fair value is less than its carrying amount, the quantitative impairment test is required. Otherwise, no further testing is required. For the fiscal year ended February 1, 2014, we completed a quantitative impairment test. For the fiscal year ended January 31, 2015, we completed a qualitative impairment test. Based upon the procedures described above, no impairment of trade name existed as of January 31, 2015 or February 1, 2014.

Intangible assets with determinable useful lives are amortized over their estimated useful lives and reviewed for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable.

Impairment of long-lived assets

Long-lived assets, such as property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset or asset group be tested for possible impairment, we first compare undiscounted cash flows expected to be generated by that asset or asset group to its carrying value. If the carrying value of the long-lived asset or asset group is not recoverable on an undiscounted cash flow basis, impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary.

Revenue recognition

We recognize retail sales in our stores at the time a customer pays and takes possession of merchandise. Net sales are presented net of returns and sales tax. We provide an allowance for estimated retail merchandise returns based on prior experience.

Stock-based compensation

Our share-based compensation expense is measured at the grant date, based on the calculated fair value of the award, and is recognized as an expense on a straight-line basis over the associate's requisite service period (generally the vesting period of the equity grant). We recognize compensation expense based on the estimated grant date fair value using the Black-Scholes option-pricing model for grants of stock options. The determination of the grant date fair value is based on our expected stock price volatility over the expected term of the options, stock option exercise and cancellation behaviors, risk-free interest rates and expected dividends. As a result, if any of the inputs or assumptions used in the Black-Scholes model change significantly, share-based compensation for future awards may differ materially compared with the awards granted previously.

[Table of Contents](#)

There are significant judgments and estimates inherent in the determination of fair value of share-based awards. These judgments and estimates include determinations of an appropriate valuation method and the selection of appropriate inputs to be used in the valuation model. The use of alternative assumptions, including expected term, volatility, risk-free interest rate and dividend yield, could cause share-based compensation to differ significantly from what has been recorded in the past. Future share-based compensation cost will increase when we grant additional equity awards. Modifications, cancellations or repurchases of awards may require us to accelerate any remaining unearned share-based compensation cost or incur additional cost.

Determination of the fair value of common stock on grant date.

Prior to the consummation of this offering, our associates were eligible to receive awards as part of our 2012 Plan. Following the consummation of this offering, associates are eligible to receive awards from our 2015 Plan. Our stock-based compensation cost is measured at the grant date based on the fair value of the award and is recognized as expense over the requisite service period, which generally represents the vesting period, and includes an estimate of the awards which will be forfeited. Prior to this offering, we have been a private company with no active public market for our common stock. Therefore, prior to this offering, in connection with each grant of stock options, the fair value of the common stock underlying the awards was determined by and approved by our Board with the assistance of management, which intended all stock options granted to be exercisable at a price per share not less than the per share fair value of our common stock. Given the absence of a public trading market for our common stock, estimating the fair value of our common stock has required complex and subjective judgments and assumptions, including:

- valuations of our common stock at each grant date based on our actual operational and financial performance and current business conditions; and
- the trading multiple of companies which we have deemed guideline companies based on a number of factors, including similarity to us with respect to industry, business model, and growth profile.

For the period from September 28, 2012 to March 11, 2014 the Board considered alternative valuation methodologies but determined the best indication of the fair value of our common stock was the value at which the CCMP Acquisition occurred.

Stock option grants

We granted stock options at an exercise price of \$1,000 per share pursuant to our 2012 Plan and determined that the fair value of the common stock on the date of grant was \$1,000 per share for the following grant dates:

Issuance date	Number of options issued
September 28, 2012	44,805
March 13, 2013	2,650
June 11, 2013	250
September 10, 2013	300
December 10, 2013	100
March 11, 2014	3,150

In assessing the reasonableness of the fair value of our common stock for the above grants, we considered the following:

- the grants that were issued on September 28, 2012 were concurrent with the CCMP Acquisition, which occurred at a value per common stock share of \$1,000, which therefore, was determined to be the fair value of the common stock for purposes of the grants

[Table of Contents](#)

- for the period from September 28, 2012 to March 11, 2014, no material changes had occurred to the variables impacting the fair value of our common stock that would result in a better indication of fair value than the price at which the CCMP Acquisition was completed.

On April 11, 2014, we entered into an additional term loan borrowing of \$60.0 million as described above in “—Financing transactions and payments to stockholders.” The proceeds were used for a special cash dividend to our stockholders. Pursuant to the anti-dilutive clause in the 2012 Plan, the option exercise price for all options issued prior to the dividend date was reduced to \$861.74 from \$1,000.

On June 10, 2014, we granted stock options to purchase a total of 3,550 shares of common stock at an exercise price of \$1,040.06 per share pursuant to the 2012 Plan. We determined that the fair value of the common stock on the date of grant was \$1,040.06 per share. To assess the reasonableness of the fair value of our common stock on this date, we considered a valuation approved by the Board (or its compensation committee) utilizing the above valuation method that indicated a valuation price of \$1,040.06 per common share as of May 3, 2014 financial statement date.

Changes from our previous valuation were primarily due to the following:

- multiples of our guideline public company peer group were generally higher than at the time of our previous valuation; and
- continued growth in our last 12 months Adjusted EBITDA.

On September 9, 2014 we granted stock options to purchase a total of 750 shares of common stock at an exercise price of \$1,148.60 per share pursuant to the 2012 Plan. We determined the fair value of the common stock on the date of grant was \$1,148.60 per share. To assess the reasonableness of the fair value of our common stock on this date, we considered a valuation approved by the Board utilizing the above valuation method which indicated a valuation price of \$1,148.60 per common share as of August 2, 2014 financial statement date.

Changes from our previous valuation were primarily due to the following:

- multiples of our guideline public company peer group were generally higher than at the time of our previous valuation; and
- continued growth in our last 12 months Adjusted EBITDA.

On December 9, 2014, we granted stock options to purchase a total of 550 shares of common stock at an exercise price of \$1,335.90 per share pursuant to the 2012 Plan. We determined the fair value of the common stock on the date of both grants was \$1,335.90 per share. To assess the reasonableness of the fair value of our common stock on these dates, we considered a valuation approved by the Board utilizing the above valuation method which indicated a valuation price of \$1,335.90 per common share as of November 1, 2014 financial statement date.

Changes from our previous valuation were primarily due to the following:

- multiples of our guideline public company peer group were generally higher than at the time of our previous valuation; and
- continued growth in our last 12 months Adjusted EBITDA.

For valuations after the consummation of this offering, our Board (or its compensation committee) will generally determine the fair value of each share of underlying common stock based on the closing price of our common stock as reported on the date of grant.

Income taxes

Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating losses and tax credit carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. We recognize the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized.

We file consolidated federal and state income tax returns. For years before 2010, we are no longer subject to U.S. federal income tax examinations. State income tax returns are filed in various state tax jurisdictions, as appropriate, with varying statutes of limitation and remain subject to examination for varying periods up to three to four years depending on the state.

Jumpstart Our Business Startups Act of 2012

We qualify as an “emerging growth company” pursuant to the provisions of the JOBS Act, enacted on April 5, 2012. For as long as we are an “emerging growth company,” we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies,” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding advisory “say-on-pay” votes on executive compensation and shareholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of:

- the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;
- the last day of the fiscal year following the fifth anniversary of the completion of the IPO;
- the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and
- the date on which we are deemed to be a “large accelerated filer” under the Exchange Act, which will be the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates as of the last day of our most recently completed second fiscal quarter, (ii) been a public company for at least 12 months and (iii) filed at least one annual report with the SEC. The value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter.

The JOBS Act also provides that an “emerging growth company” can utilize the extended transition period provided in Section 7(a)(2)(B) of the Securities Act for complying with new or revised accounting standards. However, we chose to opt out of that extended transition period, and, as a result, we will comply with new or revised accounting standards on the relevant dates on which adoption of such standards is required for companies that are not “emerging growth companies.” Under the JOBS Act, our decision to opt out of the transition period for complying with the new or revised accounting standards is irrevocable.

Recently issued accounting pronouncements

In May 2014, the Financial Accounting Standards Board issued Accounting Standards Update (“ASU”) No. 2014-09, Revenue from Contracts with Customers, which requires an entity to recognize the amount of revenue to

which it expects to be entitled for the transfer of promised goods or services to customers. ASU No. 2014-09 will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. The new standard is effective for us on January 29, 2017. Early application is not permitted. The standard permits the use of either the retrospective or cumulative effect transition method. We have not yet determined the effect of the standard on our consolidated financial statements and related disclosures.

Quantitative and qualitative disclosures about market risk

Interest rate risk

Our operating results are subject to risk from interest rate fluctuations on our Senior Secured Credit Facilities, which carry variable interest rates. Our Senior Secured Credit Facilities include a Term Loan Facility and an ABL Facility with advances tied to a borrowing base and which bears interest at a variable rate. Because our Senior Secured Credit Facilities bear interest at a variable rate, we are exposed to market risks relating to changes in interest rates. As of January 31, 2015, we had no outstanding borrowings under our ABL Facility and outstanding variable rate debt under our Term Loan Facility was approximately \$321.3 million, net of unamortized original debt issue discount of \$2.8 million. Based on January 31, 2015 debt levels, an increase or decrease of 1% in the effective interest rate would cause an increase or decrease in interest cost of approximately \$3.2 million over the next 12 months. We do not use derivative financial instruments for speculative or trading purposes, but this does not preclude our adoption of specific hedging strategies in the future.

Impact of inflation

Our results of operations and financial condition are presented based on historical cost. While it is difficult to accurately measure the impact of inflation due to the imprecise nature of the estimates required, we believe the effects of inflation, if any, on our historical results of operations and financial condition have been immaterial. We cannot assure you, however, that our results of operations and financial condition will not be materially impacted by inflation in the future.

Internal control over financial reporting

The process of improving our internal controls has required and will continue to require us to expend significant resources to design, implement and maintain a system of internal controls that is adequate to satisfy our reporting obligations as a public company. There can be no assurance that any actions we take will be completely successful. We will continue to evaluate the effectiveness of our disclosure controls and procedures and internal control over financial reporting on an on-going basis. As part of this process, we may identify specific internal controls as being deficient.

We have begun documenting and testing our internal control procedures in order to comply with the requirements of Section 404 of the Sarbanes-Oxley Act. Section 404 requires annual management assessments of the effectiveness of our internal control over financial reporting and a report by our independent auditors addressing these assessments; however, for so long as we qualify as an emerging growth company, we will not be required to engage an independent registered public accounting firm to report on our internal controls over financial reporting. We must assess the effectiveness of our internal control over financial reporting in compliance with Section 404 no later than the time we file our second annual report with the SEC as a public company.

Business

Our company

We are a highly differentiated and fast-growing, extreme value retailer of brand name merchandise at drastically reduced prices. Known for our assortment of “Good Stuff Cheap,” we offer customers a broad selection of brand name products, including housewares, food, books and stationery, bed and bath, floor coverings, toys and hardware. Our differentiated go-to market strategy is characterized by a unique, fun and engaging treasure hunt shopping experience, compelling customer value proposition and witty, humorous in-store signage and advertising campaigns. These attributes have driven our rapid growth and strong and consistent store performance.

Mark Butler, our Chairman, President and Chief Executive Officer, co-founded Ollie's in 1982, based on the idea that “everyone in America loves a bargain.” Since opening our first store in Mechanicsburg, PA, we have expanded throughout the Eastern half of the United States. From the time Mr. Butler assumed his current position as President and Chief Executive Officer in 2003, we have grown from operating 28 stores in three states to 178 stores in 16 states as of March 31, 2015. Our no-frills, “semi-lovely” warehouse style stores average approximately 34,000 square feet and generate consistently strong financial returns across all vintages, geographic regions, population densities, demographic groups, real estate formats and regardless of any co-tenant. Our business model has resulted in strong financial performance irrespective of the economic environment as evidenced by the fact that since opening for business, we believe 100% of our stores have generated positive four-wall EBITDA on a trailing 12-month basis. We expect to open between 25 and 30 new stores in fiscal year 2015 and believe there is opportunity for more than 950 Ollie's locations across the United States based on internal estimates and third party research conducted by Jeff Green Partners.

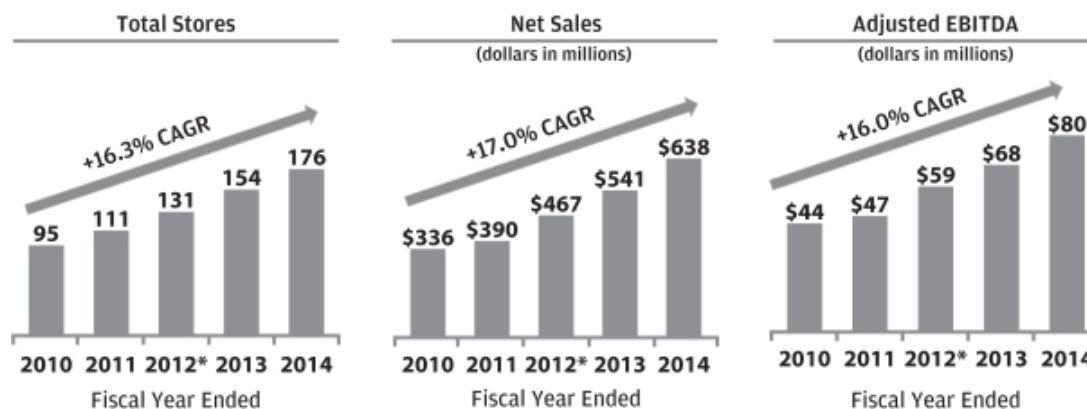

Our constantly changing merchandise assortment is procured by a highly experienced merchant team, who leverage deep, long-standing relationships with hundreds of major manufacturers, wholesalers, distributors, brokers and retailers. These relationships enable our merchant team to find and select only the best buys from a broad range of brand name and closeout product offerings and to pass drastically reduced prices along to our customers. As we grow, we believe our increased scale will provide us with even greater access to brand name products because many large manufacturers favor large buyers capable of acquiring an entire deal. Our merchant team augments these deals with directly sourced products including Ollie's own private label brands and other products exclusive to Ollie's.

Our business model has produced consistently strong growth and financial performance. From fiscal year 2010 to fiscal year 2014:

- Our store base expanded from 95 stores to 176 stores, a CAGR of 16.3%, and we entered 8 new states.
- New stores opened during this period produced average cash-on-cash returns of 61% in their first 12 months of operations.
- Comparable store sales grew at an average rate of 1.7% per year.
- Net sales increased from \$335.7 million to \$638.0 million, a CAGR of 17.0%.
- Adjusted EBITDA increased from \$43.7 million to \$80.3 million, a CAGR of 16.0%.
- Net income increased from \$19.1 million to \$26.9 million.

Our competitive strengths

We believe the following strengths differentiate us from our competitors and serve as the foundation for our current and future growth:

“Good Stuff Cheap”—Ever changing product assortment at drastically reduced prices. Our stores offer something for everyone across a diverse range of merchandise categories at prices up to 70% below department and fancy stores and up to 20-50% below mass market retailers. Our product assortment frequently changes based on the wide variety of deals available from the hundreds of brand name suppliers we have relationships with. We augment these opportunistic deals on brand name merchandise with directly sourced unbranded products or those under our own private label brands such as Sarasota Breeze, Steelton Tools and American Way and exclusively licensed recognizable brands and celebrity names such as Magnavox, Marcus Samuelsson Signature Cookware and Kasey Kahne Car Care. Branded and closeout merchandise represented 70% and unbranded goods and private label products collectively represented 30% of our fiscal year 2014 merchandise purchases. Our treasure hunt shopping environment and slogan “when it’s gone, it’s gone” help to instill a “shop now” sense of urgency that encourages frequent customer visits.

Highly experienced and disciplined merchant team. Our merchant team maintains strong, long-standing relationships with a diverse group of suppliers, allowing us to procure branded merchandise at compelling values for our customers. This team is led by five senior merchants, including Mark Butler, and has over 104 years of combined industry experience and 87 combined years of experience at Ollie’s. We have been doing business with our top 15 suppliers for an average of 12 years, and no single supplier accounted for more than 5% of our purchases during fiscal year 2014. Our well-established relationships with our suppliers together with our scale, buying power, financial credibility and responsiveness often makes Ollie’s the first call for available deals. Our direct relationships with our suppliers have increased as we have grown and we continuously strive to broaden our supplier network. These factors provide us with increased access to goods, which enables us to be more selective in our deal-making and which we believe helps us provide compelling value and assortment of goods to our customers and fuels our continued profitable growth.

Distinctive brand and engaging shopping experience. Our distinctive and often self-deprecating humor and highly recognizable caricatures are used in our stores, flyers, mailers, website and email campaigns. We

attempt to make our customers laugh as we poke fun at ourselves and current events. We believe this approach creates a strong connection to our brand and sets us apart from other, more traditional retailers. Our “semi-lovely” stores feature these same brand attributes together with witty signage in a warehouse format that create a fun, relaxed and engaging shopping environment. We believe that by disarming our customers by getting them to giggle a bit, they are more likely to look at and trust our products for what they are—extremely great bargains. We offer a “30-day no hard time guarantee” as a means to overcome any skepticism associated with our cheap prices and to build trust and loyalty, because if our customers are not happy, we are not happy. We welcome customers to bring back their merchandise within that timeframe for a “no hard time” full refund. We also make it easy for our customers to browse our stores by displaying our products on easily accessible fixtures and by keeping the stores clean and well-lit. We believe our humorous brand image, compelling values and welcoming stores resonate with our customers and define Ollie’s as a unique and comfortable destination shopping location.

Extremely loyal “Ollie’s Army” customer base. Our best customers are members of our Ollie’s Army customer loyalty program, which stands at 6.3 million members as of January 31, 2015. Over 55% of our sales in fiscal year 2014 were from Ollie’s Army members, and we have consistently grown our base of loyal members at a 25.2% CAGR from 2010 to 2014. Ollie’s Army members spend approximately 37% more per shopping trip at Ollie’s, typically shop more frequently than non-members, and are willing to drive upwards of 25 minutes to shop at our stores. We identify our target customer as “anyone between the ages of 25-70 with a wallet or a purse” seeking a great bargain. Our consumer research supports this approach, revealing that we appeal to a broad demographic spanning a wide range of household incomes, with more than 60% of Ollie’s Army members having an average household income over \$50,000.

Strong and consistent store model built for growth. We employ a proven new store model that generates strong cash flow, consistent financial results and attractive returns on investment regardless of the economic environment. Our highly flexible real estate approach has proven successful across all vintages, geographic regions, population densities, demographic groups, real estate formats and regardless of any co-tenant. Our new store model targets a cash-on-cash return of 55% in the first 12 months of operations. Since 2010, our new stores have generated an average of \$3.9 million in net sales in their first 12 months of operations and produced an average payback period of less than two years. We believe that our consistent store performance, recently opened distribution center in Commerce, GA and disciplined approach to site selection support the portability and predictability of our new unit growth strategy.

Highly experienced and passionate founder-led management team. Our leadership team, directed by our co-founder, Chairman, President and Chief Executive Officer, Mark Butler, has guided our organization through its expansion and positioned us for continued growth. Mark Butler has assembled a talented and dedicated team of executives with an average of 28 years of retail experience, including an average 11 years of experience at Ollie’s. Our senior executives possess extensive experience across a broad range of disciplines, including merchandising, marketing, real estate, finance, store operations, supply chain management and information technology. We believe by encouraging equity ownership and fostering a strong team culture, we have aligned the interests of our employees with those of our shareholders. As a result, no member of the executive management team (any Vice President or higher classification) has ever chosen to leave Ollie’s to work for another company. We believe these factors result in a cohesive team focused on sustainable long-term growth.

Our growth strategy

We plan to continue to drive growth in sales and profitability by executing on the following strategies:

Grow our store base. We believe our compelling value proposition and the success of our stores across a broad range of geographic regions, population densities and demographic groups creates a significant

[Table of Contents](#)

opportunity to profitably increase our store count. Our internal estimates and third party research conducted by Jeff Green Partners indicate the potential for more than 950 national locations. Our new store real estate model is flexible and focuses predominately on second generation sites ranging in size from 25,000 to 35,000 square feet. We believe there is an ample supply of suitable low-cost, second generation real estate to allow us to infill within our existing markets as well as to expand into new, contiguous geographies. This approach leverages our distribution infrastructure, field management team, store management, marketing investments and brand awareness. We expect our new store openings to be the primary driver of our continued, consistent growth in sales and profitability.

Increase our offerings of great bargains. We will continue to enhance our supplier relationships and develop additional sources to acquire brand name and closeout products for our customers. Our strong sourcing relationships with leading major manufacturers and our purchasing scale provide us with significant opportunities to expand our ever-changing assortment of brand name and closeout merchandise at extreme values. We plan to further invest in our merchandising team in order to expand and enhance our sourcing relationships and product categories, which we expect will drive shopping frequency and increase customer spending.

Leverage and expand Ollie's Army. We intend to recruit new Ollie's Army members and increase their frequency of store visits and spending by enhancing our distinctive, fun and recognizable marketing programs, building brand awareness, rewarding member loyalty and utilizing more sophisticated data driven targeted marketing. We believe these strategies, coupled with a larger store base, will enable us to increase the amount of sales driven by loyal Ollie's Army customers seeking the next great deal.

Our merchandise

Strategy

We offer a highly differentiated, constantly evolving assortment of brand name merchandise across a broad range of categories at drastically reduced prices. Our ever-changing assortment of "Good Stuff Cheap" includes brand name and closeout merchandise from leading manufacturers. We augment our brand name merchandise with opportunistic purchases of unbranded goods and our own domestic and direct-import private label brands in underpenetrated categories to further enhance the assortment of products that we offer. Branded and closeout merchandise represented 70% and unbranded goods and private label products collectively represented 30% of our fiscal year 2014 merchandise purchases. We believe our compelling value proposition and the unique nature of our merchandise offerings have fostered our customer appeal across a variety of demographics and socioeconomic profiles.

Our warehouse format stores feature on average more than 130,000 active stock-keeping units across a broad number of categories including housewares, food, books and stationery, bed and bath, floor coverings, toys and hardware as well as other products including electronics, personal health care, candy, clothing, sporting goods, pet and lawn and garden products. We focus on buying cheap to sell cheap and source products as unique buying opportunities present themselves. This approach results in frequently changing product assortments and localized offerings which encourage shopper frequency and a "shop now" sense of urgency as customers hunt to discover the next deal.

The common element of our dynamic merchandise selection is the consistent delivery of great deals to our customers, with products offered at prices up to 70% below department stores and fancy stores and up to 20-50% below mass market retailers. Net sales by merchandise category for fiscal year 2014

Product categories

We maintain consistent average margins across our primary product categories described below.

Brand name and closeout merchandise (70% of merchandise purchases in fiscal year 2014)

Our focus is to provide huge savings to our customers primarily through brand name products across a broad range of merchandise. Our experienced merchant team purchases deeply discounted, branded or closeout merchandise primarily from manufacturers, retailers, distributors and brokers. This merchandise includes overstocks, discontinued merchandise, package changes, cancelled orders, excess inventory and buybacks from retailers and major manufacturers.

[Table of Contents](#)

Unbranded goods/private label (30% of merchandise purchases in fiscal year 2014)

We augment the breadth of our brand name merchandise with unbranded and private label merchandise. In categories where the consumer is not as brand conscious, such as home textiles, home storage and furniture, or when we may not be offering a current brand name merchandise deal, we will buy deeply discounted unbranded merchandise. These extreme value offerings are mixed in the stores with our brand name merchandise. We also have a variety of domestic and direct-import private label merchandise and exclusive products sold under brands such as Sarasota Breeze, Steelton Tools and American Way. These high quality products are developed in key categories such as housewares, are designed to create brand-like excitement and complement our brand name merchandise. We also have exclusive licenses for private label products that use recognizable celebrity names like Marcus Samuelsson, Josh Capon and Kasey Kahne, or brand names like Magnavox. We routinely evaluate the quality and condition of these private label goods to ensure that we are delivering our customer a high quality product at a great price.

Merchandise procurement and distribution

Our disciplined buying strategy and strict adherence to purchasing margins support our merchandising strategy of buying cheap to sell cheap.

Merchandising team

Our 12-member merchant team maintains strong, long-standing relationships with a diverse group of suppliers, allowing us to procure branded merchandise at compelling values for our customers. This team is led by five senior merchants, including Mark Butler, and has over 104 years of combined industry experience and 87 combined years of experience at Ollie's. Our merchants specialize by department in order to build category expertise, in-depth knowledge and sourcing relationships. We believe our buying approach coupled with long-standing and newly formed relationships enable us to find the best deals from major manufacturers and pass drastically reduced prices along to our customers. We plan to further invest in and grow our merchandising team in order to expand and enhance our sourcing relationships and product categories, which we expect will drive shopping frequency and increase customer spending.

Merchandise procurement

We believe that our strong sourcing capabilities are the result of our tenured merchant team's ability to leverage deep, long-standing relationships with hundreds of manufacturers, wholesalers, brokers, retailers and other suppliers. Our merchants maintain direct relationships with brand manufacturers, regularly attend more than 60 tradeshows per year and travel the world to source extreme value offerings across a broad assortment of product categories. We are an ideal partner to major manufacturers because our merchants are experienced and empowered to make quick decisions. Each opportunity is unique and our merchants negotiate directly with the supplier to lock in a particular deal. Our ability to select the most attractive opportunistic purchases from a growing number of available deals enables us to provide a wide assortment of goods to our customers at great deals.

We source from nearly 1,000 suppliers, with no single supplier accounting for more than 5% of our purchases during fiscal year 2014. Our dedication to building strong relationships with suppliers is evidenced by a 12-year average relationship with our top 15 suppliers. As we grow, we believe our increased scale will provide us with even greater access to brand name products since many major manufacturers seek a single buyer to acquire the entire deal.

Distribution and logistics

We have made significant investments to support our store growth plan. In April 2014, we opened our second distribution center, located in Commerce, GA, to support our store operations and expansion plans in the Southeast.

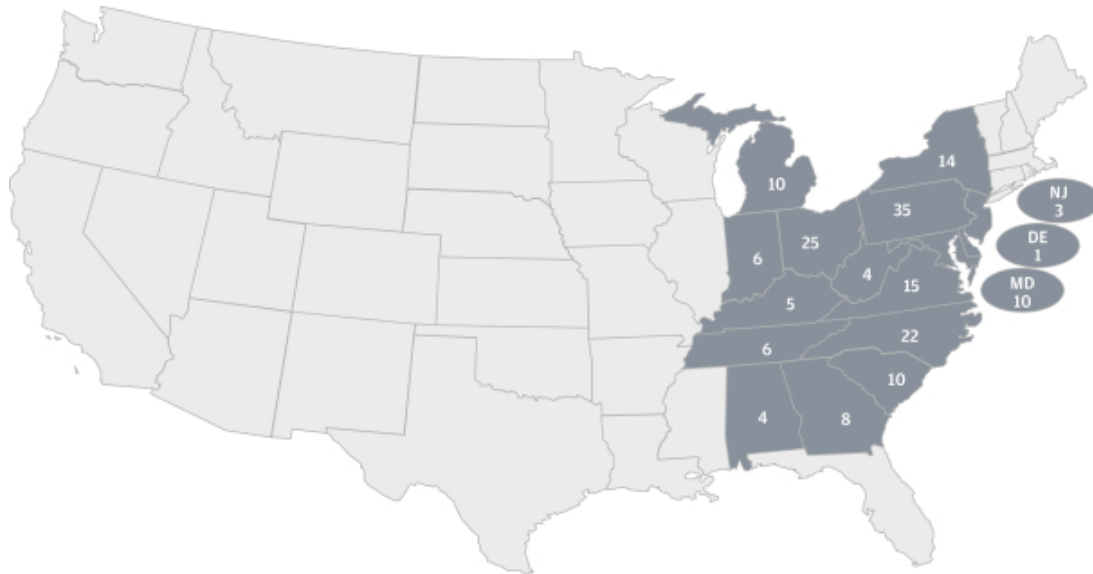

[Table of Contents](#)

We distribute approximately 94% of our merchandise from our 603,000 square foot distribution center in York, PA and our 408,240 square foot distribution center in Commerce, GA that will increase annually to 962,280 square feet by November 2017. In order to minimize the amount of time our retail stores devote to inventory management, all of our merchandise is seeded with price tickets and labeled with a bar code for shipping.

Our stores generally receive shipments from our distribution centers two to three times a week, depending on the season and specific store size and sales volume. We utilize independent third party freight carriers and, on average, load and ship between 40 and 50 trucks per day. We believe our existing distribution capabilities will support our anticipated store growth of between 375 to 400 stores over the next several years.

Our stores

As of March 31, 2015, we operated 178 stores averaging approximately 34,000 square feet across 16 contiguous states in the Eastern half of the United States. Our highly flexible real estate approach has proven successful across all vintages, geographic regions, population densities, demographic groups, real estate formats and regardless of any co-tenant. Our business model has resulted in strong financial performance regardless of the economic environment as evidenced by the fact that since opening for business, we believe 100% of our stores have generated positive four-wall EBITDA on a trailing 12-month basis. We have successfully opened stores in eight new states since fiscal year 2010, highlighting the portability of our new store model. The following map shows the number of stores in each of the states in which we operated as of March 31, 2015:

Store design and layout

All of our warehouse format stores incorporate the same philosophy: no-frills, bright, “semi-lovely” stores and a fun, treasure hunt shopping experience. We present our stores as “semi-lovely” to differentiate our stores from other traditional retailers, and to minimize operating and build-out costs. Our stores also welcome our customers with vibrant and colorful caricatures together with witty signage. We attempt to make our customers laugh as we poke fun at ourselves and current events. We believe that by disarming our customers by getting them to giggle a bit, they are able to look at and trust our products for what they are—extremely great bargains.

[Table of Contents](#)

We believe the store layout and merchandising strategy helps to instill a “shop now” sense of urgency and increase frequency of customer visits as customers never know what they might come across in our stores. We make it easy for our customers to browse our stores by displaying our frequently changing assortment of products on rolling tables, pallets and other display fixtures. Our store team leaders are responsible for maintaining our treasure hunt shopping experience, keeping the stores clean and well-lit and ensuring our customers are engaged. We believe our humorous brand image, compelling values and welcoming stores resonate with our customers and define Ollie’s as a unique and comfortable destination shopping location.

Expansion opportunities and site selection

We believe we can profitably expand our store count on a national scale to more than 950 locations based on internal estimates and third party research conducted by Jeff Green Partners. We plan to open between 25 and 30 new stores in fiscal year 2015 and to continue to expand into attractive markets in the Southeastern United States, including Florida. Our disciplined real estate strategy focuses on infilling existing geographies as well as expanding into contiguous markets in order to leverage our distribution infrastructure, field management team, store management, marketing investments and brand awareness.

We maintain a pipeline of real estate sites that have been approved by our real estate committee and have executed lease agreements for the opening of 17 new stores as of March 31, 2015. Our recent store growth is summarized in the following table:

	Fiscal year	
	2014	2013
Stores open at beginning of period	154	131
Stores opened	22	23
Stores closed	—	—
Stores open at end of period	<u>176</u>	<u>154</u>

We utilize a rigorous site selection and real estate approval process in order to leverage our infrastructure, marketing investments and brand awareness. Members of our real estate team spend considerable time evaluating prospective sites before bringing a new lease proposal to our real estate committee, which is composed of senior management and executive officers. Our flexible store layout allows us to quickly take over a variety of low-cost, second generation sites including former big box retail and grocery stores. We believe there is an ample supply of suitable low-cost, second generation real estate allowing us to infill within our existing markets as well as to expand into new, contiguous geographies. By focusing on key characteristics such as proximity to the nearest Ollie’s store, ability to leverage distribution infrastructure, visibility, traffic counts, population densities of at least 50,000 people within ten miles and low rent per square foot, we have developed a new store real estate model that has consistently delivered attractive returns on invested capital.

Our strong unit growth is supported by our predictable and compelling new store model. We target a store size between 25,000 to 35,000 square feet and an average initial cash investment of approximately \$1.0 million, which includes store fixtures and equipment, store-level and distribution center inventory (net of payables) and pre-opening expenses. With our relatively low investment costs and strong new store opening performance, we target a cash-on-cash return of 55% in the first 12 months of operation. Since 2010, our new stores have generated an average of \$3.9 million in net sales in their first full year of operations and produced an average payback period of less than two years. We believe that our consistent store performance, corporate infrastructure, including our recently opened second distribution center, and disciplined approach to site selection support the portability and predictability of our new unit growth strategy.

Store-level management and training

Our Senior Vice President of Store Operations oversees all store activities. Our stores are grouped into two regions, divided generally along geographic lines. We employ two regional directors, who have responsibility for the day to day operations of the stores in their region. Reporting to the regional directors are 19 district team leaders who each manage a group of stores in their markets.

At the store level, the leadership team consists of a store team leader (manager), co-team leader (first level assistant manager) and assistant team leader (second level assistant manager). Supervisors oversee specific areas within each store.

Each store team leader is responsible for the daily operations of the store, including the processing of merchandise to the sales floor and the presentation of goods throughout the store. Store team leaders are trained to maintain a clean and appealing store environment for our customers. Store team leaders and co-team leaders are also responsible for the hiring, training and development of associates. While each store's sales volume is reviewed to determine the optimal store-level staffing requirements, our typical store employs 16 to 30 associates. Part-time associates generally comprise 65% of the associates in a typical store, with the remaining 35% being full-time associates.

We work tirelessly to hire talented people, to improve our ability to assess talent during the interview process and to regularly train those individuals at Ollie's who are responsible for interviewing candidates. We also devote substantial resources to training our new managers through our Team Leader Training Program. This program operates at designated training stores located across our footprint. It provides an in-depth review of our operations, including merchandising, policies and procedures, asset protection and safety, human resources. Part-time associates receive structured training as part of their onboarding throughout their first five scheduled shifts.

Our Ollie's Leadership Institute ("OLI") is a program that is used to equip associates with the ability to advance their career. Each OLI participant receives an individual development plan, designed to prepare him or her for his or her next level position. Our strong growth provides opportunities for advancement and OLI is focused on preparing eligible candidates for these positions. OLI is our preferred source for new supervisors and team leaders as "home grown" talent has proven to be successful. Since the program was implemented, our internal promotion rate has increased from 18% in 2009 to 50% in 2014. We believe our training and development programs help create a positive work environment and result in stores that operate at a high level.

Marketing and advertising

Our marketing and advertising campaigns feature colorful caricatures and witty sayings in order to make our customers laugh. We believe that by disarming our customers by getting them to giggle a bit, they are able to look at and trust our products for what they are—extremely great bargains. Our distinctive and often self-deprecating humor and highly recognizable caricatures are used in all of our stores, flyers and advertising campaigns.

We tailor our marketing mix and strategy for each market, deal or promotion. We primarily use the following forms of marketing and advertising:

- *Print and direct mail:* During fiscal year 2014, we distributed approximately 350 million highly recognizable flyers. Our flyers serve as the foundation of our marketing strategy and highlight current deals to create shopping urgency and drive traffic and increase frequency of store visits.
- *Radio and television:* We selectively utilize creative radio and television advertising campaigns in targeted markets at certain times of the year, particularly during the holiday sales season to create brand awareness and support new store openings.

- *Sports marketing, charity and community events:* We sponsor amateur and professional athletics including NASCAR, the Baltimore Orioles and the University of Maryland Terrapins as well as various local athletic programs. Additionally, we are dedicated to maintaining a visible presence in the communities in which our stores are located through the sponsorship of charitable organizations such as the Children's Miracle Network, Cal Ripken, Sr. Foundation and the Kevin Harvick Foundation. We believe these sponsorships promote our brand, underscore our values and build a sense of community.
- *Digital marketing and social media:* We maintain an active web presence and promote our brand through our website and social media outlets. We also utilize targeted email marketing to highlight our latest brand name offerings and drive traffic to our stores.

Ollie's Army

Our customer loyalty program, Ollie's Army, currently stands at 6.3 million members and has grown at a 25.2% CAGR from 2010 to 2014. In fiscal year 2014, Ollie's Army members accounted for over 55% of net sales and spent 37% more per shopping trip, on average, than non-members. Ollie's appeals to a broad demographic, spanning a wide range of household incomes with more than 60% of Ollie's Army members having a household income in excess of \$50,000. Consistent with our marketing strategy, we engage new and existing Ollie's Army members through the use of witty phrases and signage; examples include "Enlist in Ollie's Army today," "become one of the few, the cheap, the proud" and "Ollie's Army Boot Camp...all enlistees will receive 15% off their next purchase." Ollie's Army members appreciate our compelling value proposition and are willing to drive upwards of 25 minutes to shop at our stores. Historically, Ollie's Army members have demonstrated double digit redemption rates for promotional activities exclusive to Ollie's Army members, such as our Valentine's, Boot Camp and Buzzard 15% off mailers, as well as Ollie's Army Night, a special annual one-day after-hours sale in December for Ollie's Army members. We expect to continue leveraging the data gathered from our proprietary database of Ollie's Army members to better segment and target our marketing initiatives and increase shopping frequency.

Competition

We compete with a diverse group of retailers including discount, closeout, mass merchant, department, grocery, drug, convenience, hardware, variety, online and other specialty stores.

The principal basis on which we compete against other retailers is by offering an ever-changing selection of brand name products at compelling price points in an exciting shopping environment. Accordingly, we compete against a fragmented group of retailers, wholesalers and jobbers to acquire merchandise for sale in our stores. Our established relationships with our suppliers coupled with our scale, associated buying power, financial credibility and responsiveness often makes Ollie's the first call for available deals. Our direct relationships with suppliers have increased as we have grown, and we continuously strive to broaden our supplier network.

Trademarks and other intellectual property

We own several state and federally owned registered trademarks related to our brand, including "Ollie's," "Ollie's Bargain Outlet," "Ollie's Army" and "Real Brands! Real Bargains!" In addition, we maintain a trademark for the image of Ollie, the face of our company. We have a license and co-existence agreement, as well as state trademark registrations, for "Good Stuff Cheap." We also own registered trademarks for many of our private labels such as "American Way," "Steelton Tools," "Sarasota Breeze" and "Commonwealth Classics" among others. We are also in the process of prosecuting several other trademarks, both for private label goods and to further identify our services. We enter into trademark license agreements where necessary, which may include

our private label offerings, such as the Magnavox products and Marcus Samuelsson Cookware available in our stores. Our trademark registrations have various expiration dates; however, assuming that the trademark registrations are properly renewed, they have a perpetual duration.

We also own several domain names, including www.ollies.us, www.olliesbargainoutlet.com, www.olliesarmy.com, www.ollies.cheap, www.sarasotabreeze.com and www.olliesmail.com and unregistered copyrights in our website content. We attempt to obtain registration of our trademarks as practical and pursue infringement of those marks when appropriate.

Technology

Our management information systems provide a full range of business process assistance and timely information to support our merchandising team and strategy, management of multiple distribution centers, stores and operations, and financial reporting. We believe our current systems provide us with operational efficiencies, scalability, management control and timely reporting that allow us to identify and respond to merchandising and operating trends in our business. We use a combination of internal and external resources to support store point-of-sale, merchandise acquisition and distribution, inventory management, financial reporting, real estate and administrative functions. We continuously assess ways to maximize productivity and efficiency, as well as evaluate opportunities to further enhance our existing systems. Our existing systems are up-to-date and scalable to support future growth.

Government regulation

We are subject to labor and employment laws, including minimum wage requirements, laws governing advertising, privacy laws, safety regulations and other laws, including consumer protection regulations that regulate retailers and/or govern product standards, the promotion and sale of merchandise and the operation of stores and warehouse facilities. We monitor changes in these laws and believe that we are in material compliance with applicable laws.

We source a portion of our products from outside the United States. The U.S. Foreign Corrupt Practices Act and other similar anti-bribery and anti-kickback laws and regulations generally prohibit companies and their intermediaries from making improper payments to non-U.S. officials for the purpose of obtaining or retaining business. Our policies and our vendor compliance agreements mandate compliance with applicable law, including these laws and regulations.

Insurance

We maintain third-party insurance for a number of risk management activities, including workers' compensation, general liability, commercial property, ocean marine, cyber, director and officer and employee benefit related insurance policies. We evaluate our insurance requirements on an ongoing basis to ensure we maintain adequate levels of coverage.

Employees

As of March 31, 2015, we employed approximately 4,500 associates, 2,000 of whom were full-time and 2,500 of whom were part-time. Of our total associate base, approximately 100 were based at our store support center in Harrisburg, PA. Our distribution centers employ approximately 300 associates, 200 of whom were in York, PA and 100 of whom were in Commerce, GA. The remaining 4,100 were store and field associates. The number of associates in a fiscal year fluctuates depending on the business needs at different times of the year. In fiscal year 2014, we employed an additional 1,200 seasonal associates during our peak holiday sales season. We have

a long history of maintaining a culture that embraces our associates. We take pride in providing a great work environment and strong growth opportunities for our associates. None of our associates belong to a union or are party to any collective bargaining or similar agreement.

Properties

We do not own any real property and enter into leases for our retail stores, often in second generation sites ranging in size from 25,000 to 50,000 square feet. Our corporate headquarters, located in Harrisburg, PA, is approximately 28,128 square feet and is leased under an agreement that expires in October 2023, with options to renew for three successive five-year periods. Our 603,000 square foot distribution center located in York, PA is leased under an agreement that expires in March 2028 with options to renew for two successive five-year periods. During fiscal year 2014, we opened a second distribution center in Commerce, GA. This distribution center is approximately 408,240 square feet and is leased under an agreement that expires in April 2024 with options to renew for three successive five-year periods. Over the course of the next two and a half years, our lease provides that we will lease and pay for additional space in our Commerce, GA distribution center until we occupy a total of 962,280 square feet by November 2017. As of March 31, 2015, there were 178 Ollie's Bargain Outlet locations across 16 contiguous states in the Eastern half of the United States.

We maintain a focused and disciplined approach to entering into lease arrangements. All leases are approved by our real estate committee, which is composed of senior management and executive officers. Our leases generally have an initial term of five to seven years with options to renew for three successive five-year periods and generally require us to pay a proportionate share of real estate taxes, insurance and common area or other charges.

Legal proceedings

From time to time we may be involved in claims and legal actions that arise in the ordinary course of our business. We cannot predict the outcome of any litigation or suit that we are a party to. However, we do not believe that an unfavorable decision of any of the current claims or legal actions against us, individually or in the aggregate, will have a material adverse effect on our financial position, results of operations, liquidity or capital resources.

Mark Butler

In September 2012, we entered into an employment agreement with Mark Butler in his capacity as our Chief Executive Officer. The agreement has an initial term of three years and automatically renews for successive two-year terms unless earlier terminated in accordance with the termination provisions described below. Under the terms of the agreement, Mr. Butler will receive an annual base salary of \$500,000, which will be re-evaluated annually by our compensation committee, but shall not be reduced to any amount under \$500,000. Mr. Butler served on the compensation committee prior to this offering, but did not participate in determinations related to his own compensation.

Mr. Butler is eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. If our Company EBITDA is equal to or greater than a maximum threshold for any given year, the bonus shall be 133.33% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus shall be 66.7% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. Butler will not be entitled to a bonus for that year. Our compensation committee may change the manner in which any bonus is determined or calculated with Mr. Butler's consent pursuant to the agreement. Mr. Butler is also eligible for six weeks of paid time off per

year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Butler is entitled to use a company car, for which we pay the fuel, cost of insurance, and maintenance and repair. Under the terms of the agreement, we will procure life insurance policies for Mr. Butler with an aggregate death benefit of \$25 million, for which the annual aggregate premiums shall not exceed \$100,000. In addition, pursuant to his employment agreement, Mr. Butler was granted options to purchase 22,030.30 shares of non-voting Class B common stock under the terms of the 2012 Plan and the form of nonqualified stock option award agreement.

The employment agreement further provides that during the term of his employment, Mr. Butler will continue to have certain rights set forth under the Stockholders Agreement as described in "Certain relationships and related person transactions—Stockholders agreement" and that he shall serve as Chairman of our Board without additional compensation for as long as he serves as our Chief Executive Officer.

Either we or Mr. Butler may terminate the agreement at any time upon written notice as specified in the agreements and outlined below. We may terminate Mr. Butler's employment immediately by written notice for "cause", death or "disability", with 90 days prior written notice of the non-renewal of his employment, or with 30 days' prior written notice without "cause". Mr. Butler may resign by written notice for "good reason" and with 30 days' prior written notice without "good reason". Under the agreement, "disability" means a physical or psychological condition that renders Mr. Butler unable to perform substantially all of the duties of his job, despite reasonable accommodation, for a continuous period of 90 days or for 180 days in any period of 365 consecutive days.

Under Mr. Butler's employment agreement, "good reason" means the occurrence, without Mr. Butler's consent, of any of the following: (i) a material violation of our obligations under the agreements by us, (ii) a material reduction in his authority, excluding reductions in certain of his rights under the Stockholder's Agreement, compensation, perquisites, position or responsibilities, other than a reduction in compensation or perquisites affecting all of our senior executives on an equal basis, (iii) the occurrence of a change of control (as such term is defined under the existing 2012 Plan) or (iv) a relocation of our primary business location by more than 25 miles; provided that any such event will only constitute good reason if Mr. Butler provides us with written notice of the existence of the good reason event within 90 days of the date on which he had actual knowledge of the existence of such good reason event and provided we have not cured such good reason event within 30 days of such written notice.

Under the agreement, "cause" means (i) a conviction of fraud, a serious felony, or a crime involving embezzlement, conversion of property or moral turpitude, (ii) a final non-appealable finding of a breach of any fiduciary duty owed to us or to any of our stockholders, (iii) Mr. Butler's willful and continual neglect or failure to discharge his duties, responsibilities or obligations under any agreement between Mr. Butler and us, (iv) any habitual drunkenness or substance abuse which materially interferes with his ability to discharge his duties, responsibilities and obligations to us or (v) a material breach by Mr. Butler of any agreement between him and us; provided that, for each of clauses (ii) to (v) above, that Mr. Butler was given notice and failed to cure such breach within 30 days thereafter. We may not terminate the agreement for cause unless we provide written notice within 90 days of the date on which we had actual knowledge of the existence of such cause.

If we terminate Mr. Butler's employment for cause or due to his disability or death, if he resigns without good reason or if he does not renew his employment, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Butler's employment without cause, if we do not renew his employment, or if he resigns for good reason, we must (i) pay him his base salary for the Severance Period (defined below), (ii) pay him a pro-rata portion of the bonus for the fiscal year in which such termination occurred, payable in a lump sum during

the following calendar year, (iii) continue to provide him with reimbursement of term life insurance policy premiums during the Severance Period and (iv) continue to provide health, life and disability insurance benefits to the extent permitted under such plans until the earlier of (A) the expiration of the Severance Period and (B) the date that Mr. Butler commences new employment; conditioned upon him signing a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on his complying with provisions relating to confidentiality, proprietary rights and restricted activities. Under Mr. Butler's employment agreement, "Severance Period" is defined as the longer of (X) 24 months following the termination date and (Y) the end of his current term of employment.

Mr. Butler's employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. Butler's employment and that extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. Butler is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), such period shall end on the termination date.

John Swygert

In September 2012, we entered into an employment agreement with John Swygert, our Chief Financial Officer. The agreement has an initial term of three years and automatically renews for successive two-year terms thereafter unless either we or Mr. Swygert give 90 days-notice of non-renewal prior to the end of any term. Under the terms of the agreement, Mr. Swygert will receive an annual base salary of \$325,000, which will be re-evaluated annually by our compensation committee with the input of the Chief Executive Officer, but shall not be reduced to any amount under \$325,000.

Mr. Swygert is eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. If our Company EBITDA is equal to or greater than a maximum threshold for any given year, the bonus shall be 100% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus shall be 50% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. Swygert will not be entitled to a bonus for that year. Our compensation committee may change the manner in which any bonus is determined or calculated with Mr. Swygert's consent pursuant to the agreement. Mr. Swygert is also eligible for four weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Swygert is entitled to an annual \$12,000 automobile allowance. The agreement also provides for a grant of options to purchase shares of non-voting Class B common stock under the terms of the 2012 Plan and the form of nonqualified stock option award agreement.

Under Mr. Swygert's employment agreement, "good reason" means the occurrence, without Mr. Swygert's consent, of any of the following: (i) a material violation of our obligations under the agreements by us, (ii) a material reduction in his authority, compensation, perquisites, position or responsibilities, other than a reduction in compensation or perquisites affecting all of our senior executives on an equal basis, (iii) the occurrence of a change of control (as such term is defined under the existing 2012 Plan) or (iv) a relocation of our primary business location by more than 25 miles; provided that any such event will only constitute good reason if Mr. Swygert provides us with written notice of the existence of the good reason event within 90 days of the date on which he had actual knowledge of the existence of such good reason event and provided we have not cured such good reason event within 30 days of such written notice.

Under Mr. Swygert's employment agreement, "cause" means (i) a conviction of fraud, a serious felony, or a crime involving embezzlement, conversion of property or moral turpitude, (ii) a final non-appealable finding of a breach of any fiduciary duty owed to us or to any of our stockholders, (iii) Mr. Swygert's willful and continual neglect or failure to discharge his duties responsibilities or obligations under any agreement between the

Executive and us, (iv) any habitual drunkenness or substance abuse which materially interferes with his ability to discharge his duties, responsibilities and obligations to us or (v) a material breach by Mr. Swygert of any agreement between him and us; provided, for each of clauses (ii) to (v) above, that Mr. Swygert was given notice and failed to cure such breach within 30 days thereafter. We may not terminate the agreement for cause unless we provide written notice within 90 days of the date on which we had actual knowledge of the existence of such cause.

If we terminate Mr. Swygert's employment for cause or due to his disability or death, if he resigns without good reason or if he does not renew his employment, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Swygert's employment without cause, if we do not renew his employment, or if he resigns for good reason, we must (i) pay him his base salary for the Severance Period (defined below), (ii) pay him a pro-rata portion of the bonus for the fiscal year in which such termination occurred, payable in a lump sum during the following calendar year, and (iii) continue to provide health, life and disability insurance benefits to the extent permitted under such plans until the earlier of (A) the expiration of the Severance Period and (B) the date that Mr. Swygert commences new employment; conditioned upon the Executive signing a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Swygert complying with provisions relating to confidentiality, proprietary rights and restricted activities. Under Mr. Swygert's employment agreement, "Severance Period" is defined as the longer of (X) 24 months following the termination date and (Y) the end of his current term of employment.

Mr. Swygert's employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. Swygert's employment and that extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. Swygert is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), such period shall end on the termination date.

Omar Segura

In January 2014, we entered into an employment agreement with Omar Segura, our Senior Vice President of Store Operations. The agreement shall remain in effect unless terminated by us or Mr. Segura as further described below. Under the terms of the agreement, Mr. Segura will receive an annual base salary of \$275,000, which will be re-evaluated annually by our compensation committee with the input of the Chief Executive Officer, but shall not be reduced to any amount under \$275,000.

Mr. Segura is eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. If our Company EBITDA is equal to or greater than a maximum threshold for any given year, the bonus shall be 80% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus shall be 50% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. Segura will not be entitled to a bonus for that year. The agreement provides that for fiscal year 2014, Mr. Segura's bonus was to be calculated in a manner consistent with past practice. Our compensation committee may change the manner in which any bonus is determined or calculated with Mr. Segura's consent pursuant to the agreement. Mr. Segura is also eligible for three weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Segura is entitled to use a company car, for which we pay for the fuel, cost of insurance, and maintenance and repair.

In addition to an annual performance bonus, Mr. Segura received a signing bonus of \$50,000 in fiscal year 2013 under the terms of his employment agreement. Mr. Segura was also entitled to reimbursement of his

[Table of Contents](#)

reasonable moving expenses up to \$75,000 as well as reimbursement of up to \$10,000 of reasonable personal travel expenses from January 6, 2014 until June 30, 2014. If Mr. Segura's employment ends for any reason within 24 months of January 6, 2014, he will be required to repay 50% of his signing bonus and any reasonable moving expenses that were reimbursed by us. In addition, pursuant to his employment agreement, Mr. Segura was granted options to purchase 2,000 shares of non-voting Class B common stock under the terms of the 2012 Plan and the form of nonqualified stock option award agreement.

Either we or Mr. Segura may terminate the agreement at any time upon written notice as specified in the agreement and outlined below. We may terminate Mr. Segura's employment immediately by written notice for "cause", death or "disability" and with 30 days' prior written notice without "cause". Mr. Segura may resign by written notice for "good reason" and with 30 days' prior written notice without "good reason". Under the agreement, "disability" means a physical or psychological condition that renders him unable to perform substantially all of the duties of his job, despite reasonable accommodation, for a continuous period of 90 days or for 180 days in any period of 365 consecutive days.

Under Mr. Segura's employment agreement, "good reason" means the occurrence, without Mr. Segura's consent, of any of the following: (i) a material violation of our obligations under this agreement by us (ii) a material reduction in Mr. Segura's authority, compensation, perquisites, position or responsibilities, other than a reduction in compensation or perquisites affecting all of our senior executives on an equal basis or (iii) a relocation of our primary business location by more than 25 miles; provided that any such event will only constitute good reason if Mr. Segura provides us with written notice of the existence of the good reason within 30 days following the initial existence of such condition and subject to a 30 day cure period.

Under Mr. Segura's employment agreement, "cause" means (i) a material breach by Mr. Segura of any agreement between him and us or any of our written lawful policies or his failure or refusal to substantially perform his required duties, (ii) misappropriation or theft of our funds or property, (iii) a conviction of, or plea of guilty or nolo contendere to, any fraud, misappropriation, embezzlement or similar act, felony or crime involving dishonesty or moral turpitude, (iv) any act by Mr. Segura involving willful misconduct or gross negligence or his failure to act involving material nonfeasance, (v) any act by Mr. Segura of dishonesty, violence or threat of violence (including any violation of federal securities laws) which is or could be reasonably expected to be injurious to our financial condition or business reputation, (vi) a finding by our Board that Mr. Segura breached any of his fiduciary duties to us or to any of our stockholders or (vii) any habitual drunkenness or substance abuse which materially interferes with his ability to discharge his duties, responsibilities and obligations to us.

If we terminate Mr. Segura's employment for cause or due to his disability or death or if Mr. Segura resigns without good reason, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Segura's employment without cause or if Mr. Segura resigns for good reason, we must pay him his base salary for 12 months following the termination date until the earlier of the end of the such 12 month period or the date Mr. Segura has commenced new employment; conditioned upon Mr. Segura signing a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Segura complying with provisions relating to confidentiality, proprietary rights and restricted activities.

Mr. Segura's employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. Segura's employment and extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. Segura is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), such period shall end on the termination date.

Potential payments upon termination of employment or change of control

None of our NEOs is entitled to receive payments or other benefits upon termination of employment or a change of control, except for the acceleration of options to purchase common stock upon a change of control (as defined in the 2012 Plan) and as provided in “—Employment agreements”.

Director compensation

Our directors who are employed by us or who are full-time investment professionals of CCMP did not receive any compensation for their services as members of our Board in fiscal year 2014 and will not receive any such compensation for their services following this offering, except for limited expense reimbursement as described below.

For the year ended January 31, 2015, we paid Mr. Fleishman an annual retention fee of \$50,000, paid in cash on a quarterly basis, and we paid Mr. Cahill \$25,000, which represented the pro-rated portion of his annual retention fee for his services on our Board from January 2014 to July 2014 prior to his becoming a full-time investment professional of CCMP. Mr. Cahill no longer receives compensation from us for serving on our Board.

Following this offering, we expect to pay certain of our non-employee directors an annual retention fee of \$. Each of the members (other than the chair) of our audit committee, compensation committee and nominating and corporate governance committee will receive an annual committee retainer fee of \$, \$ and \$, respectively, which will be paid in quarterly installments. The chair of the Board, to the extent such individual is not one of our employees or a full-time investment professional of CCMP, will receive an annual fee of \$. The chair of the audit committee will receive an annual fee of \$, the chair of the compensation committee will receive an annual fee of \$ and the chair of the nominating and corporate governance committee will receive an annual fee of \$, each of which fees will be paid in quarterly installments. In addition, certain non-employee members of our Board may also participate in our 2015 Plan, which we plan to adopt in connection with this offering.

Equity incentive plans

Our Board adopted, and our stockholders approved, the Bargain Holdings, Inc. 2012 Equity Incentive Plan (the “2012 Plan”) in September 2012. In connection with this offering, we intend to adopt a new 2015 Equity Incentive Plan (the “2015 Plan”) for equity grants in connection with and following the consummation of this offering. The following is a summary of certain features of the existing 2012 Plan.

2012 Equity Incentive Plan

The 2012 Plan provides for the grant of various stock rights to several of our officers, non-employee directors, employees and consultants.

Share reserve and limitations. As of January 31, 2015, an aggregate of 66,090.90 shares of our non-voting Class B common stock may be issued pursuant to the 2012 Plan, subject to adjustment as provided in the 2012 Plan. The aggregate fair market value of common stock (determined as of the date of the option grant) for which incentive stock options may for the first time become exercisable by any individual in any calendar year may not exceed \$100,000, or the option shall be treated as a non-qualified stock option, but only to the extent of that portion of the option in excess of the limit.

If any award granted under the 2012 Plan expires or terminates for any reason prior to its full exercise, or if we reacquire any shares issued pursuant to awards, then the shares subject to such awards or any shares so

[Table of Contents](#)

reacquired by us will again be available for grants of awards under the 2012 Plan. Likewise, any shares of our common stock which are withheld to pay the exercise price of an award or any related withholding obligations will be available for issuance under the 2012 Plan.

Administration. The 2012 Plan provides for administration by the compensation committee of our Board, or to the extent no such committee exists, our Board or any other committee designated by our Board to administer the 2012 Plan. Our compensation committee currently administers the 2012 Plan. Subject to the restrictions of the 2012 Plan, the compensation committee determines to whom we grant incentive awards under the 2012 Plan and the terms and conditions of the awards, including the exercise or purchase price, the number of shares subject to the stock right and the exercisability of the award. All questions of interpretation are determined by the compensation committee, and its decisions are final and binding upon all 2012 Plan participants, us and all other interested individuals, unless otherwise determined by the Board.

Stock options. The 2012 Plan provides for the grant of incentive stock options within the meaning of Section 422 of the Code, solely to employees, and for the grant of non-statutory stock options to non-employee directors, employees and consultants.

The compensation committee determines to whom option grants shall be made, and other than in the case of grants to Mr. Butler, such determination will be based upon the recommendation of Mr. Butler for as long as he remains Chief Executive Officer. The compensation committee determines the exercise price of the options granted under the 2012 Plan on the date of grant, and in the case of incentive stock options, the exercise price must be at least 100% of the fair market value per share at the time of grant. The exercise price of any incentive stock option granted to an employee who owns stock possessing more than 10% of the voting power of our outstanding capital stock must equal at least 110% of the fair market value of the common stock on the date of grant. Payment of the exercise price may be made by delivery of cash or a check, or, subject to any requirements as may be imposed by the compensation committee, through the delivery or irrevocable instructions to a broker to sell shares obtained upon exercise and deliver the proceeds promptly to us. The compensation committee may prescribe or permit, in its sole discretion, any other method of payment permitted by law.

Options granted to non-employee directors, employees and consultants under the 2012 Plan generally become exercisable in increments, based on an optionee's continued employment or service with us. The term of an incentive stock option may not exceed 10 years. Options granted under the 2012 Plan, whether incentive stock options or non-statutory options, generally expire within 10 years from the date of grant, except that incentive stock options granted to an employee who own stock possessing more than 10% of voting power of our outstanding capital stock are not exercisable for longer than five years after the date of grant.

Stock appreciation rights. The 2012 Plan provides for the grant of stock appreciation rights, or SARs, pursuant to an SAR agreement adopted by the compensation committee. An SAR may be granted in connection with a stock option or alone, without reference to any related stock option. The compensation committee will determine the exercise price of an SAR on the date of grant, and the exercise price may not be less than 100% of the fair market value of a share of our common stock on the date of grant. No SAR shall have a term of more than 10 years.

The holder of an SAR will have the right to receive, in cash or common stock, all or a portion of the difference between the fair market value of a share of our common stock at the time of exercise of the SAR and the exercise price of the SAR established by the compensation committee, subject to such terms and conditions as set forth in the SAR agreement.

Restricted stock and other awards. The compensation committee may grant awards of restricted stock or restricted stock units on the terms and conditions set forth in the applicable restricted stock award, including

[Table of Contents](#)

the conditions for vesting and the issue price, if any. Each restricted stock unit shall have a value equal to the fair market value of one share of stock. Other awards that are valued in whole or in part by reference to, or are otherwise based on, shares of stock, may be granted under the 2012 Plan to participants in the plan.

Transferability. Except for transfers made by will or the laws of descent and distribution in the event of the holder's death, no stock right may be transferred, pledged or assigned by the holder of the stock right. We are not required to recognize any attempted assignment of such rights by any participant who is not in compliance with the 2012 Plan.

Changes in capitalization. In the event of a change in the number of shares of our common stock through a combination or subdivision, or if we issue shares of common stock as a stock dividend or engage in a separation, spin-off or other corporate event or transaction, the compensation committee shall substitute or adjust, in its sole discretion, the number and kind of shares under the 2012 Plan deliverable upon the exercise of outstanding stock rights, and the purchase price per share to reflect such transaction.

Change of control. The 2012 Plan generally provides that, under certain circumstances, in the event that more than 50% of the voting power of our capital stock is owned directly or indirectly by any person or "group" (as such term is used in the Exchange Act) (other than CCMP or Mr. Butler or either of their affiliates or in the event of our consolidation or merger with or into another corporation or a sale of all or substantially all of our assets, which we refer to as an "acquisition," whereby the acquiring entity or our successor does not agree to assume the incentive awards or replace them with substantially equivalent incentive awards), all outstanding awards may be vested and become immediately exercisable in full and, if not exercised on the date of the acquisition, will terminate on such date regardless of whether the participant to whom such stock rights have been granted remains in our employ or service or in the employ or service of any acquiring or successor entity.

Termination or amendment. Our Board may terminate, amend or modify the 2012 Plan at any time before its expiration, which is currently September 28, 2022. However, stockholder approval is required to the extent necessary to comply with any tax or regulatory requirement.

2015 Equity Incentive Plan

We intend to adopt a new equity incentive plan upon consummation of this offering. The 2015 Plan will authorize us to grant options or other awards to our employees, directors and consultants. Shares of common stock representing up to % of our issued and outstanding shares of common stock (calculated on a fully diluted basis) may be issued pursuant to awards under the 2015 Plan. Awards will be made pursuant to agreements and may be subject to vesting and other restrictions as determined by the Board or the compensation committee.

After September 28, 2015, CCMP will have the right to nominate up to one director for as long as it holds between 10% and 20% of our outstanding common stock and up to four directors for as long as it holds at least 20% of our common stock. The Stockholders Agreement also provides that Mr. Butler shall serve as a director for as long as he holds at least 10% of our outstanding common stock and that he shall serve as Chairman of the Board for as long as he remains our Chief Executive Officer. In addition, until September 28, 2015, up to seven independent directors will be selected (i) as mutually agreed by CCMP and Mr. Butler for as long as each of them hold at least 10% of our outstanding common stock, (ii) by Mr. Butler if he holds at least 10% of our outstanding common stock and CCMP holds less than 10% of our outstanding common stock, and (iii) by CCMP if CCMP holds at least 10% of our common stock and Mr. Butler holds less than 10% of our outstanding common stock. After September 28, 2015, under the terms of the Stockholders Agreement, up to two independent directors will be selected (i) as mutually agreed by CCMP and Mr. Butler for as long as each of them hold at least 10% of our outstanding common stock, (ii) by Mr. Butler if he holds at least 10% of our outstanding common stock and CCMP holds less than 10% of our outstanding common stock, and (iii) by CCMP if CCMP holds at least 10% of our common stock and Mr. Butler holds less than 10% of our outstanding common stock. In addition, the Stockholders Agreement restricts stockholders party thereto, other than CCMP, from transferring their shares, subject to certain exceptions, including the ability to transfer shares after a public offering; provided that after any such transfer by any Management Stockholder (other than to permitted transferees), such stockholder will not own a percentage of shares less than the percentage of shares Mr. Butler then holds compared to his ownership prior to this offering, unless such percentage with respect to Mr. Butler is less than 10%. The Stockholders Agreement also provides for customary stock pre-emptive rights, stock co-sale rights and drag-long rights.

The Stockholders Agreement, including provisions related to the election of directors, will automatically terminate in connection with this offering, except for certain provisions that explicitly survive pursuant to the terms therein, including the transfer restrictions described herein and the registration rights provisions described in “—Registration rights.”

Registration rights

The Stockholders Agreement contains certain registration rights provisions that survive the termination of the agreement in connection with this offering. Following this offering, each of CCMP, Mr. Butler, any stockholder party to the agreement holding more than 15% of our outstanding common stock or any Management Stockholder holding between 5% and 15% of our outstanding common stock are entitled to demand registrations, subject to certain exceptions. Stockholders party to the Stockholders Agreement will also have piggyback rights for public offerings after an initial public offering. No holder may request more than two demand registrations in any 180-day period, and we will not be required to effect more than four demand registrations in any 12 month period. We also are not required to effect any registration if the anticipated gross offering price of the shares of registered securities would be less than \$10 million in any offering.

Share repurchase and dividend

In February 2013, we repurchased 43,475 shares of common stock from CCMP at an aggregate purchase price of \$46.2 million.

In April 2014, we declared a special cash dividend to holders of our common stock for an aggregate payment of \$58.0 million. See “Dividend policy.”

Board compensation

Our directors who are our employees or full-time investment professionals of CCMP will receive no compensation for their service as members of our Board, except as limited to expense reimbursement. Other directors will receive compensation for their service as members of our Board as described in “Executive and director compensation—Director compensation.”

Employment agreements

We have entered into an employment agreement with each of our NEOs as well as other executive officers. See “Executive and director compensation—Employment agreements.”

Indemnification agreements

We intend to enter into indemnification agreements with each of our executive officers and directors. The indemnification agreements will provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the DGCL, subject to certain exceptions contained in those agreements.

Lease arrangements

As of January 31, 2015, we lease four of our stores and our corporate headquarters from entities in which Mark Butler, our co-founder, Chairman, President and Chief Executive Officer, or Mr. Butler’s family has a direct or indirect material interest. We lease one of

our stores from BSA Enterprises, a Pennsylvania partnership, which is majority owned by Brooke Investments Co., LLC and which receives aggregate annual lease payments of approximately \$200,000. We lease one of our stores and our corporate headquarters from MBBF L.P., a Pennsylvania limited partnership, which is managed by Mr. Butler and in which Mr. Butler has a 49.5% economic interest. MBBF L.P. receives aggregate annual lease payments from us of approximately \$659,000. The leases for three stores expire in August 2018, the lease for the fourth store expires in January 2022 and the lease for our corporate headquarters expires in October 2023.

Other transactions

We have a corporate sponsorship relationship with the Harrisburg Senators, of which Mark Butler, our co-founder, Chairman, President and Chief Executive Officer, owns a majority interest.

We previously engaged Infogroup Inc. ("Infogroup"), a CCMP portfolio company, for services including, but not limited to, data processing, data storage and marketing campaign management. In fiscal year 2014, we paid Infogroup approximately \$167,750 for its services.

From time to time, we have and may enter into transactions for goods and services with other companies controlled by CCMP.

Policies for approval of related person transactions

In connection with this offering, we will adopt a written policy relating to the approval of related person transactions. A "related person transaction" is a transaction or arrangement or series of transactions or arrangements in which we participate (whether or not we are a party) and a related person has a direct or indirect material interest in such transaction. Our audit committee will review and approve or ratify all relationships and related person transactions between us and (i) our directors, director nominees or executive officers, (ii) any 5% record or beneficial owner of our common stock or (iii) any immediate family member of any person specified in (i) and (ii) above. The audit committee will review all related person transactions and, where the audit committee determines that such transactions are in our best interests, approve such transactions in advance of such transaction being given effect.

As set forth in the related person transaction policy, in the course of its review and approval or ratification of a related party transaction, the audit committee will, in its judgment, consider in light of the relevant facts and circumstances whether the transaction is, or is not inconsistent with, our best interests, including consideration of various factors enumerated in the policy.

Any member of the audit committee who is a related person with respect to a transaction under review will not be permitted to participate in the discussions or approval or ratification of the transaction. However, such member of the audit committee will provide all material information concerning the transaction to the audit committee. Our policy also includes certain exceptions for transactions that need not be reported and provides the audit committee with the discretion to pre-approve certain transactions.

Description of certain indebtedness

Senior secured credit facilities

In connection with the CCMP Acquisition, our wholly-owned subsidiaries, Ollie's Holdings, Inc. and Ollie's Bargain Outlet, Inc., and certain of their subsidiaries entered into a \$75.0 million senior secured asset-based revolving credit facility (the "ABL Facility"), which included a \$25.0 million letter of credit and a \$20.0 million swingline loan facility and a \$225.0 million senior secured term loan facility (the "Term Loan Facility," and collectively with the ABL Facility, the "Senior Secured Credit Facilities"), with Manufacturers and Traders Trust Company as administrative agent for the ABL Facility, Jefferies Finance LLC, as administrative agent for the Term Loan Facility and Manufacturers and Traders Trust Company, Jefferies Finance LLC and KeyBank National Association as joint lead arrangers and joint bookrunners for the Senior Secured Credit Facilities.

On February 26, 2013, the credit agreements governing the Senior Secured Credit Facilities were amended to reduce the interest rate margin applicable to borrowings under the Term Loan Facility, to provide for additional term loans under the Term Loan Facility in an aggregate principal amount of \$50.0 million and to permit a share repurchase of approximately \$46.2 million. Additionally, on April 11, 2014, the credit agreements governing the Senior Secured Credit Facilities were further amended to reduce the interest rate margin applicable to borrowings under the Term Loan Facility, to provide for additional term loans under the Term Loan Facility in an aggregate principal amount of \$60.0 million and to permit a special dividend of approximately \$58.0 million.

General

The credit agreement governing the ABL Facility provides that Ollie's Holdings and Ollie's Bargain Outlet may request up to \$25.0 million in increased commitments under the ABL Facility subject to certain conditions. In addition, the credit agreement governing the Term Loan Facility provides that Ollie's Holdings and Ollie's Bargain Outlet may request additional term loans under the Term Loan Facility in an aggregate principal amount not to exceed (x) \$75.0 million, plus (y) in the case of any incremental term loans that serve to effectively extend the maturity of the Term Loan Facility, an amount equal to the reductions in the Term Loan Facility to be replaced thereby plus (z) an additional amount, subject to compliance on a pro forma basis with a total leverage ratio (total debt to Adjusted EBITDA) of no greater than 4.25:1.00. The effective yield for any such incremental facility under the Term Loan Facility will be subject to a "most favored nation" pricing protection provision with a cushion of 0.50%. The incurrence of any incremental facility under the Term Loan Facility is subject to customary conditions precedent.

Availability under the ABL Facility is limited to a line cap, which is calculated as the lesser of (a) the aggregate amount of revolving commitments and (b) the then applicable borrowing base (the "Line Cap"). The borrowing base shall equal the sum of the following:

- 90% of eligible accounts, plus
- 90% of the net orderly liquidation value of eligible inventory, plus
- 90% of eligible credit card receivables, plus
- the lesser of (x) 85% of the cost of the eligible letter of credit inventory and (y) \$25.0 million, plus
- the lesser of (x) 85% of the cost of the eligible in-transit inventory and (y) \$10.0 million, plus
- 100% of qualified cash; minus
- any reserves established by the administrative agent for the ABL Facility in its permitted discretion.

Interest rate and fees

Borrowings under the Senior Secured Credit Facilities bear interest at a rate per annum equal to an applicable margin, *plus* either (a) a base rate (which in the case of the Term Loan Facility only, shall be no less than 2.00%) determined by the reference to the highest of (1) the prime lending rate on such day, (2) the federal funds effective rate plus 0.50%, and (3) the LIBOR rate determined for an interest period of one month, plus 1.00% or (b) a LIBOR rate (which in the case of the Term Loan Facility only, shall be no less than 1.00%) determined for the specified interest period, as adjusted for certain statutory reserve requirements. The applicable margin for borrowings under the ABL Facility ranges from 0.75% to 1.25% with respect to base rate borrowings and from 1.75% to 2.25% with respect to LIBOR borrowings, based on excess availability under the Line Cap. The applicable margin as of January 31, 2015 was 1.0% for base rate loans and 2.0% for loans based on the LIBOR rate. The applicable margin for borrowings under the Term Loan Facility margin is (i) with respect to base rate borrowings, 2.75% and (ii) with respect to LIBOR borrowings, 3.75%.

An unused line fee will be charged on the average daily unused portion of the ABL Facility of 0.375% per annum if average utilization under the ABL Facility is greater than or equal to 33.3% or 0.25% if average utilization under the ABL Facility is less than 33.3%. A letter of credit fee will accrue on the aggregate face amount of outstanding letters of credit under the ABL Facility equal to the interest rate margin for LIBOR loans under the ABL Facility. In addition, a fronting fee will be paid to the letter of credit issuer on the aggregate face amount of outstanding letters of credit not to exceed 0.125% per annum.

Mandatory prepayments

The Term Loan Facility requires Ollie's Holdings and Ollie's Bargain Outlet to prepay, subject to certain exceptions, outstanding term loans with:

- 100% of net cash proceeds of any incurrence, issuance or sale of indebtedness, other than the net cash proceeds of indebtedness permitted under the Term Loan Facility;
- 100% of net cash proceeds of asset sales, subject to reinvestment rights and certain other exceptions; and
- 50% (subject to step-downs to 25% and 0% based upon a senior secured leverage ratio) of our annual excess cash flow.

The ABL Facility requires Ollie's Holdings and Ollie's Bargain Outlet to first prepay outstanding loans and then cash collateralize outstanding letters of credit if at any time the aggregate amount of outstanding loans, unreimbursed letter of credit drawings and outstanding letters of credit under the ABL Facility exceeds the Line Cap, in an aggregate amount equal to such excess.

Optional prepayments

Ollie's Holdings and Ollie's Bargain Outlet may voluntarily reduce the unutilized portion of the commitment amount and repay outstanding loans under the Senior Secured Credit Facilities at any time without premium or penalty other than customary "breakage" costs with respect to LIBOR borrowings.

Amortization and final maturity

There is no scheduled amortization under the ABL Facility. The ABL Facility has a maturity date of September 28, 2017. The term loans under the Term Loan Facility mature on September 28, 2019. Ollie's Holdings and Ollie's Bargain Outlet are required to repay installments on the term loans in quarterly principal amounts of 0.25%, with the remaining amount payable on the maturity date.

Guarantees and security

All obligations under the Senior Secured Credit Facilities are unconditionally guaranteed by certain of Ollie's Holdings' existing and future direct and indirect wholly-owned domestic subsidiaries. All obligations under the Senior Secured Credit Facilities, and the guarantees of those obligations, are secured, subject to certain exceptions, by substantially all of Ollie's Holdings' assets and the assets of the guarantors, including:

- A first-priority or second-priority pledge, as applicable, of all of Ollie's Bargain Outlet's capital stock directly held by Ollie's Holdings and a first-priority or second-priority pledge, as applicable, of all of the capital stock directly held by Ollie's Holdings and its subsidiary guarantors (which pledge, in the case of the capital stock of any foreign subsidiary or any "disregarded" domestic subsidiary, will be limited to 65% of the stock of such subsidiary); and
- A first-priority or second-priority security interest, as applicable, in substantially all of Ollie's Holdings' and the guarantors' tangible and intangible assets, including certain deposit accounts.

Certain covenants and events of default

The Senior Secured Credit Facilities contain a number of restrictive covenants that, among other things and subject to certain exceptions, restrict Ollie's Bargain Outlet's and Ollie's Holdings' ability and the ability of its subsidiaries to:

- incur additional indebtedness;
- pay dividends on our capital stock or redeem, repurchase or retire our capital stock;
- make investments, acquisitions, loans and advances;
- create negative pledge or restrictions on the payment of dividends or payment of other amounts owed to us from our subsidiaries;
- engage in transactions with our affiliates;
- sell, transfer or otherwise dispose of our assets, including capital stock of our subsidiaries;
- materially alter the business we conduct;
- modify material debt documents and certain other material documents;
- change our fiscal year;
- merge or consolidate;
- enter into any sale and lease-back transactions;
- incur liens; and
- make payments on material subordinated or other debt.

In addition, upon the occurrence of excess availability under the ABL Facility of less than the greater of 10.0% of the Line Cap and \$7.5 million, we will be subject to a consolidated fixed charge coverage ratio test of at least 1.0 to 1.0, tested quarterly.

The Senior Secured Credit Facilities also contain certain customary representations and warranties, affirmative covenants and reporting obligations. In addition, the lenders under the Senior Secured Credit Facilities will be permitted to accelerate the loans and terminate commitments thereunder or exercise other specified remedies available to secured creditors upon the occurrence of certain events of default, subject to certain grace periods and exceptions, which will include, among others, payment defaults, breaches of representations and warranties, covenant defaults, cross-defaults to certain material indebtedness, certain events of bankruptcy and insolvency, certain pension plan related events, material judgments and any change of control.

Description of capital stock

The following is a description of (i) the material terms of our amended and restated certificate of incorporation and amended and restated bylaws as they will be in effect following the Stock Split and upon the consummation of this offering and (ii) certain applicable provisions of Delaware law. We refer you to our amended and restated certificate of incorporation and amended and restated bylaws, copies of which will be filed as exhibits to the registration statement of which this prospectus is a part.

Authorized capitalization

Our existing capital stock consists of 680,000 shares of authorized Class A common stock, par value \$0.001 per share, of which 419,161 shares were issued as of January 31, 2015, and of 70,000 shares of Class B common stock, par value \$0.001 per share, of which no shares were issued and outstanding as of January 31, 2015. Pursuant to the terms of our existing certificate of incorporation, upon public offering, all shares of Class B common stock will automatically convert into shares of Class A common stock. Accordingly, our amended and restated certificate of incorporation to be in place following the Stock Split will provide for a single class of common stock.

After the Stock Split, our authorized capital stock will consist of _____ shares of authorized common stock, par value \$0.001 per share and _____ shares of authorized preferred stock, par value \$ _____ per share. Following the consummation of this offering, _____ shares of common stock and _____ shares of preferred stock will be issued and outstanding.

Common stock

Holders of our common stock are entitled to the rights set forth below.

Voting rights

Directors will be elected by a plurality of the votes entitled to be cast except as set forth below with respect to directors to be elected by the holders of common stock. Our stockholders will not have cumulative voting rights. Except as otherwise provided in our amended and restated certificate of incorporation or as required by law, all matters to be voted on by our stockholders other than matters relating to the election and removal of directors must be approved by a majority of the shares present in person or by proxy at the meeting and entitled to vote on the subject matter or by a written resolution of the stockholders representing the number of affirmative votes required for such matter at a meeting.

Dividend rights

Holders of our common stock are entitled to receive dividends when and if, declared by our Board out of funds legally available therefor, and will share equally in any dividend, subject to any statutory or contractual restrictions on the payment of dividends and to any restrictions on the payment of dividends imposed by the terms of any outstanding preferred stock.

Liquidation rights

In the event of any voluntary or involuntary liquidation, dissolution or winding up of our affairs, holders of our common stock would be entitled to share ratably in our assets that are legally available for distribution to stockholders after payment of liabilities. If we have any preferred stock outstanding at such time, holders of the preferred stock may be entitled to distribution and/or liquidation preferences. In either such case, we must pay the applicable distribution to the holders of our preferred stock before we may pay distributions to the holders of our common stock.

[Table of Contents](#)

Registration rights

Our existing stockholders have certain registration rights with respect to our common stock pursuant to a stockholders agreement. See “Certain relationships and related person transactions—Registration rights.”

Other rights

Our stockholders have no preemptive or other rights to subscribe for additional shares. All holders of our common stock are entitled to share equally on a share-for-share basis in any assets available for distribution to common stockholders upon our liquidation, dissolution or winding up. All outstanding shares are, and all shares offered by this prospectus will be, when sold, validly issued, fully paid and nonassessable.

Preferred stock

Our Board is authorized to provide for the issuance of preferred stock in one or more series and to fix the preferences, powers and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof, including the dividend rate, conversion rights, voting rights, redemption rights and liquidation preference and to fix the number of shares to be included in any such series without any further vote or action by our stockholders. Any preferred stock so issued may rank senior to our common stock with respect to the payment of dividends or amounts upon liquidation, dissolution or winding up, or both. In addition, any such shares of preferred stock may have class or series voting rights. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of our company without further action by the stockholders and may adversely affect the voting and other rights of the holders of our common stock. Our Board has not authorized the issuance of any shares of preferred stock and we have no agreements or plans for the issuance of any shares of preferred stock.

Classified board

Our amended and restated certificate of incorporation will provide that our Board will consist of between and directors, as long as any shares of common stock are outstanding and that our Board will be divided into three classes, with one class being elected at each annual meeting of stockholders. Each director will serve a three-year term, with termination staggered according to class. Class I will initially consist of directors, Class II will initially consist of directors, and Class III will initially consist of directors. The Class I directors, whose terms will expire at the first annual meeting of our stockholders following the filing of our amended and restated certificate of incorporation, will be and . The Class II directors, whose terms will expire at the second annual meeting of our stockholders following the filing of our amended and restated certificate of incorporation, will be and . The Class III directors, whose terms will expire at the third annual meeting of our stockholders following the filing of our amended and restated certificate of incorporation, will be , and .

Upon consummation of this offering, our Board will initially consist of directors.

Our amended and restated certificate will provide that directors may only be removed for cause by the affirmative vote of the remaining members of the Board or the holders of at least 66 2/3% of the voting power of all outstanding shares of common stock then entitled to vote on the election of directors. Directors appointed by CCMP may be removed from office with or without cause by the affirmative vote of CCMP without a meeting.

The classification of our Board could make it more difficult for a third party to acquire, or discourage a third party from seeking to acquire, control of our company.

Anti-takeover provisions

Our amended and restated certificate of incorporation and amended and restated bylaws will contain provisions that delay, defer or discourage transactions involving an actual or potential change in control of us or change in our management, including:

- authorize our Board to issue, without further action by the stockholders, up to _____ shares of undesignated preferred stock;
- subject to certain exceptions, require that any action to be taken by our stockholders be effected at a duly called annual or special meeting and not by written consent;
- specify that special meetings of our stockholders can be called only by a majority of our Board or upon the request of the Chief Executive Officer;
- establish an advance notice procedure for stockholder proposals to be brought before an annual meeting, including proposed nominations of persons for election to our Board;
- establish that our Board is divided into three classes, with each class serving three-year staggered terms;
- prohibit cumulative voting in the election of directors; and
- provide that vacancies on our Board may be filled only by a majority of directors then in office, even though less than a quorum

We expect that these provisions will discourage coercive takeover practices or inadequate takeover bids. These provisions will be designed to encourage persons seeking to acquire control of us to first negotiate with our Board, which we believe may result in an improvement of the terms of any such acquisition in favor of our stockholders. However, they will also give our Board the power to discourage transactions that some stockholders may favor, including transactions in which stockholders might otherwise receive a premium for their shares or transactions that our stockholders might otherwise deem to be in their best interests. Accordingly, these provisions could adversely affect the price of our common stock.

Requirements for advance notification of stockholder meetings, nominations and proposals

Our amended and restated bylaws will provide that special meetings of the stockholders may be called only upon the request of a majority of our Board or upon the request of the Chief Executive Officer. Our amended and restated bylaws will prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting. These provisions may have the effect of deferring, delaying or discouraging hostile takeovers or changes in control or management of our company.

Our amended and restated bylaws will establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of our Board or a committee of our Board. In order for any matter to be “properly brought” before a meeting, a stockholder will have to comply with the advance notice requirements of directors, which may be filled only by a vote of a majority of directors then in office, even though less than a quorum, and not by the stockholders. Our amended and restated bylaws will allow the presiding officer at a meeting of the stockholders to adopt rules and regulations for the conduct of meetings which may have the effect of precluding the conduct of certain business at a meeting if the rules and regulations are not followed. These provisions may also defer, delay or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer’s own slate of directors or otherwise attempting to obtain control of our company.

No stockholder action by written consent

Our amended and restated certificate of incorporation will provide that, subject to the rights of any holders of preferred stock to act by written consent instead of a meeting, stockholder action may be taken only at an annual meeting or special meeting of stockholders and may not be taken by written consent instead of a meeting. Failure to satisfy any of the requirements for a stockholder meeting could delay, prevent or invalidate stockholder action.

Section 203 of the DGCL

Our amended and restated certificate of incorporation will provide that the provisions of Section 203 of the DGCL, which relate to business combinations with interested stockholders, do not apply to us, until the moment in time, if ever, immediately following the time at which both of the following conditions exist: (i) Section 203 by its terms would, but for the terms of our amended and restated certificate of incorporation, apply to us and (ii) there occurs a transaction following the consummation of which CCMP no longer owns at least 5% or more of our issued and outstanding common stock entitled to vote. Our amended and restated certificate of incorporation will provide that, at such time, we will automatically become subject to Section 203 of the DGCL. Section 203 of the DGCL prohibits a publicly held Delaware corporation from engaging in a business combination transaction with an interested stockholder (a stockholder who owns more than 15% of our common stock) for a period of three years after the interested stockholder became such unless the transaction fits within an applicable exemption, such as board approval of the business combination or the transaction that resulted in such stockholder becoming an interested stockholder. These provisions would apply even if the business combination could be considered beneficial by some stockholders. Although we have elected to opt out of the statute's provisions, we could elect to be subject to Section 203 in the future.

Amendment to bylaws and certificate of incorporation

Any amendment to our amended and restated certificate of incorporation must first be approved by a majority of our Board and (i) if required by law, thereafter be approved by a majority of the outstanding shares entitled to vote on the amendment or (ii) if related to provisions regarding the classification of the Board, the removal of directors, director vacancies, forum selection for certain lawsuits, indemnification, corporate opportunities, business combinations, severability, the provision opting-out of Section 203 of the DGCL or the amendment of certain provisions of our amended and restated bylaws or amended and restated certificate of incorporation, thereafter be approved by at least 66 2/3% of the outstanding shares entitled to vote on the amendment. For so long as CCMP beneficially owns % or more of our issued and outstanding common stock entitled to vote generally in the election of directors, any amendment to provisions regarding Section 203 of the DGCL or corporate opportunities must also receive CCMP's prior written consent. Our amended and restated bylaws may be amended (x) by the affirmative vote of a majority of the directors then in office, subject to any limitations set forth in the bylaws, without further stockholder action or (y) by the affirmative vote of at least 50.1% of the outstanding shares entitled to vote on the amendment, without further action by our Board.

Limitations on liability and indemnification of officers and directors

Our amended and restated certificate of incorporation will limit the liability of our directors to the fullest extent permitted by the DGCL, and our amended and restated bylaws will provide that we will indemnify them to the fullest extent permitted by such law. We expect to enter into indemnification agreements with our current directors and executive officers prior to the completion of this offering and expect to enter into a similar agreement with any new directors or executive officers.

Exclusive forum

Our amended and restated certificate of incorporation will provide that, subject to certain exceptions, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for certain stockholder litigation matters. However, it is possible that a court could rule that this provision is unenforceable or inapplicable.

Corporate opportunities

Our amended and restated certificate of incorporation will provide that directors appointed by CCMP do not have any obligation to offer us an opportunity to participate in business opportunities presented to CCMP even if the opportunity is one that we might reasonably have pursued (and therefore may be free to compete with us in the same business or similar businesses), and that, to the extent permitted by law, CCMP will not be liable to us or our stockholders for breach of any duty by reason of any such activities.

Listing

We intend to apply to have our common stock listed on the NASDAQ under the symbol "OLLI."

Transfer agent and registrar

The transfer agent and registrar for our common stock is .

Shares eligible for future sale

Prior to this offering, there has been no public market for our common stock. Future sales of our common stock in the public market, or the perception that sales may occur, could materially adversely affect the prevailing market price of our common stock at such time and our ability to raise equity capital in the future.

Sale of restricted securities

Upon consummation of this offering, we will have _____ shares of our common stock outstanding (or shares, if the underwriters exercise their option to purchase additional shares in full). Of these shares, all shares sold in this offering will be freely tradable without further restriction or registration under the Securities Act, except that any shares purchased by our “affiliates” (as that term is defined in Rule 144 of the Securities Act) may generally only be sold in compliance with Rule 144, which is described below. Of the remaining outstanding shares, _____ shares will be deemed “restricted securities” under the Securities Act.

Lock-up arrangements and registration rights

In connection with this offering, we, each of our directors, executive officers and certain other stockholders, will enter into lock-up agreements described under “Underwriting” that restrict the sale of our securities for up to 180 days after the date of this prospectus, subject to certain exceptions or an extension in certain circumstances.

Certain of our stockholders may be contractually restricted from transferring shares pursuant to the terms of our Stockholders Agreement. In addition, following the expiration of the lock-up period, certain stockholders will have the right, subject to certain conditions, to require us to register the sale of their shares of our common stock under federal securities laws. See “Certain relationships and related person transactions—Registration rights.” If these stockholders exercise this right, our other existing stockholders may require us to register their registrable securities.

Following the lock-up periods described above, all of the shares of our common stock that are restricted securities or are held by our affiliates as of the date of this prospectus will be eligible for sale in the public market in compliance with Rule 144 under the Securities Act.

Rule 144

The shares of our common stock sold in this offering will generally be freely transferable without restriction or further registration under the Securities Act, except that any shares of our common stock held by an “affiliate” of ours may not be resold publicly except in compliance with the registration requirements of the Securities Act or under an exemption under Rule 144 or otherwise. Rule 144 permits our common stock that has been acquired by a person who is an affiliate of ours, or has been an affiliate of ours within the past three months, to be sold into the market in an amount that does not exceed, during any three-month period, the greater of:

- one percent of the total number of shares of our common stock then outstanding which will equal approximately _____ shares of common stock immediately after completion of this offering; or
- the average weekly reported trading volume of our common stock on the NASDAQ for the four calendar weeks preceding the filing of a notice on Form 144 with respect to such a sale.

Such sales are also subject to specific manner of sale provisions, a six-month holding period requirement, notice requirements and the availability of current public information about us.

Approximately _____ shares of our common stock that are not subject to lock-up arrangements described above will be eligible for sale under Rule 144 immediately upon the closing.

[Table of Contents](#)

Rule 144 also provides that a person who is not deemed to have been an affiliate of ours at any time during the three months preceding a sale, and who has for at least six months beneficially owned shares of our common stock that are proposed to be sold and are restricted securities (including the holding period of any prior owner other than an affiliate), will be entitled to freely sell such shares of our common stock subject only to the availability of current public information regarding us. A person who is not deemed to have been an affiliate of ours at any time during the three months preceding a sale, and who has beneficially owned for at least one year shares of our common stock that are restricted securities (including the holding period of any prior owner other than an affiliate), will be entitled to freely sell such shares of our common stock under Rule 144 without regard to the current public information requirements of Rule 144. To the extent that our affiliates sell their shares, other than pursuant to Rule 144 or a registration statement, the purchaser's holding period for the purpose of affecting a sale under Rule 144 commences on the date of transfer from the affiliate.

Rule 701

Rule 701 generally allows a stockholder who purchased shares of our capital stock pursuant to a written compensatory plan or contract and who is not deemed to have been an affiliate of our company during the immediately preceding 90 days to sell these shares in reliance upon Rule 144, but without being required to comply with the public information, holding period, volume limitation or notice provisions of Rule 144. Rule 701 also permits affiliates of our company to sell their Rule 701 shares under Rule 144 without complying with the holding period requirements of Rule 144. All holders of Rule 701 shares, however, are required to wait until 90 days after the date of this prospectus before selling those shares pursuant to Rule 701.

Additional registration statements

We intend to file a registration statement on Form S-8 under the Securities Act to register _____ shares of our common stock to be issued or reserved for issuance under our equity incentive plans. Such registration statement is expected to be filed soon after the date of this prospectus and will automatically become effective upon filing with the SEC. Accordingly, subject to Rule 144 provisions applicable to affiliates, shares registered under such registration statement will be available for sale in the open market, unless such shares are subject to vesting restrictions with us or the lock-up restrictions described above.

Material U.S. federal income and estate tax considerations for non-U.S. holders

The following is a discussion of the material U.S. federal income and estate tax consequences of the purchase, ownership and disposition of our common stock issued pursuant to this offering that may be relevant to you if you are a non-U.S. Holder (as defined below), and is based upon the U.S. Internal Revenue Code of 1986, as amended (the "Code"), the Treasury Department regulations promulgated thereunder, and administrative and judicial interpretations thereof, all as of the date hereof and all of which are subject to change, possibly with retroactive effect. This discussion is limited to non-U.S. Holders who hold shares of our common stock as capital assets within the meaning of Section 1221 of the Code. Moreover, this discussion does not address all of the tax consequences that may be relevant to you in light of your particular circumstances, nor does it discuss special tax provisions, which may apply to you if you are subject to special treatment under U.S. federal income tax laws, such as for certain financial institutions or financial services entities, insurance companies, tax-exempt entities, dealers in securities or currencies, traders in securities that elect to apply a mark-to-market method of tax accounting, entities that are treated as partnerships for U.S. federal income tax purposes (and investors in such entities), "controlled foreign corporations," "passive foreign investment companies," former U.S. citizens or long-term residents, persons deemed to sell common stock under the constructive sale provisions of the Code, and persons that hold common stock as part of a straddle, hedge, conversion transaction or other integrated investment or common stock received as compensation. In addition, this discussion does not address the Medicare tax on certain investment income, any state, local or foreign tax laws or any U.S. federal tax law other than U.S. federal income and estate tax law (such as gift tax laws). We have not sought and will not seek any rulings from the Internal Revenue Service regarding the matters discussed below.

There can be no assurance that the Internal Revenue Service will not take positions concerning the purchase, ownership and disposition of our common stock that are different from that discussed below.

As used in this discussion, the term "non-U.S. Holder" means a beneficial owner of our common stock that is not, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States,
- a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) that is created or organized in or under the laws of the United States, any state thereof or the District of Columbia,
- an estate the income of which is subject to U.S. federal income taxation regardless of its source, or
- a trust if (i) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons (as defined in the Code) have the authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable Treasury Department regulations to be treated as a domestic trust for U.S. federal income tax purposes.

If you are an individual, you may be deemed to be a resident alien, as opposed to a nonresident alien, by virtue of being present in the United States (1) for at least 183 days during the calendar year, or (2) for at least 31 days in the calendar year and for an aggregate of at least 183 days during a three-year period ending in the current calendar year. For purposes of (2), all the days present in the current year, one-third of the days present in the immediately preceding year, and one-sixth of the days present in the second preceding year are counted. You are also a resident alien if you are a lawful permanent resident of the United States (i.e., a "green card" holder). Resident aliens are subject to U.S. federal income tax as if they were U.S. citizens.

If any entity or arrangement treated as a partnership for U.S. federal income tax purposes is a holder of our common stock, the tax treatment of a partner in the partnership will generally depend upon the status of the

[Table of Contents](#)

partner, the activities of the partnership and certain determinations made at the partner level. A holder that is a partnership, and the partners in such partnership, should consult their own tax advisors regarding the tax consequences of the purchase, ownership and disposition of our common stock.

EACH PROSPECTIVE PURCHASER OF OUR COMMON STOCK IS ADVISED TO CONSULT A TAX ADVISOR WITH RESPECT TO CURRENT AND POSSIBLE FUTURE TAX CONSEQUENCES OF PURCHASING, OWNING AND DISPOSING OF OUR COMMON STOCK, AS WELL AS ANY TAX CONSEQUENCES THAT MAY ARISE UNDER THE LAWS OF ANY U.S. STATE, MUNICIPALITY OR OTHER TAXING JURISDICTION, IN LIGHT OF THE PROSPECTIVE PURCHASER'S PARTICULAR CIRCUMSTANCES.

U.S. trade or business income

For purposes of the discussion below, dividends and gains on the sale, exchange or other disposition of our common stock will be considered to be "U.S. trade or business income" if such income or gain is:

- effectively connected with the non-U.S. Holder's conduct of a U.S. trade or business, and
- in the case a treaty applies, attributable to a permanent establishment (or, in the case of an individual, a fixed base) maintained by the non-U.S. Holder in the United States within the meaning of such treaty.

Generally, U.S. trade or business income is subject to U.S. federal income tax on a net income basis at regular graduated U.S. federal income tax rates. Any U.S. trade or business income received by a non-U.S. Holder that is a corporation also may, under specific circumstances, be subject to an additional "branch profits tax" at a 30% rate (or a lower rate that may be specified by an applicable tax treaty).

Distributions on common stock

We do not anticipate making any distributions on our common stock. See "Dividend policy." If distributions (other than certain stock distributions) are paid on shares of our common stock, such distributions will constitute dividends for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. If a distribution exceeds our current and accumulated earnings and profits, such excess will constitute a return of capital that reduces, but not below zero, a non-U.S. Holder's tax basis in our common stock. Any remainder will constitute gain from the sale or exchange of our common stock (as described in "—Disposition of common stock" below). If dividends are paid, as a non-U.S. Holder, you will be subject to withholding of U.S. federal income tax at a 30% rate, or a lower rate as may be specified by an applicable income tax treaty (unless the dividends are considered U.S. trade or business income, as discussed below). To claim the benefit of a lower rate under an income tax treaty, you must properly file with the payor an Internal Revenue Service Form W-8BEN, W-8BEN-E or other applicable form, claiming an exemption from or reduction in withholding tax under the applicable tax treaty. Such form must be provided to us or our paying agent prior to the payment of dividends and must be updated periodically.

If dividends are considered U.S. trade or business income, those dividends will be subject to U.S. federal income tax on a net basis at applicable graduated individual or corporate rates and potential branch profits tax (as described in "—U.S. trade or business income" above) but will not be subject to withholding tax, provided a properly executed Internal Revenue Service Form W-8ECI, or other applicable form, is filed with the payor. Such form must be provided to us or our paying agent prior to the payment of dividends and must be updated periodically.

You must comply with the certification procedures described above, or, in the case of payments made outside the United States with respect to an offshore account, certain documentary evidence procedures, directly or, under certain circumstances, through an intermediary, to obtain the benefits of a reduced withholding rate

[Table of Contents](#)

under an income tax treaty with respect to dividends paid with respect to our common stock. In addition, if you are required to provide an Internal Revenue Service Form W-8BEN, W-8BEN-E or other applicable form to claim income tax treaty benefits, or Internal Revenue Service Form W-8ECI or other applicable form, both as discussed above, you also may be required to provide your U.S. taxpayer identification number.

If you are eligible for a reduced rate of U.S. withholding tax with respect to a distribution on our common stock, you may obtain a refund from the Internal Revenue Service of any excess amounts withheld by timely filing an appropriate claim for refund with the Internal Revenue Service.

Disposition of common stock

Subject to the discussion below under “—Information reporting and backup withholding tax” and “—Other withholding requirements,” as a non-U.S. Holder, you generally will not be subject to U.S. federal income or withholding tax on any gain recognized on a sale or other disposition of common stock unless:

- the gain is U.S. trade or business income;
- you are an individual who is present in the United States for 183 or more days in the taxable year of the sale or other disposition and certain other conditions are met; or
- we are, or have been, a U.S. real property holding corporation (a “USRPHC”) for U.S. federal income tax purposes at any time during the shorter of the five-year period ending on the date of disposition of our common stock and the non-U.S. Holder’s holding period for our common stock.

If you are a non-U.S. Holder with gain described in the first bullet above, you generally will be subject to tax as described in “—U.S. trade or business income.” If you are a non-U.S. Holder described in the second bullet above, you generally will be subject to a flat tax at a 30% rate (or lower applicable treaty rate) on the gain, which may be offset by certain U.S. source capital losses.

Generally, a corporation is a USRPHC if the fair market value of its “United States real property interests” equals 50% or more of the sum of the fair market value of (a) its worldwide property interests and (b) its other assets used or held for use in a trade or business. We believe that we are not currently, and do not anticipate becoming a USRPHC for U.S. federal income tax purposes. However, no assurance can be given that we will not become a USRPHC.

The tax relating to stock in a USRPHC does not apply to a non-U.S. Holder whose holdings, actual and constructive, amount to 5% or less of our common stock at all times during the applicable period, provided that our common stock is regularly traded on an established securities market for U.S. federal income tax purposes

No assurance can be given that we will not be a USRPHC or that our common stock will be considered regularly traded on an established securities market when a non-U.S. Holder disposes of shares of our common stock. Non-U.S. Holders are urged to consult with their tax advisors to determine the application of these rules to their disposition of our common stock.

Federal estate tax

Individuals who are not citizens or residents of the United States (as defined for U.S. federal estate tax purposes), or an entity the property of which is includable in an individual’s gross estate for U.S. federal estate tax purposes, should note that common stock held at the time of such individual’s death will be included in such individual’s gross estate for U.S. federal estate tax purposes and may be subject to U.S. federal estate tax, unless an applicable estate tax treaty provides otherwise.

Information reporting and backup withholding tax

We must report annually to the Internal Revenue Service and to you the amount of dividends paid to you and the tax withheld with respect to those dividends, regardless of whether withholding was required. Copies of the information returns reporting those dividends and withholding may also be made available to the tax authorities in the country in which you reside under the provisions of an applicable income tax treaty or other applicable agreements.

Backup withholding is generally imposed (currently at a 28% rate) on certain payments to persons that fail to furnish the necessary identifying information to the payor. You generally will be subject to backup withholding tax with respect to dividends paid on your common stock unless you certify to the payor your non-U.S. status. Dividends subject to withholding of U.S. federal income tax as described above in “—Distributions on common stock” would not be subject to backup withholding.

The payment of proceeds of a sale of common stock effected by or through a United States office of a broker is subject to both backup withholding and information reporting unless you provide the payor with your name and address and you certify your non-U.S. status or you otherwise establish an exemption. In general, backup withholding and information reporting will not apply to the payment of the proceeds of a sale of common stock by or through a foreign office of a broker. If, however, such broker is, for U.S. federal income tax purposes, a U.S. person or has certain enumerated relationships with the United States, backup withholding will not apply (unless the broker has actual knowledge that you are a U.S. person) but such payments will be subject to information reporting, unless such broker has documentary evidence in its records that you are a non-U.S. Holder and certain other conditions are met or you otherwise establish an exemption.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules generally will be allowed as a refund or a credit against your U.S. federal income tax liability provided the required information is furnished in a timely manner to the Internal Revenue Service.

Other withholding requirements

Under an information reporting regime commonly referred to as the Foreign Account Tax Compliance Act, or FATCA, a 30% U.S. federal withholding tax generally will be imposed on dividends paid by U.S. issuers, and on the gross proceeds from the disposition of stock of U.S. issuers, paid to or through a “foreign financial institution” (as specially defined under these rules), unless such institution (i) enters into an agreement with the U.S. Treasury Department to collect and provide to the U.S. Treasury Department substantial information regarding U.S. account holders, including certain account holders that are foreign entities with U.S. owners, with such institution or (ii) is deemed compliant with, or otherwise exempt from, FATCA. In certain circumstances, the information may be provided to local tax authorities pursuant to intergovernmental agreements between the United States and a foreign country. FATCA also generally imposes a U.S. federal withholding tax of 30% on the same types of payments to or through a non-financial foreign entity unless such entity (i) provides the withholding agent with a certification that it does not have any substantial U.S. owners (as defined under these rules) or a certification identifying the direct and indirect substantial U.S. owners of the entity or (ii) is deemed compliant with, or otherwise excepted from, FATCA. FATCA would apply to any dividends paid on our common stock, and to the gross proceeds from the sale or other disposition of our common stock after December 31, 2016. Under certain circumstances, a holder may be eligible for refunds or credits of such taxes. Intergovernmental agreements and laws adopted thereunder may modify or supplement the rules under FATCA. You should consult your tax advisor regarding the possible implications of FATCA on your investment in our common stock.

The underwriters propose to offer the shares of common stock directly to the public at the initial public offering price set forth on the cover page of this prospectus and to certain dealers at that price less a concession not in excess of \$ per share. After the initial public offering of the shares, the offering price and other selling terms may be changed by the underwriters. Sales of shares made outside the United States may be made by affiliates of the underwriters.

We have agreed to indemnify the underwriters and their controlling persons against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the underwriters may be required to make in respect of those liabilities.

Option to purchase additional shares

The underwriters have an option to buy up to additional shares of common stock from us. The underwriters have 30 days from the date of this prospectus to exercise this option to purchase additional shares. If any shares are purchased” with this option, the underwriters will purchase shares in approximately the same proportion as shown in the table above. If any additional shares of common stock are purchased, the underwriters will offer the additional shares on the same terms as those on which the shares are being offered.

Underwriting discounts and expenses

The underwriting fee is equal to the public offering price per share of common stock less the amount paid by the underwriters to us per share of common stock. The underwriting fee is \$ _____ per share. The following table shows the per share and total underwriting discounts and commissions to be paid to the underwriters assuming both no exercise and full exercise of the underwriters' option to purchase additional shares.

We estimate the total expenses of this offering, including registration, filing and listing fees, printing fees and legal and accounting expenses, but excluding the underwriting discounts and commissions, will be approximately \$ _____. We have agreed to reimburse the underwriters for certain expenses, including up to an aggregate of \$ _____ in connection with the clearance of this offering with the Financial Industry Regulatory Authority, Inc. ("FINRA"). Such reimbursement is deemed to be underwriting compensation by FINRA.

The underwriters have agreed to reimburse us for certain expenses related to this offering.

Lock-up

We have agreed that, subject to certain exceptions, we will not:

- offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly (regardless of whether any such transaction is to be settled by the delivery of shares of our common stock or such other securities, in cash or otherwise), or file with the SEC a registration statement under the Securities Act relating to, any shares of our common stock or any securities convertible into or exercisable or exchangeable for any shares of our common stock, or publicly disclose the intention to make any offer, sale, pledge, disposition or filing; or
- enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences associated with the ownership of any shares of our common stock or any such other securities (regardless of whether any such transaction is to be settled by the delivery of shares of our common stock or such other securities, in cash or otherwise),

in each case without the prior written consent of _____ for a period of 180 days after the date of this prospectus, other than the shares of our common stock to be sold hereunder and any shares of our common stock issued upon the exercise of options granted under our equity incentive plans.

Our directors, executive officers and holders of _____ % of our common stock and securities convertible into or exchangeable or exercisable into our common stock have entered into lock-up agreements with the underwriters prior to the commencement of this offering pursuant to which each of these persons or entities, with limited exceptions, for a period of 180 days after the date of this prospectus, may not, without the prior written consent of _____ :

- offer, pledge, announce the intention to sell, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly (regardless of whether any such transaction is to be settled by delivery of our common stock or such other securities, in cash or otherwise), any shares of our common stock or any securities convertible into or exercisable or exchangeable for any shares of our common stock (including,

[Table of Contents](#)

without limitation, our common stock or such other securities which may be deemed to be beneficially owned by such directors, executive officers and shareholders in accordance with the rules and regulations of the SEC and securities which may be issued upon exercise of a stock option or warrant), or publicly disclose the intention to make any offer, sale, pledge or disposition; or

- enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences associated with ownership of any shares of our common stock or such other securities, regardless of whether any such transaction is to be settled by delivery of our common stock or such other securities, in cash or otherwise; or
- make any demand for, or exercise any right with respect to, the registration of any shares of our common stock or any security convertible into or exercisable or exchangeable for our common stock.

Listing

We intend to file an application to list the common stock on the NASDAQ under the symbol "OLLI."

Price stabilization and short positions

In connection with this offering, the underwriters may engage in stabilizing transactions, which involves making bids for, purchasing and selling shares of common stock in the open market for the purpose of preventing or retarding a decline in the market price of the common stock while this offering is in progress. These stabilizing transactions may include making short sales of the common stock, which involves the sale by the underwriters of a greater number of shares of common stock than they are required to purchase in this offering, and purchasing shares of common stock on the open market to cover positions created by short sales. Short sales may be "covered" shorts, which are short positions in an amount not greater than the underwriters' option to purchase additional shares referred to above, or may be "naked" shorts, which are short positions in excess of that amount. The underwriters may close out any covered short position either by exercising their option to purchase additional shares, in whole or in part, or by purchasing shares in the open market. In making this determination, the underwriters will consider, among other things, the price of shares available for purchase in the open market compared to the price at which the underwriters may purchase shares through the option to purchase additional shares. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the common stock in the open market that could adversely affect investors who purchase in this offering. To the extent that the underwriters create a naked short position, they will purchase shares in the open market to cover the position.

The underwriters have advised us that, pursuant to Regulation M of the Securities Act, they may also engage in other activities that stabilize, maintain or otherwise affect the price of the common stock, including the imposition of penalty bids. This means that if the representatives of the underwriters purchase common stock in the open market in stabilizing transactions or to cover short sales, the representatives can require the underwriters that sold those shares as part of this offering to repay the underwriting discount received by them.

These activities may have the effect of increasing or maintaining the market price of the common stock or preventing or retarding a decline in the market price of the common stock, and, as a result, the price of the common stock may be higher than the price that otherwise might exist in the open market. If the underwriters commence these activities, they may discontinue them at any time. The underwriters may carry out these transactions on the NASDAQ, in the over-the-counter market or otherwise.

New issue of securities

Prior to this offering, there has been no public market for our common stock. The initial public offering price will be determined by negotiations between us and the representatives of the underwriters. In determining the initial public offering price, we and the representatives of the underwriters expect to consider a number of factors including:

- the information set forth in this prospectus and otherwise available to the representatives;
- our prospects for future earnings and the history and prospects for the industry in which we compete;
- an assessment of our management;
- the general condition of the securities markets at the time of this offering;
- the recent market prices of, and demand for, publicly traded common stock of generally comparable companies; and
- other factors deemed relevant by the underwriters and us.

Neither we nor the underwriters can assure investors that an active trading market will develop for our common stock, or that the shares will trade in the public market at or above the initial public offering price.

A prospectus in electronic format may be made available on the websites maintained by one or more underwriters, or selling group members, if any, participating in the offering. The underwriters may agree to allocate a number of shares to underwriters and selling group members for sale to their online brokerage account holders. Internet distributions will be allocated by the representatives to underwriters and selling group members that may make Internet distributions on the same basis as other allocations.

Other than in the United States, no action has been taken by us or the underwriters that would permit a public offering of the securities offered by this prospectus in any jurisdiction where action for that purpose is required. The securities offered by this prospectus may not be offered or sold, directly or indirectly, nor may this prospectus or any other offering material or advertisements in connection with the offer and sale of any such securities be distributed or published in any jurisdiction, except under circumstances that will result in compliance with the applicable rules and regulations of that jurisdiction. Persons into whose possession this prospectus comes are advised to inform themselves about and to observe any restrictions relating to the offering and the distribution of this prospectus. This prospectus does not constitute an offer to sell or a solicitation of an offer to buy any securities offered by this prospectus in any jurisdiction in which such an offer or a solicitation is unlawful.

Notice to prospective investors in the European Economic Area

In relation to each Member State of the European Economic Area (each, a "Relevant Member State"), no offer of securities may be made to the public in that Relevant Member State other than:

- A. to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- B. to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the Representatives; or
- C. in any other circumstances falling within Article 3(2) of the Prospectus Directive,
provided that no such offer of securities shall require the Company or the Representatives to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

[Table of Contents](#)

Each person in a Relevant Member State who initially acquires any securities or to whom any offer is made will be deemed to have represented, acknowledged and agreed that it is a “qualified investor” within the meaning of the law in that Relevant Member State implementing Article 2(1)(e) of the Prospectus Directive. In the case of any securities being offered to a financial intermediary as that term is used in Article 3(2) of the Prospectus Directive, each such financial intermediary will be deemed to have represented, acknowledged and agreed that the securities acquired by it in the offer have not been acquired on a non-discretionary basis on behalf of, nor have they been acquired with a view to their offer or resale to, persons in circumstances which may give rise to an offer of any securities to the public other than their offer or resale in a Relevant Member State to qualified investors as so defined or in circumstances in which the prior consent of the Representatives has been obtained to each such proposed offer or resale.

Neither we nor the Representatives and their affiliates will rely upon the truth and accuracy of the foregoing representations, acknowledgements and agreements.

This prospectus has been prepared on the basis that any offer of securities in any Relevant Member State will be made pursuant to an exemption under the Prospectus Directive from the requirement to publish a prospectus for offers of securities. Accordingly any person making or intending to make an offer in that Relevant Member State of securities which are the subject of the offering contemplated in this prospectus may only do so in circumstances in which no obligation arises for us or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive in relation to such offer. Neither we nor the underwriters have authorized, nor do they authorize, the making of any offer of securities in circumstances in which an obligation arises for us or the underwriters to publish a prospectus for such offer.

For the purpose of the above provisions, the expression “an offer to the public” in relation to any securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the securities to be offered so as to enable an investor to decide to purchase or subscribe the securities, as the same may be varied in the Relevant Member State by any measure implementing the Prospectus Directive in the Relevant Member State and the expression “Prospectus Directive” means Directive 2003/71/EC (including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member States) and includes any relevant implementing measure in the Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

Any person in the United Kingdom that is not a relevant person should not act or rely on the information included in this prospectus or use it as basis for taking any action. In the United Kingdom, any investment or investment activity that this prospectus relates to may be made or taken exclusively by relevant persons. Any person in the United Kingdom that is not a relevant person should not act or rely on this prospectus or any of its contents.

Notes to consolidated financial statements

January 31, 2015 and February 1, 2014

(1) Organization and summary of significant accounting policies

(a) Description of business

On September 28, 2012, Ollie's Bargain Outlet Holdings, Inc. (formerly known as Bargain Holdings, Inc.) acquired Ollie's Holdings, Inc. and its sole operating subsidiary, Ollie's Bargain Outlet, Inc. for \$700.0 million in cash. The acquisition was financed through approximately \$462.6 million in equity investment and approximately \$250.0 million in various debt financing and Bargain Holdings, Inc. was formed to complete the acquisition by its majority shareholder, CCMP Capital Advisors, LLC and affiliates.

On March 23, 2015, Bargain Holdings, Inc. changed its name to Ollie's Bargain Outlet Holdings, Inc. All references within the financial statements and notes have been updated to refer to Ollie's Bargain Outlet Holdings, Inc. for all periods presented. Ollie's Bargain Outlet Holdings, Inc., operates through its sole operating subsidiary, Ollie's Bargain Outlet, Inc., a chain of retail stores that offer brand name products at deeply discounted and closeout prices across a broad selection of product categories.

Ollie's Bargain Outlet Holdings, Inc. and Subsidiaries are collectively referenced to as the Company or Ollie's.

Since the first store opened in 1982, the Company has grown to 176 Ollie's Bargain Outlet retail locations as of January 31, 2015 from 154 locations as of February 1, 2014. Ollie's Bargain Outlet retail locations are currently located in 16 states (Alabama, Delaware, Georgia, Indiana, Kentucky, Maryland, Michigan, New Jersey, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Virginia, and West Virginia).

Ollie's principally buys overproduced, overstocked, and closeout merchandise from manufacturers, wholesalers, and other retailers. In addition, the Company augments our name-brand closeout deals with directly sourced private label products featuring names exclusive to Ollie's, in order to provide consistently value-priced goods in select key merchandise categories.

For purposes of the disclosure requirements for segments of a business enterprise, it has been determined that the Company is comprised of one operating segment.

(b) Fiscal year

Ollie's follows a 52/53-week fiscal year, which ends on the Saturday nearest to January 31st. References to the fiscal year ended January 31, 2015 refer to the period from February 2, 2014 to January 31, 2015. References to the fiscal year ended February 1, 2014 refer to the period from February 3, 2013 to February 1, 2014.

(c) Principles of consolidation

The consolidated financial statements include the accounts of the Company and its subsidiaries. Intercompany transactions have been eliminated in consolidation.

(d) Use of estimates

The preparation of consolidated financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Ollie's Bargain Outlet Holdings, Inc. and subsidiaries

Notes to consolidated financial statements

January 31, 2015 and February 1, 2014

(e) Fair value disclosures

Fair value is defined as the price which the Company would receive to sell an asset or pay to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date. In determining fair value, U.S. GAAP establishes a three-level hierarchy used in measuring fair value, as follows:

- Level 1 inputs are quoted prices available for identical assets and liabilities in active markets.
- Level 2 inputs are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets or other inputs that are observable or can be corroborated by observable market data.
- Level 3 inputs are less observable and reflect the Company's assumptions.

Ollie's financial instruments consist of cash, accounts receivable, accounts payable and our term loan. The carrying amount of cash, accounts receivable and accounts payable approximates fair value because of their short maturities. The carrying amount of our term loan facility approximates its fair value because the interest rates are adjusted regularly based on current market conditions.

(f) Cash

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

(g) Concentration of credit risk

Financial instruments which potentially subject the Company to a concentration of credit risk are cash. Ollie's currently maintains its day-to-day operating cash balances with major financial institutions. The Company's operating cash balances are in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limit. From time to time, Ollie's invests temporary excess cash in overnight investments with expected minimal volatility, such as money market funds. Although the Company maintains balances which exceed the FDIC insured limit, it has not experienced any losses related to this balance, and Ollie's believes the credit risk to be minimal.

(h) Inventories

Inventories are stated at the lower of cost or market determined using the retail inventory method on a first-in, first-out basis. The cost of inventories includes the merchandise cost, transportation costs, and certain distribution and storage costs. Such costs are thereafter expensed as cost of sales upon the sale of the merchandise. The retail inventory method uses estimates for shrink and markdowns to calculate ending inventory. These estimates made by management could significantly impact the ending inventory valuation at cost and the resulting gross margin.

(i) Property and equipment

Property and equipment are stated at original cost less accumulated depreciation and amortization. Depreciation and amortization are calculated over the estimated useful lives of the related assets, or in the case of leasehold improvements, the lesser of the useful lives or the remaining term of the lease. Expenditures for additions, renewals, and betterments are capitalized; expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is computed on the straight-line method for financial reporting purposes.

Ollie's Bargain Outlet Holdings, Inc. and subsidiaries

Notes to consolidated financial statements

January 31, 2015 and February 1, 2014

The useful lives for the purpose of computing depreciation and amortization are as follows:

Software	3 years
Automobiles	5 years
Computer equipment	5 years
Furniture, fixtures, and equipment	7-10 years
Leasehold improvements	Lesser of lease term or useful life

(j) Goodwill/intangible assets

The Company amortizes intangible assets over their useful lives unless it determines such lives to be indefinite. Goodwill and intangible assets having indefinite useful lives are not amortized to earnings, but instead are subject to annual impairment testing or more frequently if events or circumstances indicate that the value of goodwill or intangible assets having indefinite useful lives might be impaired.

Entities have an option to perform a qualitative assessment to determine whether further impairment testing on goodwill is necessary. Specifically, an entity has the option to first assess qualitative factors to determine whether it is necessary to perform the two-step quantitative test. The goodwill quantitative impairment test is a two-step test. Under the first step, the fair value of the reporting unit is compared with its carrying value (including goodwill). If the fair value of the reporting unit is less than its carrying value, an indication of goodwill impairment exists for the reporting unit and the enterprise must perform step two of the impairment test (measurement). Under step two, an impairment loss is recognized for any excess of the carrying amount of the reporting unit's goodwill over the implied fair value of that goodwill. The implied fair value of goodwill is determined by allocating the fair value of the reporting unit in a manner similar to a purchase price allocation. The residual fair value after the allocation is the implied fair value of the reporting unit goodwill. Fair value of the sole reporting unit is determined utilizing a combination of valuation methods including both the income approach (including a discounted cash flow analysis) and market approaches (including prior transaction method and comparable public company multiples). The fair value estimates utilized in the impairment testing reflect the use of Level 3 inputs. If the fair value of the reporting unit exceeds its carrying value, step two does not need to be performed. If an entity believes, as a result of its qualitative assessment, that it is more-likely than-not that the fair value of a reporting unit is less than its carrying amount, the quantitative impairment test is required. Otherwise, no further testing is required. The Company has selected the fiscal month ending date of October as the annual impairment testing date. For the fiscal year ended February 1, 2014, the Company completed a quantitative impairment test. For the fiscal year ended January 31, 2015, the Company completed a qualitative impairment test. Based upon the procedures described above, no impairment of goodwill existed as of January 31, 2015 or February 1, 2014.

The Company is also required to perform impairment tests annually or more frequently if events or circumstances indicate that the value of its nonamortizing intangible assets might be impaired. The Company's nonamortizing intangible assets as of January 31, 2015 and February 1, 2014 consisted of a tradename. Entities have an option to perform a qualitative assessment to determine whether further impairment testing of nonamortizing intangible assets is necessary. Specifically, an entity has the option to first assess qualitative

Ollie's Bargain Outlet Holdings, Inc. and subsidiaries

Notes to consolidated financial statements

January 31, 2015 and February 1, 2014

factors to determine whether it is necessary to perform a quantitative test. The Company performs the quantitative impairment test using the discounted cash flow method based on management's projections to determine the fair value of the asset. The carrying amount of the asset is then compared to the fair value. If the carrying amount is greater than fair value, an impairment loss is recorded for the amount that fair value is less than the carrying amount. If an entity believes, as a result of its qualitative assessment, that it is more-likely than-not that the fair value is less than its carrying amount, the quantitative impairment test is required. Otherwise, no further testing is required. For the fiscal year ended February 1, 2014, the Company completed a quantitative impairment test. For the fiscal year ended January 31, 2015, the Company completed a qualitative impairment test. Based upon the procedures described above, no impairment of tradename existed as of January 31, 2015 or February 1, 2014.

Intangible assets with determinable useful lives are amortized over their estimated useful lives and reviewed for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable.

(k) Impairment of long-lived assets

Long-lived assets, such as property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset or asset group be tested for possible impairment, the Company first compares undiscounted cash flows expected to be generated by that asset or asset group to its carrying value. If the carrying value of the long-lived asset or asset group is not recoverable on an undiscounted cash flow basis, impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary.

(l) Stock-based compensation

The Company measures the cost of employee services received in exchange for share-based compensation based on the grant date fair value of the employee stock award. Ollie's recognizes stock-based compensation expense based on estimated grant date fair value using the Black-Scholes option-pricing model which is recorded on a straight-line basis over the vesting period for the entire reward. Excess tax benefits of awards related to stock option exercises are reflected as financing cash inflows.

(m) Revenue recognition

Ollie's recognizes retail sales in its stores at the time a customer pays and takes possession of merchandise. Net sales are presented net of returns and sales tax. The Company provides an allowance for estimated retail merchandise returns based on prior experience.

(n) Cost of sales

Cost of sales includes merchandise cost, transportation costs, inventory markdowns, shrink, and certain distribution, warehousing, and storage costs.

(o) Selling, general and administrative expenses

Selling, general and administrative expenses are comprised of payroll and benefits for stores, field support, distribution facility and support center employees. Selling, general and administrative expense also includes marketing and advertising expense, occupancy costs, insurance, corporate infrastructure and other selling, general and administrative expenses.

(p) Advertising costs

Advertising costs primarily consist of newspaper circulars, email campaigns, media broadcasts and prominent advertising at professional and collegiate sporting events and are charged to expense the first time the advertising occurs. Advertising expense for the fiscal years ended January 31, 2015 and February 1, 2014 was \$23.1 million and \$19.7 million, respectively.

(q) Operating leases

The Company leases all of its store locations, distribution centers and office facilities. Many of the lease agreements contain rent holidays, rent escalation clauses and contingent rent provisions – or some combination of these items. For leases of store locations and office facilities, the Company recognizes rent expense in selling, general and administrative expenses. For leases of distribution centers, the Company recognizes rent expense within cost of sales. All rent expense is recorded on a straight-line basis over the accounting lease term, which includes lease renewals determined to be reasonably assured. Additionally, the commencement date of the accounting lease term reflects the earlier of the date the Company becomes legally obligated for the lease payments or the date the Company takes possession of the building for initial construction and setup. The excess rent expense over the actual cash paid for rent is accounted for as deferred rent. Leasehold improvement allowances received from landlords and other lease incentives are recorded as deferred rent liabilities and are recognized in selling, general and administrative expenses on a straight-line basis over the accounting lease term.

(r) Pre-opening costs

Pre-opening costs (costs of opening new stores and distribution facilities, including grand opening promotions, payroll, travel, training, and store setup costs) are expensed as incurred.

(s) Debt issuance costs and original issue discount

Debt issuance costs and original issue discount are amortized to interest expense using the effective interest method, over the life of the related debt. As of January 31, 2015 and February 1, 2014, debt issuance costs, net of accumulated amortization, were \$6.1 million and \$6.8 million, respectively. For the fiscal years ended January 31, 2015 and February 1, 2014, amortization of debt issuance costs was \$1.3 million and \$1.4 million, respectively, and the write-off of debt issuance costs was \$0.6 million and \$1.1 million, respectively. For the fiscal years ended January 31, 2015 and February 1, 2014, amortization of original issue discount was \$0.8 million and \$1.4 million, respectively.

(t) Self-insurance liabilities

Under a number of the Company's insurance programs, which include the Company's employee health insurance program, its workers' compensation and general liability insurance programs, the Company is liable for a portion of its losses. Ollie's is self-insured for certain losses related to the company sponsored employee health insurance program. The Company estimates the accrued liabilities for our self-insurance programs using historical claims experience and loss reserves. To limit the Company's exposure to losses, a stop-loss coverage is maintained through third-party insurers.

(u) Income taxes

Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating losses and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The Company recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized.

Ollie's files consolidated federal and state income tax returns. For years before 2010, the Company is no longer subject to U.S. federal income tax examinations. State income tax returns are filed in various state tax jurisdictions, as appropriate, with varying statutes of limitation and remain subject to examination for varying periods up to three to four years depending on the state.

(v) Supplemental cash flow information

As of January 31, 2015 and February 1, 2014, capital expenditures of \$0.4 million and \$0.5 million, respectively, had been incurred but not yet paid in cash and, accordingly, were accrued in accounts payable and accrued expenses.

(w) Earnings per common share

Basic earnings per common share is computed by dividing net income by the weighted average number of common shares outstanding. Diluted earnings per common share is computed by dividing net income by the weighted average number of common shares outstanding, after giving effect to the potential dilution, if applicable, from the assumed exercise of stock options into shares of common stock as if those stock options were exercised.

Weighted average stock option shares totaling 25,836 and 45,480 as of January 31, 2015 and February 1, 2014, respectively, were excluded from the calculation of diluted weighted average common shares outstanding because the effect would have been antidilutive.

(x) Recent accounting pronouncements

In May 2014, the Financial Accounting Standards Board issued Accounting Standards Update (“ASU”) No. 2014-09, Revenue from Contracts with Customers, which requires an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. ASU No. 2014-09 will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. The new standard is effective for Ollie's on January 29, 2017. Early application is not permitted. The standard permits the use of either the retrospective or cumulative effect transition method. The Company has not yet determined the effect of the standard on its consolidated financial statements and related disclosures.

Certain prior-year amounts have been reclassified to conform to current-year presentation.

On September 28, 2012, the Company entered into two credit agreements with a total value of \$300.0 million. The \$300.0 million was comprised of a \$75.0 million revolving credit facility (Credit Facility) and a \$225.0 million term loan (Term Loan). The Credit Facility has Manufacturers and Traders Trust Company

(M&T Bank) as administrative agent, and certain financial institutions as lenders. The Term Loan has Jefferies Finance LLC (Jefferies) as administrative agent, and certain financial institutions as lenders. As part of the Term Loan, the Company was required to pay a \$2.5 million original issue discount.

On February 26, 2013, the Company entered into a First Amendment to the Term Loan (First Amendment) which allowed the Company to borrow an additional principal amount of \$50.0 million. The proceeds received were net of a soft call premium of \$2.2 million, of which \$1.8 million was recorded as additional original issue discount and \$0.4 million was recognized as interest expense on the date of the amendment. The primary purpose of this additional term loan borrowing was a \$46.2 million repurchase of 43,475 shares of Class A Common Stock from our majority shareholder as consented by the original Term Loan lenders. In addition, various arrangement fees and legal fees totaling \$1.6 million were incurred in connection with this amendment, of which \$1.1 million were recorded as deferred financing fees and \$0.5 million were recognized in selling, general and administrative expense on the date of the amendment. In connection with this amendment, \$1.1 million of debt issuance cost and \$0.4 million of original issue discount were accelerated on the date of the amendment and included within interest expense.

On April 11, 2014, the Company entered into a Second Amendment to the Term Loan (Amended Term Loan) which allowed the Company to borrow an additional principal amount of \$60.0 million. The primary purpose of the additional term loan borrowing was to distribute \$58.0 million as a cash dividend to common shareholders as consented by the original Term Loan lenders. The total dividend amount was recorded as a reduction of retained earnings of \$23.6 million to reduce the retained earnings balance as of the dividend date to zero and the additional \$34.4 million was recorded as a reduction of additional paid-in capital. The proceeds received were net of \$2.0 million, of which \$1.3 million was recognized as deferred financing fees, \$0.4 million was recorded as additional original issue discount, and \$0.3 million was recognized as selling, general and administrative expenses. In connection with this amendment, \$0.4 million of debt issuance cost and \$0.2 million of original issue discount were accelerated on the date of the amendment and included within interest expense.

The Amended Term Loan is payable in 27 consecutive quarterly payments of \$0.8 million to be made on the last business day of each fiscal quarter beginning with February 1, 2013, with the remaining unpaid principal balance of the Amended Term Loan along with all accrued and unpaid interest to be paid by September 28, 2019. The Amended Term Loan provides for an "Excess Cash Flow" payment, as defined, to be made on or before 125 days from the end of the Company's fiscal year of each year beginning with the fiscal year ended February 1, 2014. The Excess Cash Flow payment expected to be made for the fiscal year ended January 31, 2015 is \$4.4 million and is included in current portion of long-term debt as of January 31, 2015. The Excess Cash Flow payment for the fiscal year ended February 1, 2014 was \$4.3 million and was included in current portion of long-term debt as of February 1, 2014.

The credit agreement includes variable methods of determining interest rates for the Amended Term Loan, calculated as the higher of the Prime Rate, the Federal Funds Effective Rate plus 0.50%, the Eurodollar Rate plus 1.00%, or 2.00%; plus the Applicable Margin. The Amended Term Loan also allows for Eurodollar Loans with a floor of 1.00%, plus the Applicable Margin. As part of the Second Amendment to the Term Loan, the Applicable Margin on the interest rate was reduced by 0.25% (from 3.00% to 2.75% for a Base Rate Loan and from 4.00% to 3.75% for a Eurodollar Loan), the floor was reduced from 1.25% to 1.00%. As of January 31, 2015 and February 1, 2014, the interest rate on outstanding borrowings under the Amended Term Loan was 4.75% and 5.25%, respectively.

Under the terms of the Credit Facility, the Company can borrow up to 90.0% of the most recent appraised value (valued at cost, discounted for the current net orderly liquidation value) of our eligible inventory, as defined, up to \$75.0 million. The Credit Facility includes a \$25.0 million sub-facility for letters of credit and a \$20.0 million swingline loan facility. The Credit Facility includes variable methods of determining interest rates, calculated as the higher of the Prime Rate, the Federal Funds Effective Rate plus 0.50%, or the Eurodollar Rate plus 1.00%; plus Applicable Margin (which could range from 0.75% to 1.25%). Under the terms of the Credit Facility, the Applicable Margin may fluctuate subject to periodic measurements of average availability, as defined. The Credit Facility also allows for Eurodollar Loans comprised of the Eurodollar Base Rate plus Applicable Margin (which could range from 1.75% to 2.25%). The agreement also allows the Company to increase the amount of the revolving credit facility by \$25.0 million, subject to certain requirements and restrictions.

As of January 31, 2015, Ollie's had no outstanding borrowings under the Credit Facility, with \$73.5 million of borrowing availability, letter of credit commitments of \$1.3 million and \$0.2 million of rent reserves. The interest rate applicable if borrowings were outstanding as of January 31, 2015 would have been in a range of 2.19% and 4.25%. The Credit Facility also contains an unused line fee of 0.375% per annum and the Company incurred unused line fees of \$0.2 million for fiscal years 2014 and 2013.

The Credit Facility and Amended Term Loan are collateralized by the Company's assets and equity and contain financial covenants, as well as certain business covenants, including restrictions on dividend payments, that the Company must comply with during the term of the agreement. The Company was in compliance with all terms and agreements during and as of the years ended January 31, 2015 and February 1, 2014.

Significant components of deferred tax assets and liabilities are as follows (in thousands):

	Fiscal year ended	
	January 31, 2015	February 1, 2014
Deferred tax assets:		
Inventory reserves	\$ 858	\$ 794

Leases	(1,051)	(1,062)

Total deferred tax liabilities	(97,456)	(96,805)
Net deferred tax liabilities	\$ (89,090)	\$ (92,509)

A reconciliation of the statutory federal income tax rate to the Company's effective income tax rate is as follows:

	Fiscal year ended	
	January 31, 2015	February 1, 2014
Statutory federal rate	35.0%	35.0%
State taxes, net of federal benefit	3.2	4.0
Other	0.2	(2.4)
	38.4%	36.6%

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities (including the impact of available carryback and carryforward periods), projected future taxable income, and tax-planning strategies in making this assessment. Based upon the level of historical taxable income and projections for future taxable income and the scheduled reversal of deferred liabilities over the periods in which the deferred tax assets are deductible, management believes it is more likely than not that the Company will realize the benefits of these deductible differences as of January 31, 2015 and February 1, 2014.

Notes to consolidated financial statements

January 31, 2015 and February 1, 2014

Ollie's has no material accrual for uncertain tax positions or interest or penalties related to income taxes on the Company's consolidated balance sheets as of January 31, 2015 or February 1, 2014, and has not recognized any material uncertain tax positions or interest or penalties related to income taxes in the consolidated statements of income for the fiscal years ended January 31, 2015 or February 1, 2014.

(7) Commitments and contingencies

Ollie's leases all of its store, office, and distribution facilities under operating leases that expire at various dates through 2031. These leases generally provide for fixed annual rentals; however, several provide for minimum annual rentals plus contingent rentals based on a percentage of annual sales. A majority of the Company's leases also require a payment for all or a portion of insurance, real estate taxes, water and sewer costs, and repairs, the cost of which is charged to the related expense category rather than being accounted for as rent expense. Most of the leases contain multiple renewal options, under which Ollie's may extend the lease terms for five years. Minimum rents on operating leases, including agreements with step rents, are charged to expense on a straight-line basis over the lease term.

Rent expense on all operating leases consisted of the following (in thousands):

	Fiscal year ended	
	January 31, 2015	February 1, 2014
Minimum annual rentals	\$ 28,707	\$ 25,133
Contingent rentals	78	140
	<u>\$ 28,785</u>	<u>\$ 25,273</u>

The following is a schedule by year of future minimum rental payments required under non-cancelable operating leases, including option renewal periods that are reasonably assured, that have initial or remaining lease terms in excess of one year as of January 31, 2015 (in thousands):

Fiscal year ending:	
January 30, 2016	\$ 34,334

Ollie's is subject to litigation in the normal course of business. The Company does not believe such actions, either individually or collectively, will have a significant impact on Ollie's financial position or results of operations.

(8) Equity incentive plan

During 2012, Ollie's established an equity incentive plan (the 2012 Plan), under which stock options are granted to executive officers and key employees as deemed appropriate under the provisions of the 2012 Plan, with an

Ollie's Bargain Outlet Holdings, Inc. and subsidiaries

Notes to consolidated financial statements

exercise price at the fair value of the underlying stock on the date of grant. The vesting period for options is five years (20% ratably per year). Options granted under the 2012 Plan are subject to employment for vesting, expire 10 years from the date of grant, and are not transferable other than upon death. The Company uses authorized and unissued shares to satisfy share award exercise. As of January 31, 2015 and February 1, 2014 there were 13,886 shares and 20,186 shares, respectfully, of the Company's common stock available for grant under the 2012 plan.

A summary of the Company's stock option activity and related information follows for the fiscal years ended January 31, 2015 and February 1, 2014:

	Number of options	Weighted average exercise price	Weighted average remaining contractual term (years)	Aggregate intrinsic value
Outstanding at January 2, 2013	44,805	\$ 1,000		
Granted	3,300	1,000		
Forfeited	<u>(2,200)</u>	1,000		
Outstanding at February 1, 2014	45,905	1,000		
Granted	8,000	1,055		
Forfeited	<u>(1,640)</u>	906		
Outstanding at January 31, 2015	<u>52,265</u>	883	7.9	\$453
Exercisable at January 31, 2015	<u>17,486</u>	862	7.7	\$474

The compensation cost which has been recorded within selling, general & administrative expense for the Company's equity incentive plan was \$3.8 million and \$3.4 million for fiscal years 2014 and 2013, respectively. The Company recognized \$1.4 million and \$1.3 million in income tax benefit in the fiscal years 2014 and 2013, respectively consolidated statements of income for share-based award compensation.

As of January 31, 2015 and February 1, 2014, there was \$11.8 million and \$12.8 million, respectively, of total unrecognized compensation cost related to non-vested stock-based compensation arrangements granted under the 2012 Plan. That cost is expected to be recognized over a weighted average period of 3.9 years and 4.2 years for the years ended January 31, 2015 and February 1, 2014. Awards with graded vesting are recognized using the straight-line method.

In April 2014 the Company entered into an additional term loan borrowing of \$60.0 million. The proceeds were used for a one-time cash dividend to the stockholders of the Company (see Note 5). In lieu of a pro-rata share of the one-time cash dividend, the option exercise price was reduced to \$862 from \$1,000 for all options issued prior to the dividend declaration date. The 2012 Plan includes provisions that require equitable adjustment to the outstanding option awards in the event of certain equity transactions including stock splits, recapitalizations, or dividends, among others, therefore the revision to the exercise price had no accounting impact.

Determining the appropriate fair value of stock-based awards requires the input of subjective assumptions, including the fair value of the Company's common stock and for stock options, the expected life of the option

Ollie's Bargain Outlet Holdings, Inc. and subsidiaries

Notes to consolidated financial statements

January 31, 2015 and February 1, 2014

and expected stock price volatility. The Company uses the Black-Scholes option pricing model to value its stock option awards. The assumptions used in calculating the fair value of stock-based awards represent management's best estimates and involve inherent uncertainties and the application of management's judgement. As a result, if factors change and management uses different assumptions, stock-based compensation expense could be materially different for future awards.

The expected life of stock options was estimated using the "simplified method," as the Company has no historical information to develop reasonable expectations about future exercise patterns and post-vesting employment termination behavior for its stock option grants. The simplified method is based on the average of the vesting tranches and the contractual life of each grant. Since the Company's shares are not publicly traded, for stock price volatility, the Company uses comparable public companies as a basis for its expected volatility to calculate the fair value of option grants. The risk-free interest rate is based on U.S. Treasury notes with a term approximating the expected life of the option.

The weighted average grant date fair value per option for options granted during the fiscal years ended January 31, 2015 and February 1, 2014 was \$411 and \$389, respectively. The fair value of each option award is estimated on the date of grant using the Black-Scholes option-pricing model that used the weighted average assumptions in the following table:

	Fiscal year ended	
	January 31, 2015	February 1, 2014
Risk-free interest rate	2.22%	1.54%
Expected dividend yield	—	—
Expected term (years)	6.5 years	6.5 years
Expected volatility	34.80%	36.35%

(9) Employee benefit plans

Ollie's sponsors a defined contribution plan, qualified under Internal Revenue Code (IRC) Section 401(k), for the benefit of employees. An employee becomes eligible to participate in the Plan upon attaining at least 21 years of age and completing three months of full-time employment. An employee may elect to contribute annual compensation up to the maximum allowable under the IRC. The Company assumes all administrative costs of the Plan and matches the employee's contribution up to 25% of the first 6% of their annual compensation. The portion that the Company matches is vested ratably over six years. The employer matching contributions to the Plan were \$0.2 million for the fiscal years ended January 31, 2015 and February 1, 2014.

In addition to the regular matching contribution, the Company may elect to make a discretionary matching contribution. Discretionary contributions shall be allocated as a percentage of compensation of eligible participants for the Plan year. Discretionary contributions were \$0.3 million and \$0.2 million for the fiscal years ended January 31, 2015 and February 1, 2014, respectively.

Item 14. Indemnification of officers and directors.

The Registrant is governed by the Delaware General Corporation Law, or DGCL. Section 145 of the DGCL provides that a corporation may indemnify any person, including an officer or director, who was or is, or is threatened to be made, a party to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was or is an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such officer, director, employee or agent acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the corporation's best interest and, for criminal proceedings, had no reasonable cause to believe that such person's conduct was unlawful. A Delaware corporation may indemnify any person, including an officer or director, who was or is, or is threatened to be made, a party to any threatened, pending or contemplated action or suit by or in the right of such corporation, under the same conditions, except that such indemnification is limited to expenses (including attorneys' fees) actually and reasonably incurred by such person, and except that no indemnification is permitted without judicial approval if such person is adjudged to be liable to such corporation. Where an officer or director of a corporation is successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to above, or any claim, issue or matter therein, the corporation must indemnify that person against the expenses (including attorneys' fees) which such officer or director actually and reasonably incurred in connection therewith.

The Registrant's amended and restated bylaws will authorize the indemnification of its officers and directors, consistent with Section 145 of the DGCL, as amended. The Registrant intends to enter into indemnification agreements with each of its directors and executive officers. These agreements, among other things, will require the Registrant to indemnify each director and executive officer to the fullest extent permitted by

Delaware law, including indemnification of expenses such as attorneys' fees, judgments, fines and settlement amounts incurred by the director or executive officer in any action or proceeding, including any action or proceeding by or in right of the Registrant, arising out of the person's services as a director or executive officer.

Reference is made to Section 102(b)(7) of the DGCL, which enables a corporation in its original certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director for violations of the director's fiduciary duty, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL, which provides for liability of directors for unlawful payments of dividends of unlawful stock purchase or redemptions or (iv) for any transaction from which a director derived an improper personal benefit.

The Registrant may not retroactively amend the bylaw provisions to reduce its indemnification obligations to directors, officers, employees and agents.

The Registrant expects to maintain standard policies of insurance that provide coverage (i) to its directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (ii) to the Registrant with respect to indemnification payments that it may make to such directors and officers.

The proposed form of Underwriting Agreement to be filed as Exhibit 1.1 to this Registration Statement provides for indemnification to the Registrant's directors and officers by the underwriters against certain liabilities.

In April 2014, a special cash dividend payment was made to stockholders. Pursuant to the anti-dilutive clause in the 2012 Plan, the option strike price for all options issued prior to the dividend date was reduced from \$1,000 per share to \$861.74 per share.

The issuances of the above securities were deemed to be exempt from registration under the Securities Act in reliance upon Section 4(2) of the Securities Act or Rule 701 promulgated under Section 3(b) of the Securities Act as transactions by an issuer not involving any public offering or pursuant to benefit plans and contracts relating to compensation as provided under Rule 701. The recipients of the securities in each of these transactions represented their intentions to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were placed upon the stock certificates issued in these transactions. All recipients had adequate access, through their relationships with the Registrant, to information about the Registrant.

None of the foregoing transactions involved any underwriters, underwriting discounts or commissions, or any public offering.

Item 17. Undertakings

The undersigned Registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned Registrant hereby undertakes that:

- (1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
- (2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” All references herein to Articles, Sections, Exhibits and Schedules shall be deemed references to Articles and Sections of, and Exhibits and Schedules to, the Loan Documents in which the reference appears unless the context shall otherwise require.

(b) Except as otherwise expressly provided herein, any reference in this Agreement to any Loan Document or other document, agreement or instrument (including any by-laws, limited partnership agreement, limited liability company agreement, articles of incorporation, certificate of limited partnership or certificate of formation, as the case may be) shall mean such Loan Document, document, agreement or instrument as amended, restated, amended and restated, supplemented, otherwise modified, replaced, renewed, extended or refinanced from time to time in accordance with the terms hereof and thereof and any reference in this Agreement to any person shall include a reference to such person’s permitted assigns and successors-in-interest.

SECTION 1.03. Accounting Terms. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, if the Lead Borrower notifies the Administrative Agent that the Lead Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Closing Date in GAAP or in the application thereof (including the conversion to IFRS as described below) on the operation of such provision (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith; provided further that if an amendment is requested by the Lead Borrower or the Required Lenders, then the Lead Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of such affected provisions (without the payment of any amendment or similar fees to the Lenders) to preserve the original intent thereof in light of such change in GAAP or the application thereof subject to the approval of the Required Lenders (not to be unreasonably withheld, conditioned or delayed); provided further that all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made without giving effect to (i) any election under Accounting Standards Codification 825-10-25 (previously referred to as Statement of Financial Accounting Standards 159) (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of a Borrower or any Subsidiary at “fair value,” as defined therein and (ii) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof. If the Lead Borrower notifies the Administrative Agent that it is required to report under IFRS or has elected to do so through an early adoption policy, “GAAP” shall mean international financial reporting standards pursuant to IFRS (provided that after such conversion, the Lead Borrower cannot elect to report under GAAP).

(b) Notwithstanding anything to the contrary contained in paragraph (a) above or the definition of Capital Lease Obligations, in the event of an accounting change requiring all leases to be

capitalized, only those leases (assuming for purposes hereof that they were in existence on the date hereof) that would constitute Capital Lease Obligations on the date hereof shall be considered Capital Lease Obligations and all calculations and deliverables under this Agreement or any other Loan Document shall be made in accordance therewith (provided that all financial statements delivered to the Administrative Agent in accordance with the terms of this Agreement after the date of such accounting change shall contain a schedule showing the adjustments necessary to reconcile such financial statements with GAAP as in effect immediately prior to such accounting change).

SECTION 1.04. Rounding. Except as otherwise expressly provided herein, any financial ratios required to be maintained by the Lead Borrower pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one (1) place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up if there is no nearest number).

SECTION 1.05. Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day (other than as described in the definition of ABR, Federal Funds Rate or Interest Period), the date of such payment or performance shall extend to the immediately succeeding Business Day and such extension of time shall be reflected in computing interest or fees, as the case may be.

SECTION 1.06. Classification. For purposes of determining compliance at any time with Sections 6.01, 6.02, 6.04, 6.05, 6.06, 6.07 and 6.09, in the event that any Lien, Investment, Indebtedness, Disposition, Restricted Payment, affiliate transaction, contractual restriction or prepayment of Indebtedness meets the criteria of more than one (1) of the categories of transactions or items permitted pursuant to any clause of such Sections 6.01, 6.02, 6.04, 6.05, 6.06, 6.07 and 6.09, the Lead Borrower, in its sole discretion, may classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one (1) category. Notwithstanding anything herein to the contrary, Indebtedness incurred (a) under the Loan Documents shall only be classified as incurred under Section 6.01(a) and (b) under the Term Facility, any Incremental Term Facility and Incremental Equivalent Debt shall only be classified as incurred under Section 6.01(j).

SECTION 1.07. References to Laws. Unless otherwise expressly provided herein, references to any law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law.

SECTION 1.08. Pro Forma. (a) Notwithstanding anything to the contrary contained herein, financial ratios and tests (including the Consolidated Fixed Charge Coverage Ratio and the Total Leverage Ratio and the amount of Consolidated Total Assets and Consolidated Total Debt) pursuant to this Agreement shall be calculated in the manner prescribed by the definition of "Pro Forma Basis."

(b) In the case of any calculation of the Consolidated Fixed Charge Coverage Ratio, Consolidated Total Assets, Consolidated Total Debt and Total Leverage Ratio for any events as described above that occur prior to the date on which financial statements have been (or are required to be) delivered pursuant to Section 5.04(b) for the fiscal quarter ended September 29, 2012, such calculation required to be made on a "Pro Forma Basis" shall use the financial statements for the fiscal quarter ended on June 30, 2012.

SECTION 2.01. Revolver Commitments. Each Lender agrees, severally on a Pro Rata basis, on the terms, and subject to the conditions, set forth herein, to make Revolver Loans to the Borrowers from time to time on the Closing Date through the Commitment Revolver Termination Date. The Revolver Loans may be repaid and reborrowed as provided herein. In no event shall the Lenders have any obligation to honor a request for a Revolver Loan if (i) such Lender's Revolving Exposure (including its Pro Rata share of the requested Revolver Loan) would exceed its Revolver Commitment, or (ii) the total Revolving Exposures would exceed the Line Cap (subject to Section 2.24); provided that the aggregate principal amount of Revolver Loans incurred on the Closing Date to finance a portion of the Transactions and the payment of the Transaction Costs shall not exceed \$25.0 million.

SECTION 2.02. Loans and Borrowings. (a) All Loans (other than Swingline Loans and Protective Advances) shall be made by the Lenders ratably in accordance with their respective Revolver Commitments. The failure of any Lender to make any Revolver Loan required to be made by it shall not relieve any other Lender of its obligations hereunder. Any Swingline Loan and Protective Advance shall be made in accordance with the procedures set forth in Sections 2.04 and 2.25, respectively.

(b) Subject to Section 2.14, each Borrowing (other than a Swingline Borrowing) shall be comprised entirely of ABR Loans or Eurodollar Loans as the Lead Borrower may request in accordance herewith. Each Swingline Borrowing shall be an ABR Borrowing. Each Lender at its option may make any ABR Loan or Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Revolver Loan; provided that, any exercise of such option shall not affect the obligation of the Borrowers to repay such Revolver Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) The aggregate principal amount of any Borrowing (other than a Swingline Borrowing) shall not be less than (x) in the case of ABR Loans, \$100,000 and (y) in the case of Eurodollar Loans, \$1,000,000 (and integral amounts of \$100,000 thereof). Borrowings of more than one Type may be outstanding at the same time; provided that, without the consent of the Administrative Agent, there shall not at any time be more than a total of six (6) Eurodollar Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03. Requests for Borrowings and Notices.

(a) To request a Borrowing of Revolver Loans, the Lead Borrower shall notify the Administrative Agent of such request either in writing by delivery of a Borrowing Request (by hand delivery, fax or other electronic transmission (including ".pdf" or ".tif")) signed by the Lead Borrower or by telephone (a) in the case of a Eurodollar Borrowing, not later than 12:00 p.m., Local Time, three (3) Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., Local Time, one (1) Business Day before the date of the proposed Borrowing. Such Borrowing Request shall be irrevocable and, in the case of a telephonic Borrowing Request, shall be

confirmed promptly by hand delivery, fax or other electronic transmission (including “.pdf” or “.tif”) to the Administrative Agent of a written Borrowing Request signed by the applicable Borrower (or, if agreed by the Administrative Agent, on the Closing Date). Such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (iv) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; and
- (v) the location and number of the applicable Borrower’s account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to a requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected a Eurodollar Borrowing with an Interest Period of one (1) month’s duration. Promptly following receipt of the Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender’s Revolver Loan to be made as part of the requested Borrowing.

SECTION 2.04. Swingline Loans; Settlement.

(a) Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans to the Borrowers from time to time on the Closing Date through the Commitment Revolver Termination Date in an aggregate principal amount that will not result in (i) the aggregate principal amount of Swingline Loans outstanding at any time to exceed \$20.0 million or (ii) the total Revolving Exposures exceeding the Line Cap. Each Swingline Loan shall constitute a Revolver Loan for all purposes, except that payments thereon shall be made to the Administrative Agent for the account of the Swingline Lenders. The obligation of the Borrowers to repay Swingline Loans shall be evidenced by the records of the Administrative Agent and need not be evidenced by any promissory note. To request a Borrowing of Swingline Loans, the Lead Borrower shall notify the Swingline Lender (with a copy to the Administrative Agent) of such request either in writing by delivery of a Borrowing Request (by fax, hand delivery or other electronic transmission (including “.pdf” or “.tif”)) signed by the Lead Borrower or by telephone not later than 12:00 p.m., Local Time, on the date of the proposed Borrowing. Such Borrowing Request shall be irrevocable and, in the case of a telephonic Borrowing Request, shall be confirmed promptly by hand delivery, fax or other electronic transmission (including “.pdf” or “.tif”) to the Administrative Agent of a written Borrowing Request signed by the Lead Borrower. Each such Borrowing Request shall specify the requested date (which shall be a Business Day), the aggregate amount of the requested Borrowing and the location and number of the Borrowers’ account to which funds are to be disbursed.

(b) Notwithstanding Section 2.04(a) (other than with respect to limitations set forth in clauses (i) and (ii) therein), the Swingline Lender may make Swingline Loans from time to time in accordance with any Cash Management Services provided to the Borrowers by the Swingline Lender and

the Swingline Lender may from time to time, in its sole discretion, extend Swingline Loans pursuant to any cash management system in place from time to time without giving effect to any minimum borrowing amounts, minimum prepayment amounts, timing restrictions, notice requirements on borrowing or repaying otherwise contemplated by this Section 2.04.

(c) The Borrowers acknowledge that in the event that a reallocation of the Swingline Loan Fronting Exposure of a Defaulting Lender pursuant to Section 2.21 does not fully cover the Swingline Loan Fronting Exposure of such Defaulting Lender, the Swingline Lender may require the Borrowers to, at its option, prepay or Cash Collateralize such remaining Fronting Exposure in respect of each outstanding Swingline Loan and will have no obligation to issue new Swingline Loans, or to extend, renew or amend existing Swingline Loans to the extent such Fronting Exposure would exceed the commitments of the non-Defaulting Lenders, unless such remaining Fronting Exposure is Cash Collateralized.

(d) Settlement among the Lenders and the Swingline Lender with respect to Swingline Loans shall take place on a date determined from time to time by the Administrative Agent (but at least weekly), in accordance with the Settlement Report delivered by the Administrative Agent to the Lenders. Between settlement dates, the Administrative Agent may in its discretion apply payments on Revolver Loans to Swingline Loans, regardless of any designation by the Borrowers or any provision herein to the contrary. Each Lender's obligation to make settlements with the Swingline Lender is absolute and unconditional, without offset, counterclaim or other defense, and whether or not the Revolver Commitments have terminated, an Overadvance exists or the conditions in Section 4.02 are satisfied. If, due to an Insolvency Proceeding with respect to a Borrower or otherwise, any Swingline Loan may not be settled among the Lenders hereunder, then each Lender shall be deemed to have purchased from the Swingline Lender a Pro Rata participation in each unpaid Swingline Loan and shall transfer the amount of such participation to the Swingline Lender, in immediately available funds, within one Business Day after the Swingline Lender's request therefor.

(e) Provisions Related to Extended Revolving Commitments with Respect to Swingline Loans. If the maturity date in respect of any tranche of Revolver Commitments occurs at a time when another tranche or tranches of Revolver Commitments is or are in effect with a longer maturity date, then on the earliest occurring maturity date all then outstanding Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such maturity date); provided, however, that if on the occurrence of such earliest maturity date (after giving effect to any repayments of Revolver Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.05(b)), there shall exist sufficient unutilized Extended Revolving Commitments so that the respective outstanding Swingline Loans could be incurred pursuant the Extended Revolving Commitments or Revolver Commitment Increases which will remain in effect after the occurrence of such maturity date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and the same shall be deemed to have been incurred solely pursuant to the relevant Extended Revolver Commitments, and such Swingline Loans shall not be so required to be repaid in full on such earliest maturity date.

SECTION 2.05. Letters of Credit.

(a) Issuance of Letters of Credit. As of the Closing Date, each of the Existing Letters of Credit shall constitute, for all purposes hereunder and the other Loan Documents, a Letter of Credit issued and outstanding hereunder. Subject to the terms and conditions hereof, the Issuing Bank, in reliance upon the agreements of the other Lenders set forth in Section 2.05(b), agrees to issue Letters of Credit on any Business Day on and after the Closing Date through but not including the 30th day prior to the Revolver Termination Date (or, if earlier, until the Commitment Revolver Termination Date):

(i) Each Borrower acknowledges that the Issuing Bank's issuance of any Letter of Credit is conditioned upon the Issuing Bank's receipt of a LC Application with respect to the requested Letter of Credit, as well as such other instruments and agreements as the Issuing Bank may customarily require for issuance of a letter of credit of similar type and amount. The Issuing Bank shall have no obligation to issue any Letter of Credit unless (i) the Issuing Bank receives a LC Request and LC Application at least 3 Business Days (or shorter period of time as may be agreed by the Administrative Agent in its reasonable discretion) prior to the requested date of issuance; and (ii) each LC Condition is satisfied. If, in sufficient time to act, the Issuing Bank receives written notice from Required Lenders that a LC Condition has not been satisfied, the Issuing Bank shall not issue the requested Letter of Credit. Prior to receipt of any such notice, the Issuing Bank shall not be deemed to have knowledge of any failure of LC Conditions. In the event that a reallocation of the Fronting Exposure with respect to LC Obligations of a Defaulting Lender pursuant to Section 2.21(a) does not fully cover the Fronting Exposure with respect to LC Obligations of such Defaulting Lender and such Defaulting Lender has not Cash Collateralized its obligations or otherwise made arrangements reasonably satisfactory to the Issuing Bank, the applicable Issuing Bank may require the Borrowers to Cash Collateralize such remaining Fronting Exposure in respect of each outstanding Letter of Credit and will have no obligation to issue new Letters of Credit, or to extend, renew or amend existing Letters of Credit to the extent the Fronting Exposure with respect to LC Obligations would exceed the commitments of the non-Defaulting Lenders, unless such remaining Fronting Exposure with respect to LC Obligations is Cash Collateralized.

(ii) Letters of Credit may be requested by a Borrower to support obligations incurred in the ordinary course of business to backstop or replace Existing Letters of Credit through the issuance of new Letters of Credit for the account of the issuers of such Existing Letters of Credit (including, by "grandfathering" such Existing Letters of Credit in this Agreement), for any purpose permitted under this Agreement and the other Loan Documents or as otherwise approved by the Administrative Agent. The renewal or extension of any Letter of Credit shall be treated as the issuance of a new Letter of Credit, except that delivery of a new LC Application may be required or waived at the discretion of the Issuing Bank.

(iii) The Borrowers assume all risks of the acts, omissions or misuses of any Letter of Credit by the beneficiary. In connection with issuance of any Letter of Credit, none of the Administrative Agent, the Issuing Bank or any Lender shall be responsible for the existence, character, quality, quantity, condition, packing, value or delivery of any goods purported to be represented by any LC Documents; any differences or variation in the character, quality, quantity, condition, packing, value or delivery of any goods from that expressed in any LC Documents; the form, validity, sufficiency, accuracy, genuineness or legal effect of any LC Documents or of any endorsements thereon; the time, place, manner or order in which shipment of goods is made; partial or incomplete shipment of, or failure to ship, any goods referred to in a Letter of Credit or LC Documents; any deviation from instructions, delay, default or fraud by any shipper or other person in connection with any goods, shipment or delivery; any breach of contract between a shipper or vendor and a Borrower; errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex, telecopy, e-mail, telephone or otherwise; errors in

interpretation of technical terms; the misapplication by a beneficiary of any Letter of Credit or the proceeds thereof; or any consequences arising from causes beyond the control of the Issuing Bank, the Administrative Agent or any Lender, including any act or omission of a Governmental Authority. The Issuing Bank shall be fully subrogated to the rights and remedies of each beneficiary whose claims against the Borrowers are discharged with proceeds of any Letter of Credit.

(iv) In connection with its administration of and enforcement of rights or remedies under any Letter of Credit or LC Document, the Issuing Bank shall be entitled to act, and shall be fully protected in acting, upon any certification, documentation or communication in whatever form believed by the Issuing Bank, in good faith, to be genuine and correct and to have been signed, sent or made by a proper person. The Issuing Bank may consult with and employ legal counsel, accountants and other experts to advise it concerning its obligations, rights and remedies, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by such experts. The Issuing Bank may employ agents and attorneys-in-fact in connection with any matter relating to Letters of Credit or LC Documents

(v) Notwithstanding anything to the contrary in this Section 2.05(a), the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages) suffered by the Borrowers that are caused by such Issuing Bank's failure to exercise reasonable care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof, that are the result of gross negligence, bad faith or willful misconduct on the part of the applicable Issuing Bank (as determined by a court of competent jurisdiction in a final, non-appealable judgment).

(vi) For the avoidance of doubt, (a) no LC Documents shall (i) contain any representations and warranties, covenants or events of default not set forth in this Agreement and any representations and warranties, covenants and events of default shall be subject to the same qualifiers, exceptions and exclusions as those set forth in this Agreement or (ii) provide for any collateral security or Liens and (b) to the extent any of the foregoing provisions are contained therein and not contained herein, then such provisions shall be rendered null and void and any such qualifiers, exceptions and exclusions contained herein shall be deemed incorporated therein, *mutatis mutandis*.

(b) Reimbursement; Participations.

(i) If the Issuing Bank honors any request for payment under a Letter of Credit, the Borrowers shall pay to the Issuing Bank, within one Business Day following receipt by the Lead Borrower of notice from the relevant Issuing Bank if such notice is received by 10:00am Local Time (and if such notice is not received by such time, then within two Business Days following receipt of such notice) ("Reimbursement Date"), the amount paid by the Issuing Bank under such Letter of Credit, together with interest at the interest rate for ABR Loans from the Reimbursement Date until payment by the Borrowers. The obligation of the Borrowers to reimburse the Issuing Bank for any payment made under a Letter of Credit shall be absolute, unconditional, irrevocable, and joint and several, and, subject to Section 2.05(a)(v), shall be paid without regard to any lack of validity or enforceability of any Letter of Credit or the existence of any claim, setoff, defense or other right that the Borrowers may have at any time against the beneficiary. Unless the Lead Borrower notifies the Administrative Agent that it intends to reimburse the Issuing Bank for a drawing under a Letter of Credit, whether or not Lead Borrower submits

a Borrowing Request, Borrowers shall be deemed to have requested a Borrowing of ABR Loans in an amount necessary to pay all amounts due Issuing Bank on any Reimbursement Date and each Lender agrees to fund its Pro Rata share of such Borrowing whether or not the Revolver Commitments have terminated, an Overadvance exists or is created thereby, or the conditions in Section 4.02 are satisfied. Upon the issuance of a Letter of Credit, each Lender shall be deemed to have irrevocably and unconditionally purchased from the Issuing Bank, without recourse or warranty, an undivided Pro Rata interest and participation in all LC Obligations relating to the Letter of Credit. If the Issuing Bank makes any payment under a Letter of Credit and the Borrowers do not reimburse such payment on the Reimbursement Date, the Administrative Agent shall promptly notify the Lenders and each Lender shall promptly (within one Business Day) and unconditionally pay to the Administrative Agent, for the benefit of the Issuing Bank, the Lender's Pro Rata share of such payment which is not so reimbursed.

(ii) If any such amount is paid to the Issuing Bank after the date such payment is due, such Lender shall pay to the Issuing Bank on demand, in addition to such amount, interest thereof calculated at a per annum rate equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate as determined by the Administrative Agent during the period from and including the date such payment is due to the date on which such payment is immediately available to the Issuing Bank. A certificate of the Issuing Bank with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error. With respect to payment to the Issuing Bank of the unreimbursed amounts described in this Section, if the Lender receives notice that any such payment is due (A) prior to 1:00 p.m. on any Business Day, such payment shall be due that Business Day, and (B) after 1:00 p.m. on any Business Day, such payment shall be due on the following Business Day. Whenever, at any time after the Issuing Bank has made payment under any Letter of Credit and has received from any Lender its Pro Rata share of such payment in accordance with this Section, the Issuing Bank receives any payment related to such Letter of Credit (whether directly from a Borrower or otherwise), or any payment of interest on account thereof, the Issuing Bank will distribute to such Lender its Pro Rate share thereof; provided, that in the event that any such payment received by the Issuing Bank shall be required to be returned by the Issuing Bank, such Lender shall return to the Issuing Bank the portion thereof previously distributed by the Issuing Bank to it.

(iii) The obligation of each Lender to make payments to the Administrative Agent for the account of the Issuing Bank, in Dollars, in connection with the Issuing Bank's payment under a Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, setoff, qualification or exception whatsoever, and shall be made in accordance with this Agreement under all circumstances, irrespective of: any lack of validity or unenforceability of any Loan Documents; any draft, certificate or other document presented under a Letter of Credit having been determined to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or the existence of any setoff or defense that any Loan Party may have with respect to any Obligations. The Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by any Borrower or other person of any obligations under any LC Documents. The Issuing Bank does not make to the Lenders any express or implied warranty, representation or guaranty with respect to the Collateral, LC Documents or any Loan Party. The Issuing Bank shall not be responsible to any Lender for: any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Documents; the validity, genuineness, enforceability, collectability, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Loan Party.

(iv) No Issuing Bank shall be liable to any Lender or other person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence, bad faith or willful misconduct. The Issuing Bank shall not have any liability to any Lender if the Issuing Bank refrains from any action under any Letter of Credit or LC Documents until it receives written instructions from Required Lenders.

(c) Cash Collateral. Except as otherwise provided herein, if any LC Obligations, whether or not then due or payable, shall for any reason be outstanding at any time (a) that an Event of Default has occurred and is continuing, (b) that Availability is less than zero, (c) after the Commitment Revolver Termination Date, or (d) within 5 Business Days prior to the Revolver Termination Date, then the Borrowers shall, at the Issuing Bank's or the Administrative Agent's request, Cash Collateralize the stated amount of all outstanding Letters of Credit and pay to the Issuing Bank the amount of all other LC Obligations. If the Borrowers fail to provide any Cash Collateral as required hereunder, the Administrative Agent may (and shall upon direction of Required Lenders) advance, as Revolver Loans, the amount of the Cash Collateral required (whether or not the Revolver Commitments have terminated, an Overadvance exists or the conditions in Section 4.2 are satisfied).

(d) Provisions Related to Extended Revolving Commitment with respect to Letters of Credit. If the maturity date in respect of any tranche of Revolver Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other tranches of Revolver Commitments in respect of which the maturity date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Lenders to purchase participations therein and to make Revolver Loans and payments in respect thereof pursuant to Section 2.05(b)) under (and ratably participated in by the Lenders pursuant to) the Revolver Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolver Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.05(c). Commencing with the maturity date of any tranche of Revolver Commitments, the sublimit for Letters of Credit shall be agreed with the Lenders under the extended tranches.

(e) Resignation or Removal of the Issuing Bank. The Issuing Bank may resign at any time upon at least 30 days prior notice to the Administrative Agent and the Lead Borrower. Any Issuing Bank may be replaced at any time by written agreement among the Lead Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. On the effective date of such resignation or replacement, the Issuing Bank shall have no further obligation to issue, amend, renew, extend or otherwise modify any Letter of Credit, but shall continue to have all rights and obligations of an Issuing Bank hereunder, including under Sections 2.05, 8.06, and 9.05, relating to any Letter of Credit issued prior to such date. The Administrative Agent shall promptly appoint a replacement Issuing Bank, which, as long as no Event of Default under Sections 7.01(b), (c), (h) (with respect to the Lead Borrower only) and (i) (with respect to the Lead Borrower only) has occurred and is continuing, shall be reasonably acceptable to the Borrowers.

SECTION 2.06. Funding of Borrowings.

(a) Each Lender shall make a Revolver Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 p.m., Local Time, to the

account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make the proceeds of such Revolver Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account designated by the Borrowers in the applicable Borrowing Request; provided that ABR Loans made to finance the reimbursement of (i) the amount paid by the Issuing Bank pursuant to Section 2.05(b) shall be remitted by the Administrative Agent to the applicable Issuing Bank and (ii) a Protective Advance shall be retained by the Administrative Agent to be applied as contemplated by Section 2.25.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the date of the Borrowing Request that such Lender will not make available to the Administrative Agent such Lender's Pro Rata share of the Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its Pro Rata share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent (provided, that any such payment by the Borrowers to the Administrative Agent is without prejudice to any claim the Borrowers may have against such applicable Lender) forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Revolver Loan included in such Borrowing.

SECTION 2.07. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrowers may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrowers may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Revolver Loans comprising such Borrowing, and the Revolver Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrowers shall notify the Administrative Agent of such election, either delivered in writing (by hand delivery, fax or other electronic transmission (including ".pdf" or ".tif")) or by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and, in the case of a telephonic Interest Election Request, shall be confirmed promptly (but in any event on the same Business Day) by hand delivery, fax or other electronic transmission (including ".pdf" or ".tif") to the Administrative Agent of a written Interest Election Request in the form of Exhibit D and signed by the Borrowers.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrowers fail to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrowers, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.08. Repayment of Loans; Termination of Revolver Commitments.

(a) Revolver Loans shall be due and payable in full on the Revolver Termination Date, unless payment is sooner required hereunder. Revolver Loans may be prepaid from time to time, without penalty or premium.

(b) Subject to Section 2.24, to the extent that at any time the aggregate Revolving Exposures for all Lenders exceeds the Line Cap, the Borrowers shall first repay such outstanding Revolver Loans (and thereafter Cash Collateralize such outstanding LC Obligations, to the extent remaining) in an amount equal to such excess.

(c) The Revolver Commitments shall terminate on the Revolver Termination Date, unless sooner terminated in accordance with this Agreement, and the Borrowers shall make Full Payment of all Obligations. Upon at least three (3) days (or such shorter period of time as the Administrative Agent may agree in its reasonable discretion) prior written notice to the Administrative Agent at any time, the Borrowers may, at their option, terminate the Revolver Commitments and this Agreement and make

Full Payment of all Obligations. Any notice of termination given by the Borrowers shall be irrevocable; provided that such notice may state that such notice is conditioned upon the effectiveness of other credit facilities or transactions, in which case such notice may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(d) The Borrowers may permanently reduce the Revolver Commitments, on a Pro Rata basis for each Lender, upon at least five (5) days (or such shorter period of time as the Administrative Agent may agree in its reasonable discretion) prior written notice to the Administrative Agent delivered at any time, which notice shall specify the amount of the reduction and shall be irrevocable once given. Each reduction shall be in a minimum amount of \$1,000,000, or an increment of \$100,000 in excess thereof. It being understood that the Borrowers shall not reduce the Revolver Commitments if, after giving effect to any concurrent prepayment of Revolver Loans in accordance with this Section 2.08, the total Revolving Exposures would exceed the Revolver Commitments.

SECTION 2.09. Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from the Revolver Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent (or its agent or sub-agent appointed by it) shall maintain the Register, as set forth in Section 9.04(b)(iv), in which it shall record (i) the amount of each Revolver Loan made hereunder and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(c) The entries made in the accounts maintained pursuant to paragraph (a) or (b) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Revolver Loans in accordance with the terms of this Agreement and, provided further that in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(d) Any Lender may request that the Revolver Loans made by it be evidenced by a promissory note (a "Note") in the form of Exhibit M. In such event, the Borrowers shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, the Revolver Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one (1) or more promissory notes in such form payable to the payee named therein.

SECTION 2.10. Application of Payment in the Dominion Accounts. Upon delivery of a written notice to the Lead Borrower from the Administrative Agent that specifies that "cash dominion" is being instituted, the ledger balance in the Dominion Account as of the end of a Business Day shall be applied to reduce the outstanding Secured Obligations at the beginning of the next Business Day during any Liquidity Period. If, as a result of such application, a credit balance exists, the balance shall

accrue interest in favor of the Borrowers and shall be made available to the Borrowers as long as no Event of Default is continuing. During a Liquidity Period, each Borrower irrevocably waives the right to direct the application of any payments or Collateral proceeds in the Dominion Account or any Deposit Account subject to a Deposit Account Control Agreement, and agrees that the Administrative Agent shall have the continuing, exclusive right during such Liquidity Period to apply and reapply the same against the outstanding Secured Obligations, in accordance with the terms of this Agreement and the other Loan Documents.

SECTION 2.11. [Reserved].

SECTION 2.12. Fees.

(a) The Borrowers agree to pay to the Administrative Agent, for the account of the Administrative Agent, the agency fees set forth in the Fee Letter, at the times and in the amount specified therein (the "Fees").

(b) Unused Line Fee. (i) The Borrowers shall pay to the Administrative Agent, for the Pro Rata benefit of the Lenders (other than any Defaulting Lender), a fee equal to the Unused Line Fee Rate multiplied by the amount by which the Revolver Commitments (other than Revolver Commitments of a Defaulting Lender) exceed the average daily balance of outstanding Revolver Loans (other than Swingline Loans) and stated amount of outstanding Letters of Credit during any fiscal quarter (such fee, the "Unused Line Fee"). Such fee shall be calculated based on the actual number of days elapsed over a 360-day year and payable quarterly in arrears, on the first day of each fiscal quarter.

(ii) In the event that any Borrowing Base Certificate or related information for any period delivered pursuant to Section 5.12 is inaccurate while the Revolver Commitments are in effect, and such inaccuracy, if corrected, would have led to the application of a higher Unused Line Fee Rate for such period than the Unused Line Fee Rate actually used to determine the Unused Line Fee for such period, then (a) the Borrowers shall promptly deliver to the Administrative Agent a corrected Borrowing Base Certificate for such period, (b) the Unused Line Fee Rate for such period shall be retroactively determined based on the Average Availability as set forth in the corrected Borrowing Base Certificate, and (c) if the quarterly payment date for such period has already occurred, the Borrowers shall promptly pay to the Administrative Agent (for the account of the Lenders during such period or their successors and permitted assigns) the accrued additional Unused Line Fee owing as a result of such increased or decreased Unused Line Fee Rate for such period. This Section 2.12(b)(ii) shall not limit the rights of the Administrative Agent under this Section 2.12 or Article VII.

(c) LC Facility Fees. The Borrowers shall pay (a) to the Administrative Agent, for the Pro Rata benefit of the Lenders, a fee equal to the Applicable Margin in effect for Eurodollar Loans times the daily stated amount of outstanding Letters of Credit, which fee shall be calculated based on the actual number of days elapsed over a 360-day year and be payable in arrears, on the first Business Day of each fiscal quarter; (b) to the applicable Issuing Bank, for its own account, a fronting fee not in excess of 0.125% per annum of the stated amount of each Letter of Credit, which fee shall be calculated based upon the actual number of days elapsed over a 360-day year and payable in arrears, on the first day of each fiscal quarter; and (c) to the applicable Issuing Bank, for its own account, all customary charges associated with the issuance, registration, amending, negotiating, payment, processing, transfer and administration of Letters of Credit, which charges shall be paid as and when incurred upon demand.

(d) All fees set forth in Section 2.12(b) and (c) shall be paid on the dates due, in immediately available funds, to the Administrative Agent or the Issuing Bank, as applicable. Once paid, none of the fees shall be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Revolver Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Revolver Loans comprising each Eurodollar Borrowing shall bear interest at the Eurodollar Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Revolver Loan or any fees payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of, or interest on, any Revolver Loan, 2% plus the rate otherwise applicable to such Revolver Loan as provided in the preceding paragraphs of this Section or (ii) in the case of fees, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section (in each case, the "Default Rate").

(d) Accrued interest on each Revolver Loan shall be payable in arrears on each Interest Payment Date for such Revolver Loan and on the Revolver Termination Date; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Revolver Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Eurodollar Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of three hundred sixty (360) days, except that interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of three hundred sixty-five (365) days (or three hundred sixty-six (366) days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Eurodollar Base Rate or Eurodollar Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) In the event that any Borrowing Base Certificate or related information for any period delivered pursuant to Section 5.12 is inaccurate while the Revolver Commitments are in effect, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for such period than the Applicable Margin actually used to determine interest rates for such period, then (a) the Borrowers shall promptly deliver to the Administrative Agent a corrected Borrowing Base Certificate for such period, (b) the Applicable Margin for such period shall be retroactively determined based on the Average Availability as set forth in the corrected Borrowing Base Certificate, and (c) if the Interest Payment Date for such period has already occurred, the Borrowers shall promptly pay to the Administrative Agent (for the account of the Lenders during such period or their successors and permitted assigns) the accrued additional interest owing as a result of such increased or decreased Applicable Margin for such period. This Section 2.13(f) shall not limit the rights of the Administrative Agent under this Section 2.13 or Article VII.

SECTION 2.14. Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Required Lenders reasonably determine that adequate and reasonable means do not exist for ascertaining the Eurodollar Base Rate or the Eurodollar Rate, as applicable, for such Interest Period; or

(b) the Required Lenders reasonably determine that the Eurodollar Base Rate or the Eurodollar Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Revolver Loans included in such Borrowing for such Interest Period;

then the Administrative Agent (upon receiving notice from the Required Lenders of any such determination) shall give written notice thereof to the Borrowers and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist (which notice the Administrative Agent agrees to give promptly when such circumstances no longer exist), (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if the Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing. Upon receiving such notice from the Administrative Agent, the Lead Borrower may revoke any pending request for a Borrowing, conversion or continuation of a Eurodollar Borrowing.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Eurodollar Rate) or Issuing Bank; or

(ii) subject any Lender Party to any Taxes (other than (A) Indemnified Taxes or Other Taxes paid or payable under Section 2.17 and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or Issuing Bank or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then within thirty (30) days of receipt of a certificate of the type specified in paragraph (d) below the Borrowers will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital requirements or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Revolver Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time within thirty (30) days of receipt of a certificate of the type specified in paragraph (d) below the Borrowers shall pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a Change in Law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the calculation of the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or Issuing Bank, as applicable, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(e) Promptly after any Lender or any Issuing Bank has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender or Issuing Bank shall notify the Borrowers thereof. Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than ninety (90) days prior to the date that such Lender or Issuing Bank, as applicable, notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the ninety (90)-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any

Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event (excluding loss of anticipated profits, including margin). Such loss, cost and expense to any Lender shall be deemed to be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurodollar Rate that would have been applicable to such Loan but exclusive of the Applicable Margin relating thereto, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for U.S. Dollar deposits of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any Loan Document shall be made free and clear of and without deduction or withholding for any Indemnified Taxes or Other Taxes; provided that if a Loan Party shall be required by applicable law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, any Lender or any Issuing Bank, as applicable, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) such withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify the Administrative Agent, each Lender and each Issuing Bank, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent, such Lender or such Issuing Bank, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto; provided that the Loan Parties shall not be required to compensate the Administrative Agent, any Lender or any Issuing Bank pursuant to this Section 2.17 for any Indemnified Taxes or Other Taxes incurred more than 90 days prior to the date that the Administrative Agent, such Lender or such Issuing Bank, as applicable, makes such written demand to the Loan Parties; provided, further, that if such Indemnified Taxes or Other Taxes are imposed retroactively, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof. A certificate as to the amount of such payment or liability, prepared in good faith and delivered to such Loan Party by a Lender or an Issuing Bank or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two (2) sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrowers within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one (1) or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Lead Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

(f) If the Administrative Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional

amounts pursuant to this Section 2.17, it shall pay over an amount equal to such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to any Loan Party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person.

(g) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so) and (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (g).

(h) For purposes of this Section 2.17 and the defined terms used in this Section 2.17, the term "Lender" includes any Issuing Bank and the Swingline Lender.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrowers shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrowers by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank or the Swingline Lender as expressly provided herein. The Administrative

Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. All payments hereunder shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due from the Borrowers hereunder, such funds (except as otherwise provided in the Collateral Agreement with respect to the application of amounts realized from the Collateral) shall be applied (i) first, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If (other than (x) any payment obtained by a Lender as consideration for the assignment or sale of a participation in any of its Revolver Loans to any assignee or participant or (y) as otherwise expressly provided elsewhere herein, including, without limitation, as provided in or contemplated by Section 2.19, Section 2.22, Section 2.23, Section 9.04(f) or Section 9.08(d)) any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolver Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolver Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolver Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolver Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement. The Borrowers consent to the foregoing and agree, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable Issuing Bank hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable Issuing Bank, as applicable, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest

thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(b), 2.05(b), 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Each borrowing by the Borrowers from the Lenders hereunder shall be made on a Pro Rata basis.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Revolver Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender or becomes an Affected Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, (i) so long as no Specified Event of Default has occurred and is continuing, terminate the Revolver Commitments of such Lender and repay all Obligations of the Borrowers owing to such Lender relating to the Revolver Loans and participations held by such Lender as of such termination date or (ii) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Revolver Loans, participations in L/C Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments, (iv) the Borrowers shall be liable to such Lender under Section 2.16 if any Eurodollar Loan owing to such Lender is repaid or purchased other than on the last day of the Interest Period relating thereto, (v) such assignment shall otherwise comply with Section 9.04 (provided that the Borrowers shall be obligated to pay the registration

and processing fee referred to therein) and (vi) until such time as such Revolver Commitments are terminated, obligations are repaid or such assignment is consummated, the Borrowers shall pay all additional amounts (if any) required pursuant to Section 2.15 or Section 2.17, as the case may be. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrowers, the Administrative Agent or any Lender may have against any replaced Lender. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.19(b).

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders or all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrowers shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by (i) terminating the Revolver Commitments of such Lender and repaying all obligations of the Borrowers owing to such Lender relating to the Revolver Loans and participations held by such Lender as of such termination date or (ii) requiring such Non-Consenting Lender to assign (in accordance with and subject to the restrictions contained in Section 9.04) all or the affected portion of its Revolver Loans and its Revolver Commitments hereunder to one (1) or more assignees, provided that: (a) all Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon, the Borrowers shall be liable to such Lender under Section 2.16 if any Eurodollar Loan owing to such Lender is repaid or purchased other than on the last day of the Interest Period relating thereto, (c) such assignment shall otherwise comply with Section 9.04 (provided that the Borrowers shall be obligated to pay the registration and processing fee referred to therein) and (d) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver, discharge or termination. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.19(c).

SECTION 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurodollar Loans, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent (at which time such Lender shall be deemed an "Affected Lender"), any obligations of such Affected Lender to make or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings shall be suspended until such Affected Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Affected Lender (with a copy to the Administrative Agent), either convert all Eurodollar Borrowings of such Affected Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Affected Lender may lawfully continue to maintain such Eurodollar Borrowings to such day, or immediately, if such Affected Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21. Defaulting Lenders.

(a) For purposes of determining the Lenders' obligations to fund or acquire participations in Revolver Loans (including, Swingline Loans), Protective Advances or Letters of Credit, the Administrative Agent may exclude the Revolver Commitments and Revolver Loans of any Defaulting Lender(s) from the calculation of Pro Rata shares and any Revolver Commitments or Fronting Exposure of any such Defaulting Lender shall automatically be reallocated among the non-Defaulting Lenders Pro Rata in accordance with their Revolver Commitments up to an amount such that the Revolver Commitment of each non-Defaulting Lender does not exceed its Revolver Commitments, so long as the conditions set forth in Section 4.02 are satisfied at the time of such reallocation. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Loan Document, except as provided in Section 9.08.

(b) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of a Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.06), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a Pro Rata basis of any amounts owing by that Defaulting Lender to any applicable Issuing Banks and Swingline Lenders hereunder; *third*, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable Issuing Bank or Swingline Lender, to be held as Cash Collateral for the Fronting Exposure of such Defaulting Lender; *fourth*, to the funding of any Revolver Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent or the Lead Borrower, to be held in a deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Revolver Loans under this Agreement and to Cash Collateralize any Issuing Bank's Fronting Exposure with respect to such Defaulting Lender; *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Banks or Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Bank or any Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by any Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Revolver Loans or LC Obligations in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Revolver Loans or LC Obligations were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Revolver Loans of, and LC Obligations owed to, all non-Defaulting Lenders on a Pro Rata basis prior to being applied to the payment of any Revolver Loans of, or LC Obligations owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.21(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto. A Lender shall not be entitled to receive any fees accruing hereunder during the period in which it is a Defaulting Lender, and the unfunded portion of its Revolver Commitment shall be disregarded for purposes of calculating the Unused Line Fee Rate under Section 2.12(b). To the extent any LC Obligations owing to a Defaulting Lender are reallocated to other Lenders, Letter of Credit fees attributable to such LC Obligations under Section 2.12(c) shall be paid to such other Lenders. The Administrative Agent shall be paid all Letter of Credit fees attributable to LC Obligations that are not so reallocated.

(c) The Borrowers, the Administrative Agent and the Issuing Bank may agree in writing that a Lender is no longer a Defaulting Lender. At such time, Pro Rata shares shall be reallocated without exclusion of such Lender's Revolver Commitments and Revolver Loans, and all outstanding Revolver Loans, LC Obligations and other exposures under the Revolver Commitments shall be reallocated among the Lenders and settled by the Administrative Agent (with appropriate payments by the reinstated Lender) in accordance with the readjusted Pro Rata shares. Unless expressly agreed in writing by the Lead Borrower, the Administrative Agent and the Issuing Bank (each of which shall make such determination, in its sole discretion), no reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to fund a Revolver Loan, to make a payment in respect of LC Obligations or otherwise to perform its obligations hereunder shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation.

SECTION 2.22. Revolver Commitment Increase.

(a) Subject to the terms and conditions set forth herein, after the Closing Date, the Borrowers shall have the right to request, by written notice to the Administrative Agent, an increase in the Revolver Commitments (a "Revolver Commitment Increase") in an aggregate amount not to exceed \$25 million; provided that (a) the Borrowers shall only be permitted to request four (4) Revolver Commitment Increases during the term of this Agreement and (b) any Revolver Commitment Increase shall be in a minimum amount of \$5 million.

(b) Each notice submitted pursuant to this Section 2.22 (a "Revolver Commitment Increase Notice") requesting a Revolver Commitment Increase shall specify the amount of the increase in the Revolver Commitments being requested. Upon receipt of a Revolver Commitment Increase Notice, the Administrative Agent may (at the direction of the Lead Borrower) promptly notify the Lenders and each Lender may (subject to the Lead Borrower's consent) have the right to elect to have its Revolver Commitment increased by its Pro Rata share (it being understood and agreed that a Lender may elect to have its Revolver Commitment increased in excess of its Pro Rata share in its discretion if any other Lender declines to participate in the Revolver Commitment Increase) of the requested increase in Revolver Commitments; provided that (i) each Lender may elect or decline, in its sole discretion, to have its Revolver Commitment increased in connection with any requested Revolver Commitment Increase, it being understood that no Lender shall be obligated to increase its Revolver Commitment or make any Revolver Loan under any Revolver Commitment Increase unless it, in its sole discretion, so agrees and, if a Lender fails to respond to any Revolver Commitment Increase Notice within five (5) Business Days after such Lender's receipt of such written request, such Lender shall be deemed to have declined to participate in such Revolver Commitment Increase, (ii) if the Lead Borrower seeks commitments from additional financial institutions in connection with the Revolver Commitment Increase, any person or persons providing such commitment shall be subject to the written consent of the Administrative Agent, the Swingline Lender and the Issuing Bank (such consent not to be unreasonably withheld or delayed), if such consent would be required pursuant to the definition of Eligible Assignee and (iii) in no event shall a Defaulting Lender be entitled to participate in such Revolver Commitment Increase. In the event that any Lender or

other person agrees to participate in any Revolver Commitment Increase (each an “Increase Loan Lender”), such Revolver Commitment Increase shall become effective on such date as shall be mutually agreed upon by the Increase Loan Lenders and the Lead Borrower, which date shall be as soon as practicable after the date of receipt of the Revolver Commitment Increase Notice (such date, the “Increase Date”); provided that the establishment of such Revolver Commitment Increase and the obligation of such Increase Loan Lenders to make the Revolver Loans thereunder shall be subject to the satisfaction of each of the following conditions: (1) no Event of Default exists or would exist after giving effect thereto; (2) the Revolver Commitment Increase shall be effected pursuant to one or more joinder agreements executed and delivered by the Lead Borrower, the Administrative Agent, and the Increase Loan Lenders, each of which shall be reasonably satisfactory to the Lead Borrower, the Administrative Agent, and the Increase Loan Lenders; and (3) Loan Parties shall execute and deliver or cause to be executed and delivered to the Administrative Agent reaffirmation agreements and such amendments to the Loan Documents, legal opinions and other documents as the Administrative Agent may reasonably request in connection with any such transaction, which amendments, legal opinions and other documents shall be reasonably satisfactory to the Administrative Agent.

(c) On the Increase Date, upon fulfillment of the conditions set forth in this Section 2.22, (i) the Administrative Agent shall effect a settlement of all outstanding Revolver Loans among the Lenders that will reflect the adjustments to the Revolver Commitments of the Lenders as a result of the Revolver Commitment Increase, (ii) the Administrative Agent shall notify the Lenders and Loan Parties of the occurrence of the Revolver Commitment Increase to be effected on the Increase Date, (iii) Schedule 2.01 shall be deemed modified to reflect the revised Revolver Commitments of the affected the Lenders and (iv) Notes will be issued, at the expense of the Borrowers, to any Lender participating in the Revolver Commitment Increase and requesting a Note.

(d) The terms and provisions of the Revolver Commitment Increase shall be identical to the Revolver Loans and the Revolver Commitments (other than with respect to fees) and, for purposes of this Agreement and the other Loan Documents, all Revolver Loans made under the Revolver Commitment Increase shall be deemed to be Revolver Loans. Without limiting the generality of the foregoing, (i) the rate of interest applicable to the Revolver Commitment Increase shall be the same as the rate of interest applicable to the existing Revolver Loans, (ii) unused line fees applicable to the Revolver Commitment Increase shall be calculated using the same Unused Line Fee Rates applicable to the existing Revolver Loans, (iii) the Revolver Commitment Increase shall share ratably in any mandatory prepayments of the Revolver Loans, (iv) after giving effect to such Revolver Commitment Increases and prior to the Commitment Revolver Termination Date, Revolver Commitments shall be reduced on a Pro Rata basis, and (v) the Revolver Commitment Increase shall rank *pari passu* in right of payment and security with the existing Revolver Loans. Notwithstanding the foregoing or anything to the contrary contained in the Loan Documents (including Section 9.08), the rate of interest and the Unused Line Fee Rate or similar fee interest rate applicable to the existing Revolver Loans may, at the sole option of the Borrowers, be increased in excess of the rate of interest and/or fee applicable thereto to match that applicable to the Revolver Commitment Increase. Each joinder agreement and any amendment to any Loan Document requested by the Administrative Agent in connection with the establishment of the Revolver Commitment Increase may, without the consent of any of the Lenders, effect such amendments to this Agreement and the other Loan Documents as may be reasonably necessary or appropriate, in the opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.22.

(e) The proceeds of any Revolver Loans made pursuant to any Revolver Commitment Increase may be used by the Borrowers and its subsidiaries for working capital and other general corporate purposes, including the financing of Permitted Business Acquisitions and other Investments and any other use not prohibited by this Agreement.

(f) For purposes of any applicable calculation under this Agreement made or deemed after a Revolver Commitment Increase has been effected, any Availability threshold (to the extent not based solely on a percentage of the total commitments) shall be proportionately adjusted to reflect such Revolver Commitment Increase.

(g) At the time of any provision of any Revolver Commitment Increase pursuant to this Section 2.22, (x) the Borrowers shall, in coordination with the Administrative Agent, repay outstanding Revolver Loans of certain of the Lenders, and incur additional Revolver Loans from certain other Lenders (including the Increase Loan Lenders), in each case to the extent necessary so that all of the Lenders participate in each outstanding Borrowing of Revolver Loans on a Pro Rata basis (after giving effect to any increase in the Revolver Commitments pursuant to this Section 2.22) and with the Borrowers being obligated to pay to the respective Lenders any costs of the type referred to in Section 2.16 in connection with any such repayment and/or borrowing and (y) participations in Swingline Loans, Protective Advances and LC Obligations shall automatically be adjusted to reflect such Lender's Pro Rata share (after giving effect to such Revolver Commitment Increase pursuant to this Section 2.22).

SECTION 2.23. Extension Offers.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrowers to all Lenders of Revolver Commitments with a like maturity date on a Pro Rata basis and on the same terms to each such Lender, the Borrowers are hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Revolver Commitments and otherwise modify the terms of such Revolver Commitments pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Revolver Commitments (and related outstandings)) (each, an "Extension," and each group of Revolver Commitments, as applicable, in each case as so extended, as well as the original Revolver Commitments (in each case not so extended), being a "tranche"; any Extended Revolver Commitments shall constitute a separate tranche of Revolver Commitments from the tranche of Revolver Commitments from which they were converted), so long as the following terms are satisfied:

(i) no Event of Default shall have occurred and be continuing immediately prior to giving effect to any such Extension,

(ii) except as to interest rates, fees and final maturity (which shall be determined by the Borrowers and set forth in the relevant Extension Offer), the Revolver Commitment of any Lender that agrees to an Extension (an "Extending Revolver Lender") with respect to all or a portion of such Revolver Commitment extended (an "Extended Revolver Commitment"), and the related outstandings ("Extended Revolver Loans"), shall be a Revolver Commitment (or related outstandings, as the case may be) with the same terms as the original Revolver Commitments (and related outstandings); provided that (1) the Borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extending Revolver

Commitments and (C) repayments made in connection with a permanent repayment and termination of commitments as set forth in clause (3) below) of Revolver Loans with respect to Extended Revolving Commitments after the applicable Extension date shall be made on a pro rata basis with all other Revolver Commitments, (2) subject to the provisions of Sections 2.04(c) and 2.05(d) to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after a maturity date when there exists Extended Revolving Commitments with a longer maturity date, all Swingline Loans and Letters of Credit shall be participated on a Pro Rata basis by all Lenders with Revolver Commitments in accordance with their percentage of the Revolver Commitments (and except as provided in Sections 2.04(c) and 2.05(d) without giving effect to changes thereto on an earlier maturity date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued), (3) the permanent repayment of Revolver Loans with respect to, and termination of, Extended Revolving Commitments after the applicable Extension date shall be made on a Pro Rata basis with all other Revolver Commitments, except that the Borrowers shall be permitted to permanently repay and terminate commitments of any such tranche of Revolver Commitments on a better than Pro Rata basis as compared to any other tranche of Revolver Commitments with a later maturity date than such tranche of Revolver Commitments, (4) assignments and participations of Extended Revolving Commitments and extend Revolver Loans shall be governed by the same assignment and participation provisions applicable to Revolver Commitments and Revolver Loans and (5) at no time shall there be Revolver Commitments hereunder (including Extended Revolving Commitment and any original Revolver Commitments) which have more than three different maturity dates,

(iii) if the aggregate principal amount of Revolver Commitments in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Revolver Commitments, as the case may be, offered to be extended by the Borrowers pursuant to such Extension Offer, then the Revolver Commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer,

(iv) all documentation in respect of such Extension shall be consistent with the foregoing,

(v) any applicable Minimum Extension Condition shall be satisfied unless waived by the applicable Borrower, and

(vi) the Extensions shall be in a minimum amount of \$5.0 million.

(b) With respect to all Extensions consummated by the Borrowers pursuant to this Section 2.23(b), (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 2.08, 2.18, 9.06 and 9.19 and (ii) an Extension Offer is required to be in a minimum amount of \$5 million, provided that the Borrowers may at their election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a greater minimum amount of Revolver Commitments of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.08, 2.18, 9.06 and 9.19) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.23.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Revolver Commitments (or a portion thereof). All Extended Revolver Commitments and all obligations in respect thereof shall be Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral and guaranteed on a *pari passu* basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary in order to establish new tranches or sub-tranches in respect of the Revolver Commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this [Section 2.23](#). In addition, if so provided in such amendment and with the consent of each Issuing Bank, participations in Letters of Credit expiring on or after the latest maturity date (but in no event later than the date that is five (5) Business Days prior to the Revolver Termination Date) in respect of the Revolver Commitments shall be re-allocated from Lenders holding non-extended Revolver Commitments to Lenders holding Extended Revolver Commitments in accordance with the terms of such amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolver Commitments, be deemed to be participation interests in respect of such Revolver Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly. Without limiting the foregoing, in connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then latest applicable Revolver Termination Date so that such maturity date is extended to the then applicable Revolver Termination Date.

(d) In connection with any Extension, the Borrowers shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior written notice thereof.

SECTION 2.24. Overadvances. If the aggregate Revolving Exposures for all Lenders exceeds the then applicable Borrowing Base (an "Overadvance") at any time, the excess amount shall be payable by the Borrowers on demand by the Administrative Agent, but all such Revolver Loans shall nevertheless constitute Secured Obligations secured by the Collateral and entitled to all benefits of the Loan Documents. The Administrative Agent may require the Lenders to honor requests for Overadvance Loans and to forbear from requiring the Borrowers to cure an Overadvance, (a) when no other Event of Default is known to the Administrative Agent, as long as (i) the Overadvance does not continue for more than thirty (30) consecutive days (and no Overadvance may exist for at least five (5) consecutive days thereafter before further Overadvance Loans are required), and (ii) the aggregate amount of all Overadvances and Protective Advances is not known by the Administrative Agent to exceed 10% of the Borrowing Base and (b) regardless of whether an Event of Default exists, if the Administrative Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance (i) is not increased by more than \$500,000, and (ii) does not continue for more than thirty (30) consecutive days. In no event shall Overadvance Loans be required that would cause the aggregate Revolving Exposures for all Lenders to exceed the aggregate Revolver Commitments. The making of any Overadvance shall not create nor constitute a Default or Event of Default; it being understood that the

making or continuance of an Overadvance shall not constitute a waiver by the Administrative Agent or the Lenders of the then existing Event of Default. In no event shall any Borrower or other Loan Party be permitted to require any Overadvance Loan to be made.

SECTION 2.25. Protective Advances. (a) The Administrative Agent shall be authorized, in its discretion, following notice to and consultation with the Lead Borrower, at any time, to make ABR Loans ("Protective Advances") (i) in an aggregate amount, together with the aggregate amount of all Overadvance Loans, not to exceed 10% of the Borrowing Base, if the Administrative Agent deems such Protective Advances necessary or desirable to preserve and protect the Collateral, or to enhance the collectability or repayment of the Obligations; or (ii) to pay any other amounts chargeable to Loan Parties under any Loan Documents, including costs, fees and expenses; provided that, the aggregate amount of outstanding Protective Advances plus the outstanding amount of Revolver Loans and LC Obligations shall not exceed the aggregate Revolver Commitments. Each Lender shall participate in each Protective Advance on a Pro Rata basis. Required Lenders may at any time revoke the Administrative Agent's authority to make further Protective Advances under preceding clause (i) by written notice to the Administrative Agent. Absent such revocation, the Administrative Agent's determination that funding of a Protective Advance is appropriate shall be conclusive. The Administrative Agent may use the proceeds of such Protective Advances to (x) protect, insure, maintain or realize upon any Collateral; or (y) defend or maintain the validity or priority of the Administrative Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien; provided that the Administrative Agent shall use reasonable efforts to notify the Lead Borrower after paying any such amount or taking any such action and shall not make payment of any item that is being Properly Contested.

(b) Upon the making of a Protective Advance by the Administrative Agent (whether before or after the occurrence of a Default or Event of Default), each Lender shall be deemed, without further action by any party hereto, unconditionally and irrevocably to have purchased from the Administrative Agent without recourse or warranty, an undivided interest and participation in such Protective Advance in proportion to its Pro Rata Share. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Applicable Percentage of all payments of principal and interest and all proceeds of Collateral (if any) received by the Administrative Agent in respect of such Pro Rata Share.

SECTION 2.26. Lead Borrower. Each Borrower hereby designates the Lead Borrower as its representative and agent for all purposes under the Loan Documents, including requests for Revolver Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrowing Base and financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent, the Issuing Bank or any Lender. The Lead Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Borrowing Request) delivered by the Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to the Lead Borrower on behalf of such Borrower. Each of the Administrative Agent, the Issuing Bank and the Lenders shall have the right, in its discretion, to deal exclusively with the Lead Borrower for any or all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Lead Borrower shall be binding upon and enforceable against it.

SECTION 2.27. Joint and Several Liability of Borrowers.

(a) Notwithstanding anything in this Agreement or any other Loan Documents to the contrary, each Borrower, jointly and severally, in consideration of the financial accommodations to be provided by the Administrative Agent and Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each Borrower without the preferences or distinction among them. Borrowers shall be liable for all amounts due to the Administrative Agent and Lenders under this Agreement, regardless of which Borrower actually receives the Revolver Loans or Letters of Credit hereunder or the amount of such Revolver Loans received or the manner in which the Administrative Agent or any Lender accounts for such Loans, LC Exposure or other extensions of credit on its books and records. The Obligations of the Borrowers with respect to Revolver Loans made to one of them, and the Obligations arising as a result of the joint and several liability of one of the Borrowers hereunder with respect to Revolver Loans made to the other of the Borrowers hereunder, shall be separate and distinct obligations, but all such other Obligations shall be primary obligations of all Borrowers.

(b) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation.

(c) The obligations of each Borrower under this Section 2.27 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Borrower. The joint and several liability of the Borrowers hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, membership, constitution or place of formation of any Borrower or any of the Lenders.

(d) The provisions of this Section 2.27 shall remain in effect until all of the Secured Obligations have been paid in full. If at any time, any payment, or any part thereof, made in respect of any of the Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.27 hereof will forthwith be reinstated and in effect as though such payment had not been made.

(e) Notwithstanding any provision to the contrary contained herein or in any of the other Loan Documents, to the extent the obligations of a Borrower shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers) then the obligations of such Borrower hereunder shall be limited to the maximum amount that is permissible under applicable law (whether federal, state or provincial and including, without limitation, the Bankruptcy Code of the United States).

(f) With respect to the Obligations arising as a result of the joint and several liability of Borrowers hereunder with respect to Revolver Loans, Letters of Credit or other extensions of credit made to the other Borrowers hereunder, to the maximum extent permitted by applicable law, each Borrower waives, until the Full Payment of all Obligations, any right to enforce any right of subrogation or any remedy which the Administrative Agent or any Lender now has or may hereafter have against any Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent or any Lender. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Administrative Agent or the Lenders hereunder or under any of the other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior Full Payment of all Obligations. Upon the occurrence of any Event of Default and for so long as the same is continuing, to the maximum extent permitted under applicable law, the Administrative Agent and the Lenders may proceed directly and at once, without notice (to the extent notice is waivable under applicable law), against (i) with respect to Obligations of the Borrowers, either or all of them or (ii) with respect to Obligations of any Borrower, to collect and recover the full amount, or any portion of the applicable Obligations, without first proceeding against the other Borrowers or any other person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent and the Lenders shall be under no obligation to marshal any assets in favor of the Borrower(s) or against or in payment of any or all of the Obligations. Subject to the foregoing, in the event that a Revolver Loan, Letter of Credit or other extension of credit is made to, or with respect to business of, one Borrower and any other Borrower makes any payments with respect to such Revolver Loan, Letter of Credit Obligation or extension of credit, the first Borrower shall promptly reimburse such other Borrower for all payments so made by such other Borrower.

Each request by the Borrowers for funding of a Revolver Loan, or issuance, amendment, modification, renewal or extension of a Letter of Credit shall constitute a representation by the Borrowers that the conditions in clauses (b) through (d) above are satisfied on the date of such request and on the date of such funding or issuance.

(e) If any additional Foreign Subsidiary (which Subsidiary is a "first tier" Foreign Subsidiary) or Disregarded Domestic Subsidiary is formed or acquired after the Closing Date and if such Subsidiary is a Subsidiary Loan Party, concurrently with the delivery of financial statements pursuant to Section 5.04(a) or (b), notify the Administrative Agent and the Lenders thereof and, within twenty (20) Business Days after such date or such longer period as the Administrative Agent shall reasonably agree, cause the Collateral and Guarantee Requirement to be satisfied with respect to any Equity Interest in such Subsidiary owned by or on behalf of any Loan Party.

(f) (i) Furnish to the Administrative Agent prompt written notice of any change in (A) any Loan Party's corporate or organization name, (B) any Loan Party's organizational form or (C) any Loan Party's organizational identification number; provided that neither Parent nor the Borrower shall effect or permit any such change unless all filings have been made, or will have been made within any applicable statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Administrative Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties and (ii) promptly notify the Administrative Agent if any material portion of the Collateral is damaged or destroyed.

Notwithstanding anything to the contrary herein, (w) the Loan Parties shall not be required to grant a security interest in any Collateral or perfect a security interest in any Collateral to the extent (A) the burden or cost of obtaining or perfecting a security interest therein outweighs the benefit of the security afforded thereby as reasonably determined by the Lead Borrower and the Administrative Agent or (B) if the granting of a security interest in such asset would be prohibited by enforceable anti-assignment provisions of contracts or applicable law or with respect to any assets to the extent such a pledge would violate the terms of any contract with respect to such assets (in each case, after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or other applicable law) or would trigger termination pursuant to any "change of control" or similar provision in any contract, (x) no actions shall be required in order to create or perfect any security interests in assets located outside the United States and no foreign law security or pledge agreement shall be required, (y) perfection by control shall not be required with respect to assets requiring perfection through control agreements or other control arrangements (other than (I) control of pledged capital stock to the extent otherwise required by this Agreement and the Security Documents and promissory notes to the extent required by this Agreement and the Security Documents and (II) Deposit Accounts (but not Excluded Deposit Accounts) to the extent required by Section 5.12 and (z) the following Collateral shall not be required to be perfected (A) motor vehicles and any other assets subject to state law certificate of title statutes, (B) commercial torts claims and (C) letter of credit rights to the extent not perfected by the filing of a financing statement under the Uniform Commercial Code.

SECTION 5.10. [Reserved].

SECTION 5.11. [Reserved].

SECTION 5.12. Collateral Monitoring and Reporting.

(a) Borrowing Base Certificates. By the twentieth (20th) day of each fiscal month (or, with respect to each of the first six (6) fiscal months ended after the Closing Date, by the date that is thirty (30) days after the end of each fiscal month, commencing with the first full fiscal month ending after the Closing Date) (or, if such day is not a Business Day, the next succeeding Business Day), the Lead Borrower shall deliver to the Administrative Agent (and the Administrative Agent shall promptly deliver same to the Lenders) a Borrowing Base Certificate (the first date such first Borrowing Base Certificate is required to be delivered hereunder, the "Initial Borrowing Base Delivery Date") prepared as of the close of business on the last Business Day of the previous month. All calculations of Availability in any Borrowing Base Certificate shall be made by the Borrowers and certified by a Responsible Officer, provided that the Administrative Agent may from time to time review and adjust any such calculation in consultation with the Lead Borrower to the extent the calculation is not made in accordance with this Agreement or does not accurately reflect the Availability Reserve. By the twentieth (20th) day after the end of each fiscal quarter (commencing with the fiscal quarter ending February 2, 2013), the Lead Borrower shall deliver (i) to the Administrative Agent an Applicable Margin Certificate setting forth a calculation of the Average Availability for the fiscal quarter most recently ended and the corresponding Applicable Margins, and (ii) updates, if any, to Schedule O to the Collateral Questionnaire to reflect all locations of Inventory at the end of the fiscal quarter then ended.

(b) Records and Schedules of Accounts. Each Borrower shall keep accurate and complete records of its Accounts, including all payments and collections thereon, and shall submit to the Administrative Agent sales, collection, reconciliation and other reports in form satisfactory to the Administrative Agent on a periodic basis (but not more frequently than at the time of delivery of each of the financials required pursuant to Section 5.04(a) and (b)). Each Borrower shall also provide to the Administrative Agent, on or before the twentieth (20th) day of each month (or, with respect to each of the first 6 fiscal months ended after the Closing Date, by the date that is thirty (30) days after the end of each fiscal month, commencing with the first full fiscal month ending after the Closing Date), a detailed aged trial balance of all Accounts as of the end of the preceding month, specifying each Account's Account Debtor name and the amount, invoice date and due date as the Administrative Agent may reasonably request. If Accounts owing from any single Account Debtor (other than a Credit Card Issuer or Credit Card Processor) in an aggregate face amount of \$5 million or more cease to be Eligible Accounts, the Borrowers shall notify the Administrative Agent of such occurrence promptly (and in any event within three Business Days) after any Responsible Officer of the Lead Borrower has actual knowledge thereof.

(c) Maintenance of Dominion Account. The Borrowers shall maintain Dominion Accounts pursuant to lockbox or other arrangements reasonably acceptable to the Administrative Agent and shall establish such lockbox or other arrangement as provided in clause (j) of the definition of "Collateral and Guarantee Requirement." The Administrative Agent and the Lenders assume no responsibility to the Borrowers for any lockbox arrangement or Dominion Account, including any claim of accord and satisfaction or release with respect to any check, draft or other item of payment payable to a Borrower (including those constituting proceeds of Collateral) accepted by any bank.

(d) Proceeds of Collateral. The Borrowers shall request in writing and otherwise take all necessary steps to ensure that all payments on Accounts (other than Accounts with balances less than \$1 million) or otherwise relating to Current Asset Collateral are made directly to a Deposit Account

subject to a Deposit Account Control Agreement (or a lockbox relating to a Dominion Account). If any Borrower receives cash or any check, draft or other item of payment payable to a Borrower with respect to any Collateral, it shall hold the same in trust for the Administrative Agent and promptly deposit the same into any such Deposit Account or Dominion Account.

(e) Administration of Deposit Accounts. Schedule 5.12 sets forth all Deposit Accounts (other than Excluded Deposit Accounts) maintained by the Loan Parties, including all Dominion Accounts, as of the Closing Date. Subject to clause (j) of the definition of “Collateral and Guarantee Requirement,” each Loan Party shall take all actions necessary to establish the Administrative Agent’s control (within the meaning of the UCC) over each such Deposit Account other than Excluded Deposit Accounts at all times. Each Loan Party shall be the sole account holder of each Deposit Account and shall not allow any other person (other than the Administrative Agent and the Term Agent) to have control over a Deposit Account or any deposits therein. Each Borrower shall promptly notify the Administrative Agent of any opening or closing of a Deposit Account (other than any Excluded Deposit Accounts), and shall not open any Deposit Accounts (other than any Excluded Deposit Accounts) at a Bank not reasonably acceptable to the Administrative Agent.

SECTION 5.13. Use of Proceeds. The Borrowers will use Letters of Credit, Revolver Loans and Swingline Loans (a) on the Closing Date, to consummate the Transactions and pay the Transaction Costs; provided that no more than \$25.0 million in aggregate principal amount of Revolver Loans may be incurred on the Closing Date for such purpose, and (b) after the Closing Date, for working capital needs and other general corporate purposes of the Borrowers and their Subsidiaries.

SECTION 5.14. Certification of Public Information.

(a) Concurrently with the delivery of any document or notice required to be delivered pursuant to any Loan Document, the Borrowers shall indicate in writing whether such document or notice contains Nonpublic Information. The Borrowers and each Lender acknowledge that certain of the Lenders may be “public-side” Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrowers, their Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to this Section 5.14 or otherwise are being distributed through IntraLinks/IntraAgency, Syndtrak or another relevant website or other information platform (the “Platform”), any document or notice that the Borrowers have indicated contains Nonpublic Information shall not be posted on that portion of the Platform designated for such public-side Lenders. If the Borrowers have not indicated whether a document or notice delivered pursuant to this Section 5.14 contains Nonpublic Information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who do not wish to receive material non-public information with respect to the Borrowers, their Subsidiaries and their securities. By marking any documents, information or other data “PUBLIC,” the Borrowers shall be deemed to have authorized the Lenders to treat such documents, information or other data as not containing Nonpublic Information. The Borrowers acknowledge and agree that the list of Disqualified Institutions does not constitute Nonpublic Information and shall be posted promptly to all Lenders by the Administrative Agent (including any updates thereto).

(b) Each “public-side” Lender as described in paragraph (a) of this Section agrees to cause at least one (1) individual at or on behalf of such Lender to at all times have selected the “private side information” or similar designation on the content declaration screen of the Platform in order to enable such Lender or its delegate, in accordance with such Lender’s compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not

made available through the “public side information” portion of the Platform and that may contain Non-public Information with respect to Parent, the Borrowers or the securities of any of the foregoing for purposes of United States federal or state securities laws. In the event that any “public-side” Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such “public-side” Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) none of the Borrowers, the Agents or the Joint Lead Arrangers has any responsibility for such “public-side” Lender’s decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents.

SECTION 5.15. Designation of Subsidiaries. The board of directors of the Lead Borrower may at any time designate or re-designate (x) any Restricted Subsidiary of any Borrower as an Unrestricted Subsidiary (an “Unrestricted Subsidiary Designation”) or (y) any Unrestricted Subsidiary as a Restricted Subsidiary (a “Subsidiary Redesignation”); provided that (i) immediately before and after such designation, no Default or Event of Default shall have occurred and be continuing, (ii) after giving effect to such designation, the Borrowers shall be in compliance on a pro forma basis with Section 6.10 (whether or not then in effect), (iii) no Borrower may be designated as an Unrestricted Subsidiary, (iv) no Restricted Subsidiary may be designated as an Unrestricted Subsidiary if it is a “Restricted Subsidiary” for the purpose of the Term Facility or any other Indebtedness in excess of the Threshold Amount, (v) as of the last date of designation thereof, no Unrestricted Subsidiary shall own any Equity Interests in any Borrower or any Subsidiary Loan Party or hold any Indebtedness of, or Lien on any property of any Borrower or any Subsidiary Loan Party or (vi) the holder of any Indebtedness of any Unrestricted Subsidiary shall not have any recourse to any Borrower or any Subsidiary Loan Party with respect to such Indebtedness (unless such Indebtedness is otherwise permitted under Section 6.01). The designation of any subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Borrowers therein at the date of designation in an amount equal to the portion (proportionate to such Borrower’s equity interest in such subsidiary) of the fair market value of the net assets of such Subsidiary (and such designation shall only be permitted to the extent such Investment is permitted under Section 6.04). The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Restricted Subsidiary existing at such time. As of the date of any designation, the Lead Borrower shall have delivered to the Administrative Agent an officer’s certificate executed by a Responsible Officer of the Lead Borrower certifying to such officer’s knowledge, compliance with the requirements of this Section 5.15, including the calculation to demonstrate compliance on a pro forma basis with Section 6.10.

SECTION 6.07. Transactions with Affiliates.

(a) Sell or transfer any property or assets to, or purchase or acquire any property or assets from, or otherwise engage in any other transaction with, any of its Affiliates, unless such transaction is (i) otherwise permitted (or required) under this Agreement or (ii) except with respect to any Investments permitted by Section 6.04, upon terms no less favorable to the Borrowers or such Restricted Subsidiary, as applicable, than would be obtained in a comparable arm’s-length transaction with a person that is not an Affiliate. Any transaction or series of related transactions involving the payment of less than \$2.5 million with any such Affiliate shall be deemed to have satisfied the standard set forth in clause (ii) above if such transaction is approved by a majority of the Disinterested Directors of the board of managers (or equivalent governing body) of any Parent Entity, the Borrowers or such Restricted Subsidiary.

(b) The foregoing paragraph (a) shall not prohibit,

(vi) (A) any employment or severance agreements or arrangements entered into by any Borrower or any of the Restricted Subsidiaries in the ordinary course of business, (B) any subscription agreement or similar agreement pertaining to the repurchase of Equity Interests pursuant to put/call rights or similar rights with employees, officers, directors, members of management or consultants, and (C) any employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers employees, and any reasonable employment contract or arrangement and transactions pursuant thereto,

(x) transactions among the Borrowers and the Restricted Subsidiaries for the purchase or sale of goods, products, parts and services entered into in the ordinary course of business,

(xi) any transaction in respect of which a Borrower delivers to the Administrative Agent (for delivery to the Lenders) a letter addressed to the board of directors (or equivalent governing body) of such Borrower from an accounting, appraisal or investment banking firm, in each case of nationally recognized standing, which letter states that such transaction is on terms that are no less favorable to such Borrower or such Subsidiary, as applicable, than would be obtained in a comparable arm's-length transaction with a person that is not an Affiliate,

(xii) the Transactions, including the payment of all fees, expenses, bonuses and awards (including Transaction Costs) related to the Transactions,

(xiii) Guarantees permitted by Section 6.01,

(xvii) the indemnification of directors, officers, employees, members of management or consultants of any Parent Entity, any Borrower and its Subsidiaries in accordance with customary practice.

Notwithstanding anything to the contrary contained in herein, Parent shall not sell, dispose of, grant a Lien on or otherwise transfer its Equity Interests in a Borrower (other than (i) Liens created by the Collateral Documents, (ii) subject to the Intercreditor Agreement, Liens created by the Term Loan Documents, (iii) Liens arising by operation of law that would be permitted under Section 6.02 or (iv) the sale, disposition or other transfer (whether by purchase and sale, merger, consolidation, liquidation or otherwise) of the Equity Interests of a Borrower to any Parent Entity that becomes a Loan Party and agrees to be bound by this Section 6.08).

SECTION 6.09. Limitation on Modifications of Indebtedness; Modifications of Certificate of Incorporation, By-Laws and Certain Other Agreements; etc. Amend or modify in any manner materially adverse to the Lenders, or grant any waiver or release under or terminate in any manner (if such granting or termination shall be materially adverse to the Lenders), the articles or certificate of incorporation or by-laws or limited liability company operating agreement of Parent, a Borrower or any of the Subsidiary Loan Parties; or Make, or agree to make, directly or indirectly, any payment or other distribution (whether in cash, securities or other property) of or in respect of principal of or interest on any Subordinated Indebtedness or any other Indebtedness, in each case with an aggregate outstanding principal amount in excess of the Threshold Amount in respect thereof, or any payment or other distribution (whether in cash, securities or other property), including any sinking fund or similar deposit, on account of the purchase, redemption, retirement, acquisition, cancellation or termination of such Indebtedness (except for (i) Refinancings otherwise permitted by Section 6.01, (ii) payments of regularly scheduled interest, fees, expenses and indemnification obligations and, to the extent this Agreement is then in effect, principal on the scheduled maturity date thereof, (iii) any AHYDO "catch up" payments and (iv) the conversion of any Subordinated Indebtedness or any other Indebtedness to Equity Interests of Parent or any Parent Entity that constitutes Qualified Capital Stock) (each such payment or distribution, a "Restricted Debt Payment"); provided, however, that any such Indebtedness may be repurchased, redeemed, retired, acquired, cancelled or terminated so long as (x) immediately prior to and after giving effect to such repurchase, no Event of Default shall have occurred or be continuing and (y) the Applicable Conditions are satisfied on a Pro Forma Basis immediately after giving effect to such Restricted Debt Payment; or

(c) Amend or modify, or permit the amendment or modification of, any provision of any Subordinated Indebtedness or any other Indebtedness, in each case with an aggregate outstanding principal amount in excess of the Threshold Amount of the Borrower or any Restricted Subsidiary, or any agreement relating thereto, other than amendments or modifications that are not materially adverse to Lenders (it being understood that this Section 6.09(c) shall not restrict Permitted Refinancing Indebtedness permitted by Section 6.01); or

(d) Permit any Borrower or any Restricted Subsidiary to enter into any agreement or instrument that by its terms restricts (i) the payment of dividends or distributions or the making of cash advances to (or the repayment of cash advances from) a Borrower or any Restricted Subsidiary or (ii) the granting of Liens on Collateral pursuant to the Security Documents, in each case other than those arising under any Loan Document, except, in each case, restrictions existing by reason of:

(i) restrictions imposed by applicable law;

(ii) contractual encumbrances or restrictions in effect on the Closing Date or contained in any agreements related to any Permitted Refinancing Indebtedness incurred to Refinance such Indebtedness, or any such encumbrances or restrictions in any agreements relating to any Permitted Debt Securities issued after the Closing Date or Permitted Refinancing Indebtedness in respect thereof, in each case so long as the scope of such encumbrance or restriction is no more expansive in any material respect than any such encumbrance or restriction in effect on the Closing Date (or the date of issuance as the case may be), or any agreement (regardless of whether such agreement is in effect on the Closing Date) providing for the subordination of Subordinated Intercompany Debt;

(iii) any restriction on a Subsidiary imposed pursuant to an agreement entered into for the Disposition of all or substantially all the Equity Interests or assets of such Subsidiary pending the closing of such sale or disposition;

(iv) customary provisions in Joint Venture agreements and other similar agreements applicable to Joint Ventures entered into in the ordinary course of business;

(v) any restrictions imposed by any agreement relating to secured Indebtedness permitted by this Agreement to the extent that such restrictions apply only to the property or assets securing such Indebtedness;

(vi) customary provisions contained in leases, subleases, licenses or sublicenses of Intellectual Property and other similar agreements entered into in the ordinary course of business;

(vii) customary provisions restricting subletting or assignment of any lease governing a leasehold interest;

(viii) customary provisions restricting assignment of any agreement entered into in the ordinary course of business;

(ix) customary restrictions and conditions contained in any agreement relating to any Disposition permitted under Section 6.05 pending the consummation of such Disposition;

(x) customary restrictions and conditions contained in the document relating to any Lien, so long as (1) such Lien is permitted under Section 6.02 and such restrictions or conditions relate only to the specific asset subject to such Lien and the proceeds and products thereof, and (2) such restrictions and conditions are not created for the purpose of avoiding the restrictions imposed by this Section 6.09;

(xi) customary net worth provisions contained in real property leases entered into by Subsidiaries of the Borrowers, so long as such Borrower has determined in good faith that such net worth provisions could not reasonably be expected to impair the ability of such Borrower and its Subsidiaries to meet their ongoing obligations;

(xii) any agreement in effect at the time such person becomes a Restricted Subsidiary, so long as such agreement was not entered into in contemplation of such person becoming a Restricted Subsidiary; or

(xiii) restrictions contained in any documents documenting Indebtedness of any Subsidiary that is not a Subsidiary Loan Party permitted hereunder.

SECTION 6.10. Financial Covenant.

(a) The Borrowers and their Restricted Subsidiaries shall, on any date during a Covenant Trigger Period, maintain a Consolidated Fixed Charge Coverage Ratio of at least 1.0 to 1.0, tested for the four fiscal quarter period ending on the last day of the most recently ended fiscal quarter for which the Borrowers were required to deliver financial statements to the Administrative Agent in accordance with Section 5.04, and at the end of each succeeding fiscal quarter thereafter until the date on which a Covenant Trigger Period is no longer in effect.

(b) Notwithstanding anything to contrary in this Agreement (including Article VII), upon an Event of Default as a result of the Borrowers' failure to comply with Section 6.10(a) above, such Event of Default shall, subject to the limitations set forth below, be deemed cured ab initio and cease to exist in the event that, within ten (10) Business Days after the date on which the Borrowers were required to deliver financial statements in accordance with Section 5.04 for the fiscal quarter in which such Event of Default occurs, cash proceeds of a sale of, or contribution to, equity (which equity shall be common equity, "qualified" preferred equity or other equity (such other equity to be on terms reasonably acceptable to the Administrative Agent)) of Parent are received as a cash common equity contribution by the Lead Borrower. Each such equity contribution is referred to as a "Cure Action." The proceeds of any Cure Action may be included solely in the calculation of EBITDA (solely for purposes of calculating the ratio in Section 6.10(a), and not for any other purpose hereunder (including for purposes of determining any financial ratio-based conditions, pricing or the availability of any basket under Article VI of this Agreement), and there shall be no pro forma or other reduction in Indebtedness (directly through repayment or indirectly through netting) with the proceeds of such Cure Action in connection with determining such calculation during the period in which such proceeds are included in EBITDA) at the request of the Lead Borrower as if such proceeds were contributed on the last day of the applicable fiscal quarter, and must be sufficient (but may not be in excess of the amount required) to cause the Loan Parties to be in compliance on a Pro Forma Basis with the financial covenant set forth in Section 6.10(a). No more than two Cure Actions may be taken in any four (4) fiscal quarter period and no more than five (5) Cure Actions may be taken during the term of this Agreement. If, after giving effect to the Cure Action, the Borrowers shall be in compliance with the requirements of Section 6.10(a), the Borrowers shall be deemed to

have satisfied the requirements of Section 6.10(a) as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or Event of Default with respect to Section 6.10(a) that had occurred shall be deemed cured for purposes of this Agreement. To the extent a fiscal quarter for which such Fixed Charge Coverage Ratio is initially recalculated as a result of such Cure Action is included in the calculation of the Fixed Charge Coverage Ratio in a subsequent fiscal period, the results of the Cure Action shall be included in the amount of EBITDA for such fiscal quarter in such subsequent fiscal period. After the occurrence of the breach, Default or Event of Default resulting from a failure to comply with Section 6.10(a), if the Lead Borrower has given the Administrative Agent notice that it intends to cure such breach, Default or Event of Default pursuant to a Cure Action, neither the Lenders nor the Administrative Agent shall exercise any rights or remedies under Article VII (or under any Loan Document) available during the continuance of any breach, Default or Event of Default on the basis of any actual or purported failure to comply with Section 6.10(a) (provided, that during such time no Lender shall be required to fund any Revolver Loans and the Issuing Bank shall not be required to issue any Letters of Credit) until such failure is not cured on or prior to the expiration of the ten (10) Business Day cure period referenced above.

SECTION 6.11. Fiscal Year. The Borrowers and the Subsidiary Loan Parties shall not, nor shall they permit any of their Restricted Subsidiaries to, change its fiscal year end to a date other than the Saturday nearest January 31 of each year.

ARTICLE VII

Events of Default

SECTION 7.01. Events of Default. In case of the happening of any of the following events (each, an “Event of Default”):

(a) any representation or warranty made or deemed made by Parent, any Borrower or any other Loan Party in any Loan Document, or in any certificate or other instrument required to be given by any Loan Party in writing furnished in connection with or pursuant to any Loan Document, shall prove to have been false or misleading in any material respect when so made, deemed made pursuant to the terms of the Loan Documents or so furnished by Parent, any Borrower or any other Loan Party;

(b) default shall be made in the payment of any principal of any Loan when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or by acceleration thereof or otherwise;

(c) default shall be made in the payment of any interest on any Loan or in the payment of any fee or any other amount (other than an amount referred to in paragraph (b) above) due under any Loan Document, when and as the same shall become due and payable, and such default shall continue unremedied for a period of five (5) Business Days;

(d) default shall be made in the due observance or performance by Parent, any Borrower or any of the Restricted Subsidiaries of any covenant, condition or agreement contained in Sections 5.01 (as it relates to the Borrowers only), 5.05(a), 5.12(c) or in Article VI;

(e) default shall be made in the (i) failure to deliver a Borrowing Base Certificate required to be delivered pursuant to Section 5.12(a) within five (5) Business Days after the date the Lead Borrower has received written notice from the Administrative Agent that such Borrowing Base Certificate is overdue or (ii) due observance or performance by Parent, any Borrower or any of their Restricted Subsidiaries of any covenant, condition or agreement contained in any Loan Document (other than those specified in paragraphs (b), (c) and (d) above) and in the case of this subclause (ii) such default shall continue unremedied for a period of thirty (30) days after written notice thereof from the Administrative Agent or the Required Lenders to the Borrowers;

(f) (i) any event or condition occurs that (A) results in any Indebtedness in excess of the Threshold Amount becoming due prior to its scheduled maturity or (B) enables or permits (with all applicable grace periods having expired) the holder or holders any Indebtedness in excess of the Threshold Amount or any trustee or agent on its or their behalf to cause any such Indebtedness in excess of the Threshold Amount to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity or (ii) Parent, any Borrower, or any of the Restricted Subsidiaries shall fail to pay the principal of any Indebtedness in excess of the Threshold Amount at the stated final maturity thereof; provided that no such event or condition under the Term Facility (other than a payment default or any default relating to insolvency or any Insolvency Proceeding) shall constitute an Event of Default under this paragraph (f) until the earliest to occur of (x) the date that is thirty (30) days after such event or condition (but only if such event or circumstance has not been waived or cured), (y) the acceleration of the Indebtedness under the Term Facility and (z) the exercise of any remedies by the Term Agent or collateral agent or any lenders under the Term Facility in respect of any Collateral; provided further that this paragraph (f) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if such sale or transfer is permitted hereunder; provided further that any such failure is unremedied and not waived by the holders of such Indebtedness prior to the acceleration of the Loans pursuant to this Section 7.01;

(g) there shall have occurred a Change in Control;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of Parent, any Borrower or any such Restricted Subsidiary (other than any Immaterial Subsidiary), or of a substantial part of the property or assets of Parent, any Borrower or any Restricted Subsidiary (other than any Immaterial Subsidiary), under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for Parent, any Borrower or any such Restricted Subsidiary (other than any Immaterial Subsidiary) or for a substantial part of the property or assets of Parent, any Borrower or any such Restricted Subsidiary (other than any Immaterial Subsidiary) or (iii) the winding-up or liquidation of Parent, any Borrower or any such Restricted Subsidiary (other than any Immaterial Subsidiary) (except, in the case of any such Restricted Subsidiary, in a transaction permitted by Section 6.05); and such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Parent, any Borrower or any Restricted Subsidiary (other than any Immaterial Subsidiary), shall (i) voluntarily commence any proceeding or file any petition seeking relief under

the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in paragraph (h) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for Parent, any Borrower or any such Restricted Subsidiary (other than any Immaterial Subsidiary) or for a substantial part of the property or assets of Parent, any Borrower or any such Restricted Subsidiary (other than any Immaterial Subsidiary), (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable or admit in writing its inability or fail generally to pay its debts as they become due;

(j) the failure by Parent, any Borrower or any Restricted Subsidiary to pay one (1) or more final judgments aggregating in excess of the Threshold Amount (to the extent not covered by third-party insurance as to which the insurer has been notified of such judgment and does not deny coverage), which judgments are not discharged or effectively waived or stayed for a period of sixty (60) consecutive days, or any action shall be legally taken by a judgment creditor to levy upon assets or properties of Parent, any Borrower or any Restricted Subsidiary to enforce any such judgment;

(k) (i) an ERISA Event and/or a Foreign Plan Event shall have occurred, (ii) a trustee shall be appointed by a United States district court to administer any Plan(s) or (iii) any Loan Party or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that it has incurred or will be assessed Withdrawal Liability to such Multiemployer Plan and such person does not have reasonable grounds for contesting such Withdrawal Liability or is not contesting such Withdrawal Liability in a timely and appropriate manner; and in each case in clauses (i) through (iii) above, such event or condition, together with all other such events or conditions, if any, could reasonably be expected to have a Material Adverse Effect; or

(l) (i) any Loan Document shall for any reason cease to be, or shall be asserted in writing by Parent, any Borrower or any Restricted Subsidiary not to be, a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that are not immaterial to Parent, a Borrower and the Restricted Subsidiaries on a consolidated basis shall cease to be, or shall be asserted in writing by Parent, any Borrower or any other Loan Party not to be (other than in a notice to the Administrative Agent to take requisite actions to perfect such Lien), a valid and perfected security interest (perfected as and having the priority required by the Intercreditor Agreement and this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent (x) any such loss of perfection or priority results from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement, (y) such loss is covered by a lender's title insurance policy as to which the insurer has been notified of such loss and does not deny coverage and the Administrative Agent shall be reasonably satisfied with the credit of such insurer or (z) such loss of perfected security interest may be remedied by the filing of appropriate documentation without the loss of priority, (iii) the Guarantees pursuant to the Security Documents by Parent, a Borrower or the Subsidiary Loan Parties of any of the Obligations shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by Parent or a Borrower

or any Subsidiary Loan Party not to be in effect or not to be legal, valid and binding obligations or (iv) the Obligations of a Borrower or the Guarantees pursuant to the Security Documents by Parent, a Borrower or the Subsidiary Loan Parties shall cease to constitute senior indebtedness under the subordination provisions of any indenture or other instruments, agreements and documents evidencing or governing any Permitted Debt Securities in excess of the Threshold Amount or such subordination provisions shall be invalidated or otherwise cease (in each case so long as such indenture, instrument, agreement or document is then in effect), or shall be asserted in writing by Parent, any Borrower or any Subsidiary Loan Party to be invalid or to cease to be legal, valid and binding obligations of the parties thereto, enforceable in accordance with their terms;

then, and in every such event (other than an event with respect to a Borrower described in paragraph (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, upon notice to the Borrowers, take any or all of the following actions, at the same or different times: (i) terminate, reduce or condition any Revolver Commitment, or make any adjustment to the Borrowing Base, (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding, (iii) require the Loan Parties to Cash Collateralize LC Obligations, and, if the Loan Parties fail promptly to deposit such Cash Collateral, the Administrative Agent may (and shall upon the direction of Required Lenders) advance the required Cash Collateral as Revolver Loans (whether or not an Overadvance exists or is created thereby, or the conditions in Section 4.02 are satisfied); and in any event with respect to a Borrower described in paragraph (h) or (i)(i), (ii), (iii) or (iv) above, the Revolver Commitments shall automatically terminate, the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall automatically become due and payable, anything contained herein or in any other Loan Document to the contrary notwithstanding.

SECTION 7.02. Allocation. Notwithstanding anything herein to the contrary and subject to the Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default, monies to be applied to the Secured Obligations, whether arising from payments by the Loan Parties, realization on Collateral, setoff or otherwise, shall be allocated as follows:

- (a) first, to all costs and expenses, including Extraordinary Expenses, owing to the Administrative Agent pursuant to the terms of the Loan Documents;
- (b) second, to all amounts owing to any Swingline Lender on Swingline Loans;
- (c) third, to all amounts owing to the Issuing Bank;
- (d) fourth, to all Obligations constituting fees;
- (e) fifth, to all Obligations constituting interest;
- (f) sixth, to Cash Collateralization of LC Obligations;

(g) seventh, to all other Revolver Loans and solely to the extent included in the Bank Product Reserve, Noticed Hedges and other Secured Bank Product Obligations; and

(h) last, to all other Secured Obligations.

Amounts shall be applied to each category of Secured Obligations set forth above until Full Payment thereof and then to the next category. If amounts are insufficient to satisfy a category, they shall be applied on a pro rata basis among the Secured Obligations in the category. Amounts distributed with respect to any Secured Bank Product Obligations shall be the lesser of the maximum Secured Bank Product Obligations last reported to the Administrative Agent or the actual Secured Bank Product Obligations as calculated by the methodology last reported to the Administrative Agent for determining the amount due. The Administrative Agent shall have no obligation to calculate the amount to be distributed with respect to any Secured Bank Product Obligations, and may request a reasonably detailed calculation of such amount from the applicable Secured Party. If a Secured Party fails to deliver such calculation within five days following request by the Administrative Agent, the Administrative Agent may assume the amount to be distributed is zero. The allocations set forth in this Section 7.02 are solely to determine the rights and priorities of the Administrative Agent and the Secured Parties as among themselves, and may, except as set forth in the next sentence, be changed by agreement among them without the consent of any Loan Party. It is understood and agreed that (i) no Secured Bank Product Obligations (other than Noticed Hedges) shall be paid pursuant to this Section ahead of any other Obligations, and (ii) no Cash Collateralization of LC Obligations shall be paid prior to any fees, interest, or amounts due in respect of Swingline Loans, or to the Issuing Bank or the Administrative Agent, in each case, unless consented to by the Lead Borrower. If any monies remain after distribution to all of the categories above, such monies shall be returned to the Borrowers.

ARTICLE VIII

The Agents

SECTION 8.01. Appointment, Authority and Duties of the Administrative Agent.

(a) Appointment and Authority. Each Secured Party hereby irrevocably appoints and designates M&T as the Administrative Agent under all Loan Documents and M&T hereby accepts such appointments. The Administrative Agent may, and each Secured Party authorizes the Administrative Agent to, enter into all Loan Documents to which the Administrative Agent is intended to be a party and accept all Security Documents, for the benefit of Secured Parties. Each Secured Party agrees that any action taken by the Administrative Agent or Required Lenders in accordance with the provisions of the Loan Documents, and the exercise by the Administrative Agent or Required Lenders of any rights or remedies set forth therein, together with all other powers reasonably incidental thereto, shall be authorized by and binding upon all Secured Parties. Without limiting the generality of the foregoing, the Administrative Agent shall have the sole and exclusive authority to (a) act as the disbursing and collecting agent for the Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as the Administrative Agent each Loan Document, including any intercreditor or subordination agreement, and accept delivery of each Loan Document from any Loan Party or other person; (c) act as collateral agent for Secured Parties for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein; (d) manage, supervise or otherwise deal with Collateral; and (e) take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral under the Loan Documents, Applicable Law or otherwise. No Secured

Party shall have any right individually to take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral under the Loan Documents, Applicable Law or otherwise. The duties of the Administrative Agent shall be ministerial and administrative in nature, and the Administrative Agent shall not have a fiduciary relationship with any Secured Party, Participant or other person, by reason of any Loan Document or any transaction relating thereto. The Administrative Agent alone shall be authorized to determine whether any Accounts or Inventory constitute Eligible Accounts, Eligible Inventory or Eligible In-Transit Inventory, whether to impose or release any Availability Reserve, or whether any conditions to funding or to issuance of a Letter of Credit have been satisfied, which determinations and judgments, if exercised in good faith, shall exonerate the Administrative Agent from liability to any Lender or other person for any error in judgment.

(b) Duties. The Administrative Agent shall not have any duties except those expressly set forth in the Loan Documents. The conferral upon the Administrative Agent of any right shall not imply a duty to exercise such right, unless instructed to do so by Required Lenders in accordance with this Agreement.

(c) Agent Professionals. The Administrative Agent may perform its duties through agents and employees. The Administrative Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Administrative Agent Professional. The exculpatory provisions of this Article VIII shall apply to any such agents, employees and Agent Professionals, and shall apply to their respective activities in connection with the syndication of the Credit Facilities provided for herein as well as activities of the Administrative Agent.

(d) Instructions of Required Lenders. The rights and remedies conferred upon the Administrative Agent under the Loan Documents may be exercised without the necessity of joinder of any other party, unless required by Applicable Law. The Administrative Agent may request instructions from Required Lenders or other Secured Parties with respect to any act (including the failure to act) in connection with any Loan Documents, and may seek assurances to its satisfaction from Secured Parties of their indemnification obligations against all Claims that could be incurred by the Administrative Agent in connection with any act. The Administrative Agent shall be entitled to refrain from any act until it has received such instructions or assurances, and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Instructions of Required Lenders shall be binding upon all Secured Parties, and no Secured Party shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting in accordance with the instructions of Required Lenders. Notwithstanding the foregoing, instructions by and consent of specific Lenders or Secured Parties shall be required to the extent provided in Section 9.08(b). In no event shall the Administrative Agent be required to take any action that, in its opinion, is contrary to Applicable Law or any Loan Documents or could subject any Agent Indemnitee to personal liability.

SECTION 8.02. Agreements Regarding Collateral and Field Examination Reports.

(a) Possession of Collateral. The Administrative Agent and Secured Parties appoint each Lender as agent (for the benefit of Secured Parties) for the purpose of perfecting Liens in any Collateral held or controlled by such Lender, to the extent such Liens are perfected by possession or control. If any Lender obtains possession or control of any Collateral, it shall notify the Administrative Agent thereof and, promptly upon the Administrative Agent's request, deliver such Collateral to the Administrative Agent or otherwise deal with it in accordance with the Administrative Agent's instructions.

(b) Reports. The Administrative Agent shall promptly forward to each Lender, when complete, copies of any field audit, examination or appraisal report prepared by or for the Administrative Agent with respect to any Loan Party or Collateral ("Report"). Each Lender agrees (a) that neither M&T nor the Administrative Agent makes any representation or warranty as to the accuracy or completeness of any Report, and shall not be liable for any information contained in or omitted from any Report; (b) that the Reports are not intended to be comprehensive audits or examinations, and that the Administrative Agent or any other person performing any audit or examination will inspect only specific information regarding the Collateral and will rely significantly upon the Borrowers' books and records as well as upon representations of the Borrowers' officers and employees; and (c) to keep all Reports confidential in accordance with Section 9.16 and not to distribute or use any Report in any manner other than administration of the Revolver Loans and other Obligations. Each Lender shall indemnify and hold harmless the Administrative Agent and any other person preparing a Report from any action such Lender may take as a result of or any conclusion it may draw from any Report, as well as from any Claims arising as a direct or indirect result of the Administrative Agent furnishing a Report to such Lender.

SECTION 8.03. Reliance By the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall not incur any liability in relying, upon any certification, notice or other communication (including those by telephone, telex, telegram, telecopy or e-mail) believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and upon the advice and statements of Agent Professionals. The Administrative Agent shall have a reasonable and practicable amount of time to act upon any instruction, notice or other communication under any Loan Document, and shall not be liable for any such delay in acting.

SECTION 8.04. Action Upon Default. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default, or of any failure to satisfy any conditions in Article IV, unless it has received written notice from a Borrower or Required Lenders specifying the occurrence and nature thereof. If any Lender acquires knowledge of a Default, Event of Default or failure of such conditions, it shall promptly notify the Administrative Agent and the other Lenders thereof in writing. Each Secured Party agrees that, except with the written consent of the Required Lenders, it will not take any Enforcement Action, accelerate Obligations, or exercise any right that it might otherwise have under Applicable Law to credit bid at foreclosure sales, UCC sales or other similar dispositions of Collateral or to assert any rights relating to any Collateral. Notwithstanding the foregoing, however, a Secured Party may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Secured Party, including the filing of proofs of claim in a case under the Bankruptcy Code.

SECTION 8.05. Payments Received by Defaulting Lender. If a Defaulting Lender obtains a payment or reduction of any Obligation, it shall immediately turn over the amount thereof to the Administrative Agent for application under Section 2.21 and it shall provide a written statement to the Administrative Agent describing the Obligation affected by such payment or reduction. No Lender shall set off against any Dominion Account without the prior consent of the Administrative Agent.

SECTION 8.06. Limitation on Responsibilities of the Agents. (a) The Administrative Agent shall not be liable to any Secured Party for any action taken or omitted to be taken under the Loan Documents, except for losses to the extent caused by the Administrative Agent's gross negligence or willful misconduct. The Agents do not assume any responsibility for any failure or delay in performance or any breach by any Loan Party, Lender or other Secured Party of any obligations under the Loan Documents. The Agents do not make any express or implied representation, warranty or guarantee to

Secured Parties with respect to any Secured Obligations, Collateral, Loan Documents or Loan Party. No Agent Indemnitee shall be responsible to Secured Parties for any recitals, statements, information, representations or warranties contained in any Loan Documents; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Secured Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Loan Party or Account Debtor. No Agent Indemnitee shall have any obligation to any Secured Party to ascertain or inquire into the existence of any Default or Event of Default, the observance by any Loan Party of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents.

(b) Any assignor of a Revolver Loan or Revolver Commitment or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Acceptance or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. None of the Joint Lead Arrangers or the Agents shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

SECTION 8.07. Successor Administrative Agent and Co-Agents.

(a) Resignation; Successor Administrative Agent. The Administrative Agent may (a) resign at any time and (b) if at any time the Administrative Agent is a Defaulting Lender or an Affiliate of a Defaulting Lender, be removed by the Lead Borrower, in each case by giving at least 30 days written notice thereof to Lenders, the Issuing Banks, the Lead Borrower and the Administrative Agent, as applicable. Upon receipt of such notice or resignation, Required Lenders shall have the right, in consultation with and with the consent of the Lead Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be (a) a Lender or an Affiliate of a Lender; or (b) a commercial bank that is organized under the laws of the United States or any state or district thereof, has a combined capital surplus of at least \$1,000,000,000 and (provided no Event of Default exists under Sections 7.01(b), 7.01(h) (with respect to the Borrowers only) and 7.01(i) (with respect to the Borrowers only) is subject to the approval of the Borrowers. If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, then the Administrative Agent may appoint a successor agent from among the Lenders or, if no Lender accepts such role, the Administrative Agent may appoint the Required Lenders as successor Administrative Agent; provided that (x) in the case of a resignation, if such Administrative Agent shall notify the Borrowers and the Lenders that no qualifying person has accepted such appointment or (y) in the case of a removal, the Lead Borrower notifies the Required Lenders that no qualifying person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the Issuing Bank directly (and each Lender and Issuing Bank will cooperate with the Lead Borrower to enable the Lead Borrower to take such actions), until such time as the Required Lenders or the Lead Borrower, as applicable, appoint a successor Administrative Agent, as provided for above in this Article VIII. Upon acceptance by a successor Administrative Agent of an appointment to serve as the Administrative Agent hereunder, or upon appointment of Required Lenders as successor Administrative Agent, such successor Administrative

Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Administrative Agent without further act, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder but shall continue to have the benefits of the indemnification set forth in Section 8.15. The fees payable by the Lead Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. Notwithstanding any Administrative Agent's resignation, the provisions of this Section 8.07 shall continue in effect for its benefit with respect to any actions taken or omitted to be taken by it while the Administrative Agent. Any successor to M&T by merger or acquisition of stock or this loan shall continue to be the Administrative Agent hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

(b) Separate Collateral Administrative Agent. It is the intent of the parties that there shall be no violation of any Applicable Law denying or restricting the right of financial institutions to transact business in any jurisdiction. If the Administrative Agent believes that it may be limited in the exercise of any rights or remedies under the Loan Documents due to any Applicable Law, the Administrative Agent may appoint, subject to the approval of the Lead Borrower (such approval not to be unreasonably withheld or delayed), an additional person who is not so limited, as a separate collateral agent or co-collateral agent. If the Administrative Agent so appoints a collateral agent or co-collateral agent, each right and remedy intended to be available to the Administrative Agent under the Loan Documents shall also be vested in such separate agent. The parties acknowledge that the Term Agent may be acting as collateral agent for the Administrative Agent and the Lenders with respect to Real Estate, equipment and other Term Priority Collateral (as defined in the Intercreditor Agreement) and the Administrative Agent hereby appoints the Term Agent to act in such capacity. Secured Parties shall execute and deliver such documents as the Administrative Agent deems appropriate to vest any rights or remedies in such agent. If any collateral agent or co-collateral agent shall die or dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of such agent, to the extent permitted by Applicable Law, shall vest in and be exercised by the Administrative Agent until appointment of a new agent.

SECTION 8.08. Due Diligence and Non-Reliance. Each Lender acknowledges and agrees that it has, independently and without reliance upon the Agents or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Loan Party and its own decision to enter into this Agreement and to fund Revolver Loans and participate in LC Obligations hereunder. Each Secured Party has made such inquiries as it feels necessary concerning the Loan Documents, Collateral and Loan Parties. Each Secured Party acknowledges and agrees that the other Secured Parties have made no representations or warranties concerning any Loan Party, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Secured Obligations. Each Secured Party will, independently and without reliance upon any other Secured Party, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Revolver Loans and participating in LC Obligations, and in taking or refraining from any action under any Loan Documents. Except for notices, reports and other information expressly required to be furnished to or expressly requested by a Lender, the Administrative Agent shall have no duty or responsibility to provide any Secured Party with any notices, reports or certificates furnished to the Administrative Agent by any Loan Party or any credit or other information concerning the affairs, financial condition, business or Properties of any Loan Party (or any of its Affiliates) which may come into possession of the Agents and their respective Affiliates.

SECTION 8.09. Remittance of Payments and Collections.

(a) Remittances Generally. All payments by any Lender to the Administrative Agent shall be made by the time and on the day set forth in this Agreement, in immediately available funds. If no time for payment is specified or if payment is due on demand by the Administrative Agent and request for payment is made by the Administrative Agent by 11:00 a.m. (New York City time) on a Business Day, payment shall be made by Lender not later than 2:00 p.m. (New York City time) on such day, and if request is made after 11:00 a.m. (New York City time), then payment shall be made by 11:00 a.m. (New York City time) on the next Business Day. Payment by the Administrative Agent to any Secured Party shall be made by wire transfer, in the type of funds received by the Administrative Agent. Any such payment shall be subject to the Administrative Agent's right of offset for any amounts due from such payee under the Loan Documents.

(b) Failure to Pay. If any Secured Party fails to pay any amount when due by it to the Administrative Agent pursuant to the terms hereof, such amount shall bear interest from the due date until paid at the rate determined by the Administrative Agent as customary in the banking industry for interbank compensation. In no event shall Borrower be entitled to receive credit for any interest paid by a Secured Party to the Administrative Agent, nor shall any Defaulting Lender be entitled to interest on any amounts held by the Administrative Agent pursuant to Section 2.21.

(c) Recovery of Payments. If the Administrative Agent pays any amount to a Secured Party in the expectation that a related payment will be received by the Administrative Agent from a Loan Party and such related payment is not received, then the Administrative Agent may recover such amount from each Secured Party that received it. If the Administrative Agent determines at any time that an amount received under any Loan Document must be returned to a Loan Party or paid to any other person pursuant to Applicable Law or otherwise, then, notwithstanding any other term of any Loan Document, the Administrative Agent shall not be required to distribute such amount to any Lender. If any amounts received and applied by the Administrative Agent to any Secured Obligations are later required to be returned by the Administrative Agent pursuant to Applicable Law, each Lender shall pay to the Administrative Agent, on demand, such Lender's Pro Rata share of the amounts required to be returned.

SECTION 8.10. The Administrative Agent in its Individual Capacity. As a Lender, M&T shall have the same rights and remedies under the other Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include M&T in its capacity as a Lender. M&T and its Affiliates may accept deposits from, lend money to, provide Bank Products to, act as financial or other advisor to, and generally engage in any kind of business with, Loan Parties and their Affiliates, as if M&T were not the Administrative Agent hereunder, without any duty to account therefor to the Lenders. In their individual capacities, M&T and its Affiliates may receive information regarding Loan Parties, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and each Secured Party agrees that M&T and its Affiliates shall be under no obligation to provide such information to any Secured Party, if acquired in such individual capacity.

SECTION 8.11. Administrative Agent Titles. Each Lender, other than M&T, that is designated (on the cover page of this Agreement or otherwise) by M&T as an "Agent" or "Arranger" of any type shall not have any right, power, responsibility or duty under any Loan Documents other than those applicable to all Lenders in their capacity as such, and shall in no event be deemed to have any fiduciary relationship with any other Lender.

SECTION 8.12. Bank Product Providers. Each Secured Bank Product Provider, by delivery of a notice to the Administrative Agent of a Bank Product, agrees to be bound by this Article VIII. Each Secured Bank Product Provider shall indemnify and hold harmless the Agent Indemnitees, to the extent not reimbursed by Loan Parties, against all Claims that may be incurred by or asserted against any Agent Indemnitee in connection with such provider's Secured Bank Product Obligations.

SECTION 8.13. Survival. This Article VIII shall survive Full Payment of the Obligations. Other than Sections 8.01, 8.04 and 8.07, this Article VIII does not confer any rights or benefits upon Borrowers or any other person. As between Borrowers and Administrative Agent, any action that Administrative Agent may take under any Loan Documents or with respect to any Obligations shall be conclusively presumed to have been authorized and directed by Secured Parties.

SECTION 8.14. Withholding Tax. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.18, each Lender shall indemnify and hold harmless the Administrative Agent against, within 10 days after written demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.14. The agreements in this Section 8.14 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Revolver Commitments and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 8.14, the term "Lender" includes any Issuing Bank and any Swingline Lender.

SECTION 8.15. Indemnification. The Lenders agree to indemnify each Agent and each Joint Lead Arranger in its capacity as such (to the extent not reimbursed by Parent or the Borrowers and without limiting the obligation of Parent or the Borrowers to do so), each in an amount equal to its Pro Rata share thereof, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or Joint Lead Arranger in any way relating to or arising out of, the Revolver Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or Joint Lead Arranger under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or Joint Lead Arranger's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.16. Intercreditor Agreement. The Administrative Agent is authorized to enter into the Intercreditor Agreement and any other intercreditor agreement contemplated hereby with respect to Indebtedness that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by Liens and which Indebtedness contemplates an intercreditor, subordination or collateral trust agreement (any such other intercreditor agreement, an "Additional Agreement"), and the parties hereto acknowledge that the Intercreditor Agreement and any Additional Agreement is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Collateral other than the Current Asset Collateral securing the Secured Obligations on the terms set forth in the Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement or any Additional Agreement and (c) hereby authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreement or any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrowers and such Secured Parties are intended third-party beneficiaries of such provisions and the provisions of the Intercreditor Agreement or any Additional Agreement.

All representations and warranties made by the Loan Parties herein and in the other Loan Documents shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making of the Loans, the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, and shall continue in full force and effect until the Revolver Termination Date. Without prejudice to the survival of any other agreements contained herein, obligations for taxes, costs, indemnifications, reimbursements, damages and other contingent liabilities contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, the expiration of the Letters of Credit, and the termination of the Revolver Commitments or this Agreement, limited in the manner set forth herein.

SECTION 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by Parent, the Borrowers and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of Parent, the Borrowers, each Issuing Bank, the Administrative Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) except as otherwise permitted by Section 6.05, the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (ii) below, any Lender may assign to one (1) or more Eligible Assignees (other than to any Disqualified Institution, Parent, the Lead Borrower and its Subsidiaries, the Sponsor or any natural person) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolver Commitments and the Revolver Loans at the time owing to it) (provided, however, that pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and any related Revolver Commitment) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Lead Borrower, provided that no consent of the Lead Borrower shall be required (i) if an Event of Default under Section 7.01(b) or (c), or (with respect to any Borrower only) Section 7.01(h) or (i) has occurred and is continuing and (ii) if such assignment is to a Lender (for purposes of clarity, it is understood that no assignment may be made to a Disqualified Institution);

(B) the Administrative Agent; and

(C) the Issuing Banks and the Swingline Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or Related Fund or an assignment of the entire remaining amount of the assigning Lender's Revolver Commitments or Revolver Loans, the amount of the Revolver Commitments or Revolver Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$2.5 million, unless each of the Lead Borrower and the Administrative Agent otherwise consent, provided that such amounts shall be aggregated in respect of each Lender and its Affiliates or Related Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administration Agent); and

(C) the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any applicable tax form required under Section 2.17(e).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(v) below and subject to clause (f) below, from and after the effective date specified in each Assignment and Acceptance the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 as well as any fees accrued for its account and not yet paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or

transfer to a Disqualified Institution) that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04. To the extent that an assignment of all or any portion of a Lender's Revolver Commitments and related outstanding Obligations pursuant to Section 2.19 or this Section 9.04 would, at the time of such assignment, result in increased costs under Section 2.15, 2.17 or 2.20 from those being charged by the respective assigning Lender, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Revolver Commitments of, and principal amount (and stated interest thereon) of the Revolver Loans and the LC Obligations owing to, each Lender or Issuing Bank, as applicable, pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Bank and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Bank and any Lender (with respect to any entry related to such Lender's Loans), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Eligible Assignee (subject to clause (f)), the Eligible Assignee's completed Administrative Questionnaire (unless the Eligible Assignee shall already be a Lender hereunder) and any applicable tax form required under Section 2.17(e), and any written consent to such assignment required by clause (i) above, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) (i) Any Lender may, without the consent of the Lead Borrower, the Swingline Lender, any Issuing Bank or the Administrative Agent, sell participations to one (1) or more banks or other entities (other than to any Disqualified Institution) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Revolver Commitments and the Revolver Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i) through (vi) of the first proviso to Section 9.08(b). Subject to paragraph (c)(ii) of this Section 9.04, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject

to the requirements and limitations with respect thereto) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Revolver Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Revolver Commitments, Revolver Loans, Letters of Credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Revolver Commitment, Revolver Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent expressly acknowledging such Participant may receive a greater benefit. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) as though it were a Lender.

(d) Any Lender may at any time, without the consent of or notice to the Administrative Agent or the Borrowers, pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to a Disqualified Institution or a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee (including any Eligible Assignee) for such Lender as a party hereto.

(e) The Borrowers, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) If any assignment or participation under this Section 9.04 is made (or attempted to be made) (i) to a Disqualified Institution without the Borrowers' prior written consent or (ii) to the extent the Borrowers' consent is required under the terms of this Section 9.04, to any other person without the Borrowers' consent, then such assignment or participation shall be void ab initio, and the Borrowers shall be entitled to seek specific performance to unwind any such assignment or participation in addition to any other remedies available to the Borrowers at equity or law without posting a bond or presenting evidence of irreparable harm. Each Lender acknowledges and agrees that the Borrowers would suffer irreparable harm if such Lender breaches any of its obligations under Sections 9.04(a) or 9.04(d) insofar as such Sections relate to any assignment, participation or pledge to a Disqualified Institution or an Affiliate of a Disqualified Institution without the Borrowers' prior written consent.

SECTION 9.05. Expenses; Indemnity.

(a) The Borrowers agree to pay within thirty (30) days of demand thereof (together with backup documentation supporting such request) (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Agents and Joint Lead Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or by the Agents and Joint Lead Arrangers in connection with the syndication of the Revolver Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Lead Borrower and the reasonable out-of-pocket fees, disbursements and charges for no more than one (1) outside counsel and, if necessary one (1) local counsel in each relevant jurisdiction where Collateral is located for such persons, taken as a whole) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof and (ii) all reasonable out-of-pocket expenses incurred by the Agents or Joint Lead Arrangers or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Revolver Loans made or the Letters of Credit issued hereunder (including the reasonable out-of-pocket fees, charges and disbursements of counsel for the Agents and the Joint Lead Arrangers, and, if necessary the reasonable out-of-pocket fees, charges and disbursements of one (1) local counsel per relevant jurisdiction).

(b) The Borrowers agree to indemnify, on a joint and several basis, the Administrative Agent, the Joint Lead Arrangers, each Issuing Bank, each Lender and each of their respective Affiliates, successors and assigns and the directors, trustees, officers, employees, advisors, controlling persons and agents of each of the foregoing (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable out-of-pocket costs and related expenses (limited in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one (1) counsel to all Indemnitees, taken as a whole, and, if reasonably necessary, one (1) local counsel in each relevant material jurisdiction to the Agents or Joint Lead Arrangers, taken as a whole, and, in the case of an actual or potential conflict of interest, one (1) additional counsel to all affected Indemnitees, taken as a whole) incurred by or asserted against any Indemnitee arising out of, relating to, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions (including the payment of the Transaction Costs) and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit or (iii) any claim, litigation, investigation or proceeding (x) relating to any of the foregoing, whether or not any Indemnitee is a party thereto or (y) arising under Environmental Law and relating to the Lead Borrower or any of its Subsidiaries or any of their actions, operations or property (owned or leased) or other assets, including the presence or Release of and Hazardous Materials at any time on or from such property or assets, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or costs or related expenses (x) are determined by a judgment of a court of competent jurisdiction in a final and non-appealable judgment to have resulted by reason of the gross negligence, bad faith or willful misconduct of, or material breach by, such Indemnitee, (y) arise out of any claim, litigation, investigation or proceeding brought by such Indemnitee (or its Related Parties) against another Indemnitee (or its Related Parties) (other than any claim, litigation, investigation or proceeding brought by or against the Administrative Agent, acting in its capacity as Administrative Agent) that does not involve any act or omission of the Sponsor, any Borrower or any of their Subsidiaries. The Borrowers shall not be liable for any settlement of any proceeding referred to in this Section 9.05

effected without the Borrowers' written consent (such consent not to be unreasonably withheld or delayed); provided, however, that the Borrowers shall indemnify the Indemnitees from and against any loss or liability by reason of such settlement if such proceeding was settled with the written consent of a Borrower or such settlement is entered into in connection with a final and non-appealable judgment by a court of competent jurisdiction, subject to, in each case, the Borrowers' right in this Section 9.05 to claim an exemption from such indemnity obligations. A Borrower shall not, without the prior written consent of any Indemnitee (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened proceeding in respect of which such Indemnitee could have sought indemnifications hereunder by such Indemnitee unless such settlement (i) includes an unconditional release of such Indemnitee (and its Related Parties) from all liability or claims that are the subject matter of such proceeding and (ii) does not include a statement as to or an admission of fault or culpability on behalf of any Indemnitee (or its Related Parties). To the extent permitted by applicable law, each party hereto hereby waives for itself (and, in the case of a Borrower, for each other Loan Party) any claim against any Loan Party, any Lender, any Administrative Agent, any Lender Party, any Joint Lead Arrangers, and their respective affiliates, directors, employees, attorneys, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each party hereto (and in the case of a Borrower on behalf of each other Loan Party) hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that nothing contained in this sentence shall limit such Borrower's indemnity obligations to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such indemnified person is entitled to indemnification hereunder. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the termination of the Revolver Commitments, the expiration of any Letters of Credit, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes other than Taxes arising from a non-Tax claim.

(d) Notwithstanding the foregoing paragraphs in this Section, if it is found by a final, non-appealable judgment of a court of competent jurisdiction in any such action, proceeding or investigation that any loss, claim, damage, liability or cost or related expense of any Indemnitee has resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee (or any of its Related Parties) or a material breach of the Loan Documents by such Indemnitee (or any of its Related Parties), such Indemnitee will repay such portion of the reimbursed amounts previously paid to such Indemnitee under this Section that is attributable to expenses incurred in relation to the set or omission of such Indemnitee which is the subject of such finding.

SECTION 9.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, upon the written consent of the Administrative Agent or the Required Lenders, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Issuing Bank to or for the credit or the account of Parent, any Borrower or any Subsidiary Loan Party (and such Lender or Issuing Bank will provide prompt notice to such Loan Party) against any of and all the obligations of Parent or the Borrowers now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender and each Issuing Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

SECTION 9.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK. EACH LETTER OF CREDIT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED IN ACCORDANCE WITH, THE LAWS OR RULES DESIGNATED IN SUCH LETTER OF CREDIT, OR IF NO SUCH LAWS OR RULES ARE DESIGNATED, THE UNIFORM CUSTOMS AND PRACTICE FOR DOCUMENTARY CREDITS MOST RECENTLY PUBLISHED AND IN EFFECT, ON THE DATE SUCH LETTER OF CREDIT WAS ISSUED, BY THE INTERNATIONAL CHAMBER OF COMMERCE (THE "UNIFORM CUSTOMS") AND, AS TO MATTERS NOT GOVERNED BY THE UNIFORM CUSTOMS, THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Parent, any Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Parent, any Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.22 with respect to any Revolver Commitment Increase, Section 2.23 with respect to any Extension and Section 9.08(d) with respect to any Replacement Revolver Facility, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Parent, the Borrowers and the Required Lenders and (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity date of, or the due date of any payment of interest or fees, or decrease the rate of interest or the amount of fees owed on, any Revolver Loan or any LC Disbursement, or extend the stated expiration of any Letter of Credit beyond the Maturity Date, without the prior written consent of each Lender directly and adversely affected thereby; provided, that (x) consent of Required Lenders shall not be required for any waiver, amendment or modification contemplated by this clause (i), (y) any amendment to the Consolidated Fixed Charge Coverage Ratio or the component definitions thereof shall not constitute a reduction in the rate of interest for purposes of this clause (i) and (z) that waiver or reduction of a post-default increase in interest shall be effective with the consent of the Required Lenders (and shall not require the consent of each directly and adversely affected Lender),

(ii) increase the Revolver Commitment of any Lender (other than with respect to any Revolver Commitment Increase to which such Lender has agreed) without the prior written consent of such affected Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Revolver Commitments shall not constitute an increase of the Revolver Commitments of any Lender),

(iii) extend the Revolver Commitment of any Lender or decrease the Unused Line Fees or Issuing Bank Fees without the prior written consent of such Lender or Issuing Bank, as applicable (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default, mandatory prepayments or of a mandatory reduction in the aggregate Revolver Commitments shall not constitute an increase or extension of maturity); provided, that (x) consent of Required Lenders shall not be required for any waiver, amendment or modification contemplated by this clause (iii) and (y) any amendment to the Consolidated Fixed Charge Coverage Ratio or the component definitions thereof shall not constitute a reduction in the Unused Line Fees for purposes of this clause (iii),

(iv) except to the extent necessary to give effect to the express intentions of this Agreement (including Sections 2.22, 2.23, 9.04 and 9.08(d)), which, in respect of any amendment or modification to effect such express intentions, shall be effective with the consent of the Required Lenders, amend or modify the provisions of Section 2.18(b) or (c) of this Agreement in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender,

(v) amend or modify the provisions of Section 7.02, Sections 9.08(a), (b) or (c) or reduce the voting percentage set forth in the definition of "Required Lenders" or "Supermajority Lenders," without the prior written consent of each Lender directly and adversely affected thereby (it being understood that any Revolver Commitment Increase, Extended Revolver Commitments (and the related credit exposure), any Replacement Revolver Facility and additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Revolver Loans and Revolver Commitments are included on the Closing Date),

(vi) release all or substantially all the Collateral (it being understood that a transaction permitted under Section 6.05 shall not constitute a release of all or substantially all of the Collateral), or release all or substantially all of the value of the Guarantees (except as otherwise permitted herein (including in connection with a transaction permitted under Section 6.05) or in the other Loan Documents) under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender,

(vii) without the prior written consent of the Supermajority Lenders, change the definition of the terms “Availability” or “Borrowing Base” or any component definition used therein (including, without limitation, the definitions of “Eligible Account,” “Eligible Inventory,” “Eligible Letter of Credit Inventory” and “Eligible In-Transit Inventory”) if, as a result thereof, the amounts available to be borrowed by the Borrowers would be increased; provided that the foregoing shall not limit the discretion of the Administrative Agent to use its Credit Judgment to change, establish or eliminate any Availability Reserves or to add Accounts and Inventory acquired in a Permitted Business Acquisition to the Borrowing Base as provided herein, or

(viii) without the prior written consent of the Supermajority Lenders, increase the percentages set forth in the term “Borrowing Base” or add any new classes of eligible assets thereto,

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, an Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank acting as such at the effective date of such agreement or the Swingline Lender, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any successor or assignee of such Lender. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (x) the Revolver Commitments of such Lender may not be increased or extended without the consent of such Lender and (y) the principal and accrued and unpaid interest of such Lender’s Loans shall not be reduced or forgiven without the consent of such Lender.

(c) Without the consent of the Syndication Agents or any Joint Lead Arranger or Lender or Issuing Bank, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrowers and the Lenders providing the relevant Replacement Revolver Facility (as defined below) to permit the refinancing, replacement or modification of all of the Revolving Facility or Revolver Commitment Increase (such Loans, the “Replaced Revolver Facility”) with a replacement revolving facility hereunder (“Replacement Revolver Facility”); provided, that (i) the aggregate amount of such Replacement Revolver Facility shall not exceed the aggregate principal amount of such Replaced Revolver Facility (plus (x) the amount permitted under any basket hereunder and plus

(y) the amount of accrued interest and premium thereon, any committed or undrawn amounts and underwriting discounts, fees, commissions and expenses, associated therewith), (ii) the terms of any Replacement Revolver Facility are, as of the date of incurrence of such Replacement Revolver Facility, not (excluding pricing, fees, rate floors, premiums and optional prepayment or redemption terms), taken as a whole, materially more favorable to the lenders providing such Replacement Revolver Facility than those applicable to the Replaced Revolver Facility (other than any covenants or other provisions applicable only to periods after the Revolver Termination Date) and (iii) any Lender or, with the consent of the Borrowers and, to the extent such consent would be required under Section 9.04 with respect to an assignment of Revolver Loans or Revolver Commitment to such person, the consent of the Administrative Agent, the Issuing Bank and the Swingline Lender (which consent shall not be unreasonably withheld), any additional bank, financial institution or other entity may provide such Replacement Revolver Facility.

(e) Notwithstanding anything to the contrary contained in this Section 9.08 or any Loan Document, (i) the Borrowers and the Administrative Agent may, without the input or consent of any other Lender, effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrowers and the Administrative Agent to effect the provisions of Sections 2.22, 2.23, or 9.08(d), (ii) if the Administrative Agent and the Borrowers have jointly identified an obvious error or any error or omission of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrowers shall be permitted to amend such provision and (iii) guarantees, collateral security documents and related documents executed by Parent, the Borrowers or Subsidiary Loan Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented or waived without the consent of any Lender if such amendment, supplement or waiver is delivered in order to (x) comply with local law or advice of local counsel, (y) cure ambiguities, omissions, mistakes or defects or (z) cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

SECTION 9.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate on any Revolver Loan or participation in any L/C Disbursement, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank shall be limited to the Maximum Rate, provided that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10. Entire Agreement. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto, and their respective successors and assigns permitted hereunder, any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 9.11 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

SECTION 9.12. Severability. In the event any one (1) or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one (1) contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission or other electronic transmission (including by “.pdf” or “.tif”) shall be as effective as delivery of a manually signed original.

SECTION 9.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action

or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender, the Administrative Agent or any Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Parent, any Borrower or any other Loan Party or their properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each of the parties hereto agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested at its address provided in Section 9.01 agrees that service as so provided in is sufficient to confer personal jurisdiction over the applicable credit party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and agrees that agents and lenders retain the right to serve process in any other manner permitted by law or to bring proceedings against any credit party in the courts of any other jurisdiction.

SECTION 9.16. Confidentiality. Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to Parent, the Borrowers and the other Loan Parties furnished to it by or on behalf of Parent, the Borrowers or the other Loan Parties (other than information that has become generally available to the public other than as a result of a disclosure by any such party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Revolver Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16 and such Lender, such Issuing Bank and such Agent shall be responsible for its Affiliates' compliance with this Section except to the extent such Affiliate shall sign a written confidentiality agreement in favor of the Borrowers), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, self-regulatory authorities (including the National Association of Insurance Commissioners) or of any securities exchange on which securities of the disclosing party or any affiliate of the disclosing party are listed or traded (in which case such Lender, such Issuing Bank or such Agent will promptly notify the Borrowers, in advance, to the extent permitted by applicable law or the rules governing the process requiring such disclosure (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority) and shall use its commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (B) to its parent companies, affiliates, auditors, assignees, transferees and participants (so long as each such person shall have been instructed to keep the same confidential in accordance with provisions not less restrictive than this Section 9.16 and such Lender, such Issuing Bank and such Agent shall be responsible for its Affiliates' compliance with this Section; provided

that no such disclosure shall be made by such Lender, such Issuing Bank or such Agent or any of their respective Affiliates to any such person that is a Disqualified Institution), (C) to the extent applicable and reasonably necessary or advisable in order to enforce its rights under any Loan Document in a legal proceeding (in which case it shall use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (D) to any pledgee under Section 9.04(d) or any other existing or prospective assignee of, or existing or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16 or other provisions at least as restrictive as this Section 9.16), in each case other than a Disqualified Institution, (E) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16), and (F) with the consent of the Borrowers. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents and any Swap Agreement to which a Lender Counterparty is a party.

SECTION 9.17. Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of any assets or all or any portion of any of the Equity Interests or assets of any Subsidiary Loan Party to a person that is not (and is not required to become) a Loan Party in each case in a transaction not prohibited by Section 6.05 or in connection with an Unrestricted Subsidiary Designation or in connection with a pledge of the Equity Interests of joint ventures permitted by Section 6.02, the Administrative Agent shall promptly (and the Lenders hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrowers and at the Borrowers' expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party in a transaction permitted by Section 6.05 or in connection with an Unrestricted Subsidiary Designation and as a result of which such Subsidiary Loan Party would cease to be a Restricted Subsidiary, terminate such Subsidiary Loan Party's obligations under its Guarantee. Any representation, warranty or covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of Parent shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of. 2.1. Guarantee. Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the benefit of the Secured Parties and their respective successors, indorsees and permitted transferees and assigns, the prompt and complete payment and performance by the Borrowers when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations.

(a) If and to the extent required in order for the Secured Obligations of any Guarantor to be enforceable under applicable federal, state and other laws relating to the insolvency of debtors, the maximum liability of such Guarantor hereunder shall be limited to the greatest amount which can lawfully be guaranteed by such Guarantor under such laws, after giving effect to any rights of contribution, reimbursement and subrogation arising under Section 2.2.

(b) Each Guarantor agrees that the Secured Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor hereunder without, to the extent permitted by applicable law, impairing the guarantee contained in this Section 2 or affecting the rights and remedies of any Secured Party hereunder.

(c) The guarantee contained in this Section 2 shall remain in full force and effect until the date when no Revolver Commitments are outstanding and Full Payment of all of the Secured Obligations has been made (the "Termination Date"), notwithstanding that from time to time during the term of the Credit Agreement the Borrowers may not then owe any Secured Obligations.

(d) No payment made by any Borrower, any of the Guarantors, any other guarantor or any other person or received or collected by any Secured Party from any Borrower, any of the Guarantors, any other guarantor or any other person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Secured Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor (including by means of setoff or appropriation) in respect of the Secured Obligations or any payment received or collected from such Guarantor in respect of the Secured Obligations), remain liable for the Secured Obligations up to the maximum liability of such Guarantor hereunder until the Termination Date.

2.2. Rights of Reimbursement, Contribution and Subrogation. In case any payment is made on account of the Secured Obligations by any Agreement Party or is received or collected on account of the Secured Obligations from any Agreement Party or its property:

(a) If such payment is made by a Borrower or from its property, then, if and to the extent such payment is made on account of Secured Obligations arising from or relating to a Loan or other extension of credit made to such Borrower, such Borrower shall not be entitled (i) to demand or enforce reimbursement or contribution in respect of such payment from any other Agreement Party or (ii) to be subrogated to any claim, interest, right or remedy of any Secured Party against any other person, including any other Agreement Party or its property.

(b) If such payment is made by a Guarantor or from its property, such Guarantor shall be entitled, subject to and upon Full Payment of the Secured Obligations, (i) to demand and enforce reimbursement for the full amount of such payment from a Borrower and (ii) to demand and enforce contribution in respect of such payment from each other Guarantor that has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors based on the relative value of their assets and any other equitable considerations deemed appropriate by a court of competent jurisdiction.

(c) Until the Termination Date, notwithstanding Sections 2.2(a) and 2.2(b), no Agreement Party shall be entitled to be subrogated (equally and ratably with all other Agreement Parties entitled to reimbursement or contribution from any other Agreement Party as set forth in this Section 2.2) to any security interest that may then be held by the Administrative Agent upon any Collateral granted to it in this Agreement, nor shall any Agreement Party seek or be entitled to seek any contribution or reimbursement from a Borrower or any other Agreement Party in respect of payments made by any Agreement Party hereunder. Such right of subrogation shall be enforceable solely against the Agreement Parties, and not against the Secured Parties, and neither the Administrative Agent nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by any Agreement Party, then (and only after the Termination Date) the Administrative Agent shall deliver to the Agreement Parties making such demand, or to a representative of such Agreement Parties or of the Agreement Parties generally, an instrument reasonably satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Administrative Agent.

(d) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Agreement Party as to any payment on account of the Secured Obligations made by it or received or collected from its property shall be fully subordinated in all respects prior to the Termination Date. Until the Termination Date, no Agreement Party shall demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Agreement Party in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Secured Obligations. If any such payment or distribution is received by any Agreement Party, it shall be held by such Agreement Party in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall promptly be transferred and delivered by such Agreement Party to the Administrative Agent, in the exact form received and, if necessary, duly endorsed, to be applied against any Secured Obligations then outstanding in accordance with Section 6.5.

(e) The obligations of the Agreement Parties under the Loan Documents, including their liability for the Secured Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectability or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2 and the provisions of this Section 2.2 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder. The invalidity, insufficiency, unenforceability or uncollectability of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against any Guarantor or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(f) Each Agreement Party reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any other Agreement Party, but (i) the exercise and enforcement of such rights shall be subject to Section 2.2(d) and (ii) neither the Administrative Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in the last sentence of Section 2.2(c).

2.3. Amendments, etc. with Respect to the Secured Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Secured Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Secured Obligations continued, and the Secured Obligations, or the liability of any other person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or all Lenders, as the case may be) and the applicable Loan Parties may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Secured Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Secured Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4. Guarantee Absolute and Unconditional. Each Guarantor waives, to the extent permitted by applicable law, any and all notice of the creation, renewal, extension or accrual of any of the Secured Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Secured Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between any Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives, to the extent permitted by applicable law, diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any Borrower or any of the Guarantors with respect to the Secured Obligations. Each Guarantor understands and agrees, to the extent permitted by applicable law, that, until the Termination Date, the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Secured Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment, performance or release of guarantee hereunder) which may at any time be available to or be asserted by a Borrower or any other person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers for the Secured Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against any Borrower, any other Guarantor or any other person or against

any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from any Borrower, any other Guarantor or any other person or to realize upon any such collateral security, guarantee or to exercise any such right of offset, or any release of any Borrower, any other Guarantor or any other person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Guarantor, except to the extent of any such release. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.5. Reinstatement. The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars in immediately available funds at the office of the Administrative Agent as specified in the Credit Agreement.

2.7. Subordination of Indebtedness Held by Guarantors. Until the Termination Date, any indebtedness of the Lead Borrower or any other Loan Party now or hereafter held by any Guarantor is hereby subordinated to the indebtedness of the Lead Borrower or such other Loan Party to the Secured Parties; and such indebtedness of the Lead Borrower or such other Loan Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after an Event of Default has occurred and is continuing, so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Parties and be paid over to the Secured Parties on account of the indebtedness of the Lead Borrower or such other Loan Party to the Secured Parties, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Agreement. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of the Lead Borrower or any other Loan Party to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

(b) As of the Closing Date, all Owned Intellectual Property set forth in Schedule 4.8(a) and, to such Grantor's knowledge, all Licensed Intellectual Property (collectively, the "Material Intellectual Property"), is valid, subsisting, unexpired and has not been abandoned, except as would not reasonably be expected to have a Material Adverse Effect or otherwise set forth on Schedule 4.8(a). Neither the operation of such Grantor's business as currently conducted or as contemplated to be conducted nor the use of the Intellectual Property in connection therewith conflicts with, infringes, misappropriates, dilutes, misuses or otherwise violates the Intellectual Property rights of any other person, except in each case as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(c) The rights of such Grantor in or to the Material Intellectual Property do not conflict with or infringe upon the rights of any third party, and no claim has been asserted in writing that the use of such Intellectual Property does or may infringe upon the rights of any third party, except in each case as would not reasonably be expected, individual or in the aggregate, to have a Material Adverse Effect.

(d) As of the Closing Date, no action or proceeding is pending or, to such Grantor's knowledge, threatened (i) seeking to limit, cancel or question any Owned Intellectual Property or challenge either the validity or enforceability of such Owned Intellectual Property or any Grantor's right, title, or interest in, or to, such Owned Intellectual Property, (ii) alleging that any services provided by, processes

used by, or products manufactured or sold by such Grantor infringe any Intellectual Property right of any other person or (iii) alleging that any Material Intellectual Property is being licensed, sublicensed or used in violation of any Intellectual Property or any other right of any other person, in each case, which would reasonably be expected to have a Material Adverse Effect on the value of the Collateral, taken as a whole. On the date hereof, to such Grantor's knowledge, except as set forth on Schedule 4.8(d) no person is engaging in any activity that infringes upon, or is otherwise an unauthorized use of, any Material Intellectual Property or upon the rights of such Grantor therein. The consummation of the Transactions contemplated by this Agreement will not result in the termination or impairment of any of the Material Intellectual Property the loss of which would be reasonably likely to have a Material Adverse Effect.

(e) To such Grantor's knowledge, with respect to each Copyright License, Trademark License, Trade Secret License and Patent License that relates to Material Intellectual Property or the loss of which could otherwise have a Material Adverse Effect, such license is (i) valid, enforceable, and in full force and effect; (ii) not subject to any notice of termination prior to scheduled expiration, nor, to the knowledge of the Grantors, subject to any such termination based on the occurrence of any events that have occurred; and (iii) not the subject of any license agreements other than those disclosed in Schedule 4.8(a).

(f) Except in each case as would not reasonably be expected to have a Material Adverse Effect, (i) none of the Trade Secrets of such Grantor that are material to its business have been used, divulged, disclosed or appropriated to the detriment of such Grantor for the benefit of any other person; (ii) no employee, independent contractor or agent of such Grantor has misappropriated any trade secrets of any other person in the course of the performance of his or her duties as an employee, independent contractor or agent of such Grantor; and (iii) no employee, independent contractor or agent of such Grantor is in default or breach of any term of any employment agreement, non-disclosure agreement, assignment of inventions agreement or similar agreement or contract relating in any way to the protection, ownership, development, use or transfer of such Grantor's Intellectual Property.

(g) Except as would not reasonably be expected to have a Material Adverse Effect, such Grantor has taken all commercially reasonable steps to use consistent standards of quality in the manufacture, distribution and sale of all products sold and provision of all services provided under or in connection with any item of Intellectual Property and has taken all commercially reasonable steps to ensure that all licensed users of any kind of Intellectual Property use such consistent standards of quality.

(h) No Grantor is a party to any settlement or consents, judgment, injunction, order, decree, covenants not to sue, non-assertion assurances or releases that would impair the validity or enforceability of, or such Grantor's rights in, any Material Intellectual Property.

4.9. Letters of Credit and Letter of Credit Rights. No Grantor is a beneficiary or assignee under any letter of credit with a face amount in excess of \$1,000,000 (including any "Letter of Credit") other than the letters of credit described on Schedule 4.9 (as such schedule may be amended or supplemented from time to time).

Each Grantor covenants and agrees with the Secured Parties that, until the Termination Date:

5.1. Delivery and Control of Certain Collateral.

(a) If any of the Collateral is or shall become evidenced or represented by any Certificated Security or Tangible Chattel Paper, such Certificated Security or Tangible Chattel Paper shall be delivered promptly to the Administrative Agent, duly endorsed, if applicable, in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement, and all of such property owned by any Grantor as of the Closing Date shall be delivered on the Closing Date. Any Pledged Collateral evidenced or represented by any Instrument or Negotiable Document shall be delivered promptly to the Administrative Agent, duly endorsed, if applicable, in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement, and all of such property owned by any Grantor as of the Closing Date shall be delivered on the Closing Date. Notwithstanding the foregoing, no Instrument, Tangible Chattel Paper, Pledged Debt Security constituting a Certificated Security or Negotiable Document shall be required to be delivered to the Administrative Agent pursuant to this clause (a) if the value thereof is less than \$1,000,000 in the aggregate.

(b) If any of the Collateral is or shall constitute "Electronic Chattel Paper" (under Article 9 of the UCC) such Grantor shall ensure (to the Administrative Agent's reasonable satisfaction) that (i) a single authoritative copy exists which is unique, identifiable, unalterable (except as provided in clauses (iii), (iv) and (v) of this paragraph), (ii) such authoritative copy identifies the Administrative Agent as the assignee and is communicated to and maintained by the Administrative Agent or its designee, (iii) copies or revisions that add or change the assignee of the authoritative copy can only be made with the participation of the Administrative Agent, (iv) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy and not the authoritative copy and (v) any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision; provided that such actions shall not be required to be taken until the aggregate face amount of the Electronic Chattel Paper included in the Collateral exceeds \$1,000,000.

(c) If any Collateral with a value in excess of \$1,000,000 shall become evidenced or represented by an Uncertificated Security, such Grantor shall cause the Issuer thereof either (i) to register the Administrative Agent as the registered owner of such Uncertificated Security, upon original issue or registration of transfer or (ii) to agree in writing with such Grantor and the Administrative Agent that such Issuer will comply with instructions with respect to such Uncertificated Security originated by the Administrative Agent without further consent of such Grantor, such agreement to be in substantially the form of Exhibit C, or such other form as may be reasonably agreed to by the Administrative Agent, and such actions shall be taken on or prior to the Closing Date with respect to any Uncertificated Securities owned as of the Closing Date by any Grantor.

5.2. Maintenance of Perfected Security Interest; Further Documentation.

(a) Except as otherwise permitted by the Credit Agreement, such Grantor shall maintain each of the security interests created by this Agreement as a security interest having at least the perfection and priority described in Section 3.17 of the Credit Agreement and shall defend such security interest against the claims and demands of all persons whomsoever except as otherwise permitted by Section 6.02 of the Credit Agreement, subject to the provisions of Section 8.15.

(b) At any time and from time to time, upon the reasonable written request of the Administrative Agent, and at the sole expense of such Grantor, such Grantor shall promptly and duly authorize, execute and deliver, and have recorded, such further instruments and documents and take such

further actions as the Administrative Agent may reasonably request in a manner consistent with the definition of Excluded Assets for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, (i) the filing of any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby and (ii) in the case of Investment Property subject to the requirements of Section 5.1 and any Deposit Accounts subject to the requirements of Section 5.12 of the Credit Agreement (including clause (j) of the definition of "Collateral and Guarantee Requirement"), taking any actions necessary to enable the Administrative Agent to obtain "control" (within the meaning of the applicable Uniform Commercial Code) with respect thereto; provided that, notwithstanding any other obligation set forth herein or in the Credit Agreement, the following Collateral shall not be required to be perfected: (i) vehicles and any other assets subject to certificates of title; (ii) Commercial Tort Claims; and (iii) Letter of Credit Rights to the extent not perfected by the filing of a Form UCC-1 financing statement.

5.3. Changes in Locations, Name, Jurisdiction of Incorporation, etc.

(a) Such Grantor shall give 5 days' prior written notice (or such other time as may be agreed to by the Administrative Agent in its sole discretion) to the Administrative Agent and delivery to the Administrative Agent of duly authorized and, where required, executed copies of all additional financing statements and other documents reasonably requested in writing by the Administrative Agent to maintain the validity, perfection and priority of the security interests provided for herein after any of the following:

(i) a change in its jurisdiction of organization or the location of its chief executive office or sole place of business from that referred to in Section 4.3; or

(ii) a change in its legal name, identity or structure that would render any financing statement filed by the Administrative Agent in connection with this Agreement "seriously misleading" (as such term is used in Section 9-507(b) of the New York UCC).

5.4. Investment Property.

(a) If such Grantor shall receive any Certificated Security (including any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), options or rights in respect of the Equity Interests in any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Equity Interests, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and deliver the same promptly to the Administrative Agent in the exact form received, duly endorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power or similar instrument of transfer covering such Certificated Security duly executed in blank by such Grantor, to be held by the Administrative Agent, subject to the terms hereof, as additional collateral security for the Secured Obligations.

(i) Without the prior written consent of the Administrative Agent, such Grantor shall not (i) vote to enable, or take any other action to permit, any issuer of Pledged Equity Interests to issue any stock, partnership interests, limited liability company interests or other equity securities of any nature or to issue any other securities convertible into or granting the right to purchase or

exchange for any stock, partnership interests, limited liability company interests or other equity securities of any nature of any such issuer (except, in each case, pursuant to a transaction expressly permitted by the Credit Agreement), (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, any of the Investment Property constituting Collateral or Proceeds thereof or any interest therein (except, in each case, pursuant to a transaction permitted by the Credit Agreement), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or any Lien permitted thereon pursuant to Section 6.02 of the Credit Agreement, (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Administrative Agent to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein or except as permitted by the Credit Agreement, or (v) cause or permit any Issuer of any Pledged Partnership Interests or Pledged LLC Interests which are not securities (for purposes of the New York UCC) on the date hereof to elect or otherwise take any action to cause such Pledged Partnership Interests or Pledged LLC Interests to be treated as securities for purposes of the New York UCC; provided, however, notwithstanding the foregoing, if any Issuer of any Pledged Partnership Interests or Pledged LLC Interests takes any such action in violation of the provisions in this clause (v), such Grantor shall promptly notify the Administrative Agent in writing of any such election or action and, in such event, shall take all steps necessary or advisable to establish the Administrative Agent's "control" thereof.

(ii) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it shall be bound by the terms of this Agreement relating to the Pledged Collateral issued by it and shall comply with such terms insofar as such terms are applicable to it, (ii) it shall notify the Administrative Agent concurrently with delivery of the financial statements required under Section 5.04(b) of the Credit Agreement in writing of the occurrence of any of the events described in Section 5.4(a) with respect to the Pledged Collateral issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 6.3(c) or 6.7 with respect to the Pledged Collateral issued by it. In addition, each Grantor which is either an Issuer or an owner of any Pledged Collateral hereby consents to the grant by each other Grantor of the security interest hereunder in favor of the Administrative Agent and to the transfer of any Pledged Collateral to the Administrative Agent or its nominee following an Event of Default and to the substitution of the Administrative Agent or its nominee as a partner, member or shareholder of the Issuer of the related Pledged Collateral.

5.5. Intellectual Property.

(a) Except as would not reasonably be expected to have a Material Adverse Effect or in connection with a transaction permitted by the Credit Agreement, each Grantor shall (i) to the extent commercially reasonable and consistent with past practice, continue to use each Trademark owned by such Grantor material to its business, (ii) maintain the quality of products and services offered under such Trademark at least at the level of quality of such products and services in the past, (iii) where commercially reasonable and feasible, use such Trademark with the appropriate notice of registration and all other notices and legends required by law, and (iv) not (and not permit any licensee or sublicensee of such Grantor to) knowingly do any act or knowingly omit to do any act whereby such Trademark is likely to become invalidated or materially impaired in any way, unless, in the case of each of the foregoing, such Grantor shall have determined, in its reasonable business judgment, that such Trademark is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(b) Except in connection with a transaction permitted by the Credit Agreement, no Grantor shall knowingly do any act or knowingly omit to do any act whereby any material portion of any material Copyright owned by such Grantor is likely to become invalidated or otherwise materially impaired, unless, in the case of each of the foregoing, such Grantor shall have determined, in its reasonable business judgment, that such Copyright is no longer necessary for, or desirable in, the conduct of, such Grantor's business. Such Grantor shall not knowingly do any act whereby any material portion of such Copyright is likely to fall into the public domain, unless such Grantor shall have determined, in its reasonable business judgment, that such Copyright or portion thereof is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(c) Except as could not reasonably be expected to have a Material Adverse Effect or in connection with a transaction permitted by the Credit Agreement, no Grantor shall knowingly do any act that knowingly uses any Material Intellectual Property to infringe, misappropriate or violate the Intellectual Property rights of any other person in any material respect.

(d) Except in connection with a transaction permitted by the Credit Agreement, to the extent consistent with past practice, each Grantor shall use proper statutory notice in connection with the use of the Material Intellectual Property.

(e) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall acquire or become an exclusive licensee of any United States Intellectual Property application or registration or file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office or the United States Copyright Office, which Intellectual Property is material to the operation of the business, such Grantor shall report such event to the Administrative Agent together with the delivery by the Lead Borrower of the financial statements pursuant to Section 5.04(b) of the Credit Agreement. Upon the reasonable written request of the Administrative Agent, such Grantor shall execute and deliver, and have recorded, any of the foregoing items.

(f) Except in connection with a transaction permitted by the Credit Agreement, each Grantor shall take all reasonable and necessary steps, in any proceeding before the United States Patent and Trademark Office or the United States Copyright Office to maintain and pursue each application (for registration) and to maintain each registration of Intellectual Property material to its business, including the prompt filing of all affidavits and other required documents, and the prompt payment of required fees and taxes, the filing of responses to office actions issued by the United States Patent and Trademark Office, the filing of applications for renewal or extension, the filing of affidavits of use and affidavits of incontestability, the payment of maintenance fees, and the participation in interference, opposition, cancellation, infringement and misappropriation proceedings, unless such Grantor shall have determined, in its reasonable business judgment, that any such application or registration of material Intellectual Property is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(g) Such Grantor agrees to execute an Intellectual Property Security Agreement with respect to its Intellectual Property in substantially the form of Exhibit B-1 in order to record the security interest granted in such Intellectual Property herein to the Administrative Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office and the United States Copyright Office.

(h) If any Grantor makes an application for registration of Intellectual Property before the United States Patent and Trademark Office, the United States Copyright Office, or an equivalent thereof in any state of the United States, within forty-five (45) days of the submission of such application

(or ten (10) days in the case of Copyrights), such Grantor shall deliver to the Administrative Agent a copy of such application. In connection with such notice, each Grantor agrees to execute an After-Acquired Intellectual Property Security Agreement with respect to its After-Acquired Intellectual Property in substantially the form of Exhibit B-2 in order to record the security interest granted herein to the Administrative Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office and the United States Copyright Office, as applicable.

(i) Each Grantor agrees, promptly upon learning thereof, to notify the Administrative Agent in writing and to furnish such pertinent information that may be available with respect to, any party who such Grantor believes in its reasonable business judgment is, or may be, materially infringing, misappropriating, misusing, diluting or otherwise violating any material Intellectual Property of such Grantor, or with respect to any party claiming that such Grantor's use of Intellectual Property in or for such Grantor's business violates in any material respect any Intellectual Property right of such party. Each Grantor further agrees to prosecute diligently in accordance with its reasonable business practices and consistent with past practice any person infringing, misappropriating, misusing, diluting, or otherwise violating Intellectual Property that is material to such Grantor's business.

(j) Except in connection with a transaction permitted by the Credit Agreement, each Grantor shall take all commercially reasonable steps necessary to protect the secrecy of all Trade Secrets material to its business.

5.6. Commercial Tort Claims. Such Grantor shall advise the Administrative Agent concurrently with delivery of the financial statements required under Section 5.04(b) of the Credit Agreement of any Commercial Tort Claim held by such Grantor in excess of \$1,000,000 and shall promptly thereafter, upon written request by the Administrative Agent, execute a supplement to this Agreement in form and substance reasonably satisfactory to the Administrative Agent to grant a security interest in such Commercial Tort Claim to the Administrative Agent for the benefit of the Secured Parties.

5.7. Deposit Accounts. The Grantors shall enter into Deposit Account Control Agreements with respect to each Deposit Account maintained by them (other than any Excluded Deposit Account) to the extent provided in Section 5.12 of the Credit Agreement and clause (j) of the definition of "Collateral and Guarantee Requirement" set forth therein.

5.8. Maintenance of Insurance. Each Grantor shall maintain insurance covering the Collateral in accordance with the provisions of Section 5.02 of the Credit Agreement.

SECTION 6. REMEDIAL PROVISIONS

6.1. Certain Matters Relating to Accounts.

(a) At any time after the occurrence and during the continuation of an Event of Default after written notice is delivered to the Grantor, the Administrative Agent shall have the right to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and each Grantor shall use commercially reasonable efforts to furnish all such assistance and information as the Administrative Agent may reasonably require in connection with such test verifications. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party; provided that the provisions of Section 9.16 of the Credit Agreement shall apply to such information.

(b) Subject to Section 5.12(d) of the Credit Agreement, the Administrative Agent hereby authorizes each Grantor to collect such Grantor's Accounts, and each Grantor hereby agrees to continue to collect all amounts due or to become due to such Grantor under the Accounts and any Supporting Obligation and diligently exercise each material right it may have under any Account and any Supporting Obligation, in each case, at its own expense; provided, however, that the Administrative Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default or a Liquidity Period. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Administrative Agent's reasonable written request after the occurrence and during the continuance of any Event of Default, each Grantor shall, at such Grantor's expense, deliver to the Administrative Agent all (to the extent existing and available) original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

6.2. Communications with Obligors; Grantors Remain Liable.

(a) The Administrative Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default, communicate with obligors under the Accounts and parties to the Contracts to verify with them to the Administrative Agent's reasonable satisfaction the existence, amount and terms of any Accounts or Contracts. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party; provided, that the provisions of Section 9.16 of the Credit Agreement shall apply to such information.

(b) Upon reasonable written request of the Administrative Agent, at any time after the occurrence and during the continuance of any Event of Default, the Administrative Agent may at any time notify, or require any Grantor to so notify, the Account Debtor or counterparty on any Account or Contract of the security interest of the Administrative Agent therein. In addition, at any time after the occurrence and during the continuance of any Event of Default, the Administrative Agent may upon written notice to the applicable Grantor, notify, or require any Grantor to notify, the Account Debtor or counterparty to make all payments under the Accounts and/or Contracts directly to the Administrative Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts and Contracts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Administrative Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Administrative Agent or any Secured Party of any payment relating thereto, nor shall the Administrative Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.3. Pledged Collateral.

(a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Equity Interests and all payments made in respect of the Pledged Notes, to the extent permitted in the Credit Agreement, and to exercise all voting and corporate rights with respect to the Pledged Collateral.

(b) If an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its rights pursuant to this Section 6.3(b): (i) all rights of each Grantor to exercise or refrain from exercising the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease and all such rights shall thereupon become vested in the Administrative Agent who shall thereupon have the sole right, but shall be under no obligation, to exercise or refrain from exercising such voting and other consensual rights, (ii) the Administrative Agent shall have the right, without notice to any Grantor, to transfer all or any portion of the Investment Property to its name or the name of its nominee or agent and (iii) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Secured Obligations in accordance with Section 6.5. In addition, the Administrative Agent shall have the right at any time after the occurrence and during the continuance of any Event of Default, without notice to the relevant Grantor, to exchange any certificates or instruments representing any Investment Property for certificates or instruments of smaller or larger denominations. In order to permit the Administrative Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto after the occurrence and during the continuance of any Event of Default and to receive all dividends and other distributions which it may be entitled to receive hereunder, each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Administrative Agent all proxies, dividend payment orders and other instruments as the Administrative Agent may from time to time reasonably request in writing and each Grantor acknowledges that the Administrative Agent may utilize the power of attorney set forth herein.

(c) If an Event of Default shall have occurred and be continuing, each Grantor hereby authorizes and instructs each Issuer of any Pledged Collateral pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Administrative Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) pay any dividends or other payments with respect to the Investment Property, including Pledged Collateral, directly to the Administrative Agent.

(d) If any Event of Default shall have occurred and be continuing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, in the case of any Intellectual Property Collateral, execute, deliver, and have recorded, any and all agreements, instruments, documents and papers as may be required by the United States Patent and Trademark Office, United States Copyright Office or similar registrar in order to effect an assignment of all right, title and interest in all registered Intellectual Property Collateral and each application for such registration, and record the same, as well as take any or all of the following actions: (1) declare the entire right, title and interest of such Grantor in and to the Intellectual Property Collateral, vested in the Administrative Agent for the benefit of the Lenders, in which event such right, title and interest

shall immediately vest; (2) take and use or sell the Intellectual Property Collateral; (3) take and use or sell the goodwill of such Grantor's business symbolized by the Trademarks included within the Intellectual Property Collateral and the right to carry on the business and use the assets of such Grantor in connection with which Trademarks or Domain Names included within the Intellectual Property Collateral have been used; and (4) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Intellectual Property Collateral or Licensed Intellectual Property in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Administrative Agent may reasonably request to further confirm this and to transfer ownership of the Intellectual Property Collateral and registrations and any pending applications in the United States Patent and Trademark Office, United States Copyright Office, equivalent office in a state of the United States or applicable Domain Name registrar to the Administrative Agent.

6.4. Proceeds to be Turned Over To Administrative Agent. In addition to the rights of the Administrative Agent and the other Secured Parties specified in Section 6.1 and 5.12(d) of the Credit Agreement with respect to payments of Accounts and other Current Asset Collateral, if an Event of Default shall occur and be continuing, all Proceeds received by any Grantor consisting of cash, cash equivalents, checks and other near-cash items shall be held by such Grantor in trust for the Administrative Agent and the other Secured Parties, segregated from other funds of such Grantor, and shall, promptly upon demand, be turned over to the Administrative Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Administrative Agent, if required). All Proceeds received by the Administrative Agent hereunder shall be held by the Administrative Agent in the Dominion Account or in a Collateral Account. All Proceeds while held by the Administrative Agent in the Dominion Account or in a Collateral Account (or by such Grantor in trust for the Administrative Agent and the other Secured Parties) shall continue to be held as collateral security for all the Secured Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5. Application of Proceeds. If an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent may apply all or any part of the net Proceeds (after deducting fees and expenses as provided in Section 6.6) constituting Collateral realized through the exercise by the Administrative Agent of its remedies hereunder, whether or not held in the Dominion Account or in a Collateral Account, and any proceeds of the guarantee set forth in Section 2, in payment of the Secured Obligations in the manner provided in Section 7.02 of the Credit Agreement.

6.6. Code and Other Remedies.

(a) If an Event of Default shall have occurred and be continuing, the Administrative Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the New York UCC (whether or not the New York UCC applies to the affected Collateral) or its rights under any other applicable law or in equity. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below, by the Credit Agreement, this Agreement or any other Loan Document) to or upon any Grantor or any other person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or

contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall, to the extent permitted by law, constitute reasonable notification. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Administrative Agent may sell the Collateral without giving any warranties as to the Collateral. The Administrative Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Administrative Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Administrative Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Administrative Agent's reasonable written request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere upon the occurrence and during the continuance of any Event of Default. The Administrative Agent shall have the right to enter onto the property where any Collateral is located and take possession thereof with or without judicial process.

(b) The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including reasonable attorneys' fees and disbursements to the extent required to be paid in accordance with the Credit Agreement, to the payment in whole or in part of the Secured Obligations in accordance with Section 6.5 and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a) of the New York UCC, need the Administrative Agent account for the surplus, if any, to any Grantor. If the Administrative Agent sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Administrative Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Administrative Agent may resell the Collateral and the Grantor shall be credited with proceeds of the sale. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by them of any rights hereunder.

(c) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Equity Interests or the Pledged Debt Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Equity Interests or the Pledged Debt Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(d) Each Grantor agrees to use its commercially reasonable efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Equity Interests or the Pledged Debt Securities pursuant to this Section 6.6 valid and binding and in compliance with any and all other applicable law.

6.7. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations.

SECTION 7. THE ADMINISTRATIVE AGENT

7.1. Administrative Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable (until the Termination Date) power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or Contract or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed reasonably appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Account or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property Collateral, execute, deliver, and have recorded, any and all agreements, instruments, documents and papers that the Administrative Agent may reasonably request to effect the remedies set forth in Section 6.3(d);

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem reasonably appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its reasonable discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If an Event of Default has occurred and is continuing and if any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however if a Default has occurred and is continuing, and if any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance (except as otherwise provided herein) solely to cause the Collateral and Guarantee Requirement to be, or remain, satisfied.

(c) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until the Termination Date.

7.2. Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except from their own gross negligence or willful misconduct or breach of a duty owed to such Grantor.

7.3. Execution of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the New York UCC and any other applicable law, each Grantor authorizes the Administrative Agent to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral, in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Administrative Agent under this Agreement. Each Grantor agrees that such financing statements may describe the collateral in the same manner as described in the Security Documents or as "all assets" or "all personal property," whether now owned or hereafter existing or acquired or such other description as the Administrative Agent, in its sole judgment, reasonably determines is necessary or advisable. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4. Authority of Administrative Agent. Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the other Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5. Appointment of Co-Collateral Agents. At any time or from time to time, in order to comply with any applicable requirement of law, the Administrative Agent may appoint another bank or trust company or one of more other persons, either to act as co-agent or agents on behalf of the Secured Parties with such power and authority as may be reasonably necessary for the effectual operation of the provisions hereof and which may be specified in the instrument of appointment (which may, in the discretion of the Administrative Agent, include provisions for indemnification and similar protections of such co-agent or separate agent).

8.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 9.08 of the Credit Agreement; provided that any provision of this Agreement imposing obligations on any Grantor may be waived by the Administrative Agent in a written instrument executed by the Administrative Agent.

8.2. Notices. All notices, requests and demands to or upon the Administrative Agent or any Grantor hereunder shall be effected in the manner provided for in Section 9.01 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 8.2.

8.3. No Waiver by Course of Conduct; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4. Enforcement Expenses; Indemnification.

(a) Each Agreement Party agrees to pay or reimburse each Secured Party for all its reasonable costs and expenses incurred in collecting against such Agreement Party under the guarantee contained in Section 2 or otherwise in enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Agreement Party is a party (but limited in the case of legal fees and expenses, to those fees and expenses reimbursable under Section 9.05(a) of the Credit Agreement).

(b) Each Agreement Party agrees to pay, and to hold the other Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Agreement Party agrees to pay, and to hold the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrowers would be required to do so pursuant to Section 9.05 of the Credit Agreement.

(d) The agreements in this Section shall survive the Termination Date.

8.5. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Agreement Party and shall inure to the benefit of the Secured Parties and their respective permitted successors and assigns; provided that, except as otherwise permitted by the Credit Agreement, no Agreement Party may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent, and any attempted assignment without such consent shall be null and void.

8.6. Set-Off. Each Secured Party shall notify such Agreement Party promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including other rights of set-off) which such Secured Party may have.

8.7. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (including.pdf)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.8. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

This Agreement and the other Loan Documents represent the agreement of the Agreement Parties, the Administrative Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

8.11. APPLICABLE LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

8.12. Submission to Jurisdiction; Waivers. Each Agreement Party and the Administrative Agent hereby irrevocably and unconditionally:

(a) submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender, the Administrative Agent or any Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Parent, the Borrowers or any Loan Party or their properties in the courts of any jurisdiction;

(b) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court; and

(c) agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested at its address provided in Section 9.01 of the Credit Agreement and agrees that service as so provided in is sufficient to confer personal jurisdiction over the applicable credit party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and agrees that agents and lenders retain the right to serve process in any other manner permitted by law or to bring proceedings against any credit party in the courts of any other jurisdiction.

8.13. Acknowledgments. Each Agreement Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) no Secured Party has any fiduciary relationship with or duty to any Agreement Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agreement Parties, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Agreement Parties and the Secured Parties.

8.14. Additional Grantors. Each Subsidiary of the Lead Borrower that is required to become a party to this Agreement pursuant to Section 5.09 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Exhibit D hereto.

8.15. Releases.

(a) On the Termination Date, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Agreement Party hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor on or following the Termination Date, the Administrative Agent shall deliver to such Grantor any Collateral held by the Administrative Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) The obligations of Guarantors that are Subsidiaries and the security interests created hereunder shall be subject to release in accordance with Section 9.17 of the Credit Agreement.

(c) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement originally filed in connection herewith without the prior written consent of the Administrative Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the New York UCC.

Notwithstanding anything herein to the contrary, the Collateral granted to the Administrative Agent pursuant to this Agreement or any other Loan Document and the exercise of any of the relative rights and remedies of the Administrative Agent hereunder shall be subject to, and governed by the terms and conditions of, the Intercreditor Agreement at any time the Intercreditor Agreement is in effect. In the event of any conflict or inconsistency between the terms and conditions hereof and the terms and conditions of the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall govern and control at any time the Intercreditor Agreement is in effect. Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, but subject to the Intercreditor Agreement in all respects, until the Discharge of Term Obligations (as defined in the Intercreditor Agreement): (i) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the delivery and/or arrangement for possession of Collateral that constitutes Term Priority Collateral or delivery and/or arrangement for control of any certificated securities that constitute Term Priority Collateral to or with the Administrative Agent shall be deemed satisfied or complied with (or in the case of any representation or warranty, shall be deemed to be true and correct) if such delivery and/or arrangement for possession of Collateral that constitutes Term Priority Collateral is made to, or such control of certificated securities is with the Term Agent pursuant to the Term Documents; (ii) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the payment or other transfer of Collateral that constitutes Term Priority Collateral to the Administrative Agent shall be deemed to have been satisfied (or, in the case of any representation or warranty, shall be deemed to be true and correct) if such payment or transfer shall have been made to the Term Agent; (iii) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the endorsement of any Collateral

that constitutes Term Priority Collateral or related document to the Administrative Agent shall be deemed to have been satisfied (or, in the case of any representation or warranty, shall be deemed to be true and correct) if such endorsement shall have been made to the Term Agent; and (iv) any covenant requiring that a Grantor receive and/or hold any Collateral that constitutes Term Priority Collateral in trust for the benefit of the Administrative Agent shall be deemed to have been satisfied to the extent that such Grantor receives or holds (as applicable) such Collateral in trust for the benefit of the Term Agent and the Administrative Agent.

8.17. WAIVER OF JURY TRIAL. EACH AGREEMENT PARTY AND THE ADMINISTRATIVE AGENT HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.17 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. Term Loan Claimholders shall not be permitted to retain any proceeds of Revolving Priority Collateral in connection with any Exercise of Secured Creditor Remedies in any circumstance unless and until the Discharge of Revolving Obligations has occurred, and any such proceeds received or retained in any other circumstance will be subject to Section 4.2.

(b) Revolving Agent agrees that prior to the Discharge of Term Loan Obligations, Revolving Claimholders will only be entitled to retain proceeds of Revolving Priority Collateral in connection with an Exercise of Secured Creditor Remedies that are not prohibited under Section 3.2. Revolving Claimholders shall not be permitted to retain any proceeds of Term Priority Collateral in connection with any Exercise of Secured Creditor Remedies in any circumstance unless and until the Discharge of the Term Loan Obligations has occurred, and any such proceeds received or retained in any other circumstance will be subject to Section 4.2.

(c) Notwithstanding anything contained in this Agreement to the contrary, in the event of any Disposition or series of related Dispositions that includes Revolving Priority Collateral and Term Priority Collateral where the aggregate sales price is not allocated between the Revolving Priority Collateral and Term Priority Collateral being sold (including in connection with or as a result of the sale of the Equity Interests of a Grantor), then solely for purposes of this Agreement, the allocation of proceeds of such Disposition to the Revolving Priority Collateral shall be based upon, in the case of (i) any Revolving Priority Collateral consisting of inventory, at book value as assessed on the date of such Disposition, (ii) any Revolving Priority Collateral consisting of accounts receivable, at book value as assessed on the date of such Disposition and (iii) all other Revolving Priority Collateral and Term Priority Collateral, at fair market value of such Revolving Priority Collateral and Term Priority Collateral sold, as determined by the Lead Borrower in good faith in its reasonable judgment or, if the aggregate amount of such other Revolving Priority Collateral and Term Priority Collateral sold is greater than \$10,000,000, an independent appraiser.

3.6 Non-Interference. Subject to Sections 3.1, 3.2, 3.3, 3.4 and 6.5(b), each of Term Loan Agent, for itself and on behalf of the Term Loan Claimholders, and Revolving Agent, for itself and on behalf of the Revolving Claimholders, hereby:

(a) agrees that it will not, directly or indirectly, take any action that would restrain, hinder, limit, delay, or otherwise interfere with any Exercise of Secured Creditor Remedies by the other with respect to such other party's Priority Collateral, or that is otherwise prohibited hereunder, including any Disposition of such other Person's Priority Collateral, whether by foreclosure or otherwise; and

(b) waives any and all rights it or its Claimholders may have as a junior lien creditor or otherwise to object to the manner in which such other party seeks to enforce or collect such other party's respective Obligations or the Liens securing such Obligations granted in any of such other party's Priority Collateral, regardless of whether any action or failure to act by or on behalf of such other Person is adverse to the interest of it or its Claimholder.

3.7 Purchase Right.

(a) If (i) an Insolvency Proceeding with respect to any Grantor shall have occurred or shall have been commenced or (ii) the Revolving Obligations under the Revolving Credit Agreement shall have been accelerated (including as a result of any automatic acceleration) or shall remain unpaid following the latest stated maturity date therefor (as determined by reference to the Revolving Credit Agreement) (each such event described in clauses (i) and (ii) herein above, a "Purchase Option Event"), the Term Loan Lenders or any of them, as applicable, shall have the opportunity to purchase (at par and without premium) all (but not less than all) of the Revolving Obligations pursuant to this Section 3.7; provided that such option shall expire if Term Loan Agent fails to deliver a written notice (a "Purchase Notice") to Revolving Agent (with a copy to the Lead Borrower) within ten (10) business days following the date Term Loan Agent receives written notice from Revolving Agent of such Purchase Option Event (and describing in reasonable detail the then outstanding Revolving Obligations and then

existing Revolving Loan Documents), which Purchase Notice shall (A) be executed and delivered by Term Loan Agent (whether or not Term Loan Agent will be a Purchasing Creditor) and the applicable Term Loan Lenders committing to such purchase (the “Purchasing Creditors”) and indicate the percentage of the Revolving Obligations to be purchased by each Purchasing Creditor (which aggregate commitments must equal 100% of the Revolving Obligations) and (B) (1) state that it is a Purchase Notice delivered pursuant to Section 3.7 of this Agreement, (2) identify the Person who shall be appointed by the Purchasing Creditors to act as the “agent” or “administrative agent” (or analogous capacity) under the Revolving Loan Documents upon completion of such purchase (the “Replacement Agent”) and contain an irrevocable, affirmative statement by such Person to the effect that it agrees that it will act in such capacity upon completion of such purchase, and (3) state that the offer contained therein is irrevocable. Upon receipt of such Purchase Notice by Revolving Agent, the Purchasing Creditors shall have from the date of delivery thereof to and including the date that is ten (10) business days after the Purchase Notice was received by Revolving Agent to purchase all (but not less than all) of the Revolving Obligations pursuant to this Section 3.7 (the date of such purchase, the “Purchase Date”). Term Loan Agent and each Term Loan Lender hereby acknowledges and agrees that any Purchase Notice (or any notice purporting or intended to be a Purchase Notice) which does not satisfy in all respects the conditions and terms set forth in this Section 3.7(a) shall be ineffective for all purposes under this Agreement as if the same had not been delivered to Revolving Agent. Each Grantor consents to such sale.

(b) The Term Loan Lenders agree, solely as among themselves, that upon the occurrence of any Purchase Option Event, upon Term Loan Agent’s receipt of written notice of such Purchase Option Event from Revolving Agent, Term Loan Agent shall send a notice to each Term Loan Lender giving each Term Loan Lender the option to purchase at least its pro rata share (based upon the then outstanding principal amount of loans pursuant to the Term Loan Agreement then in effect) of the Revolving Obligations. No Term Loan Claimholder shall be required to participate in any purchase offer hereunder, and each Term Loan Claimholder acknowledges and agrees that a purchase offer may be made by any or all of the Term Loan Lenders, subject to the requirements of the preceding sentence. The provisions of this clause (b) are intended solely for the benefit of the Term Loan Lenders and may be modified, amended or waived by them without the approval of any Grantor, Revolving Agent, any Revolving Claimholder, or otherwise. This Section 3.7(b) shall not be deemed to impose any duty or obligation whatsoever on Revolving Agent or any other Revolving Claimholder including any obligation to confirm that Term Loan Agent has taken any action required under this Section 3.7(b).

(c) On the Purchase Date, Revolving Agent and the other Revolving Claimholders shall, subject to any required approval of any Governmental Authority, applicable law, and any limitation in the Revolving Credit Agreement, in each case then in effect, if any, sell to the Purchasing Creditors all (but not less than all) of the Revolving Obligations. On such Purchase Date, the Purchasing Creditors shall (i) pay to Revolving Agent, for the benefit of the Revolving Claimholders, as directed by Revolving Agent, in immediately available funds the full amount (at par and without premium) of all Revolving Obligations then outstanding together with all accrued and unpaid interest and fees thereon, all in the amounts specified by Revolving Agent and determined in accordance with the applicable Revolving Loan Documents, (ii) furnish such amount of cash collateral in immediately available funds as Revolving Agent determines is reasonably necessary to secure Revolving Claimholders in connection with any (x) contingent Revolving Obligations described in clause (ii) of the definition of Discharge of Revolving Obligations or (y) issued and outstanding letters of credit issued under the Revolving Credit Agreement but not in any event in an amount greater than 105% of the aggregate undrawn amount of all such outstanding letters of credit (and in the case of clauses (x) and (y) herein above, any excess of such cash collateral for such Revolving Obligations described in clause (ii) of the definition of Discharge of Revolving Obligations or letters of credit remaining at such time when there are no longer any such Revolving Obligations described in clause (ii) of the definition of Discharge of Revolving Obligations or letters of credit outstanding and there are no unreimbursed amounts then owing in respect of such Revolving Obligations described in clause (ii) of the definition of Discharge of Revolving Obligations or drawings under such letters of credit shall be promptly paid over to the Replacement Agent) and (iii) agree to reimburse the Revolving Claimholders for any loss, cost, damage or expense resulting from the granting of provisional credit for any checks, wire or ACH transfers that are reversed or not final or other payments provisionally credited to the Revolving Obligations under the Revolving Credit Agreement and as to which Revolving Agent and Revolving Claimholders have not yet received final payment as of the Purchase Date and that have been disclosed to the Purchasing Creditors in writing prior to the Purchase Date. Such purchase price

shall be remitted by wire transfer in immediately available funds to such bank account of Revolving Agent (for the benefit of the Revolving Claimholders) as Revolving Agent shall have specified in writing to the Purchasing Creditors. Interest and fees shall be calculated to but excluding the Purchase Date if the amounts so paid by the Purchasing Creditors to the bank account designated by Revolving Agent are received in such bank account prior to 1:00 p.m., New York time, and interest shall be calculated to and including such Purchase Date if the amounts so paid by the Purchasing Creditors to the bank account designated by Revolving Agent are received in such bank account after 1:00 p.m., New York time.

(d) Any purchase pursuant to the purchase option set forth in this Section 3.7 shall, except as provided below, be expressly made without representation or warranty of any kind by Revolving Agent or the other Revolving Claimholders as to the Revolving Obligations, the collateral or otherwise, and without recourse to Revolving Agent and the other Revolving Claimholders as to the Revolving Obligations, the collateral or otherwise, except that Revolving Agent and each of the Revolving Claimholders, as to itself only, shall represent and warrant only as to the matters set forth in the assignment agreement to be entered into as provided herein in connection with such purchase, which shall include (i) the identification of the primary documents evidencing, together with a description in reasonable detail of the amounts that comprise, the Revolving Obligations being sold by it, (ii) that such Person has not created any Lien on any Revolving Obligations being sold by it, and (iii) that such Person has the right to assign the Revolving Obligations being assigned by it and its assignment agreement has been duly authorized and delivered.

(e) Upon notice to the Grantors by the Replacement Agent that the purchase of Revolving Obligations pursuant to this Section 3.7 has been consummated by delivery of the purchase price to Revolving Agent, the Grantors shall treat the Purchasing Creditors as holders of the Revolving Obligations and the Replacement Agent shall be deemed appointed to act in such capacity as Revolving Agent under the Revolving Documents, for all purposes hereunder and under each Revolving Loan Document (it being agreed that Revolving Agent replaced by the Replacement Agent shall have no obligation to continue to act as Revolving Agent as to the Purchasing Creditors or the Revolving Credit Agreement). In connection with any purchase of Revolving Obligations pursuant to this Section 3.7, each Revolving Claimholder and Revolving Agent agrees to enter into and deliver to the Purchasing Creditors on the Purchase Date, as a condition to closing, an assignment agreement customarily used by Revolving Agent in connection with the Revolving Credit Agreement and Revolving Agent and each other Revolving Claimholder shall deliver all possessory collateral (if any), together with any necessary endorsements and other documents (including any applicable stock powers or bond powers), then in its possession or in the possession of its agent or bailee, or turn over control as to any pledged collateral, deposit accounts or securities accounts of which it or its agent or bailee then has control, as the case may be, to the Replacement Agent, and deliver the loan register and participant register, if applicable and all other records pertaining to the Revolving Obligations to the Replacement Agent and otherwise take such actions as may be reasonably appropriate to effect an orderly transition to the Replacement Agent. Upon the consummation of the purchase of the Revolving Obligations pursuant to this Section 3.7, Revolving Agent (and all other agents under the Revolving Credit Agreement) shall be deemed to have resigned as an "agent" or "administrative agent" for the Revolving Claimholders under the Revolving Loan Documents; provided that Revolving Agent (and all other agents under the Revolving Credit Agreement) shall be entitled to all of the rights and benefits of a former agent, administrative agent, collateral agent, or any similar term or designation under the Revolving Credit Agreement.

(f) Notwithstanding the foregoing purchase of the Revolving Obligations by the Purchasing Creditors, the Revolving Claimholders shall retain those contingent indemnification obligations and other obligations under the Revolving Loan Documents which by their express terms would survive any repayment of the Revolving Obligations or termination of the Revolving Credit Agreement or any other Revolving Loan Document, as applicable.

3.8 Inspection and Access Rights.

(a) If Term Loan Agent, or any agent or representative of Term Loan Agent, or any receiver, shall, after any Term Loan Default, obtain possession or physical control of any Real Estate Assets, Term Loan Agent shall promptly notify Revolving Agent in writing of that fact, and Revolving Agent shall, within fifteen (15)

Business Days thereafter, notify Term Loan Agent in writing as to whether Revolving Agent desires to exercise access rights under this Section 3.8. In addition, if Revolving Agent, or any agent or representative of Revolving Agent, or any receiver, shall obtain possession or physical control of any Real Estate Assets or any of the tangible Term Priority Collateral located on any premises other than Real Estate Assets or control over any intangible Term Priority Collateral, following the delivery to Term Loan Agent of an Enforcement Notice, then Revolving Agent shall promptly notify Term Loan Agent in writing that Revolving Agent is exercising its access rights under this Agreement and its rights under Section 3.9 under either circumstance. Upon delivery of such notice by Revolving Agent to Term Loan Agent, the parties shall confer in good faith to coordinate with respect to Revolving Agent's exercise of such access rights. Consistent with the definition of "Use Period," access rights may apply to differing Real Estate Assets at differing times, in which case, a differing Use Period will apply to each such property.

(b) Without limiting any rights Revolving Agent or any other Revolving Claimholder may otherwise have under applicable law or by agreement and whether or not Term Loan Agent or any other Term Loan Claimholder has commenced and is continuing to Exercise any Secured Creditor Remedies of Term Loan Agent, Revolving Agent or any other Person (including any Revolving Claimholder) acting with the consent, or on behalf, of Revolving Agent, shall have the right during the Use Period, (a) during normal business hours on any Business Day, to access Revolving Priority Collateral that (i) is stored or located in or on, (ii) has become an accession with respect to (within the meaning of Section 9-335 of the UCC), or (iii) has been commingled with (within the meaning of Section 9-336 of the UCC), Term Priority Collateral, and (b) to access the Term Priority Collateral (including, without limitation, equipment, fixtures, Intellectual Property, general intangibles and real property and equipment, processors, computers and other machinery related to the storage or processing of records, documents or files), in each case of the foregoing, in order to assemble, inspect, copy or download information stored on, take actions to perfect its Lien on, complete a production run of Inventory involving, take possession of, move, prepare and advertise for sale, sell (by public auction, private sale or a "store closing," "going out of business" or similar sale, whether in bulk, in lots or to customers in the ordinary course of business or otherwise and which sale may include augmented Inventory of the same type sold in the business of the Lead Borrower and its Subsidiaries), store, take reasonable actions to protect, secure and otherwise enforce the rights of Revolving Agent in and to the Revolving Priority Collateral, or otherwise deal with the Revolving Priority Collateral, in each case without the involvement of or interference by any Term Loan Claimholder or liability to any Term Loan Claimholder. In the event that any Revolving Claimholder has commenced and is continuing the Exercise of any Secured Creditor Remedies with respect to any Revolving Priority Collateral, this Agreement will not restrict the rights of Term Loan Agent to sell, assign or otherwise transfer the related Term Priority Collateral prior to the expiration of the Use Period if the purchaser, assignee or transferee thereof agrees to be bound by the provisions of this Section 3.8.

(c) During the period of actual occupation, use and/or control by the Revolving Claimholders and/or Revolving Agent (or their respective employees, agents, advisers and representatives) of any Term Priority Collateral or other assets or property, the Revolving Claimholders and Revolving Agent shall be obligated to repair at their expense any physical damage to such Term Priority Collateral or other assets or property resulting from such occupancy, use or control, and to leave such Term Priority Collateral or other assets or property in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear and casualty and condemnation excepted. Notwithstanding the foregoing, in no event shall the Revolving Claimholders or Revolving Agent have any liability to the Term Loan Claimholders and/or to Term Loan Agent pursuant to this Section 3.8 as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Term Priority Collateral existing prior to the date of the exercise by the Revolving Claimholders (or Revolving Agent, as the case may be) of their rights under this Section 3.8 and the Revolving Claimholders shall have no duty or liability to maintain the Term Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the Revolving Claimholders, or for any diminution in the value of the Term Priority Collateral that results solely from ordinary wear and tear resulting from the use of the Term Priority Collateral by the Revolving Claimholders in the manner and for the time periods specified under this Section 3.8. Without limiting the rights granted in this Section 3.8, the Revolving Claimholders and Revolving Agent shall cooperate with the Term Loan Claimholders and/or Term Loan Agent in connection with any efforts made by the Term Loan Claimholders and/or Term Loan Agent to sell the Term Priority Collateral.

(d) Revolving Agent and the Revolving Claimholders shall not be obligated to pay any amounts to Term Loan Agent or the Term Loan Claimholders (or any Person claiming by, through or under the Term Loan Claimholders, including any purchaser of the Term Priority Collateral) or to any Grantor, for or in respect of the use by Revolving Agent and the Revolving Claimholders of the Term Priority Collateral; provided that Revolving Agent and the other Revolving Claimholders shall be obligated to pay any third-party expenses related thereto, including costs with respect to heat, light, electricity and water with respect to that portion of any premises so used or occupied, or that arise as a result of such use. In the event, and only in the event, that in connection with its use of some or all of the premises constituting Term Priority Collateral, Revolving Agent requires the services of any employees of the Lead Borrower or any of its Subsidiaries, Revolving Agent shall pay directly to any such employees the appropriate, allocated wages (including benefits) of such employees, if any, during the time periods that Revolving Agent requires their services.

(e) The Revolving Claimholders shall use the Term Priority Collateral in accordance with applicable law.

(f) Term Loan Agent and the other Term Loan Claimholders (i) will cooperate with Revolving Agent in its efforts pursuant to Section 3.8(b) to enforce its security interest in the Revolving Priority Collateral and to finish any work-in-process and assemble the Revolving Priority Collateral, (ii) will not hinder or restrict in any respect Revolving Agent from enforcing its security interest in the Revolving Priority Collateral or from finishing any work-in-process or assembling the Revolving Priority Collateral pursuant to Section 3.8(b), and (iii) will, subject to the rights of any landlords under real estate leases, permit Revolving Agent, its employees, agents, advisers and representatives to exercise the rights described in Section 3.8(b).

(g) Subject to the terms hereof, Term Loan Agent may advertise and conduct public auctions or private sales of the Term Priority Collateral, without the involvement of or interference by any Revolving Claimholder or liability to any Revolving Claimholder as long as, in the case of an actual sale, the respective purchaser assumes and agrees in advance in writing to the obligations of Term Loan Agent and the Term Loan Claimholders under this Section 3.8. If Revolving Agent conducts a public auction or private sale of the Revolving Priority Collateral at any of the real property included within the Term Loan Collateral, Revolving Agent shall provide Term Loan Agent with reasonable notice and use reasonable efforts to hold such auction or sale in a manner which would not unduly disrupt Term Loan Agent's use of such real property.

3.9 Sharing of Information and Access. In the event that Revolving Agent shall, in the exercise of its rights under the Revolving Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to the Term Priority Collateral, Revolving Agent shall, upon request from Term Loan Agent and as promptly as practicable thereafter, either make available to Term Loan Agent such books and records for inspection and duplication or provide to Term Loan Agent copies thereof. In the event that Term Loan Agent shall, in the exercise of its rights under the Term Loan Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to any of the Revolving Priority Collateral, Term Loan Agent shall, upon request from Revolving Agent and as promptly as practicable thereafter, either make available to Revolving Agent such books and records for inspection and duplication or provide Revolving Agent copies thereof.

3.10 Tracing of and Priorities in Proceeds. Revolving Agent, for itself and on behalf of the Revolving Claimholders, and Term Loan Agent, for itself and on behalf of the Term Loan Claimholders, further agree that prior to an issuance of any Enforcement Notice by such Claimholder (unless a bankruptcy or insolvency Revolving Default or Term Loan Default then exists), any proceeds of Collateral obtained in accordance with the terms of the Revolving Loan Documents and the Term Loan Documents, whether or not deposited under control agreements, which are used by any Grantor to acquire other property which is Collateral shall not (solely as between the Claimholders) be treated as Proceeds of Collateral for purposes of determining the relative priorities in the Collateral which was so acquired.

3.11 Intellectual Property /Access to Information. Term Loan Agent hereby grants (to the full extent of its respective rights and interests) Revolving Agent and its agents, representatives and designees (a) an irrevocable

royalty-free, rent-free license and lease (which will be binding on any successor or permitted assignee of any Term Priority Collateral) to use, all of the Term Priority Collateral, including any computer or other data processing Equipment and Intellectual Property, to collect all Accounts included in Revolving Priority Collateral, to copy, use, or preserve any and all information relating to any of the Revolving Priority Collateral, and to complete the manufacture, packaging and sale of (x) work-in-process, (y) raw materials and (z) complete inventory and (b) an irrevocable royalty-free license (which will be binding on any successor or permitted assignee of the Intellectual Property) to use any and all Intellectual Property at any time in connection with the Exercise any Secured Creditor Remedies; provided that (i) any such license shall apply only during the Exercise of Secured Creditor Remedies, (ii) any such license shall terminate upon the sale of the applicable Revolving Priority Collateral and shall not extend or transfer to the purchaser of such Revolving Priority Collateral, (iii) Revolving Agent's use of such Intellectual Property shall be reasonable and lawful, and (iv) any such license is granted on an "AS IS" basis, without any representation or warranty whatsoever. Term Loan Agent (i) consents to any grant of a license to Revolving Agent or any Revolving Claimholder by and Grantor made in any Revolving Loan Document substantially for the purposes described in this Section 3.11 and (ii) agrees that its Liens in any Term Priority Collateral shall be subject in all respects to any such license. Furthermore, Term Loan Agent agrees that, in connection with any Exercise of Secured Creditor Remedies conducted by Term Loan Agent in respect of any Term Priority Collateral, (x) any notice required to be given by Term Loan Agent in connection with such Exercise of Secured Creditor Remedies shall contain an acknowledgement of the existence of such license and (y) Term Loan Agent shall provide written notice to any purchaser, assignee or transferee pursuant to an Exercise of Secured Creditor Remedies that the applicable assets are subject to such license.

SECTION 4. Proceeds.

4.1 Application of Proceeds.

(a) Whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, any Revolving Priority Collateral or proceeds thereof received in connection with any Exercise of Secured Creditor Remedies shall (at such time as such Collateral or proceeds has been monetized) be applied: (i) first, to the payment in full in cash or cash collateralization of the Revolving Obligations in accordance with the Revolving Loan Documents until the Discharge of Revolving Obligations shall have occurred, (ii) second, to the payment in full in cash or cash collateralization of the Term Loan Obligations in accordance with the Term Loan Documents until the Discharge of Term Loan Obligations shall have occurred and (iii) third, the balance, if any, to the Grantors or as a court of competent jurisdiction may direct.

(b) Whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, any Term Priority Collateral or proceeds thereof received in connection with any Exercise of Secured Creditor Remedies shall (at such time as such Collateral or proceeds has been monetized) be applied: (i) first, to the payment in full in cash or cash collateralization of the Term Loan Obligations in accordance with the Term Loan Documents until the Discharge of Term Loan Obligations shall have occurred, (ii) second, to the payment in full in cash or cash collateralization of the Revolving Obligations in accordance with the Revolving Loan Documents until the Discharge of Revolving Obligations shall have occurred and (iii) third, the balance, if any, to the Grantors or as a court of competent jurisdiction may direct.

(c) If any Exercise of Secured Creditor Remedies with respect to the Collateral produces non-cash proceeds, then such non-cash proceeds shall be held by the agent that conducted the Exercise of Secured Creditor Remedies as additional Collateral and, at such time as such non-cash proceeds are monetized, shall be applied as set forth above.

4.2 Turnover. Unless and until the earlier of the Discharge of Revolving Obligations or the Discharge of Term Loan Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, except as otherwise provided in Section 3.5, (a) any Revolving Priority Collateral, proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of Section 2.3) or any insurance proceeds described in Section 5.2(a) received by Term Loan Agent or any Term Loan Claimholder, pursuant to any Term Loan Collateral Document or by the exercise of any rights available to it under applicable law

or in any Insolvency Proceeding or through any other exercise of remedies, after Term Loan Agent or such Term Loan Claimholder obtains actual knowledge or notice from Revolving Agent that it has possession of such Revolving Priority Collateral and/or such proceeds, shall be segregated and held in trust and shall reasonably promptly be paid over to Revolving Agent for the benefit of the Revolving Claimholders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct and (b) any Term Priority Collateral, proceeds thereof (including assets or proceeds subject to Liens referred to in the final sentence of Section 2.3) or any insurance proceeds described in Section 5.2(b) received by Revolving Agent or any Revolving Claimholder or through the application of cash or proceeds of Collateral deposited into any account under a deposit account control agreement, pursuant to any Revolving Collateral Document or by the exercise of any rights available to it under applicable law or in any Insolvency Proceeding or through any other exercise of remedies, after Revolving Agent or such Revolving Claimholder obtains actual knowledge or notice from Term Loan Agent that it has possession of such Term Priority Collateral and/or such proceeds, shall be segregated and held in trust and shall reasonably promptly be paid over to Term Loan Agent for the benefit of the Term Loan Claimholders in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct; provided, however, in the case of any proceeds of Term Priority Collateral received by Revolving Agent or any Revolving Claimholder in connection with a Disposition of Term Priority Collateral by any Grantor prior to a Term Loan Default, if a Grantor does not provide prior written notice of such Disposition to Revolving Agent specifying the amount and source of such proceeds, neither Revolving Agent nor any Revolving Claimholder shall have any obligation to pay over any proceeds of such Disposition to Term Loan Agent. Each of Term Loan Agent and Revolving Agent is hereby authorized to make any such endorsements as agent for the other or any Claimholders. This authorization is coupled with an interest and is irrevocable until the earlier of the Discharge of Revolving Obligations or the Discharge of Term Loan Obligations.

Term Loan Agent for itself and each Term Loan Claimholder agrees that if, at any time, all or part of any payment with respect to any Revolving Obligations secured by any Revolving Priority Collateral previously made shall be rescinded for any reason whatsoever, it will upon request promptly pay over to Revolving Agent any payment received by it in respect of any such Revolving Priority Collateral and shall promptly turn any such Revolving Priority Collateral then held by it over to Revolving Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the payment and satisfaction in full of such Revolving Obligations.

Revolving Agent for itself and each Revolving Claimholder agrees that if, at any time, all or part of any payment with respect to any Term Loan Obligations secured by any Term Priority Collateral previously made shall be rescinded for any reason whatsoever, it will upon request promptly pay over to Term Loan Agent any payment received by it in respect of any such Term Priority Collateral and shall promptly turn any such Term Priority Collateral then held by it over to Term Loan Agent, and the provisions set forth in this Agreement will be reinstated as if such payment had not been made, until the payment and satisfaction in full of such Term Loan Obligations.

4.3 No Subordination of the Relative Priority of Claims. Anything to the contrary contained herein notwithstanding, the subordination of the Liens of Term Loan Claimholders to the Liens of Revolving Claimholders and of the Liens of Revolving Claimholders to the Liens of Term Loan Claimholders as set forth herein is with respect to the priority of the respective Liens held by or on behalf of them only and shall not constitute a subordination of the Term Loan Obligations to the Revolving Obligations or the Revolving Obligations to the Term Loan Obligations.

4.4 Application of Payments. Subject to the other terms of this Agreement, all payments received (not in violation of this Agreement) by (a) Revolving Agent or the Revolving Claimholders may be applied, reversed and reapplied, in whole or in part, to the Revolving Obligations to the extent provided for in the Revolving Loan Documents and (b) Term Loan Agent or the Term Loan Claimholders may be applied, reversed and reapplied, in whole or in part, to the Term Loan Obligations to the extent provided for in the Term Loan Documents.

4.5 Revolving Nature of Revolving Obligations. Term Loan Agent, on behalf of the Term Loan Claimholders, acknowledges and agrees that the Revolving Credit Agreement includes a revolving commitment and that the amount of the Revolving Obligations that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed.

4.6 Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, Revolving Agent shall have no obligation or liability to Term Loan Agent or to any Term Loan Claimholder, and Term Loan Agent shall have no obligation or liability to Revolving Agent or any Revolving Claimholder, regarding the adequacy of any Proceeds or for any action or omission, except solely for an action or omission that breaches the express obligations undertaken by such party under the terms of this Agreement.

SECTION 5. Releases; Dispositions; Other Agreements.

5.1 Releases.

(a) The Lien on the Revolving Priority Collateral securing any Term Loan Obligations shall terminate and be released automatically to the extent the Liens on the Revolving Priority Collateral are released by Revolving Agent, for itself or on behalf of any Revolving Claimholders, in connection with a Disposition of Revolving Priority Collateral that is either (x) not prohibited under the Term Loan Documents or (y) occurs in connection with the Exercise of Secured Creditor Remedies with respect to Revolving Priority Collateral by Revolving Agent or any other Revolving Claimholder (except that the Lien on the Revolving Priority Collateral securing the Term Loan Obligations shall not be released with respect to any proceeds of such Disposition that remain after satisfaction in full of the Revolving Obligations). Term Loan Agent, for itself or on behalf of any such Term Loan Claimholders, shall promptly execute and deliver to Revolving Agent such termination or amendment statements, releases, and other documents as Revolving Agent may request to effectively confirm such release, at the cost and expense of the Grantors and without the consent or direction of any other Term Loan Claimholders.

(b) The Lien on the Term Priority Collateral securing any Revolving Obligations shall terminate and be released automatically to the extent the Liens on the Term Priority Collateral are released by Term Loan Agent, for itself or on behalf of any Term Loan Claimholders, in connection with a Disposition of Term Priority Collateral that is either (x) not prohibited under the Revolving Loan Documents or (y) occurs in connection with the Exercise of Secured Creditor Remedies with respect to Term Priority Collateral by Term Loan Agent (except that the Lien on the Term Priority Collateral securing the Revolving Obligations shall not be released with respect to any proceeds of such Disposition that remain after satisfaction in full of the Term Loan Obligations). Revolving Agent, for itself or on behalf of any such Revolving Claimholders, shall promptly execute and deliver to Term Loan Agent such termination or amendment statements, releases, and other documents as Term Loan Agent may request to effectively confirm such release, at the cost and expense of the Grantors and without the consent or direction of any other Revolving Claimholders.

5.2 Insurance.

(a) Unless and until written notice by Revolving Agent to Term Loan Agent that the Discharge of Revolving Obligations has occurred:

(i) Revolving Agent and the Revolving Claimholders shall have the sole and exclusive right, subject to the rights of Grantors under the Revolving Loan Documents, to adjust and settle any claim under any insurance policy covering the Revolving Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Revolving Priority Collateral; and
(ii) all proceeds of any such insurance policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of Revolving Priority Collateral, shall be paid, subject to the rights of Grantors under the Revolving Loan Documents, first, to the Revolving Claimholders, until the Discharge of Revolving Obligations, second, to the Term Loan Claimholders, until the Discharge of Term Loan Obligations, and third, to the owner of the subject property, such other Person as may be entitled thereto, or as a court of competent jurisdiction may otherwise direct. If Term Loan Agent receives any proceeds of any insurance policy in contravention of this Agreement, it shall hold such proceeds in trust and upon request pay over such proceeds to Revolving Agent.

(b) Unless and until written notice by Term Loan Agent to Revolving Agent that the Discharge of Term Loan Obligations has occurred: (i) Term Loan Agent and the Term Loan Claimholders shall have the sole and exclusive right, subject to the rights of Grantors under the Term Loan Documents, to adjust and settle any claim under any insurance policy covering the Term Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Term Priority Collateral; and (ii) all proceeds of any such insurance policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of Term Priority Collateral, shall be paid, subject to the rights of Grantors under the Term Loan Documents, first, to Term Loan Claimholders, until the Discharge of Term Loan Obligations, second, to the Revolving Claimholders, until the Discharge of Revolving Obligations, and third, to the owner of the subject property, such other Person as may be entitled thereto, or as a court of competent jurisdiction may otherwise direct. If Revolving Agent receives any proceeds of any insurance policy in contravention of this Agreement, it shall hold such proceeds in trust and pay over such proceeds to Term Loan Agent.

In the event that any proceeds are derived from any insurance policy that covers Revolving Priority Collateral and Term Priority Collateral, Revolving Agent and Term Loan Agent will work jointly and in good faith to collect, adjust or settle (subject to the rights of the Grantors under the Revolving Loan Documents and the Term Loan Documents) any claim under the relevant insurance policy.

Notwithstanding anything contained in this Agreement to the contrary, in the event that any proceeds are derived from any insurance policy that covers Revolving Priority Collateral and Term Priority Collateral where the allocation of proceeds is not stipulated between Revolving Priority Collateral and Term Priority Collateral, then the allocation of proceeds of such insurance policy to the Revolving Priority Collateral shall be based upon, in the case of (A) any Revolving Priority Collateral consisting of inventory, at book value as assessed on the date of such loss, (B) any Revolving Priority Collateral consisting of accounts receivable, at book value as assessed on the date of such loss and (C) all other Revolving Priority Collateral and Term Priority Collateral, at fair market value of such Revolving Priority Collateral and Term Priority Collateral lost, as determined by the Lead Borrower in good faith in its reasonable judgment or, if the aggregate amount of such proceeds received is greater than \$10,000,000, an independent appraiser.

(c) To effectuate the foregoing, Revolving Agent and Term Loan Agent will be named in separate lender's loss payable endorsements as loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder.

5.3 Amendments; Refinancings.

(a) The Revolving Loan Documents may be amended, restated, amended and restated, supplemented, or otherwise modified in accordance with their terms and the Revolving Obligations may be Refinanced in accordance with the terms of the Revolving Loan Documents, in each case without notice to, or the consent of, Term Loan Agent or the Term Loan Claimholders, all without affecting the Lien subordination or other provisions of this Agreement; provided, however, that, in the case of a Refinancing secured by the Collateral, the holders of such Refinancing debt (or an authorized representative on their behalf) bind themselves (in a writing addressed to Term Loan Agent for the benefit of itself and the Term Loan Claimholders in a form reasonably acceptable to Term Loan Agent) to the terms of this Agreement (it being understood that no writing shall be required for any amendment, modification or extension to or of the Revolving Credit Agreement (including any incurrence of indebtedness thereunder) if the holders of Indebtedness thereunder (or an authorized representative on their behalf) are parties to this Agreement at the time of such amendment, modification or extension, as applicable); provided further, however, that, if such Refinancing debt is secured by a Lien on any Collateral the holders of such Refinancing debt shall be deemed bound by the terms hereof regardless of whether or not such writing is provided. For the avoidance of doubt, the sale or other transfer of indebtedness is not restricted by this Agreement but the provisions of this Agreement shall be binding on all holders of Revolving Obligations and Term Loan Obligations.

(b) The Term Loan Documents may be amended, restated, amended and restated, supplemented, or otherwise modified in accordance with their terms and the Term Loan Obligations may be Refinanced in accordance with the terms of the Term Loan Documents, in each case without notice to, or the consent of, Revolving Agent or the Revolving Claimholders, all without affecting the lien subordination or other provisions of this Agreement; provided, however, that, in the case of a Refinancing secured by the Collateral, the holders of such Refinancing debt (or an authorized representative on their behalf) bind themselves (in a writing addressed to Revolving Agent for the benefit of itself and the Revolving Claimholders in a form reasonably acceptable to Revolving Agent) to the terms of this Agreement (it being understood that no writing shall be required for any amendment, modification or extension to or of the Term Loan Agreement (including any incurrence of indebtedness thereunder) if the holders of Indebtedness thereunder (or an authorized representative on their behalf) are parties to this Agreement at the time of such amendment, modification or extension, as applicable); provided further, however, that, if such Refinancing debt is secured by a Lien on any Collateral the holders of such Refinancing debt shall be deemed bound by the terms hereof regardless of whether or not such writing is provided. For the avoidance of doubt, the sale or other transfer of indebtedness is not restricted by this Agreement but the provisions of this Agreement shall be binding on all holders of Revolving Obligations and Term Loan Obligations.

(c) So long as the Discharge of Revolving Obligations has not occurred, Term Loan Agent agrees that each Term Loan Collateral Document shall include the following language (or similar language acceptable to Revolving Agent): “Notwithstanding anything herein to the contrary, the liens and security interests granted to Jefferies Finance LLC, as Term Loan Agent, pursuant to this Agreement and the exercise of any right or remedy by Jefferies Finance LLC, as Term Loan Agent hereunder, are subject to the provisions of the Intercreditor Agreement, dated as of September 28, 2012 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), between Manufacturers and Traders Trust company, as Revolving Agent and Jefferies Finance LLC, as Term Loan Agent. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

(d) So long as the Discharge of Term Loan Obligations has not occurred, Revolving Agent agrees that each Revolving Collateral Document shall include the following language (or similar language acceptable to Term Loan Agent): “Notwithstanding anything herein to the contrary, the liens and security interests granted to Manufacturers and Traders Trust Company, as Revolving Agent, pursuant to this Agreement and the exercise of any right or remedy by Manufacturers and Traders Trust Company, as Revolving Agent, hereunder, are subject to the provisions of the Intercreditor Agreement, dated as of September 28, 2012 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), between Manufacturers and Traders Trust Company, as Revolving Agent and Jefferies Finance LLC, as Term Loan Agent. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.”

(e) The parties hereto hereby acknowledge that Section 8.16 of the Term Loan Guarantee and Collateral Agreement, and Section 8.16 of the Revolving Guarantee and Collateral Agreement, each as in effect as of the date hereof, comply with the requirements of Sections 5.3(c) and (d).

5.4 Bailee for Perfection.

(a) Revolving Agent and Term Loan Agent each agree to hold or control that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees) to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC or other applicable law (such Collateral, the “Pledged Collateral”), as gratuitous bailee and as a non-fiduciary agent for the benefit of and on behalf of Term Loan Agent or Revolving Agent, as applicable (such bailment and agency being intended, among other things, to satisfy the requirements of Sections 8-301(a)(2), 9-313(c), 9-104, 9-105, 9-106, and 9-107 of the UCC), solely for the purpose of perfecting the security interest granted under the Term Loan Documents or the Revolving Loan Documents, as applicable, subject to the terms and conditions of this Section 5.4. Term Loan Agent and the Term Loan Claimholders hereby appoint Revolving Agent as their gratuitous bailee for the purposes of perfecting their security interest in all Pledged Collateral in which Revolving Agent has a perfected security

interest under the UCC. Revolving Agent and the Revolving Claimholders hereby appoint Term Loan Agent as their gratuitous bailee for the purposes of perfecting their security interest in all Pledged Collateral in which Term Loan Agent has a perfected security interest under the UCC. Each of Revolving Agent and Term Loan Agent hereby accept such appointments pursuant to this Section 5.4(a) and acknowledge and agree that it shall act for the benefit of and on behalf of the other Claimholders with respect to any Pledged Collateral and that any Proceeds received by Revolving Agent or Term Loan Agent, as the case may be, under any Pledged Collateral shall be applied in accordance with Section 4. Unless and until the Discharge of Revolving Obligations, Term Loan Agent agrees to promptly notify Revolving Agent of any Pledged Collateral constituting Revolving Priority Collateral held by it or known by it to be held by any other Term Loan Claimholders, and, immediately upon the request of Revolving Agent at any time prior to the Discharge of Revolving Obligations, Term Loan Agent agrees to deliver to Revolving Agent any such Pledged Collateral held by it or by any Term Loan Claimholders, together with any necessary endorsements (or otherwise allow Revolving Agent to obtain control of such Pledged Collateral). Unless and until the Discharge of Term Loan Obligations, Revolving Agent agrees to promptly notify Term Loan Agent of any Pledged Collateral constituting Term Priority Collateral held by it or known by it to be held by any other Revolving Claimholders, and, immediately upon the request of Term Loan Agent at any time prior to the Discharge of the Term Loan Obligations, Revolving Agent agrees to deliver to Term Loan Agent any such Pledged Collateral held by it or by any Revolving Claimholders, together with any necessary endorsements (or otherwise allow Term Loan Agent to obtain control of such Pledged Collateral). Until the Discharge of Revolving Obligations, Revolving Agent will Control (as defined in Sections 8-106, 9-104 and 9-106 of the UCC, as applicable) any Deposit Accounts, securities accounts or commodity accounts constituting Collateral and controlled by Revolving Agent as gratuitous bailee and as a non-fiduciary agent for the benefit of and on behalf of Term Loan Agent as secured party and Term Loan Claimholders solely for the purpose of perfecting the security interest granted under the Term Loan Documents and subject to the terms and conditions of this Section 5.4. In furtherance of the foregoing each Grantor hereby acknowledges that it has granted to Revolving Agent for the benefit of the Term Loan Claimholders a security interest in all rights of such Grantors under the Deposit Accounts and Revolving Agent hereby agrees to act as a non-fiduciary agent for the benefit of Term Loan Agent and the Term Loan Claimholders under each control agreement entered into by it with respect to any Deposit Account.

(b) Revolving Agent and the Revolving Claimholders shall have no obligation whatsoever to Term Loan Agent or any Term Loan Claimholder to ensure that the Pledged Collateral is genuine or owned by any of Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.4. Term Loan Agent and the Term Loan Claimholders shall have no obligation whatsoever to Revolving Agent or any Revolving Claimholder to ensure that the Pledged Collateral is genuine or owned by any of Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.4. The duties or responsibilities of Revolving Agent under this Section 5.4 shall be limited solely to holding or controlling the Pledged Collateral as bailee and agent in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of Revolving Obligations pursuant to Section 5.4(d). The duties or responsibilities of Term Loan Agent under this Section 5.4 shall be limited solely to holding or controlling the Pledged Collateral as bailee and agent in accordance with this Section 5.4 and delivering the Pledged Collateral upon Discharge of Term Loan Obligations pursuant to Section 5.4(e).

(c) Revolving Agent acting pursuant to this Section 5.4 shall not have by reason of the Revolving Collateral Documents, the Term Loan Collateral Documents, or this Agreement a fiduciary relationship in respect of Term Loan Agent or any Term Loan Claimholder. Term Loan Agent acting pursuant to this Section 5.4 shall not have by reason of the Revolving Collateral Documents, the Term Loan Collateral Documents, or this Agreement a fiduciary relationship in respect of Revolving Agent or any Revolving Claimholder.

(d) Revolving Agent shall transfer to Term Loan Agent (i) any proceeds of any Revolving Priority Collateral in which Term Loan Agent continues to hold a security interest remaining following any Disposition of such Revolving Priority Collateral (in each case, unless Term Loan Agent's Lien on all such Revolving Priority Collateral is terminated and released prior to or concurrently with such Disposition, payment or satisfaction), following the Discharge of Revolving Obligations, or (ii) if Revolving Agent is in possession of all or any part of such Revolving Priority Collateral after the Discharge of Revolving Obligations, such Revolving Priority Collateral or any part thereof remaining, in each case without representation or warranty on the part of Revolving

Agent or any Revolving Claimholder. At such time, Revolving Agent further agrees to take all other action reasonably requested by Term Loan Agent at the expense of the Grantors to enable Term Loan Agent to obtain a first priority security interest in the Collateral. To the extent no Term Loan Obligations that are secured by such Pledged Collateral remain outstanding as confirmed in writing by Term Loan Agent (so as to allow such Person to obtain possession or control of such Pledged Collateral), Revolving Agent shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to the Grantors. Without limiting the foregoing, Term Loan Agent agrees for itself and each Term Loan Claimholder that neither Revolving Agent nor any Revolving Claimholder will have any duty or obligation first to marshal or realize upon the Revolving Priority Collateral, or to Dispose of or otherwise liquidate all or any portion of the Revolving Priority Collateral, in any manner that would maximize the return to the Term Loan Claimholders, notwithstanding that the order and timing of any such realization, Disposition or liquidation may affect the amount of proceeds actually received by the Term Loan Claimholders from such realization, Disposition or liquidation.

(e) Term Loan Agent shall transfer to Revolving Agent (i) any proceeds of any Term Priority Collateral in which Revolving Agent continues to hold a security interest remaining following any Disposition of such Term Priority Collateral (in each case, unless Revolving Agent's Lien on all such Term Priority Collateral is terminated and released prior to or concurrently with such Disposition, payment or satisfaction), following the Discharge of Term Loan Obligations, or (ii) if Term Loan Agent is in possession of all or any part of such Term Priority Collateral after the Discharge of Term Loan Obligations, such Term Priority Collateral or any part thereof remaining, in each case without representation or warranty on the part of Term Loan Agent or any Term Loan Claimholder. At such time, Term Loan Agent further agrees to take all other action reasonably requested by Revolving Agent at the expense of the Grantors to enable Revolving Agent to obtain a first priority security interest in the Collateral. To the extent no Revolving Obligations that are secured by such Pledged Collateral remain outstanding as confirmed in writing by Revolving Agent (so as to allow such Person to obtain possession or control of such Pledged Collateral), Term Loan Agent shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to the Grantors. Without limiting the foregoing, Revolving Agent agrees for itself and each Revolving Claimholder that neither Term Loan Agent nor any Term Loan Claimholder will have any duty or obligation first to marshal or realize upon the Term Priority Collateral, or to Dispose of or otherwise liquidate all or any portion of the Term Priority Collateral, in any manner that would maximize the return to the Revolving Claimholders, notwithstanding that the order and timing of any such realization, Disposition or liquidation may affect the amount of proceeds actually received by the Revolving Claimholders from such realization, Disposition or liquidation.

5.5 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If Revolving Borrowers enter into any Refinancing of the Revolving Obligations that is intended to be secured by the Revolving Priority Collateral on a first-priority basis, then a Discharge of Revolving Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such Revolving Obligations shall be treated as Revolving Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and Revolving Agent under the Revolving Loan Documents effecting such Refinancing shall be Revolving Agent for all purposes of this Agreement. Revolving Agent under such Revolving Loan Documents shall agree (in a writing addressed to Term Loan Agent) to be bound by the terms of this Agreement.

(b) If the Lead Borrower and/or Ollie's enter into any Refinancing of the Term Loan Obligations that is intended to be secured by the Term Priority Collateral on a first-priority basis, then a Discharge of Term Loan Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such Term Loan Obligations shall be treated as Term Loan Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the lender or group of lenders or any of their designees under the Term Loan Documents effecting such Refinancing shall be Term Loan Agent for all purposes of this Agreement. The lender or group of lenders or any of their designees under such Term Loan Documents shall agree (in a writing addressed to Revolving Agent) to be bound by the terms of this Agreement.

5.6 Injunctive Relief. Should any Claimholder in any way take, attempt to, or threaten to take any action contrary to terms of this Agreement with respect to the Collateral, or fail to take any action required by this Agreement, Term Loan Agent, Revolving Agent or any other Claimholder, as the case may be, may obtain relief against such Claimholder by injunction, specific performance, or other appropriate equitable relief, it being understood and agreed by each of Term Loan Agent, Revolving Agent and each Claimholder that (a) non-breaching Claimholders' damages from such actions may at that time be difficult to ascertain and may be irreparable, and (b) each Claimholder waives any defense that such Claimholder can demonstrate damages and/or be made whole by the awarding of damages. Revolving Agent, Term Loan Agent and each Claimholder hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by Revolving Agent or Revolving Claimholders or Term Loan Agent or Term Loan Claimholders, as the case may be.

SECTION 6. Insolvency Proceedings.

6.1 Enforceability and Continuing Priority. This Agreement shall be applicable both before and after the commencement of any Insolvency Proceeding and all converted or succeeding cases in respect thereof. The relative rights of Claimholders in or to any distributions from or in respect of any Collateral or Proceeds of Collateral shall continue after the commencement of any Insolvency Proceeding. Accordingly, the provisions of this Agreement (including, without limitation, Section 2.1 hereof) are intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code.

6.2 Financing.

(a) Until the Discharge of Revolving Obligations, if any Grantor shall be subject to any Insolvency Proceeding and Revolving Agent consents to the use of cash collateral (as such term is defined in Section 363(a) of the Bankruptcy Code; herein, "Cash Collateral") constituting Revolving Priority Collateral, or to permit any Grantor to obtain financing under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law secured by a Lien on such Revolving Priority Collateral that is (i) senior or pari passu with the Liens on the Revolving Priority Collateral securing the Revolving Obligations and (ii) junior to the Liens on the Term Priority Collateral securing the Term Loan Obligations (such financing, a "Revolving DIP Financing"), and if the Grantors desire to obtain authorization from the Bankruptcy Court to use such Cash Collateral or to obtain such Revolving DIP Financing, then Term Loan Agent agrees that it will be deemed to have consented, will raise no objection to, nor support any other Person objecting to, the use of such Cash Collateral or to such Revolving DIP Financing (including, except as set forth in clause (c) below and Section 6.5, any objection based on an assertion that the Term Loan Claimholders are entitled to adequate protection of their interest in the Collateral as a condition thereto), and Term Loan Agent will subordinate its Liens upon the Revolving Priority Collateral to the Liens securing such Revolving DIP Financing (and all obligations relating thereto, including any "carve-out" in favor of fees and expenses of professionals retained by any debtor or creditors' committee as agreed to by Revolving Agent and the holders of the Revolving Obligations with respect to Revolving Priority Collateral), to the extent any Liens securing the Revolving Obligations are discharged, subordinated to, or made pari passu with any new Liens securing such Revolving DIP Financing and to any replacement or additional Liens granted as adequate protection of the interests of the Revolving Claimholders in the Collateral ("Revolving Lender Adequate Protection Lien"), in each case to the extent consistent with the other provisions of this Agreement; provided that (a) Term Loan Agent retains its Lien on the Collateral to secure the Term Loan Obligations (in each case, including Proceeds thereof arising after the commencement of the Insolvency Proceeding) and, as to the Term Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the Insolvency Proceeding and any Lien on the Term Priority Collateral securing such Revolving DIP Financing and any Revolving Lender Adequate Protection Lien on the Term Priority Collateral (and all obligations relating thereto, including any "carve-out" in favor of fees and expenses of professionals retained by any debtor or creditors' committee as agreed to by Revolving Agent and the Revolving Lenders with respect to Revolving Priority Collateral) is junior and subordinate to the Lien of Term Loan Agent on the Term Priority Collateral, (b) all Liens on Revolving Priority Collateral securing any such Revolving DIP Financing shall be senior to or on a parity with the Liens of Revolving Agent and the Revolving Claimholders securing the Revolving Obligations on Revolving Priority Collateral and (c) to the extent that Revolving Agent is granted a Revolving Lender Adequate Protection Lien on Collateral arising after the commencement of the

Insolvency Proceeding or additional payments or claims, the Term Loan Claimholders are granted a Lien on such additional or replacement Collateral with the relative priority set forth in Section 2.1 (and no Revolving Agent or Revolving Claimholder shall oppose any motion by any Term Loan Claimholder with respect to the granting of such a Lien). Revolving Agent, on behalf of itself and the Revolving Claimholders, agrees that no such Person shall provide to such Grantor any financing under Section 364 of the Bankruptcy Code to the extent that Revolving Agent or any Revolving Claimholder would, in connection with such financing, be granted a Lien on the Term Priority Collateral senior to or pari passu with any Liens of Term Loan Agent.

(b) Until the Discharge of Term Loan Obligations, if any Grantor shall be subject to any Insolvency Proceeding and Term Loan Agent consents to the use of Cash Collateral constituting Term Priority Collateral or to permit any Grantor to obtain financing under Section 364 of the Bankruptcy Code or any similar Bankruptcy Law secured by a Lien on Term Priority Collateral that is (i) senior or pari passu with the Liens on the Term Priority Collateral securing the Term Loan Obligations and (ii) junior to the Liens on the Revolving Priority Collateral securing the Revolving Obligations (such financing, a “Term DIP Financing”), and if the Grantors desire to obtain authorization from the Bankruptcy Court to use such Cash Collateral or to obtain such Term DIP Financing, then Revolving Agent agrees that it will be deemed to have consented, will raise no objection to, nor support any other Person objecting to, the use of such Cash Collateral or to such Term DIP Financing (including, except as set forth in clause (c) below and Section 6.5, any objection based on an assertion that the Revolving Claimholders are entitled to adequate protection of their interest in the Collateral as a condition thereto) and, Revolving Agent will subordinate its Liens upon the Term Priority Collateral to the Liens securing such Term DIP Financing (and all obligations relating thereto, including any “carve-out” in favor of fees and expenses of professionals retained by any debtor or creditors’ committee as agreed to by Term Loan Agent and the Term Loan Lenders with respect to Term Priority Collateral), to the extent any Liens securing the Term Loan Obligations are discharged, subordinated to, or made pari passu with any new Liens securing such Term DIP Financing, to any replacement or additional Liens granted as adequate protection of the interests of the Term Loan Claimholders in the Collateral (“Term Loan Adequate Protection Lien”), and to any in each case to the extent consistent with the other provisions of this Agreement; provided that (a) Revolving Agent retains its Lien on the Collateral to secure the Revolving Obligations (in each case, including Proceeds thereof arising after the commencement of the Insolvency Proceeding) and, as to the Revolving Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the Insolvency Proceeding and any Lien on the Revolving Priority Collateral securing such Term DIP Financing and any Term Loan Adequate Protection Lien on the Revolving Priority Collateral (and all obligations relating thereto, including any “carve-out” in favor of fees and expenses of professionals retained by any debtor or creditors’ committee as agreed to by Term Loan Agent and the Term Loan Lenders with respect to Term Priority Collateral) is junior and subordinate to the Lien of Revolving Agent on the Revolving Priority Collateral, (b) all Liens on Term Priority Collateral securing any such Term DIP Financing shall be senior to or on a parity with the Liens of Term Loan Agent and the Term Loan Claimholders securing the Term Loan Obligations on Term Priority Collateral and (c) to the extent that Term Loan Agent is granted a Term Loan Adequate Protection Lien on Collateral arising after the commencement of the Insolvency Proceeding or additional payments or claims, the Revolving Claimholders are granted a Lien on such additional or replacement Collateral with the relative priority set forth in Section 2.1 (and no Term Loan Agent or Term Loan Claimholder shall oppose any motion by any Revolving Claimholder with respect to the granting of such a Lien). Term Loan Agent, on behalf of itself and the Term Loan Claimholders, agrees that no such Person shall provide to such Grantor any financing under Section 364 of the Bankruptcy Code to the extent that Term Loan Agent or any Term Loan Claimholder would, in connection with such financing, be granted a Lien on the Revolving Priority Collateral senior to or pari passu with any Liens of Revolving Agent.

(c) All Liens granted to Revolving Agent or Term Loan Agent in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the parties to be and shall be deemed to be subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement.

(d) For clarity, Term Loan Agent and the Term Loan Claimholders shall not seek to “prime” the Lien of Revolving Agent and the Revolving Claimholders on the Revolving Priority Collateral or request, seek or receive a Lien on the Revolving Priority Collateral pursuant to Section 364(d) or 363(c) (4) of the Bankruptcy Code on the Revolving Priority Collateral. For clarity, Revolving Agent and the Revolving Claimholders shall not

seek to “prime” the Lien of Term Loan Agent and the Term Loan Claimholders on the Term Priority Collateral or request, seek or receive a Lien on the Term Priority Collateral pursuant to Section 364(d) or 363(c)(4) of the Bankruptcy Code on the Term Priority Collateral.

6.3 Sales. Subject to Sections 3.4(a) and 3.8, each of Term Loan Agent and Revolving Agent agrees that it will consent, and will not object or oppose, or support any party in opposing, a motion to Dispose of any Priority Collateral of the other party free and clear of any Liens or other claims under Section 363 or any other provision of the Bankruptcy Code if the requisite Revolving Claimholders under the Revolving Credit Agreement and Revolving Agent, or Term Loan Claimholders under the Term Loan Agreement (and, if applicable, Other Lien Obligations Agreement) and Term Loan Agent, as the case may be, have consented to such Disposition of their respective Priority Collateral, and the terms of any proposed order approving such transaction provide for the respective Liens to attach to the proceeds of the Priority Collateral that is the subject of such Disposition, subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement.

6.4 Relief from the Automatic Stay.

(a) Until the Discharge of Revolving Obligations has occurred, Term Loan Agent agrees not (a) to seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of the Revolving Priority Collateral, without the prior written consent of Revolving Agent or (b) object (or support any other Person objecting) to any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of the Revolving Priority Collateral made by Revolving Agent or any holder of the Revolving Obligations.

(b) Until the Discharge of the Term Loan Obligations has occurred, Revolving Agent agrees not (a) to seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of the Term Priority Collateral, without the prior written consent of Term Loan Agent or (b) object (or support any other Person objecting) to any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of the Term Priority Collateral made by Term Loan Agent or any holder of the Term Loan Obligations.

6.5 Adequate Protection.

(a) In any Insolvency Proceeding involving a Grantor, each of Revolving Agent, Revolving Claimholders, Term Loan Agent and Term Loan Claimholders agrees that it will not oppose (or support any other Person opposing) (i) any request by Term Loan Agent or any Term Loan Claimholder, with respect to the Term Priority Collateral prior to the Discharge of Term Loan Obligations, or Revolving Agent or any Revolving Claimholder, with respect to the Revolving Priority Collateral prior to the Discharge of Revolving Obligations, in each case, for adequate protection for the application of proceeds of Revolving Priority Collateral to the Revolving Obligations, or the proceeds of Term Priority Collateral to the Term Loan Obligations, as applicable, and, with respect to Liens on the Revolving Priority Collateral or the Term Priority Collateral, as applicable, for replacement or additional Liens on post-petition assets of the same type as the Revolving Priority Collateral or the Term Priority Collateral, as applicable, or (ii) as applicable, (A) any objection by Revolving Agent or the Revolving Claimholders to any motion, relief, action or proceeding based on Revolving Agent or the Revolving Claimholders claiming a lack of adequate protection with respect to their Liens upon the Revolving Priority Collateral, or (B) any objection by Term Loan Agent or the Term Loan Claimholders to any motion, relief, action or proceeding based on Term Loan Agent or the Term Loan Claimholders claiming a lack of adequate protection with respect to their Liens upon the Term Priority Collateral; provided, however, that (i) Revolving Agent and Revolving Claimholders may object to any request for adequate protection that would result in any adequate protection payments to Term Loan Agent or Term Loan Claimholders being made with any Revolving Priority Collateral, or with any advances made pursuant to any Revolving DIP Financing prior to the Discharge of the Revolving Obligations and (ii) Term Loan Agent and Term Loan Claimholders may object to any request for adequate protection that would result in any adequate protection payments to Revolving Agent or Revolving Claimholders being made with any Term Priority Collateral, or with any advances made pursuant to any Term DIP Financing prior to the Discharge of the Term Loan Obligations. If Revolving Agent, for itself and on behalf of the Revolving Claimholders, seeks or requires (or is

otherwise granted) adequate protection of its junior interest in the Term Priority Collateral in the form of a replacement or additional Lien on the post-petition assets of the same type as the Term Priority Collateral, a superpriority claim, or as may otherwise be consented to by Term Loan Agent, then Revolving Agent, for itself and the Revolving Claimholders, agrees that Term Loan Agent shall also be granted adequate protection in the same form as Revolving Agent may receive (including in the form of an additional or replacement Lien on post-petition assets of the same type as the Term Priority Collateral or superpriority claim) as adequate protection of its senior interest in the Term Priority Collateral and that Revolving Agent's replacement or additional Lien or superpriority claim (as applicable) shall be subordinated to the replacement or additional Lien or superpriority claim of Term Loan Agent on the same basis as the Liens and claims of Revolving Agent on the Term Priority Collateral are subordinated to the Liens and claims of Term Loan Agent with respect to the Term Loan Collateral under this Agreement; in that regard, Revolving Agent, for itself and the Revolving Claimholders, further agrees that it will not accept any such replacement or additional Liens on such post-petition assets of the same type as the Term Priority Collateral or superpriority claim unless Term Loan Agent shall also have received a replacement or additional Lien thereon or superpriority claim as adequate protection of its senior interest in the Term Priority Collateral that is superior to the additional or replacement Liens or superpriority claim so granted to Revolving Agent. If Term Loan Agent, for itself and on behalf of the Term Loan Claimholders, seeks or requires (or is otherwise granted) adequate protection of its junior interest in the Revolving Priority Collateral in the form of a replacement or additional Lien on the post-petition assets of the same type as the Revolving Priority Collateral, a superpriority claim, or as may otherwise be consented to by Revolving Agent, then Term Loan Agent, for itself and the Term Loan Claimholders, agrees that Revolving Agent shall also be granted adequate protection in the same form as Term Loan Agent may receive (including in the form of an additional or replacement Lien on post-petition assets of the same type as the Revolving Priority Collateral or superpriority claim) as adequate protection of its senior interest in the Revolving Priority Collateral and that Term Loan Agent's replacement or additional Lien or superpriority claim (as applicable) shall be subordinated to the replacement or additional Lien or superpriority claim of Revolving Agent on the same basis as the Liens and claims of Term Loan Agent on the Revolving Priority Collateral are subordinated to the Liens and claims of Revolving Agent with respect to the Revolving Priority Collateral under this Agreement; in that regard, Term Loan Agent, for itself and the Term Loan Claimholders, further agrees that it will not accept any such replacement or additional Liens on such post-petition assets of the same type as the Revolving Priority Collateral or superpriority claim unless Revolving Agent shall also have received a replacement or additional Lien thereon or superpriority claim as adequate protection of its senior interest in the Revolving Priority Collateral that is superior to the additional or replacement Liens or superpriority claims so granted to Term Loan Agent.

(b) Subject to Sections 6.2 and 6.5(a) and other provisions hereof, in any Insolvency Proceeding involving a Grantor, (i) Term Loan Agent and the Term Loan Claimholders may seek, without objection from Revolving Claimholders, adequate protection with respect to their rights in the Term Priority Collateral, and (ii) Revolving Agent and the Revolving Claimholders may seek, without objection from Term Loan Claimholders, adequate protection with respect to their rights in the Revolving Priority Collateral; provided that if any of Term Loan Agent, the Term Loan Claimholders, Revolving Agent or the Revolving Claimholders are granted adequate protection in the form of a replacement or additional Lien (on existing or future assets of Grantors), claim, payment or otherwise, such replacement or additional Lien or other adequate protection shall be subject to the terms of this Agreement.

(c) Neither Term Loan Agent nor any other Term Loan Claimholder shall object to, oppose, or challenge any claim or order by Revolving Agent or any Revolving Claimholder for allowance or payment, including, without limitation, current payment, in any Insolvency Proceeding of Revolving Obligations consisting of post-petition interest, fees, or expenses with the Revolving Priority Collateral (so long as any post-petition interest paid as a result thereof is not paid from the proceeds of Term Priority Collateral or with any advances made pursuant to any Term DIP Financing) or for relief through the automatic stay with respect to the Revolving Priority Collateral.

(d) Neither Revolving Agent nor any other Revolving Claimholder shall object to, oppose, or challenge any claim or order by Term Loan Agent or any Term Loan Claimholder for allowance or payment, including, without limitation, current payment, in any Insolvency Proceeding of Term Loan Obligations consisting of post-petition interest, fees, or expenses with the Term Priority Collateral (so long as any post-petition interest,

fees or expenses paid as a result thereof is not paid from the proceeds of Revolving Priority Collateral or with any advances made pursuant to any Revolving DIP Financing) or for relief through the automatic stay with respect to the Term Priority Collateral.

(e) Term Loan Agent, for itself and on behalf of the Term Loan Claimholders, may seek adequate protection of its junior interest in the Revolving Priority Collateral, subject to the provisions of this Agreement; provided that (x) Revolving Agent is also granted, as applicable, adequate protection in the form of a replacement or additional Lien on post-petition assets of the same type as the Revolving Priority Collateral, or a superpriority claim and (y) such adequate protection sought by Term Loan Agent is in the form of a replacement or additional Lien on post-petition assets of the same type as the Revolving Priority Collateral, or a superpriority claim that is subordinate to the superpriority claim granted to Revolving Agent with respect to the Revolving Priority Collateral.

(f) Revolving Agent, for itself and on behalf of Revolving Claimholders, may seek adequate protection of its junior interest in the Term Priority Collateral, subject to the provisions of this Agreement; provided that (x) Term Loan Agent is also granted, as applicable, adequate protection in the form of a replacement or additional Lien on post-petition assets of the same type as the Term Priority Collateral, or a superpriority claim and (y) such adequate protection sought by Revolving Agent is in the form of a replacement or additional Lien on post-petition assets of the same type as the Term Priority Collateral, or a superpriority claim that is subordinate to the superpriority claim granted to Term Loan Agent with respect to the Term Priority Collateral.

6.6 Certain Waivers as to Sections 506(c) and 1111(b)(2) of Bankruptcy Code.

(a) Term Loan Agent and any Term Loan Claimholder will not object to, or oppose the right of, the holders of Revolving Obligations to make an election under Section 1111(b)(2) of the Bankruptcy Code with respect to the Revolving Priority Collateral. Revolving Agent and any Revolving Claimholder will not object to, or oppose the right of, the holders of Term Loan Obligations to make an election under Section 1111(b)(2) of the Bankruptcy Code with respect to the Term Priority Collateral.

(b) Until the Discharge of Revolving Obligations has occurred, Term Loan Agent, on behalf of itself and the other Term Loan Claimholders, will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code senior to or on a parity with the Liens on Revolving Priority Collateral securing the Revolving Obligations for costs or expenses of preserving or disposing of any Collateral. Until the Discharge of Term Loan Obligations has occurred, Revolving Agent, on behalf of itself and the other Revolving Claimholders, will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code senior to or on a parity with the Liens on Term Priority Collateral securing the Term Loan Obligations for costs or expenses of preserving or disposing of any Collateral.

6.7 Avoidance Issues. If any Claimholder is required in any Insolvency Proceeding or otherwise to turn over, disgorge or otherwise pay to the estate of any Grantor any amount paid in respect of Revolving Obligations or Term Loan Obligations, as the case may be (a "Recovery"), then such Claimholders shall be entitled to a reinstatement of the Revolving Obligations or the Term Loan Obligations, as applicable, with respect to all such recovered amounts, and all rights, interests, priorities and privileges recognized in this Agreement shall apply with respect to any such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.8 Plan of Reorganization. If, in any Insolvency Proceeding involving a Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed or reinstated (in whole or in part) pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of Revolving Obligations and on account of Term Loan Obligations, then, to the extent the debt obligations distributed on account of the Revolving Obligations and on account of the Term Loan Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

6.9 Separate Grants of Security and Separate Classification. Revolving Agent, on behalf of the Revolving Claimholders, and Term Loan Agent, on behalf of the Term Loan Claimholders, acknowledge and intend that: the respective grants of Liens pursuant to the Revolving Collateral Documents and the Term Loan Collateral Documents constitute two separate and distinct grants of Liens, and because of, among other things, their differing rights in the Collateral (i) the Term Loan Obligations are fundamentally different from the Revolving Obligations and, (ii) the Revolving Obligations are fundamentally different from the Term Loan Obligations and, in each case, must be separately classified in any plan of reorganization proposed or confirmed (or approved) in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Revolving Claimholders and the Term Loan Claimholders in respect of the Collateral constitute claims in the same class (rather than at least two separate classes of secured claims with the priorities described in Section 2.1), then the Revolving Claimholders and the Term Loan Claimholders hereby acknowledge and agree that all distributions from the Collateral shall be made as if there were two separate classes of Revolving Obligations and Term Loan Obligations (with the effect being that, to the extent that (x) the aggregate value of the Revolving Claimholders' Revolving Priority Collateral is sufficient (for this purpose ignoring all claims held by the Term Loan Claimholders thereon), the Revolving Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is available from their Revolving Priority Collateral (regardless of whether any such claims may or may not be allowed or allowable in whole or in part as against the Grantor in the respective Insolvency Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise), before any distribution is made from the Revolving Priority Collateral in respect of the Term Loan Obligations with respect to such Collateral, with each Term Loan Claimholder acknowledging and agreeing to turn over to Revolving Agent with respect to such Collateral amounts otherwise received or receivable by them from the Revolving Priority Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries of the Term Loan Obligations and (y) the aggregate value of the Term Loan Claimholders' Term Priority Collateral is sufficient (for this purpose ignoring all claims held by the Revolving Claimholders thereon), the Term Loan Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is available from their Term Priority Collateral (regardless of whether any such claims may or may not be allowed or allowable in whole or in part as against the Grantor in the respective Insolvency Proceeding pursuant to Section 506(b) of the Bankruptcy Code or otherwise), before any distribution is made from the Term Priority Collateral in respect of the Revolving Obligations with respect to such Collateral, with each Revolving Claimholder acknowledging and agreeing to turn over to Term Loan Agent with respect to such Collateral amounts otherwise received or receivable by them from the Term Priority Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries of the Revolving Obligations).

6.10 Certain Actions.

(a) To the extent that Revolving Agent with respect to the Revolving Priority Collateral acts in accordance with the terms of the Revolving Documents and applicable law, Term Loan Agent, on behalf of each Term Loan Claimholder it represents, hereby (i) waives any and all rights it may have as a junior lien creditor or otherwise to object to the manner in which Revolving Agent seeks to enforce or collect its Revolving Obligations or the Liens with respect to the Revolving Priority Collateral securing its Revolving Obligations granted in any of the Revolving Loan Documents and (ii) consents to all such actions, including, without limitation, the exclusive right of such Revolving Claimholders to credit bid with respect to any disposition of its the Revolving Priority Collateral.

(b) To the extent that Term Loan Agent with respect to the Term Priority Collateral acts in accordance with the terms of the Term Documents and applicable law, Revolving Agent, on behalf of each Revolving Claimholder it represents, hereby (i) waives any and all rights it may have as a junior lien creditor or otherwise to object to the manner in which Term Loan Agent seeks to enforce or collect its Term Loan Obligations or the Liens with respect to the Term Priority Collateral securing its Term Loan Obligations granted in any of the Term Loan Documents and (ii) consents to all such actions, including, without limitation, the exclusive right of such Term Loan Claimholders to credit bid with respect to any disposition of its the Term Priority Collateral.

(c) In the case of any disposition described in clause (a)(ii) or (b)(ii) above, if such disposition involves a combination of the Revolving Priority Collateral and Term Priority Collateral, then both the Revolving Claimholders (and Revolving Agent) and the Term Loan Claimholders (and Term Loan Agent) shall be entitled to credit bid with respect thereto but only to the extent that as a component of such credit bid the applicable bidders shall include a cash bid to be applied directly to repay (x) the Term Loan Obligations if the bidder is one or more Revolving Claimholders (or Revolving Agent and (y) the Revolving Obligations if the bidder is one or more Term Loan Claimholders or Term Loan Agent, in each case in a cash amount not less than the applicable allocable amount that would have arisen with respect to such a disposition of such Collateral if the allocation rules in Section 4.1 had applied to such disposition).

SECTION 7. Reliance; Waivers; Etc.

7.1 Reliance. Other than any reliance on the terms of this Agreement, Revolving Agent, on behalf of the Revolving Claimholders, acknowledges that it and such Revolving Claimholders have, independently and without reliance on Term Loan Agent or any Term Loan Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Revolving Loan Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Revolving Loan Documents or this Agreement. 7.4 Obligations Unconditional. For so long as this Agreement is in full force and effect, all rights, interests, agreements and obligations of Revolving Agent and Revolving Claimholders and Term Loan Agent and Term Loan Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

SECTION 8. Representations and Warranties.

8.1 Each Party hereto represents and warrants to the other parties hereto as follows:

(a) Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder.

(b) This Agreement has been duly executed and delivered by such party.

SECTION 9. Miscellaneous.

9.1 Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any of the Revolving Loan Documents or any of the Term Loan Documents, the provisions of this Agreement shall govern and control.

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination (as opposed to debt or claim subordination) and Revolving Claimholders may continue, at any time and without notice to Term Loan Agent or Term Loan Claimholders, to extend credit and other financial accommodations to or for the benefit of any Grantor constituting Revolving Obligations in reliance hereon. Each of Revolving Agent and Term Loan Agent hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency Proceeding. Consistent with, but not in limitation of, the preceding sentence, Revolving Agent and Term Loan Agent, on behalf of the applicable Claimholders, irrevocably acknowledges that this Agreement constitutes a "subordination agreement" within the meaning of both New York law and Section 510(a) of the Bankruptcy Code. Any provision of this Agreement that is prohibited or unenforceable shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Grantor shall include such Grantor as debtor and debtor in possession and any receiver or trustee for such Grantor in any Insolvency Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to Revolving Agent, Revolving Claimholders, and the Revolving Obligations, on the date that the Discharge of Revolving Obligations has occurred; and

(b) with respect to Term Loan Agent, Term Loan Claimholders and the Term Loan Obligations on the date that the Discharge of Term Loan Obligations has occurred.

9.3 Amendments; Waivers. Except as provided in the last two sentences of this Section, no amendment, modification, or waiver of any of the provisions of this Agreement shall be effective unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Any amendments, modifications or waivers can be effected by Revolving Agent, at the direction of the requisite Revolving Claimholders under the Revolving Credit Agreement, and by Term Loan Agent, at the direction of the requisite Term Loan Claimholders under the Term Loan Agreement (and, if applicable, Other Lien Obligation Agreement); provided that the Grantors shall be given notice of any amendment, restatement, amendment and restatement, supplement or other modification of this Agreement promptly upon its execution thereof; provided further, however, that the failure to provide such notices to the Grantors shall not impair any such amendment, restatement, amendment and restatement, supplement or other modification of this Agreement. Notwithstanding the foregoing, (i) no Grantor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent its rights, interests, liabilities or privileges are directly affected or any additional duties or obligations are imposed on it, (ii) this Agreement may be amended at the request and sole expense of the Grantors, and without the consent of any Term Loan Claimholder (other than Term Loan Agent) or Revolving Claimholder (other than Revolving Agent) to give effect to Section 9.15, (a) to add parties (or any authorized agent or trustee therefor) providing any such additionally incurred Other Lien Obligations in compliance with the Term Loan Documents, the Revolving Loan Documents and this Agreement and (b) to establish that Liens on any Collateral securing such Other Lien Obligations which shall have the same priority (or junior priority) as the Liens on any Collateral securing the Term Loan Obligations, existing immediately prior to such incurrence of Other Lien Obligations and (iii) technical modifications may be made to this Agreement to facilitate the inclusion of Other Lien Obligations without any further action by any other party hereto to the extent such Other Lien Obligations are permitted to be incurred under the Revolving Loan Documents and the Term Loan Documents. In connection with any Refinancing of the Term Loan Obligations or Revolving Obligations pursuant to Section 5.3(a) or 5.3(b), as applicable, this Agreement may be amended at the request and sole expense of the Grantors, and without the consent

of either Revolving Agent or Term Loan Agent, (i) to add parties (or any authorized agent or trustee therefor) providing any such Refinancing, (ii) to establish that Liens on any Term Priority Collateral securing such Refinanced debt shall have the same priority as the Liens on any Term Priority Collateral securing the debt being Refinanced and (iii) to establish that the Liens on any Revolving Priority Collateral securing such Refinanced debt shall have the same priority as the Liens on any Revolving Priority Collateral securing the debt being Refinanced.

9.4 Information Concerning Financial Condition of Parent and its Subsidiaries. Revolving Agent and Revolving Claimholders, on the one hand, and Term Loan Agent and Term Loan Claimholders, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of Parent and its Subsidiaries and all endorsers and/or guarantors of the Revolving Obligations or the Term Loan Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Revolving Obligations or the Term Loan Obligations. Revolving Agent and Revolving Claimholders shall have no duty to advise Term Loan Agent and Term Loan Claimholders of information known to it or them regarding such condition or any such circumstances or otherwise. Term Loan Agent and Term Loan Claimholders shall have no duty to advise Revolving Agent or any Revolving Claimholder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event Revolving Agent or any Revolving Claimholders, or Term Loan Agent or any Term Loan Claimholders, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party to this Agreement, it or they shall be under no obligation:

(a) to make, and Revolving Agent and Revolving Claimholders, or Term Loan Agent and Term Loan Claimholders, as the case may be, shall not be required to make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness, or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5 Subrogation. 9.9 Binding on Successors and Assigns. This Agreement shall be binding upon Revolving Agent, Revolving Claimholders, Term Loan Agent, Term Loan Claimholders, and their respective successors and permitted assigns.

9.10 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

9.11 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement or any document or instrument delivered in connection herewith by telecopy or other electronic transmission (including “.pdf” or “.tif” format) shall be effective as delivery of a manually executed counterpart of this Agreement or such other document or instrument, as applicable.

9.12 No Third Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of each of the parties hereto and its respective successors and permitted assigns and shall inure to the benefit of and bind each of Revolving Claimholders and Term Loan Claimholders. Other than for purposes of Sections 2.1, 2.3, 4.5, 5.1, 5.2, 5.3, 5.4, 5.5, 6.2, 7.3(b), 7.3(d), 9.3 and 9.15, in no event shall any Grantor be a third party beneficiary of this Agreement.

9.13 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of Revolving Agent and Revolving Claimholders on the one hand and Term Loan Agent and Term Loan Claimholders on the other hand. Loan Agent and Term Loan Claimholders, the obligations of Grantors to pay principal, interest, fees and other amounts as provided in the Revolving Loan Documents and the Term Loan Documents, respectively.

9.14 Specific Performance. Each of Revolving Agent and Term Loan Agent may demand specific performance of this Agreement. Revolving Agent, on behalf of itself and the Revolving Claimholders, and Term Loan Agent, on behalf of itself and the Term Loan Claimholders, hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by Revolving Agent or the other Revolving Claimholders or Term Loan Agent or the other Term Loan Claimholders, as applicable. Without limiting the generality of the foregoing or of the other provisions of this Agreement, in seeking specific performance in any Insolvency Proceeding, Revolving Agent or Term Loan Agent may seek such or any other relief as if it were the "holder" of the claims of the other agent's Claimholders under Section 1126(a) of the Bankruptcy Code or otherwise had been granted an irrevocable power of attorney by the other agent's Claimholders.

9.15 Other Lien Obligations. The Grantors will be permitted from time to time to designate as an additional holder of Term Loan Obligations hereunder each Person who is, or who becomes or who is to become, the holder of any Other Lien Obligations incurred by the Lead Borrower, Ollie's or such Grantor after the date of this Agreement in accordance with the terms of all applicable Revolving Loan Documents and Term Loan Documents. Any Other Lien Obligations Agent, Term Loan Agent and Revolving Agent shall be entitled to rely conclusively on the determination of the Lead Borrower that such modifications do not violate the provisions of the Term Loan Documents or the Revolving Loan Documents if such determination is set forth in such Officers' Certificate delivered to Revolving Agent and Term Loan Agent; provided, however, that such determination will not affect whether or not the Grantors have complied with its undertakings in the Term Loan Documents or the Revolving Loan Documents;

(b) the administrative agent or trustee and/or collateral agent for such Other Lien Obligations shall execute and deliver to the Agents a Joinder Agreement;

(c) the Term Loan Documents in respect of such Other Lien Obligations shall be subject to, and shall comply with, this Agreement; and

(d) each existing Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Lead Borrower, any exiting Agent (but no other Claimholder) or the administrative agent or trustee and/or collateral agent for such Other Lien Obligations may reasonably request in order to provide to it the rights, remedies and powers and authorities contemplated hereby, in each consistent in all respects with the terms of this Agreement.

Notwithstanding the foregoing, nothing in this Agreement will be construed to allow any other Grantor to incur additional indebtedness unless otherwise permitted by the terms of each applicable Revolving Loan Document and Term Loan Document.

9.16 Intercreditor Agreements. Each party hereto agrees that the Term Loan Claimholders and the Other Lien Obligations Claimholders may enter into intercreditor agreements (or similar arrangements) governing the rights, benefits and privileges as among the such Claimholders, in respect of the Collateral, this Agreement and the other Term Loan Documents or Other Lien Obligations Documents, including as to application of proceeds of the Collateral, voting rights, control of the Collateral and waivers with respect to the Collateral. In any event, if a respective intercreditor agreement (or similar arrangement) exists, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any other Term Loan Document

or Revolving Loan Document, and the provisions of this Agreement and the other Term Loan Documents and Revolving Loan Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms thereof).

2.1. Guarantee. Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the benefit of the Secured Parties and their respective successors, indorsees and permitted transferees and assigns, the prompt and complete payment and performance by the Borrowers when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations.

(a) If and to the extent required in order for the Secured Obligations of any Guarantor to be enforceable under applicable federal, state and other laws relating to the insolvency of debtors, the maximum liability of such Guarantor hereunder shall be limited to the greatest amount which can lawfully be guaranteed by such Guarantor under such laws, after giving effect to any rights of contribution, reimbursement and subrogation arising under Section 2.2.

(b) Each Guarantor agrees that the Secured Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor hereunder without, to the extent permitted by applicable law, impairing the guarantee contained in this Section 2 or affecting the rights and remedies of any Secured Party hereunder.

(c) The guarantee contained in this Section 2 shall remain in full force and effect until the date when no Revolver Commitments are outstanding and Full Payment of all of the Secured Obligations has been made (the "Termination Date"), notwithstanding that from time to time during the term of the Credit Agreement the Borrowers may not then owe any Secured Obligations.

(d) No payment made by any Borrower, any of the Guarantors, any other guarantor or any other person or received or collected by any Secured Party from any Borrower, any of the Guarantors, any other guarantor or any other person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Secured Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor (including by means of setoff or appropriation) in respect of the Secured Obligations or any payment received or collected from such Guarantor in respect of the Secured Obligations), remain liable for the Secured Obligations up to the maximum liability of such Guarantor hereunder until the Termination Date.

2.2. Rights of Reimbursement, Contribution and Subrogation. In case any payment is made on account of the Secured Obligations by any Agreement Party or is received or collected on account of the Secured Obligations from any Agreement Party or its property:

(a) If such payment is made by a Borrower or from its property, then, if and to the extent such payment is made on account of Secured Obligations arising from or relating to a Loan or other extension of credit made to such Borrower, such Borrower shall not be entitled (i) to demand or enforce reimbursement or contribution in respect of such payment from any other Agreement Party or (ii) to be subrogated to any claim, interest, right or remedy of any Secured Party against any other person, including any other Agreement Party or its property.

(b) If such payment is made by a Guarantor or from its property, such Guarantor shall be entitled, subject to and upon Full Payment of the Secured Obligations, (i) to demand and enforce reimbursement for the full amount of such payment from a Borrower and (ii) to demand and enforce contribution in respect of such payment from each other Guarantor that has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors based on the relative value of their assets and any other equitable considerations deemed appropriate by a court of competent jurisdiction.

(c) Until the Termination Date, notwithstanding Sections 2.2(a) and 2.2(b), no Agreement Party shall be entitled to be subrogated (equally and ratably with all other Agreement Parties entitled to reimbursement or contribution from any other Agreement Party as set forth in this Section 2.2) to any security interest that may then be held by the Administrative Agent upon any Collateral granted to it in this Agreement, nor shall any Agreement Party seek or be entitled to seek any contribution or reimbursement from a Borrower or any other Agreement Party in respect of payments made by any Agreement Party hereunder. Such right of subrogation shall be enforceable solely against the Agreement Parties, and not against the Secured Parties, and neither the Administrative Agent nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by any Agreement Party, then (and only after the Termination Date) the Administrative Agent shall deliver to the Agreement Parties making such demand, or to a representative of such Agreement Parties or of the Agreement Parties generally, an instrument reasonably satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Administrative Agent.

(d) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Agreement Party as to any payment on account of the Secured Obligations made by it or received or collected from its property shall be fully subordinated in all respects prior to the Termination Date. Until the Termination Date, no Agreement Party shall demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Agreement Party in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Secured Obligations. If any such payment or distribution is received by any Agreement Party, it shall be held by such Agreement Party in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall promptly be transferred and delivered by such Agreement Party to the Administrative Agent, in the exact form received and, if necessary, duly endorsed, to be applied against any Secured Obligations then outstanding in accordance with Section 6.5.

(e) The obligations of the Agreement Parties under the Loan Documents, including their liability for the Secured Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectability or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2 and the provisions of this Section 2.2 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder. The invalidity, insufficiency, unenforceability or uncollectability of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against any Guarantor or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(f) Each Agreement Party reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any other Agreement Party, but (i) the exercise and enforcement of such rights shall be subject to Section 2.2(d) and (ii) neither the Administrative Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in the last sentence of Section 2.2(c).

2.3. Amendments, etc. with Respect to the Secured Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Secured Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Secured Obligations continued, and the Secured Obligations, or the liability of any other person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or all Lenders, as the case may be) and the applicable Loan Parties may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Secured Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Secured Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4. Guarantee Absolute and Unconditional. Each Guarantor waives, to the extent permitted by applicable law, any and all notice of the creation, renewal, extension or accrual of any of the Secured Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Secured Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between any Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives, to the extent permitted by applicable law, diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any Borrower or any of the Guarantors with respect to the Secured Obligations. Each Guarantor understands and agrees, to the extent permitted by applicable law, that, until the Termination Date, the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Secured Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment, performance or release of guarantee hereunder) which may at any time be available to or be asserted by a Borrower or any other person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers for the Secured Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against any Borrower, any other Guarantor or any other person or against

any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from any Borrower, any other Guarantor or any other person or to realize upon any such collateral security, guarantee or to exercise any such right of offset, or any release of any Borrower, any other Guarantor or any other person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Guarantor, except to the extent of any such release. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.5. Reinstatement. The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars in immediately available funds at the office of the Administrative Agent as specified in the Credit Agreement.

2.7. Subordination of Indebtedness Held by Guarantors. Until the Termination Date, any indebtedness of the Lead Borrower or any other Loan Party now or hereafter held by any Guarantor is hereby subordinated to the indebtedness of the Lead Borrower or such other Loan Party to the Secured Parties; and such indebtedness of the Lead Borrower or such other Loan Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after an Event of Default has occurred and is continuing, so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Parties and be paid over to the Secured Parties on account of the indebtedness of the Lead Borrower or such other Loan Party to the Secured Parties, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Agreement. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of the Lead Borrower or any other Loan Party to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

On the date hereof, to such Grantor's knowledge, except as set forth on Schedule 4.8(d) no person is engaging in any activity that infringes upon, or is otherwise an unauthorized use of, any Material Intellectual Property or upon the rights of such Grantor therein. The consummation of the Transactions contemplated by this Agreement will not result in the termination or impairment of any of the Material Intellectual Property the loss of which would be reasonably likely to have a Material Adverse Effect.

(e) To such Grantor's knowledge, with respect to each Copyright License, Trademark License, Trade Secret License and Patent License that relates to Material Intellectual Property or the loss of which could otherwise have a Material Adverse Effect, such license is (i) valid, enforceable, and in full force and effect; (ii) not subject to any notice of termination prior to scheduled expiration, nor, to the knowledge of the Grantors, subject to any such termination based on the occurrence of any events that have occurred; and (iii) not the subject of any license agreements other than those disclosed in Schedule 4.8(a).

(f) Except in each case as would not reasonably be expected to have a Material Adverse Effect, (i) none of the Trade Secrets of such Grantor that are material to its business have been used, divulged, disclosed or appropriated to the detriment of such Grantor for the benefit of any other person; (ii) no employee, independent contractor or agent of such Grantor has misappropriated any trade secrets of any other person in the course of the performance of his or her duties as an employee, independent contractor or agent of such Grantor; and (iii) no employee, independent contractor or agent of such Grantor is in default or breach of any term of any employment agreement, non-disclosure agreement, assignment of inventions agreement or similar agreement or contract relating in any way to the protection, ownership, development, use or transfer of such Grantor's Intellectual Property.

(g) Except as would not reasonably be expected to have a Material Adverse Effect, such Grantor has taken all commercially reasonable steps to use consistent standards of quality in the manufacture, distribution and sale of all products sold and provision of all services provided under or in connection with any item of Intellectual Property and has taken all commercially reasonable steps to ensure that all licensed users of any kind of Intellectual Property use such consistent standards of quality.

(h) No Grantor is a party to any settlement or consents, judgment, injunction, order, decree, covenants not to sue, non-assertion assurances or releases that would impair the validity or enforceability of, or such Grantor's rights in, any Material Intellectual Property.

4.9. Letters of Credit and Letter of Credit Rights. No Grantor is a beneficiary or assignee under any letter of credit with a face amount in excess of \$1,000,000 (including any "Letter of Credit") other than the letters of credit described on Schedule 4.9 (as such schedule may be amended or supplemented from time to time).

SECTION 5. COVENANTS

Each Grantor covenants and agrees with the Secured Parties that, until the Termination Date:

5.1. Delivery and Control of Certain Collateral.

(a) If any of the Collateral is or shall become evidenced or represented by any Certificated Security or Tangible Chattel Paper, such Certificated Security or Tangible Chattel Paper shall be delivered promptly to the Administrative Agent, duly endorsed, if applicable, in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement, and all of such property owned by any Grantor as of the Closing Date shall be delivered on the Closing Date. Any Pledged Collateral evidenced or represented by any Instrument or Negotiable Document shall be delivered promptly to the Administrative Agent, duly endorsed, if applicable, in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement, and all of such property owned by any Grantor as of the Closing Date shall be delivered on the Closing Date. (b) If any of the Collateral is or shall constitute "Electronic Chattel Paper" (under Article 9 of the UCC) such Grantor shall ensure (to the Administrative Agent's reasonable satisfaction) that (i) a single authoritative copy exists which is unique, identifiable, unalterable (except as provided in clauses (iii), (iv) and (v) of this paragraph), (ii) such authoritative copy identifies the Administrative Agent as the assignee and is communicated to and maintained by the Administrative Agent or its designee, (iii) copies or revisions that add or change the assignee of the authoritative copy can only be made with the participation of the Administrative Agent, (iv) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy and not the authoritative copy and (v) any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision; provided that such actions shall not be required to be taken until the aggregate face amount of the Electronic Chattel Paper included in the Collateral exceeds \$1,000,000.

(c) If any Collateral with a value in excess of \$1,000,000 shall become evidenced or represented by an Uncertificated Security, such Grantor shall cause the Issuer thereof either (i) to register the Administrative Agent as the registered owner of such Uncertificated Security, upon original issue or registration of transfer or (ii) to agree in writing with such Grantor and the Administrative Agent that such Issuer will comply with instructions with respect to such Uncertificated Security originated by the Administrative Agent without further consent of such Grantor, such agreement to be in substantially the form of Exhibit C, or such other form as may be reasonably agreed to by the Administrative Agent, and such actions shall be taken on or prior to the Closing Date with respect to any Uncertificated Securities owned as of the Closing Date by any Grantor.

5.2. Maintenance of Perfected Security Interest; Further Documentation.

(b) At any time and from time to time, upon the reasonable written request of the Administrative Agent, and at the sole expense of such Grantor, such Grantor shall promptly and duly authorize, execute and deliver, and have recorded, such further instruments and documents and take such

further actions as the Administrative Agent may reasonably request in a manner consistent with the definition of Excluded Assets for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, (i) the filing of any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby and (ii) in the case of Investment Property subject to the requirements of Section 5.1 and any Deposit Accounts subject to the requirements of Section 5.12 of the Credit Agreement (including clause (j) of the definition of "Collateral and Guarantee Requirement"), taking any actions necessary to enable the Administrative Agent to obtain "control" (within the meaning of the applicable Uniform Commercial Code) with respect thereto; provided that, notwithstanding any other obligation set forth herein or in the Credit Agreement, the following Collateral shall not be required to be perfected: (i) vehicles and any other assets subject to certificates of title; (ii) Commercial Tort Claims; and (iii) Letter of Credit Rights to the extent not perfected by the filing of a Form UCC-1 financing statement.

(i) a change in its jurisdiction of organization or the location of its chief executive office or sole place of business from that referred to in Section 4.3; or

(ii) a change in its legal name, identity or structure that would render any financing statement filed by the Administrative Agent in connection with this Agreement "seriously misleading" (as such term is used in Section 9-507(b) of the New York UCC).

5.4. Investment Property.

(a) If such Grantor shall receive any Certificated Security (including any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), options or rights in respect of the Equity Interests in any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Equity Interests, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and deliver the same promptly to the Administrative Agent in the exact form received, duly endorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power or similar instrument of transfer covering such Certificated Security duly executed in blank by such Grantor, to be held by the Administrative Agent, subject to the terms hereof, as additional collateral security for the Secured Obligations.

exchange for any stock, partnership interests, limited liability company interests or other equity securities of any nature of any such issuer (except, in each case, pursuant to a transaction expressly permitted by the Credit Agreement), (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, any of the Investment Property constituting Collateral or Proceeds thereof or any interest therein (except, in each case, pursuant to a transaction permitted by the Credit Agreement), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or any Lien permitted thereon pursuant to Section 6.02 of the Credit Agreement, (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Administrative Agent to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein or except as permitted by the Credit Agreement, or (v) cause or permit any Issuer of any Pledged Partnership Interests or Pledged LLC Interests which are not securities (for purposes of the New York UCC) on the date hereof to elect or otherwise take any action to cause such Pledged Partnership Interests or Pledged LLC Interests to be treated as securities for purposes of the New York UCC; provided, however, notwithstanding the foregoing, if any Issuer of any Pledged Partnership Interests or Pledged LLC Interests takes any such action in violation of the provisions in this clause (v), such Grantor shall promptly notify the Administrative Agent in writing of any such election or action and, in such event, shall take all steps necessary or advisable to establish the Administrative Agent's "control" thereof.

(ii) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it shall be bound by the terms of this Agreement relating to the Pledged Collateral issued by it and shall comply with such terms insofar as such terms are applicable to it, (ii) it shall notify the Administrative Agent concurrently with delivery of the financial statements required under Section 5.04(b) of the Credit Agreement in writing of the occurrence of any of the events described in Section 5.4(a) with respect to the Pledged Collateral issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 6.3(c) or 6.7 with respect to the Pledged Collateral issued by it. (b) Except in connection with a transaction permitted by the Credit Agreement, no Grantor shall knowingly do any act or knowingly omit to do any act whereby any material portion of any material Copyright owned by such Grantor is likely to become invalidated or otherwise materially impaired, unless, in the case of each of the foregoing, such Grantor shall have determined, in its reasonable business judgment, that such Copyright is no longer necessary for, or desirable in, the conduct of, such Grantor's business. Such Grantor shall not knowingly do any act whereby any material portion of such Copyright is likely to fall into the public domain, unless such Grantor shall have determined, in its reasonable business judgment, that such Copyright or portion thereof is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(c) Except as could not reasonably be expected to have a Material Adverse Effect or in connection with a transaction permitted by the Credit Agreement, no Grantor shall knowingly do any act that knowingly uses any Material Intellectual Property to infringe, misappropriate or violate the Intellectual Property rights of any other person in any material respect.

(d) Except in connection with a transaction permitted by the Credit Agreement, to the extent consistent with past practice, each Grantor shall use proper statutory notice in connection with the use of the Material Intellectual Property.

(e) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall acquire or become an exclusive licensee of any United States Intellectual Property application or registration or file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office or the United States Copyright Office, which Intellectual Property is material to the operation of the business, such Grantor shall report such event to the Administrative Agent together with the delivery by the Lead Borrower of the financial statements pursuant to Section 5.04(b) of the Credit Agreement. Upon the reasonable written request of the Administrative Agent, such Grantor shall execute and deliver, and have recorded, any of the foregoing items.

(f) Except in connection with a transaction permitted by the Credit Agreement, each Grantor shall take all reasonable and necessary steps, in any proceeding before the United States Patent and Trademark Office or the United States Copyright Office to maintain and pursue each application (for registration) and to maintain each registration of Intellectual Property material to its business, including the prompt filing of all affidavits and other required documents, and the prompt payment of required fees and taxes, the filing of responses to office actions issued by the United States Patent and Trademark Office, the filing of applications for renewal or extension, the filing of affidavits of use and affidavits of incontestability, the payment of maintenance fees, and the participation in interference, opposition, cancellation, infringement and misappropriation proceedings, unless such Grantor shall have determined, in its reasonable business judgment, that any such application or registration of material Intellectual Property is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(g) Such Grantor agrees to execute an Intellectual Property Security Agreement with respect to its Intellectual Property in substantially the form of Exhibit B-1 in order to record the security interest granted in such Intellectual Property herein to the Administrative Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office and the United States Copyright Office.

(h) If any Grantor makes an application for registration of Intellectual Property before the United States Patent and Trademark Office, the United States Copyright Office, or an equivalent thereof in any state of the United States, within forty-five (45) days of the submission of such application

(or ten (10) days in the case of Copyrights), such Grantor shall deliver to the Administrative Agent a copy of such application. In connection with such notice, each Grantor agrees to execute an After-Acquired Intellectual Property Security Agreement with respect to its After-Acquired Intellectual Property in substantially the form of Exhibit B-2 in order to record the security interest granted herein to the Administrative Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office and the United States Copyright Office, as applicable.

(i) Each Grantor agrees, promptly upon learning thereof, to notify the Administrative Agent in writing and to furnish such pertinent information that may be available with respect to, any party who such Grantor believes in its reasonable business judgment is, or may be, materially infringing, misappropriating, misusing, diluting or otherwise violating any material Intellectual Property of such Grantor, or with respect to any party claiming that such Grantor's use of Intellectual Property in or for such Grantor's business violates in any material respect any Intellectual Property right of such party. Each Grantor further agrees to prosecute diligently in accordance with its reasonable business practices and consistent with past practice any person infringing, misappropriating, misusing, diluting, or otherwise violating Intellectual Property that is material to such Grantor's business.

(j) Except in connection with a transaction permitted by the Credit Agreement, each Grantor shall take all commercially reasonable steps necessary to protect the secrecy of all Trade Secrets material to its business.

5.6. Commercial Tort Claims. Such Grantor shall advise the Administrative Agent concurrently with delivery of the financial statements required under Section 5.04(b) of the Credit Agreement of any Commercial Tort Claim held by such Grantor in excess of \$1,000,000 and shall promptly thereafter, upon written request by the Administrative Agent, execute a supplement to this Agreement in form and substance reasonably satisfactory to the Administrative Agent to grant a security interest in such Commercial Tort Claim to the Administrative Agent for the benefit of the Secured Parties.

5.7. Deposit Accounts. The Grantors shall enter into Deposit Account Control Agreements with respect to each Deposit Account maintained by them (other than any Excluded Deposit Account) to the extent provided in Section 5.12 of the Credit Agreement and clause (j) of the definition of "Collateral and Guarantee Requirement" set forth therein.

5.8. Maintenance of Insurance. Each Grantor shall maintain insurance covering the Collateral in accordance with the provisions of Section 5.02 of the Credit Agreement.

SECTION 6. REMEDIAL PROVISIONS

6.1. Certain Matters Relating to Accounts.

(a) At any time after the occurrence and during the continuation of an Event of Default after written notice is delivered to the Grantor, the Administrative Agent shall have the right to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and each Grantor shall use commercially reasonable efforts to furnish all such assistance and information as the Administrative Agent may reasonably require in connection with such test verifications. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party; provided that the provisions of Section 9.16 of the Credit Agreement shall apply to such information.

(b) Subject to Section 5.12(d) of the Credit Agreement, the Administrative Agent hereby authorizes each Grantor to collect such Grantor's Accounts, and each Grantor hereby agrees to continue to collect all amounts due or to become due to such Grantor under the Accounts and any Supporting Obligation and diligently exercise each material right it may have under any Account and any Supporting Obligation, in each case, at its own expense; provided, however, that the Administrative Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default or a Liquidity Period. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Administrative Agent's reasonable written request after the occurrence and during the continuance of any Event of Default, each Grantor shall, at such Grantor's expense, deliver to the Administrative Agent all (to the extent existing and available) original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

6.2. Communications with Obligors; Grantors Remain Liable.

(a) The Administrative Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default, communicate with obligors under the Accounts and parties to the Contracts to verify with them to the Administrative Agent's reasonable satisfaction the existence, amount and terms of any Accounts or Contracts. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party; provided, that the provisions of Section 9.16 of the Credit Agreement shall apply to such information.

(b) Upon reasonable written request of the Administrative Agent, at any time after the occurrence and during the continuance of any Event of Default, the Administrative Agent may at any time notify, or require any Grantor to so notify, the Account Debtor or counterparty on any Account or Contract of the security interest of the Administrative Agent therein. In addition, at any time after the occurrence and during the continuance of any Event of Default, the Administrative Agent may upon written notice to the applicable Grantor, notify, or require any Grantor to notify, the Account Debtor or counterparty to make all payments under the Accounts and/or Contracts directly to the Administrative Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts and Contracts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Administrative Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Administrative Agent or any Secured Party of any payment relating thereto, nor shall the Administrative Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.3. Pledged Collateral.

(a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Equity Interests and all payments made in respect of the Pledged Notes, to the extent permitted in the Credit Agreement, and to exercise all voting and corporate rights with respect to the Pledged Collateral.

(b) If an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its rights pursuant to this Section 6.3(b): (i) all rights of each Grantor to exercise or refrain from exercising the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease and all such rights shall thereupon become vested in the Administrative Agent who shall thereupon have the sole right, but shall be under no obligation, to exercise or refrain from exercising such voting and other consensual rights, (ii) the Administrative Agent shall have the right, without notice to any Grantor, to transfer all or any portion of the Investment Property to its name or the name of its nominee or agent and (iii) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Secured Obligations in accordance with Section 6.5. In addition, the Administrative Agent shall have the right at any time after the occurrence and during the continuance of any Event of Default, without notice to the relevant Grantor, to exchange any certificates or instruments representing any Investment Property for certificates or instruments of smaller or larger denominations. In order to permit the Administrative Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto after the occurrence and during the continuance of any Event of Default and to receive all dividends and other distributions which it may be entitled to receive hereunder, each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Administrative Agent all proxies, dividend payment orders and other instruments as the Administrative Agent may from time to time reasonably request in writing and each Grantor acknowledges that the Administrative Agent may utilize the power of attorney set forth herein.

(c) If an Event of Default shall have occurred and be continuing, each Grantor hereby authorizes and instructs each Issuer of any Pledged Collateral pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Administrative Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) pay any dividends or other payments with respect to the Investment Property, including Pledged Collateral, directly to the Administrative Agent.

(d) If any Event of Default shall have occurred and be continuing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, in the case of any Intellectual Property Collateral, execute, deliver, and have recorded, any and all agreements, instruments, documents and papers as may be required by the United States Patent and Trademark Office, United States Copyright Office or similar registrar in order to effect an assignment of all right, title and interest in all registered Intellectual Property Collateral and each application for such registration, and record the same, as well as take any or all of the following actions: (1) declare the entire right, title and interest of such Grantor in and to the Intellectual Property Collateral, vested in the Administrative Agent for the benefit of the Lenders, in which event such right, title and interest

shall immediately vest; (2) take and use or sell the Intellectual Property Collateral; (3) take and use or sell the goodwill of such Grantor's business symbolized by the Trademarks included within the Intellectual Property Collateral and the right to carry on the business and use the assets of such Grantor in connection with which Trademarks or Domain Names included within the Intellectual Property Collateral have been used; and (4) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Intellectual Property Collateral or Licensed Intellectual Property in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Administrative Agent may reasonably request to further confirm this and to transfer ownership of the Intellectual Property Collateral and registrations and any pending applications in the United States Patent and Trademark Office, United States Copyright Office, equivalent office in a state of the United States or applicable Domain Name registrar to the Administrative Agent.

6.4. Proceeds to be Turned Over To Administrative Agent. In addition to the rights of the Administrative Agent and the other Secured Parties specified in Section 6.1 and 5.12(d) of the Credit Agreement with respect to payments of Accounts and other Current Asset Collateral, if an Event of Default shall occur and be continuing, all Proceeds received by any Grantor consisting of cash, cash equivalents, checks and other near-cash items shall be held by such Grantor in trust for the Administrative Agent and the other Secured Parties, segregated from other funds of such Grantor, and shall, promptly upon demand, be turned over to the Administrative Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Administrative Agent, if required). All Proceeds received by the Administrative Agent hereunder shall be held by the Administrative Agent in the Dominion Account or in a Collateral Account. All Proceeds while held by the Administrative Agent in the Dominion Account or in a Collateral Account (or by such Grantor in trust for the Administrative Agent and the other Secured Parties) shall continue to be held as collateral security for all the Secured Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5. Application of Proceeds. If an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent may apply all or any part of the net Proceeds (after deducting fees and expenses as provided in Section 6.6) constituting Collateral realized through the exercise by the Administrative Agent of its remedies hereunder, whether or not held in the Dominion Account or in a Collateral Account, and any proceeds of the guarantee set forth in Section 2, in payment of the Secured Obligations in the manner provided in Section 7.02 of the Credit Agreement.

6.6. Code and Other Remedies.

(a) If an Event of Default shall have occurred and be continuing, the Administrative Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the New York UCC (whether or not the New York UCC applies to the affected Collateral) or its rights under any other applicable law or in equity. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below, by the Credit Agreement, this Agreement or any other Loan Document) to or upon any Grantor or any other person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or

contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall, to the extent permitted by law, constitute reasonable notification. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Administrative Agent may sell the Collateral without giving any warranties as to the Collateral. The Administrative Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Administrative Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Administrative Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Administrative Agent's reasonable written request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere upon the occurrence and during the continuance of any Event of Default. The Administrative Agent shall have the right to enter onto the property where any Collateral is located and take possession thereof with or without judicial process.

(b) The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including reasonable attorneys' fees and disbursements to the extent required to be paid in accordance with the Credit Agreement, to the payment in whole or in part of the Secured Obligations in accordance with Section 6.5 and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a) of the New York UCC, need the Administrative Agent account for the surplus, if any, to any Grantor. If the Administrative Agent sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Administrative Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Administrative Agent may resell the Collateral and the Grantor shall be credited with proceeds of the sale. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by them of any rights hereunder.

(c) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Equity Interests or the Pledged Debt Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Equity Interests or the Pledged Debt Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(d) Each Grantor agrees to use its commercially reasonable efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Equity Interests or the Pledged Debt Securities pursuant to this Section 6.6 valid and binding and in compliance with any and all other applicable law.

6.7. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations.

SECTION 7. THE ADMINISTRATIVE AGENT

7.1. Administrative Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable (until the Termination Date) power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or Contract or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed reasonably appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Account or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property Collateral, execute, deliver, and have recorded, any and all agreements, instruments, documents and papers that the Administrative Agent may reasonably request to effect the remedies set forth in Section 6.3(d);

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem reasonably appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its reasonable discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If an Event of Default has occurred and is continuing and if any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however if a Default has occurred and is continuing, and if any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance (except as otherwise provided herein) solely to cause the Collateral and Guarantee Requirement to be, or remain, satisfied.

(c) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until the Termination Date.

7.2. Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except from their own gross negligence or willful misconduct or breach of a duty owed to such Grantor.

7.3. Execution of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the New York UCC and any other applicable law, each Grantor authorizes the Administrative Agent to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral, in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Administrative Agent under this Agreement. Each Grantor agrees that such financing statements may describe the collateral in the same manner as described in the Security Documents or as "all assets" or "all personal property," whether now owned or hereafter existing or acquired or such other description as the Administrative Agent, in its sole judgment, reasonably determines is necessary or advisable. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4. Authority of Administrative Agent. Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the other Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5. Appointment of Co-Collateral Agents. At any time or from time to time, in order to comply with any applicable requirement of law, the Administrative Agent may appoint another bank or trust company or one of more other persons, either to act as co-agent or agents on behalf of the Secured Parties with such power and authority as may be reasonably necessary for the effectual operation of the provisions hereof and which may be specified in the instrument of appointment (which may, in the discretion of the Administrative Agent, include provisions for indemnification and similar protections of such co-agent or separate agent).

SECTION 8. MISCELLANEOUS

8.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 9.08 of the Credit Agreement; provided that any provision of this Agreement imposing obligations on any Grantor may be waived by the Administrative Agent in a written instrument executed by the Administrative Agent.

8.2. Notices. All notices, requests and demands to or upon the Administrative Agent or any Grantor hereunder shall be effected in the manner provided for in Section 9.01 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 8.2.

8.3. No Waiver by Course of Conduct; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4. Enforcement Expenses; Indemnification.

(a) Each Agreement Party agrees to pay or reimburse each Secured Party for all its reasonable costs and expenses incurred in collecting against such Agreement Party under the guarantee contained in Section 2 or otherwise in enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Agreement Party is a party (but limited in the case of legal fees and expenses, to those fees and expenses reimbursable under Section 9.05(a) of the Credit Agreement).

(b) Each Agreement Party agrees to pay, and to hold the other Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Agreement Party agrees to pay, and to hold the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrowers would be required to do so pursuant to Section 9.05 of the Credit Agreement.

(d) The agreements in this Section shall survive the Termination Date.

8.5. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Agreement Party and shall inure to the benefit of the Secured Parties and their respective permitted successors and assigns; provided that, except as otherwise permitted by the Credit Agreement, no Agreement Party may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent, and any attempted assignment without such consent shall be null and void.

8.6. Set-Off. Each Agreement Party hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Agreement Party or any other Agreement Party, any such notice being expressly waived by each Agreement Party to the extent permitted by applicable law, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Agreement Party, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Agreement Party to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Agreement Party, in any currency, whether arising hereunder, under the Credit Agreement, any other Loan Document or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party shall notify such Agreement Party promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including other rights of set-off) which such Secured Party may have.

8.7. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (including.pdf)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.8. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.10. Integration. This Agreement and the other Loan Documents represent the agreement of the Agreement Parties, the Administrative Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

8.11. APPLICABLE LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

8.12. Submission to Jurisdiction; Waivers. Each Agreement Party and the Administrative Agent hereby irrevocably and unconditionally:

(a) submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender, the Administrative Agent or any Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Parent, the Borrowers or any Loan Party or their properties in the courts of any jurisdiction;

(b) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court; and

(c) agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested at its address provided in Section 9.01 of the Credit Agreement and agrees that service as so provided in is sufficient to confer personal jurisdiction over the applicable credit party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and agrees that agents and lenders retain the right to serve process in any other manner permitted by law or to bring proceedings against any credit party in the courts of any other jurisdiction.

8.13. Acknowledgments. Each Agreement Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) no Secured Party has any fiduciary relationship with or duty to any Agreement Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agreement Parties, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Agreement Parties and the Secured Parties.

8.14. Additional Grantors. Each Subsidiary of the Lead Borrower that is required to become a party to this Agreement pursuant to Section 5.09 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Exhibit D hereto.

8.15. Releases.

(a) On the Termination Date, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Agreement Party hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor on or following the Termination Date, the Administrative Agent shall deliver to such Grantor any Collateral held by the Administrative Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) The obligations of Guarantors that are Subsidiaries and the security interests created hereunder shall be subject to release in accordance with Section 9.17 of the Credit Agreement.

(c) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement originally filed in connection herewith without the prior written consent of the Administrative Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the New York UCC.

8.16. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Collateral granted to the Administrative Agent pursuant to this Agreement or any other Loan Document and the exercise of any of the relative rights and remedies of the Administrative Agent hereunder shall be subject to, and governed by the terms and conditions of, the Intercreditor Agreement at any time the Intercreditor Agreement is in effect. In the event of any conflict or inconsistency between the terms and conditions hereof and the terms and conditions of the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall govern and control at any time the Intercreditor Agreement is in effect. Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, but subject to the Intercreditor Agreement in all respects, until the Discharge of Term Obligations (as defined in the Intercreditor Agreement): (i) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the delivery and/or arrangement for possession of Collateral that constitutes Term Priority Collateral or delivery and/or arrangement for control of any certificated securities that constitute Term Priority Collateral to or with the Administrative Agent shall be deemed satisfied or complied with (or in the case of any representation or warranty, shall be deemed to be true and correct) if such delivery and/or arrangement for possession of Collateral that constitutes Term Priority Collateral is made to, or such control of certificated securities is with the Term Agent pursuant to the Term Documents; (ii) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the payment or other transfer of Collateral that constitutes Term Priority Collateral to the Administrative Agent shall be deemed to have been satisfied (or, in the case of any representation or warranty, shall be deemed to be true and correct) if such payment or transfer shall have been made to the Term Agent; (iii) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the endorsement of any Collateral

that constitutes Term Priority Collateral or related document to the Administrative Agent shall be deemed to have been satisfied (or, in the case of any representation or warranty, shall be deemed to be true and correct) if such endorsement shall have been made to the Term Agent; and (iv) any covenant requiring that a Grantor receive and/or hold any Collateral that constitutes Term Priority Collateral in trust for the benefit of the Administrative Agent shall be deemed to have been satisfied to the extent that such Grantor receives or holds (as applicable) such Collateral in trust for the benefit of the Term Agent and the Administrative Agent.

8.17. WAIVER OF JURY TRIAL. EACH AGREEMENT PARTY AND THE ADMINISTRATIVE AGENT HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.17 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

SECTION 1.08 Pro Forma. (a) Notwithstanding anything to the contrary contained herein, financial ratios and tests (including the Total Leverage Ratio and the Secured Leverage Ratio and the amount of Consolidated Total Assets and Consolidated Total Debt) pursuant to this Agreement shall be calculated in the manner prescribed by the definition of "Pro Forma Basis."

(b) In the case of any calculation of Consolidated Total Assets, Consolidated Total Debt and Total Leverage Ratio for any events as described above that occur prior to the date on which financial statements have been (or are required to be) delivered pursuant to Section 5.04(b) for the fiscal quarter ended September 30, 2012, such calculation required to be made on a "Pro Forma Basis" shall use the financial statements for fiscal quarter ended on June 30, 2012.

SECTION 2.01 Commitments. Upon the terms and subject to the conditions set forth herein, each Lender agrees, severally and not jointly, to make Term Loans to the Borrowers on the Closing Date in an aggregate principal amount not to exceed such Lender's Commitment. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02 Loans and Borrowings.

(a) On the Closing Date, all Term Loans shall be made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Term Loan required to be made by it shall not relieve any other Lender of its obligations hereunder.

(b) Subject to Section 2.14, the Borrowing on the Closing Date shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrowers may request in accordance herewith. Each Lender at its option may make any ABR Loan or Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Term Loan; provided that, any exercise of such option shall not affect the obligation of the Borrowers to repay such Term Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any greater indemnification under Section 2.15 or 2.17 with respect to such Eurodollar Loan than that which the applicable Lender was entitled on the date such Term Loan was made (except in connection with any indemnification entitlement arising as a result of a Change in Law after the date on which such term Loan was made).

(c) The aggregate principal amount of any Borrowing shall not be less than (x) in the case of ABR Loans, \$100,000 and (y) in the case of Eurodollar Loans, \$1,000,000 (and integral amounts of \$100,000 thereof). Borrowings of more than one Type may be outstanding at the same time; provided that, without the consent of the Administrative Agent, there shall not at any time be more than a total of six (6) Eurodollar Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03 Requests for Borrowings and Notices.

(a) To request the Borrowing of Term Loan, the Lead Borrower shall notify the Administrative Agent of such request either in writing by delivery of a written Borrowing Request (by hand delivery, fax or other electronic transmission (including ".pdf" or ".tif")) signed by the Lead Borrower or by telephone (a) in the case of a Eurodollar Borrowing, not later than 12:00 p.m., Local Time, three (3) Business Days (or, in the case of a Eurodollar Borrowing to be made on the Closing Date, two (2) Business Days) before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., Local Time, one (1) Business Day before the date of the proposed Borrowing (or, if agreed by the Administrative Agent, on the Closing Date). Such written Borrowing Request shall specify the following information in compliance with Section 2.02:

(b) the aggregate amount of the requested Borrowing;

(c) the date of such Borrowing, which shall be a Business Day;

(d) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;

(e) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(f) the location and number of the applicable Borrower's account to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to a requested Eurodollar Borrowing, then the Lead Borrower shall be deemed to have selected a Eurodollar Borrowing with an Interest Period of one (1) month's duration. Promptly following receipt of the Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Term Loan to be made as part of the requested Borrowing.

SECTION 2.04 [Reserved].

SECTION 2.05 [Reserved].

SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make the Term Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make the proceeds of such Term Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account designated by the Borrowers in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the Closing Date that such Lender will not make available to the Administrative Agent such Lender's share of the Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent (provided, that any such payment by the Borrowers to the Administrative Agent is without prejudice to any claim the Borrowers may have against such applicable Lender) forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Term Loan included in such Borrowing.

SECTION 2.07 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in the Borrowing Request. Thereafter, the Borrowers may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrowers may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Term Loans comprising such Borrowing, and the Term Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrowers shall notify the Administrative Agent of such election either delivered in writing (by hand delivery, fax or other electronic transmission (including “.pdf” or “.tif”)) or by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and, in the case of a telephonic Interest Election Request, shall be confirmed promptly (but in any event on the same Business Day) by hand delivery, fax or other electronic transmission (including “.pdf” or “.tif”) to the Administrative Agent of a written Interest Election Request in the form of Exhibit D and signed by the Borrowers.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and
- (iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period.”

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If the Borrowers fail to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default

has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrowers, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.08 Termination of Commitments. Each Lender's Commitment shall automatically terminate upon the making of the Term Loans on the Closing Date.

SECTION 2.09 Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent (or its agent or sub-agent appointed by it) shall maintain the Register, as set forth in Section 9.04(b)(iv), in which it shall record (i) the amount of each Loan made hereunder and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(c) The entries made in the accounts maintained pursuant to paragraph (a) or (b) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement and, provided further that in the event of any inconsistency between the Register and any Lender's records, the recordings in the Register shall govern.

(d) Any Lender may request that the Loans made by it be evidenced by a promissory note (a "Note") in the form of Exhibit M. In such event, the Borrowers shall prepare, execute and deliver to such Lender a Note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one (1) or more promissory notes in such form payable to the payee named therein.

SECTION 2.10 Repayment of Loans. Subject to the other paragraphs of this Section, commencing of the first full fiscal quarter after the Closing Date, the Borrowers shall (subject to the application of Section 2.23) repay Borrowings (x) on the last Business Day of each fiscal quarter prior to the Maturity Date (each such date being referred to as a "Term Loan Installment Date"), in each case in an amount equal to 0.25% of the original principal amount of the Term Loans on the Closing Date (as such repayment amounts may be reduced from time to time pursuant to Sections 2.11 and 9.04(g)), and (y) on the Maturity Date, shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date.

SECTION 2.11 Prepayment of Term Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(ii) of this Section, the Borrowers shall have the right at any time and from time to time to prepay any Borrowing of Term Loans in whole or in part without premium or penalty (but subject to Section 2.12(c) and Section 2.16). Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages.

(ii) The Borrowers shall notify the Administrative Agent by telephone (confirmed in writing) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 p.m., Local Time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., Local Time, on the day of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Borrowing of the same Type as provided in Section 2.02(c). Each prepayment of Term Loans made pursuant to this Section 2.11(a) shall be applied against the remaining scheduled installments of principal due in respect of the Term Loans in the manner specified by the Borrowers or, if not so specified on or prior to the date of such optional prepayment, in direct order of maturity.

(b) Subject to Section 2.11(e), the Borrowers shall apply, without duplication, all Net Proceeds within three (3) Business Days of receipt thereof to prepay outstanding Term Loans.

(c) Not later than the earlier of (x) five (5) days after delivery of the financial statements pursuant to Section 5.04(a) and (y) one hundred twenty-five (125) days after the end of each Excess Cash Flow Period (the date of such prepayment, the "Excess Cash Flow Prepayment Date"), the Borrowers shall prepay outstanding Term Loans in an aggregate amount equal to (i) an amount equal to the Required Percentage of Excess Cash Flow for such Excess Cash Flow Period, and, at the option of the Borrower, minus (ii) without duplication of amounts previously deducted in respect of prior Excess Cash Flow Periods, (A) the aggregate principal amount of Voluntary Prepayments and (B) the aggregate amount of cash proceeds (other than from long-term Indebtedness including revolving Indebtedness) used by Parent, the Borrowers or any Restricted Subsidiary to prepay, purchase or acquire principal of Loans pursuant to Section 9.04(h), in each case, made at any time from the first day of the applicable Excess Cash Flow Period until the Excess Cash Flow Prepayment Date.

(d) Concurrently with any prepayment pursuant to Section 2.11(b), the Lead Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer demonstrating the calculation of the amount of the applicable Net Proceeds. In the event that the Lead Borrower shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the Lead Borrower shall promptly make an additional prepayment of the Term Loans in an amount equal to such excess, and the Lead Borrower shall concurrently therewith deliver to Administrative Agent a certificate of a Financial Officer demonstrating the derivation of such excess.

(e) If the Lead Borrower reasonably determines in good faith that the upstreaming or transferring as a dividend of any amounts required to mandatorily prepay the Term Loans pursuant to Section 2.11(b) or Section 2.11(c) would result in an additional current tax liability (such amount, a “Restricted Amount”), the amount the Borrowers shall be required to mandatorily prepay pursuant to Section 2.11(b) or Section 2.11(c), as applicable, shall be reduced by the Restricted Amount until such time as it may upstream or transfer such Restricted Amount without incurring such additional current tax liability; provided that the Lead Borrower hereby agrees to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriations even if the Borrowers do not intend to actually repatriate such cash, so that an amount equal to the full amount of such Net Proceeds will otherwise be subject to repayment under Section 2.11(b) or (c).

(f) Notwithstanding anything to the contrary contained in this Section 2.11, if any Lender shall notify the Administrative Agent on or prior to the date of any prepayment that it wishes to decline its share of any prepayment made pursuant to Section 2.11(b) or Section 2.11(c), such share (the “Declined Prepayment Amount”) may be retained by the Borrowers; provided that in no event shall any Lender have the right to decline any prepayment in connection with a refinancing of the Term Loans.

(g) Each prepayment of Term Loans made pursuant to Sections 2.11(b) and (c) shall be applied against the remaining scheduled installments of principal due in respect of the Term Loans in the manner specified by the Lead Borrower, or if not so specified on or prior to the date of such prepayment, in direct order of maturity.

SECTION 2.12 Fees.

(a) The Borrowers agree to pay to the Administrative Agent, for the account of the Administrative Agent, the agency fees set forth in the Fee Letter, at the times and in the amount specified therein (the “Fees”).

(b) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent. Once paid, none of the fees shall be refundable under any circumstances.

(c) At the time of the effectiveness of any Repricing Transaction that is consummated prior to the first anniversary of the Closing Date, the Borrowers agree to pay to the Administrative Agent, for the ratable account of each Lender with Term Loans that are either repaid, converted or subjected to a pricing reduction in connection with such Repricing Transaction (including each Lender that withholds its consent to such Repricing Transaction and is replaced as a Non-Consenting Lender under Section 2.19 (but not, for the avoidance of doubt, the Replacement Lender, in its capacity as such)), a fee in an amount equal to 1.0% of (x) in the case of a Repricing Transaction described in clause (x) of the definition thereof, the aggregate principal amount of all Term Loans prepaid or converted in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction described in clause (y) of the definition thereof, the aggregate principal amount of all Term Loans outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction. Such fees shall be earned, due and payable upon the date of the effectiveness of such Repricing Transaction.

SECTION 2.13 Interest.

(a) The Term Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Term Loans comprising each Eurodollar Borrowing shall bear interest at the Eurodollar Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Term Loan or any fees payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of, or interest on, any Term Loan, 2% plus the rate otherwise applicable to such Term Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section (in each case, the "Default Rate").

(d) Accrued interest on each Term Loan shall be payable in arrears on each Interest Payment Date for such Term Loan and on the Maturity Date; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Term Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Eurodollar Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of three hundred sixty (360) days, except that interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of three hundred sixty-five (365) days (or three hundred sixty-six (366) days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Eurodollar Base Rate or Eurodollar Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Required Lenders reasonably determine that adequate and reasonable means do not exist for ascertaining the Eurodollar Base Rate or the Eurodollar Rate, as applicable, for such Interest Period; or

(b) the Required Lenders reasonably determine that the Eurodollar Base Rate or the Eurodollar Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Term Loans included in such Borrowing for such Interest Period;

then the Administrative Agent (upon receiving notice from the Required Lenders of any such determination) shall give written notice thereof to the Borrowers and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist (which notice the Administrative Agent agrees to give promptly

when such circumstances no longer exist), (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if the Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing. Upon receiving such notice from the Administrative Agent, the Lead Borrower may revoke any pending request for a Borrowing, conversion or continuation of a Eurodollar Borrowing.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Eurodollar Rate); or
- (ii) subject any Lender Party to any Taxes (other than (A) Indemnified Taxes or Other Taxes paid or payable under Section 2.17 and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or
- (iii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then within thirty (30) days of receipt of a certificate of the type specified in paragraph (d) below the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time within thirty (30) days of receipt of a certificate of the type specified in paragraph (d) below the Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform

and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a Change in Law, regardless of the date enacted, adopted, issued or implemented.

(d) A certificate of a Lender setting forth in reasonable detail the calculation of the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(e) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrowers thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than ninety (90) days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the ninety (90)-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event (excluding loss of anticipated profits, including margin). Such loss, cost and expense to any Lender shall be deemed to be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurodollar Rate that would have been applicable to such Loan but exclusive of the Applicable Margin relating thereto, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for U.S. Dollar deposits of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any Loan Document shall be made free and clear of and without deduction or withholding for any Indemnified Taxes or Other Taxes; provided that if a Loan Party shall be required by

applicable law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, any Lender or any Issuing Bank, as applicable, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) such withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent or such Lender on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto; provided that the Loan Parties shall not be required to compensate the Administrative Agent or any Lender pursuant to this Section 2.17 for any Indemnified Taxes or Other Taxes incurred more than 90 days prior to the date that the Administrative Agent or such Lender makes such written demand to the Loan Parties; provided, further, that if such Indemnified Taxes or Other Taxes are imposed retroactively, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof. A certificate as to the amount of such payment or liability, prepared in good faith and delivered to such Loan Party by a Lender or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (A) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two (2) sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(B) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrowers within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one (1) or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), executed originals of any other form prescribed

by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Lead Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

(f) If the Administrative Agent or a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over an amount equal to such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Lender and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to any Loan Party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(f) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person.

(g) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so) and (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (g).

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrowers shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrowers by the Administrative Agent. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Each Borrowing, each payment or prepayment of principal of any Borrowing, each payment of interest on the Loans of a given Class and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type (and of the same Class) shall be allocated pro rata among the Lenders in accordance with their respective Applicable Percentages. All payments hereunder shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, interest and fees then due from the Borrowers hereunder, such funds (except as otherwise provided in the Collateral Agreement with respect to the application of amounts realized from the Collateral) shall be applied (i) first, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If (other than (x) any payment obtained by a Lender as consideration for the assignment or sale of a participation in any of its Loans of any Class to any assignee or participant or (y) as otherwise expressly provided elsewhere herein, including, without limitation, as provided in or contemplated by Section 2.22, Section 2.23, Sections 9.04(f) or Section 9.08(d)), any Lender shall, by

exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of any Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders of such Class to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement. The Borrowers consent to the foregoing and agree, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender is a Defaulting Lender or becomes an Affected Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, (i) so long as no Specified Event of Default has occurred and is continuing, repay all Obligations of the Borrowers owing to such Lender relating to the Loans and participations held by such Lender as of such termination date or (ii) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments, (iv) the Borrowers shall be liable to such Lender under Section 2.16 if any Eurodollar Loan owing to such Lender is repaid or purchased other than on the last day of the Interest Period relating thereto, (v) such assignment shall otherwise comply with Section 9.04 (provided that the Borrowers shall be obligated to pay the registration and processing fee referred to therein) and (vi) until such time as such obligations are repaid or such assignment is consummated, the Borrowers shall pay all additional amounts (if any) required pursuant to Section 2.15 or Section 2.17, as the case may be. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrowers, the Administrative Agent or any Lender may have against any replaced Lender. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.19(b).

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders or all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrowers shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by (i) repaying all obligations of the Borrowers owing to such Lender relating to the Loans and participations held by such Lender as of such termination date or (ii) requiring such Non-Consenting Lender to assign (in accordance with and subject to the restrictions contained in Section 9.04) all or the affected portion of its Loans hereunder to one (1) or more assignees, provided that: (a) all Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon, (c) the Borrowers shall be liable to such Lender under Section 2.16 if any Eurodollar Loan owing to such Lender is repaid or purchased other than on the last day of the Interest Period relating thereto, (d) with respect to any such assignment occurring prior to the first anniversary of the Closing Date as a result of a Repricing Transaction, the Borrowers shall be liable to such Lender under Section 2.12(c) for the payment of a prepayment premium in accordance with the terms thereof, (e) such assignment shall otherwise comply with Section 9.04 (provided that the Borrowers shall be obligated to pay the registration and processing fee referred to therein) and (f) the replacement Lender shall grant its

consent with respect to the applicable proposed amendment, waiver, discharge or termination. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.19(c).

SECTION 2.20 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurodollar Loans, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent (at which time such Lender shall be deemed an "Affected Lender"), any obligations of such Affected Lender to make or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings shall be suspended until such Affected Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Affected Lender (with a copy to the Administrative Agent), either convert all Eurodollar Borrowings of such Affected Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Affected Lender may lawfully continue to maintain such Eurodollar Borrowings to such day, or immediately, if such Affected Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.21 Defaulting Lenders.

(a) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of a Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.06), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *third*, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by any Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *fourth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto. A Lender shall not be entitled to receive any fees accruing hereunder during the period in which it is a Defaulting Lender.

(b) The Borrowers and the Administrative Agent may agree in writing that a Lender is no longer a Defaulting Lender. Unless expressly agreed in writing by the Lead Borrower and the Administrative Agent (each of which shall make such determination, in its sole discretion), no reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to perform its obligations hereunder shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender.

SECTION 2.22 Incremental Extensions of Credit. (a) The Borrowers and any one or more Lenders (including New Lenders) may (but shall have no obligation) from time to time agree that such Lenders shall provide to the Borrowers Incremental Term Loans by executing and delivering to the Administrative Agent an Increased Facility Activation Notice specifying (i) the amount of such increase or the additional loans or facilities (any such new facility or increase an “Incremental Term Facility” and any loans made pursuant to an Incremental Term Facility, “Incremental Term Loans”), (ii) the applicable Increased Facility Closing Date, (iii) the applicable Incremental Term Maturity Date, (iv) the amortization schedule for such Incremental Term Loans and (v) the Applicable Margin for such Incremental Term Loans; provided that

(i) except as otherwise agreed by the lenders in respect of such Incremental Term Facility, immediately prior to and after giving effect to any Increased Facility Activation Notice (and the making of any Incremental Term Loans pursuant thereto), no Event of Default has occurred and is continuing or shall result therefrom,

(ii) the aggregate principal amount of all Incremental Term Loans pursuant to this Section 2.22, shall not exceed (A) together with the aggregate initial principal amount of any Incremental Equivalent Debt or any Permitted Refinancing Indebtedness in respect thereof incurred pursuant to Section 6.01(p), \$75.0 million (less any Incremental ABL Commitments) plus (B) in the case of Incremental Term Loans incurred pursuant to preceding clause (A) or this clause (B) that serve to effectively extend the maturity of then existing Term Loans, an amount equal to the reductions in such Term Loan with such Incremental Term Loans plus (C) an additional amount if, after giving effect to such additional amount, on a Pro Forma Basis the Total Leverage Ratio for the most recently completed Test Period does not exceed 4.25:1.00 (determined without deductions for any cash proceeds received by the Borrowers from the incurrence of any Incremental Term Facility) (the amounts described in clauses (A), (B) and (C) above, the “Incremental Cap”);

(iii) the Weighted Average Life to Maturity of the Incremental Term Loans shall not be shorter than the Weighted Average Life to Maturity of the Term Loans,

(iv) each Incremental Term Facility shall have a final maturity date no earlier than the Latest Maturity Date,

(v) if the Effective Yield in respect of any such Incremental Term Loans that are pari passu in right of payment and are secured equally and ratably with the Term Loans provided to the Borrowers exceeds the Effective Yield for the existing Term Loans by more than 0.50%, the Applicable Margin for the existing Term Loans shall be increased so that the Effective Yield in respect of such existing Term Loans is equal to the Effective Yield for the Incremental Term Loans less 0.50% (provided that if the applicable Incremental Term Facility includes any interest rate floor greater than that applicable to the Term Loans, and such floor is applicable to the Term Loan Facility on the date of the applicable Increased Facility Activation Notice, such excess amount shall be equated to interest margin for determining the increase),

(vi) all Incremental Term Loans shall rank pari passu or subordinated in right of payment and pari passu or subordinated in right of security in respect of the Collateral

with the Term Loans or may be unsecured; provided that to the extent any such Incremental Term Loans (including any Incremental Equivalent Debt) are pari passu or subordinated in right of payment or right of security to the Term Loans, they shall be subject to intercreditor arrangements reasonably satisfactory to the Administrative Agent, and

(vii) each Incremental Term Facility shall share ratably in any prepayments of the Term Facility unless the Borrowers and the lenders in respect of such Incremental Term Facility elect lesser payments.

Notwithstanding the foregoing, without the consent of the Administrative Agent, (x) each increase effected pursuant to this paragraph shall be in a minimum amount of at least \$10.0 million and (y) no more than six (6) Increased Facility Closing Dates may be selected by the Borrowers after the Closing Date. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(b) Any additional bank, financial institution or other entity which, with the consent of the Lead Borrower and (to the extent such consent would be required under Section 9.04 with respect to an assignment of Term Loans to such person) the consent of the Administrative Agent (which consent shall not be unreasonably withheld), elects to become a "Lender" under this Agreement in connection with any transaction described in Section 2.22(a) shall execute a New Lender Supplement (each, a "New Lender Supplement"), substantially in the form of Exhibit K, whereupon such bank, financial institution or other entity (a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement and the other Loan Documents, and, except as otherwise provided above in clause (a)(vi), shall benefit equally and ratably from the Guarantees and security interests created by the Security Documents; provided that (i) the Sponsor and any Non-Debt Fund Affiliate shall be permitted (without Administrative Agent consent) to provide Incremental Term Loans, it being understood that in connection with such Incremental Term Loans, the Sponsor and any such Non-Debt Fund Affiliate, as applicable, shall be subject to the restrictions applicable to such persons under Section 9.04 as if such Incremental Term Loans were Term Loans that had been obtained by way of assignment and (ii) any Debt Fund Affiliate shall be permitted to provide any Incremental Term Loans, provided that in connection therewith, such Debt Fund Affiliate shall be subject to the restrictions applicable to Debt Fund Affiliates under Section 9.04 as if such Incremental Term Loans were Term Loans that had been obtained by way of assignment.

(c) Notwithstanding anything to the contrary in this Agreement, each of the parties hereto hereby agrees that, on each Increased Facility Activation Date, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loans evidenced thereby. Any such deemed amendment may be effected in writing by the Administrative Agent with the consent of the Borrowers (not to be unreasonably withheld) and furnished to the other parties hereto. Without limiting the foregoing, in connection with any Incremental Term Facility, the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Security Document as necessary to reflect the increase in Indebtedness under this Agreement.

(d) Prior to the effectiveness of any Increased Facility Activation Notice and the Incremental Term Loans thereunder, the Administrative Agent shall have received customary legal opinions, board resolutions, reaffirmation agreements and other closing documents and certificates reasonably

requested by the Administrative Agent and consistent with those delivered on the Closing Date under Section 4.01. The proceeds of the Incremental Term Loans may be used for any purpose not otherwise prohibited hereunder.

SECTION 2.23 Extensions of Loans.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “Extension Offer”) made from time to time by the Borrowers to all Lenders of Loans with a like maturity date, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans with a like maturity date) and on the same terms to each such Lender, the Borrowers are hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender’s Loans and otherwise modify the terms of such Loans pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Lender’s Loans) (each, an “Extension”, and each group of Loans, as so extended, as well as the original Loans (not so extended), being a “tranche”; any Extended Term Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied:

- (i) no Event of Default shall have occurred and be continuing immediately prior to giving effect to any such Extension,
- (ii) except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to the immediately succeeding clauses (iii), (iv) and (v), be determined by the Lead Borrower and set forth in the relevant Extension Offer), the Loans of any Lender that agrees to an extension with respect to such Loans extended pursuant to any Extension (any such extended term Loans, “Extended Term Loans”) shall have the same terms as the tranche of term Loans subject to such Extension Offer,
- (iii) the final maturity date of any Extended Term Loans shall be no earlier than the Latest Maturity Date,
- (iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans or any other Extended Term Loans extended thereby,
- (v) any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments of the Term Loans (and any other Incremental Term Loans, Extended Term Loans or Replacement Term Loans then subject to ratable repayment requirements), in each case as specified in the respective Extension Offer,
- (vi) if the aggregate principal amount of Loans (calculated on the face amount thereof) in respect of which Lenders shall have accepted the relevant

Extension Offer shall exceed the maximum aggregate principal amount of Loans offered to be extended by the Borrowers pursuant to such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer,

- (vii) all documentation in respect of such Extension shall be consistent with the foregoing,
- (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the applicable Borrower and
- (ix) the Extensions shall be in a minimum amount of \$5.0 million.

(b) With respect to all Extensions consummated by the Borrowers pursuant to this Section 2.23, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 2.11 or 2.18, (ii) the amortization schedule set forth in Section 2.10 shall be adjusted to give effect to the Extension of the relevant Term Loans and (iii) except as set forth in clause (a)(ix) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrowers may at their election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the sole discretion of the Borrowers and may be waived by the Borrowers) of Term Loans of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.11 or 2.18) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to its Loans (or a portion thereof). All Extended Term Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral and guaranteed on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary in order to establish new tranches or sub-tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.23. Without limiting the foregoing, in connection with any Extensions, the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Security Document that has a maturity date prior to the then latest maturity date so that such maturity date is extended to the then latest maturity date (or such later date as may be advised by local counsel to the Administrative Agent).

(d) In connection with any Extension, the Borrowers shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior written notice thereof.

SECTION 2.24 Lead Borrower. Each Borrower hereby designates the Lead Borrower as its representative and agent for all purposes under the Loan Documents, including designation of interest rates, delivery or receipt of communications, preparation and delivery of financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent or any Lender. The Lead Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication delivered by the Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to the Lead Borrower on behalf of such Borrower. Each of the Administrative Agent and the Lenders shall have the right, in its discretion, to deal exclusively with the Lead Borrower for any or all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Lead Borrower shall be binding upon and enforceable against it.

SECTION 2.25 Joint and Several Liability of Borrowers.

(a) Notwithstanding anything in this Agreement or any other Loan Documents to the contrary, each Borrower, jointly and severally, in consideration of the financial accommodations to be provided by the Administrative Agent and Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each Borrower without the preferences or distinction among them. The Borrowers shall be liable for all amounts due to the Administrative Agent and Lenders under this Agreement, regardless of which Borrower actually receives the Loans hereunder or the amount of such Loans received or the manner in which the Administrative Agent or any Lender accounts for such Loans or other extensions of credit on its books and records. The Obligations of the Borrowers with respect to Loans made to one of them, and the Obligations arising as a result of the joint and several liability of one of the Borrowers hereunder with respect to Loans made to the other of the Borrowers hereunder, shall be separate and distinct obligations, but all such other Obligations shall be primary obligations of all Borrowers.

(b) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation.

(c) The obligations of each Borrower under this Section 2.25 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Borrower. The joint and several liability of the Borrowers hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, membership, constitution or place of formation of any Borrower or any of the Lenders.

(d) The provisions of this Section 2.25 shall remain in effect until all of the Obligations have been paid in full. If at any time, any payment, or any part thereof, made in respect of any of the Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.25 hereof will forthwith be reinstated and in effect as though such payment had not been made.

(f) With respect to the Obligations arising as a result of the joint and several liability of Borrowers hereunder with respect to Loans or other extensions of credit made to the other Borrowers hereunder, to the maximum extent permitted by applicable law, each Borrower waives, until the Full Payment of all Obligations, any right to enforce any right of subrogation or any remedy which the Administrative Agent or any Lender now has or may hereafter have against any Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent or any Lender. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Administrative Agent or the Lenders hereunder or under any of the other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior Full Payment of all Obligations. Upon the occurrence of any Event of Default and for so long as the same is continuing, to the maximum extent permitted under applicable law, the Administrative Agent and the Lenders may proceed directly and at once, without notice (to the extent notice is waivable under applicable law), against (i) with respect to Obligations of the Borrowers, either or all of them or (ii) with respect to Obligations of any Borrower, to collect and recover the full amount, or any portion of the applicable Obligations, without first proceeding against the other Borrowers or any other person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent and the Lenders shall be under no obligation to marshal any assets in favor of the Borrower(s) or against or in payment of any or all of the Obligations. Subject to the foregoing, in the event that a Loan or other extension of credit is made to, or with respect to business of, one Borrower and any other Borrower makes any payments with respect to such Loan or extension of credit, the first Borrower shall promptly reimburse such other Borrower for all payments so made by such other Borrower.

(l) The Administrative Agent shall have received all fees payable thereto or to any Lender on or prior to the Closing Date and, to the extent invoiced at least three (3) Business Days prior to the Closing Date, all other amounts due and payable pursuant to the Loan Documents on or prior to the Closing Date, including, to the extent invoiced, reimbursement or payment of all reasonable out-of-pocket expenses required to be reimbursed or paid by the Loan Parties hereunder or under any other Loan Document.

(m) Since December 31, 2011, there has not been any change or effect that constitutes a Closing Date Material Adverse Effect.

(n) To the extent requested in writing by the Administrative Agent not less than ten (10) days prior to the Closing Date, the Administrative Agent shall have received, at least three (3) Business Days prior to the Closing Date, all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including without limitation the USA PATRIOT Act.

(o) Substantially concurrently with the funding of the Term Loans, the Merger (as defined in the Acquisition Agreement) shall be consummated in accordance with the terms of the Acquisition Agreement, but without giving effect to any amendments, waivers or consents by Parent or Merger Sub that are materially adverse to the interests of the Lenders or the Joint Lead Arrangers in their respective capacities as such without the consent of the Joint Lead Arrangers, such consent not to be unreasonably withheld, delayed or conditioned (it being understood that

(a) any decrease in the purchase price shall not be materially adverse to the interests of the Lenders or the Joint Lead Arrangers so long as such decrease is allocated to reduce the Equity Contribution and the Term Facility Debt on a pro rata, dollar-for-dollar basis, (b) any increase in the purchase price shall not be materially adverse to the Lenders or the Joint Lead Arrangers so long as such increase is funded by amounts permitted to be drawn under the Revolver Facility on the Closing Date and/or an increase to the Equity Contribution and (c) the granting of any consent under the Acquisition Agreement that is not materially adverse to the interests of the Lenders or the Joint Lead Arrangers shall not otherwise constitute an amendment or waiver and the Administrative Agent shall have received confirmation that the certificate of merger has been accepted with the Delaware Secretary of State indicating Merger Sub has merged with and into Ollie's Holdings.

Notwithstanding the foregoing conditions specified in Section 4.01 above, to the extent any lien search or Collateral (including the creation or perfection of any security interest) is not or cannot be provided on the Closing Date (other than (i) UCC lien searches in the Loan Parties' respective jurisdictions of organization, (ii) a Lien on Collateral that may be perfected solely by the filing of a financing statement under the UCC and (iii) a pledge of the capital stock of the Lead Borrower and the Subsidiary Loan Parties with respect to which a Lien may be perfected upon closing by the delivery of a stock or equivalent certificate) after your use of commercially reasonable efforts to do so without undue burden or expense, then the provision of any such lien search and/or the provision and/or perfection of such Collateral shall not constitute a condition precedent to the availability and initial Credit Extension hereunder on the Closing Date but may instead be delivered and/or perfected within 90 days (or such longer date as the Administrative Agent may reasonably agree in its discretion) after the Closing Date pursuant to arrangements to be mutually agreed by the parties hereto acting reasonably.

Each Agent and each Lender, by delivering its signature page to this Agreement and funding a Loan on the Closing Date shall be deemed to have acknowledged receipt of and consented to and approved each Loan Document and each other document required to be approved by any Agent or Lender, as applicable, on the Closing Date.

Maintain all financial records in a manner sufficient to permit the preparation of consolidated financial statements in accordance with GAAP. (b) Except as could not reasonably be expected to have a Material Adverse Effect, generate, use, treat, store, release, dispose of, and otherwise manage Hazardous Materials in a manner that would not reasonably be expected to result in a material liability to the Lead Borrower or any of the Restricted Subsidiaries or to materially affect any real property owned or leased by any of them; and take reasonable efforts to prevent any other person from generating, using, treating, storing, releasing, disposing of, or otherwise managing Hazardous Materials in a manner that could reasonably be expected to result in a material liability to, or materially affect any real property owned or operated by, the Lead Borrower or any of the Restricted Subsidiaries.

SECTION 5.09 Further Assurances; Mortgages.

(b) If any asset (other than real property or improvements thereto or any interest therein or voting Equity Interests representing more than 65% of the voting Equity Interests of any Foreign Subsidiary or Disregarded Domestic Subsidiary) that has an individual fair market value in an amount greater than \$2.5 million (as reasonably estimated by the Lead Borrower) is acquired by Parent, the Borrowers or any Subsidiary Loan Party after the Closing Date or owned by an entity at the time it becomes a Subsidiary Loan Party (in each case other than assets constituting Collateral under a Security Document that become subject to the Lien of such Security Document upon acquisition thereof), cause such asset to be subjected to a Lien securing the Obligations and take, and cause the Subsidiary Loan Parties to take, such actions as shall be necessary or reasonably requested by the Administrative Agent to grant and perfect such Liens, including actions described in paragraph (a) of this Section, all at the expense of the Loan Parties, subject to paragraph (c) and paragraph (g) below.

Unless otherwise waived by the Administrative Agent, with respect to each such Mortgage, the Borrowers shall deliver (at its expense) to the Administrative Agent contemporaneously therewith (i) a policy or policies or marked-up unconditional binder of title insurance or foreign equivalent thereof, as applicable, paid for by the Borrowers, issued by a nationally recognized title insurance company insuring the Lien of each such Mortgage as a valid first Lien on the Mortgaged Property described therein, free of any other Liens except as permitted by Section 6.02, together with such endorsements, coinsurance and reinsurance as the Administrative Agent may reasonably request and (ii) the legal opinions of local U.S. counsel in the state where such real property is located, in form and substance reasonably satisfactory to the Administrative Agent.

(e) If any additional Foreign Subsidiary (which Subsidiary is a “first tier” Foreign Subsidiary) or Disregarded Domestic Subsidiary is formed or acquired after the Closing Date and if such Subsidiary is a Subsidiary Loan Party, concurrently with the delivery of financial statements pursuant to Section 5.04(a) or (b), notify the Administrative Agent and the Lenders thereof and, within twenty (20) Business Days after such date or such longer period as the Administrative Agent shall reasonably agree, cause the Collateral and Guarantee Requirement to be satisfied with respect to any Equity Interest in such Subsidiary owned by or on behalf of any Loan Party.

(f) (i) Furnish to the Administrative Agent prompt written notice of any change in (A) any Loan Party’s corporate or organization name, (B) any Loan Party’s organizational form or (C) any Loan Party’s organizational identification number; provided that neither Parent nor the Borrower shall effect or permit any such change unless all filings have been made, or will have been made within any applicable statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Administrative Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties and (ii) promptly notify the Administrative Agent if any material portion of the Collateral is damaged or destroyed.

Notwithstanding anything to the contrary herein, (w) the Loan Parties shall not be required to grant a security interest in any Collateral or perfect a security interest in any Collateral to the extent (A) the burden or cost of obtaining or perfecting a security interest therein outweighs the benefit of the security afforded thereby as reasonably determined by the Lead Borrower and the Administrative Agent or (B) if the granting of a security interest in such asset would be prohibited by enforceable anti-assignment provisions of contracts or applicable law or with respect to any assets to the extent such a pledge would violate the terms of any contract with respect to such assets (in each case, after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or other applicable law) or would trigger termination pursuant to any “change of control” or similar provision in any contract, (x) no actions shall be required in order to create or perfect any security interests in assets located outside the United States and no foreign law security or pledge agreement shall be required, (y) perfection by control shall not be required with respect to assets requiring perfection through control agreements or other control arrangements (other than (x) control of pledged capital stock to the extent otherwise required by this Agreement and the Security Documents and promissory notes to the extent required by this Agreement and the Security Documents and (y) to the extent the foregoing are required to be perfected under any then-outstanding ABL

Loan Document) and (z) the following Collateral shall not be required to be perfected (A) motor vehicles and any other assets subject to state law certificate of title statutes, (B) commercial torts claims and (C) letter of credit rights to the extent not perfected by the filing of a financing statement under the Uniform Commercial Code.

SECTION 5.10 Maintenance of Ratings. At all times use commercially reasonable efforts to maintain public corporate and public corporate family ratings issued by Moody's and S&P with respect to the Borrower and a public rating of the Term Facility by each of Moody's and S&P.

SECTION 5.11 [Reserved].

SECTION 5.12 Use of Proceeds. The Borrower will use the proceeds of the Term Loans to consummate the Transactions and pay the Transaction Costs. No part of the proceeds of any Loan will be used, whether directly or indirectly, for any purpose that would violate Regulations T, U or X.

SECTION 5.13 Certification of Public Information.

(a) Concurrently with the delivery of any document or notice required to be delivered pursuant to any Loan Document, the Borrowers shall indicate in writing whether such document or notice contains Nonpublic Information. The Borrowers and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrowers, their Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to this Section 5.14 or otherwise are being distributed through IntraLinks/IntraAgency, Syndtrak or another relevant website or other information platform (the "Platform"), any document or notice that the Borrowers have indicated contains Nonpublic Information shall not be posted on that portion of the Platform designated for such public-side Lenders. If the Borrowers have not indicated whether a document or notice delivered pursuant to this Section 5.14 contains Non-public Information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who do not wish to receive material non-public information with respect to the Borrowers, their Subsidiaries and their securities. By marking any documents, information or other data "PUBLIC," the Borrowers shall be deemed to have authorized the Lenders to treat such documents, information or other data as not containing Nonpublic Information. The Borrowers acknowledge and agree that the list of Disqualified Institutions does not constitute Nonpublic Information and shall be posted promptly to all Lenders by the Administrative Agent (including any updates thereto).

(b) Each "public-side" Lender as described in paragraph (a) of this Section agrees to cause at least one (1) individual at or on behalf of such Lender to at all times have selected the "private side information" or similar designation on the content declaration screen of the Platform in order to enable such Lender or its delegate, in accordance with such Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the "public side information" portion of the Platform and that may contain Nonpublic Information with respect to Parent, the Borrowers or the securities of any of the foregoing for purposes of United States federal or state securities laws. In the event that any "public-side" Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such "public-side" Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) none of the Borrowers, the Agents or the Joint Lead Arrangers has any responsibility for such "public-side" Lender's decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents.

SECTION 5.14 Designation of Subsidiaries. The board of directors of the Lead Borrower may at any time designate or re-designate (x) any Restricted Subsidiary of any Borrower as an Unrestricted Subsidiary (an “Unrestricted Subsidiary Designation”) or (y) any Unrestricted Subsidiary as a Restricted Subsidiary (a “Subsidiary Redesignation”); provided that (i) immediately before and after such designation, no Default or Event of Default shall have occurred and be continuing, (ii) after giving effect to such designation, the Total Leverage Ratio shall not be greater than 4.50:1.00 calculated on a Pro Forma Basis as of the last day of the most recently ended Test Period for which financial statements have been delivered pursuant to Section 5.04, (iii) no Borrower may be designated as an Unrestricted Subsidiary, (iv) no Restricted Subsidiary may be designated as an Unrestricted Subsidiary if it is a “Restricted Subsidiary” for the purpose of the Term Facility or any other Indebtedness in excess of the Threshold Amount, (v) as of the last date of designation thereof, no Unrestricted Subsidiary shall own any Equity Interests in any Borrower or any Subsidiary Loan Party or hold any Indebtedness of, or Lien on any property of any Borrower or any Subsidiary Loan Party or (vi) the holder of any Indebtedness of any Unrestricted Subsidiary shall not have any recourse to any Borrower or any Subsidiary Loan Party with respect to such Indebtedness (unless such Indebtedness is otherwise permitted under Section 6.01). The designation of any subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Borrowers therein at the date of designation in an amount equal to the portion (proportionate to such Borrower’s equity interest in such subsidiary) of the fair market value of the net assets of such Subsidiary (and such designation shall only be permitted to the extent such Investment is permitted under Section 6.04). The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Restricted Subsidiary existing at such time. As of the date of any designation, the Lead Borrower shall have delivered to the Administrative Agent an officer’s certificate executed by a Responsible Officer of the Lead Borrower certifying to such officer’s knowledge, compliance with the requirements of this Section 5.14.

SECTION 5.15 Post-Closing Items. The Loan Parties shall take all necessary actions to satisfy the items described on Schedule 5.15 within the applicable periods of time specified in such Schedule (or such longer periods as the Administrative Agent may agree in its sole discretion).

If any monies remain after distribution to all of the categories above, such monies shall be returned to the Borrowers.

ARTICLE VIII

The Agents

SECTION 8.01 Appointment, Authority and Duties of the Administrative Agent.

(a) Appointment and Authority. Each Secured Party hereby irrevocably appoints and designates Jefferies Finance as the Administrative Agent under all Loan Documents and Jefferies Finance hereby accepts such appointments. The Administrative Agent may, and each Secured Party authorizes the Administrative Agent to, enter into all Loan Documents to which the Administrative Agent

is intended to be a party and accept all Security Documents, for the benefit of Secured Parties. Each Secured Party agrees that any action taken by the Administrative Agent or Required Lenders in accordance with the provisions of the Loan Documents, and the exercise by the Administrative Agent or Required Lenders of any rights or remedies set forth therein, together with all other powers reasonably incidental thereto, shall be authorized by and binding upon all Secured Parties. The provisions of this Article VIII are solely for the benefit of the Agents and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any such provisions. Without limiting the generality of the foregoing, the Administrative Agent shall have the sole and exclusive authority to (a) act as the disbursing and collecting agent for the Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as the Administrative Agent each Loan Document, including any intercreditor or subordination agreement, and accept delivery of each Loan Document from any Loan Party or other person; (c) act as collateral agent for Secured Parties for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein; (d) manage, supervise or otherwise deal with Collateral; and (e) take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral under the Loan Documents, Applicable Law or otherwise. No Secured Party shall have any right individually to take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral under the Loan Documents, Applicable Law or otherwise. The duties of the Administrative Agent shall be ministerial and administrative in nature, and the Administrative Agent shall not have a fiduciary relationship with any Secured Party, Participant or other person, by reason of any Loan Document or any transaction relating thereto. In performing its functions and duties hereunder, each Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for the Borrowers or any of its Subsidiaries. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Duties. No Agent shall not have any duties except those expressly set forth in the Loan Documents. The conferral upon an Agent of any right shall not imply a duty to exercise such right, unless instructed to do so by Required Lenders in accordance with this Agreement. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that such Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08); *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability, if the Agent is not indemnified to its satisfaction, or that is contrary to any Loan Document or applicable legal requirements including, for the avoidance of doubt any action that may be in violation of the automatic stay under the Bankruptcy Code or any other insolvency law or that may effect a foreclosure, modification or termination of property of a Defaulting Lender under the Bankruptcy Code any other debtor relief law, and (c) except as expressly set forth in the Loan Documents, no Agent shall have any duty to disclose or shall be liable for the failure to disclose, any information relating to the Parent or any of its Subsidiaries or any of their Affiliates that is communicated to or obtained by the person serving as such Agent or any of its Affiliates in any capacity. No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage

of the Lenders as shall be necessary, or as any Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.08) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and nonappealable judgment. Each party to this Agreement acknowledges and agrees that the Administrative Agent may from time to time use one or more outside service providers for the tracking of all UCC financing statements (and/or other collateral related filings and registrations from time to time) required to be filed or recorded pursuant to the Loan Documents and the notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that each of such service providers will be deemed to be acting at the request and on behalf of the Borrowers and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider. Neither any Agent nor any of its officers, partners, directors, employees or agents shall be liable to the Lenders for any action taken or omitted by any Agent under or in connection with any of the Loan Documents.

(c) Agent Professionals. Each Agent may perform its duties through agents and employees. Each Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional. Each party to this Agreement acknowledges and agrees that the Administrative Agent may from time to time use one or more outside service providers for the tracking of all UCC financing statements (and/or other collateral related filings and registrations from time to time) required to be filed or recorded pursuant to the Loan Documents and the notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that each of such service providers will be deemed to be acting at the request and on behalf of the Borrowers and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider. Neither any Agent nor any of its officers, partners, directors, employees or agents shall be liable to the Lenders for any action taken or omitted by any Agent under or in connection with any of the Loan Documents. The exculpatory, indemnification and other provisions of this Article VIII shall apply to any such sub-agent and to the Affiliates of each Agent and any such sub-agent, and shall apply, without limiting the foregoing, to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent. The Agents shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(d) Instructions of Required Lenders. The rights and remedies conferred upon each Agent under the Loan Documents may be exercised without the necessity of joinder of any other party, unless required by Applicable Law. The Administrative Agent may request instructions from Required Lenders or other Secured Parties with respect to any act (including the failure to act) in connection with any Loan Documents, and may seek assurances to its satisfaction from Secured Parties of their indemnification obligations against all Claims that could be incurred by the Administrative Agent in connection with any act. The Administrative Agent shall be entitled to refrain from any act until it has received such instructions or assurances, and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Instructions of Required Lenders shall be binding upon all Secured Parties, and no Secured Party shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting in accordance with the instructions of Required Lenders. Notwithstanding the foregoing, instructions by and consent of specific Lenders or Secured Parties shall be required to the extent provided in Section 9.08(b). In no event shall the Administrative Agent be required to take any action that, in its opinion, is contrary to Applicable Law or any Loan Documents or could subject any Agent Indemnitee to personal liability.

SECTION 8.02 Agreements Regarding Collateral.

(a) Possession of Collateral. The Administrative Agent and Secured Parties appoint each Lender as agent (for the benefit of Secured Parties) for the purpose of perfecting Liens in any Collateral held or controlled by such Lender, to the extent such Liens are perfected by possession or control. If any Lender obtains possession or control of any Collateral, it shall notify the Administrative Agent thereof and, promptly upon the Administrative Agent's request, deliver such Collateral to the Administrative Agent or otherwise deal with it in accordance with the Administrative Agent's instructions.

SECTION 8.03 Reliance By the Agents. Each Agent shall be entitled to rely, and shall not incur any liability in relying, upon any certification, notice or other communication (including those by telephone, telex, telegram, telecopy or e-mail) believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and upon the advice and statements of Agent Professionals. Each Agent also may rely upon any statement made to it orally and believed by it to be made by a proper person, and shall not incur any liability for relying thereon. Each Agent shall have a reasonable and practicable amount of time to act upon any instruction, notice or other communication under any Loan Document, and shall not be liable for any such delay in acting. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless each Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel, independent accountants and other advisors selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or advisors.

SECTION 8.04 Action Upon Default. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default, or of any failure to satisfy any conditions in Article IV, unless it has received written notice from a Borrower or Required Lenders specifying the occurrence and nature thereof. If any Lender acquires knowledge of a Default, Event of Default or failure of such conditions, it shall promptly notify the Administrative Agent and the other Lenders thereof in writing. Each Secured Party agrees that, except with the written consent of the Required Lenders, it will not take any Enforcement Action, accelerate Obligations, or exercise any right that it might otherwise have under Applicable Law to credit bid at foreclosure sales, UCC sales or other similar dispositions of Collateral or to assert any rights relating to any Collateral.

SECTION 8.05 Payments Received by Defaulting Lender. If a Defaulting Lender obtains a payment or reduction of any Obligation, it shall immediately turn over the amount thereof to the Administrative Agent for application under Section 2.21 and it shall provide a written statement to the Administrative Agent describing the Obligation affected by such payment or reduction. No Lender shall set off against any Dominion Account without the prior consent of the Administrative Agent.

SECTION 8.06 Limitation on Responsibilities of the Agents.

(a) Each Agent shall not be liable to any Secured Party for any action taken or omitted to be taken under the Loan Documents, except for losses to the extent caused by such Agent's gross negligence or willful misconduct. The Agents do not assume any responsibility for any failure or delay in performance or any breach by any Loan Party, Lender or other Secured Party of any obligations under the Loan Documents. The Agents do not make any express or implied representation, warranty or guarantee

to Secured Parties with respect to any Obligations, Collateral, Loan Documents or Loan Party. No Agent Indemnitee shall be responsible to Secured Parties for any recitals, statements, information, representations or warranties contained in any Loan Documents; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Loan Party or Account Debtor. No Agent Indemnitee shall have any obligation to any Secured Party to ascertain or inquire into the existence of any Default or Event of Default, the observance by any Loan Party of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents.

(b) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Acceptance or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. None of the Joint Lead Arrangers or the Agents shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

SECTION 8.07 Successor Administrative Agent and Co-Agents.

(a) Resignation; Successor Administrative Agent. The Administrative Agent may (a) resign at any time and (b) if at any time the Administrative Agent is a Defaulting Lender or an Affiliate of a Defaulting Lender, be removed by the Lead Borrower, in each case by giving at least 30 days written notice thereof to Lenders the Lead Borrower and the Administrative Agent, as applicable. Upon receipt of such notice or resignation, Required Lenders shall have the right, in consultation with and with the consent of the Lead Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be (a) a Lender or an Affiliate of a Lender; or (b) a commercial bank that is organized under the laws of the United States or any state or district thereof, has a combined capital surplus of at least \$1,000,000,000 and (provided no Event of Default exists under Sections 7.01(b), 7.01(h) (with respect to the Borrowers only) and 7.01(i) (with respect to the Borrowers only) is subject to the approval of the Borrowers. If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, then the Administrative Agent may appoint a successor agent from among the Lenders or, if no Lender accepts such role, the Administrative Agent may appoint Required Lenders as successor Administrative Agent; provided that (x) in the case of a resignation, if such Administrative Agent shall notify the Borrowers and the Lenders that no qualifying person has accepted such appointment or (y) in the case of a removal, the Lead Borrower notifies the Required Lenders that no qualifying person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly (and each Lender will cooperate with the Lead Borrower to enable the Lead Borrower to take such actions), until such time as the Required Lenders or the Lead Borrower, as applicable, appoint a successor Administrative Agent, as provided for above in this Article VIII. Upon acceptance by a successor Administrative Agent of an appointment to serve as the Administrative Agent hereunder, or upon appointment of Required Lenders as successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Administrative Agent without further act, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder but shall continue to have the benefits of the indemnification set

forth in Section 8.15. The fees payable by the Lead Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. Notwithstanding any Administrative Agent's resignation, the provisions of this Section 8.07 shall continue in effect for its benefit with respect to any actions taken or omitted to be taken by it while the Administrative Agent. Any successor to Jefferies Finance by merger or acquisition of stock or this loan shall continue to be the Administrative Agent hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

(b) Separate Collateral Administrative Agent. It is the intent of the parties that there shall be no violation of any Applicable Law denying or restricting the right of financial institutions to transact business in any jurisdiction. If the Administrative Agent believes that it may be limited in the exercise of any rights or remedies under the Loan Documents due to any Applicable Law, the Administrative Agent may appoint, subject to the approval of the Lead Borrower (such approval not to be unreasonably withheld or delayed), an additional person who is not so limited, as a separate collateral agent or co-collateral agent. If the Administrative Agent so appoints a collateral agent or co-collateral agent, each right and remedy intended to be available to the Administrative Agent under the Loan Documents shall also be vested in such separate agent. The parties acknowledge that the ABL Agent may be acting as collateral agent for the Administrative Agent and the Lenders with respect to ABL Priority Collateral (as defined in the Intercreditor Agreement) and the Administrative Agent hereby appoints the ABL Agent to act in such capacity. Secured Parties shall execute and deliver such documents as the Administrative Agent deems appropriate to vest any rights or remedies in such agent. If any collateral agent or co-collateral agent shall die or dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of such agent, to the extent permitted by Applicable Law, shall vest in and be exercised by the Administrative Agent until appointment of a new agent.

SECTION 8.08 Due Diligence and Non-Reliance. Each Lender acknowledges and agrees that it has, independently and without reliance upon the Agents or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Loan Party and its own decision to enter into this Agreement and to fund Term Loans hereunder. Each Secured Party has made such inquiries as it feels necessary concerning the Loan Documents, Collateral and Loan Parties. Each Secured Party acknowledges and agrees that the other Secured Parties have made no representations or warranties concerning any Loan Party, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Secured Party will, independently and without reliance upon any other Secured Party, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Term Loans, and in taking or refraining from any action under any Loan Documents. Except for notices, reports and other information expressly required to be furnished to or expressly requested by a Lender, the Administrative Agent shall have no duty or responsibility to provide any Secured Party with any notices, reports or certificates furnished to the Administrative Agent by any Loan Party or any credit or other information concerning the affairs, financial condition, business or Properties of any Loan Party (or any of its Affiliates) which may come into possession of the Agents and their respective Affiliates.

SECTION 8.09 Remittance of Payments and Collections.

(a) Remittances Generally. All payments by any Lender to the Administrative Agent shall be made by the time and on the day set forth in this Agreement, in immediately available funds. If no time for payment is specified or if payment is due on demand by the Administrative Agent

and request for payment is made by the Administrative Agent by 11:00 a.m. (New York City time) on a Business Day, payment shall be made by Lender not later than 2:00 p.m. (New York City time) on such day, and if request is made after 11:00 a.m. (New York City time), then payment shall be made by 11:00 a.m. (New York City time) on the next Business Day. Payment by the Administrative Agent to any Secured Party shall be made by wire transfer, in the type of funds received by the Administrative Agent. Any such payment shall be subject to the Administrative Agent's right of offset for any amounts due from such payee under the Loan Documents.

(b) Failure to Pay. If any Secured Party fails to pay any amount when due by it to the Administrative Agent pursuant to the terms hereof, such amount shall bear interest from the due date until paid at the rate determined by the Administrative Agent as customary in the banking industry for interbank compensation. In no event shall Borrower be entitled to receive credit for any interest paid by a Secured Party to the Administrative Agent, nor shall any Defaulting Lender be entitled to interest on any amounts held by the Administrative Agent pursuant to Section 2.21.

(c) Recovery of Payments. If the Administrative Agent pays any amount to a Secured Party in the expectation that a related payment will be received by the Administrative Agent from a Loan Party and such related payment is not received, then the Administrative Agent may recover such amount from each Secured Party that received it. If the Administrative Agent determines at any time that an amount received under any Loan Document must be returned to a Loan Party or paid to any other person pursuant to Applicable Law or otherwise, then, notwithstanding any other term of any Loan Document, the Administrative Agent shall not be required to distribute such amount to any Lender. If any amounts received and applied by the Administrative Agent to any Obligations are later required to be returned by the Administrative Agent pursuant to Applicable Law, each Lender shall pay to the Administrative Agent, on demand, such Lender's Pro Rata share of the amounts required to be returned.

SECTION 8.10 The Administrative Agent in its Individual Capacity. As a Lender, Jefferies Finance shall have the same rights and remedies under the other Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include Jefferies Finance in its capacity as a Lender. Jefferies Finance and its Affiliates may accept deposits from, lend money to, provide bank products to, act as financial or other advisor to, and generally engage in any kind of business with, Loan Parties and their Affiliates, as if Jefferies Finance were not the Administrative Agent hereunder, without any duty to account therefor to the Lenders. In their individual capacities, Jefferies Finance and its Affiliates may receive information regarding Loan Parties, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and each Secured Party agrees that Jefferies Finance and its Affiliates shall be under no obligation to provide such information to any Secured Party, if acquired in such individual capacity.

SECTION 8.11 Administrative Agent Titles. Each Lender, other than Jefferies Finance, that is designated (on the cover page of this Agreement or otherwise) by Jefferies Finance as an "Agent" or "Arranger" of any type shall not have any right, power, responsibility or duty under any Loan Documents other than those applicable to all Lenders in their capacity as such, and shall in no event be deemed to have any fiduciary relationship with any other Lender.

SECTION 8.12 [Reserved].

SECTION 8.13 Survival. This Article VIII shall survive Full Payment of the Obligations. Other than Sections 8.01, 8.04 and 8.07, this Article VIII does not confer any rights or benefits upon

Borrowers or any other person. As between Borrowers and Administrative Agent, any action that Administrative Agent may take under any Loan Documents or with respect to any Obligations shall be conclusively presumed to have been authorized and directed by Secured Parties.

SECTION 8.14 Withholding Tax. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.18, each Lender shall indemnify and hold harmless the Administrative Agent against, within 10 days after written demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.14. The agreements in this Section 8.14 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of all other Obligations.

SECTION 8.15 Indemnification. The Lenders agree to indemnify each Agent and each Joint Lead Arranger in its capacity as such (to the extent not reimbursed by Parent or the Borrowers and without limiting the obligation of Parent or the Borrowers to do so), each in an amount equal to its pro rata share (based on its applicable outstanding Loans in effect on the date on which indemnification is sought under this Section 8.15 (or, if indemnification is sought after the date upon which all Commitments shall have terminated and the Loans and Obligations shall have been paid in full, ratably in accordance with such outstanding Loans and Commitments as in effect immediately prior to such date)) thereof, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or Joint Lead Arranger in any way relating to or arising out of this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or Joint Lead Arranger under or in connection with any of the foregoing **(IN ALL CASES, WHETHER OR NOT CAUSED OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF ANY AGENT OR RELATED PERSON)**; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or Joint Lead Arranger's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.16 Intercreditor Agreement. The Administrative Agent is authorized to enter into the Intercreditor Agreement and any other intercreditor agreement contemplated hereby with respect to Indebtedness that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by

Liens and which Indebtedness contemplates an intercreditor, subordination or collateral trust agreement (any such other intercreditor agreement, an “Additional Agreement”), and the parties hereto acknowledge that the Intercreditor Agreement and any Additional Agreement is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Collateral other than the Term Priority Collateral securing the Obligations on the terms set forth in the Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement or any Additional Agreement and (c) hereby authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreement or any Additional Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrowers and such Secured Parties are intended third-party beneficiaries of such provisions and the provisions of the Intercreditor Agreement or any Additional Agreement.

(c) Each Loan Party further agrees that the Administrative Agent may make communications available to the other Agents or the Lenders by posting the communications on a Platform. The Platform and any Approved Electronic Communications are provided "as is" and "as available." The Agents do not warrant the accuracy or completeness of the communications, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Platform and the Approved Electronic Communications. The Administrative Agent agrees that the receipt of communications by the Administrative Agent at its e-mail address shall constitute effective delivery of communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that communications have been posted to the Platform shall constitute effective delivery of the communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

(e) Any party hereto may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto.

SECTION 9.02 Survival of Agreement. All representations and warranties made by the Loan Parties herein and in the other Loan Documents shall be considered to have been relied upon by the Lenders and shall survive the making of the Loans, the execution and delivery of the Loan Documents, and shall continue in full force and effect so long as any Obligations (other than contingent obligations as to which no claim or demand for payment has been made, or in the case of indemnification obligations,

no notice has been given) are outstanding. Without prejudice to the survival of any other agreements contained herein, obligations for taxes, costs, indemnifications, reimbursements, damages and other contingent liabilities contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder and the termination of this Agreement, limited in the manner set forth herein.

SECTION 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by Parent, the Borrowers and the Administrative Agent and when the Administrative Agent shall have received copies hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of Parent, the Borrowers, the Administrative Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as otherwise permitted by Section 6.05 the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (ii) below, any Lender may assign to one (1) or more Eligible Assignees (other than to any Disqualified Institution or any natural person) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Loans at the time owing to it) (provided, however, that pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) The Lead Borrower, provided that no consent of the Lead Borrower shall be required (i) if an Event of Default under Section 7.01(b) or (c), or (with respect to any Borrower only) Section 7.01(h) or (i), has occurred and is continuing and (ii) if such assignment is to a Lender, an Affiliate of a Lender or a Related Fund in respect of a Lender (for purposes of clarity, it is understood that no assignment may be made to a Disqualified Institution); and

(B) the Administrative Agent.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or Related Fund or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject

to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1.0 million, unless each of the Lead Borrower and the Administrative Agent otherwise consent, provided that such amounts shall be aggregated in respect of each Lender and its Affiliates or Related Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administration Agent); and

(C) the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any applicable tax form required under Section 2.17(e).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(v) below and subject to clause (f) below, from and after the effective date specified in each Assignment and Acceptance, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05 as well as any fees accrued for its account and not yet paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution) that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04. To the extent that an assignment of all or any portion of Loans pursuant to Section 2.19 or this Section 9.04 would, at the time of such assignment, result in increased costs under Section 2.15, 2.17 or 2.20 from those being charged by the respective assigning Lender, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders and principal amount (and stated interest thereon) of the Loans owing to, each Lender, pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a

Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender (with respect to any entry related to such Lender's Loans), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Eligible Assignee (subject to clause (f)), the Eligible Assignee's completed Administrative Questionnaire (unless the Eligible Assignee shall already be a Lender hereunder) and any applicable tax form required under Section 2.17(e), and any written consent to such assignment required by clause (i) above, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) (i) Any Lender may, without the consent of the Lead Borrower or the Administrative Agent, sell participations to one (1) or more banks or other entities (other than to any Disqualified Institution) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i) through (v) of the first proviso to Section 9.08(b). Subject to paragraph (c)(ii) of this Section 9.04, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations with respect thereto) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent expressly acknowledging such Participant may receive a greater benefit. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) as though it were a Lender.

(d) Any Lender may at any time, without the consent of or notice to the Administrative Agent or the Borrower, pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to a Disqualified Institution or a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee (including any Eligible Assignee) for such Lender as a party hereto.

(e) The Borrowers, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) If any assignment or participation under this Section 9.04 is made (or attempted to be made) (i) to a Disqualified Institution without the Borrowers' prior written consent or (ii) to the extent the Borrowers' consent is required under the terms of this Section 9.04, to any other person without the Borrowers' consent, then such assignment or participation shall be void *ab initio*, and the Borrowers shall be entitled to seek specific performance to unwind any such assignment or participation in addition to any other remedies available to the Borrowers at equity or law without posting a bond or presenting evidence of irreparable harm. Each Lender acknowledges and agrees that the Borrowers would suffer irreparable harm if such Lender breaches any of its obligations under any of its obligations under Sections 9.04(a) or 9.04(d) insofar as such Section relates to any assignment, participation or pledge to a Disqualified Institution or an Affiliate of a Disqualified Institution without the Borrowers' prior written consent.

(g) [Reserved]

(h) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to an Affiliated Lender (other than Parent or any of its Subsidiaries) and (y) Parent, the Borrowers and any of their Subsidiaries may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the applicable Affiliated Lender or the Lead Borrower, as the case may be, and the Administrative Agent; or (2) open market purchases, in each case with respect to clauses (x) and (y) of this Section 9.04(h), without the consent of the Administrative Agent; provided that:

(i) any Term Loans acquired by Parent, the Borrowers or any of their Subsidiaries shall be retired and cancelled immediately upon the acquisition thereof; provided that upon cancellation of such Term Loans the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal

amount of the Term Loans so canceled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so canceled;

(ii) any Term Loans acquired by any Affiliated Lender may (but shall not be required to) be contributed to Parent or any of its Subsidiaries for purposes of cancellation of such Indebtedness (it being understood that such Term Loans shall be retired and cancelled promptly upon such contribution); provided that upon cancellation of such Term Loans, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced, as of the date of such contribution by the full par value of the aggregate principal amount of the Term Loans so contributed and canceled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so contributed and canceled;

(iii) in connection with any Dutch auction, such Affiliated Lender shall provide, as of the date of the effectiveness of such purchase, a customary representation and warranty that there is no material non-public information with respect to Parent, the Borrowers, their Subsidiaries or their respective securities at such time that (A) has not been disclosed to the assigning Lender prior to such date or (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to assign Term Loans to such Affiliated Lender (in each case other than because such assigning Lender does not wish to receive material non-public information with respect to Parent, the Borrowers, their Subsidiaries or their respective securities);

(iv) each Affiliated Lender shall identify itself as such in the applicable Assignment and Acceptance;

(v) after giving effect to such assignment and to all other assignments with all Affiliated Lenders, the aggregate principal amount of all Term Loans then held by all Affiliated Lenders shall not exceed 25% of the aggregate unpaid principal amount of the Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof);

(vi) in connection with any assignment effected pursuant to a Dutch auction or an open market purchase conducted by Parent, the Borrowers or any of the Restricted Subsidiaries, (A) Indebtedness under the ABL Credit Agreement or any Replacement ABL Credit Agreement shall not be utilized to fund such assignment and (B) no Default or Event of Default shall have occurred and be continuing at the time of acceptance of bids for the Dutch auction or open market purchase;

(vii) by its acquisition of Term Loans, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote, except that such Affiliated Lender shall have the right to vote (and the loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent

or other action that requires the vote of all Lenders or all affected Lenders, as the case may be; provided that no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder, in each case without consent of such Affiliated Lender;

(B) the Administrative Agent shall vote on behalf of such Affiliated Lender in the event that any proceeding under Sections 1126 or 1129 of the Bankruptcy Code shall be instituted by or against the Borrowers or any Restricted Subsidiary, or alternatively, to the extent that the foregoing is deemed unenforceable for any reason, such Affiliated Lender shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Affiliated Lenders, in each case except to the extent that any plan of reorganization proposes to treat the obligations held by such Affiliated Lender in a disproportionate adverse manner to such Affiliated Lender than the proposed treatment of similar obligations held by Lenders that are not Affiliated Lenders; and

(C) Affiliated Lenders, solely in their capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender or among Lenders to which the Loan Parties or their representatives are not invited, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among Administrative Agent and one (1) or more Lenders, except to the extent such information or materials have been made available to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to Article II) or (iii) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against the Administrative Agent, the Collateral Agent or any other Agent hereunder with respect to any duties or obligations or alleged duties or obligations of such Agent under the Credit Documents (except with respect to rights expressly retained under this Section 9.04(i) which are not so waived); and (D) it shall not have any right to receive advice of counsel to the Administrative Agent or to Lenders other than Affiliated Lenders or to challenge the Lenders' attorney-client privilege.

(i) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to a Debt Fund Affiliate and any Debt Fund Affiliate may, from time to time, purchase Term Loans on a non-pro rata basis through Dutch auction procedures open to all applicable Lenders on a pro rata basis pursuant to customary procedures to be agreed between the Debt Fund Affiliate and the Administrative Agent (or other applicable agent managing such auction) or open market purchases; provided that Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have consented to any amendment, modification or waiver pursuant to Section 9.08.

SECTION 9.05 Expenses; Indemnity.

(a) The Borrowers agree to pay within thirty (30) days of demand thereof (together with backup documentation supporting such request) (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Agents and Joint Lead Arrangers in connection with the preparation of this Agreement and the other Loan Documents, or by the Agents and Joint Lead Arrangers in connection with the syndication of the Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Lead Borrower and the reasonable out-of-pocket fees, disbursements and charges for no more than one (1) outside counsel and, if necessary one (1) local counsel in each relevant jurisdiction where Collateral is located for such persons, taken as a whole) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof and (ii) all reasonable out-of-pocket expenses incurred by the Agents or Joint Lead Arrangers or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Term Loans made hereunder (including the reasonable out-of-pocket fees, charges and disbursements of counsel for the Agents and the Joint Lead Arrangers, and, if necessary the reasonable out-of-pocket fees, charges and disbursements of one (1) local counsel per relevant jurisdiction).

(b) The Borrowers agree to indemnify, on a joint and several basis, the Administrative Agent, the Joint Lead Arrangers each Lender and each of their respective Affiliates, successors and assigns and the directors, trustees, officers, employees, advisors, controlling persons and agents of each of the foregoing (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable out-of-pocket costs and related expenses (limited in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one (1) counsel to all Indemnitees, taken as a whole, and, if reasonably necessary, one (1) local counsel in each relevant material jurisdiction to the Agents or Joint Lead Arrangers, taken as a whole, and, in the case of an actual or potential conflict of interest, one (1) additional counsel to all affected Indemnitees, taken as a whole) incurred by or asserted against any Indemnitee arising out of, relating to, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions (including the payment of the Transaction Costs) and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding (x) relating to any of the foregoing, whether or not any Indemnitee is a party thereto or (y) arising under Environmental Law and relating to the Lead Borrower or any of its Subsidiaries or any of their actions, operations or property (owned or leased) or other assets, including the presence or Release of and Hazardous Materials at any time on or from such property or assets, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or costs or related expenses (x) are determined by a judgment of a court of competent jurisdiction in a final and non-appealable judgment to have resulted by reason of the gross negligence, bad faith or willful misconduct of, or material breach by, such Indemnitee, (y) arise out of any claim, litigation, investigation or proceeding brought by such Indemnitee (or its Related Parties) against another Indemnitee (or its Related Parties) (other than any claim, litigation, investigation or proceeding brought by or against the Administrative Agent, acting in its capacity as Administrative Agent) that does not involve any act or omission of the Sponsor, any Borrower or any of their Subsidiaries. The Borrowers shall not be liable for any settlement of any proceeding referred to in this Section 9.05 effected without the Borrowers' written consent (such consent not to be unreasonably withheld or delayed);

provided, however, that Borrowers shall indemnify the Indemnitees from and against any loss or liability by reason of such settlement if such proceeding was settled with the written consent of a Borrower or such settlement is entered into in connection with a final and non-appealable judgment by a court of competent jurisdiction, subject to, in each case, the Borrowers' right in this Section 9.05 to claim an exemption from such indemnity obligations. A Borrower shall not, without the prior written consent of any Indemnitee (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened proceeding in respect of which such Indemnitee could have sought indemnifications hereunder by such Indemnitee unless such settlement (i) includes an unconditional release of such Indemnitee (and its Related Parties) from all liability or claims that are the subject matter of such proceeding and (ii) does not include a statement as to or an admission of fault or culpability on behalf of any Indemnitee (or its Related Parties). To the extent permitted by applicable law, each party hereto hereby waives for itself (and, in the case of a Borrower, for each other Loan Party) any claim against any Loan Party, any Lender, any Administrative Agent, any Lender Party, any Joint Lead Arrangers, and their respective affiliates, directors, employees, attorneys, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each party hereto (and in the case of a Borrower on behalf of each other Loan Party) hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that nothing contained in this sentence shall limit such Borrower's indemnity obligations to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such indemnified person is entitled to indemnification hereunder. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, any Issuing Bank or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes other than Taxes arising from a non-Tax claim.

(d) Notwithstanding the foregoing paragraphs in this Section, if it is found by a final, non-appealable judgment of a court of competent jurisdiction in any such action, proceeding or investigation that any loss, claim, damage, liability or cost or related expense of any Indemnitee has resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee (or any of its Related Parties) or a material breach of the Loan Documents by such Indemnitee (or any of its Related Parties), such Indemnitee will repay such portion of the reimbursed amounts previously paid to such Indemnitee under this Section that is attributable to expenses incurred in relation to the set or omission of such Indemnitee which is the subject of such finding.

SECTION 9.06 Right of Set-off. If an Event of Default shall have occurred and be continuing, upon the written consent of the Administrative Agent or the Required Lenders and each Lender is

hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of Parent, any Borrower or any Subsidiary Loan Party (and such Lender will provide prompt notice to such Loan Party) against any of and all the obligations of Parent or the Borrowers now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 9.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN TO THE EXTENT EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Parent, any Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Parent, any Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.22 with respect to any Incremental Term Facility, Section 2.23 with respect to any Extension and Section 9.08(d) with respect to any Replacement Term Loans, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Parent, the Borrowers and the Required Lenders and (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent and consented to by the Required Lenders; provided, however, that no such agreement shall:

- (i) decrease or forgive the principal amount of, or extend the final maturity date of, or the due date of any payment of interest or fees, or decrease the rate of interest or the amount of fees owed on, any Loan, without the prior written consent of each Lender directly and adversely affected thereby; provided, that (x) consent of Required Lenders shall not be required for any waiver, amendment or modification contemplated by this clause (i), (y) any amendment to the Total Leverage Ratio or the Secured Leverage Ratio or the component definitions thereof shall not constitute a reduction in the rate of interest for purposes of this clause (i) and (z) that

waiver or reduction of a post-default increase in interest shall be effective with the consent of the Required Lenders (and shall not require the consent of each directly and adversely affected Lender),

- (ii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Term Loan is due without the prior written consent of each Lender directly and adversely affected thereby (it being understood that waivers or modifications of conditions precedent, covenants, Defaults, Events of Default or mandatory prepayments shall not constitute any such extension, waiver or reduction); provided that consent of Required Lenders shall not be required with respect to any waiver, amendment or modification contemplated by this clause (ii) and (y) any amendment to the Total Leverage Ratio, the Secured Leverage Ratio or the component definitions thereof shall not constitute a reduction in Fees for purposes of this clause (ii),
- (iii) except to the extent necessary to give effect to the express intentions of this Agreement (including Sections 2.22, 2.23, 9.04 and 9.08(d)), which, in respect of any amendment or modification to effect such express intentions, shall be effective with the consent of the Required Lenders, amend or modify the provisions of Section 2.18(b) or (c) of this Agreement in a manner that would by its terms alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender,
- (iv) amend or modify the provisions of Sections 9.08(a), (b) or (c) or reduce the voting percentage set forth in the definition of "Required Lenders", without the prior written consent of each Lender directly and adversely affected thereby (it being understood that any Incremental Term Loans, Extended Term Loans, any Replacement Term Loans and additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Term Loans are included on the Closing Date),
- (v) release all or substantially all the Collateral (it being understood that a transaction permitted under Section 6.05 shall not constitute a release of all or substantially all of the Collateral), or release all or substantially all of the value of the Guarantees (except as otherwise permitted herein (including in connection with a transaction permitted under Section 6.05) or in the other Loan Documents) under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender,

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, hereunder without the prior written consent of the Administrative Agent. Each

Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any successor or assignee of such Lender. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (x) the Commitments of such Lender may not be increased or extended without the consent of such Lender and (y) the principal and accrued and unpaid interest of such Lender's Loans shall not be reduced or forgiven without the consent of such Lender.

(c) Without the consent of the Syndication Agents or any Joint Lead Arranger or Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrowers and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing or replacement of all or any portion of the outstanding Term Loans, Extended Term Loans, Incremental Term Loans or then existing Replacement Term Loans held by all Lenders under the applicable Class (such loans, the "Replaced Term Loans") with one or more replacement term loans hereunder ("Replacement Term Loans"); provided that

(A) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Replaced Term Loans (plus the amount of accrued interest and premium thereon, and underwriting discounts, fees, commissions and expenses associated therewith),

(B) such Replacement Term Loans have a final maturity date equal to or later than the final maturity date of, and have a Weighted Average Life to Maturity equal to or greater than the Weighted Average Life to Maturity of, such Replaced Term Loans at the time of such refinancing,

(C) if any such Replacement Term Loans are secured, they shall not be secured by any assets other than the Collateral,

(D) if any such Replacement Term Loans are guaranteed, they shall not be guaranteed by any person other than the Guarantors,

(E) any Replacement Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments in respect of the Term Loans (and any other Incremental Term Loans, Extended Term Loans or Replacement Term Loans then subject to ratable repayment requirements), in each case as agreed by the Borrowers and the Lenders providing the relevant Replacement Term Loans,

(F) such Replacement Term Loans shall have pricing (including interest, fees and premiums) and, subject to preceding clause (E), optional prepayment and redemption terms as may be agreed to by the Borrowers and the Lenders providing such Replacement Term Loans,

(G) no Default or Event of Default shall exist immediately prior to or after giving effect to the effectiveness of such replacement,

(H) the other terms and conditions of such Replacement Term Loans (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity date, subject to preceding clauses, (B), (C), (E) and (F)) shall be substantially identical to, or (taken as a whole) no more favorable (as reasonably determined by the Lead Borrower) to the lenders providing such Replacement Term Loans than those applicable to the Replaced Term Loans (other than any covenants or other provisions applicable only to periods after the Latest Maturity Date (in each case, as of the date of incurrence of such Replacement Term Loans)), and

(I) any Lender or, with the consent of the Lead Borrower and, to the extent such consent would be required under Section 9.04 with respect to an assignment of Term Loans to such person, the consent of the Administrative Agent (which consent shall not be unreasonably withheld), any person that would be an Eligible Assignee (other than to any Disqualified Institution or any natural person) may provide such Replacement Term Loans; provided further that (i) any Non-Debt Fund Affiliate shall be permitted (without Administrative Agent consent) to provide such Replacement Term Loans, it being understood that in connection with such Replacement Term Loans, any such Non-Debt Fund Affiliate, as applicable, shall be subject to the restrictions applicable to such persons under Section 9.04 as if such Replacement Term Loans were Term Loans obtained by way of assignment and (ii) any Debt Fund Affiliate shall be permitted to provide any Replacement Term Loans, provided that in connection therewith, such Debt Fund Affiliate shall be subject to the restrictions applicable to Debt Fund Affiliates under Section 9.04 as if such Replacement Term Loans were Term Loans obtained by way of assignment.

(e) Notwithstanding anything to the contrary contained in this Section 9.08 or any Loan Document, (i) the Borrowers and the Administrative Agent may, without the input or consent of any other Lender, effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrowers and the Administrative Agent to effect the provisions of Sections 2.22, 2.23 or 9.08(d), (ii) if the Administrative Agent and the Borrowers have jointly identified an obvious error or any error or omission of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrowers shall be permitted to amend such provision and (iii) guarantees, collateral security documents and related documents executed by Parent, the Borrowers or Subsidiary Loan Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented or waived without the consent of any Lender if such amendment, supplement or waiver is delivered in order to (x) comply with local law or advice of local counsel, (y) cure ambiguities, omissions, mistakes or defects or (z) cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

SECTION 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate on any Loan, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other

document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender shall be limited to the Maximum Rate, provided that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10 Entire Agreement. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letter shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto, and their respective successors and assigns permitted hereunder, any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. In the event any one (1) or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

2.1. Guarantee. Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the benefit of the Secured Parties and their respective successors, indorsees and permitted transferees and assigns, the prompt and complete payment and performance by the Borrowers when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations.

(a) If and to the extent required in order for the Secured Obligations of any Guarantor to be enforceable under applicable federal, state and other laws relating to the insolvency of debtors, the maximum liability of such Guarantor hereunder shall be limited to the greatest amount which can lawfully be guaranteed by such Guarantor under such laws, after giving effect to any rights of contribution, reimbursement and subrogation arising under Section 2.2.

(b) Each Guarantor agrees that the Secured Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor hereunder without, to the extent permitted by applicable law, impairing the guarantee contained in this Section 2 or affecting the rights and remedies of any Secured Party hereunder.

(c) The guarantee contained in this Section 2 shall remain in full force and effect until the date when Full Payment of all of the Secured Obligations has been made (the "Termination Date"), notwithstanding that from time to time during the term of the Credit Agreement the Borrowers may not then owe any Secured Obligations.

(d) No payment made by any Borrower, any of the Guarantors, any other guarantor or any other person or received or collected by any Secured Party from any Borrower, any of the Guarantors, any other guarantor or any other person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Secured Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor (including by means of setoff or appropriation) in respect of the Secured Obligations or any payment received or collected from such Guarantor in respect of the Secured Obligations), remain liable for the Secured Obligations up to the maximum liability of such Guarantor hereunder until the Termination Date.

2.2. Rights of Reimbursement, Contribution and Subrogation. In case any payment is made on account of the Secured Obligations by any Agreement Party or is received or collected on account of the Secured Obligations from any Agreement Party or its property:

(a) If such payment is made by a Borrower or from its property, then, if and to the extent such payment is made on account of Secured Obligations arising from or relating to a Loan or other extension of credit made to such Borrower, such Borrower shall not be entitled (i) to demand or enforce reimbursement or contribution in respect of such payment from any other Agreement Party or (ii) to be subrogated to any claim, interest, right or remedy of any Secured Party against any other person, including any other Agreement Party or its property.

(b) If such payment is made by a Guarantor or from its property, such Guarantor shall be entitled, subject to and upon Full Payment of the Secured Obligations, (i) to demand and enforce reimbursement for the full amount of such payment from a Borrower and (ii) to demand and enforce contribution in respect of such payment from each other Guarantor that has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors based on the relative value of their assets and any other equitable considerations deemed appropriate by a court of competent jurisdiction.

(c) Until the Termination Date, notwithstanding Sections 2.2(a) and 2.2(b), no Agreement Party shall be entitled to be subrogated (equally and ratably with all other Agreement Parties entitled to reimbursement or contribution from any other Agreement Party as set forth in this Section 2.2) to any security interest that may then be held by the Administrative Agent upon any Collateral granted to it in this Agreement, nor shall any Agreement Party seek or be entitled to seek any contribution or reimbursement from a Borrower or any other Agreement Party in respect of payments made by any Agreement Party hereunder. Such right of subrogation shall be enforceable solely against the Agreement Parties, and not against the Secured Parties, and neither the Administrative Agent nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by any Agreement Party, then (and only after the Termination Date) the Administrative Agent shall deliver to the Agreement Parties making such demand, or to a representative of such Agreement Parties or of the Agreement Parties generally, an instrument reasonably satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Administrative Agent.

(d) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Agreement Party as to any payment on account of the Secured Obligations made by it or received or collected from its property shall be fully subordinated in all respects prior to the Termination Date. Until the Termination Date, no Agreement Party shall demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Agreement Party in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Secured Obligations. If any such payment or distribution is received by any Agreement Party, it shall be held by such Agreement Party in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall promptly be transferred and delivered by such Agreement Party to the Administrative Agent, in the exact form received and, if necessary, duly endorsed, to be applied against any Secured Obligations then outstanding in accordance with Section 6.5.

(e) The obligations of the Agreement Parties under the Loan Documents, including their liability for the Secured Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectability or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2 and the provisions of this Section 2.2 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder. The invalidity, insufficiency, unenforceability or uncollectability of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against any Guarantor or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(f) Each Agreement Party reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any other Agreement Party, but (i) the exercise and enforcement of such rights shall be subject to Section 2.2(d) and (ii) neither the Administrative Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in the last sentence of Section 2.2(c).

2.3. Amendments, etc. with Respect to the Secured Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Secured Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Secured Obligations continued, and the Secured Obligations, or the liability of any other person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or all Lenders, as the case may be) and the applicable Loan Parties may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Secured Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Secured Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4. Guarantee Absolute and Unconditional. Each Guarantor waives, to the extent permitted by applicable law, any and all notice of the creation, renewal, extension or accrual of any of the Secured Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Secured Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between any Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives, to the extent permitted by applicable law, diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any Borrower or any of the Guarantors with respect to the Secured Obligations. Each Guarantor understands and agrees, to the extent permitted by applicable law, that, until the Termination Date, the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Secured Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment, performance or release of guarantee hereunder) which may at any time be available to or be asserted by a Borrower or any other person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers for the Secured Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against any Borrower, any other Guarantor or any other person or against

any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from any Borrower, any other Guarantor or any other person or to realize upon any such collateral security, guarantee or to exercise any such right of offset, or any release of any Borrower, any other Guarantor or any other person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Guarantor, except to the extent of any such release. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.5. Reinstatement. The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars in immediately available funds at the office of the Administrative Agent as specified in the Credit Agreement.

2.7. Subordination of Indebtedness Held by Guarantors. Until the Termination Date, any indebtedness of the Lead Borrower or any other Loan Party now or hereafter held by any Guarantor is hereby subordinated to the indebtedness of the Lead Borrower or such other Loan Party to the Secured Parties; and such indebtedness of the Lead Borrower or such other Loan Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after an Event of Default has occurred and is continuing, so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Parties and be paid over to the Secured Parties on account of the indebtedness of the Lead Borrower or such other Loan Party to the Secured Parties, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Agreement. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of the Lead Borrower or any other Loan Party to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

(b) The Pledged Equity Interests issued by any Subsidiary have been duly and validly issued and, if applicable, are fully paid and nonassessable (except for shares of any unlimited liability company which are assessable in certain circumstances).

(c) None of the terms of any uncertificated Pledged LLC Interests and Pledged Partnership Interests expressly provide that they are securities governed by Article 8 of the Uniform Commercial Code in effect from time to time in the "issuer's jurisdiction" of each Issuer thereof (as such term is defined in the Uniform Commercial Code in effect in such jurisdiction).

(d) All certificated Pledged LLC Interests and Pledged Partnership Interests, if any, do not expressly provide that they are "securities" for purposes of Section 8-103(c) of the Uniform Commercial Code as in effect in any relevant jurisdiction.

(e) Such Grantor is the record and beneficial owner of, and has good and marketable title to, the Investment Property pledged by it hereunder, free of any and all Liens or options in favor of,

or claims of, any other person, except the security interests created by this Agreement and Liens permitted by Section 6.02 of the Credit Agreement, and there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any Pledged Equity Interests.

(f) Each Issuer that is not a Grantor hereunder has executed and delivered to the Administrative Agent an Acknowledgment and Consent, in substantially the form of Exhibit A, to the pledge of the Pledged Collateral pursuant to this Agreement.

4.7. Accounts. No amount payable to such Grantor under or in connection with any Account that is included in the Collateral is evidenced by any Instrument or Tangible Chattel Paper with a value in excess of \$1,000,000 which has not been delivered to the Administrative Agent to the extent required under Section 5.2.

4.8. Intellectual Property.

(a) As of the Closing Date, Schedule 4.8(a) lists all (i) Intellectual Property which is registered with a Governmental Authority or is the subject of an application for registration and all material unregistered Intellectual Property (other than unregistered Copyrights), in each case which is owned by such Grantor in its own name on the date hereof (collectively, the "Owned Intellectual Property") and (ii) licenses of United States Intellectual Property applications or registrations in which such Grantor is an exclusive licensee. As of the Closing Date, except as set forth in Schedule 4.8(a) and except as would not reasonably be expected to have a Material Adverse Effect, each such Grantor is the exclusive owner of the entire and unencumbered right, title and interest in and to all such Owned Intellectual Property and is otherwise entitled to use, and grant to others the right to use, all such Owned Intellectual Property subject only to the license terms of the licensing or franchise agreements referred to in paragraph (c) below. Such Grantor has the right to use all Intellectual Property material for use in the operation of the business, but that it does not own (collectively, the "Licensed Intellectual Property").

(b) As of the Closing Date, all Owned Intellectual Property set forth in Schedule 4.8(a) and, to such Grantor's knowledge, all Licensed Intellectual Property (collectively, the "Material Intellectual Property"), is valid, subsisting, unexpired and has not been abandoned, except as would not reasonably be expected to have a Material Adverse Effect or otherwise set forth on Schedule 4.8(a). Neither the operation of such Grantor's business as currently conducted or as contemplated to be conducted nor the use of the Intellectual Property in connection therewith conflicts with, infringes, misappropriates, dilutes, misuses or otherwise violates the Intellectual Property rights of any other person, except in each case as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(c) The rights of such Grantor in or to the Material Intellectual Property do not conflict with or infringe upon the rights of any third party, and no claim has been asserted in writing that the use of such Intellectual Property does or may infringe upon the rights of any third party, except in each case as would not reasonably be expected, individual or in the aggregate, to have a Material Adverse Effect.

(d) As of the Closing Date, no action or proceeding is pending or, to such Grantor's knowledge, threatened (i) seeking to limit, cancel or question any Owned Intellectual Property or challenge either the validity or enforceability of such Owned Intellectual Property or any Grantor's right,

title, or interest in, or to, such Owned Intellectual Property, (ii) alleging that any services provided by, processes used by, or products manufactured or sold by such Grantor infringe any Intellectual Property right of any other person or (iii) alleging that any Material Intellectual Property is being licensed, sublicensed or used in violation of any Intellectual Property or any other right of any other person, in each case, which would reasonably be expected to have a Material Adverse Effect on the value of the Collateral, taken as a whole. On the date hereof, to such Grantor's knowledge, except as set forth on Schedule 4.8(d) no person is engaging in any activity that infringes upon, or is otherwise an unauthorized use of, any Material Intellectual Property or upon the rights of such Grantor therein. The consummation of the Transactions contemplated by this Agreement will not result in the termination or impairment of any of the Material Intellectual Property the loss of which would be reasonably likely to have a Material Adverse Effect.

(e) To such Grantor's knowledge, with respect to each Copyright License, Trademark License, Trade Secret License and Patent License that relates to Material Intellectual Property or the loss of which could otherwise have a Material Adverse Effect, such license is (i) valid, enforceable, and in full force and effect; (ii) not subject to any notice of termination prior to scheduled expiration, nor, to the knowledge of the Grantors, subject to any such termination based on the occurrence of any events that have occurred; and (iii) not the subject of any license agreements other than those disclosed in Schedule 4.8(a).

(f) Except in each case as would not reasonably be expected to have a Material Adverse Effect, (i) none of the Trade Secrets of such Grantor that are material to its business have been used, divulged, disclosed or appropriated to the detriment of such Grantor for the benefit of any other person; (ii) no employee, independent contractor or agent of such Grantor has misappropriated any trade secrets of any other person in the course of the performance of his or her duties as an employee, independent contractor or agent of such Grantor; and (iii) no employee, independent contractor or agent of such Grantor is in default or breach of any term of any employment agreement, non-disclosure agreement, assignment of inventions agreement or similar agreement or contract relating in any way to the protection, ownership, development, use or transfer of such Grantor's Intellectual Property.

(g) Except as would not reasonably be expected to have a Material Adverse Effect, such Grantor has taken all commercially reasonable steps to use consistent standards of quality in the manufacture, distribution and sale of all products sold and provision of all services provided under or in connection with any item of Intellectual Property and has taken all commercially reasonable steps to ensure that all licensed users of any kind of Intellectual Property use such consistent standards of quality.

(h) No Grantor is a party to any settlement or consents, judgment, injunction, order, decree, covenants not to sue, non-assertion assurances or releases that would impair the validity or enforceability of, or such Grantor's rights in, any Material Intellectual Property.

4.9. Letters of Credit and Letter of Credit Rights. No Grantor is a beneficiary or assignee under any letter of credit with a face amount in excess of \$1,000,000 (including any "Letter of Credit") other than the letters of credit described on Schedule 4.9 (as such schedule may be amended or supplemented from time to time).

SECTION 5. COVENANTS

Each Grantor covenants and agrees with the Secured Parties that, until the Termination Date:

5.1. Delivery and Control of Certain Collateral.

(a) If any of the Collateral is or shall become evidenced or represented by any Certificated Security or Tangible Chattel Paper, such Certificated Security or Tangible Chattel Paper shall be delivered promptly to the Administrative Agent, duly endorsed, if applicable, in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement, and all of such property owned by any Grantor as of the Closing Date shall be delivered on the Closing Date. Any Pledged Collateral evidenced or represented by any Instrument or Negotiable Document shall be delivered promptly to the Administrative Agent, duly endorsed, if applicable, in a manner reasonably satisfactory to the Administrative Agent, to be held as Collateral pursuant to this Agreement, and all of such property owned by any Grantor as of the Closing Date shall be delivered on the Closing Date. Notwithstanding the foregoing, no Instrument, Tangible Chattel Paper, Pledged Debt Security constituting a Certificated Security or Negotiable Document shall be required to be delivered to the Administrative Agent pursuant to this clause (a) if the value thereof is less than \$1,000,000 in the aggregate.

(b) If any of the Collateral is or shall constitute "Electronic Chattel Paper" (under Article 9 of the UCC) such Grantor shall ensure (to the Administrative Agent's reasonable satisfaction) that (i) a single authoritative copy exists which is unique, identifiable, unalterable (except as provided in clauses (iii), (iv) and (v) of this paragraph), (ii) such authoritative copy identifies the Administrative Agent as the assignee and is communicated to and maintained by the Administrative Agent or its designee, (iii) copies or revisions that add or change the assignee of the authoritative copy can only be made with the participation of the Administrative Agent, (iv) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy and not the authoritative copy and (v) any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision; provided that such actions shall not be required to be taken until the aggregate face amount of the Electronic Chattel Paper included in the Collateral exceeds \$1,000,000.

(c) If any Collateral with a value in excess of \$1,000,000 shall become evidenced or represented by an Uncertificated Security, such Grantor shall cause the Issuer thereof either (i) to register the Administrative Agent as the registered owner of such Uncertificated Security, upon original issue or registration of transfer or (ii) to agree in writing with such Grantor and the Administrative Agent that such Issuer will comply with instructions with respect to such Uncertificated Security originated by the Administrative Agent without further consent of such Grantor, such agreement to be in substantially the form of Exhibit C, or such other form as may be reasonably agreed to by the Administrative Agent, and such actions shall be taken on or prior to the Closing Date with respect to any Uncertificated Securities owned as of the Closing Date by any Grantor.

5.2. Maintenance of Perfected Security Interest; Further Documentation.

(a) Except as otherwise permitted by the Credit Agreement, such Grantor shall maintain each of the security interests created by this Agreement as a security interest having at least the perfection and priority described in Section 3.17 of the Credit Agreement and shall defend such security interest against the claims and demands of all persons whomsoever except as otherwise permitted by Section 6.02 of the Credit Agreement, subject to the provisions of Section 8.15.

(b) At any time and from time to time, upon the reasonable written request of the Administrative Agent, and at the sole expense of such Grantor, such Grantor shall promptly and duly authorize, execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Administrative Agent may reasonably request in a manner consistent with the definition of Excluded Assets for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, (i) the filing of any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby and (ii) in the case of Investment Property subject to the requirements of Section 5.1, taking any actions necessary to enable the Administrative Agent to obtain “control” (within the meaning of the applicable Uniform Commercial Code) with respect thereto; provided that, notwithstanding any other obligation set forth herein or in the Credit Agreement, the following Collateral shall not be required to be perfected: (i) vehicles and any other assets subject to certificates of title; (ii) Commercial Tort Claims; and (iii) Letter of Credit Rights to the extent not perfected by the filing of a Form UCC-1 financing statement.

5.3. Changes in Locations, Name, Jurisdiction of Incorporation, etc.

(a) Such Grantor shall give 5 days’ prior written notice (or such other time as may be agreed to by the Administrative Agent in its sole discretion) to the Administrative Agent and delivery to the Administrative Agent of duly authorized and, where required, executed copies of all additional financing statements and other documents reasonably requested in writing by the Administrative Agent to maintain the validity, perfection and priority of the security interests provided for herein after any of the following:

(i) a change in its jurisdiction of organization or the location of its chief executive office or sole place of business from that referred to in Section 4.3; or

(ii) a change in its legal name, identity or structure that would render any financing statement filed by the Administrative Agent in connection with this Agreement “seriously misleading” (as such term is used in Section 9-507(b) of the New York UCC).

5.4. Investment Property.

(a) If such Grantor shall receive any Certificated Security (including any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), options or rights in respect of the Equity Interests in any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Equity Interests, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and deliver the same promptly to the Administrative Agent in the exact form received, duly endorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power or similar instrument of transfer covering such Certificated Security duly executed in blank by such Grantor, to be held by the Administrative Agent, subject to the terms hereof, as additional collateral security for the Secured Obligations.

(i) Without the prior written consent of the Administrative Agent, such Grantor shall not (i) vote to enable, or take any other action to permit, any issuer of Pledged Equity Interests to issue any stock, partnership interests, limited liability company interests or other equity securities of any nature or to issue any other securities convertible into or granting the right to purchase or exchange for any stock, partnership interests, limited liability company interests or other equity securities of any nature of any such issuer (except, in each case, pursuant to a transaction expressly permitted by the Credit Agreement), (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, any of the Investment Property constituting Collateral or Proceeds thereof or any interest therein (except, in each case, pursuant to a transaction permitted by the Credit Agreement), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or any Lien permitted thereon pursuant to Section 6.02 of the Credit Agreement, (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Administrative Agent to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein or except as permitted by the Credit Agreement, or (v) cause or permit any Issuer of any Pledged Partnership Interests or Pledged LLC Interests which are not securities (for purposes of the New York UCC) on the date hereof to elect or otherwise take any action to cause such Pledged Partnership Interests or Pledged LLC Interests to be treated as securities for purposes of the New York UCC; provided, however, notwithstanding the foregoing, if any Issuer of any Pledged Partnership Interests or Pledged LLC Interests takes any such action in violation of the provisions in this clause (v), such Grantor shall promptly notify the Administrative Agent in writing of any such election or action and, in such event, shall take all steps necessary or advisable to establish the Administrative Agent's "control" thereof.

(ii) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it shall be bound by the terms of this Agreement relating to the Pledged Collateral issued by it and shall comply with such terms insofar as such terms are applicable to it, (ii) it shall notify the Administrative Agent concurrently with delivery of the financial statements required under Section 5.04(b) of the Credit Agreement in writing of the occurrence of any of the events described in Section 5.4(a) with respect to the Pledged Collateral issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 6.3(c) or 6.7 with respect to the Pledged Collateral issued by it. In addition, each Grantor which is either an Issuer or an owner of any Pledged Collateral hereby consents to the grant by each other Grantor of the security interest hereunder in favor of the Administrative Agent and to the transfer of any Pledged Collateral to the Administrative Agent or its nominee following an Event of Default and to the substitution of the Administrative Agent or its nominee as a partner, member or shareholder of the Issuer of the related Pledged Collateral.

5.5. Intellectual Property.

(a) Except as would not reasonably be expected to have a Material Adverse Effect or in connection with a transaction permitted by the Credit Agreement, each Grantor shall (i) to the extent commercially reasonable and consistent with past practice, continue to use each Trademark owned by such Grantor material to its business, (ii) maintain the quality of products and services offered under such Trademark at least at the level of quality of such products and services in the past, (iii) where commercially reasonable and feasible, use such Trademark with the appropriate notice of registration and all other notices and legends required by law, and (iv) not (and not permit any licensee or sublicensee of

such Grantor to) knowingly do any act or knowingly omit to do any act whereby such Trademark is likely to become invalidated or materially impaired in any way, unless, in the case of each of the foregoing, such Grantor shall have determined, in its reasonable business judgment, that such Trademark is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(b) Except in connection with a transaction permitted by the Credit Agreement, no Grantor shall knowingly do any act or knowingly omit to do any act whereby any material portion of any material Copyright owned by such Grantor is likely to become invalidated or otherwise materially impaired, unless, in the case of each of the foregoing, such Grantor shall have determined, in its reasonable business judgment, that such Copyright is no longer necessary for, or desirable in, the conduct of, such Grantor's business. Such Grantor shall not knowingly do any act whereby any material portion of such Copyright is likely to fall into the public domain, unless such Grantor shall have determined, in its reasonable business judgment, that such Copyright or portion thereof is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(c) Except as could not reasonably be expected to have a Material Adverse Effect or in connection with a transaction permitted by the Credit Agreement, no Grantor shall knowingly do any act that knowingly uses any Material Intellectual Property to infringe, misappropriate or violate the Intellectual Property rights of any other person in any material respect.

(d) Except in connection with a transaction permitted by the Credit Agreement, to the extent consistent with past practice, each Grantor shall use proper statutory notice in connection with the use of the Material Intellectual Property.

(e) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall acquire or become an exclusive licensee of any United States Intellectual Property application or registration or file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office or the United States Copyright Office, which Intellectual Property is material to the operation of the business, such Grantor shall report such event to the Administrative Agent together with the delivery by the Lead Borrower of the financial statements pursuant to Section 5.04(b) of the Credit Agreement. Upon the reasonable written request of the Administrative Agent, such Grantor shall execute and deliver, and have recorded, any of the foregoing items.

(f) Except in connection with a transaction permitted by the Credit Agreement, each Grantor shall take all reasonable and necessary steps, in any proceeding before the United States Patent and Trademark Office or the United States Copyright Office to maintain and pursue each application (for registration) and to maintain each registration of Intellectual Property material to its business, including the prompt filing of all affidavits and other required documents, and the prompt payment of required fees and taxes, the filing of responses to office actions issued by the United States Patent and Trademark Office, the filing of applications for renewal or extension, the filing of affidavits of use and affidavits of incontestability, the payment of maintenance fees, and the participation in interference, opposition, cancellation, infringement and misappropriation proceedings, unless such Grantor shall have determined, in its reasonable business judgment, that any such application or registration of material Intellectual Property is no longer necessary for, or desirable in the conduct of, such Grantor's business.

(g) Such Grantor agrees to execute an Intellectual Property Security Agreement with respect to its Intellectual Property in substantially the form of Exhibit B-1 in order to record the security

interest granted in such Intellectual Property herein to the Administrative Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office and the United States Copyright Office.

(h) If any Grantor makes an application for registration of Intellectual Property before the United States Patent and Trademark Office, the United States Copyright Office, or an equivalent thereof in any state of the United States, within forty-five (45) days of the submission of such application (or ten (10) days in the case of Copyrights), such Grantor shall deliver to the Administrative Agent a copy of such application. In connection with such notice, each Grantor agrees to execute an After-Acquired Intellectual Property Security Agreement with respect to its After-Acquired Intellectual Property in substantially the form of Exhibit B-2 in order to record the security interest granted herein to the Administrative Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office and the United States Copyright Office, as applicable.

(i) Each Grantor agrees, promptly upon learning thereof, to notify the Administrative Agent in writing and to furnish such pertinent information that may be available with respect to, any party who such Grantor believes in its reasonable business judgment is, or may be, materially infringing, misappropriating, misusing, diluting or otherwise violating any material Intellectual Property of such Grantor, or with respect to any party claiming that such Grantor's use of Intellectual Property in or for such Grantor's business violates in any material respect any Intellectual Property right of such party. Each Grantor further agrees to prosecute diligently in accordance with its reasonable business practices and consistent with past practice any person infringing, misappropriating, misusing, diluting, or otherwise violating Intellectual Property that is material to such Grantor's business.

(j) Except in connection with a transaction permitted by the Credit Agreement, each Grantor shall take all commercially reasonable steps necessary to protect the secrecy of all Trade Secrets material to its business.

5.6. Commercial Tort Claims. Such Grantor shall advise the Administrative Agent concurrently with delivery of the financial statements required under Section 5.04(b) of the Credit Agreement of any Commercial Tort Claim held by such Grantor in excess of \$1,000,000 and shall promptly thereafter, upon written request by the Administrative Agent, execute a supplement to this Agreement in form and substance reasonably satisfactory to the Administrative Agent to grant a security interest in such Commercial Tort Claim to the Administrative Agent for the benefit of the Secured Parties.

5.7. Deposit Accounts. The Grantors shall promptly enter into Deposit Account Control Agreements with respect to each Deposit Account maintained by them other than any Excluded Deposit Account (as defined in the ABL Credit Agreement), provided that the requirement of this Section 5.7 shall be deemed satisfied for so long as the ABL Agent is acting as agent for the benefit of the Administrative Agent and the Secured Parties pursuant to the Intercreditor Agreement with respect to each control agreement the ABL Agent is a party to and so long as the ABL Credit Agreement is outstanding subject to any requirements set forth in the ABL Credit Agreement with respect to the timing of delivery of such control agreements to the ABL Agent; provided, however, that after the payment in full of the ABL Facility, in no event shall any Grantor be required to execute or deliver any control agreement (including any Deposit Account Control Agreement) in respect of any Deposit Account or Securities Account.

5.8. Maintenance of Insurance. Each Grantor shall maintain insurance covering the Collateral in accordance with the provisions of Section 5.02 of the Credit Agreement.

SECTION 6. REMEDIAL PROVISIONS

6.1. Certain Matters Relating to Accounts.

(a) At any time after the occurrence and during the continuation of an Event of Default after written notice is delivered to the Grantor, the Administrative Agent shall have the right to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and each Grantor shall use commercially reasonable efforts to furnish all such assistance and information as the Administrative Agent may reasonably require in connection with such test verifications. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party; provided that the provisions of Section 9.16 of the Credit Agreement shall apply to such information.

(b) The Administrative Agent hereby authorizes each Grantor to collect such Grantor's Accounts, and each Grantor hereby agrees to continue to collect all amounts due or to become due to such Grantor under the Accounts and any Supporting Obligation and diligently exercise each material right it may have under any Account and any Supporting Obligation, in each case, at its own expense; provided, however, that the Administrative Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. Each such deposit of Proceeds of Accounts shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Administrative Agent's reasonable written request after the occurrence and during the continuance of any Event of Default, each Grantor shall, at such Grantor's expense, deliver to the Administrative Agent all (to the extent existing and available) original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices and shipping receipts.

6.2. Communications with Obligors; Grantors Remain Liable.

(a) The Administrative Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default, communicate with obligors under the Accounts and parties to the Contracts to verify with them to the Administrative Agent's reasonable satisfaction the existence, amount and terms of any Accounts or Contracts. The Administrative Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party; provided, that the provisions of Section 9.16 of the Credit Agreement shall apply to such information.

(b) Upon reasonable written request of the Administrative Agent, at any time after the occurrence and during the continuance of any Event of Default, the Administrative Agent may at any time notify, or require any Grantor to so notify, the Account Debtor or counterparty on any Account or Contract of the security interest of the Administrative Agent therein. In addition, at any time after the occurrence and during the continuance of any Event of Default, the Administrative Agent may upon written notice to the applicable Grantor, notify, or require any Grantor to notify, the Account Debtor or counterparty to make all payments under the Accounts and/or Contracts directly to the Administrative Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts and Contracts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Administrative Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Administrative Agent or any Secured Party of any payment relating thereto, nor shall the Administrative Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.3. Pledged Collateral.

(a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Equity Interests and all payments made in respect of the Pledged Notes, to the extent permitted in the Credit Agreement, and to exercise all voting and corporate rights with respect to the Pledged Collateral.

(b) If an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its rights pursuant to this Section 6.3(b): (i) all rights of each Grantor to exercise or refrain from exercising the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease and all such rights shall thereupon become vested in the Administrative Agent who shall thereupon have the sole right, but shall be under no obligation, to exercise or refrain from exercising such voting and other consensual rights, (ii) the Administrative Agent shall have the right, without notice to any Grantor, to transfer all or any portion of the Investment Property to its name or the name of its nominee or agent and (iii) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Secured Obligations in accordance with Section 6.5. In addition, the Administrative Agent shall have the right at any time after the occurrence and during the continuance of any Event of Default, without notice to the relevant Grantor, to exchange any certificates or instruments representing any Investment Property for certificates or instruments of smaller or larger denominations. In order to permit the Administrative Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto after the occurrence and during the continuance of any Event of Default and to receive all dividends and other distributions which it may be entitled to receive hereunder, each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Administrative Agent all proxies, dividend payment orders and other instruments as the Administrative Agent may from time to time reasonably request in writing and each Grantor acknowledges that the Administrative Agent may utilize the power of attorney set forth herein.

(c) If an Event of Default shall have occurred and be continuing, each Grantor hereby authorizes and instructs each Issuer of any Pledged Collateral pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Administrative Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) pay any dividends or other payments with respect to the Investment Property, including Pledged Collateral, directly to the Administrative Agent.

(d) If any Event of Default shall have occurred and be continuing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, in the case of any Intellectual Property Collateral, execute, deliver, and have recorded, any and all agreements, instruments, documents and papers as may be required by the United States Patent and Trademark Office, United States Copyright Office or similar registrar in order to effect an assignment of all right, title and interest in all registered Intellectual Property Collateral and each application for such registration, and record the same, as well as take any or all of the following actions: (1) declare the entire right, title and interest of such Grantor in and to the Intellectual Property Collateral, vested in the Administrative Agent for the benefit of the Lenders, in which event such right, title and interest shall immediately vest; (2) take and use or sell the Intellectual Property Collateral; (3) take and use or sell the goodwill of such Grantor's business symbolized by the Trademarks included within the Intellectual Property Collateral and the right to carry on the business and use the assets of such Grantor in connection with which Trademarks or Domain Names included within the Intellectual Property Collateral have been used; and (4) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Intellectual Property Collateral or Licensed Intellectual Property in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Administrative Agent may reasonably request to further confirm this and to transfer ownership of the Intellectual Property Collateral and registrations and any pending applications in the United States Patent and Trademark Office, United States Copyright Office, equivalent office in a state of the United States or applicable Domain Name registrar to the Administrative Agent.

6.4. Proceeds to be Turned Over To Administrative Agent. In addition to the rights of the Administrative Agent and the other Secured Parties specified in Section 6.1 of the Credit Agreement with respect to payments of Accounts, if an Event of Default shall occur and be continuing, all Proceeds received by any Grantor consisting of cash, cash equivalents, checks and other near-cash items shall be held by such Grantor in trust for the Administrative Agent and the other Secured Parties, segregated from other funds of such Grantor, and shall, promptly upon demand, be turned over to the Administrative Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Administrative Agent, if required). All Proceeds received by the Administrative Agent hereunder shall be held by the Administrative Agent in a Collateral Account. All Proceeds while held by the Administrative Agent in a Collateral Account (or by such Grantor in trust for the Administrative Agent and the other Secured Parties) shall continue to be held as collateral security for all the Secured Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5. Application of Proceeds. If an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent may apply all or any part of the net Proceeds (after deducting fees and expenses as provided in Section 6.6) constituting Collateral realized through the exercise by the Administrative Agent of its remedies hereunder, whether or not held in a Collateral Account, and any proceeds of the guarantee set forth in Section 2, in payment of the Secured Obligations in the manner provided in Section 7.02 of the Credit Agreement.

6.6. Code and Other Remedies.

(a) If an Event of Default shall have occurred and be continuing, the Administrative Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the New York UCC (whether or not the New York UCC applies to the affected Collateral) or its rights under any other applicable law or in equity. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below, by the Credit Agreement, this Agreement or any other Loan Document) to or upon any Grantor or any other person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall, to the extent permitted by law, constitute reasonable notification. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Administrative Agent may sell the Collateral without giving any warranties as to the Collateral. The Administrative Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Administrative Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Administrative Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Administrative Agent's reasonable written request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere upon the occurrence and during the continuance of any Event of Default. The Administrative Agent shall have the right to enter onto the property where any Collateral is located and take possession thereof with or without judicial process.

(b) The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including reasonable attorneys' fees and disbursements to the extent required to be paid in accordance with the Credit Agreement, to the payment in whole or in part of the Secured Obligations in accordance with Section 6.5 and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a) of the New York UCC, need the Administrative Agent account for the surplus, if any, to any Grantor. If the Administrative Agent sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Administrative Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Administrative Agent may resell the Collateral and the Grantor shall be credited with proceeds of the sale. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by them of any rights hereunder.

(c) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Equity Interests or the Pledged Debt Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Equity Interests or the Pledged Debt Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(d) Each Grantor agrees to use its commercially reasonable efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Equity Interests or the Pledged Debt Securities pursuant to this Section 6.6 valid and binding and in compliance with any and all other applicable law.

6.7. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations.

SECTION 7. THE ADMINISTRATIVE AGENT

7.1. Administrative Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable (until the Termination Date) power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of

this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account or Contract or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed reasonably appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Account or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property Collateral, execute, deliver, and have recorded, any and all agreements, instruments, documents and papers that the Administrative Agent may reasonably request to effect the remedies set forth in Section 6.3(d);

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem reasonably appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its reasonable discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If an Event of Default has occurred and is continuing and if any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however if a Default has occurred and is continuing, and if any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance (except as otherwise provided herein) solely to cause the Collateral and Guarantee Requirement to be, or remain, satisfied.

(c) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until the Termination Date.

7.2. Duty of Administrative Agent. The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except from their own gross negligence or willful misconduct or breach of a duty owed to such Grantor.

7.3. Execution of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the New York UCC and any other applicable law, each Grantor authorizes the Administrative Agent to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral, in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Administrative Agent under this Agreement. Each Grantor agrees that such financing statements may describe the collateral in the same manner as described in the Security Documents or as "all assets" or "all personal property," whether now owned or hereafter existing or acquired or such other description as the Administrative Agent, in its sole judgment, reasonably determines is necessary or advisable. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4. Authority of Administrative Agent. Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the other Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5. Appointment of Co-Collateral Agents. At any time or from time to time, in order to comply with any applicable requirement of law, the Administrative Agent may appoint another bank or trust company or one of more other persons, either to act as co-agent or agents on behalf of the Secured Parties with such power and authority as may be reasonably necessary for the effectual operation of the provisions hereof and which may be specified in the instrument of appointment (which may, in the discretion of the Administrative Agent, include provisions for indemnification and similar protections of such co-agent or separate agent).

SECTION 8. MISCELLANEOUS

8.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 9.08 of the Credit Agreement; provided that any provision of this Agreement imposing obligations on any Grantor may be waived by the Administrative Agent in a written instrument executed by the Administrative Agent.

8.2. Notices. All notices, requests and demands to or upon the Administrative Agent or any Grantor hereunder shall be effected in the manner provided for in Section 9.01 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 8.2.

8.3. No Waiver by Course of Conduct; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4. Enforcement Expenses; Indemnification.

(a) Each Agreement Party agrees to pay or reimburse each Secured Party for all its reasonable costs and expenses incurred in collecting against such Agreement Party under the guarantee

contained in Section 2 or otherwise in enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Agreement Party is a party (but limited in the case of legal fees and expenses, to those fees and expenses reimbursable under Section 9.05(a) of the Credit Agreement).

(b) Each Agreement Party agrees to pay, and to hold the other Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Agreement Party agrees to pay, and to hold the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrowers would be required to do so pursuant to Section 9.05 of the Credit Agreement.

(d) The agreements in this Section shall survive the Termination Date.

8.5. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Agreement Party and shall inure to the benefit of the Secured Parties and their respective permitted successors and assigns; provided that, except as otherwise permitted by the Credit Agreement, no Agreement Party may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent, and any attempted assignment without such consent shall be null and void.

8.6. Set-Off. Each Agreement Party hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Agreement Party or any other Agreement Party, any such notice being expressly waived by each Agreement Party to the extent permitted by applicable law, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Agreement Party, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Agreement Party to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Agreement Party, in any currency, whether arising hereunder, under the Credit Agreement, any other Loan Document or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party shall notify such Agreement Party promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including other rights of set-off) which such Secured Party may have.

8.7. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (including.pdf)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.8. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.10. Integration. This Agreement and the other Loan Documents represent the agreement of the Agreement Parties, the Administrative Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

8.11. **APPLICABLE LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

8.12. Submission to Jurisdiction; Waivers. Each Agreement Party and the Administrative Agent hereby irrevocably and unconditionally:

(a) submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender, the Administrative Agent or any Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against Parent, the Borrowers or any Loan Party or their properties in the courts of any jurisdiction;

(b) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court; and

(c) agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested at its address provided in Section 9.01 of the Credit Agreement and agrees that service as so provided in is sufficient to confer personal jurisdiction over the applicable credit party in any such proceeding in any such court, and otherwise constitutes

effective and binding service in every respect; and agrees that agents and lenders retain the right to serve process in any other manner permitted by law or to bring proceedings against any credit party in the courts of any other jurisdiction.

8.13. Acknowledgments. Each Agreement Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) no Secured Party has any fiduciary relationship with or duty to any Agreement Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agreement Parties, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Agreement Parties and the Secured Parties.

8.14. Additional Grantors. Each Subsidiary of the Lead Borrower that is required to become a party to this Agreement pursuant to Section 5.09 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Exhibit D hereto.

8.15. Releases.

(a) On the Termination Date, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Agreement Party hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor on or following the Termination Date, the Administrative Agent shall deliver to such Grantor any Collateral held by the Administrative Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) The obligations of Guarantors that are Subsidiaries and the security interests created hereunder shall be subject to release in accordance with Section 9.17 of the Credit Agreement.

(c) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement originally filed in connection herewith without the prior written consent of the Administrative Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the New York UCC.

8.16. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Collateral granted to the Administrative Agent pursuant to this Agreement or any other Loan Document and the exercise of any of the relative rights and remedies of the Administrative Agent hereunder shall be subject to, and governed by the terms and conditions of, the Intercreditor Agreement at any time the Intercreditor Agreement is in effect. In the event of any conflict or inconsistency between the terms and conditions hereof and the terms and conditions of the Intercreditor Agreement, the terms and conditions

of the Intercreditor Agreement shall govern and control at any time the Intercreditor Agreement is in effect. Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, but subject to the Intercreditor Agreement in all respects, until the Discharge of Revolving Obligations (as defined in the Intercreditor Agreement): (i) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the delivery and/or arrangement for possession of Collateral that constitutes Revolving Priority Collateral or delivery and/or arrangement for control of any certificated securities that constitute Revolving Priority Collateral to or with the Administrative Agent shall be deemed satisfied or complied with (or in the case of any representation or warranty, shall be deemed to be true and correct) if such delivery and/or arrangement for possession of Collateral that constitutes Revolving Priority Collateral is made to, or such control of certificated securities is with the ABL Agent pursuant to the ABL Loan Documents; (ii) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the payment or other transfer of Collateral that constitutes Revolving Priority Collateral to the Administrative Agent shall be deemed to have been satisfied (or, in the case of any representation or warranty, shall be deemed to be true and correct) if such payment or transfer shall have been made to the ABL Agent; (iii) any covenant hereunder or under the Credit Agreement requiring (or any representation or warranty hereunder or under the Credit Agreement to the extent it would have the effect of requiring) the endorsement of any Collateral that constitutes Revolving Priority Collateral or related document to the Administrative Agent shall be deemed to have been satisfied (or, in the case of any representation or warranty, shall be deemed to be true and correct) if such endorsement shall have been made to the ABL Agent; and (iv) any covenant requiring that a Grantor receive and/or hold any Collateral that constitutes Revolving Priority Collateral in trust for the benefit of the Administrative Agent shall be deemed to have been satisfied to the extent that such Grantor receives or holds (as applicable) such Collateral in trust for the benefit of the ABL Agent and the Administrative Agent.

8.17. WAIVER OF JURY TRIAL. EACH AGREEMENT PARTY AND THE ADMINISTRATIVE AGENT HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.17 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS

HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Each Incremental Term Lender shall make the Incremental Term Loans to be made by it on the First Amendment Effective Date in accordance with procedures substantially the same as were applicable to the Term Loans originally made on the Closing Date (with such modifications as to timing of the respective wire transfers as may be agreed to by the Borrowers, the Administrative Agent and such Incremental Term Lenders). Each Incremental Term Lender's commitment to make Incremental Term Loans on the First Amendment Effective Date shall automatically terminate upon the making of the respective Incremental Term Loans on such date."

"Section 2.10 Repayment of Loans. Subject to the other paragraphs of this Section, commencing on the first full fiscal quarter after the Closing Date, the Borrowers shall (subject to the application of Section 2.23) repay Borrowings (x) on the last Business Day of each fiscal quarter prior to the Maturity Date (each such date being referred to as a "Term Loan Installment Date"), in each case in an amount equal to the sum of (i) 0.25% of the original principal amount of the Term Loans on the Closing Date and (ii) commencing with the Term Loan Installment Date on (or closest to) May 3, 2013, 0.25% of the original principal amount of the Incremental Term Loans on the First Amendment Effective Date (as such repayment amounts may be reduced from time to time pursuant to Sections 2.11 and 9.04(g)), and (y) on the Maturity Date, shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date."

G. Section 6.06 of the Credit Agreement is hereby amended by (i) deleting the word “and” appearing at the end of clause (k) thereof, (ii) deleting the period appearing at the end of clause (l) thereof and inserting “; and” in lieu thereof and (iii) inserting the following new clause (m) at the end thereof:

“(m) as soon as reasonably practicable after the First Amendment Effective Date, Ollie’s may use the proceeds of the Incremental Term Loans to pay a cash dividend to Ollie’s Holdings which in turn may use the proceeds of the Incremental Term Loans and/or the proceeds received from Ollie’s as provided herein to pay a cash dividend to Parent in an aggregate amount not to exceed \$46,200,000 (the “Special Dividend”).”

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under the guarantee contained in this Section 2 in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 2.8 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 2.8, or otherwise under the guarantee contained in this Section 2, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 2.8 shall remain in full force and effect until the Termination Date. Each Qualified ECP Guarantor intends that this Section 2.8 constitute, and this Section 2.8 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v) (II) of the Commodity Exchange Act.”

WHEREAS, subject to the terms and conditions hereof, the Borrowers have requested that Jefferies Finance (the "Incremental Term Lender") make Incremental Term Loans on the Second Amendment Effective Date (as hereinafter defined) to the Borrowers in an aggregate principal amount of \$60,000,000 (the "Designated 2014 Incremental Term Loans"), the proceeds of which shall be used by the Borrowers and Parent to pay the 2014 Special Dividend (as defined below) and any fees and expenses incurred by the Borrowers in connection with such Designated 2014 Incremental Term Loans, in each case, as provided herein;

WHEREAS, this Second Amendment shall serve as an Increased Facility Activation Notice and a New Lender Supplement referred to in Section 2.22 of the Credit Agreement (and the Lenders party hereto consent to its treatment as such) in respect of the Designated 2014 Incremental Term Loans to be incurred hereunder and, in connection therewith, the parties hereto hereby agree that (i) the Designated 2014 Incremental Term Loans to be incurred pursuant hereto shall be added to, and constitute part of the same Class as (and shall be treated as), the Term Loans originally incurred on the Closing Date (including the Incremental Term Loans incurred on the First Amendment Effective Date), (ii) the aggregate principal amount of the Designated 2014 Incremental Term Loans (and related commitments) shall be \$60,000,000 and shall be treated as being incurred in reliance on the consent in Section II below, (iii) the Increased Facility Closing Date for the Designated 2014 Incremental Term Loans shall be the Second Amendment Effective Date, (iv) the Incremental Term Maturity Date for the Designated 2014 Incremental Term Loans shall be the Maturity Date, (v) the amortization schedule for the Designated 2014 Incremental Term Loans shall be as set forth in Section 2.10 of

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is acknowledged by each party hereto, it is agreed:

I. Amendments to Credit Agreement.

A. Section 1.01 of the Credit Agreement is hereby amended as follows:

1. the definition of "ABR" is hereby amended by replacing the reference to "2.25%" appearing in clause (d) thereof with "2.00%".
2. the definition of "Applicable Margin" is hereby amended and restated in its entirety as follows:

"Applicable Margin" shall mean (I) (a) with respect to any unpaid interest that has accrued on the ABR Loans prior to the Second Amendment Effective Date, 3.00% and (b) with respect to any interest accruing on the ABR Loans on and after the Second Amendment Effective Date, 2.75% and (II) (a) with respect to any unpaid interest that has accrued on the Eurodollar Loans prior to the Second Amendment Effective Date, 4.00% and (b) with respect to any interest accruing on the Eurodollar Loans on and after the Second Amendment Effective Date, 3.75%.

3. the definition of "Commitment" is hereby amended and restated in its entirety as follows:

"Commitment" shall mean with respect to each Lender, the commitment of such Lender to make Term Loans pursuant to Section 2.01 in an aggregate amount not to exceed the amount set forth opposite such Lender's name on Schedule 2.01 under the caption "Commitment" (or, (x) in the case of Incremental Term Loans made under the First Amendment, opposite such Lender's name on Schedule 1 to the First Amendment and (y) in the case of Incremental Term Loans made under the Second Amendment, opposite such Lender's name on Schedule 1 to the Second Amendment) or in an Assignment and Acceptance pursuant to which such Lender becomes a party hereto in accordance with Section 9.04, as applicable, as such amount may be adjusted from time to time in accordance with this Agreement. The aggregate amount of the Commitments on (x) the Closing Date was \$225.0 million (which Commitments were terminated upon the making of the Term Loans on the Closing Date), (y) the First Amendment Effective Date was \$50.0 million (which Commitments were terminated upon the making of the Incremental Term Loans on the First Amendment Effective Date) and (z) the Second Amendment Effective Date is \$60.0 million (which Commitments shall automatically terminate upon the making of the Incremental Term Loans on the Second Amendment Effective Date).

4. the definition of “Eurodollar Rate” is hereby amended by replacing the reference to “1.25%” appearing in clause (a) thereof with “1.00%”.

5. the definition of “Lender” is hereby amended and restated in its entirety as follows:

“Lender” shall mean each financial institution listed on Schedule 2.01 hereto, Schedule 1 to the First Amendment, or Schedule 1 to the Second Amendment (other than, in each case, any such person that has ceased to be a party hereto pursuant to an Assignment and Acceptance in accordance with Section 9.04), as well as any person that becomes a “Lender” hereunder pursuant to an Assignment and Acceptance in accordance with Section 9.04.

6. the definition of “Term Loans” is hereby amended and restated in its entirety as follows:

“Term Loans” shall mean the term loans made by the Lenders to the Borrowers on the Closing Date and shall include, as part of the same Class as such term loans, the Incremental Term Loans made by the Incremental Term Lenders on the First Amendment Effective Date and on the Second Amendment Effective Date.

and

7. inserting in the appropriate alphabetical order the following new definitions:

“2014 Special Dividend” shall have the meaning assigned to such term in Section 6.06(n).

“Second Amendment” shall mean the Second Amendment to Credit Agreement, dated as of April 11, 2014, among Parent, the Borrowers, the Incremental Term Lenders party thereto, the Lenders party thereto and the Administrative Agent.

“Second Amendment Effective Date” shall mean the date on which the Second Amendment is effective pursuant to the terms thereof.

B. Section 2.01 of the Credit Agreement is hereby amended by inserting the following new clause (c) at the end thereof:

“(c) Upon the terms and subject to the conditions set forth herein and in the Second Amendment, each Incremental Term Lender on the Second Amendment Effective Date agrees, severally and not jointly, to make Incremental Term Loans to the Borrowers on (and subject to the occurrence of) the Second Amendment Effective Date in an aggregate principal amount not to exceed the amount set forth opposite such Incremental Term Lender’s name on Schedule 1 to the Second Amendment. Amounts repaid or prepaid in respect of such Incremental Term Loans may not be reborrowed.”

C. Section 2.02 of the Credit Agreement is hereby amended by inserting the following new clause (f) at the end thereof:

“(f) On the Second Amendment Effective Date, the Incremental Term Loans under the Second Amendment shall be made by each Incremental Term Lender that is a party to the Second Amendment in the principal amount set forth opposite such Incremental Term Lender’s name on Schedule 1 to the Second Amendment. The failure of any Incremental Term Lender to make any Incremental Term Loan required to be made by it shall not relieve any other Incremental Term Lender of its obligations hereunder. Notwithstanding anything to the contrary contained herein, (i) the Incremental Term Loans made on the Second Amendment Effective Date shall be added to (and constitute part of the same Class as) the Term Loans made on (x) the Closing Date and (y) the First Amendment Effective Date, (ii) such Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans on the Second Amendment Effective Date on a pro rata basis (based on the relative sizes of the various outstanding Borrowings) so that each Lender (including each such Incremental Term Lender) will participate proportionately in each then outstanding Borrowing of Term Loans, and (iii) in connection with the provisions of immediately preceding clause (ii), the parties hereto acknowledge and agree that the effect thereof may result in the respective Incremental Term Loans having a short Interest Period (i.e., an Interest Period that began during an existing Interest Period then applicable to each outstanding Borrowing of Term Loans and which will end on the last day of such Interest Period). Each Incremental Term Lender shall make the Incremental Term Loans to be made by it on the Second Amendment Effective Date in accordance with procedures substantially the same as were applicable to the Term Loans originally made on the Closing Date (with such modifications as to timing of the respective wire transfers as may be agreed to by the Borrowers, the Administrative Agent and such Incremental Term Lenders). Each Incremental Term Lender’s commitment to make Incremental Term Loans on the Second Amendment Effective Date shall automatically terminate upon the making of the respective Incremental Term Loans on such date.”

D. Section 2.10 of the Credit Agreement is hereby amended and restated in its entirety as follows:

“Section 2.10 Repayment of Loans. Subject to the other paragraphs of this Section, commencing on the first full fiscal quarter after the Closing Date, the Borrowers shall (subject to the application of Section 2.23) repay Borrowings (x) on the last Business Day of each fiscal quarter prior to the Maturity Date (each such date being referred to as a “Term Loan Installment Date”), in each case in an amount equal to the sum of (i) 0.25% of the original principal amount of the Term Loans on the Closing Date, *plus* (ii) commencing with the Term Loan Installment Date on (or closest to) May 3, 2013, 0.25% of the original principal amount of the Incremental Term Loans incurred on the First Amendment Effective Date, *plus* (iii) commencing with the Term Loan Installment Date on (or closest to) May 2, 2014, 0.25% of the original principal amount

of the Incremental Term Loans incurred on the Second Amendment Effective Date (as such repayment amounts may be reduced from time to time pursuant to Sections 2.11 and 9.04(h)), and (y) on the Maturity Date, shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date.”

E. Section 2.12(c) of the Credit Agreement is hereby amended and restated in its entirety as follows:

“At the time of the effectiveness of any Repricing Transaction that is consummated after the Second Amendment Effective Date and prior to the 12 month anniversary of the Second Amendment Effective Date, the Borrowers agree to pay to the Administrative Agent, for the ratable account of each Lender with Term Loans that are either repaid, converted or subjected to a pricing reduction in connection with such Repricing Transaction (including each Lender that withholds its consent to such Repricing Transaction and is replaced as a Non-Consenting Lender under Section 2.19 (but not, for the avoidance of doubt, the Replacement Lender, in its capacity as such)), a fee in an amount equal to 1.0% of (x) in the case of a Repricing Transaction described in clause (x) of the definition thereof, the aggregate principal amount of all Term Loans prepaid or converted in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction described in clause (y) of the definition thereof, the aggregate principal amount of all Term Loans outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction. Such fees shall be earned, due and payable upon the date of the effectiveness of such Repricing Transaction.”

F. The first sentence of Section 5.12 of the Credit Agreement is hereby amended and restated in its entirety as follows:

“The Borrowers will use the proceeds of (i) the Term Loans incurred on the Closing Date to consummate the Transaction and pay the Transaction Costs, (ii) the Incremental Term Loans incurred on the First Amendment Effective Date to pay the Special Dividend, to pay the fees and expenses incurred in connection with such Incremental Term Loans and the First Amendment and for general corporate purposes and (iii) the Incremental Term Loans incurred on the Second Amendment Effective Date to pay the 2014 Special Dividend, to pay the fees and expenses incurred in connection with such Incremental Term Loans and the Second Amendment and for general corporate purposes.”

G. Section 6.06 of the Credit Agreement is hereby amended by (i) deleting the word “and” appearing at the end of clause (l) thereof, (ii) deleting the period appearing at the end of clause (m) thereof and inserting “; and” in lieu thereof and (iii) inserting the following new clause (n) at the end thereof:

“(n) as soon as reasonably practicable after the Second Amendment Effective Date, Ollie’s may use the proceeds of the Incremental Term Loans incurred on the Second Amendment Effective Date to pay a cash dividend to Ollie’s Holdings which in turn may use the proceeds of such Incremental Term Loans and/or the proceeds received from Ollie’s as provided herein to pay a cash dividend to Parent in an aggregate amount not to exceed \$58,000,000 (the “2014 Special Dividend”).”

II. Consent to Credit Agreement.

Notwithstanding anything to the contrary set forth in Section 2.22(a)(ii) of the Credit Agreement, the Required Lenders hereby consent to the incurrence by the Borrowers of the Designated 2014 Incremental Term Loans on the Second Amendment Effective Date to fund the payment of (x) the 2014 Special Dividend and (y) the fees and expenses incurred in connection therewith so long as all of the conditions and requirements (other than Section 2.22(a)(ii)) set forth in Section 2.22 shall be satisfied. It being understood and agreed that (i) the incurrence of the Designated 2014 Incremental Term Loans shall not count against the Incremental Cap and (ii) the Designated 2014 Incremental Term Loans shall constitute "Incremental Term Loans" for all purposes under the Credit Agreement and the other Loan Documents.

III. Representations and Warranties.

In order to induce the Administrative Agent, the undersigned Lenders and the Incremental Term Lender to enter into this Second Amendment and, in the case of the Incremental Term Lender, to make the Designated 2014 Incremental Term Loans on the Second Amendment Effective Date, Parent and each Borrower hereby represent and warrant that:

A. no Default or Event of Default has occurred and is continuing on the date hereof or will have occurred and be continuing as of the Second Amendment Effective Date, both immediately before and immediately after giving effect to the Second Amendment;

B. all of the representations and warranties of each Loan Party contained in the Credit Agreement and in the other Loan Documents are true and correct in all material respects (without duplication of any materiality qualifier contained therein) on the date hereof and will be true and correct in all material respects (without duplication of any materiality qualifier contained therein) on the Second Amendment Effective Date, both immediately before and immediately after giving effect to the Second Amendment, as though made on and as of the Second Amendment Effective Date (except for representations and warranties that expressly relate to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (without duplication of any materiality qualifier contained therein) as of such earlier date);

C. (x) this Second Amendment, and the incurrence (and guaranty) of the Designated 2014 Incremental Term Loans contemplated hereby, have been duly authorized by all corporate, stockholder, limited partnership or limited liability company action required to be obtained by each Loan Party, (y) this Second Amendment has been duly executed and delivered by each Loan Party and (z) this Second Amendment, and the Credit Agreement (as amended by this Second Amendment), each constitutes a legal, valid and binding obligation of each Loan Party, enforceable against such Loan Party in accordance with its respective terms, subject to (i) the effects of bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors' rights generally, (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and (iii) implied covenants of good faith and fair dealing; and

[Address on file with the Company]

Dear Mark:

This letter (the "Agreement") will set forth the terms of your employment with Ollie's Bargain Outlet, Inc. (the "Company"), an indirect, wholly-owned subsidiary of Bargain Holdings, Inc. ("Bargain Holdings").

WHEREAS, you are employed by the Company pursuant to that certain letter agreement, dated April 15, 2010, by and between you and the Company (the "Prior Agreement");

WHEREAS, pursuant to that certain Agreement and Plan of Merger (as modified, supplemented or restated, the "Merger Agreement"), dated as of August 27, 2012, by and among Bargain Parent, Inc. ("Parent"), Bargain Merger Sub, Inc. ("Merger Sub"), Ollie's Holdings, Inc. ("Ollie's Holdings") and KarpReilly, LLC, solely in its capacity as a representative upon the terms and subject to the conditions set forth therein, Parent will indirectly acquire 100% of the issued and outstanding capital stock of Ollie's Holdings in a reverse subsidiary merger transaction, whereby Merger Sub will be merged with and into Ollie's Holdings (the "Merger"), with Ollie's Holdings as the surviving corporation in the Merger; and

WHEREAS, the Company desires to continue to employ you and you desire to continue to be employed by the Company following the Closing (as defined in the Merger Agreement) on the terms and conditions set forth in the Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants contained herein, the parties hereto agree as follows:

1. Effective Date; Term. Your employment hereunder shall commence effective upon the Closing (the "Effective Date") and continue, unless sooner terminated in accordance with Section 6 hereof, until the third anniversary thereof (the "Initial Term"); provided, that, unless your employment is earlier terminated in accordance with Section 6 hereof, your term of employment shall be automatically renewed for successive two-year terms (each, a "Renewal Term," and together with the Initial Term, the "Term of Employment") upon the expiration of the Initial Term or any Renewal Term. Notwithstanding the foregoing, neither the Initial Term nor any Renewal Term shall be renewed if either you or the Company, not later than ninety (90) days prior to the end of the Initial Term or any Renewal Term, as applicable, notifies the other in writing of the non-renewal of the Term of Employment.

2. Duties, etc. During the Term of Employment you will be the Chief Executive Officer of the Company. In this capacity, you will (i) have direct responsibility for overseeing all aspects of the day-to-day operations of the Company, (ii) have the Butler Consent Rights (as defined in the Stockholders' Agreement (as defined in Section 6)), and (iii) shall provide periodic financial and operational reports to the Board of Directors of the Company (the "Board"). You will be accountable to, and will also have such powers, duties and responsibilities as may from time to time be prescribed by, the Board; provided, that such duties and responsibilities are consistent with the position of Chief Executive Officer. You will perform and discharge your duties and responsibilities faithfully, diligently and to the best of your ability. You will devote substantially all of your working time and efforts to the business and affairs of the Company Group (as defined in Section 6); provided, however, that the foregoing shall not restrict your engaging in civic, charitable and personal investment activities which do not materially affect your availability to any member of the Company Group during working time. So long as you are the Chief Executive Officer of the Company, you shall serve as Chairman of the Board without additional compensation.

3. Base Salary. As compensation for all services provided by you during the Term of Employment, and subject to your performance in accordance with the terms of this Agreement, the Company shall pay you a base salary at a rate of \$500,000 per annum (the per annum amount in effect from time to time being referred to herein as the "Base Salary"). All payments under this Section 3 will be made in accordance with the regular payroll practices of the Company. The amount of Base Salary shall be re-evaluated annually by the Compensation Committee of the Board, or, if no such committee exists, the Board; provided, that the Base Salary may not be reduced to an amount below \$500,000.

4. Performance Bonus. In addition to your Base Salary, you will be eligible for an annual bonus (the "Bonus") for each fiscal year during the Term of Employment. As indicated in the following table, with respect to each fiscal year during the Term of Employment, if Company EBITDA for such fiscal year: (a) equals the Target EBITDA for such fiscal year, your Bonus for such fiscal year shall be equal to 66.7% of your Base Salary, (b) is equal to or less than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be \$0, (c) is equal to or greater than the Maximum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be 133.33% of your Base Salary, or (d) is greater than Target EBITDA but less than the Maximum EBITDA Threshold for such fiscal year, or is less than Target EBITDA but greater than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be determined by interpolating on a straight line basis between the Bonus amounts set forth in the following table and the corresponding level of Company EBITDA; provided, that notwithstanding anything to the contrary contained in the foregoing, (i) for purposes of the calculation of any Bonus in respect of fiscal year 2012, (A) Base Salary shall mean the weighted average of your (x) annual rate of base salary from the first day of fiscal year 2012 through immediately prior to the Closing plus (y) annual rate of Base Salary from the Closing through the last day of fiscal year 2012 and (B) the Bonus shall be calculated in a manner consistent with past practices, and (ii) the Compensation Committee of the Board or, if no such committee exists, the Board (in each case, with the CCMP Consent (as defined in the Stockholders' Agreement)) may, with your consent, change the manner in which any Bonus is determined and/or calculated (e.g., add a revenue component to the performance metrics).

<u>Company EBITDA for fiscal year:</u>	<u>Bonus Amount</u>
Equal to or greater than Maximum EBITDA Threshold	133.33% of Base Salary
Equal to Target EBITDA	66.7% of Base Salary
Equal to or less than Minimum EBITDA Threshold	\$0

You must be employed on the first business day of the next fiscal year in order to be eligible for a Bonus in respect of the prior fiscal year, except as otherwise set forth in Section 6(a). The Bonus for each fiscal year shall be paid to you at the same time that other senior executives of the Company receive bonus payments, but in no event later than April 15 of the fiscal year following the fiscal year to which the Bonus relates, except as otherwise set forth in Section 6(a).

For purposes of this Agreement:

“Company EBITDA” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) Consolidated Net Income for such fiscal year and (b) to the extent Consolidated Net Income has been reduced thereby, (i) all income taxes of the Company Group recorded as a tax provision in accordance with GAAP for such period (other than income taxes attributable to items (a), (b), and (f) included in the definition of Consolidated Net Income), (ii) Consolidated Interest Expense, (iii) Consolidated Non-Cash Charges, (iv) for fiscal year 2012 only, fees and expenses paid to Saunders Karp & Megrue, LLC (“SKM”) pursuant to the Management Agreement between SKM, the Company and Ollie’s Holdings dated as of August 7, 2003, (v) any fees and expenses incurred by the Company, the Company Stockholders (as defined in the Merger Agreement) or Parent in connection with the consummation of the transactions contemplated by the Merger Agreement (to the extent not otherwise included in an item in this clause (b)), all as determined on a consolidated basis for the Company Group in accordance with GAAP, and (vi) any non-cash equity compensation expense, store closing costs and, for fiscal year 2012 only, the Johnson City flood loss; provided, that notwithstanding the forgoing, for fiscal year 2012 only, “Company EBITDA” shall also include or exclude such other items as are consistent with past practices of the Company in calculating fiscal year bonuses for senior management executives of the Company as set by the board of directors of the Company as in place in March 2012. The components of Company EBITDA will be determined by the independent auditor of the Company Group in accordance with GAAP.

“Consolidated Interest Expense” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) the aggregate of the interest expense of the Company Group for such fiscal year determined on a consolidated basis in accordance with GAAP and (b) the interest component of capitalized lease obligations accrued by the Company Group during such period as determined on a consolidated basis in accordance with GAAP, less (c) the amount of any interest income received by the Company Group during such fiscal period and (d) deferred financing costs and bank administration fees.

“Consolidated Net Income” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate net income (or loss) of the Company Group for such fiscal year on a consolidated basis, determined in accordance with GAAP, which shall reflect the full charge resulting from the payment by the Company Group of any base salary, bonus compensation (including without limitation the Bonus) or other payment to any person pursuant to any employment agreement with any member of the Company Group; provided, that there shall be excluded from the calculation thereof (a) after-tax gains and losses from asset sales or abandonments or reserves relating thereto, (b) after-tax items classified as extraordinary gains or losses, (c) the net income (or loss) of any subsidiary of Bargain Holdings to the extent that the declaration of dividends or similar distributions by that subsidiary is restricted by a contract, operation of law or otherwise, (d) the net income (or loss) of any other person or entity, other than a subsidiary of Bargain Holdings, except to the extent of cash dividends or distributions paid to the Company Group by such other person or entity, (e) in the case of a successor to any member of the Company Group by consolidation or merger or as a transferee of the assets of such member of the Company Group, any net income (or loss) of the successor corporation prior to such consolidation, merger or consolidation of assets, (f) management fees, if any, paid by the Company Group to the CCMP Stockholders (as defined in the Stockholders’ Agreement) and their affiliates and (g) the after-tax impact of nonrecurring items of income and expense that are included in the determination of net income related to: (i) executive officer severance payments, (ii) discontinued operations, (iii) insurance losses and recoveries, (iv) write-up/write-down of assets related to acquisitions, (v) cumulative effects of accounting changes and (vi) securities registration expenses.

“Consolidated Non-Cash Charges” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate depreciation and amortization of the Company Group reducing Consolidated Net Income of the Company for such fiscal year.

“GAAP” shall mean generally accepted accounting principles in the United States as in effect from time to time.

“Maximum EBITDA Threshold”, “Minimum EBITDA Threshold” and “Target EBITDA” shall mean, for any fiscal year of Bargain Holdings, such amounts as shall be determined by the Compensation Committee of the Board, or, if no such committee exists, the Board (in each case, with the CCMP Consent); provided, that the Maximum EBITDA Threshold shall in no event be more than 15% higher than the Target EBITDA and the Minimum EBITDA Threshold shall in no event be more than 15% lower than the Target EBITDA; provided, further, that, after setting the Maximum EBITDA Threshold, Minimum EBITDA Threshold and Target EBITDA for any fiscal year, the Compensation Committee of the Board, or, if no such committee exists, the Board (in each case, with the CCMP Consent) may subsequently adjust such amounts in the event of any acquisition, disposition or other material transaction or event with respect to the Company Group with a view to maintaining the incentive nature of the Bonus. For fiscal year 2012, your Maximum EBITDA Threshold is \$63,320,855, your Minimum EBITDA Threshold is \$46,802,371 and your Target EBITDA is \$55,061,613.

5. Stock Options; Benefits.

(a) On or promptly following the Effective Date, you shall be granted stock options to purchase all or any portion of an aggregate of 22,030.30 shares of non-voting common stock of Bargain Holdings, Inc. (the “Option”). The Option shall be issued pursuant to, and shall be subject to the terms and conditions of, the Bargain Holdings, Inc. 2012 Equity Incentive Plan and a Bargain Holdings, Inc. 2012 Equity Incentive Plan Nonqualified Stock Option Award Agreement substantially in the form attached hereto as Exhibit A.

(b) You will be eligible to receive six weeks, or thirty (30) days, of Paid Time Off ("PTO") per year, pro-rated for partial years. You will not be entitled to any cash, severance payment or other compensation for PTO not taken, and unused PTO may be carried over up to a maximum of five (5) days to succeeding years. You will be eligible to participate in, and the Company will pay applicable premiums for, all benefit and welfare plans made generally available to senior management executives of the Company (including health, dental, vision, short and long term disability, life and AD&D, and business travel accident insurance plans), as in effect from time to time, all subject to plan terms and generally applicable Company policies; provided, that notwithstanding the foregoing and excluding any changes in any benefit plans or welfare plans or level of benefits thereunder, in each case, as proposed or approved by you, the minimum level of benefits provided to you under such plans shall, in the aggregate, be at least equal to the level of benefits provided to you under such plans as of immediately prior to the Effective Date. In addition, during the Term of Employment, you will be entitled to the use of a Company car on the basis currently available to you, including the Company payment of fuel, the cost of insurance and maintenance and repair on such car. The Company will continue to provide you with a long-term disability policy with a benefit amount that is consistent with the policy in effect for you as of immediately prior to the Effective Date; provided, that the premium on such policy shall not exceed \$15,000 per year. Following the Effective Date, the Company shall procure for the remainder of the Term of Employment one or more term life insurance policies with an aggregate death benefit of \$25 million; provided, that (i) you shall be the owner of such policies, (ii) the Company shall reimburse you for the amount of the premiums under such policy or policies which are paid by you, (iii) the Company shall use commercially reasonable efforts to secure the best available rate(s) for such policy or policies and (iv) the annual aggregate premiums for such policies shall not exceed \$100,000 (collectively, the "Life Insurance Benefit"). You will be entitled to receive prompt reimbursement for all reasonable expenses incurred by you in performing services hereunder, including all expenses of travel while on business or at the request of and in the service of the Company; provided, that such expenses are incurred and accounted for in accordance with the policies and procedures reasonably established by the Company.

6. Termination of Employment; Severance Payments. You or the Company may terminate your employment at any time and for any reason by giving written notice to the other in accordance with the terms of this Agreement; provided, that (i) the Company shall provide you with at least thirty (30) days' prior written notice in the case of termination of your employment without Cause (as defined below), excluding a termination due to death, Disability (as defined below) or the Company's non-renewal of the Term of Employment and (ii) you shall provide the Company with at least thirty (30) days' prior written notice in the case of your termination of employment without Good Reason (as defined below), excluding a termination due to your non-renewal of the Term of Employment. The parties' rights and duties in the event of a termination of employment are as set forth below.

(a) If (x) the Company terminates your employment without Cause (but excluding any termination due to your death, Disability), (y) you terminate your employment for Good Reason or (z) your employment terminates as a result of a non-renewal by the Company of the Term of Employment, the Company will, in lieu of any other payments or benefits hereunder or otherwise, (i) continue to pay your Base Salary for the longer of (A) twenty-four (24) months following the Termination Date or (B) until the end of the then current Term of Employment (the "Severance Period"), (ii) pay you, in a lump sum, a pro-rata portion of the Bonus for the fiscal year in which your termination occurs based on actual performance (determined by multiplying the amount of such Bonus, which would be due for the full fiscal year by a fraction, the numerator of which is the number of days during the fiscal year of termination that you are employed with the Company and the denominator of which is 365), payable in the calendar year following the calendar year in which the Termination Date occurs on the later of (A) the date that other senior executives of the Company receive bonus payments in respect of the fiscal year to which such pro-rata Bonus relates or (B) the twenty-eighth (28th) day following the Termination Date, but in no event later than December 31 of such calendar year, (iii) continue to provide you with the Life Insurance Benefit during the Severance Period, and (iv) continue to provide health,

life and disability insurance benefits to the extent permitted under such plans until the earlier of (A) the expiration of the Severance Period and (B) the date you have commenced new employment (the "Benefits Continuation Period"); provided, that you make such affirmative and timely COBRA or other elections as are required for such benefits to continue; provided, further, that (x) any such health, life and/or disability insurance continuation shall be treated as taxable compensation to you to the extent necessary to avoid adverse tax consequences on the Company or you resulting from the provision of tax free benefits to you and (y) to the extent the continuation of health insurance benefits pursuant to this Section 6(a)(iv) extends beyond the expiration of the minimum required period of continuation coverage applicable to you under COBRA, the Company shall, in its sole discretion, either (i) procure for the remaining portion of the Benefits Continuation Period health insurance coverage for you on terms and conditions substantially similar to the terms and conditions which would be applicable to you under the health insurance plan of the Company which is then in effect to the extent you were still an employee of the Company as of such date (the "Comparable Health Insurance Terms") or (ii) provide you with a cash amount determined by the Company to be sufficient (after deduction of all federal, state and local income taxes) for you to obtain health insurance coverage on Comparable Health Insurance Terms for the remaining portion of the Benefits Continuation Period, with such cash amount payable in equal installments at the beginning of each month during the remaining portion of the Benefits Continuation Period. Any obligation of the Company to you under this paragraph is conditioned, however, upon your signing a release of claims in the form attached hereto as Exhibit B (as may be updated and revised by the Company to comply with applicable law to achieve its intent, the "Release") within twenty-one (21) days following the Termination Date and upon your not revoking the Release within seven (7) days thereafter, and is further conditioned upon your continuing compliance with the provisions of Sections 7 and 8. The cash severance set forth in Section 6(a)(i) will be made in the form of salary continuation, and will begin at the Company's next regular payroll period following the effective date of the Release (i.e., once it becomes irrevocable), but shall be retroactive to the Termination Date; provided, that if the date on which such salary continuation may commence can occur in your immediately subsequent taxable year assuming the Release becomes irrevocable on the twenty-eighth (28th) day following the Termination Date, then payment shall

commence in the immediately subsequent taxable year and otherwise in accordance with the terms of this Section 6(a). Notwithstanding anything to the contrary herein, in the event of a breach of Section 7 or Section 8, you shall have no right to receive (or continue to receive) any amounts under this paragraph, and the Company shall retain all rights to pursue other available remedies (whether at law or equity) for any such breach.

(b) If (x) the Company terminates your employment for Cause, (y) you terminate your employment without Good Reason, or (z) your employment terminates by reason of your death, Disability or your non-renewal of the Term of Employment, the Company will, in lieu of any other payments or benefits hereunder or otherwise (including without limitation any severance payments), pay you any Base Salary earned but not paid through the Termination Date.

You hereby acknowledge and agree that, other than the payments described in this Section 6, upon the Termination Date you shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan or severance policy generally available to the Company's employees or otherwise. For purposes of this Agreement:

"Cause" shall mean (i) your conviction of fraud, a serious felony, or a crime involving embezzlement, conversion of property or moral turpitude, (ii) a final non-appealable finding of your breach of any of your fiduciary duties to any one or more members of the Company Group or any of their respective stockholders; provided, that you were given notice and failed to cure the breach, misrepresentation or omission within thirty (30) days thereafter, (iii) your willful and continual neglect or failure to discharge your duties, responsibilities or obligations under any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties); provided, that you were given notice and failed to cure the neglect or failure within thirty (30) days thereafter, (iv) your habitual drunkenness or substance abuse which materially interferes with your ability to discharge your duties, responsibilities and obligations to any member of the Company Group; provided, that you were given notice and failed to cure such drunkenness or abuse within thirty (30) days thereafter, or (v) a material breach by you of any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties); provided, that you were given notice and failed to cure such breach within thirty (30) days thereafter;

provided, further, that notwithstanding the foregoing, the Company may not terminate your employment for "Cause" unless written notice of the Company's intent to terminate you for "Cause" is provided within ninety (90) days following the date on which the non-employee members of the Board had actual knowledge of the events or your acts or omissions, in sufficient detail, to determine that "Cause" exists, specifying in reasonable detail the conditions constituting "Cause."

"Company Group" shall mean Bargain Holdings and its direct and indirect subsidiaries; provided, that solely for purposes of the calculation of any Bonus, the term "Company Group" shall mean Bargain Holdings and its direct and indirect subsidiaries which, as of the applicable date of determination, are run by you as Chief Executive Officer of the Company so long as you are employed by the Company.

"Disability" shall mean any illness, injury, accident or condition of either a physical or psychological nature which, despite reasonable accommodations, results in your being unable to perform substantially all of the duties of your employment with the Company Group for a period of ninety (90) consecutive days or one hundred eighty (180) total days during any period of three hundred sixty-five (365) consecutive days.

"Good Reason" shall mean, without your consent, (i) the Company's material violation of its obligations under this Agreement, (ii) a material reduction in your authority (excluding, any reduction in the Butler Consent Rights in accordance with the Stockholders' Agreement), compensation, perquisites, position or responsibilities, other than any reduction in compensation or perquisites which affects all of the Company's senior executives on a substantially equal or proportionate basis, (iii) the occurrence of a Change of Control (as defined in the Bargain Holdings, Inc. 2012 Equity Incentive Plan, as may be amended from time to time), or (iv) a relocation of the Company's primary business location by more than 25 miles. In order to

invoke a termination for “Good Reason,” you shall provide written notice to the Board of the existence of one or more of the conditions constituting “Good Reason” within ninety (90) days following the date on which you had actual knowledge of the condition or conditions, in sufficient detail, to determine that “Good Reason” exists, specifying in reasonable detail the conditions constituting “Good Reason,” and the Company shall have thirty (30) days following receipt of such written notice (the “Cure Period”) during which it may cure the condition if such condition is subject to cure. In the event that the Company fails to remedy the condition constituting “Good Reason” during the applicable Cure Period, your resignation for Good Reason must occur, if at all, within thirty (30) days following the expiration of the Cure Period.

“Stockholders’ Agreement” shall mean that certain Stockholders’ Agreement of Bargain Holdings, Inc., entered into as of September 28, 2012, by and among Bargain Holdings and the stockholders listed on the signature pages thereto, as such agreement may be amended from time to time.

“Termination Date” shall mean the date your employment with the Company terminates, regardless of the reason; provided, that in connection with a non-renewal of the Term of Employment, the date your employment with the Company terminates shall be the last day of the then current Term of Employment. Upon termination of your employment by either you or the Company as provided herein, all rights, duties and obligations of you and the Company to each other pursuant to this Agreement shall cease, except as otherwise expressly provided in this Agreement (including, without limitation, Sections 4, 6, 7, 8, 9, 10, 12, 13 and 16 hereof).

7. Confidentiality; Proprietary Rights. Without the written consent of the Board, you will not during or after the Term of Employment (i) disclose to any person or entity (other than any disclosure during the Term of Employment to a person or entity to which such disclosure is in your reasonable judgment necessary or appropriate in connection with the performance of your duties as an executive officer of any member of the Company Group), any confidential, proprietary or trade secret information obtained by you while in the employ of any member of the Company Group, or (ii) use any such information to the detriment of any member of the Company Group; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by you.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by you during your employment, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by any member of the Company Group shall be promptly and fully disclosed by you to an appropriate executive officer of the Company (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or another member of the Company Group specified by the Company). You will, upon the Company's request and at its expense (but without any additional compensation to you), execute all documents reasonably necessary to assign your right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or another member of the Company Group specified by the Company) of all patents or copyrights with respect thereto).

8. Restricted Activities. You acknowledge that in your employment with the Company you will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company Group and that you will also generate goodwill for the Company Group in the course of your employment. Therefore, you agree that the following restrictions on your activities during and after your employment are necessary to protect the goodwill, confidential information and other legitimate interests of the Company Group:

(a) During the Non-Competition Period (as defined below), neither you nor any of your affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venturer, independent contractor or otherwise) with the Company Group. Specifically, but without limiting the foregoing, you will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any person or entity who is engaged in any business that is competitive with the business of the Company Group, as conducted or in planning (i.e., the Company Group has taken material steps

in implementing such plan) during your employment with the Company. A competitive business shall, without express or implied limitation, include any person or entity in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company Group does business or in any state contiguous to a state in which the Company Group does business. You understand and agree that (i) ownership of less than 5% of the outstanding stock of any publicly-traded corporation or XS Cargo Limited Partnership (“XSC”) will not in and of itself be deemed to result in any competition with the Company Group, (ii) your provision of services to XSC during any time in which XSC has no stores in the United States and at a level consistent with what is contemplated by the Services Agreement by and between XSC and the Company, effective as of June 3, 2011 will not in and of itself be deemed to result in any competition with the Company Group so long as it does not, either directly or indirectly, conflict with or interfere with the performance of your duties under this Agreement or to the Company Group (including, without limitation, your fiduciary duties) and (iii) you will inform the Company Group and the CCMP Stockholders of any material changes or developments relating to XSC and answer all questions about or relating to XSC which the Company Group or the CCMP Stockholders may have. For purposes of this Agreement, “Non-Competition Period” shall mean the period during the Term of Employment and for two (2) years thereafter; provided, however, that in the event that the Company terminates your employment without Cause (excluding death, Disability or a non-renewal of the Term of Employment) or you terminate your employment for Good Reason, the Non-Competition Period shall end on the Termination Date.

(b) During the Non-Competition Period, neither you nor any of your affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any person or entity who (i) is on or at any time after the date hereof, an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, or otherwise persuade any such person or entity to reduce or otherwise change the extent of such person’s or entity’s relationship with any member of the Company Group or (ii) was an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or

independent contractor, in each case, at any time within twelve (12) months following the date of cessation of employment or services of such person or entity with the Company Group, or otherwise persuade any such person or entity during such twelve (12) month period to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group.

(c) During the Term of Employment and for a period of two (2) years thereafter, you shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company Group or any of its affiliates, owners, partners, managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company Group's business taken as a whole or (ii) the business reputation or relationships of the Company Group and/or any of its past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 8(c) shall prevent you from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over you.

In signing this Agreement, you give the Company assurance that you have carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed on you under Section 7 and this Section 8. You agree that these restraints are necessary for the reasonable and proper protection of the Company Group and its affiliates, and are reasonable in respect to subject matter, length of time and geographic area. You further agree that, were you to breach any of the covenants contained in Section 7 or this Section 8, the damage to the Company Group and its affiliates would be irreparable. You therefore agree that the Company, in addition to any other remedies available to it (including without limitation the remedies as provided in Section 6), shall be entitled without posting bond to preliminary and permanent injunctive relief against any breach or threatened breach by you of any of those covenants. You further agree that, in the event that any provision of Section 7 or this Section 8 is determined to be

unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's affiliates shall have the right to enforce all of your obligations under this Agreement, including without limitation pursuant to this Section 8.

9. 409A Compliance.

(a) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations and guidance promulgated thereunder to the extent applicable (collectively "Code Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Code Section 409A. In no event whatsoever will any member of the Company Group, or any of their respective affiliates or any directors, officers, agents, attorneys, employees, executives, shareholders, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns of such member of the Company Group or such affiliate be liable for any additional tax, interest or penalties that may be imposed on you under Code Section 409A or any damages for failing to comply with Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered "nonqualified deferred compensation" under Code Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Code Section 409A and, for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If you are deemed on the Termination Date to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Code Section 409A payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration

of the six (6)-month period measured from the date of your “separation from service” and (ii) the date of your death (the “Delay Period”). Upon the expiration of the Delay Period, all payments and benefits delayed pursuant to this Section 9(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed on the first business day following the expiration of the Delay Period to you in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Code Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, (ii) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits, to be provided in any other taxable year; provided, that this clause (ii) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (iii) such payments shall be made on or before the last day of your taxable year following the taxable year in which the expense occurred.

(d) For purposes of Code Section 409A, your right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., “payment shall be made within thirty (30) days following the Termination Date”), the actual date of payment within the specified period shall be within the sole discretion of the Company.

10. Miscellaneous. The headings in this Agreement are for convenience only and shall not affect the meaning hereof. This Agreement constitutes the entire agreement between the Company and you, and supersedes any prior communications, agreements, term sheets and understandings, written or oral, with respect to your employment and compensation and all matters pertaining thereto, including, without limitation, the Prior Agreement and the Ollie’s

Management Term Sheet attached as Exhibit A to the Equity Exchange Agreement entered into as of August 27, 2012, by and between Bargain Parent, Inc. and you. If any provision in this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall be construed by limiting it so as to be enforceable to the maximum extent compatible with applicable law. This Agreement shall be governed by and construed in accordance with the internal substantive laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

11. Acceptance. In accepting this offer, you represent that you have not relied on any agreement or representation, oral or written, express or implied, that is not set forth expressly in this Agreement.

12. Withholding. The Company may withhold from any amounts payable under this Agreement such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

13. Notices. Any, demand, consent or approval permitted or required to be given under this Agreement shall be deemed duly made or given if it is in written form and delivered personally, by facsimile (with receipt confirmed), by prepaid, commercially recognized overnight carrier (with receipt confirmed), or by certified or registered mail, return receipt requested. Any party may change the address to which any notice, demand, consent or approval shall be sent by a notice in writing to the other party in accordance with the provisions hereof. All notices shall be addressed as follow:

Facsimile and electronic signatures shall be deemed to be the equivalent of manually signed originals.

15. Successors and Assigns. All your rights under this Agreement shall inure to the benefit of and be enforceable by your personal or legal representatives, estates, executors, administrators, heirs and beneficiaries.

16. No Waiver; Amendment. No change or modification of this Agreement shall be valid unless the same shall be in writing and signed by all of the parties hereto (with the CCMP Consent). No waiver of any provisions of this Agreement shall be valid unless in writing and signed by the party charged with waiver. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver, unless so provided in the waiver.

17. Effectiveness of Agreement. Notwithstanding anything to the contrary contained herein, this Agreement shall have no force or effect and shall be void ab initio in the event the Merger Agreement is terminated in accordance with Article 11 of the Merger Agreement or if the Closing (as defined in the Merger Agreement) does not occur for any reason whatsoever.

John W. Swygert, Jr.
[Address on file with the Company]

Dear John:

This letter (the "Agreement") will set forth the terms of your employment with Ollie's Bargain Outlet, Inc. (the "Company"), an indirect, wholly-owned subsidiary of Bargain Holdings, Inc. ("Bargain Holdings").

WHEREAS, you are employed by the Company pursuant to that certain letter agreement, dated April 15, 2010, by and between you and the Company (the "Prior Agreement");

WHEREAS, pursuant to that certain Agreement and Plan of Merger (as modified, supplemented or restated, the "Merger Agreement"), dated as of August 27, 2012, by and among Bargain Parent, Inc. ("Parent"), Bargain Merger Sub, Inc. ("Merger Sub"), Ollie's Holdings, Inc. ("Ollie's Holdings") and KarpReilly, LLC, solely in its capacity as a representative upon the terms and subject to the conditions set forth therein, Parent will indirectly acquire 100% of the issued and outstanding capital stock of Ollie's Holdings in a reverse subsidiary merger transaction, whereby Merger Sub will be merged with and into Ollie's Holdings (the "Merger"), with Ollie's Holdings as the surviving corporation in the Merger; and

WHEREAS, the Company desires to continue to employ you and you desire to continue to be employed by the Company following the Closing (as defined in the Merger Agreement) on the terms and conditions set forth in the Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants contained herein, the parties hereto agree as follows:

1. Effective Date; Term. Your employment hereunder shall commence effective upon the Closing (the "Effective Date") and continue, unless sooner terminated in accordance with Section 6 hereof, until the third anniversary thereof (the "Initial Term"); provided, that, unless your employment is earlier terminated in accordance with Section 6 hereof, your term of employment shall be automatically renewed for successive two-year terms (each, a "Renewal Term," and together with the Initial Term, the "Term of Employment") upon the expiration of the Initial Term or any Renewal Term. Notwithstanding the foregoing, neither the Initial Term nor any Renewal Term shall be renewed if either you or the Company, not later than ninety (90) days prior to the end of the Initial Term or any Renewal Term, as applicable, notifies the other in writing of the non-renewal of the Term of Employment.

2. Duties, etc. During the Term of Employment you will be the Chief Financial Officer of the Company. In this capacity, you will have direct responsibility for overseeing all aspects of the finance and accounting department of the Company. You will be accountable to, and will also have such powers, duties and responsibilities as may from time to time be prescribed by, the Chief Executive Officer of the Company; provided, that such duties and responsibilities are consistent with the position of Chief Financial Officer. You will perform and discharge your duties and responsibilities faithfully, diligently and to the best of your ability. You will devote substantially all of your working time and efforts to the business and affairs of the Company Group (as defined in Section 6); provided, however, that the foregoing shall not restrict your engaging in civic, charitable and personal investment activities which do not materially affect your availability to any member of the Company Group during working time.

3. Base Salary. As compensation for all services provided by you during the Term of Employment, and subject to your performance in accordance with the terms of this Agreement, the Company shall pay you a base salary at a rate of \$325,000 per annum (the per annum amount in effect from time to time being referred to herein as the "Base Salary"). All payments under this Section 3 will be made in accordance with the regular payroll practices of the Company. The amount of Base Salary shall be re-evaluated annually by the Compensation Committee of the Board of Directors of the Company, or, if no such committee exists, the Board of Directors of the Company (the "Board"), with the input of the Chief Executive Officer of the Company; provided, that the Base Salary may not be reduced to an amount below \$325,000.

4. **Performance Bonus.** In addition to your Base Salary, you will be eligible for an annual bonus (the "**Bonus**") for each fiscal year during the Term of Employment. As indicated in the following table, with respect to each fiscal year during the Term of Employment, if Company EBITDA for such fiscal year: (a) equals the Target EBITDA for such fiscal year, your Bonus for such fiscal year shall be equal to 50% of your Base Salary, (b) is equal to or less than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be \$0, (c) is equal to or greater than the Maximum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be 100% of your Base Salary, or (d) is greater than Target EBITDA but less than the Maximum EBITDA Threshold for such fiscal year, or is less than Target EBITDA but greater than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be determined by interpolating on a straight line basis between the Bonus amounts set forth in the following table and the corresponding level of Company EBITDA; provided, that notwithstanding anything to the contrary contained in the foregoing, (i) for purposes of the calculation of any Bonus in respect of fiscal year 2012, (A) Base Salary shall mean the weighted average of your (x) annual rate of base salary from the first day of fiscal year 2012 through immediately prior to the Closing plus (y) annual rate of Base Salary from the Closing through the last day of fiscal year 2012 and (B) the Bonus shall be calculated in a manner consistent with past practices, and (ii) the Compensation Committee of the Board or, if no such committee exists, the Board (in each case, with the CCMP Consent (as defined in the Stockholders' Agreement (as defined in Section 6))) may, with your consent, change the manner in which any Bonus is determined and/or calculated (e.g., add a revenue component to the performance metrics).

Company EBITDA for fiscal year:	Bonus Amount
Equal to or greater than Maximum EBITDA Threshold	100% of Base Salary
Equal to Target EBITDA	50% of Base Salary
Equal to or less than Minimum EBITDA Threshold	\$0

You must be employed on the first business day of the next fiscal year in order to be eligible for a Bonus in respect of the prior fiscal year, except as otherwise set forth in Section 6(a). The Bonus for each fiscal year shall be paid to you at the same time that other senior executives of the Company receive bonus payments, but in no event later than April 15 of the fiscal year following the fiscal year to which the Bonus relates, except as otherwise set forth in Section 6(a).

For purposes of this Agreement:

“Company EBITDA” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) Consolidated Net Income for such fiscal year and (b) to the extent Consolidated Net Income has been reduced thereby, (i) all income taxes of the Company Group recorded as a tax provision in accordance with GAAP for such period (other than income taxes attributable to items (a), (b), and (f) included in the definition of Consolidated Net Income), (ii) Consolidated Interest Expense, (iii) Consolidated Non-Cash Charges, (iv) for fiscal year 2012 only, fees and expenses paid to Saunders Karp & Megrue, LLC (“SKM”) pursuant to the Management Agreement between SKM, the Company and Ollie’s Holdings dated as of August 7, 2003, (v) any fees and expenses incurred by the Company, the Company Stockholders (as defined in the Merger Agreement) or Parent in connection with the consummation of the transactions contemplated by the Merger Agreement (to the extent not otherwise included in an item in this clause (b)), all as determined on a consolidated basis for the Company Group in accordance with GAAP, and (vi) any non-cash equity compensation expense, store closing costs and, for fiscal year 2012 only, the Johnson City flood loss; provided, that notwithstanding the forgoing, for fiscal year 2012 only, “Company EBITDA” shall also include or exclude such other items as are consistent with past practices of the Company in calculating fiscal year bonuses for senior management executives of the Company as set by the board of directors of the Company as in place in March 2012. The components of Company EBITDA will be determined by the independent auditor of the Company Group in accordance with GAAP.

“Consolidated Interest Expense” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) the aggregate of the interest expense of the Company Group for such fiscal year determined on a consolidated basis in accordance with GAAP and (b) the interest component of capitalized lease obligations accrued by the Company Group during such period as determined on a consolidated basis in accordance with GAAP, less (c) the amount of any interest income received by the Company Group during such fiscal period and (d) deferred financing costs and bank administration fees.

“Consolidated Net Income” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate net income (or loss) of the Company Group for such fiscal year on a consolidated basis, determined in accordance with GAAP, which shall reflect the full charge resulting from the payment by the Company Group of any base salary, bonus compensation (including without limitation the Bonus) or other payment to any person pursuant to any employment agreement with any member of the Company Group; provided, that there shall be excluded from the calculation thereof (a) after-tax gains and losses from asset sales or abandonments or reserves relating thereto, (b) after-tax items classified as extraordinary gains or losses, (c) the net income (or loss) of any subsidiary of Bargain Holdings to the extent that the declaration of dividends or similar distributions by that subsidiary is restricted by a contract, operation of law or otherwise, (d) the net income (or loss) of any other person or entity, other than a subsidiary of Bargain Holdings, except to the extent of cash dividends or distributions paid to the Company Group by such other person or entity, (e) in the case of a successor to any member of the Company Group by consolidation or merger or as a transferee of the assets of such member of the Company Group, any net income (or loss) of the successor corporation prior to such consolidation, merger or consolidation of assets, (f) management fees, if any, paid by the Company Group to the CCMP Stockholders (as defined in the Stockholders’ Agreement) and their affiliates and (g) the after-tax impact of nonrecurring items of income and expense that are included in the determination of net income related to: (i) executive officer severance payments, (ii) discontinued operations, (iii) insurance losses and recoveries, (iv) write-up/write-down of assets related to acquisitions, (v) cumulative effects of accounting changes and (vi) securities registration expenses.

“Consolidated Non-Cash Charges” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate depreciation and amortization of the Company Group reducing Consolidated Net Income of the Company for such fiscal year.

“GAAP” shall mean generally accepted accounting principles in the United States as in effect from time to time.

“Maximum EBITDA Threshold”, “Minimum EBITDA Threshold” and “Target EBITDA” shall mean, for any fiscal year of Bargain Holdings, such amounts as shall be determined by the Compensation Committee of the Board, or, if no such committee exists, the Board (in each case, with the CCMP Consent); provided, that the Maximum EBITDA Threshold shall in no event be more than 15% higher than the Target EBITDA and the Minimum EBITDA Threshold shall in no event be more than 15% lower than the Target EBITDA; provided, further, that after setting the Maximum EBITDA Threshold, Minimum EBITDA Threshold and Target EBITDA for any fiscal year, the Compensation Committee of the Board, or, if no such committee exists, the Board (in each case, with the CCMP Consent) may subsequently adjust such amounts in the event of any acquisition, disposition or other material transaction or event with respect to the Company Group with a view to maintaining the incentive nature of the Bonus. For fiscal year 2012, your Maximum EBITDA Threshold is \$63,320,855, your Minimum EBITDA Threshold is \$46,802,371 and your Target EBITDA is \$55,061,613.

5. Stock Options; Benefits.

(a) On or promptly following the Effective Date, you shall be granted stock options to purchase shares of non-voting common stock of Bargain Holdings, Inc. (the “Option”). The Option shall be issued pursuant to, and shall be subject to the terms and conditions of, the Bargain Holdings, Inc. 2012 Equity Incentive Plan and a Bargain Holdings, Inc. 2012 Equity Incentive Plan Nonqualified Stock Option Award Agreement substantially in the form attached hereto as Exhibit A.

(b) You will be eligible to receive four weeks, or twenty (20) days, of Paid Time Off (“PTO”) per year, pro-rated for partial years. You will not be entitled to any cash, severance payment or other compensation for PTO not taken, and unused PTO may be carried over up to a maximum of five (5) days to succeeding years. You will be eligible to participate in, and the Company will pay applicable premiums for, all benefit and welfare plans made generally available to senior management executives of the Company (including health, dental, vision, short and long term disability, life and AD&D, and business travel accident insurance plans), as in effect from time to time, all subject to plan terms and generally applicable Company policies. The Company shall pay you \$12,000 per fiscal year, pro-rated for partial years, as an automobile allowance. You will be entitled to receive prompt reimbursement for all reasonable expenses incurred by you in performing services hereunder, including all expenses of travel while on business or at the request of and in the service of the Company; provided that such expenses are incurred and accounted for in accordance with the policies and procedures reasonably established by the Company.

6. Termination of Employment; Severance Payments. You or the Company may terminate your employment at any time and for any reason by giving written notice to the other in accordance with the terms of this Agreement; provided, that (i) the Company shall provide you with at least thirty (30) days' prior written notice in the case of termination of your employment without Cause (as defined below), excluding a termination due to death, Disability (as defined below) or the Company's non-renewal of the Term of Employment and (ii) you shall provide the Company with at least thirty (30) days' prior written notice in the case of your termination of employment without Good Reason (as defined below), excluding a termination due to your non-renewal of the Term of Employment. During the period following any notice of termination of employment through the Termination Date, the Company reserves the right to require you to not be in the Company's offices and/or not to undertake all or any of your duties or responsibilities, in each case, without such action constituting Good Reason. During any such period, you remain a service provider to the Company Group with all duties of fidelity and confidentiality to such persons and subject to all terms and conditions of your employment and should not be employed or engaged in any other business. The parties' rights and duties in the event of a termination of employment are as set forth below.

(a) If (x) the Company terminates your employment without Cause (but excluding any termination due to your death, Disability), (y) you terminate your employment for Good Reason or (z) your employment terminates as a result of a non-renewal by the Company of the Term of Employment, the Company will, in lieu of any other payments or benefits hereunder or otherwise, (i) continue to pay your Base Salary for the longer of (A) twenty-four (24) months following the Termination Date or (B) until the end of the then current Term of Employment (the "Severance Period"), (ii) pay you, in a lump sum, a pro-rata portion of the Bonus for the fiscal year in which your termination occurs based on actual performance (determined by multiplying the amount of such Bonus, which would be due for the full fiscal year by a fraction, the numerator of which is the number of days during the fiscal year of termination that you are employed with the Company and the denominator of which is 365), payable in the calendar year

following the calendar year in which the Termination Date occurs on the later of (A) the date that other senior executives of the Company receive bonus payments in respect of the fiscal year to which such pro-rata Bonus relates or (B) the twenty-eighth (28th) day following the Termination Date, but in no event later than December 31 of such calendar year, and (iii) continue to provide health, life and disability insurance benefits to the extent permitted under such plans until the earlier of (A) the expiration of the Severance Period and (B) the date you have commenced new employment (the "Benefits Continuation Period"); provided, that you make such affirmative and timely COBRA or other elections as are required for such benefits to continue; provided, further, that (x) any such health, life and/or disability insurance continuation shall be treated as taxable compensation to you to the extent necessary to avoid adverse tax consequences on the Company or you resulting from the provision of tax free benefits to you and (y) to the extent the continuation of health insurance benefits pursuant to this Section 6(a)(iii) extends beyond the expiration of the minimum required period of continuation coverage applicable to you under COBRA, the Company shall, in its sole discretion, either (i) procure for the remaining portion of the Benefits Continuation Period health insurance coverage for you on terms and conditions substantially similar to the terms and conditions which would be applicable to you under the health insurance plan of the Company which is then in effect to the extent you were still an employee of the Company as of such date (the "Comparable Health Insurance Terms") or (ii) provide you with a cash amount determined by the Company to be sufficient (after deduction of all federal, state and local income taxes) for you to obtain health insurance coverage on Comparable Health Insurance Terms for the remaining portion of the Benefits Continuation Period, with such cash amount payable in equal installments at the beginning of each month during the remaining portion of the Benefits Continuation Period. Any obligation of the Company to you under this paragraph is conditioned, however, upon your signing a release of claims in the form attached hereto as Exhibit B (as may be updated and revised by the Company to comply with applicable law to achieve its intent, the "Release") within twenty-one (21) days following the Termination Date and upon your not revoking the Release within seven (7) days thereafter, and is further conditioned upon your continuing compliance with the provisions of Sections 7 and 8. The cash severance set forth in Section 6(a)(i) will be made in the form of salary continuation, and will begin at the Company's next regular payroll period following the effective date of the Release (i.e., once it becomes irrevocable), but shall be retroactive to the

Termination Date; provided, that if the date on which such salary continuation may commence can occur in your immediately subsequent taxable year assuming the Release becomes irrevocable on the twenty-eighth (28th) day following the Termination Date, then payment shall commence in the immediately subsequent taxable year and otherwise in accordance with the terms of this Section 6(a). Notwithstanding anything to the contrary herein, in the event of a breach of Section 7 or Section 8, you shall have no right to receive (or continue to receive) any amounts under this paragraph, and the Company shall retain all rights to pursue other available remedies (whether at law or equity) for any such breach.

(b) If (x) the Company terminates your employment for Cause, (y) you terminate your employment without Good Reason, or (z) your employment terminates by reason of your death, Disability or your non-renewal of the Term of Employment, the Company will, in lieu of any other payments or benefits hereunder or otherwise (including without limitation any severance payments), pay you any Base Salary earned but not paid through the Termination Date.

You hereby acknowledge and agree that, other than the payments described in this Section 6, upon the Termination Date you shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan or severance policy generally available to the Company's employees or otherwise. For purposes of this Agreement:

"Cause" shall mean (i) your conviction of fraud, a serious felony, or a crime involving embezzlement, conversion of property or moral turpitude, (ii) a final non-appealable finding of your breach of any of your fiduciary duties to any one or more members of the Company Group or any of their respective stockholders; provided, that you were given notice and failed to cure the breach, misrepresentation or omission within thirty (30) days thereafter, (iii) your willful and continual neglect or failure to discharge your duties, responsibilities or obligations under any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties); provided, that you were given notice and failed to cure the neglect or failure within thirty (30) days thereafter, (iv) your habitual drunkenness or substance abuse which materially interferes with your ability to discharge your duties, responsibilities and obligations to any member of the

Company Group; provided, that you were given notice and failed to cure such drunkenness or abuse within thirty (30) days thereafter, or (v) a material breach by you of any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties); provided, that you were given notice and failed to cure such breach within thirty (30) days thereafter;

provided, further, that notwithstanding the foregoing, the Company may not terminate your employment for "Cause" unless written notice of the Company's intent to terminate you for "Cause" is provided within ninety (90) days following the date on which the non-employee members of the Board had actual knowledge of the events or your acts or omissions, in sufficient detail, to determine that "Cause" exists, specifying in reasonable detail the conditions constituting "Cause."

"Company Group" shall mean Bargain Holdings and its direct and indirect subsidiaries; provided, that solely for purposes of the calculation of any Bonus, the term "Company Group" shall mean Bargain Holdings and its direct and indirect subsidiaries which, as of the applicable date of determination, are run by Mark Butler in his capacity as Chief Executive Officer of the Company so long as Mark Butler is employed by the Company.

"Disability" shall mean any illness, injury, accident or condition of either a physical or psychological nature which, despite reasonable accommodations, results in your being unable to perform substantially all of the duties of your employment with the Company Group for a period of ninety (90) consecutive days or one hundred eighty (180) total days during any period of three hundred sixty-five (365) consecutive days.

"Good Reason" shall mean, without your consent, (i) the Company's material violation of its obligations under this Agreement, (ii) a material reduction in your authority, compensation, perquisites, position or responsibilities, other than any reduction in compensation or perquisites which affects all of the Company's senior executives on a substantially equal or proportionate basis, (iii) the occurrence of a Change of Control (as defined in the Bargain Holdings, Inc. 2012 Equity Incentive Plan, as may be amended from time to time), or (iv) a relocation of the Company's primary business location by more than 25 miles. In order to invoke a termination for "Good Reason," you shall provide written notice to the Board of the existence of one or more

of the conditions constituting "Good Reason" within ninety (90) days following the date on which you had actual knowledge of the condition or conditions, in sufficient detail, to determine that "Good Reason" exists, specifying in reasonable detail the conditions constituting "Good Reason," and the Company shall have thirty (30) days following receipt of such written notice (the "Cure Period") during which it may cure the condition if such condition is subject to cure. In the event that the Company fails to remedy the condition constituting "Good Reason" during the applicable Cure Period, your resignation for Good Reason must occur, if at all, within thirty (30) days following the expiration of the Cure Period.

"Stockholders' Agreement" shall mean that certain Stockholders' Agreement of Bargain Holdings, Inc., entered into as of September 28, 2012, by and among Bargain Holdings and the stockholders listed on the signature pages thereto, as such agreement may be amended from time to time.

"Termination Date" shall mean the date your employment with the Company terminates, regardless of the reason; provided, that in connection with a non-renewal of the Term of Employment, the date your employment with the Company terminates shall be the last day of the then current Term of Employment. Upon termination of your employment by either you or the Company as provided herein, all rights, duties and obligations of you and the Company to each other pursuant to this Agreement shall cease, except as otherwise expressly provided in this Agreement (including, without limitation, Sections 4, 6, 7, 8, 9, 10, 12, 13 and 16 hereof).

7. Confidentiality; Proprietary Rights. Without the written consent of the Board, you will not during or after the Term of Employment (i) disclose to any person or entity (other than any disclosure during the Term of Employment to a person or entity to which such disclosure is in your reasonable judgment necessary or appropriate in connection with the performance of your duties as an executive officer of any member of the Company Group), any confidential, proprietary or trade secret information obtained by you while in the employ of any member of the Company Group, or (ii) use any such information to the detriment of any member of the Company Group; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by you.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by you during your employment, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by any member of the Company Group shall be promptly and fully disclosed by you to an appropriate executive officer of the Company (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or another member of the Company Group specified by the Company). You will, upon the Company's request and at its expense (but without any additional compensation to you), execute all documents reasonably necessary to assign your right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or another member of the Company Group specified by the Company) of all patents or copyrights with respect thereto).

8. Restricted Activities. You acknowledge that in your employment with the Company you will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company Group and that you will also generate goodwill for the Company Group in the course of your employment. Therefore, you agree that the following restrictions on your activities during and after your employment are necessary to protect the goodwill, confidential information and other legitimate interests of the Company Group:

(a) During the Non-Competition Period (as defined below), neither you nor any of your affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venturer, independent contractor or otherwise) with the Company Group. Specifically, but without limiting the foregoing, you will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any person or entity who is engaged in any business that is competitive with the business of the Company Group, as conducted or in planning (i.e., the Company Group has taken material steps in implementing such plan) during your employment with the Company. A competitive business shall, without express or implied limitation, include any person or entity in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company Group does business or in any state contiguous to a state in which the

Company Group does business. You understand and agree that ownership of less than 5% of the outstanding stock of any publicly-traded corporation will not in and of itself be deemed to result in any competition with the Company Group. For purposes of this Agreement, "Non-Competition Period" shall mean the period during the Term of Employment and for two (2) years thereafter; provided, however, that in the event that the Company terminates your employment without Cause (excluding death, Disability or a non-renewal of the Term of Employment) or you terminate your employment for Good Reason, the Non-Competition Period shall end on the Termination Date.

(b) During the Non-Competition Period, neither you nor any of your affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any person or entity who (i) is on or at any time after the date hereof, an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, or otherwise persuade any such person or entity to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group or (ii) was an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, in each case, at any time within twelve (12) months following the date of cessation of employment or services of such person or entity with the Company Group, or otherwise persuade any such person or entity during such twelve (12) month period to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group.

(c) During the Term of Employment and for a period of two (2) years thereafter, you shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company Group or any of its affiliates, owners, partners, managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company Group's business taken as a whole or (ii) the business reputation or relationships of the Company Group and/or any of its past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 8(c) shall prevent you from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over you.

In signing this Agreement, you give the Company assurance that you have carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed on you under Section 7 and this Section 8. You agree that these restraints are necessary for the reasonable and proper protection of the Company Group and its affiliates, and are reasonable in respect to subject matter, length of time and geographic area. You further agree that, were you to breach any of the covenants contained in Section 7 or this Section 8, the damage to the Company Group and its affiliates would be irreparable. You therefore agree that the Company, in addition to any other remedies available to it (including without limitation the remedies as provided in Section 6), shall be entitled without posting bond to preliminary and permanent injunctive relief against any breach or threatened breach by you of any of those covenants. You further agree that, in the event that any provision of Section 7 or this Section 8 is determined to be unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's affiliates shall have the right to enforce all of your obligations under this Agreement, including without limitation pursuant to this Section 8.

9. 409A Compliance.

(a) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations and guidance promulgated thereunder to the extent applicable (collectively "Code Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Code Section 409A. In no event whatsoever will any member of the Company Group, or any of their respective affiliates or any directors, officers, agents, attorneys, employees, executives, shareholders, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns of such member of the Company Group or such affiliate be liable for any additional tax, interest or penalties that may be imposed on you under Code Section 409A or any damages for failing to comply with Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered “nonqualified deferred compensation” under Code Section 409A upon or following a termination of employment unless such termination is also a “separation from service” within the meaning of Code Section 409A and, for purposes of any such provision of this Agreement, references to a “termination,” “termination of employment” or like terms shall mean “separation from service.” If you are deemed on the Termination Date to be a “specified employee” within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Code Section 409A payable on account of a “separation from service,” such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6)-month period measured from the date of your “separation from service” and (ii) the date of your death (the “Delay Period”). Upon the expiration of the Delay Period, all payments and benefits delayed pursuant to this Section 9(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed on the first business day following the expiration of the Delay Period to you in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Code Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, (ii) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits, to be provided in any other taxable year; provided, that this clause (ii) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (iii) such payments shall be made on or before the last day of your taxable year following the taxable year in which the expense occurred.

(d) For purposes of Code Section 409A, your right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the Termination Date"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

10. Miscellaneous. The headings in this Agreement are for convenience only and shall not affect the meaning hereof. This Agreement constitutes the entire agreement between the Company and you, and supersedes any prior communications, agreements, term sheets and understandings, written or oral, with respect to your employment and compensation and all matters pertaining thereto, including, without limitation, the Prior Agreement. If any provision in this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall be construed by limiting it so as to be enforceable to the maximum extent compatible with applicable law. This Agreement shall be governed by and construed in accordance with the internal substantive laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

11. Acceptance. In accepting this offer, you represent that you have not relied on any agreement or representation, oral or written, express or implied, that is not set forth expressly in this Agreement.

12. Withholding. The Company may withhold from any amounts payable under this Agreement such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

13. Notices. Any, demand, consent or approval permitted or required to be given under this Agreement shall be deemed duly made or given if it is in written form and delivered personally, by facsimile (with receipt confirmed), by prepaid, commercially recognized overnight carrier (with receipt confirmed), or by certified or registered mail, return receipt requested. Any party may change the address to which any notice, demand, consent or approval shall be sent by a notice in writing to the other party in accordance with the provisions hereof. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver, unless so provided in the waiver.

17. Effectiveness of Agreement. Notwithstanding anything to the contrary contained herein, this Agreement shall have no force or effect and shall be void ab initio in the event the Merger Agreement is terminated in accordance with Article 11 of the Merger Agreement or if the Closing (as defined in the Merger Agreement) does not occur for any reason whatsoever.

Omar Segura
[Address on file with the Company]

Dear Omar:

This letter (the "Agreement") will set forth the terms of your employment with Ollie's Bargain Outlet, Inc. (the "Company"), an indirect, wholly-owned subsidiary of Bargain Holdings, Inc. ("Bargain Holdings").

WHEREAS, the Company desires to employ you and you desire to be employed by the Company on the terms and conditions set forth in the Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants contained herein, the parties hereto agree as follows:

1. Effective Date; Term. Your employment hereunder shall commence effective upon January 6, 2014 (the "Effective Date") and continue until terminated in accordance with Section 6 hereof. The period of your employment with the Company as set forth in this Section 9 referred to herein as the "Term of Employment."

2. Duties, etc. During the Term of Employment you will be the Senior Vice President of Store Operations. In this capacity, you will have direct responsibility for overseeing all aspects of store operations and human resources related to all areas of the Company. You will be accountable to, and will also have such powers, duties and responsibilities as may from time to time be prescribed by, the Chief Executive Officer of the Company; provided, that such duties and responsibilities are consistent with the position of Senior Vice President of Store

Operations. You will perform and discharge your duties and responsibilities faithfully, diligently and to the best of your ability. You will devote substantially all of your working time and efforts to the business and affairs of the Company Group (as defined in Section 6); provided, however, that the foregoing shall not restrict your engaging in civic, charitable and personal investment activities which do not materially affect your availability to any member of the Company Group during working time.

3. Base Salary. As compensation for all services provided by you during the Term of Employment, and subject to your performance in accordance with the terms of this Agreement, the Company shall pay you a base salary at a rate of \$275,000 per annum (the per annum amount in effect from time to time being referred to herein as the "Base Salary"). All payments under this Section 3 will be made in accordance with the regular payroll practices of the Company. The amount of Base Salary shall be re-evaluated annually by the Compensation Committee of the Board of Directors of the Company, or, if no such committee exists, the Board of Directors of the Company (the "Board"), with the input of the Chief Executive Officer of the Company; provided, that the Base Salary may not be reduced to an amount below \$275,000.

4. Performance Bonus. In addition to your Base Salary, you will be eligible for an annual bonus (the "Bonus") for each fiscal year during the Term of Employment. As indicated in the following table, with respect to each fiscal year during the Term of Employment, if Company EBITDA for such fiscal year: (a) equals the Target EBITDA for such fiscal year, your Bonus for such fiscal year shall be equal to 50% of your Base Salary, (b) is equal to or less than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be \$0, (c) is equal to or greater than the Maximum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be 80% of your Base Salary, or (d) is greater than Target EBITDA but less than the Maximum EBITDA Threshold for such fiscal year, or is less than Target EBITDA but greater than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be determined by interpolating on a straight line basis between the Bonus amounts set forth in the following table and the corresponding level of Company EBITDA; provided, that notwithstanding anything to the contrary contained in the foregoing, (i) for purposes of the calculation of any Bonus in respect of fiscal year 2014, the Bonus shall be calculated in a manner consistent with past practices, and (ii) the Compensation Committee of

the Board or, if no such committee exists, the Board (in each case, with the CCMP Consent (as defined in the Stockholders' Agreement (as defined in Section 6) may, with your consent, change the manner in which any Bonus is determined and/or calculated (e.g., add a revenue component to the performance metrics).

Company EBITDA for fiscal year;	Bonus Amount
Equal to or greater than Maximum EBITDA Threshold	80% of Base Salary
Equal to Target EBITDA	50% of Base Salary
Equal to or less than Minimum EBITDA Threshold	\$0

You must be employed on the last day of any fiscal year and the day payments are made in order to be eligible for a Bonus for that fiscal year. The Bonus for each fiscal year shall be paid to you at the same time that other senior executives of the Company receive bonus payments, but in no event later than April 15 of the fiscal year following the fiscal year to which the Bonus relates.

For purposes of this Agreement:

“Company EBITDA” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) Consolidated Net Income for such fiscal year and (b) to the extent Consolidated Net Income has been reduced thereby, (i) all income taxes of the Company Group recorded as a tax provision in accordance with GAAP for such period (other than income taxes attributable to items (a), (b), and (f) included in the definition of Consolidated Net Income), (ii) Consolidated Interest Expense, (iii) Consolidated Non-Cash Charges, all as determined on a consolidated basis for the Company Group in accordance with GAAP, and (vi) any non-cash equity compensation expense and store closing costs. “Consolidated Net Income” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate net income (or loss) of the Company Group for such fiscal year on a consolidated basis, determined in accordance with GAAP, which shall reflect the full charge resulting from the payment by the Company Group of any base salary, bonus compensation (including without limitation the Bonus) or other payment to any person pursuant to any employment agreement with any member of the Company Group; provided, that there shall be excluded from the calculation thereof (a) after-tax gains and losses from asset sales or abandonments or reserves relating thereto, (b) after-tax items classified as extraordinary gains or losses, (c) the net income (or loss) of any subsidiary of Bargain Holdings to the extent that the declaration of dividends or similar distributions by that subsidiary is restricted by a contract, operation of law or otherwise, (d) the net income (or loss) of any other person or entity, other than a subsidiary of Bargain Holdings, except to the extent of cash dividends or distributions paid to the Company Group by such other person or entity, (e) in-the case of a successor to any member of the Company Group by consolidation or merger or as a transferee of the assets of such member of the Company Group, any net income (or loss) of the successor corporation prior to such consolidation, merger or consolidation of assets, (f) management fees, if any, paid by the Company Group to the CCMP Stockholders (as defined in the Stockholders’ Agreement) and their affiliates and (g) the after-tax impact of nonrecurring items of income and expense that are included in the determination of net income related to: (i) executive officer severance payments, (ii) discontinued operations, (iii) insurance losses and recoveries, (iv) write-up/write-down of assets related to acquisitions, (v) cumulative effects of accounting changes and (vi) securities registration expenses.

5. Stock Options; Benefits.

(a) On or promptly following the Effective Date, you shall be granted 2,000 stock options to purchase shares of non-voting common stock of Bargain Holdings, Inc. (the “Option”). The Option shall be issued pursuant to, and shall be subject to the terms and conditions of, the Bargain Holdings, Inc. 2012 Equity Incentive Plan and a Bargain Holdings, Inc. 2012 Equity Incentive Plan Nonqualified Stock Option Award Agreement substantially in the form attached hereto as Exhibit A.

(b) You will be eligible to receive three weeks, or fifteen (15) days, of Paid Time Off (“PTO”) per year, pro-rated for partial years. You will not be entitled to any cash, severance payment or other compensation for PTO not taken, and unused PTO may be carried over up to a maximum of five (5) days to succeeding years. You will be eligible to participate in, all benefit and welfare plans made generally available to senior management executives of the Company (including health, dental, vision, short and long term disability, life and AD&D, and business travel accident insurance plans), as in effect from time to time, all subject to plan terms and generally applicable Company policies. From the Effective Date through your Termination Date (as defined in Section 9), you will also be entitled to the use of a Company car. The Company shall pay directly, or reimburse you, for all reasonable expenses associated with the use of the car

including fuel, insurance and maintenance and repair. You will be entitled to receive prompt reimbursement for all reasonable expenses incurred by you in performing services hereunder, including all expenses of travel while on business or at the request of and in the service of the Company; provided, that such expenses are incurred and accounted for in accordance with the policies and procedures reasonably established by the Company.

6. Relocation Expenses. The Company will reimburse your reasonable moving expenses to Harrisburg, including the one-time costs associated with the sale of your home and purchase of a new home within forty-five (45) miles of the Company's corporate office, up to \$75,000. This amount includes an adjustment to tax-effect all moving expenses that are deemed compensation. In the event your employment ends for any reason, the relocation expense reimbursement will be required to be repaid 100% if your employment ends at or within 12 months of the effective date or 50% if your employment ends at or within 24 months of the effective date. If your employment is terminated within the time frame above, the Company will deduct from any Severance Payments, to the extent you are eligible to receive them, the unearned portion of your Signing Bonus. The unearned portion of your Signing Bonus will be calculated as stipulated above. In addition, the Company will provide you with temporary housing from the Effective Date for a period not to exceed six months.

7. Signing Bonus. After your Effective Date, you shall be entitled to receive a Signing Bonus equal to \$50,000, less applicable tax withholding, on the first regularly scheduled pay period following your Effective Date. In the event your employment ends for any reason, the signing bonus will be required to be repaid 100% if your employment ends at or within 12 months of the effective date or 50% if your employment ends at or within 24 months of the effective date. 8. Personal Travel. The Company will reimburse you for up to \$10,000 of reasonable travel expenses for you and your family between the Effective Date and June 30, 2014. In the event all or any part of said travel expenses are deemed compensation, you will receive an adjustment to tax-effect said travel expenses.

9. **Termination of Employment; Severance Payments.** You or the Company may terminate your employment at any time and for any reason by giving written notice to the other in accordance with the terms of this Agreement; provided, that (i) the Company shall provide you with at least thirty (30) days' prior written notice in the case of termination of your employment without Cause (as defined below), excluding a termination due to death or Disability (as defined below) and (ii) you shall provide the Company with at least thirty (30) days' prior written notice in the case of your termination of employment without Good Reason (as defined below). During the period following any notice of termination of employment through the Termination Date, the Company reserves the right to require you to not be in the Company's offices and/or not to undertake all or any of your duties or responsibilities, in each case, without such action constituting Good Reason. During any such period, you remain a service provider to the Company Group with all duties of fidelity and confidentiality to such persons and subject to all-terms and conditions of your employment and should not be employed or engaged in any other business. The parties' rights and duties in the event of a termination of employment are as set forth below.

(a) If (x) the Company terminates your employment without Cause (but excluding any termination due to your death or Disability), or (y) you terminate your employment for Good Reason, the Company will, in lieu of any other payments or benefits hereunder or otherwise, (i) continue to pay your Base Salary for a period of twelve (12) months after the Termination Date (the "Severance Period"), until the earlier of (x) the end of the Severance Period and (y) the date you have commenced new employment; provided, that you make such affirmative and timely COBRA or other elections as are required for such benefits to continue. Any obligation of the Company to you under this paragraph is conditioned, however, upon your signing a release of claims in the form attached hereto as Exhibit B (as may be updated and revised by the Company to comply with applicable law to achieve its intent, the "Release") within twenty-one (21) days following the Termination Date and upon your not revoking the Release within seven (7) days thereafter, and is further conditioned upon your continuing compliance with the provisions of Sections 7 and 8. The cash severance set forth in Section 6(a)(i) will be made in the form of

salary continuation, and will begin at the Company's next regular payroll period following the effective date of the Release (i.e., once it becomes irrevocable), but shall be retroactive to the Termination Date; provided, that if the date on which such salary continuation may commence can occur in your immediately subsequent taxable year assuming the Release becomes irrevocable on the twenty-eighth (28th) day following the Termination Date, then payment shall commence in the immediately subsequent taxable year and otherwise in accordance with the terms of this Section 6(a). Notwithstanding anything to the contrary herein, in the event of a breach of Section 7 or Section 8, you shall have no right to receive (or continue to receive) any amounts under this paragraph, and the Company shall retain any and all rights to pursue other available remedies (whether at law or equity) for any such breach.

(b) If (x) the Company terminates your employment for Cause, (y) you terminate your employment without Good Reason, or (z) your employment terminates by reason of your death or Disability, the Company will, in lieu of any other payments or benefits hereunder or otherwise (including without limitation any severance payments), pay you any Base Salary earned but not paid through the Termination Date.

You hereby acknowledge and agree that, other than the payments described in this Section 6, upon the Termination Date you shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan or severance policy generally available to the Company's employees or otherwise. For purposes of this Agreement:

"Cause" shall mean (i) a material breach by you of any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties) or any written lawful policy of any member of the Company Group, including, without limitation, any breach by you of any restrictive covenants by which you are bound (including, without limitation, Sections 7 and 8 hereof), or the failure or refusal by you to substantially perform the duties required of you as an employee of the Company, (ii) misappropriation or theft of the funds or property of any member of the Company Group, (iii) your conviction of or plea of guilty or nolo contendere to, any fraud, misappropriation, embezzlement or similar act, felony or crime involving dishonesty or moral turpitude, (iv) your commission of any act involving willful misconduct or gross negligence or

your failure to act involving material nonfeasance, (v) your engaging in any act of dishonesty, violence or threat of violence (including any violation of federal securities laws) which is or could reasonably be expected to be injurious to the financial condition or business reputation of any member of the Company Group, (vi) a finding by the Board that you breached any of your fiduciary duties to any member of the Company group or any of their respective stockholders, or (vii) your habitual drunkenness or substance abuse which materially interferes with your ability to discharge your duties, responsibilities and obligations to any member of the Company Group.

“Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries; provided, that solely for purposes of the calculation of any Bonus, the term “Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries which, as of the applicable date of determination, are run by Mark Butler in his capacity as Chief Executive Officer of the Company so long as Mark Butler is employed by the Company.

“Disability” shall mean any illness, injury, accident or condition of -either a physical or psychological nature which, despite reasonable accommodations, results in your being unable to perform substantially all of the duties of your employment with the Company Group for a period of ninety (90) consecutive days or one hundred eighty (180) total days during any period of three hundred sixty-five (365) consecutive days.

“Good Reason” shall mean, without your consent, (i) the Company’s material violation of its obligations under this Agreement, (ii) a material reduction in your authority, compensation, perquisites, position or responsibilities, other than any reduction in compensation or perquisites which affects all of the Company’s senior executives on a substantially equal or proportionate basis, or (iii) a relocation of the Company’s primary business location by more than 25 miles. In order to invoke a termination for “Good Reason,” you shall provide written notice to the Board of the existence of one or more of the conditions constituting “Good Reason” within thirty (30) days following the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting “Good Reason,” and the Company shall have thirty (30) days following receipt of such written notice (the “Cure Period”) during which it may cure the condition if such condition is subject to cure. In the event that the Company fails to remedy the condition constituting “Good Reason” during the applicable Cure Period, your resignation for Good Reason must occur, if at all, within thirty (30) days following the expiration of the Cure Period.

“Stockholders’ Agreement” shall mean that certain Stockholders’ Agreement of Bargain Holdings, Inc., entered into as of September 28, 2012, by and among Bargain Holdings and the stockholders listed on the signature pages thereto, as such agreement may be amended from time to time.

“Termination Date” shall mean the date your employment with the Company terminates, regardless of the reason. Upon termination of your employment by either you or the Company as provided herein, all rights, duties and obligations of you and the Company to each other pursuant to this Agreement shall cease, except as otherwise expressly provided in this Agreement (including, without limitation, Sections 4, 6, 7, 8, 9, 10, 11, 12, 13, 15, 16 and 19 hereof).

10. Confidentiality; Proprietary Rights. Without the written consent of the Board, you will not during or after the Term of Employment (i) disclose to any person or entity (other than any disclosure during the Term of Employment to a person or entity to which such disclosure is in your reasonable judgment necessary or appropriate in connection with the performance of your duties as an executive officer of any member of the Company Group), any confidential, proprietary or trade secret information obtained by you while in the employ of any member of the Company Group, or (ii) use any such information to the detriment of any member of the Company Group; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by you.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by you during your employment, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by any member of the Company Group shall be promptly and fully disclosed by you to an appropriate executive officer of the Company (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or another member of the Company Group specified by the Company). You will, upon the Company’s request and at its expense (but without any additional compensation to you), execute all documents reasonably necessary to assign your right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or another member of the Company Group specified by the Company) of all patents or copyrights with respect thereto).

11. Restricted Activities. You acknowledge that in your employment with the Company you will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company Group and that you will also generate goodwill for the Company Group in the course of your employment. Therefore, you agree that the following restrictions on your activities during and after your employment are necessary to protect the goodwill, confidential information and other legitimate interests of the Company Group:

(a) During the Non-Competition Period (as defined below), neither you nor any of your affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venture, independent contractor or otherwise) with the Company Group. Specifically, but without limiting the foregoing, you will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any person or entity who is engaged in any business that is competitive with the business of the Company Group, as conducted or in planning (i.e., the Company Group has taken material steps in implementing such plan) during your employment with the Company. A competitive business shall, without express or implied limitation, include any person or entity in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company Group does business or in any state contiguous to a state in which the Company Group does business. You understand and agree that ownership of less than 5% of the outstanding stock of any publicly-traded corporation will not in and of itself be deemed to result in any competition with the Company Group. For purposes of this Agreement, "Non-Competition Period" shall mean the period during the Term of Employment and for one (1) year thereafter.

(b) During the Non-Competition Period, neither you nor any of your affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any person or entity who (i) is on or at any time after the date hereof, an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, or otherwise persuade any such person or entity to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group or (ii) was an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, in each case, at any time within twelve (12) months following the date of cessation of employment or services of such person or entity with the Company Group, or otherwise persuade any such person or entity during such twelve (12) month period to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group.

(c) During the Non-Competition Period, you shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company Group or any of its affiliates, owners, partners, managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company Group's business taken as a whole or (ii) the business reputation or relationships of the Company Group and/or any of its past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 8(c) shall prevent you from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over you.

In signing this Agreement, you give the Company assurance that you have carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed on you under Section 7 and this Section 8. You agree that these restraints are necessary for the reasonable and proper protection of the Company Group and its affiliates, and are reasonable in respect to subject matter, length of time and geographic area. You further agree that, were you to breach any of the covenants contained in Section 7 or this Section 8, the damage to the Company Group and its affiliates would be irreparable. You therefore agree that the Company, in addition to any other remedies available to it (including without limitation the remedies as provided in Section 6), shall be entitled without posting bond to preliminary and permanent injunctive relief

against any breach or threatened breach by you of any of those covenants. You further agree that, in the event that any provision of Section 7 or this Section 8 is determined to be unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's affiliates shall have the right to enforce all of your obligations under this Agreement, including without limitation pursuant to this Section 8.

12. 409A Compliance.

(a) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations and guidance promulgated thereunder to the extent applicable (collectively "Code Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Code Section 409A. In no event whatsoever will any member of the Company Group, or any of their respective affiliates or any directors, officers, agents, attorneys, employees, executives, shareholders, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns of such member of the Company Group or such affiliate be liable for any additional tax, interest or penalties that may be imposed on you under Code Section 409A or any damages for failing to comply with Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered "nonqualified deferred compensation" under Code Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Code Section 409A and, for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If you are deemed on the Termination Date to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Code Section 409A payable on account of a "separation from service," such payment or benefit shall

be made or provided at the date which is the earlier of (i) the expiration of the six (6)-month period measured from the date of your "separation from service" and (ii) the date of your death (the "Delay Period"). Upon the expiration of the Delay Period, all payments and benefits delayed pursuant to this Section 9(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed on the first business day following the expiration of the Delay Period to you in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Code Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, (ii) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits, to be provided in any other taxable year; provided, that this clause (ii) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (iii) such payments shall be made on or before the last day of your taxable year following the taxable year in which the expense occurred.

(d) For purposes of Code Section 409A, your right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the Termination Date"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

13. Miscellaneous. The headings in this Agreement are for convenience only and shall not affect the meaning hereof. This Agreement constitutes the entire agreement between the Company and you, and supersedes any prior communications, agreements, term sheets and understandings, written or oral, with respect to your employment and compensation and all matters pertaining thereto, including, without limitation, the Prior Agreement. If any provision

in this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall be construed by limiting it so as to be enforceable to the maximum extent compatible with applicable law. This Agreement shall be governed by and construed in accordance with the internal substantive laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

14. Acceptance. In accepting this offer, you represent that you have not relied on any agreement or representation, oral or written, express or implied, that is not set forth expressly in this Agreement.

15. Withholding. The Company may withhold from any amounts payable under this Agreement such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

16. Notices. Any, demand, consent or approval permitted or required to be given under this Agreement shall be deemed duly made or given if it is in written form and delivered personally, by facsimile (with receipt confirmed), by prepaid, commercially recognized overnight carrier (with receipt confirmed), or by certified or registered mail, return receipt requested. Any party may change the address to which any notice, demand, consent or approval shall be sent by a notice in writing to the other party in accordance with the provisions hereof. 9. **Termination of Employment Severance Payments.** You or the Company may terminate your employment at any time and for any reason by giving written notice to the other in accordance with the terms of this Agreement; provided, that (i) the Company shall provide you with at least thirty (30) days' prior written notice in the case of termination of your employment without Cause (as defined below), excluding a termination due to death or Disability (as defined below) and (ii) you shall provide the Company with at least thirty (30) days' prior written notice in the case of your termination of employment without Good Reason (as defined below). During the period following any notice of termination of employment through the Termination Date, the Company reserves the right to require you to not be in the Company's offices and/or not to undertake all or any of your duties or responsibilities, in each case, without such action constituting Good Reason. During any such period, you remain a service provider to the Company Group with all duties of fidelity and confidentiality to such persons and subject to all terms and conditions of your employment and should not be employed or engaged in any other business. The parties' rights and duties in the event of a termination of employment are as set forth below.

(a) If (x) the Company terminates your employment without Cause (but excluding any termination due to your death or Disability), or (y) you terminate your employment for Good Reason, the Company will, in lieu of any other payments or benefits hereunder or otherwise, (i) continue to pay your Base Salary for a period of twelve (12) months after the Termination Date (the "Severance Period"), until the earlier of (x) the end of the Severance Period and (y) the date you have commenced new employment; provided, that you make such affirmative and timely COBRA or other elections as are required for such benefits to continue. Any obligation of the Company to you under this paragraph is conditioned, however, upon your signing a release of claims in the form attached hereto as Exhibit B (as may be updated and revised by the Company to comply with applicable law to achieve its intent, the "Release") within twenty-one (21) days following the Termination Date and upon your not revoking the Release within seven (7) days thereafter, and is further conditioned upon your continuing compliance with the provisions of Sections 7 and 8. The cash severance set forth in Section 6(a)(i) will be made in the form of salary continuation, and will begin at the Company's next regular payroll period following the effective date of the Release (i.e., once it becomes irrevocable), but shall be retroactive to the Termination Date; provided, that if the date on which such salary continuation may commence

can occur in your immediately subsequent taxable year assuming the Release becomes irrevocable on the twenty-eighth (28th) day following the Termination Date, then payment shall commence in the immediately subsequent taxable year and otherwise in accordance with the terms of this Section 6(a). Notwithstanding anything to the contrary herein, in the event of a breach of Section 7 or Section 8, you shall have no right to receive (or continue to receive) any amounts under this paragraph, and the Company shall retain any and all rights to pursue other available remedies (whether at law or equity) for any such breach.

(b) If (x) the Company terminates your employment for Cause, (y) you terminate your employment without Good Reason, or (z) your employment terminates by reason of your death or Disability, the Company will, in lieu of any other payments or benefits hereunder or otherwise (including without limitation any severance payments), pay you any Base Salary earned but not paid through the Termination Date.

You hereby acknowledge and agree that, other than the payments described in this Section 6, upon the Termination Date you shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan or severance policy generally available to the Company's employees or otherwise. For purposes of this Agreement:

"Cause" shall mean (i) a material breach by you of any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties) or any written lawful policy of any member of the Company Group, including, without limitation, any breach by you of any restrictive covenants by which you are bound (including, without limitation, Sections 7 and 8 hereof), or the failure or refusal by you to substantially perform the duties required of you as an employee of the Company, (ii) misappropriation or theft of the funds or property of any member of the Company Group, (iii) your conviction of, or plea of guilty or nolo contendere to, any fraud, misappropriation, embezzlement or similar act, felony or crime involving dishonesty or moral turpitude, (iv) your commission of any act involving willful misconduct or gross negligence or your failure to act involving material nonfeasance, (v) your engaging in any act of dishonesty, violence or threat of violence (including any violation of federal securities laws) which is or could reasonably be expected to be injurious to the financial condition or business

reputation of any member of the Company Group, (vi) a finding by the Board that you breached any of your fiduciary duties to any member of the Company group or any of their respective stockholders, or (vii) your habitual drunkenness or substance abuse which materially interferes with your ability to discharge your duties, responsibilities and obligations to any member of the Company Group.

“Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries; provided, that solely for purposes of the calculation of any Bonus, the term “Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries which, as of the applicable date of determination, are run by Mark Butler in his capacity as Chief Executive Officer of the Company so long as Mark Butler is employed by the Company.

“Disability” shall mean any illness, injury, accident or condition of either a physical or psychological nature which, despite reasonable accommodations, results in your being unable to perform substantially all of the duties of your employment with the Company Group for a period of ninety (90) consecutive days or one hundred eighty (180) total days during any period of three hundred sixty-five (365) consecutive days.

“Good Reason” shall mean, without your consent, (i) the Company’s material violation of its obligations under this Agreement, (ii) a material reduction in your authority, compensation, perquisites, position or responsibilities, other than any reduction in compensation or perquisites which affects all of the Company’s senior executives on a substantially equal or proportionate basis, or (iii) a relocation of the Company’s primary business location by more than 25 miles. In order to invoke a termination for “Good Reason,” you shall provide written notice to the Board of the existence of one or more of the conditions constituting “Good Reason” within thirty (30) days following the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting “Good Reason,” and the Company shall have thirty (30) days following receipt of such written notice (the “Cure Period”) during which it may cure the condition if such condition is subject to cure. In the event that the Company fails to remedy the condition constituting “Good Reason” during the applicable Cure Period, your resignation for Good Reason must occur, if at all, within thirty (30) days following the expiration of the Cure Period.

“Stockholders’ Agreement” shall mean that certain Stockholders’ Agreement of Bargain Holdings, Inc., entered into as of September 28, 2012, by and among Bargain Holdings and the stockholders listed on the signature pages thereto, as such agreement may be amended from time to time.

“Termination Date” shall mean the date your employment with the Company terminates, regardless of the reason. Upon termination of your employment by either you or the Company as provided herein, all rights, duties and obligations of you and the Company to each other pursuant to this Agreement shall cease, except as otherwise expressly provided in this Agreement (including, without limitation, Sections 4, 6, 7, 8, 9, 10, 11, 12, 13, 15, 16 and 19 hereof).

10. Confidentiality; Proprietary Rights. Without the written consent of the Board, you will not during or after the Term of Employment (1) disclose to any person or entity (other than any disclosure during the Term of Employment to a person or entity to which such disclosure is in your reasonable judgment necessary or appropriate in connection with the performance of your duties as an executive officer of any member of the Company Group), any confidential, proprietary or trade secret information obtained by you while in the employ of any member of the Company Group, or (ii) use any such information to the detriment of any member of the Company Group; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by you.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by you during your employment, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by any member of the Company Group shall be promptly and fully disclosed by you to an appropriate executive officer of the Company (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or another member of the Company Group specified by the Company). You will, upon the Company’s request and at its expense (but without any additional compensation to you), execute all documents reasonably necessary to assign your right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or another member of the Company Group specified by the Company) of all patents or copyrights with respect thereto).

11. Restricted Activities. You acknowledge that in your employment with the Company you will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company Group and that you will also generate goodwill for the Company Group in the course of your employment. Therefore, you agree that the following restrictions on your activities during and after your employment are necessary to protect the goodwill, confidential information and other legitimate interests of the Company Group:

(a) During the Non-Competition Period (as defined below), neither you nor any of your affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venture, independent contractor or otherwise) with the Company Group. Specifically, but without limiting the foregoing, you will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any person or entity who is engaged in any business that is competitive with the business of the Company Group, as conducted or in planning (i.e., the Company Group has taken material steps in implementing such plan) during your employment with the Company. A competitive business shall, without express or implied limitation, include any person or entity in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company Group does business or in any state contiguous to a state in which the Company Group does business. You understand and agree that ownership of less than 5% of the outstanding stock of any publicly-traded corporation will not in and of itself be deemed to result in any competition with the Company Group. For purposes of this Agreement, "Non-Competition Period" shall mean the period during the Term of Employment and for one (1) year thereafter.

(b) During the Non-Competition Period, neither you nor any of your affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any person or entity who (i) is on or at any time after the date hereof, an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, or otherwise persuade any such person or entity to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group or (ii) was an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, in each case, at any time within twelve (12) months following the date of cessation of employment or services of such person or entity with the Company Group, or otherwise persuade any such person or entity during such twelve (12) month period to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group.

(c) During the Non-Competition Period, you shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company Group or any of its affiliates, owners, partners, managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company Group's business taken as a whole or (ii) the business reputation or relationships of the Company Group and/or any of its past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 8(c) shall prevent you from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over you.

In signing this Agreement, you give the Company assurance that you have carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed on you under Section 7 and this Section 8. You agree that these restraints are necessary for the reasonable and proper protection of the Company Group and its affiliates, and are reasonable in respect to subject matter, length of time and geographic area. You further agree that, were you to breach any of the covenants contained in Section 7 or this Section 8, the damage to the Company Group and its affiliates would be irreparable. You therefore agree that the Company, in addition to any other remedies available to it (including without limitation the remedies as provided in Section 6), shall be entitled without posting bond to preliminary and permanent injunctive relief against any breach or threatened breach by you of any of those covenants. You further agree that, in the event that any provision of Section 7 or this Section 8 is determined to be

unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's affiliates shall have the right to enforce all of your obligations under this Agreement, including without limitation pursuant to this Section 8.

12. 409A Compliance.

(a) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations and guidance promulgated thereunder to the extent applicable (collectively "Code Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Code Section 409A. In no event whatsoever will any member of the Company Group, or any of their respective affiliates or any directors, officers, agents, attorneys, employees, executives, shareholders, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns of such member of the Company Group or such affiliate be liable for any additional tax, interest or penalties that may be imposed on you under Code Section 409A or any damages for failing to comply with Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered "nonqualified deferred compensation" under Code Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Code Section 409A and, for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If you are deemed on the Termination Date to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Code Section 409A payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (1) the expiration of the six (6)-month period measured from the date of your "separation from service" and (ii) the date of your death (the "Delay Period").

Upon the expiration of the Delay Period, all payments and benefits delayed pursuant to this Section 9(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed on the first business day following the expiration of the Delay Period to you in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Code Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, (ii) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits, to be provided in any other taxable year; provided, that this clause (ii) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (iii) such payments shall be made on or before the last day of your taxable year following the taxable year in which the expense occurred.

(d) For purposes of Code Section 409A, your right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the Termination Date"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

13. Miscellaneous. The headings in this Agreement are for convenience only and shall not affect the meaning hereof. This Agreement constitutes the entire agreement between the Company and you, and supersedes any prior communications, agreements, term sheets and understandings, written or oral, with respect to your employment and compensation and all matters pertaining thereto, including, without limitation, the Prior Agreement. If any provision in this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall be construed by limiting it so as to be enforceable to the maximum extent compatible with

applicable law. This Agreement shall be governed by and construed in accordance with the internal substantive laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

14. Acceptance. In accepting this offer, you represent that you have not relied on any agreement or representation, oral or written, express or implied, that is not set forth expressly in this Agreement.

15. Withholding. The Company may withhold from any amounts payable under this Agreement such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

16. Notices. Any, demand, consent or approval permitted or required to be given under this Agreement shall be deemed duly made or given if it is in written form and delivered personally, by facsimile (with receipt confirmed), by prepaid, commercially recognized overnight carrier (with receipt confirmed), or by certified or registered mail, return receipt requested. Any party may change the address to which any notice, demand, consent or approval shall be sent by a notice in writing to the other party in accordance with the provisions hereof. All notices shall be addressed as follow:

FOR AND IN CONSIDERATION OF the amounts to be provided to me in connection with the termination of my employment, as set forth in the agreement between me and Ollie's Bargain Outlet, Inc. (the "Company") dated as of May 12, 2014 ("Letter Agreement"), which are conditioned upon my signing this Release of Claims and to which I am not otherwise entitled, and for other good and valuable consideration, I, on my own behalf and on behalf of my heirs, executors, beneficiaries and personal representatives, and all others connected with me, hereby release and forever discharge the Company, its parents, subsidiaries and other affiliates and all of their respective past and present officers, directors, shareholders, employees, agents, general and limited partners, members, managers, joint ventures, representatives, successors and assigns, and all others connected with any of them, both individually and in their official capacities, from any and all causes of action, rights and claims, of any nature or type, known or unknown, which I have had in the past, now have, or might now have, through the date of my signing of this Release of Claims, including, but not limited to, any such causes of action, rights or claims in any way resulting from, arising out of or connected with my employment by, investment in, or other relationship with the Company or any of its affiliates or the termination of that employment, investment and/or relationship or pursuant to any federal, state or local law, regulation or other requirement (including without limitation Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, the Americans with Disabilities Act, and the fair employment practices laws of the state or states in which I have provided services to the Company or its affiliates, each as amended from time to time); provided that nothing herein shall be a release of my rights to enforce any provision of the Letter Agreement, or the Stockholders' Agreement (as defined in the Letter Agreement).

In signing this Release of Claims, I acknowledge that I have had a reasonable amount of time to consider the terms of this Release of Claims and that I am signing this Release of Claims voluntarily and with a full understanding of its terms.

In signing this Release of Claims, I acknowledge my understanding that I may not sign it prior to the termination of my employment, but that I may consider the terms of this Release of Claims for up to twenty-one (21) days following the Termination Date (as defined in the Agreement). I also acknowledge that I am advised by the Company and its subsidiaries and other affiliates to seek the advice of an attorney prior to signing this Release of Claims; that I have had sufficient time to consider this Release of Claims and to consult with an attorney, if I wished to do so, or to consult with any other person of my choosing before signing; and that I am signing this Release of Claims voluntarily and with a full understanding of its terms.

I further acknowledge that, in signing this Release of Claims, I have not relied on any promises or representations, express or implied, that are not set forth expressly in the Letter Agreement. I understand that I may revoke this Release of Claims at any time within seven (7) days of the date of my signing by written notice to the Company in accordance with Section 13 of the Letter Agreement and that this Release of Claims will take effect only upon the expiration of such seven-day revocation period and only if I have not timely revoked it.

Intending to be legally bound, I have signed this Release of Claims under seal as of the date written below.

Dear Howard:

This letter (the "Agreement") will set forth the terms of your employment with Ollie's Bargain Outlet, Inc. (the "Company"), an indirect, wholly-owned subsidiary of Bargain Holdings, Inc. ("Bargain Holdings").

WHEREAS, pursuant to that certain Agreement and Plan of Merger (as modified, supplemented or restated, the "Merger Agreement"), dated as of August 27, 2012, by and among Bargain Parent, Inc. ("Parent"), Bargain Merger Sub, Inc. ("Merger Sub"), Ollie's Holdings, Inc. ("Ollie's Holdings") and KarpReilly, LLC, solely in its capacity as a representative upon the terms and subject to the conditions set forth therein, on September 28, 2012 Parent indirectly acquired 100% of the issued and outstanding capital stock of Ollie's Holdings, Inc. in a reverse subsidiary merger transaction, whereby Merger Sub merged with and into Ollie's Holdings, Inc. (the "Merger"), with Ollie's Holdings, Inc. being the surviving corporation in the Merger; and

WHEREAS, the Company desires to continue to employ you and you desire to continue to be employed by the Company on the terms and conditions set forth in the Agreement.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants contained herein, the parties hereto agree as follows:

1. Effective Date; Term. Your employment hereunder shall commence effective upon September 28, 2012 (the "Effective Date") and continue until terminated in accordance with Section 6 hereof. The period of your employment with the Company as set forth in this Section 1 is referred to herein as the "Term of Employment."

2. Duties, etc. During the Term of Employment you will be the Vice President of Merchandising. In this capacity, you will have direct responsibility for overseeing all aspects of buying, merchandising and merchandise allocation of the Company. You will be accountable to, and will also have such powers, duties and responsibilities as may from time to time be prescribed by, the Chief Executive Officer of the Company; provided, that such duties and responsibilities are consistent with the position of Vice President of Merchandising. You will perform and discharge your duties and responsibilities faithfully, diligently and to the best of your ability. You will devote substantially all of your working time and efforts to the business and affairs of the Company Group (as defined in Section 6); provided, however, that the foregoing shall not restrict your engaging in civic, charitable and personal investment activities which do not materially affect your availability to any member of the Company Group during working time.

3. Base Salary. As compensation for all services provided by you during the Term of Employment, and subject to your performance in accordance with the terms of this Agreement, the Company shall pay you a base salary at a rate of \$170,000 per annum (the per annum amount in effect from time to time being referred to herein as the "Base Salary"). All payments under this Section 3 will be made in accordance with the regular payroll practices of the Company. The amount of Base Salary shall be re-evaluated annually by the Compensation Committee of the Board of Directors of the Company, or, if no such committee exists, the Board of Directors of the Company (the "Board"), with the input of the Chief Executive Officer of the Company; provided, that the Base Salary may not be reduced to an amount below \$170,000.

4. **Performance Bonus.** In addition to your Base Salary, you will be eligible for an annual bonus (the “**Bonus**”) for each fiscal year during the Term of Employment. As indicated in the following table, with respect to each fiscal year during the Term of Employment, if Company EBITDA for such fiscal year: (a) equals the Target EBITDA for such fiscal year, your Bonus for such fiscal year shall be equal to 50% of your Base Salary, (b) is equal to or less than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be \$0, (c) is equal to or greater than the Maximum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be 80% of your Base Salary, or (d) is greater than Target EBITDA but less than the Maximum EBITDA Threshold for such fiscal year, or is less than Target EBITDA but greater than the Minimum EBITDA Threshold for such fiscal year, your Bonus for such fiscal year shall be determined by interpolating on a straight line basis between the Bonus amounts set forth in the following table and the corresponding level of Company EBITDA; provided, that notwithstanding anything to the contrary contained in the foregoing, (i) for purposes of the calculation of any Bonus in respect of fiscal year 2012, the Bonus shall be calculated in a manner consistent with past practices, and (ii) the Compensation Committee of the Board or, if no such committee exists, the Board (in each case, with the CCMP Consent (as defined in the Stockholders’ Agreement (as defined in Section 6))) may, with your consent, change the manner in which any Bonus is determined and/or calculated (e.g., add a revenue component to the performance metrics).

<u>Company EBITDA for fiscal year:</u>	<u>Bonus Amount</u>
Equal to or greater than Maximum EBITDA Threshold	80% of Base Salary
Equal to Target EBITDA	50% of Base Salary
Equal to or less than Minimum EBITDA Threshold	\$0

You must be employed on the last day of any fiscal year and the day payments are made in order to be eligible for a Bonus for that fiscal year. The Bonus for each fiscal year shall be paid to you at the same time that other senior executives of the Company receive bonus payments, but in no event later than April 15 of the fiscal year following the fiscal year to which the Bonus relates.

For purposes of this Agreement:

“Company EBITDA” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) Consolidated Net Income for such fiscal year and (b) to the extent Consolidated Net Income has been reduced thereby, (i) all income taxes of the Company Group recorded as a tax provision in accordance with GAAP for such period (other than income taxes attributable to items (a), (b), and (f) included in the definition of Consolidated Net Income), (ii) Consolidated Interest Expense, (iii) Consolidated Non-Cash Charges, (iv) for fiscal year 2012 only, fees and expenses paid to Saunders Karp & Megrue, LLC (“SKM”) pursuant to the Management Agreement between SKM, the Company and Ollie’s Holdings dated as of August 7, 2003, (v) any fees and expenses incurred by the Company, the Company Stockholders (as defined in the Merger Agreement) or Parent in connection with the consummation of the transactions contemplated by the Merger Agreement (to the extent not otherwise included in an item in this clause (b)), all as determined on a consolidated basis for the Company Group in accordance with GAAP, and (vi) any non-cash equity compensation expense, store closing costs and, for fiscal year 2012 only, the Johnson City flood loss; provided, that notwithstanding the

forgoing, for fiscal year 2012 only, “Company EBITDA” shall also include or exclude such other items as are consistent with past practices of the Company in calculating fiscal year bonuses for senior management executives of the Company as set by the board of directors of the Company as in place in March 2012. The components of Company EBITDA will be determined by the independent auditor of the Company Group in accordance with GAAP.

“Consolidated Interest Expense” shall mean, with respect to a fiscal year of Bargain Holdings, the sum of (without duplication) (a) the aggregate of the interest expense of the Company Group for such fiscal year determined on a consolidated basis in accordance with GAAP and (b) the interest component of capitalized lease obligations accrued by the Company Group during such period as determined on a consolidated basis in accordance with GAAP, less (c) the amount of any interest income received by the Company Group during such fiscal period and (d) deferred financing costs and bank administration fees.

“Consolidated Net Income” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate net income (or loss) of the Company Group for such fiscal year on a consolidated basis, determined in accordance with GAAP, which shall reflect the full charge resulting from the payment by the Company Group of any base salary, bonus compensation (including without limitation the Bonus) or other payment to any person pursuant to any employment agreement with any member of the Company Group; provided, that there shall be excluded from the calculation thereof (a) after-tax gains and losses from asset sales or abandonments or reserves relating thereto, (b) after-tax items classified as extraordinary gains or losses, (c) the net income (or loss) of any subsidiary of Bargain Holdings to the extent that the declaration of dividends or similar distributions by that subsidiary is restricted by a contract, operation of law or otherwise, (d) the net income (or loss) of any other person or entity, other

than a subsidiary of Bargain Holdings, except to the extent of cash dividends or distributions paid to the Company Group by such other person or entity, (e) in the case of a successor to any member of the Company Group by consolidation or merger or as a transferee of the assets of such member of the Company Group, any net income (or loss) of the successor corporation prior to such consolidation, merger or consolidation of assets, (f) management fees, if any, paid by the Company Group to the CCMP Stockholders (as defined in the Stockholders' Agreement) and their affiliates and (g) the after-tax impact of nonrecurring items of income and expense that are included in the determination of net income related to: (i) executive officer severance payments, (ii) discontinued operations, (iii) insurance losses and recoveries, (iv) write-up/write-down of assets related to acquisitions, (v) cumulative effects of accounting changes and (vi) securities registration expenses.

“Consolidated Non-Cash Charges” shall mean, with respect to a fiscal year of Bargain Holdings, the aggregate depreciation and amortization of the Company Group reducing Consolidated Net Income of the Company for such fiscal year.

“GAAP” shall mean generally accepted accounting principles in the United States as in effect from time to time.

“Maximum EBITDA Threshold”, “Minimum EBITDA Threshold” and “Target EBITDA” shall mean, for any fiscal year of Bargain Holdings, such amounts as shall be determined by the Compensation Committee of the Board, or, if no such committee exists, the Board (in each case, with the CCMP Consent); provided, that the Maximum EBITDA Threshold shall in no event be more than 15% higher than the Target EBITDA and the Minimum EBITDA Threshold shall in no event be more than 15% lower than the Target EBITDA; provided, further, that after setting the Maximum EBITDA Threshold, Minimum EBITDA Threshold and Target

EBITDA for any fiscal year, the Compensation Committee of the Board, or, if no such committee exists, the Board (in each case, with the CCMP Consent) may subsequently adjust such amounts in the event of any acquisition, disposition or other material transaction or event with respect to the Company Group with a view to maintaining the incentive nature of the Bonus. For fiscal year 2012, your Maximum EBITDA Threshold is \$63,320,855, your Minimum EBITDA Threshold is \$46,802,371 and your Target EBITDA is \$55,061,613.

5. Stock Options; Benefits.

(a) On or promptly following the Effective Date, you shall be granted stock options to purchase shares of non-voting common stock of Bargain Holdings, Inc. (the "Option"). The Option shall be issued pursuant to, and shall be subject to the terms and conditions of, the Bargain Holdings, Inc. 2012 Equity Incentive Plan and a Bargain Holdings, Inc. 2012 Equity Incentive Plan Nonqualified Stock Option Award Agreement substantially in the form attached hereto as Exhibit A.

(b) You will be eligible to receive four weeks, or twenty (20) days, of Paid Time Off ("PTO") per year, pro-rated for partial years. You will not be entitled to any cash, severance payment or other compensation for PTO not taken, and unused PTO may be carried over up to a maximum of five (5) days to succeeding years. You will be eligible to participate in, and the Company will pay applicable premiums for, all benefit and welfare plans made generally available to senior management executives of the Company (including health, dental, vision, short and long term disability, life and AD&D, and business travel accident insurance plans), as in effect from time to time, all subject to plan terms and generally applicable Company policies. You will be entitled to receive prompt reimbursement for all reasonable expenses incurred by you in performing services hereunder, including all expenses of travel while on business or at the request of and in the service of the Company; provided, that such expenses are incurred and accounted for in accordance with the policies and procedures reasonably established by the Company.

6. Termination of Employment; Severance Payments. You or the Company may terminate your employment at any time and for any reason by giving written notice to the other in accordance with the terms of this Agreement; provided, that (i) the Company shall provide you with at least thirty (30) days' prior written notice in the case of termination of your employment without Cause (as defined below), excluding a termination due to death or Disability (as defined below) and (ii) you shall provide the Company with at least thirty (30) days' prior written notice in the case of your termination of employment without Good Reason (as defined below). During the period following any notice of termination of employment through the Termination Date, the Company reserves the right to require you to not be in the Company's offices and/or not to undertake all or any of your duties or responsibilities, in each case, without such action constituting Good Reason. During any such period, you remain a service provider to the Company Group with all duties of fidelity and confidentiality to such persons and subject to all terms and conditions of your employment and should not be employed or engaged in any other business. The parties' rights and duties in the event of a termination of employment are as set forth below.

(a) If (x) the Company terminates your employment without Cause (but excluding any termination due to your death or Disability), or (y) you terminate your employment for Good Reason, the Company will, in lieu of any other payments or benefits hereunder or otherwise, (i) continue to pay your Base Salary for a period of twelve (12) months after the Termination Date (the "Severance Period"), and (ii) continue to provide health, life and disability insurance

benefits to the extent permitted under such plans until the earlier of (x) the end of the Severance Period and (y) the date you have commenced new employment; provided, that you make such affirmative and timely COBRA or other elections as are required for such benefits to continue; provided, further, that any such health, life and/or disability insurance continuation shall be treated as taxable compensation to you to the extent necessary to avoid adverse tax consequences on the Company or you resulting from the provision of tax free benefits to you. Any obligation of the Company to you under this paragraph is conditioned, however, upon your signing a release of claims in the form attached hereto as Exhibit B (as may be updated and revised by the Company to comply with applicable law to achieve its intent, the “Release”) within twenty-one (21) days following the Termination Date and upon your not revoking the Release within seven (7) days thereafter, and is further conditioned upon your continuing compliance with the provisions of Sections 7 and 8. The cash severance set forth in Section 6(a)(i) will be made in the form of salary continuation, and will begin at the Company’s next regular payroll period following the effective date of the Release (i.e., once it becomes irrevocable), but shall be retroactive to the Termination Date; provided, that if the date on which such salary continuation may commence can occur in your immediately subsequent taxable year assuming the Release becomes irrevocable on the twenty-eighth (28th) day following the Termination Date, then payment shall commence in the immediately subsequent taxable year and otherwise in accordance with the terms of this Section 6(a). Notwithstanding anything to the contrary herein, in the event of a breach of Section 7 or Section 8, you shall have no right to receive (or continue to receive) any amounts under this paragraph, and the Company shall retain any and all rights to pursue other available remedies (whether at law or equity) for any such breach.

(b) If (x) the Company terminates your employment for Cause, (y) you terminate your employment without Good Reason, or (z) your employment terminates by reason of your death or Disability, the Company will, in lieu of any other payments or benefits hereunder or otherwise (including without limitation any severance payments), pay you any Base Salary earned but not paid through the Termination Date.

You hereby acknowledge and agree that, other than the payments described in this Section 6, upon the Termination Date you shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan or severance policy generally available to the Company's employees or otherwise. For purposes of this Agreement:

"Cause" shall mean (i) a material breach by you of any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties) or any written lawful policy of any member of the Company Group, including, without limitation, any breach by you of any restrictive covenants by which you are bound (including, without limitation, Sections 7 and 8 hereof), or the failure or refusal by you to substantially perform the duties required of you as an employee of the Company, (ii) misappropriation or theft of the funds or property of any member of the Company Group, (iii) your conviction of, or plea of guilty or nolo contendere to, any fraud, misappropriation, embezzlement or similar act, felony or crime involving dishonesty or moral turpitude, (iv) your commission of any act involving willful misconduct or gross negligence or your failure to act involving material nonfeasance, (v) your engaging in any act of dishonesty, violence or threat of violence (including any violation of federal securities laws) which is or could reasonably be expected to be injurious to the financial condition or business reputation of any member of the Company Group, (vi) a finding by the Board that you breached

any of your fiduciary duties to any member of the Company group or any of their respective stockholders, or (vii) your habitual drunkenness or substance abuse which materially interferes with your ability to discharge your duties, responsibilities and obligations to any member of the Company Group.

“Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries; provided, that solely for purposes of the calculation of any Bonus, the term “Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries which, as of the applicable date of determination, are run by Mark Butler in his capacity as Chief Executive Officer of the Company so long as Mark Butler is employed by the Company.

“Disability” shall mean any illness, injury, accident or condition of either a physical or psychological nature which, despite reasonable accommodations, results in your being unable to perform substantially all of the duties of your employment with the Company Group for a period of ninety (90) consecutive days or one hundred eighty (180) total days during any period of three hundred sixty-five (365) consecutive days.

“Good Reason” shall mean, without your consent, (i) the Company’s material violation of its obligations under this Agreement, (ii) a material reduction in your authority, compensation, perquisites, position or responsibilities, other than any reduction in compensation or perquisites which affects all of the Company’s senior executives on a substantially equal or proportionate basis, or (iii) a relocation of the Company’s primary business location by more than 25 miles. In order to invoke a termination for “Good Reason,” you shall provide written notice to the Board of the existence of one or more of the conditions constituting “Good Reason” within thirty (30) days following the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting “Good Reason,” and the Company shall have thirty (30) days

following receipt of such written notice (the “Cure Period”) during which it may cure the condition if such condition is subject to cure. In the event that the Company fails to remedy the condition constituting “Good Reason” during the applicable Cure Period, your resignation for Good Reason must occur, if at all, within thirty (30) days following the expiration of the Cure Period.

“Stockholders’ Agreement” shall mean that certain Stockholders’ Agreement of Bargain Holdings, Inc., entered into as of September 28, 2012, by and among Bargain Holdings and the stockholders listed on the signature pages thereto, as such agreement may be amended from time to time.

“Termination Date” shall mean the date your employment with the Company terminates, regardless of the reason. Upon termination of your employment by either you or the Company as provided herein, all rights, duties and obligations of you and the Company to each other pursuant to this Agreement shall cease, except as otherwise expressly provided in this Agreement (including, without limitation, Sections 4, 6, 7, 8, 9, 10, 12, 13 and 16 hereof).

7. Confidentiality; Proprietary Rights. Without the written consent of the Board, you will not during or after the Term of Employment (i) disclose to any person or entity (other than any disclosure during the Term of Employment to a person or entity to which such disclosure is in your reasonable judgment necessary or appropriate in connection with the performance of your duties as an executive officer of any member of the Company Group), any confidential, proprietary or trade secret information obtained by you while in the employ of any member of the Company Group, or (ii) use any such information to the detriment of any member of the Company Group; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by you.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by you during your employment, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by any member of the Company Group shall be promptly and fully disclosed by you to an appropriate executive officer of the Company (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or another member of the Company Group specified by the Company). You will, upon the Company's request and at its expense (but without any additional compensation to you), execute all documents reasonably necessary to assign your right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or another member of the Company Group specified by the Company) of all patents or copyrights with respect thereto).

8. Restricted Activities. You acknowledge that in your employment with the Company you will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company Group and that you will also generate goodwill for the Company Group in the course of your employment. Therefore, you agree that the following restrictions on your activities during and after your employment are necessary to protect the goodwill, confidential information and other legitimate interests of the Company Group:

(a) During the Non-Competition Period (as defined below), neither you nor any of your affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venture, independent

contractor or otherwise) with the Company Group. Specifically, but without limiting the foregoing, you will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any person or entity who is engaged in any business that is competitive with the business of the Company Group, as conducted or in planning (i.e., the Company Group has taken material steps in implementing such plan) during your employment with the Company. A competitive business shall, without express or implied limitation, include any person or entity in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company Group does business or in any state contiguous to a state in which the Company Group does business. You understand and agree that ownership of less than 5% of the outstanding stock of any publicly-traded corporation will not in and of itself be deemed to result in any competition with the Company Group. For purposes of this Agreement, "Non-Competition Period" shall mean the period during the Term of Employment and for one (1) year thereafter.

(b) During the Non-Competition Period, neither you nor any of your affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any person or entity who (i) is on or at any time after the date hereof, an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, or otherwise persuade any such person or entity to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group or (ii) was an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, in each case, at any time within twelve (12) months following the date of cessation of

employment or services of such person or entity with the Company Group, or otherwise persuade any such person or entity during such twelve (12) month period to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group.

(c) During the Non-Competition Period, you shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company Group or any of its affiliates, owners, partners, managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company Group's business taken as a whole or (ii) the business reputation or relationships of the Company Group and/or any of its past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 8(c) shall prevent you from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over you.

In signing this Agreement, you give the Company assurance that you have carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed on you under Section 7 and this Section 8. You agree that these restraints are necessary for the reasonable and proper protection of the Company Group and its affiliates, and are reasonable in respect to subject matter, length of time and geographic area. You further agree that, were you to breach any of the covenants contained in Section 7 or this Section 8, the damage to the Company Group and its affiliates would be irreparable. You therefore agree that the Company, in addition to any other remedies available to it (including without limitation the remedies as provided in Section 6), shall be entitled without posting bond to preliminary and permanent injunctive relief

against any breach or threatened breach by you of any of those covenants. You further agree that, in the event that any provision of Section 7 or this Section 8 is determined to be unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's affiliates shall have the right to enforce all of your obligations under this Agreement, including without limitation pursuant to this Section 8.

9. 409A Compliance.

(a) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations and guidance promulgated thereunder to the extent applicable (collectively "Code Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Code Section 409A. In no event whatsoever will any member of the Company Group, or any of their respective affiliates or any directors, officers, agents, attorneys, employees, executives, shareholders, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns of such member of the Company Group or such affiliate be liable for any additional tax, interest or penalties that may be imposed on you under Code Section 409A or any damages for failing to comply with Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered "nonqualified deferred compensation" under Code Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the

meaning of Code Section 409A and, for purposes of any such provision of this Agreement, references to a “termination,” “termination of employment” or like terms shall mean “separation from service.” If you are deemed on the Termination Date to be a “specified employee” within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Code Section 409A payable on account of a “separation from service,” such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6) month period measured from the date of your “separation from service” and (ii) the date of your death (the “Delay Period”). Upon the expiration of the Delay Period, all payments and benefits delayed pursuant to this Section 9(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed on the first business day following the expiration of the Delay Period to you in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Code Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, (ii) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits, to be provided in any other taxable year; provided, that this clause (ii) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the

arrangement is in effect and (iii) such payments shall be made on or before the last day of your taxable year following the taxable year in which the expense occurred.

(d) For purposes of Code Section 409A, your right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the Termination Date"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

10. Miscellaneous. The headings in this Agreement are for convenience only and shall not affect the meaning hereof. This Agreement constitutes the entire agreement between the Company and you, and supersedes any prior communications, agreements, term sheets and understandings, written or oral, with respect to your employment and compensation and all matters pertaining thereto. If any provision in this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall be construed by limiting it so as to be enforceable to the maximum extent compatible with applicable law. This Agreement shall be governed by and construed in accordance with the internal substantive laws of the Commonwealth of Pennsylvania without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

11. Acceptance. In accepting this offer, you represent that you have not relied on any agreement or representation, oral or written, express or implied, that is not set forth expressly in this Agreement.

12. Withholding. The Company may withhold from any amounts payable under this Agreement such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

13. Notices. Any, demand, consent or approval permitted or required to be given under this Agreement shall be deemed duly made or given if it is in written form and delivered personally, by facsimile (with receipt confirmed), by prepaid, commercially recognized overnight carrier (with receipt confirmed), or by certified or registered mail, return receipt requested. 3. Base Salary. As compensation for all services provided by you during the Term of Employment, and subject to your performance in accordance with the terms of this Agreement, the Company shall pay you a base salary at a rate of \$185,000 per annum (the per annum amount in effect from time to time being referred to herein as the "Base Salary"). 6. **Termination of Employment; Severance Payments.** You or the Company may terminate your employment at any time and for any reason by giving written notice to the other in accordance with the terms of this Agreement; provided, that (i) the Company shall provide you with at least thirty (30) days' prior written notice in the case of termination of your employment without Cause (as defined below), excluding a termination due to death or Disability (as defined below) and (ii) you shall provide the Company with at least thirty (30) days' prior written notice in the case of your termination of employment without Good Reason (as defined below). During the period following any notice of termination of employment through the Termination Date, the Company reserves the right to require you to not be in the Company's offices and/or not to undertake all or any of your duties or responsibilities, in each case, without such action constituting Good Reason. During any such period, you remain a service provider to the Company Group with all duties of fidelity and confidentiality to such persons and subject to all terms and conditions of your employment and should not be employed or engaged in any other business. The parties' rights and duties in the event of a termination of employment are as set forth below.

(a) If (x) the Company terminates your employment without Cause (but excluding any termination due to your death or Disability), or (y) you terminate your employment for Good Reason, the Company will, in lieu of any other payments or benefits hereunder or otherwise, (i) continue to pay your Base Salary for a period of twelve (12) months after the Termination Date (the "Severance Period"), until the earlier of (x) the end of the Severance Period and (y) the date you have commenced new employment; provided, that you make such affirmative and timely COBRA or other elections as are required for such benefits to continue. Any obligation of the Company to you under this paragraph is conditioned, however, upon your signing a release of claims in the form attached hereto as Exhibit B (as may be updated and revised by the Company to comply with applicable law to achieve its intent, the "Release") within twenty-one (21) days following the Termination Date and upon your not revoking the Release within seven (7) days thereafter, and is further conditioned upon your continuing compliance with the provisions of Sections 7 and 8. The cash severance set forth in Section 6(a)(i) will be made in the form of salary continuation, and will begin at the Company's next regular payroll period following the effective date of the Release (i.e., once it becomes irrevocable), but shall be retroactive to the Termination Date; provided, that if the date on which such salary continuation may commence

can occur in your immediately subsequent taxable year assuming the Release becomes irrevocable on the twenty-eighth (28th) day following the Termination Date, then payment shall commence in the immediately subsequent taxable year and otherwise in accordance with the terms of this Section 6(a).

Notwithstanding anything to the contrary herein, in the event of a breach of Section 7 or Section 8, you shall have no right to receive (or continue to receive) any amounts under this paragraph, and the Company shall retain any and all rights to pursue other available remedies (whether at law or equity) for any such breach.

(b) If (x) the Company terminates your employment for Cause, (y) you terminate your employment without Good Reason, or (z) your employment terminates by reason of your death or Disability, the Company will, in lieu of any other payments or benefits hereunder or otherwise (including without limitation any severance payments), pay you any Base Salary earned but not paid through the Termination Date.

You hereby acknowledge and agree that, other than the payments described in this Section 6, upon the Termination Date you shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan or severance policy generally available to the Company's employees or otherwise. For purposes of this Agreement:

"Cause" shall mean (i) a material breach by you of any agreement between you on the one hand and any one or more members of the Company Group on the other hand (including, without limitation, agreements which may have other parties) or any written lawful policy of any member of the Company Group, including, without limitation, any breach by you of any restrictive covenants by which you are bound (including, without limitation, Sections 7 and 8 hereof), or the failure or refusal by you to substantially perform the duties required of you as an employee of the Company, (ii) misappropriation or theft of the funds or property of any member of the Company Group, (iii) your conviction of, or plea of guilty or nolo contendere to, any fraud, misappropriation, embezzlement or similar act, felony or crime involving dishonesty or moral turpitude, (iv) your commission of any act involving willful misconduct or gross negligence or your failure to act involving material nonfeasance, (v) your engaging in any act of dishonesty, violence or threat of violence (including any violation of federal securities laws) which is or could reasonably be expected to be injurious to the financial condition or business

reputation of any member of the Company Group, (vi) a finding by the Board that you breached any of your fiduciary duties to any member of the Company group or any of their respective stockholders, or (vii) your habitual drunkenness or substance abuse which materially interferes with your ability to discharge your duties, responsibilities and obligations to any member of the Company Group.

“Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries; provided, that solely for purposes of the calculation of any Bonus, the term “Company Group” shall mean Bargain Holdings and its direct and indirect subsidiaries which, as of the applicable date of determination, are run by Mark Butler in his capacity as Chief Executive Officer of the Company so long as Mark Butler is employed by the Company.

“Disability.” shall mean any illness, injury, accident or condition of either a physical or psychological nature which, despite reasonable accommodations, results in your being unable to perform substantially all of the duties of your employment with the Company Group for a period of ninety (90) consecutive days or one hundred eighty (180) total days during any period of three hundred sixty-five (365) consecutive days.

“Good Reason” shall mean, without your consent, (i) the Company’s material violation of its obligations under this Agreement, (ii) a material reduction in your authority, compensation, perquisites, position or responsibilities, other than any reduction in compensation or perquisites which affects all of the Company’s senior executives on a substantially equal or proportionate basis, or (iii) a relocation of the Company’s primary business location by more than 25 miles. In order to invoke a termination for “Good Reason,” you shall provide written notice to the Board of the existence of one or more of the conditions constituting “Good Reason” within thirty (30) days following the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting “Good Reason,” and the Company shall have thirty (30) days following receipt of such written notice (the “Cure Period”) during which it may cure the condition if such condition is subject to cure. In the event that the Company fails to remedy the condition constituting “Good Reason” during the applicable Cure Period, your resignation for Good Reason must occur, if at all, within thirty (30) days following the expiration of the Cure Period.

“Stockholders’ Agreement” shall mean that certain Stockholders’ Agreement of Bargain Holdings, Inc., entered into as of September 28, 2012, by and among Bargain Holdings and the stockholders listed on the signature pages thereto, as such agreement may be amended from time to time.

“Termination Date” shall mean the date your employment with the Company terminates, regardless of the reason. Upon termination of your employment by either you or the Company as provided herein, all rights, duties and obligations of you and the Company to each other pursuant to this Agreement shall cease, except as otherwise expressly provided in this Agreement (including, without limitation, Sections 4, 6, 7, 8, 9, 10, 11, 12, 13, 15, 16 and 19 hereof).

7. Confidentiality; Proprietary Rights. Without the written consent of the Board, you will not during or after the Term of Employment (i) disclose to any person or entity (other than any disclosure during the Term of Employment to a person or entity to which such disclosure is in your reasonable judgment necessary or appropriate in connection with the performance of your duties as an executive officer of any member of the Company Group), any confidential, proprietary or trade secret information obtained by you while in the employ of any member of the Company Group, or (ii) use any such information to the detriment of any member of the Company Group; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by you.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by you during your employment, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by any member of the Company Group shall be promptly and fully disclosed by you to an appropriate executive officer of the Company (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or another member of the Company Group specified by the Company). You will, upon the Company’s request and at its expense (but without any additional compensation to you), execute all documents reasonably necessary to assign your right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or another member of the Company Group specified by the Company) of all patents or copyrights with respect thereto).

8. Restricted Activities. You acknowledge that in your employment with the Company you will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company Group and that you will also generate goodwill for the Company Group in the course of your employment. Therefore, you agree that the following restrictions on your activities during and after your employment are necessary to protect the goodwill, confidential information and other legitimate interests of the Company Group:

(a) During the Non-Competition Period (as defined below), neither you nor any of your affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venture, independent contractor or otherwise) with the Company Group. Specifically, but without limiting the foregoing, you will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any person or entity who is engaged in any business that is competitive with the business of the Company Group, as conducted or in planning (i.e., the Company Group has taken material steps in implementing such plan) during your employment with the Company. A competitive business shall, without express or implied limitation, include any person or entity in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company Group does business or in any state contiguous to a state in which the Company Group does business. You understand and agree that ownership of less than 5% of the outstanding stock of any publicly-traded corporation will not in and of itself be deemed to result in any competition with the Company Group. For purposes of this Agreement, "Non-Competition Period" shall mean the period during the Term of Employment and for one (1) year thereafter.

(b) During the Non-Competition Period, neither you nor any of your affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any person or entity who (i) is on or at any time after the date hereof, an employee of any member of the Company Group or providing services to any member of the Company

Group as a consultant or independent contractor, or otherwise persuade any such person or entity to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group or (ii) was an employee of any member of the Company Group or providing services to any member of the Company Group as a consultant or independent contractor, in each case, at any time within twelve (12) months following the date of cessation of employment or services of such person or entity with the Company Group, or otherwise persuade any such person or entity during such twelve (12) month period to reduce or otherwise change the extent of such person's or entity's relationship with any member of the Company Group.

(c) During the Non-Competition Period, you shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company Group or any of its affiliates, owners, partners, managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company Group's business taken as a whole or (ii) the business reputation or relationships of the Company Group and/or any of its past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 8(c) shall prevent you from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over you.

In signing this Agreement, you give the Company assurance that you have carefully read and considered all the terms and conditions of this Agreement, including the restraints imposed on you under Section 7 and this Section 8. You agree that these restraints are necessary for the reasonable and proper protection of the Company Group and its affiliates, and are reasonable in respect to subject matter, length of time and geographic area. You further agree that, were you to breach any of the covenants contained in Section 7 or this Section 8, the damage to the Company Group and its affiliates would be irreparable. You therefore agree that the Company, in addition to any other remedies available to it (including without limitation the remedies as provided in Section 6), shall be entitled without posting bond to preliminary and permanent injunctive relief against any breach or threatened breach by you of any of those covenants. You further agree that, in the event that any provision of Section 7 or this Section 8 is determined to be

unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's affiliates shall have the right to enforce all of your obligations under this Agreement, including without limitation pursuant to this Section 8.

9. 409A Compliance.

(a) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations and guidance promulgated thereunder to the extent applicable (collectively "Code Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Code Section 409A. In no event whatsoever will any member of the Company Group, or any of their respective affiliates or any directors, officers, agents, attorneys, employees, executives, shareholders, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns of such member of the Company Group or such affiliate be liable for any additional tax, interest or penalties that may be imposed on you under Code Section 409A or any damages for failing to comply with Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered "nonqualified deferred compensation" under Code Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Code Section 409A and, for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If you are deemed on the Termination Date to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered nonqualified deferred compensation under Code Section 409A payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6)-month period measured from the date of your "separation from service" and (ii) the date of your death (the "Delay Period").

Upon the expiration of the Delay Period, all payments and benefits delayed pursuant to this Section 9(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed on the first business day following the expiration of the Delay Period to you in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Code Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, (ii) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits, to be provided in any other taxable year; provided, that this clause (ii) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (iii) such payments shall be made on or before the last day of your taxable year following the taxable year in which the expense occurred.

(d) For purposes of Code Section 409A, your right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the Termination Date"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

10. Miscellaneous. The headings in this Agreement are for convenience only and shall not affect the meaning hereof. This Agreement constitutes the entire agreement between the Company and you, and supersedes any prior communications, agreements, term sheets and understandings, written or oral, with respect to your employment and compensation and all matters pertaining thereto, including, without limitation, the Prior Agreement. If any provision in this Agreement should, for any reason, be held invalid or unenforceable in any respect, it shall be construed by limiting it so as to be enforceable to the maximum extent compatible with

applicable law. Article 3. Administration

3.1 Authority of the Committee. This Plan shall be administered by the Committee, which shall have full power to interpret and administer this Plan and Award Agreements and full authority to select the Directors, Employees and Consultants to whom Awards will be granted, determine the type and amount of Awards to be granted to each such Director, Employee or Consultant, and the terms and conditions of such Awards. Without limiting the generality of the foregoing, the Committee may, in its sole discretion, interpret, clarify, construe or resolve any ambiguity in any provision of this Plan or any Award Agreement, accelerate or waive vesting of Awards and exercisability of Awards, extend the term or period of exercisability of any Awards, modify the purchase price or Option Price of any Award, or waive any terms or conditions applicable to any Award, subject to the limitations set forth in Section 12.2 of this Plan. Awards may, in the discretion of the Committee, be made under this Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or a Subsidiary or a company acquired by the Company or with which the Company combines. The Committee shall have full and exclusive discretionary power to adopt rules, forms, instruments and guidelines for administering this Plan as the Committee deems necessary or proper, subject to the limitations set forth in Section 12.2 of this Plan. Subject to Section 12.2, all actions taken and all interpretations and determinations made by the Committee or by the Board (or any other committee or sub-committee thereof), as applicable, shall be final and binding upon the Participants, the Company and all other interested individuals.

3.2 Delegation. The Committee may delegate to one or more of its members, one or more officers of the Company or any Subsidiary, or one or more agents or advisors such administrative duties or powers as it may deem advisable.

Article 4. Eligibility and Participation

4.1 Eligibility. Participants will consist of such Employees, Directors and Consultants as the Committee in its sole discretion determines and whom the Committee may designate from time to time to receive Awards under this Plan; provided, that, in the case of

Option grants, subject to Section 6.1 of the Plan; provided, however, that Options and Stock Appreciation Rights may only be granted to those Employees, Directors and Consultants with respect to whom the Company is an “eligible issuer” within the meaning of Section 409A. The designation of an individual as a Participant in any year shall not require that the Committee designate such individual to receive an Award in any other year or to receive the same type or amount of Award in any other year.

4.2 Type of Awards. Awards under this Plan may be granted in any one or a combination of: (a) Options; (b) Stock Appreciation Rights; (c) Restricted Stock; and (d) Other Stock-Based Awards. Awards granted under this Plan shall be evidenced by Award Agreements (which need not be identical) that provide additional terms and conditions associated with such Awards, including, without limitation, restrictive covenants, as determined by the Committee in its sole discretion; provided, however, that in the event of any conflict between the provisions of this Plan and any such Award Agreement, the provisions of the Plan shall prevail unless otherwise indicated in the Award Agreement.

Article 5. Shares Subject to this Plan

5.1 Number of Shares Available for Awards. Subject to adjustment as provided in this Article 5 and Article 11 of the Plan, the maximum number of Shares available for issuance to Participants pursuant to Awards under the Plan shall be 66,090.90. The Shares available for issuance under the Plan may consist, in whole or in part, of authorized and unissued Shares or treasury Shares. Any Shares tendered to or withheld by the Company as part or full payment for the purchase price, Option Price or grant price of an Award, or to satisfy all or part of the Company’s tax withholding obligation with respect to an Award shall not be available for the issuance of additional Awards.

5.2 Additional Shares. In the event that any outstanding Award expires or is forfeited, cancelled or otherwise terminated without consideration (i.e., Shares or cash) therefor, the Shares subject to such Award, to the extent of any such forfeiture, cancellation, expiration or termination, shall again be available for Awards under this Plan. If the Committee authorizes the assumption under this Plan, in connection with any merger, consolidation, reorganization or acquisition of property or stock, of awards granted under another plan, such assumption shall not reduce the maximum number of Shares available for issuance under this Plan.

Article 6. Options

6.1 Grant of Options. The Committee is hereby authorized to grant Options to Participants; provided, that, the Directors, Employees and Consultants to whom Option grants shall be made and the number of Shares subject to any such Option grant (but excluding, in each case, any such grants to Mark Butler) shall be determined by the Committee based upon the recommendations of Mark Butler for so long as he remains the Chief Executive Officer of Ollie’s Bargain Outlet, Inc. Each Option shall permit a Participant to purchase from the Company a stated number of Shares at an Option Price established by the Committee, subject to the terms and conditions described in this Article 6 and to such additional terms and conditions, as established by the Committee, in its sole discretion, as are consistent with the provisions of the Plan. Options shall be designated as either Incentive Stock Options or Nonqualified Stock

Options; provided, that, Options granted to Directors and Consultants shall be Nonqualified Stock Options. An Option granted as an Incentive Stock Option shall, to the extent it fails to qualify under the Code as an Incentive Stock Option, be treated as a Nonqualified Stock Option. None of the Committee, the Company, any of its Subsidiaries or Affiliates, or any of their employees or representatives shall be liable to any Participant or to any other Person if it is determined that an Option intended to be an Incentive Stock Option does not qualify under the Code as an Incentive Stock Option. Each Option shall be evidenced by an Award Agreement that shall state the number of Shares covered by such Option. Such Award Agreements shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable.

6.2 Option Price. The Option Price shall be determined by the Committee at the time of grant but shall not be less than one hundred percent (100%) of the Fair Market Value of a Share on the date of grant. In the case of any Incentive Stock Option granted to a Ten-Percent Shareholder, the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of a Share on the date of grant.

6.3 Option Term. The term of each Option shall be determined by the Committee at the time of grant and shall be stated in the Award Agreement, but in no event shall such term be greater than ten (10) years (or, in the case on an Incentive Stock Option granted to a Ten-Percent Shareholder, five (5) years).

6.4 Time of Exercise. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve as set forth in each Award Agreement, which terms and restrictions need not be the same for each grant or for each Participant.

6.5 Method of Exercise. Except as otherwise provided in the Plan or in an Award Agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of this Article 6, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date full payment is received by the Company pursuant to clause (a), (b), (c), (d) or (e) of the following sentence (including the applicable tax withholding pursuant to Section 14.3 of the Plan). The aggregate Option Price for the Shares as to which an Option is exercised shall be paid to the Company in full at the time of exercise at the election of the Participant: (a) in cash or its equivalent (e.g., by cashier's check); (b) to the extent permitted by the Committee, in its sole discretion, in Shares (whether or not previously owned by the Participant) having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; (c) partly in cash and, to the extent permitted by the Committee, partly in such Shares (as described in (b) above); (d) to the extent permitted by the Committee, by reducing the number of Shares otherwise deliverable upon the exercise of the Option by the number of Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased; or (e) if Shares are publicly traded on a national securities exchange at such time, subject to such requirements as may be imposed by the Committee, through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and to deliver promptly to the Company an amount out of the proceeds of such sale equal to the aggregate Option Price for the Shares being purchased. The Committee may authorize any additional method of payment that it determines, in its sole discretion, to be consistent with applicable law and the purpose of the Plan.

6.6 Limitations on Incentive Stock Options. Incentive Stock Options may be granted only to employees of the Company or of a “parent corporation” or “subsidiary corporation” (as such terms are defined in Section 424 of the Code) at the date of grant. The aggregate Fair Market Value (generally determined as of the time the Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year under all plans of the Company and of any “parent corporation” or “subsidiary corporation” shall not exceed one hundred thousand dollars (\$100,000), or the Option shall be treated as a Nonqualified Stock Option, but only to the extent of that portion of the Option in excess of the limit. For purposes of the preceding sentence, unless otherwise designated by the Company, Incentive Stock Options will be taken into account in the order in which they are granted. Each provision of the Plan and each Award Agreement relating to an Incentive Stock Option shall be construed so that each Incentive Stock Option shall be an incentive stock option as defined in Section 422 of the Code, and any provisions of the Award Agreement thereof that cannot be so construed shall be disregarded. During a Participant’s lifetime Incentive Stock Options granted to such Participant shall be exercisable only by such Participant.

Article 7. Stock Appreciation Rights

7.1 Grant of Stock Appreciation Rights. The Committee is hereby authorized to grant Stock Appreciation Rights to Participants. Stock Appreciation Rights shall be evidenced by Award Agreements that shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable. Subject to the terms of the Plan and any applicable Award Agreement, a Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive, upon exercise thereof, the excess of: (a) the Fair Market Value of a specified number of Shares on the date of exercise over (b) the grant price of the right as specified by the Committee on the date of the grant. Such payment may be in the form of cash, Shares, other property or any combination thereof, as the Committee shall determine in its sole discretion.

7.2 Terms of Stock Appreciation Right. Each Stock Appreciation Right grant shall be evidenced by an Award Agreement that shall state the grant price (which shall not be less than one hundred percent (100%) of the Fair Market Value of a Share on the date of grant), term, methods of exercise, methods of settlement and such other provisions as the Committee shall determine. No Stock Appreciation Right shall have a term of more than ten (10) years from the date of grant.

Article 8. Restricted Stock

8.1 Grant of Restricted Stock. The Committee is hereby authorized to grant Restricted Stock to Participants. An Award of Restricted Stock is a grant by the Committee of a specified number of Shares to the Participant, which Shares are subject to forfeiture upon the occurrence of specified events. Participants shall be awarded Restricted Stock in exchange for consideration not less than the minimum consideration required by applicable law. Restricted Stock shall be evidenced by an Award Agreement, which shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable.

8.2 Terms of Restricted Stock Awards. Each Award Agreement evidencing a Restricted Stock grant shall specify the Restriction Period(s), the number of Shares of Restricted Stock subject to the Award, the purchase price, if any, of the Restricted Stock, the performance, employment or other service or other conditions (including the termination of a Participant's Service, whether due to death, Disability or other reason) under which the Restricted Stock may be forfeited to the Company and such other provisions as the Committee shall determine. Any Restricted Stock granted under the Plan shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates (in which case, the certificate(s) representing such Shares shall be legended as to sale, transfer, assignment, pledge or other encumbrances during the Restriction Period and deposited by the Participant, together with a stock power endorsed in blank, with the Company, to be held in escrow during the Restriction Period). At the end of the Restriction Period, the restrictions imposed hereunder and under the Award Agreement shall lapse with respect to the number of Shares of Restricted Stock as determined by the Committee, and, except as provided in Section 14.6, the legend required by this Section 8.2 shall be removed and such number of Shares delivered to the Participant (or, where appropriate, the Participant's legal representative).

8.3 Voting and Dividend Rights. The Committee shall determine and set forth in a Participant's Award Agreement whether or not a Participant holding Restricted Stock granted hereunder shall have the right to receive dividends on the Restricted Stock during the Restriction Period (and, if so, on what terms).

8.4 Performance Goals. The Committee may condition the grant of Restricted Stock or the expiration of the Restriction Period upon the Participant's achievement of one or more performance goals specified in the Award Agreement. If the Participant fails to achieve the specified performance goal(s), the Committee shall not grant the Restricted Stock to such Participant or the Participant shall forfeit the Award of Restricted Stock to the Company, as applicable.

8.5 Section 83(b) Election. If a Participant makes an election pursuant to Section 83(b) of the Code concerning Restricted Stock, the Participant shall be required to file promptly a copy of such election with the Company.

Article 9. Other Stock-Based Awards

The Committee, in its sole discretion, may grant Awards of Shares and Awards that are valued, in whole or in part, by reference to, or are otherwise based on the Fair Market Value of, Shares, including, without limitation, restricted stock units, dividend equivalent rights and other phantom awards. Such Other Stock-Based Awards shall be in such form and dependent on such conditions as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of Service, the occurrence of an event and/or the attainment of performance objectives. Subject to the provisions of the Plan, the Committee shall determine to whom and when Other Stock-Based Awards will be made, the number of Shares to be awarded under (or

otherwise related to) such Other Stock-Based Awards, whether such Other Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable). Each Other Stock-Based Award grant shall be evidenced by an Award Agreement, which shall conform to the requirements of the Plan.

Article 10. Compliance with Section 409A of the Code

10.1 General. The Company intends that the Plan and all Awards be construed to avoid the imposition of additional taxes, interest and penalties pursuant to Section 409A. Notwithstanding the Company's intention, in the event that any Award is subject to such additional taxes, interest or penalties pursuant to Section 409A, the Committee may, in its sole discretion and without a Participant's prior consent, amend the Plan and/or Awards, adopt policies and procedures or take any other actions (including amendments, policies, procedures and actions with retroactive effect) as are necessary or appropriate to (a) exempt the Plan and/or any Award from the application of Section 409A, (b) preserve the intended tax treatment of any such Award or (c) comply with the requirements of Section 409A, including, without limitation, any such regulations, guidance, compliance programs and other interpretative authority that may be issued after the date of the grant. In no event shall the Company or any of its Subsidiaries or Affiliates be liable for any additional tax, interest or penalties that may be imposed on a Participant under Section 409A or any damages for failing to comply with Section 409A.

10.2 Payments to Specified Employees. Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of "nonqualified deferred compensation" (within the meaning of Section 409A) that are otherwise required to be made under the Plan or any Award Agreement to a "specified employee" (as defined under Section 409A) as a result of his or her "separation from service" (other than a payment that is not subject to Section 409A) shall be delayed for the first six (6) months following such separation from service (or, if earlier, until the date of death of the specified employee) and shall instead be paid (in a manner set forth in the Award Agreement) on the day that immediately follows the end of such six-month period or as soon as administratively practicable thereafter. Any remaining payments of nonqualified deferred compensation shall be paid without delay and at the time or times such payments are otherwise scheduled to be made.

10.3 Separation from Employment or Other Service. A termination of Service shall not be deemed to have occurred for purposes of any provision of the Plan or any Award Agreement providing for the payment of any amounts or benefits that are considered nonqualified deferred compensation under Section 409A upon or following a termination of Service (but not for purposes of determining vesting or forfeiture), unless such termination is also a "separation from service" within the meaning of Section 409A and the payment thereof prior to a "separation from service" would violate Section 409A. For purposes of any such provision of the Plan or any Award Agreement relating to any such payments or benefits, references to a "termination," "termination of employment," "termination of Service," or like terms shall mean "separation from service."

Article 11. Adjustments

11.1 Adjustments in Authorized Shares. In the event of any corporate event or transaction involving the Company and/or a Subsidiary (including, but not limited to, a change in the Shares of the Company or the capitalization of the Company), such as a merger, consolidation, reorganization, recapitalization, partial or complete liquidation, reclassification, separation, stock dividend, stock split, reverse stock split, split up, spin-off, combination of Shares, exchange of Shares, dividend in kind, extraordinary cash dividend, amalgamation, IPO or other like change in capital structure, distribution of any kind or any similar corporate event or transaction (other than normal cash dividends to stockholders of the Company), the Committee, to prevent dilution or enlargement of Participants' rights under the Plan, shall choose, in its sole discretion, one or more of the following actions, which the Committee shall take in an equitable manner, (a) substitute or adjust the number and kind of Shares or other property that may be issued under the Plan or under particular forms of Awards, (b) substitute or adjust the number and kind of Shares or other property subject to outstanding Awards, (c) adjust the Option Price, grant price or purchase price applicable to outstanding Awards and/or other value determinations (including performance conditions) applicable to the Plan or outstanding Awards, (d) permit the holders of outstanding Awards to participate in the corporate event or transaction, or (e) issue additional Awards or Shares or make cash payments to the holders of outstanding Awards. All adjustments shall be made in good faith compliance with Section 409A.

11.2 Change of Control. Upon the occurrence of a Change of Control after the Effective Date, unless otherwise specifically prohibited under applicable laws or by the rules and regulations of any governing governmental agencies or national securities exchanges, or unless the Committee shall specify otherwise in the Award Agreement, the Committee is authorized (but not obligated) to make adjustments in the terms and conditions of outstanding Awards, including without limitation the following (or any combination thereof): (a) continuation or assumption of such outstanding Awards under the Plan by the Company (if it is the surviving company or corporation) or by the surviving company or corporation or its parent; (b) substitution by the surviving company or corporation or its parent of awards with substantially equivalent terms for outstanding Awards; (c) accelerated exercisability, vesting and/or lapse of restrictions under outstanding Awards immediately prior to the occurrence of such event; (d) upon written notice, provide that any outstanding Awards must be exercised, to the extent then exercisable, during a reasonable period of time immediately prior to the scheduled consummation of the event or such other period as determined by the Committee (contingent upon the consummation of the event), and at the end of such period, such Awards shall terminate to the extent not so exercised within the relevant period; (e) cancellation of all or any portion of outstanding Awards for fair value (in the form of cash, Shares, other property or any combination thereof) as determined in the sole discretion of the Committee and which value may be zero; provided, that, in the case of Options and Stock Appreciation Rights or similar Awards, the fair value may equal the excess, if any, of the value of the consideration to be paid in the Change of Control transaction to holders of the same number of Shares subject to such Awards (or, if no such consideration is paid, Fair Market Value of the Shares subject to such outstanding Awards or portion thereof being canceled) over the aggregate Option Price or grant price, as applicable, with respect to such Awards or portion thereof being canceled, or if no such excess, zero; and (f) cancellation of all or any portion of outstanding unvested and/or unexercisable Awards for no consideration.

Article 12. Duration; Amendment, Modification, Suspension and Termination

12.1 Duration of Plan. Unless sooner terminated as provided in Section 12.2, this Plan shall terminate on the tenth anniversary of the Effective Date.

12.2 Amendment, Modification, Suspension and Termination of Plan. Subject to the terms of the Plan, the Committee may, in its sole discretion, amend, alter, suspend, discontinue or terminate this Plan or any portion thereof or any Award (or Award Agreement) hereunder at any time; provided, that, no action taken by the Committee shall adversely affect the rights granted to any Participant under any outstanding Awards (other than pursuant to Article 10, in order to implement Article 11 or as the Committee deems necessary to comply with applicable law, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act) without the Participant's written consent.

Article 13. Forfeiture of Awards Upon Termination of Service

13.1 Termination for Cause. Unless otherwise provided in an Award Agreement, in the event that a Participant's Service is terminated for Cause, all Awards, including vested Options and Stock Appreciation Rights, held by the Participant shall terminate and be forfeited without consideration, effective on the date the Participant's Service is terminated for Cause.

13.2 Termination Due to Death or Disability. Unless otherwise provided in an Award Agreement, in the event that a Participant's Service is terminated due to death or Disability, (a) all unvested Awards held by the Participant shall terminate and be forfeited without consideration effective as of the date the Participant's Service is terminated and (b) all vested Options and Stock Appreciation Rights shall terminate and be forfeited on the earlier of (i) one (1) year following the termination of Service and (ii) the expiration of the term of such Options and Stock Appreciation Rights.

13.3 Termination Without Cause. Unless otherwise provided in an Award Agreement, in the event that a Participant's Service is terminated by the Company and its Subsidiaries without Cause or by the Participant for Good Reason and, in each case, other than as provided in Section 13.2, (a) all unvested Awards held by the Participant shall terminate and be forfeited without consideration effective as of the date the Participant's Service is terminated and (b) all vested Options and Stock Appreciation Rights shall terminate and be forfeited on the earlier of (i) the date the term of such Options and Stock Appreciation Rights expires and (ii) ninety (90) days following the termination of the Participant's Service.

13.4 Termination for any Other Reason. Unless otherwise provided in an Award Agreement, in the event that a Participant's Service is terminated for any reason other than pursuant to Sections 13.1-13.3 above, (a) all unvested Awards held by the Participant shall terminate and be forfeited without consideration effective as of the date the Participant's Service is terminated and (b) all vested Options and Stock Appreciation Rights shall terminate and be forfeited on the earlier of (i) the date the term of such Options and Stock Appreciation Rights expires and (ii) thirty (30) days following the termination of the Participant's Service.

Article 14. General Provisions

14.1 No Right to Employment or Other Service or Award. The granting of an Award under the Plan shall impose no obligation on the Company, any Subsidiary or any Affiliate to continue the Service of a Participant and shall not lessen or affect any right that the Company, any Subsidiary or any Affiliate may have to terminate the Service of such Participant. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

14.2 Settlement of Awards. Each Award Agreement shall establish the form in which the Award shall be settled. The Committee shall determine whether cash, Awards, other securities or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be issued, rounded, forfeited or otherwise eliminated.

14.3 Tax Withholding. The Company shall have the power and the right to deduct or withhold automatically from any amount deliverable under the Award or otherwise, or to require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan. Participants may elect, subject to the approval of the Committee, in its sole discretion, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value equal to the minimum statutory total tax that could be imposed in connection with any such taxable event.

14.4 No Guarantees Regarding Tax Treatment. Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Awards under the Plan. The Committee and the Company make no guarantees to any Person regarding the tax treatment of Awards or payments made under the Plan. Neither the Committee nor the Company has any obligation to take any action to prevent the assessment of any tax on any Person with respect to any Award under Section 409A, Section 280G or 457A of the Code or otherwise, and none of the Company, any of its Subsidiaries or Affiliates or any of their employees, directors, officers, representatives, stockholders or Affiliates shall have any liability to a Participant with respect thereto.

14.5 Non-Transferability of Awards. Unless otherwise determined by the Committee, an Award shall not be transferable or assignable by the Participant except in the event of the Participant's death (subject to the applicable laws of descent and distribution), and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate. No transfer shall be permitted for value or consideration. An award exercisable after the death of a Participant may be exercised by the heirs, legatees, personal representatives or distributees of the Participant. Any permitted transfer of the Awards to heirs, legatees, personal representatives or distributees of the Participant shall not be effective to bind the Company unless the Committee shall have been furnished with written notice thereof and a copy of such evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee or transferees of the terms and conditions hereof.

14.6 Stockholders' Agreement; Conditions and Restrictions on Shares. Shares received in connection with Awards granted hereunder shall be subject to all of the terms and conditions of the Stockholders Agreement, including all transfer restrictions, repurchase rights and "take along" rights set forth therein. As a condition to receiving, exercising or settling an Award, if not already fully bound by the terms set forth in the Stockholders Agreement, each Participant shall sign a joinder agreement pursuant to which such Participant shall become fully bound by the terms set forth in the Stockholders Agreement. The Committee may impose such other conditions or restrictions on any Shares received in connection with an Award as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, requirements that the Participant: (a) hold the Shares received for a specified period of time or (b) represent and warrant in writing that the Participant is acquiring the Shares for investment and without any present intention to sell or distribute such Shares. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any conditions and restrictions applicable to such Shares.

14.7 Shares Not Registered. Shares and Awards shall not be issued under this Plan unless the issuance and delivery of such Shares and any Awards comply with (or are exempt from) all applicable requirements of law, including, without limitation, the Securities Act, state securities laws and regulations and the regulations of any stock exchange or other securities market on which the Company's securities may then be traded. The Company shall not be obligated to file any registration statement under any applicable securities laws to permit the purchase or issuance of any Shares or any Awards under this Plan, and accordingly, any certificates for Shares or documents granting Awards may have an appropriate legend or statement of applicable restrictions endorsed thereon. If the Company deems it necessary to ensure that the issuance of securities under this Plan is not required to be registered under any applicable securities laws, each Participant with respect to whom such security would be purchased or issued shall deliver to the Company an agreement or certificate containing such representations, warranties and covenants as the Company reasonably requires.

14.8 Awards to Non-U.S. Employees or Directors. To comply with the laws in countries other than the United States in which the Company or any Subsidiary operates or has Employees, Directors or Consultants, the Committee, in its sole discretion, shall have the power and authority to: (a) determine which Subsidiaries shall be covered by the Plan; (b) determine which Employees, Directors or Consultants outside the United States are eligible to participate in the Plan; (c) modify the terms and conditions of any Award granted to Employees, Directors or Consultants outside the United States to comply with applicable foreign laws; (d) take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals; and (e) establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable.

14.9 Rights as a Stockholder. Except as otherwise provided herein or in the applicable Award Agreement, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

14.10 Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or, if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

14.11 Unfunded Plan. Participants shall have no right, title or interest whatsoever in or to any investments that the Company or any of its Subsidiaries may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or other Person. To the extent that any Person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts. The Plan is not subject to the U.S. Employee Retirement Income Security Act of 1974, as amended from time to time.

14.12 No Constraint on Corporate Action. Nothing in the Plan shall be construed to (a) limit, impair or otherwise affect the Company's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets; or (b) limit the right or power of the Company to take any action that it deems necessary or appropriate.

14.13 Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business or assets of the Company.

14.14 Governing Law. This Plan and each Award Agreement and all claims or causes of action or other matters (whether in contract, tort or otherwise) that may be based upon, arise out of or relate to this Plan or any Award Agreement or the negotiation, execution or performance of this Plan or any Award Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, excluding any conflict- or choice-of-law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction.

14.15 Effective Date. The Plan shall be effective as of the date of adoption by the Board, which date is set forth below (the "Effective Date").

14.16 Stockholder Approval. The Plan will be submitted for approval by the stockholders of the Company within twelve months of the Effective Date. Any Incentive Stock Options granted under the Plan prior to such approval of stockholders shall be effective as of the date of grant, but no such Award may be exercised or settled and no restrictions relating to any

Award may lapse prior to such stockholder approval, and if stockholders fail to approve the Plan as specified hereunder, the Plan and any Award shall be terminated and cancelled without consideration.

In the event that the Option is being exercised by the Participant's representative, the Notice of Exercise shall be accompanied by proof (satisfactory to the Committee) of the representative's right to exercise the Option. The aggregate Option Price for the Shares to be exercised may be paid in cash or its equivalent (e.g., by cashier's check) or any other form of payment permitted by the Committee in accordance with Section 6.5 of the Plan; including but not limited to, at the sole discretion of the Committee, by reducing the number of Shares otherwise deliverable upon the exercise of the Option by the number of Shares having a Fair Market Value equal to the Option Price; provided, that, such Participant remains in Service through the date of exercise or, if terminated, is terminated without Cause [(including, as a result of a non-renewal of the term of employment by Ollie's Bargain Outlet, Inc. under the Employment Agreement)] or due to death or Disability, and has not breached the covenants set

b. Stockholder Rights. Neither the Participant nor the Participant's representative shall have any rights to dividends, voting rights (to the extent the Shares have any voting rights) or other rights of a stockholder with respect to Shares subject to the Option until (i) the Participant has delivered to the Company a Notice of Exercise for the Option, (ii) the Participant has paid the Option Price for such Shares, (iii) such Shares have been issued, (iv) the Participant has executed a joinder to or has otherwise become a party to the Stockholders' Agreement and (v) the Participant has executed such other agreements or certificates that the Committee reasonably determines are necessary to comply with applicable securities laws and other applicable laws.

6. No Right to Continued Service. The granting of the Option shall impose no obligation on the Company or any Subsidiary or Affiliate to continue the Service of the Participant and shall not lessen or affect any right that the Company or any Subsidiary or Affiliate may have to terminate the Service of the Participant.

7. Restrictive Covenants. In consideration of the Option granted herein, the Participant agrees to be bound by the provisions set forth on Exhibit B attached hereto.

8. Withholding. The Company shall have the power and the right to deduct or withhold automatically from any payment or Shares deliverable under this Award Agreement, or to require the Participant to remit to the Company, the minimum statutory amount to satisfy federal, state and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Award Agreement. The Participant may elect, subject to the approval of the Committee, in its sole discretion, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value equal to the minimum statutory total tax that could be imposed in connection with any such taxable event; provided, that, such Participant remains in Service through the date of exercise or, if terminated, is terminated without Cause [(including, as a result of a non-renewal of the term of employment by Ollie's Bargain Outlet, Inc. under the Employment Agreement)] or due to death or Disability, and has not breached the covenants set forth on Exhibit B attached hereto.

9. Transferability. Unless otherwise determined by the Committee, the Participant shall not be permitted to transfer or assign the Option except in the event of death and in accordance with Section 14.5 of the Plan. 10. Adjustment of Option. Adjustments to the Option (or any Shares underlying the Option) shall be made in accordance with the terms of the Plan.

11. Option Subject to Plan. By entering into this Award Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Option is subject to the terms and conditions of the Plan. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of the Plan will govern and prevail.

12. Stockholders' Agreement; Conditions and Restrictions on Shares. Shares received upon the exercise of the Option shall be subject to all of the terms and conditions of the Stockholders' Agreement, including all transfer restrictions and repurchase rights set forth therein. The Option may not be exercised prior to the Participant's execution of a joinder to the Stockholders' Agreement if the Participant is not a party to the Stockholders' Agreement prior to any such exercise. The certificates for Shares may include any legend that the Committee deems appropriate to reflect any conditions and restrictions applicable to such Shares. Notwithstanding anything to the contrary contained in this Section 12, the Participant agrees and acknowledges that under certain circumstances the Vested Portion may be subject to repurchase by the Company (or its designee) in accordance with, and subject to, the terms and conditions set forth in Section 2.2(a) of the Stockholders' Agreement.

13. Choice of Law. This Award Agreement, and all claims or causes of action or other matters (whether in contract, tort or otherwise) that may be based upon, arise out of or relate to this Award Agreement, shall be governed by and construed in accordance with the laws of the State of Delaware, excluding any conflict- or choice-of-law rule or principle that might otherwise refer construction or interpretation thereof to the substantive laws of another jurisdiction.

14. Consent to Jurisdiction. The Company and the Participant, by their execution hereof, (a) hereby irrevocably submit to the exclusive jurisdiction of the state and federal courts in the State of Delaware for the purposes of any claim or action arising out of or based upon this Award Agreement or relating to the subject matter hereof; (b) hereby waive, to the extent not prohibited by applicable law, and agree not to assert by way of motion, as a defense or otherwise, in any such claim or action, any claim that they are not subject personally to the jurisdiction of the above-named courts, that their property is exempt or immune from attachment or execution, that any such proceeding brought in the above-named court is improper or that this Award Agreement or the subject matter hereof may not be enforced in or by such court; and (c) hereby agree not to commence any claim or action arising out of or based upon this Award Agreement or relating to the subject matter hereof other than before the above-named courts or to make any motion or take any other action seeking or intending to cause the transfer or removal of any such claim or action to any court other than the above-named courts whether on the grounds of inconvenient forum or otherwise; provided, however, that the Company and the Participant may, if necessary, seek to enforce and/or execute on a final judgment issued by a Delaware court of competent jurisdiction in any other court of competent jurisdiction. The Company and the Participant hereby consent to service of process in any such proceeding and agree that service of process by registered or certified mail, return receipt requested, at the address specified pursuant to Section 17, is reasonably calculated to give actual notice.

15. WAIVER OF JURY TRIAL. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, EACH PARTY HERETO HEREBY WAIVES AND COVENANTS THAT HE, SHE OR IT SHALL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE) ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE OR ACTION, CLAIM, CAUSE OF ACTION OR SUIT (IN CONTRACT, TORT OR OTHERWISE), INQUIRY, PROCEEDING OR INVESTIGATION ARISING OUT OF OR BASED UPON THIS AWARD AGREEMENT OR THE SUBJECT MATTER HEREOF OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE TRANSACTIONS CONTEMPLATED HEREBY, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING. EACH PARTY HERETO ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTY HERETO THAT THIS SECTION 15 CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH HE, SHE OR IT IS RELYING AND SHALL RELY UPON IN ENTERING INTO THIS AWARD AGREEMENT. ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 15 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF HIS, HER OR ITS RIGHT TO TRIAL BY JURY.

16. Shares Not Registered. Shares shall not be issued pursuant to this Award Agreement unless the issuance and delivery of such Shares comply with (or are exempt from) all applicable requirements of law, including, without limitation, the Securities Act, state securities laws and regulations and the regulations of any stock exchange or other securities market on which the Company's securities may then be traded. The Company shall not be obligated to file any registration statement under any applicable securities laws to permit the purchase or issuance of any Shares, and accordingly, any certificates for Shares may have an appropriate legend or statement of applicable restrictions endorsed thereon. If the Company deems it necessary to ensure that the issuance of Shares under this Award Agreement is not required to be registered under any applicable securities laws, the Participant shall deliver to the Company an agreement containing such representations, warranties and covenants as the Company may reasonably require.

17. Notices. Any notice or other communication provided for herein or given hereunder to a party hereto must be in writing and shall be deemed to have been given (a) when personally delivered or delivered by facsimile transmission with confirmation of delivery, (b) upon delivery after deposit with Federal Express or similar overnight courier service or (c) three (3) business days after being mailed by first class mail, return receipt requested. 18. Entire Agreement. This Award Agreement, including Exhibit A and Exhibit B attached hereto, the Plan and the Stockholders' Agreement constitute the entire agreement and understanding among the parties hereto in respect of the subject matter hereof and supersede all prior and contemporaneous arrangements, agreements and understandings, whether oral or written and whether express or implied, and whether in term sheets, presentations or otherwise,

among the parties hereto, or between any of them, with respect to the subject matter hereof; provided, that, the Participant shall continue to be bound by any other confidentiality, non-competition, non-solicitation and other similar restrictive covenants contained in any other agreements between the Participant and the Company, its Affiliates and their respective predecessors to which the Participant is bound. In the event of any inconsistency between any restrictive covenants contained in Exhibit B and any restrictive covenants contained in such other agreements, that obligation which is most restrictive upon the Participant shall control.

19. Amendment; Waiver. Except as otherwise permitted by the Plan, no amendment or modification of any term of this Award Agreement shall be effective unless signed in writing by or on behalf of the Company and the Participant. No waiver of any breach or condition of this Award Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature.

20. Successors and Assigns; No Third-Party Beneficiaries. The provisions of this Award Agreement shall inure to the benefit of, and be binding upon, the Company and its successors and assigns and upon the Participant and the Participant's heirs, successors, legal representatives and permitted assigns. The Participant hereby expressly acknowledges that the Company's successors and assigns are permitted to enforce all of the Company's or its Affiliates' rights under this Award Agreement, including but not limited to their rights under Exhibit B attached hereto. Nothing in this Award Agreement, express or implied, is intended to confer on any person other than the Company and the Participant, and their respective heirs, successors, legal representatives and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Award Agreement.

EXHIBIT B

1. Confidentiality; Proprietary Rights. Without the written consent of the Board, the Participant will not during or after termination of the Participant's Service (i) disclose to any Person (other than any disclosure during the Participant's Service to a Person to which such disclosure is in the Participant's reasonable judgment necessary or appropriate in connection with the performance of the Participant's duties with or to the Company and its Subsidiaries), any confidential, proprietary or trade secret information obtained by the Participant while in Service, or (ii) use any such information to the detriment of the Company or any of its Subsidiaries; provided, however, that the restrictions in clause (i) of this sentence shall not apply to information that is generally known to the public other than as a result of unauthorized disclosure by the Participant.

All inventions, developments, methods, processes and ideas conceived, developed or reduced to practice by the Participant during the Participant's Service, and for six (6) months thereafter, which are directly or indirectly useful in, or relate to, the business of or products or services provided by or sold by the Company or any of its Subsidiaries shall be promptly and fully disclosed by the Participant to an appropriate executive officer of the Company or any of its Subsidiaries (accompanied by all papers, drawings, data and other materials relating thereto) and shall be the exclusive property of the Company (or such Subsidiary of the Company as specified by the Company). The Participant will, upon the Company's request and at its expense (but without any additional compensation to the Participant), execute all documents reasonably necessary to assign the Participant's right, title and interest in any such invention, development, method or idea (and to direct issuance to the Company (or such Subsidiary of the Company as specified by the Company) of all patents or copyrights with respect thereto).

2. Restricted Activities. The Participant acknowledges that in connection with the Participant's Service the Participant will have access to confidential, proprietary and trade secret information which, if disclosed, would assist in competition against the Company and its Subsidiaries and that the Participant will also generate goodwill for the Company and its Subsidiaries in the course of the Participant's Service. Therefore, the Participant agrees that the following restrictions on the Participant's activities during and after the Participant's Service are necessary to protect the goodwill, confidential information and other legitimate interests of the Company and its Subsidiaries:

(a) During the Non-Competition Period (as defined below), neither the Participant nor any of the Participant's Affiliates will compete, or undertake any planning to compete, in any way (whether directly or indirectly as an officer, director, employee, owner, investor, joint venturer, independent contractor or otherwise) with the Company or any of its Subsidiaries. Specifically, but without limiting the foregoing, the Participant will not work or provide services, in any capacity, whether as an employee, independent contractor or otherwise, whether with or without compensation, to any Person who is engaged in any business that is competitive with the business of the Company or any of its Subsidiaries, as conducted or in planning (i.e., the Company and its Subsidiaries have taken material steps in implementing such plan) during the Participant's Service. A competitive business shall, without express or implied limitation, include any Person in the business of the retail sale, direct marketing or wholesale of discounted or closeout merchandise in any state where the Company or any of its Subsidiaries

does business or in any state contiguous to a state in which the Company or any of its Subsidiaries does business. The Participant [understands and agrees that (i) ownership of less than 5% of the outstanding stock of any publicly-traded corporation or XS Cargo Limited Partnership (“XSC”) will not in and of itself be deemed to result in any competition with the Company or any of its Subsidiaries, (ii) the Participant’s provision of services to XSC during any time in which XSC has no stores in the United States and at a level consistent with what is contemplated by the Services Agreement by and between XSC and Ollie’s Bargain Outlet, Inc., effective as of June 3, 2011 will not in and of itself be deemed to result in any competition with the Company or any of its Subsidiaries so long as it does not, either directly or indirectly, conflict with or interfere with the performance of the Participant’s duties under the Employment Agreement or to the Company or any of its Subsidiaries (including, without limitation, the participant’s fiduciary duties) and (iii) the Participant will inform the Company, its Subsidiaries and the CCMP Stockholders (as defined in the Stockholders’ Agreement) of any material changes or developments relating to XSC and answer all questions about or relating to XSC which the Company, any of its Subsidiaries or the CCMP Stockholders may have]. For purposes of this Award Agreement, “Non-Competition Period” shall mean the period during the Participant’s Service and for [two (2) years] thereafter [; provided, however, that in the event that the Participant’s Service is terminated without Cause (excluding death or Disability or a non-renewal of the term of employment under the Employment Agreement) or the Participant terminates his Service for Good Reason, the Non-Competition Period shall end on the date of termination of Service].

(b) During the Non-Competition Period, neither the Participant nor any of the Participant’s Affiliates will recruit, offer employment to, employ, engage as a consultant or independent contractor, lure or entice away any Person who (i) is on or at any time after the date hereof, an employee of the Company or any of its Subsidiaries or providing services to the Company or any of its Subsidiaries as a consultant or independent contractor, or otherwise persuade any such Person to reduce or otherwise change the extent of such Person’s relationship with the Company or any of its Subsidiaries or (ii) was an employee of the Company or any of its Subsidiaries or providing services to the Company or any of its Subsidiaries as a consultant or independent contractor, in each case, at any time within twelve (12) months following the date of cessation of employment or services of such Person with the Company and its Subsidiaries, or otherwise persuade any such Person during such twelve (12) month period to reduce or otherwise change the extent of such Person’s relationship with the Company or any of its Subsidiaries.

(c) During the Participant’s Service and for a period of two (2) years thereafter, the Participant shall not make any negative, disparaging, detrimental or derogatory remarks or statements (written, oral, telephonic, electronic, or by any other method) about the Company or any of its Subsidiaries or any of their respective Affiliates, owners, partners,

managers, directors, officers, employees or agents, including, without limitation, any remarks or statements that would adversely affect in any manner (i) the conduct of the Company's and each of its Subsidiaries' business taken as a whole or (ii) the business reputation or relationships of the Company, any of its Subsidiaries and/or any of its or their respective past or present officers, directors, agents, employees, attorneys, successors and assigns. Notwithstanding the foregoing, nothing in this Section 2(c) shall prevent the Participant from making any truthful statement to the extent, but only to the extent required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over the Participant.

In signing this Award Agreement, the Participant gives the Company assurance that the Participant has carefully read and considered all the terms and conditions of this Exhibit B. The Participant agrees that these restraints are necessary for the reasonable and proper protection of the Company and its Subsidiaries and each of their respective Affiliates, and are reasonable in respect to subject matter, length of time and geographic area. The Participant further agrees that, were the Participant to breach any of the covenants contained in this Exhibit B, the damage to the Company and its Subsidiaries and each of their respective Affiliates would be irreparable. The Participant therefore agrees that the Company, in addition to any other remedies available to it, shall be entitled without posting bond to preliminary and permanent injunctive relief against any breach or threatened breach by the Participant of any of those covenants. The Participant further agrees that, in the event that any provision of this Exhibit B is determined to be unenforceable by reason of its being extended over too great a time, too large a geographic area or too great a range of activities, that provision shall be deemed to be modified to permit its enforcement to the maximum extent permitted by law. It is also agreed that each of the Company's Subsidiaries and Affiliates shall have the right to enforce all of the Participant's obligations under this Exhibit B.
